

Brain Massage®: Show No. 829 We The People Wear the Crown In America /
The Return Of the King!

Jerry Scheidbach

Original Air Date: 05.08.21

1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain
3 masseur—get ready for your brain massage.
4 Proverbs 28:1 ¶ The wicked flee **when no man pursueth**: but the
5 righteous are bold as a lion.
6 They hear the footfall of truth getting louder behind them — they
7 feel the hot breath of judgment upon their necks — they are
8 weakening under the pressure as the clouds of JUSTICE gather
9 over their heads. — The TRUTH is MARCHING ON!
10 [Use Mine Eyes Have Seen — under this opening.]
11 We beat the Nazis May 7, 1945 and declared VE Day May 8.
12 Seventy-six years later, we are fighting the Nazis again—only this
13 time, we are fighting them from within.
14 Voter ID laws threaten the Corporate Commies. I wonder why?
15 Got to provide an update on the AZ front in our war against the
16 Nazification of America!
17 Really! What's the "mask" all about? It's clearly not about
18 protecting anyone from COVID! Biden proves that every time he
19 visits indoors with 90 year olds without a mask and then dutifully
20 slaps it on as soon as he steps outside!
21 Vaccines—why the push, why the vigorous push to jab the herd?
22 And why did WHO quietly change the definition of *herd*
23 *immunity*?
24 Bizarre stuff going down around the world—and the coming
25 collapse of *Deep State International* — Marcon in France is

26 wobbling, Merkel in Germany is wobbling, Trudeau in Canada is
27 wobbling. The wheels of Deep State International are coming off—
28 Bill and Melinda Gates parting ways? He asks for privacy—
29 [laughing squirrel]. Right?

30 CA Governor Newsome to release 63k felons, among them violent
31 criminals, onto our streets in order to make the prisons safer.

32 Okay, my friends; it's time for your Brain Massage!

33 [TRUTH]

34 We beat the Nazis May 7, 1945 and declared VE Day May 8.
35 Seventy-six years later, we are fighting the Nazis again—only this
36 time, we are fighting them from within.

37 Everything the LEFT is doing right now follows the NAZI
38 playbook — it's like the spirit of Hitler has invaded Newsome,
39 Whitmer, Cuomo, and Wolf and, really, the entire Democrat
40 Party leadership today — the LEFT is operating like Hitler — the
41 original WHITE SUPREMACIST!

42 The DEFUND THE POLICE movement is about centralizing and
43 federalizing the POLICE so they can marshal the police force to
44 enforce their Federal control over every aspect of our lives.

45 The MASK and DISTANCING THING — it's nonsense. It's about
46 controlling the population and conditioning us to get accustomed
47 to having GOVERNMENT control our movements. The MASK is
48 a symbol of subservience to the government. It's like the Jews
49 submitting to being forced to wear their yellow armband. It
50 demonstrated a willingness to be CONTROLLED by HITLER.

51 Weaponing the government against private citizens — Giuliani,
52 Stone, of course Trump. Exactly what Hitler did with his Gestapo.

53 Militarizing THUGS and CRIMINALS. Bringing in gang members,
54 like MS-13, and secretly organizing their own counter-militia army
55 with BLM and ANTIFA — we know they are organized into local

56 and district nodes, and we have good reason to believe they are
57 being led from "higher ups" and that they are being armed by
58 SOROS and traitors in our own government.

59 Using the MEDICAL ESTABLISHMENT was used by Hitler to
60 control the population and kill undesirables — I heard a chilling
61 whistleblower report from England, from Scotland particularly,
62 explaining that the medical higher ups know the jabs are not safe,
63 that they will result in many deaths —. Well, what are we to make
64 of such reports when our government is OBVIOUSLY
65 ENCOURAGING THE VIOLATION OF THE NUREMBERG
66 PROTOCOLS and compelling American citizens to take a shot
67 without INFORMED CONSENT — and pushing a vaccine on us
68 to protect from a disease that 99.99% of the population recovers
69 from — and 94% of those considered vulnerable beat naturally, and
70 for which we now KNOW there are effective therapeutics — what
71 can be the reason they are PUSHING SO HARD TO GET
72 EVERYONE TO TAKE A VACCINE THAT IS UNNECESSARY
73 AND EXPERIMENTAL?

