

Brain Massage®: Show No. 827 The Lebron Dilemma / Update: Battlefield
Assessment by the Brain Masseur

Jerry Scheidbach

Original Air Date: 04.24.21

1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain
3 masseur—get ready for your brain massage.

4 [INSERT: Before we get started I want to shout out to a friend that
5 wrote to correct me for using "class" language to make a point last
6 week on how corporate and social welfare are being used to
7 squeeze out the so-called "middle class." He objected on the ground
8 that *class* is a social construct used to divide people and
9 superimpose a sort of European social structure of *lords* and *serfs*
10 over our egalitarian ideals. I AGREE! *Class* and *Race* too are
11 artificial constructs invented in HELL — I admit that I uncritically
12 used the nomenclature of contemporary parlance as a rhetorical
13 means of communicating an otherwise complicated concept while
14 avoiding the onerous task of explaining something else before I
15 could explain something! Hehe! But, really — having a bit of fun!
16 But you are RIGHT my friend. Upper class, middle class, and lower
17 class are categories better identified as upper income, middle
18 income, and lower income — Thank You!

19 [THE DEVIL BEWARE]

20 One of my news sources just got put into Twitter Jail — she
21 responded to a question: What would our Founders have done
22 about Joe Biden? Her answer — they hung traitors. There is a spirit
23 of the Eagle in my Dove.

24 King Biden says, No 4th of July unless everyone gets their shot! (Is
25 Warren afraid Biden is going to start a nuclear war? — she
26 introduced a Bill prohibiting US from starting one.)

27 When could you really use Galaxy Quest's Q13 — When Lebron
28 Tweets something really stupid.

29 BLM "storm Oklahoma State Capitol" — force the legislature into
30 lockdown! But at least two things prove this is not like the January
31 6 insurrection, wait for it!

32 Talking about "Storming" the Capitol? Nancy leads House to stack
33 the Senate—voted to make Washington DC the 51st State. But,
34 isn't this a violation of the Constitution? Yep! And I'll show you
35 where.

36 From POW-MIA to the Pride flag! What flag do you fly under,
37 what cause do you cheerlead?

38 But the really BIG NEWS is Mike Lindell's new social media
39 platform, FRANKSpeech.com — and the release of his newest
40 documentary Absolute Interference. It's a MUST SEE! I'll touch on
41 it here, but you'll really need to view the entire documentary.

42 AZ starts the audit TODAY (remember, I produce the show on
43 Fridays). Mr. Pulitzer will be leading the forensic investigation
44 team. Trump speaks out!

45 The insanity of Liberals is DANGEROUS. Gates wants to block
46 sunlight and Kerry wants to "get carbon dioxide out of the
47 atmosphere." — So that's what the masks are about! Haha!

48 Well, let's see. I need to at least speak to the Ma'khia shooting—
49 but, in all honesty, this story blows up the critical race theory
50 narrative —. And, okay, I need to offer an updated battlefield
51 assessment—which will touch on much of this—

52 Hey, GAP conference is coming up April 26-27 and we have
53 special guests — South Carolina CA Senator Mike Morrell will
54 speak Tuesday morning in the second session. Sessions begin at
55 9:30 AM.

56 All are welcome. Monday, 7 PM, Tuesday, begins at 9:30 AM, and
57 then Tuesday night at 7 PM we will wrap it up.

58 Okay, my friends — it's time for your BRAIN MASSAGE!

59 [TRUTH]

60 When you could really use Galaxy Quest's Q13 — ANSWER —
61 When Labron decides to send a stupid tweet! " Oh, how Lebron
62 wishes he could have the 13 seconds before he hit send on that one.
63 "Activate Q13."

64 A *gull* named Lebron — and a knife-wielding girl named Ma'khia.¹

65 Maybe you did not know that a *gull* is someone duped! The great
66 dunker got duped.

67 The backstory is emerging and we have few details. Makhia gets
68 into a Ker scuffle with someone in her home over messy rooms and
69 dirty dishes—roommates? Family members? Visiting relatives,
70 neighbors? We don't know yet. Someone calls in to 911 claiming
71 some girl is wielding a knife and threatening people in the house.
72 The police arrive, this girl is going at two others with a knife—she
73 can be SEEN and HEARD on the video—going at one of the girls
74 with her knife poised to strike saying "I'm going to stab the *BLEEP
75 out of you *BLEEP." The officer shoots the perpetrator multiple
76 times and she dies from her wounds.²

77 The persons involved in this are black—apparently, that's
78 important! You know, it's all about the color of someone's skin, so!
79 NBC doctors the video, removes the knife, and presents this as yet
80 another story of police brutality—a white cop killing a black
81 teenager. ABC was somewhat more honest about it. The racists are
82 all in uproar over another black teenager getting shot. Me? Well, I
83 am in uproar over the break down of morality in our nation—the
84 break down of the home, the family, and of love one another, of
85 love your neighbor — you know, that whole "Christian values"
86 thing that used be the prevailing ethos.

