

1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the  
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain  
3 masseur—get ready for your brain massage.

4 Here at the Lighthouse, we are as AMERICAN AS APPLE PIE!  
5 And that means — WE BELIEVE ALL MEN ARE CREATED  
6 EQUAL AND ENDOWED BY THEIR CREATOR WITH  
7 CERTAIN INALIENABLE RIGHTS. And the first among these is  
8 this — THE RIGHT TO LIFE. Following that, THE RIGHT TO  
9 LIBERTY. And following that, THE RIGHT TO PURSUE OUR  
10 OWN HAPPINESS — understood in the context of the GOD  
11 WHO ENDOWED TO US THESE RIGHTS. Come on out to the  
12 LIGHTHOUSE for some APPLE PIE!

13 1. They told us they were coming for our children — Homosexual  
14 activists, Marxists (Communists, Socialists), PUNK ROCK Bands,  
15 Black Panther radicals, they all told us they were coming for our  
16 kids. Well, they have arrived!

17 2. Meanwhile, Hunter Biden's laptop continues to deliver proof  
18 that the Biden's are White Supremacist racists.

19 3. ELECTION FRAUD: We've got a lot on the ELECTION  
20 FRAUD FRONT.

21 4. PANDEMIC FRAUD: 834.17.19-CCP Covid COVER UP —  
22 DEEP DIVE into the COVID cover up scandal.

23 [TRUTH]

24 1. They told us they were coming for our children — Homosexual  
25 activists, Marxists (Communists, Socialists), PUNK ROCK Bands,  
26 Black Panther radicals, Pedophiles, and other perverts — they all  
27 told us they were coming for our kids. Well, they have arrived!

28 Networks roll out Pride Month content.<sup>1</sup> Their theme: 'With  
29 imagination, I can be anything I want'. Fox News reports  
30 Nickelodeon promoting LGBT to children. The cartoons are being  
31 used to teach homosexuality to our children.

32 Curriculum in Public schools more interested in teaching children  
33 about masturbation than about mathematics, and porn rather than  
34 physics or poetry. At least this Public School is starting when the  
35 kids are ten. Here is a New York POST article revealing that the  
36 55k per year private Manhattan DALTON SCHOOL is teaching  
37 first grade children about this — FIRST GRADERS — and the  
38 same teacher introducing this to their six year olds, Justine Ang  
39 Fonte, led an EXPLICIT "PORN LITERACY WORKSHOP" at  
40 another elite prep school.<sup>2</sup> Get it! The agenda is not as they  
41 pretend, to teach children to understand their sexuality—it's about  
42 preparing them early to be open and curious about every sort of  
43 dehumanizing perversity. Fonte identifies as She/They

44 Sexualizing our youth at the earliest possible moment is not a good  
45 idea! Their emotional wiring is not yet completed—at least their  
46 judgment and reasoning powers are immature. There is a natural  
47 shamefacedness in children that protects them regarding these  
48 things — and the PARENTS need to be the ones who help guide  
49 them as the child begins to naturally become curious about it—and  
50 that is different for each child.

51 The classroom is not a proper setting to be intruding into these  
52 things—some things are better learned within the context of the  
53 home, from a parent who can address it in privacy — because these  
54 things are "private matters," they are PERSONAL not PUBLIC  
55 matters. This is not the sort of thing that should be taught in a  
56 CLASSROOM — is anything PRIVATE anymore?

<sup>2</sup> <https://nypost.com/2021/05/29/dalton-parents-enraged-over-masturbation-videos-for-1st-graders/>

57 Adam and Eve became "aware" of their nakedness and this caused  
58 them to be surprised and "ashamed" — I think God intended to  
59 reveal to Adam and Eve the Knowledge of good and evil — but first  
60 they needed to learn obedience, otherwise, the evil would dominate  
61 and overwhelm the good. They disobeyed God and got that  
62 knowledge too soon — before they were ready. There is a time and  
63 a place for children to learn about their sexuality and it should be  
64 in the PRIVACY of the PARENT CHILD relationship. And it is a  
65 personal and PRIVATE matter.

66 And then CRT — Critical Race Theory—another attempt to shape  
67 our children's souls created in the image and likeness of GOD into  
68 the image of SATAN himself — this is the most devilish thing our  
69 "educators" have pushed on our children since they began telling  
70 them they WERE NOT CREATED BY GOD OR MADE IN HIS  
71 IMAGE but were the accidental production of happenstance  
72 mutations driven by some unseen, unknowable, and unconscious  
73 natural mechanism called survival—without any explanation how  
74 such an unconscious principle can consciously operate to ...  
75 anyway ...

76 Now the educators/indoctrinators explain to children that Martin  
77 Luther King got it totally wrong — we DON'T judge people by the  
78 content of their character — we judge them entirely by the color of  
79 their skin. And if you are white, you are inherently evil, and,  
80 frankly, there is simply nothing you can do about it, except, well,  
81 except maybe die!