74 Then there is the trick of isolating certain segments of the
75 population to be the focus of everyone's anger and hatred. I
76 mentioned the mask thing—it's a way of demonstrating implicit
77 trust in Der Fuherer — it shows submission to the JoeBama Reich.
78 It shows submission to the CCP — there is NO SCIENCE
79 supporting this. The declarations of scientists are not SCIENCE.
80 Actual studies, controlled trials, with documented results that are
81 peer reviewed and replicated—that's science. No such RCTs, and
82 there have been many, and none of them prove masks are an
83 effective public strategy for controlling the spread of a virus. Social
84 distancing is another ruse — all studies before the CCP took over
85 our country, all western science showed repeatedly in study after
86 study that social distancing is not an effective public policy for
87 controlling the spread of a virus. But since we came under the

88 oppression of CCP dictators — science is no longer the ruling
89 paradigm in America — what rules is what the government wants.
90 The government is all knowing, omnipresent, and omnipotent.
91 The government supplants GOD — but I have news for you CCP.
92 You are going to go down and join other such regimes on the ASH
93 HEAP OF HISTORY.

94 Leigh Dundas is an American attorney whose parents survived the
95 NAZI Holocaust—in her neck of the woods, it was called the
96 Romani Holocaust. Her life work is fighting for children abused by
97 sex traffickers — she wrote a book *The SECOND HOLOCAUST*.
98 In it she brings out some very interesting information:

99 Hitler gave out FREE radios to everyone, then began flooding them
100 with propaganda — when he got power, he began outlawing any
101 broadcast that challenged his policies — that challenged the
102 government narrative — then he started executing — KILLING —
103 people who broadcast anything that opposed the national message.

104 The CIA recruited some folks to develop free social networking
105 platforms — to give everybody FREE access — and then
106 controlling the platforms, they begin deciding WHAT IS AND IS
107 NOT ALLOWABLE. They start controlling what you can see, and
108 hear. First it's FACT CHECKERS—who are government
109 subservient — serving the PARTY LINE, the GOVERNMENT
110 NARRATIVE. Then they start vilifying any speech that threatens
111 their control of the narrative. Then they start enforcing their will
112 against any voice that speaks contrary to the accepted speech —
113 and they deplatform, and punish.

114 Did you know that the CIA actually created the expression
115 "conspiracy theory"? That's right. Recently documents have been
116 released detailing an operation launched by the CIA to use what
117 they call "cut outs" — corporations they control and use to spy on
118 Americans and infiltrate groups they have targeted as subversive to
119 their interests—that is, government interests.

120 The RAND corp used to be called the HJ Rand Foundation. The
121 CIA infiltrated this foundation back in the period from 1957-1962.
122 Yeah, it's all documented. It's all come out now.

123 They were involved in experiments with LSD hoping they could
124 create a man they could totally control and make him President.

125 When JFK was assassinated, the CIA cooked up the scheme to label
126 any voice that tried to bring attention to this as a "conspiracy
127 theory," and used propaganda to establish the expression in
128 American parlance — and use it to ridicule any exposure of what
129 they are up to.

130 Even going so far as to create red herring theories that are bizarre
131 and obviously ridiculous as diversions from those revelations that
132 get too close to the truth for their own comfort.

133 Well, they are using these methods right now. All of it.

134 Get this. The Third Reich closed ALL NON-ESSENTIAL
135 BUSINESSES. Very first thing they did to consolidate power. Then
136 they allowed businesses to open that surrendered to the power of
137 the State and agreed to become operatives for the implementation
138 of State policy.