¹ See it for yourself: <https://rumble.com/vfyd3n-breaking-new-footage-from-columbus-shooting-dismantles-lefts-narrative.html?mref=7ch9&mc=1xyinn> (Online: 4/23/21)

² See 1.

87 So here is a preacher talking to Hannity who is trying to help the
88 preacher — oh, I have to mention he is black, because that's always
89 what all of this is about these days—it's no longer about stopping
90 crime, or about criminal behavior, or about well, about someone
91 trying to kill someone with a knife — it's all about the color of
92 those involved — so, I can't even talk about this without reference
93 to color which OUGHT TO HAVE NO PART IN THE
94 DISCUSSION. But — the preacher was black and he was angry at
95 the Police officer for shooting this young black girl—and Hannity
96 tried to get him to think this through. So he said, what if the black
97 girl being threatened by the black girl with a knife was your
98 daughter — do you think the officer should have protected your
99 daughter? Would the shooting be justified then? The black
100 preacher, because, you understand, we can't have any conversation
101 about any of this without clarifying what color each person is—so,
102 the black preacher kept equivocating, dodging, ducking and
103 weaving until he finally surrendered and admitted the TRUTH.

104 He said, well, it's like this. It depends on which of the girls is my
105 daughter. If the girl being threatened by the knife wielding black
106 girl is my daughter — then I want that officer to shoot the attacker
107 and protect my daughter. If the knife-wielding teen is my daughter,
108 then I don't want him to shoot my daughter. And, you see, there it
109 is. It's about whose my daughter — it's not about JUSTICE or
110 JUDGMENT — in other words, this black preacher prefers the
111 police officer to allow his daughter to "STAB the *BLEEP out of
112 that *BLEEP" rather than shoot his daughter. The SELFISHNESS is
113 unreal — the total DISREGUARD for JUSTICE —

114 So, Labron tweets how tired he is of black kids getting shot. He
115 posts a picture of the officer with "You're NEXT."

116 Some newser gets on and the focus is all on the officer — why
117 didn't he taze, why didn't he shoot a warning shot, why didn't he —
118 good night! How about why didn't he wait until the *knifer* "stabbed

119 the *BLEEP out of the *BLEEP." And then we can get on him for
120 allowing the one black teenager to get stabbed and then for killing
121 the stabber too — You know, if the officer was protecting a white
122 girl from a black girl attacking her with a knife. Well, that would be
123 different! And if the white officer restrained from shooting a white
124 attacker of a black victim — well, we all know where that would go.
125 Because the agitators of race hatred in this country have succeeded
126 at making all of this about black and white.

127 Where is JUSTICE in ANY OF THIS? The officer acted to SAVE A
128 HUMAN LIFE from a would-be MURDERER. That is JUSTICE.

129 Labron deleted the Tweet — so, maybe after a moment's reflection
130 he understood that this officer did not shoot Ma'khia because she
131 was black — he shot her because she was about to STAB the
132 *BLEEP out of — well, out of somebodies little girl; somebodies
133 sister, perhaps, surely somebodies someone! Her life matters too!
134 Right? I mean, she was also black, and ALL BLACK LIVES
135 MATTER. Well, except the hundred killed in Chicago by other
136 black perps—they don't matter. Lebron has never TWEETED how
137 tired he is that blacks are being shot and killed by other blacks in
138 Chicago, what, like EVERY DAY!

139 So maybe the issue for Labron is actually not about blacks being
140 shot — maybe it's about blacks being shot by whites: specifically, by
141 white police officers. You know, at least 283 police officers have
142 been shot in the line of duty this year, already! Forty-four died. But
143 if you say BLUE LIVES MATTER, you get shut down.

144 Friend, let me tell you what bothers me about this? Let me tell you
145 what I'm TIRED OF! WE CAN'T GET JUSTICE! It's GONE! It's all
146 about what color someone is, or whether they are family.