82 They are not saying that, exactly, not in those words, at least not  
83 YET! It's not written into the explicit curriculum, but the  
84 curriculum pushes this implicitly.

85 At present they are content to pull down statues of white people—  
86 but, soon, they will tire of playing with dolls and start fulfilling the  
87 vision cast by Black Panthers in the nineties who were videoed  
88 angrily speaking about hating white people, and wanting to take

89 their white babies and bash their heads into the streets—! Uh huh!  
90 Literally!

91 And now they want to teach the children the philosophical  
92 rationale for hating white people.

93 But there is push back: 834.13.1-THERE are SOME BRAVE  
94 PATRIOT TEACHERS OUT THERE standing up and speaking  
95 out, and many parents are rising up like Momma Bears to protect  
96 their CUBS. Good for them.

97 Meanwhile, Hunter Biden's laptop continues to deliver proof that  
98 the Biden's are White Supremacist racists. Hunter's emails show H.  
99 Biden using the *N* word repeatedly when talking to a lawyer — but  
100 that should not surprise anyone. His father, like his son, is a racist  
101 to the core. How do you like that, LIBS, you voted for a RACIST!

102 Get a load of this. A meme found on Hunter's Laptop shows  
103 Obama and Biden in a hug — Obama says, "I'm gonna miss you,  
104 man." Biden says, "Can I say it? Just this once?" Obama sighs, and  
105 says, "Go ahead." Biden says, "You my nigga, Barack."

106 Wow! Hunter Biden's laptop proves what I've been saying — Joe  
107 Biden is a White Supremacist — really, they all are — in fact, I  
108 think Biden picked up the baton of Imperial Wizard of the KKK  
109 from Byrd. Let's review Biden's record, shall we:

110 First, everyone knows Biden opposed every effort to advance the  
111 access of Blacks to share equally in the promise of our Constitution  
112 and Declaration: the DIVINELY ENDOWED RIGHTS OF  
113 MANKIND — like all his Democrat colleagues — he opposed the  
114 CIVIL RIGHTS gains that were achieved against every effort they  
115 made to stop it. Remember, June 2019: Biden boasts about his  
116 work with segregationist senators Eastland of MS and Talmadge of  
117 GA—these men firmly opposed desegregation.

118 But, let's just look at what comes from his mouth.<sup>3</sup> For, out of the  
119 abundance of the HEART the mouth speaketh.

120 September 2020: Why some were able to quarantine during the  
121 pandemic: "Some Black woman was able to stack the grocery shelf."

122 May 2020: To a black man asking him a tough question during his  
123 campaign: Biden angrily chastised: "I tell you if you have a problem  
124 figuring out whether you're for me or Trump, then you ain't  
125 black."

126 August 2019: At a campaign event in Iowa, Biden told  
127 supporters "poor kids are just as bright and talented as white kids."

128 June 2019: In a context in which it was clear he was talking about  
129 black young people, Biden said, "We've got to recognize that the  
130 kid wearing a hoodie may very well be the next poet laureate and  
131 not a gangbanger," Biden said.

132 February 2007: Biden remarked that Obama is "the first  
133 mainstream African-American who is articulate and bright and  
134 clean." Excuse me?

135 2006: Biden, then a senator of Delaware, can be seen in a  
136 clip talking to a man who appears to be of Indian descent. "In  
137 Delaware the largest growth in population is Indian Americans,"  
138 Biden said. "You cannot go to a 7-11 or a Dunkin Donuts unless  
139 you have a slight Indian accent. I'm not joking."

140 What sort of heart crafts statements like these? Perhaps the same  
141 sort of heart that thinks throwing the *N* word around flippantly,  
142 vulgarizing an ethnic group within the family of man — sort of like  
143 how so many throw about the *F* word — vulgarizing the sexuality  
144 of mankind. These are VULGAR PEOPLE! Selah!

145 Hold on through the break. I'll be right back!

146 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor  
147 at the Lighthouse, your brain masseur, and Paul Revere's lantern  
148 lighter, lighting the lamps in the church belfry arch, signaling the  
149 enemy is on the march, an enemy that would steal from us our  
150 liberty.

151 ELECTION FRAUD UPDATE:

152 AZ: The Auditors will complete counting BALLOTS by June 14.  
153 June 14 is TRUMP's BIRTHDAY!!!!!!

154 Vernon Jones, AZ, tells us there are only three pallets of ballots  
155 remaining to be examined and counted.

156 Officials expect huge discrepancies to be revealed — it's getting  
157 close.

158 The AZ audit model is being examined by other states. Nine, count  
159 them, NINE states are going to AZ to take a look at the  
160 AMERICAN AUDIT! PA, GA, NV, WI, AK, UT, VA, MI, and now  
161 MO — yo Pastor Owens — way to go! Let's send a CA delegation—  
162 get it on! Do it!