139 Next, he closed all schools and churches. Reorganized the schools
140 to teach Nazi ideology, established his Brown Shirts — and only
141 allowed churches to operate under State license and control. They
142 have been using curriculum to undermine our American faith and
143 heritage for decades—now they want to implement Critical Race
144 Theory that essentially says America is systemically racist and all
145 "white" institutions must be brought down. I already mentioned
146 their effort to introduce in California schools the curriculum that
147 teaches our children the Christian faith is racist, that it is WHITE
148 man's religion, and the children should be taught to chant to Aztec
149 gods — you know, the gods that required the sacrifice of women
150 and children, and slaves —

151 After this, Hitler started marking and labeling people into classes
152 and categories — and started demonizing certain groups, and
153 began propaganda campaigns to create antipathy toward the
154 worthless eaters.

155 Soon, these outcast classes began disappearing — relocating them
156 "for their own good," and herding them into camps. The
157 Government doctors took advantage of this opportunity to
158 conduct experiments on these people, and finally, Hitler
159 introduced the FINAL SOLUTION — and they began herding the
160 people into acid showers.

161 Well, that would never happen here. Uh huh! That's what the
162 Germans said.

163 Admit it! See it! Remember what Reagan told us — don't be afraid
164 to SEE what is in front of you. We are watching the same
165 progression in the BLUE states.

166 The Jews and others who were ostracized as enemies of the Reich
167 went along with all this — they succumbed to it! One thing history
168 teaches us is that when you surrender your inalienable rights to the
169 devils for fear they will hurt you, only makes it easier for them to
170 hurt you.

171 Sadly, and I heard a Jewish historian say this — sadly, the Jews did
172 not resist. They went along with this. This holocaust survivor
173 chastised the failure of the Jewish men to STAND UP TO THESE
174 NAZIS. Never again! You've heard me say this many times. The
175 time to STAND AGAINST this is NOW — while you still have
176 SOME POWER and SOME VOICE REMAINING.

177 So, what do we do, you say? In Utah, the Granite School District
178 board meeting was met with a chamber filled with angry parents
179 chanting: No more masks! No more masks! No more masks. The
180 board folded and resigned. The parents elected a new board and
181 voted NO MORE MASKS. Assert YOUR LIBERTIES. Assert your

182 AUTHORITY. In the day of Judah's fall, Jeremiah lamented that
183 the "crown is fallen from our head" (Lamentations 5:16). Friend, in
184 America, WE THE PEOPLE is the KING — not government. They
185 serve us. We are not their slaves! We have the CROWN—we
186 decide who governs. Assert your AUTHORITY~

187 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor
188 at the Lighthouse, your brain masseur, and Paul Revere's lantern
189 lighter, lighting the lamps in the church belfry arch, signaling the
190 enemy is on the march, an enemy that would steal from us our
191 liberty.

192 Voter ID laws apparently threaten Corporate Communists.
193 American Airlines, Delta, Patagonia, and others — all of them large
194 corporations — have all come out and SHOWN THEIR TRUE
195 COLORS. They are threatened by fair elections because now they
196 can no longer put in power those they can control. The PEOPLE
197 will put in power those that are under the CONTROL of WE THE
198 PEOPLE. In Texas, American Airlines, Patagonia, and the other
199 national and international corporate communists are angry that
200 Texas governor has signed the voter reform bill that protects voter
201 integrity—the Lt. Governor came out on Fox and chastised these
202 corporate communists and challenged them to debate him
203 anytime. First, he brought out that none of the LOCAL
204 BUSINESSES object to this, only the CORPORATE BIG SHOTS —
205 and second, the idea that Texas laws hinder voter turn out is bogus.
206 He pointed out that these laws in Texas have INCREASED voter
207 turn out in the past. In other words, WHEN THE PEOPLE HAVE
208 CONFIDENCE THAT THEIR VOTE ACTUALLY MATTERS,
209 THEN THEY COME OUT TO VOTE.