147 It's all black and white.

148 BLM "storm Oklahoma State Capitol" — force the legislature into
149 lockdown! But at least two things prove this is not like the January

150 6 "insurrection," so don't try to compare it. First, no officer was
151 reported killed with a fire extinguisher by a Trump supporter, who
152 was actually not killed with a fire extinguisher or even touched by a
153 Trump supporter. And second, there are no reports of the officers
154 on duty at the Oklahoma capitol waving these protesters in before
155 they decided to arrest them for "insurrection." Oh, yeah, there is a
156 third — none of these "insurrectionists" were arrested or accused of
157 any crime. So!

158 Well, I went a bit long on this segment — I'll offer my battlefield
159 assessment on the other side of the break. Hold on; I'll be right
160 back.

161 [CA Senator Mike Morrell will be speaking at the GAP conference
162 this coming Tuesday morning. He is scheduled to speak in the
163 second session. We start at 9:30, you are invited to come hear the
164 Senator give us an assessment of where we are in the fight for
165 Christian values in CA and what he sees for our future. I hope you
166 will come!]

167 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor
168 at the Lighthouse, your brain masseur, and Paul Revere's lantern
169 lighter, lighting the lamps in the church belfry arch, signaling the
170 enemy is on the march, an enemy that would steal from us our
171 liberty.

172 The insanity of Liberals is DANGEROUS. Gates wants to block
173 sunlight and Kerry wants to "get carbon dioxide out of the
174 atmosphere." — That's what the masks are about! I've been trying
175 to figure this out—so *that's it?* Humans are destroying the planet
176 by BREATHING.

177 Nancy leads House to stack the Senate—voted to make
178 Washington DC the 51st State. But, isn't this a violation of the
179 Constitution? Yep! You know what, I can see that I'll not have time

180 to read and explain Article ONE, section 8, clause 17 —so tune in
181 to my livestream Facebook visit tonight.

182 The really BIG NEWS is Mike Lindell's new social media platform,
183 FRANKSpeech.com — and the release of his newest documentary
184 Absolute Interference. It's a MUST SEE! I'll touch on it here, but
185 you'll really need to view the entire documentary.

186 AZ starts the audit TODAY (remember, I produce the show on
187 Fridays). Mr. Pulitzer will be leading the forensic investigation
188 team, examining something like 2 million ballots. He will be using
189 the ballots and ballot images to determine whether they are
190 authentic, or produced by machine, or completed by the hand of
191 someone other than the intended voter—and whether they were
192 purposely designed to trigger adjudication. PRAY!

193 But I want to make sure I offer an updated battlefield assessment?

194 We are at war! The culture war has evolved—we are now under
195 siege by a foreign power using domestic traitors to undermine the
196 Constitution. The game plan is to reduce America to a third world
197 nation status as punishment against her for all her sins by those
198 who could care less about "all her sins," and in fact, who are the
199 primary perpetrators of "all her sins," but who actually want to
200 subordinate the world to DICTATORSHIP of the ELITE and
201 America is IN THE WAY.

202 What makes America a threat? Her unwillingness to finally, fully,
203 and completely to turn away from GOD, and from the anti-tyrant
204 creed: "ALL MEN ARE CREATED EQUAL, AND ENDOWED BY
205 THEIR CREATOR WITH CERTAIN INALIENABLE RIGHTS,"
206 which first principle is enshrined in the Constitution by the BILL
207 OF RIGHTS and protected by the separation of powers established
208 in the CONSTITUTION — Tyrants hate AMERICA — because
209 when America is STRONG tyrants everywhere are WEAKENED.
210 A weak America is the only way the ELITES can finally and fully

211 RULE THE WORLD and shape into their own IMAGE and
212 LIKENESS.

213 It's Christianity that they hate! Americans are waking to the truth
214 that this whole thing we are watching is the WAR between good
215 and evil, between GOD and SATAN for control of the kingdom of
216 man—and the dominion over earth's resources and the control of
217 the divinely appointed sword of vengeance—the WICKED want
218 the world and the WANT IT NOW!

219 That's what the communist Weather Underground were chanting
220 back in the 60s — WE WANT THE WORLD AND WE WANT IT
221 NOW!