163 Remember, when they got the Frankfurt servers, a map was  
164 circulated showing the true vote results and it showed CA flipped  
165 RED. Trump got 410 Electoral Votes. Remember the Trump trains,  
166 remember the signs and enthusiasm for Trump here?

167 But there are some really interesting things are happening in MI —  
168 in Antrim Co. How providential was it that in Witch Gretchen's  
169 State, of all the States, they slipped and got CAUGHT switching  
170 6,000 votes from Trump to Biden. There is no fact checking on that  
171 one — that was totally OUT THERE — it got out to the public  
172 before the DS had a chance to do anything with the story.

173 Even more shocking, certain election data was deleted from the  
174 Dominion machines per instructions from the Secretary of State —  
175 Jocelyn Benson. Woah!

176 A City Clerk of Antrim County instructed her employees to delete  
177 these files—her name is Sheryl Guy. She is the one that led the  
178 effort to correct the vote switch and led the recount of those  
179 ballots—! Wait, this gets more interesting.

180 Remember Matthew Deperno? He is the Attorney that got access  
181 to the Dominion machines — but because his case was narrowly  
182 focused on a down ticket issue he was not allowed to use what he  
183 discovered about the Dominion machines to challenge the rest of  
184 the election—yeah, there are some strange squirrels in Michigan.

185 But, he did not give up!

186 Something has happened in Michigan that has the Swamp crawlers  
187 getting very, very nervous.

188 Deperno tweets: — in four parts:

189 1. “We have been lied to. The Antrim County election  
190 management system (EMS—[that's DOMINION, by the way]) was  
191 REMOTELY and successfully logged into anonymously on  
192 11/5/2020 at 5:55 PM and again on 11/17/2020 at 5:16 PM.

193 Yes, that is correct ... REMOTELY.”

194 2. “Those dates are significant [Deperno writes] because they  
195 correspond directly to the dates the county and SOS were trying to  
196 correct the intentional computer problems that subverted the  
197 election.

198 These logons appear to have escalated privileges at the time of  
199 logon.

200 Again ... REMOTELY.”

201 [THE PURPOSE FOR THE REMOTE AND ANONYMOUS  
202 LOGON IS REVEALED BY WHAT WAS DONE — and what was  
203 done is SOS was given ENHANCED PRIVILEGES — THE ONLY  
204 ONES WHO COULD DO THIS WOULD BE SOMEONE FROM  
205 DOMINION or WORKING FOR DOMINION. THIS MEANS

206 DOMINION WAS DIRECTLY INVOLVED IN THE STEAL AND  
207 THE COVERUP.]

208 Deperno continues: 3. “But we were told there was no internet  
209 connection.

210 In an accredited [ELECTION MANAGEMENT] system, an  
211 anonymous user should not be authorized by the accreditation  
212 authority, but would instead be required to enter a specific user  
213 name and password to utilize the system.” But the “hacker” did this  
214 anonymously!

215 You see, they can’t pass it off by saying, well, yeah, some official  
216 with access, like Dominion, had to get in there to enhance our  
217 privileges to we could fix the machine. The machine needed  
218 “fixing”? HAH! You mean it need to be UNFIXED!

219 The LOGON was ANONYMOUS. There is no reason to go anon  
220 unless you don’t want anyone to know who did the deed. There is  
221 no reason to cover up who did this unless it was done for nefarious  
222 reasons!

223 4. Deperno continues: “We were told there was no internet  
224 connection. We were told there was no remote access. We were  
225 told this was human error. ALL LIES. (caps for effect)

226 This is fraud. This decertifies the Antrim County election.

227 SOS Benson should resign or be impeached.”

228 BOOM!

229 NOW, here is some more from Deperno:

230 GET A LOAD OF THIS:

231 From another MATT DEPERNO—TWEET, this one in three  
232 parts:

233 Former [(R)] MI State Representative Tristen Cole started  
234 contacting people in Antrim County asking for county clerk Sheryl

235 Guy's personal cell phone. [Sheryl Guy is a Democrat loyalist, she  
236 is the City Clerk who ordered the deletion of election logs from the  
237 computers in Antrim Co.]

238 2. Deperno explains the reason Tristen Cole wanted the City  
239 Clerk's private phone number: "Because Senator Ed McBroom  
240 needed to talk to her ASAP and NOT ON AN OFFICIAL  
241 TELEPHONE LINE. [Ed McBroom is the Chairman on the  
242 Michigan Senate OVERSIGHT committee that led the hearing  
243 regarding voter fraud allegations. This is the guy who dismissed the  
244 allegations, and who, according to Deperno, buried all the evidence  
245 and refused to meet with Deperno.