210 The greatest VOTER SUPPRESSION game in town is VOTER
211 FRAUD.

212 Got to provide an update on the AZ front in our war against the
213 Nazification of America!

214 Here is what we KNOW already:
215 FIRST: In Arizona, the Biden victory margin was 10,457 votes.
216 Keep this in mind.
217 Absentee ballots cast from addresses other than where voters
218 legally reside: 19,997.
219 Absentee ballot cast that were returned on or before the postmark
220 date: 22,903
221 Mail-in ballots cast by voters registered after the registration
222 deadline: 150,000.
223 You don't think we should remove these ballots from the vote?
224 There is a REASON we have election LAWS. It is to protect the
225 election from being stolen by fraud.
226 So let's look at this and see if in fact it's true that all these mail-in-
227 ballots were legitimate votes. Did someone TAKE advantage of the
228 known vulnerabilities of mail-in-ballots? Were there ballots that
229 were called "mail-in-ballots" that in fact were NEVER MAILED?
230 Think about what we are saying here. We are not even asking the
231 state to simply, arbitrarily, remove all these ballots from the
232 count—now that actually would be right. That would be
233 compliance with LAW. By right and by LAW those ballots should
234 be discounted immediately. What we want to know is whether
235 there were any "mail-in-ballots" that were actually never mailed,
236 but created BY FRAUD — and were there ballots that were filled in
237 by a machine and not a person — and does the tabulation of
238 physical ballots actually match the machine tabulations.
239 And we are not even talking about the foreign interference issue.
240 But it's important that we address the domestic fraud FIRST — in
241 truth, the foreign interference issue might have been used as a
242 diversion used to hide the massive domestic fraud and leave us
243 vulnerable to continued hijacking of our elections — STEALING

244 FROM THE PEOPLE THEIR RIGHT OF CONSENT OF THE
245 GOVERNED. They are stealing our CONSENT. Taking us under
246 the POWER of others WITHOUT OUR CONSENT.

247 Biden and the Demoncrats have stolen our right of CONSENT —
248 and we are going to TAKE IT BACK!

249 You can't have our crown! We do not cast our crown at the feet of
250 any man — at the FEET OF JESUS ONLY — but at the feet of no
251 man. NO KING BUT CHRIST.

252 Anyway, the preliminary audit numbers coming out are stunning!
253 It's even worse than we thought. Please keep in mind, this is
254 preliminary, and it's not official — but the word on the street is
255 that the audit team believes they have identified as many as 950k
256 votes that are invalid — and that the vast majority of those votes
257 were for Biden. Of course, that turns the AZ election on its head —
258 and screams FOUL!

259 The bad guys are fighting back, of course. The TRUTH keeps
260 landing jabs — tagging the jaw of the LIARS over and over,
261 backing them up. They are swinging wildly.

262 You probably already know Hillary's firm, Perkins Coie were hired
263 by ... hmmm! Interesting to discover who is funding this! (Soros,
264 Gates, Communist Corporations? — a little American Airline
265 money there, maybe?) — They sent over 100 lawyers into Maricopa
266 to do all they can to stop the audit. Intimidating auditors—as they
267 leave to go home finding some officious looking fellow or filla
268 taking down their license plate numbers—we know who you are,
269 and where you live??? At the same time they are mounting a legal
270 attack—which has so far failed.

271 They called on Biden to send in the DOJ. The DOJ seems much
272 more responsive to Biden than they were to Trump — I wonder,
273 just how deep is this SWAMP?

274 Now, I understand, there are a 1000 lawyers sharking the waters of
275 Maricopa County. And their argument is that giving the ballots to
276 these independent auditors violated Federal law, which requires
277 the ballots to be in the custody of election officials for 22 months.
278 That the ballots are exposed now to being manipulated, destroyed,
279 and so forth.