222 So to get it — the domestic terrorists of the 60s took off their tie-
223 dyed Ts and put on their Brioni (Bree-0-nee) suits and their Zegna
224 (Zain-yah) Couture (kuh-ture) ties and entered into the law offices
225 of — let's see, Bredhoff & Kaiser, Cohen, Weiss, And Simon — oh,
226 and don't forget Perkins Cole — you know, the DOSSIER — and
227 into the halls of government power, and media, and have donned
228 their polo shirts and sweaters and fashion jeans to enter into our
229 schools to brain wash our children against our FOUNDERS,
230 against our CONSTITUTION, against our BILL OF RIGHTS and
231 most especially AGAINST THE UNDER GOD BUSINESS AND
232 THAT ALL MEN CREATED EQUAL AND ENDOWED BY
233 THEIR CREATOR WITH CERTAIN INALIENABLE RIGHTS —
234 they hate that so much, their mind goes numb when they try to
235 think of it —so they stumble around the words, and in frustration,
236 because the DEVILS in them HATE that so much, they don't want
237 to hear it — they just say, you know, you know the thing! The
238 devils in Biden! And the devils in Obama — who dropped the word
239 CREATOR, not once, and not even twice but three times—that we
240 know about. And the Democrat Party who literally VOTED to
241 KEEP GOD OUT OF THEIR PLATFORM — And these wicked
242 people have worked 24/7 toward their goal of bringing America

243 down. Until now they are flexing their power by ATTACKING
244 THE CHURCHES — even arresting Christians for going to church
245 in defiance against their UNLAWFUL orders to SHUT DOWN
246 THE CHURCHES AS UNESSENTIAL — while they work to
247 SHUT DOWN the SMALL BUSINESSES and prop up the BIG
248 COMMUNIST/FASCIST CORPORATIONS — working together
249 with these devils to destroy AMERICA!

250 Meanwhile, the Christians bought into the lie that they have no
251 part in government affairs, and removed their salt and light from
252 their local, state, and national politics — and bought the lie that
253 putting ungodly people into power over them was just fine thank
254 you — and voted their pocket books instead of their Bibles — and
255 turned the country over to people who are "taken captive" by Satan
256 at his will — who have no love for GOD and so no love for any
257 country under GOD — they are UNDER GOD deniers — they are
258 CHRIST DENIERS (for they refuse to acknowledge that JESUS the
259 CHRIST is come into the world — because they are ignorant, and
260 don't understand that TO DECLARE JESUS AS CHRIST IS TO
261 DECLARE HIM KING.

262 You know that the disciples were forbidden to declare, openly
263 declare, Jesus as the CHRIST precisely because He was not to be
264 declared KING of this world until after HE completed payment in
265 full of the RANSOM REQUIRED for the WAGES of SIN is
266 DEATH and Satan held DEATH in his grip — but when JESUS
267 died upon the CROSS, he paid the ransom — and having no sin
268 death could not hold Him — and when He AROSE from the
269 DEAD He was by that "declared to be the SON OF GOD WITH
270 POWER" (DUNAMIS—the SON OF GOD with the MIGHT OF
271 GOD) — and so then He declared, "ALL POWER (EXOUSIA-
272 RIGHT TO RULE) IS GIVEN UNTO ME IN HEAVEN AND IN
273 EARTH." This IS THE issue! Jesus has the DUNAMIS and now He
274 is free to use it to enforce His EXOUSIA — so turn to CHRIST

275 JESUS — He is the TRUTH — and the TRUTH will make you
276 FREE—

277 That's the vantage point from which we assess the battlefield.

278 What about the Blackmail Inflation theory? The blackmailers are
279 loosing their power! But friend, Blackmail is not what holds the
280 world from the brink—GOD ALONE HOLDS THE KINGDOMS
281 IN HIS POWER — the KEYS of CHRIST'S KINGDOM authority
282 are in the hands of His CHURCHES — not the blackmailers. The
283 CHURCH is rising in prayer and fasting and assaulting this
284 stronghold of Satan. Now these evil and wicked people are feeling
285 the pressure of RIGHTEOUSNESS bearing down on their filthy
286 necks—Ghislaine Maxwell has opened the Epstein files.

287 And when we look at the maneuvers of the Illuminati, the Central
288 Bankers (Rothschilds and Rockefellers, et al) and their alliance with
289 the Vatican, and every major world power—we see them quaking
290 in their Dark Masses — death nips at the heels of their ancient
291 masters — they are driven from their Palaces (Buckingham) and
292 the Vatican — they are running out of time—tick, tock, tick tock —
293 CCP can't save them — their DEEP STATE operatives in America
294 have been forced from the shadows into the garish (GEH-RISH)
295 LIGHT to taste the cup they dread most — the TRUTH — to them
296 galling and damning — their EVERGREEN caught on their EVER
297 GIVEN — with their mockingbird press singing like the canary just
298 before it stops, falls from its perch—signaling the END!

