

Brain Massage: Show No. 833 Will The CCP Election Hack + The CCP  
Pandemic = A CCP Nuclear War?

Original Air Date: 06.04.21

1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the  
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain  
3 masseur—get ready for your brain massage.

4 Election Fraud: (An attack on the US by the Chinese Communist  
5 Party)

6 I will clarify why the Election Fraud investigation is of vital  
7 importance! — It's actually not as obvious as many think.

8 The Election Fraud investigation is moving forward on two fronts:  
9 first, investigating the domestic attack on our election, and second,  
10 investigating the foreign attack on our country.

11 And then, what about the REMEDY question? What is going to  
12 happen when the FRAUD gets exposed?

13 Pandemic Fraud: (Another attack on the US by the Chinese  
14 Communist Party)

15 We need to look at the fall of phony Fauci and the unraveling of  
16 the COVID plot!

17 That crashing sound you hear is another of Nimrod's Towers  
18 Falling — hehe!

19 Okay, my dear friends; it's time for your brain massage.

20 [TRUTH]

21 Election Fraud: (An attack on the US by the Chinese Communist  
22 Party). Allow me to bring into sharp focus why this is so  
23 important.

24 There are three chief principles upon which this nation rests: First,  
25 Cromwell's declaration—No King but CHRIST! And this is the  
26 principle that this nation will not have any human King, but every

27 man is individually and ultimately responsible to GOD as the only  
28 true KING, and therefore must be free to worship GOD according  
29 to the dictates of his own conscience. Which leads to the second  
30 major premise: INDIVIDUAL SOVEREIGNTY under GOD as  
31 BEARERS of HIS IMAGE—articulated in the Declaration by these  
32 words: all men are created equal, and endowed by their creator  
33 with certain inalienable rights. Connected with this is the  
34 SOVEREIGN RIGHT OF SELF DEFENSE. And the Third major  
35 premise is what I call the "WE THE PEOPLE" principle—the  
36 fundamental truth that governments receive their just powers from  
37 the CONSENT of the governed. These three principles are  
38 DIVINELY APPOINTED BY OUR CREATOR and revealed in  
39 GOD's WORD—the Holy Scriptures—and God shapes these in  
40 our hearts by natural and Divine revelation. These three major  
41 principles form the foundation upon which our LIBERTIES rest.  
42 And there are three documents undergirding this foundation: The  
43 BIBLE (God's HOLY WORD), the Declaration of Independence,  
44 and the Constitution.

45 These are intertwined in such a way that an attack on one is an  
46 attack on all the others. Furthermore, an attack on the Scriptures  
47 undermines each of the three principles. An attack on the  
48 Declaration undermines each of the three principles. And an attack  
49 on the Constitution undermines each of the three principles.

50 The Constitution frames protections for all three principles in our  
51 LAWS. It is what you might call the last recourse of defense  
52 supporting the three principles from being overturned in our land.  
53 This is the reason the SCOTUS is so important and why it's so  
54 tragic that it too has failed to uphold its Constitutional duty.

55 For this reason, all who hold office in our land must swear an oath  
56 to defend the Constitution against enemies foreign and domestic.  
57 But our Republic rises or falls on the integrity of those who take  
58 their oath.

59 The reason the election fraud issue is critical is that this third  
60 essential premise of our Republic has been denied to the people  
61 thus undermining personal sovereignty and defense against  
62 tyranny: if we let this go, we must let go of our FUNDAMENTAL  
63 RIGHT TO BE GOVERNED BY CONSENT: allowing a "king" to  
64 take the place of GOD in this nation.

65 Upon these three major principles our Founders constructed the  
66 Constitution, which serves to protect us from encroachments  
67 against our LIBERTIES.

68 THE THEFT OF OUR RIGHT TO GIVE CONSENT STRIKES AT  
69 THE VERY HEART OF OUR LIBERTIES.

70 And the Constitution is under assault by enemies both foreign and  
71 domestic — in fact, this attack is coming from a foreign enemy  
72 (CHINA—primarily) that has used DOMESTIC TRAITORS  
73 (everyone who participated in stealing this election) to perpetrate  
74 an insurrection against the WE PEOPLE of the UNITED STATES  
75 OF AMERICA. You see, friends, this is important.

76 The Election Fraud investigation is moving forward on two fronts:  
77 first, investigating the domestic attack on our election, and second,  
78 investigating the foreign attack on our country.

79 The audits are pursuing the domestic side of this attack. Lindell  
80 and Sidney Powell are leading the charge on the foreign side of that  
81 attack.

82 On the DOMESTIC FRONT: The DNC Coup has done everything  
83 they can to STOP THE AUDIT and they are failing! TRUTH HAS  
84 GOT ITS BOOTS ON AND IS MARCHING ON! AZ has been  
85 zeroed in on the Presidential race, but now they have decided to  
86 EXPAND the AZ audit, called AMERICA'S AUDIT — and look at  
87 every race in the State. By now they KNOW there was fraud in the  
88 Presidential race and so they want to look at all the races.