280 Hah! First, according to federal LAW, the federal government has
281 no standing here — elections are run by each STATE. According to
282 the Constitution, the State SENATE determines the rules that
283 govern elections. The State SENATE of AZ called for this audit and
284 hired this company to conduct it.

285 The Election officials are tasked to maintain these ballots for the
286 purpose of AUDITS — so they did their job, albeit
287 UNWILLINGLY, when they finally released the material to the
288 SENATE APPOINTED AUDITORS.

289 Besides, if the rule is that the Electors must maintain immediate
290 supervision of the ballots at all times, isn't it interesting that in fact
291 these electors turned the entire election over to Dominion—the
292 Election Officials did not even have access to any of it throughout.

293 Here is a picture of the dominion servers with the external hard
294 drives that contained all the election data. These hard drives were
295 handled by Dominion employees, removed from the premises to a
296 "safe location" and returned — so the Election Officials turned over
297 to Dominion full control of the election — according to the rule
298 the DOJ are trying to use right now, these Election Officials
299 compromised the entire election by doing this and so it should be
300 thrown out.

301 If you are going to argue that the audit must be thrown out because
302 the corrupt ELECTION OFFICIALS did not conduct the audit —
303 then we need to throw out the entire election in AZ because the
304 ELECTION OFFICIALS did not conduct the election.

305 If this is the best the DOJ has, it's not going to work—with one
306 possible problem. If the COURT is corrupt and overrules the LAW
307 — because LAW is of little or NO CONCERN to these people —we
308 could end up with a fight there.

309 Pray Judge Martin will have so many eyes watching her, and that
310 she will FEEL the EYE OF GOD bearing down on her — we think
311 all she can do is delay the inevitable anyway — but, we need this to
312 be DONE.

313 We need the jabbing of truth to the head of this devil to continue
314 till finally, the HAYMAKER blow can land that will take them
315 down to the mat for the full count!

316 Social Media is weighing in already laying down a cover story —
317 that you cannot trust the AUDIT. So we can trust their interference
318 in the vote, the sudden shut down of counting, and restart, when
319 counting went on WITH OUT OBSERVERS — but we can't trust
320 an AUDIT that was done in the FULL VIEW of the AMERICAN
321 PEOPLE on CAMERA — 24/7?

322 Gotta go! (Hey Pastor Gwinn!) WE THE PEOPLE wear the
323 CROWN in this country, not the political elites. They are making a
324 grab for it—they are trying to subjugate the PEOPLE—don't lay
325 down your crown, America!

326 Christian, we lay our crown at JESUS' FEET — and NO OTHER.

327 Jesus did not call us sheep because he considers us dumb—He calls
328 us sheep because we HEAR HIS VOICE AND FOLLOW HIM.

329 We are HIS SHEEP, and not the world's. He is the only sacrificial
330 lamb — and He AROSE the LION OF THE TRIBE OF JUDAH.

331 He declared all power (exousia) is given to HIM in HEAVEN and
332 in EARTH. He commissioned us KINGS and PRIESTS unto GOD,
333 translated us into HIS KINGDOM, and His kingdom rules over all
334 the kingdoms of the world.

335 I declare to Biden, Newsome, Cuomo, Whitmer, all the little tin-
336 horned dictators strutting about proclaiming themselves gods, and
337 denigrating the faith of those who FOLLOW JESUS — WE THE
338 PEOPLE WEAR THE CROWN in this ONE NATION UNDER
339 GOD. Bow your knee to Jesus — kiss the Son, lest He be angry, and
340 ye perish from the way when His wrath is kindled but a little.

341 I have lit the lamps in the Church belfry arch and now you let me
342 know if you see them. It's LIGHTS ON if you see the LIGHTS ARE
343 ON and you will ride like Revere and spread the warning,
344 (essentially, it means you agree with what I'm saying) or you say
345 LIGHTS OFF -- which means you reject what I'm saying and
346 disagree strongly with me. So, what will it be today, lights on, or
347 lights off?