299 We look at their inverted pentagram, with fearsome gender-
300 blended goat and STAND against its wiles — SUBMITTED TO
301 GOD — we RESIST — and the power supporting their horrific
302 hologram of TYRANNY shakes, and wobbles, as it loses its
303 connection and its power crumbles in retreat from the THUNDER
304 OF THE ALMIGHTY and explodes in the brightness of a single
305 BOLT OF HIS LIGHTNING.

306 And while we appreciate all lovers of truth however simple, and
307 ignorant they might be—who sometimes complain against the
308 infighting that indeed does compromise our organizational
309 strength, but who among them are those that ridicule the
310 CHURCH although JESUS STARTED IT — JESUS is its HEAD —
311 JESUS ORGANIZED IT upon His PROPHETS and APOSTLES,
312 JESUS's SPIRIT set over it OVERSEERS charged to PREACH and
313 TEACH THE WORD OF GOD, which is REVEALED IN THE
314 PERSON OF CHRIST JESUS AND IN THE HOLY SCRIPTURES
315 — called by HIM the SCRIPTURE OF TRUTH, who among some
316 of these friends of the liberty we cherish speak of GOD as though
317 He is reflected in everyone's imagination of Deity—who know not
318 that there is ONE GOD, and FATHER OF US ALL, the GOD of
319 ABRAHAM, ISSAC and JACOB, the GOD AND FATHER OF
320 OUR LORD JESUS CHRIST —

321 Though we accept our MASTER's exhortation to not interfere with
322 the work of any who are not our enemies, who name His NAME
323 with honor, nevertheless, when occasion serves, we will not refrain
324 from declaring to them as Jesus did to a certain God fearing but
325 failed Samaritan — "ye know not what ye worship," for, Jesus said
326 to her, SALVATION if of the JEWS —

327 Not Buddha, or any of the thousands of Hindi deities, or Brahma,
328 or Madhi, or ascended masters —

329 BUT GOD IS ONE — exclusive of all and any others — and HIS
330 NAME is Yaho-VAH' — pronounced by us JEHOVAH — and
331 manifested in the flesh in JESUS — of whom Thomas professed:
332 "My Lord and my God." Many of this modern "Samaritans" who
333 worship "GOD" but are confused about WHO HE IS — may be our
334 friends in this fight, but they ARE NOT THE SOURCE OF OUR
335 STRENGTH.

336 Our STRENGTH is not in NUMBERS! Our STRENGTH is in the
337 SPIRIT OF THE ALMIGHTY — "not by power, nor by might,
338 BUT BY MY SPIRIT saith the ALMIGHTY."

339 And so where does our eye go as we asses the battlefield, looking
340 for a real measure of our hope and progress toward victory? Yeah,
341 in our battlefield assessment we attend to all these things — but the
342 focus of our attention is on the activity of CHRIST in HIS
343 CHURCHES — for there is where CHRIST STANDS, and where
344 HE WALKS — the HEADQUARTERS of GOD's KINGDOM on
345 earth — where CHRIST is HEAD and no man — and we see
346 whether the TRUTH is still fallen into the street, or does it rest
347 securely upon the PILLAR CHRIST SET IN THE EARTH FOR IT
348 — Where His SPIRIT of TRUTH moves — Oh, Mighty GOD —
349 REVIVE YOUR CHURCH!

350 Not the whorish—compromisers, not the bastard pretenders — but
351 the TRUTH LOVING — and the TRUTH DOING among all men
352 — but, since JUDGMENT BEGINS in the HOUSE OF GOD, we
353 know that's where deliverance also BEGINS — the CHRIST
354 HONORING Church of the LIVING GOD, the PILLAR AND
355 GROUND OF THE TRUTH!

356 So, I'll address this battlefield assessment more thoroughly tonight
357 during COMFORT AND COUNSEL FOR THE PRESENT
358 DISTRESS.

359 I have lit the lamps in the Church belfry arch and now you let me
360 know if you see them. Email me by going to our web site at

363 All feedback is WELCOME!

364 God bless you. God bless America! I'll see you in Church.

365 Hey, GAP conference is coming up April 26-27 and we have
366 special guests — South Carolina CA Senator Mike Morrell will

367 speak Tuesday morning in the second session. Sessions begin at
368 9:30 AM.

369 All are welcome. Monday, 7 PM, Tuesday, begins at 9:30 AM, and
370 then Tuesday night at 7 PM we will wrap it up.

371 Okay, my friends — it's time for your BRAIN MASSAGE!