89 They have picked up speed and believe they will complete the  
90 forensic audit of the machines and the ballots by Mid June. The  
91 DNC Communist takeover of DC knows what is coming and they  
92 are desperate to stop it, or delay it long enough to complete their  
93 mission—to force Americans to surrender the dominion and the  
94 sword, committed to America by GOD, to the control of GOD  
95 hating, America despising Marxists. They hope they can scare us,  
96 bully us, or bribe us to accept their theft of the election.

97 PA has sent a delegation to AZ to look into the audit intending to  
98 initiate such an audit in their state. NH is talking full forensic  
99 AUDIT. GA has unsealed the 140k ballots sneaked in at the dead of  
100 night and counted without observers in Fulton Co — Abrams is  
101 getting sweaty palms, and heart palpitations, Kemp is huddling  
102 with Rafensperger and looking for shelter — the GA election  
103 officials have hired the two most notorious criminal defense attys  
104 in the state. Maddow is crying, Scarborough is screaming,  
105 Zuckerberg is developing a weird twitch—and even Soros hears the  
106 heavy footfall of justice getting louder as it approaches his front  
107 door—while he is frantically piling his furniture against it.  
108 Whitmer is experiencing that weird megalomaniacal euphoria that  
109 crazy people do when they face a threat too great for them to  
110 process—Newsome's composure is cracking, his knees are  
111 weakening—I hear he requires drugs to wake and drugs to sleep.

112 So, what is the next move? The wicked propaganda service for the  
113 Biden-WH-squatters is trying to project their crimes onto Trump.  
114 You've heard them! Trying to make it out that Trump is organizing  
115 an insurrection—so when the fraud gets exposed and the PEOPLE  
116 demand the illegitimate usurper vacate the office they can accuse  
117 Trump of insurrection and attempt to arrest him and his followers.

118 Lindell, gotta love him! His prediction is that when his evidence of  
119 a CCP attack on our elections reaches the SCOTUS it will be 9-0.  
120 Well, it certainly SHOULD BE! The evidence he has is compelling.

121 But the Brain Masseur is taking a wait-and-see position on that! I'll  
122 tell you why!

123 The attack on America is not coming from people who do not have  
124 resources, and it is coming from people who have ZERO scruples:  
125 no humane compunctions—none! They will bribe, blackmail,  
126 threaten, and they will kill. The stakes in this are far greater than  
127 who gets to be president—it goes into exposing the very Devil  
128 himself—it threatens the power base of the global elites—it stabs at  
129 the heart of Mammon, the god of the tower of Nimrod. It does not  
130 merely foil a present plot politically motivated—it brings a stink of  
131 reproach and invites a general loathing for these child abusing, sex-  
132 trafficking, human slavery protecting Satanists—I mean, really, it  
133 pulls the lid off the cauldron and allows the malodorous fumes of  
134 their filthy life-style to cloud their skies for a century. It shakes the  
135 foundations of all their efforts to BLEND humans into a  
136 monochrome, homogenous, mass—no male or female, no right or  
137 wrong, everyone says the same thing, feels the same way, thinks the  
138 same thoughts—we will all wear gray, cut our hair the same way,  
139 walk in lines wherever we go, follow arrows on the grocery store  
140 floor, in unison say — Heil Hitler, or Heil Mammon, or all hail the  
141 THIRD EYE — or ALL HAIL the WORSHIPFUL MASTER — or,  
142 well, you get the idea.

143 But, I have news for them. THEY CAN'T BUILT NIMROD'S  
144 TOWER WHILE THE SPIRIT OF CHRIST IS PRESENT IN THE  
145 WORLD IN THE HEART OF HIS DISCIPLES.

146 So, Mike Lindell's suit against Dominion can EXPOSE the  
147 CHINESE attack on America—and the question is how far will the  
148 DS go to stop the rise of GOD FEARING CHRISTIAN  
149 PATRIOTS? Will they send their army of thugs into the streets to  
150 attack—you know, the wicked cowards who go into the streets and  
151 knock down old women? That's what they've got: thugs who burn

152 buildings and beat up old helpless women? Friend, they have not  
153 yet come up against the AMERICANS!

154 Hold on through the break! I'll be right back!

155 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor  
156 at the Lighthouse, your brain masseur, and Paul Revere's lantern  
157 lighter, lighting the lamps in the church belfry arch, signaling the  
158 enemy is on the march, an enemy that would steal from us our  
159 liberty.

160 Pandemic Fraud: (An attack on the US by the Chinese Communist  
161 Party)

162 The FAUCI emails that we have been allowed to see are not all the  
163 emails, and much of what is in these is redacted. Now, many of the  
164 allegations being put out based on these emails are going to  
165 evaporate — you watch! Don't get suckered into knee jerk  
166 reactions — look deep! The evidence IS there, but we need to be  
167 careful we don't make more of some of this than can be actually  
168 supported by the emails and can't be easily dismissed with specious  
169 explanations. But there are some very telling revelations.

170 For example, when Fauci advised Health and Human Services  
171 Secretary Sylvia Burwell that she did not need to wear a mask  
172 because "Masks are really for infected people to prevent them from  
173 spreading infection to people who are not infected rather than  
174 protecting uninfected people from acquiring infection" the snake  
175 will slither out of this easily explaining but as we learned more we  
176 became concerned about asymptomatic transmission. (A LIE, but a  
177 parley that requires a prepared challenge that the average person  
178 on the street would not be ready to give.) However, when he goes  
179 on to say, "the typical mask you buy in the drug store (a surgical  
180 mask) is not really effective in keeping out virus, which is small  
181 enough to pass through the material." Well, now he has clearly said  
182 the MASKS ARE INFECTIVE — because if the virus can pass

183 through the mask, well, then, what's the use? And multiple masks  
184 do not improve the protection enough to be recognized. Each of  
185 the masks has the same size weave and the virus simply trots  
186 through all the masks.

187 The real smoking gun emails are those that show Fauci was aware  
188 of the very real possibility that this originated in the Wuhan lab,  
189 AND he was aware that serious virologists were raising concerns  
190 about it being man made. He NEVER named the "evolutionary  
191 biologists" he claimed looked at this and said they saw a clear  
192 progression of mutations that led to the virus leaping from animal  
193 to human—note! He NEVER named a single one, or showed any of  
194 their work—. But the people showing their work are revealing it  
195 came from the Wuhan lab and it was man made.

196 Also, the emails show conclusively that Fauci was made aware of  
197 the efficacy of Hydroxychloroquine very early on. Rather than look  
198 into it, he squashed the idea. The emails show that Zuckerberg  
199 volunteered to provide his services to squash any voice of dissent  
200 contrary to Fauci's "message." And so Zuckerberg committed  
201 himself to RAISE FAUCI'S VOICE OVER the 50k scientists,  
202 doctors, medical professionals, I mean Harvard types — all fully  
203 credentialed, who PROTESTED AGAINST THE LOCKDOWNS  
204 AND RECOMMENDED WE USE THE FOCUSED  
205 PROTECTION PROTOCOLS — an approach approved by experts  
206 in the field including Nobel Prize winning scientists, medical  
207 doctors and scientists from Harvard, Oxford, Stanford, and  
208 virtually every major university in the world, epidemiologists,  
209 virologists, physicists — 50k of these experts call for using the  
210 FOCUSED PROTECTION plan—a plan that is based on  
211 SCIENCE—taking into consideration the FACT that there was  
212 something like a 1000 times spread between how the virus  
213 impacted older people, or those with respiratory or weight issues,  
214 as opposed to the younger people and said a lockdown is a bad idea

215 because it actually increases risk to the younger people and the  
216 older people, and takes attention away from protecting the truly  
217 vulnerable to MURDER BY PUBLIC POLICY — as happened in  
218 CA, NY, MI, PA and NJ when these wicked murdering governors  
219 ordered elder care facilities to admit COVID positive patients.

220 I'll have to wrap it up—there is so much news these days and the  
221 cycle runs almost hourly—consider: Why did the DS (Deep State)  
222 MSM (Main Stream Media) and SM (Social Media) shut down any  
223 news of Hydroxy, and cover up what these governors were doing to  
224 the elderly in their states? We are repeatedly told it is because they  
225 hate Trump? Trump put those hospital beds in place so, no,  
226 Cuomo is not going to use them and give Trump credit! He would  
227 send these elderly people to their deaths before we would accept  
228 any help from the bad man. Trump mentioned Hydroxy so no, it  
229 can't be helpful, it must be harmful because the bad man said it can  
230 help — and they even fabricated a fake scientific study to prove it  
231 was harmful — BUT THIS WAS A LIE AND WHEN THAT  
232 CAME OUT — you get virtually NO COVERAGE. Why? They  
233 wanted to promote COVID panic!

234 The truth is it was NEVER ABOUT TRUMP. They made it about  
235 Trump as a ruse. It's always been ABOUT the reason they hated  
236 Trump—he stood up for America and got in their way! Trump was  
237 being used by God like a wrecking ball — bashing down the latest  
238 version of Nimrod's tower — to tear down the TOWER of ONE  
239 WORLD GLOBALISM — the TOWER BLENDER — someone  
240 needs to make a cartoon of a tower that is a blender and all the  
241 people are being poured into it by the gender blended god of the  
242 WORSHIPFUL MASTERS — Satan!

243 That crashing sound you hear is another of Nimrod's Towers  
244 Falling — hehe!

245 And the DEMOLITION CREW is being targeted by the Satanists  
246 — They are attacking Michael Flynn. He made a comment lately

247 about Myanmar being an example the US might follow — you  
248 know that the military in Myanmar took over and brought the  
249 leaders of that country before tribunals for STEALING THE  
250 ELECTION in Myanmar. Someone asked Flynn if he thought that  
251 might be a legitimate answer to our problem. He agreed that it  
252 could be. But Flynn has consistently held out for a RETURN to the  
253 CONSTITUTION and a LAW AND ORDER solution to this issue.  
254 Something we can talk about tonight in our visit.

255 Then there are Trump's statements to the effect he believes he will  
256 be reinstated in August—that in fact—according to a never  
257 Trumper, a slithering Deep Stater—Trump expects he and the  
258 rightful winners of the Senate race in GA, Perdue and McSally, also  
259 be given their rightful office that they WON in the 2020 election.

260 He believes this because he has confidence in LAW AND ORDER  
261 — because he KNOWS the domestic traitors who violated their  
262 oath to defend the Constitution from foreign enemies and became  
263 collaborators with the CCP to steal this election are going to be  
264 DISCOVERED, and he has confidence in the American people,  
265 that when they see what happened, they will DEMAND THAT IT  
266 BE SET RIGHT. Once the states withdraw their electors from  
267 Biden, and he falls below 270 — he will be declared to be an  
268 illegitimate president — and he can't act — he has NO  
269 AUTHORITY — he is NOT THE COMMANDER IN CHIEF — he  
270 cannot command the military, and all his EOs are not worth the  
271 paper they were written on. He is then LIABLE to be ARRESTED  
272 and TRIED for TREASON, and/or other crimes, because he will  
273 NO LONGER HAVE THE SHIELD OF OFFICE to protect him.

274 So, what will the WICKED DO? They are already laying down the  
275 ground for their attack. They will attempt to make it a Trump  
276 insurrection when, in fact, they are LYING AGAIN — it's about a  
277 counter-revolution.

278 The REMEDY question: What is going to happen when the  
279 FRAUD gets exposed? —

280 It all comes down to CCP! All pointers point directly toward  
281 China. The ELECTION Fraud has a "made in China" label on it.  
282 The PANDEMIC has a "made in China" label on it.

283 So, what is the ultimate and last resort for China? Here is a  
284 Newsweek article that threatens: "China State Media Says Country  
285 Must Prepare for Nuclear War With US After Biden Asks for  
286 COVID Probe."

287 So, prepare! I think it's an effort to bully us into submission to all  
288 this. But it would be foolish not to be prepared. I'll talk about  
289 preparation tonight during our live stream visit.

290 We know, from "them" that they planned for a "civil war" type  
291 scenario to develop after the election. They don't understand us.  
292 They might *think* they bullied us into quiet by their summer of  
293 hate riots—they are wrong! We believe in LAW and ORDER and  
294 we want this taken care of lawfully and orderly.

295 We know CCP has troops in Canada and that Canada is having  
296 horrible problems with tyrannical government right now. Way  
297 worse than we are.

298 None of the reports of a CCP presence in Mexico have anything  
299 like credible support—but an attack by CCP on America is  
300 something they have been planning for a very long time.

301 WE have very good reason to believe Soros funded the BLM and  
302 ANTIFA riots during the summer—so all of this is to say that we  
303 need to understand we are at war with CCP already and they have  
304 deeply infiltrated our country.

305 Let's pray we get through to the other side of his down the path of  
306 LAW AND ORDER. That the audit of the election will be  
307 recognized, the states in question will withdraw their electoral

308 votes, the Congress will be forced to initiated proceedings  
309 according to Article 12, the States will each get one vote and the  
310 winner will be President. Otherwise, if we are attacked by CCP  
311 forces from abroad and from within — that with GOD on our  
312 SIDE, we will prevail to put down this invasion and restore our  
313 ONE NATION UNDER GOD.

314 When we get there, listen, we don't need a constitutional  
315 convention, or a new system—the ANSWER is in Jeremiah 6:16:  
316 The theme verse for the ministry of LIGHTHOUSE BAPTIST  
317 CHURCH in Santa Maria, CA., a ministry that both needs and  
318 deserves your support.

319 I have lit the lamps in the Church belfry arch and now you let me  
320 know if you see them. It's LIGHTS ON if you see the LIGHTS ARE  
321 ON and you will ride like Revere and spread the warning,  
322 (essentially, it means you agree with what I'm saying) or you say  
323 LIGHTS OFF -- which means you reject what I'm saying and  
324 disagree strongly with me. So, what will it be today, lights on, or  
325 lights off?