246 Then Deperno suggests, reasonably, the reason McBroom wanted  
247 to talk to Sheryl Guy on a "private" line:

248 3. "This phone call on a private line is an attempt to circumvent  
249 FOIA, violate the open meetings act, and may implicate them in  
250 violation of other laws and regulations."

251 So, the MI State Senator who chairs the "oversight committee" that  
252 heard evidence regarding election fraud and DISMISSED it —  
253 suddenly needs to talk to the CITY CLERK who was involved in  
254 "deleting election log data" in the county where 6000 votes were  
255 switched from Trump to Biden — and suddenly, he needs to talk to  
256 her — ASAP —??? Oh, and on a private line — he cannot connect  
257 to her through the OFFICIAL channels — THAT WOULD BE  
258 SUBJECT TO PUBLIC SCRUTINY!

259 And McBroom does not personally try to find a way to contact  
260 Sheryl outside OFFICIAL CHANNELS, for a private chat —  
261 apparently, he asked a FORMER RINO REPUBLICAN Tristen  
262 Cole to find her private number.

263 We've been lied to! The Dominion machines are internet capable.  
264 They are hackable. Comielah said so, herself, in 2019—she testified  
265 that she watched a company easily hack into the voting machines.

266 Flynn offers a status assessment of the Election Fraud exposure  
267 effort. He believes some real, what did he call them, oh yeah,  
268 “bombshells” are coming out of AZ and probably also GA.

269 Remember what happened in GA? It's actually old news. A GA poll  
270 manager testified that when counting absentee ballots for the 2020  
271 election she noticed THOUSANDS OF BALLOTS, PERHAPS  
272 TENS OF THOUSANDS APPEARED TO HAVE BEEN PHOTO  
273 COPIED, THERE WAS NO FOLD, THE BALLOTS LOOKED  
274 PRISTINE —THREE OTHER workers saw it too. They SWORE  
275 UNDER PENALTY OF PERJURY TO WHAT THEY SAW! But  
276 we heard about this months ago.

277 Some ELECTION watchdogs persisted, and finally got a judge to  
278 pay attention to these affidavits. That judge unsealed 147k mail-in  
279 ballots. The ones counted in Fulton—you saw the video. No one  
280 listened, no one cared to listen. But Trump is out of the way, so  
281 now they will listen? What's going on?

282 The clock is telling me I need to wind down.

283 But let me give you a quick update on the PANDEMIC FRAUD.

284 FAUCI is feeling the noose tightening around his scrawny neck.  
285 Like a Chihuahua — he is barking and snarling — It's very  
286 DANGEROUS to attack me. To attack me is to attack SCIENCE.  
287 To attack me is to attack TRUTH." You've got to be kidding me!  
288 — “I am science, I am truth.” This man is losing it! Ingraham gave  
289 her *angle* on this: the only Person with the cred to make a  
290 statement like that is the one Who said, "I am the WAY, the  
291 TRUTH, and the LIFE..." JESUS CHRIST.

292 Who does this guy think he is? I mean, really? He is a Catholic,  
293 right? He is going all Bishop of Aquila — right? "To break faith  
294 with me is to break faith WITH HIM..." you know, with that quick  
295 ominous portentous glance upward — WITH HIM!

296 Break faith with FAUCI and — hey, It's DANGEROUS — keyword  
297 here. DANGEROUS! This little man is trying to bully the  
298 American people — like those liberal news anchors I heard with  
299 voices descended into near guttural tones — warning those who  
300 refuse to take the vaccine that they will have to PAY!

301 Hey, NONE of this is working! In fact, it is driving people farther  
302 away from your needles.

303 HAH! Attack Fauci, you are attacking science.  
304 PRONOUNCEMENTS OF SCIENTISTS ARE NOT SCIENCE.  
305 I've got a booklet coming out soon, I hope, on the SCIENCE of  
306 MASKS—this entire nonsense about masks, and social distancing,  
307 NOT ONE WESTERN RCT (RANDOMIZED CONTROLLED  
308 TRIAL) what Fauci called the GOLD STANDARD for figuring out  
309 if something really works — NO ONE supported masks and social  
310 distancing as effective as a public policy for controlling the spread  
311 of a virus. "JESUIT BISHOP "Fauci himself said in an email  
312 uncovered recently that MASKS YOU BUY AT THE PHARMACY  
313 WILL NOT STOP A VIRUS, THE VIRUS MOVES RIGHT  
314 THROUGH THEM. You've been LIED TO!

315 Sorry Fauci: 70% of Americans believe the virus MOST LIKELY  
316 created in Wuhan Lab.<sup>4</sup>

317 Fauci Headlined A Conference With 'Bat Lady' and EcoHealth's  
318 Daszak Despite Distancing Himself from Wuhan.<sup>5</sup>

319 He spoke of emerging viruses — at a conference gathered to talk  
320 about “the next pandemic.” So who are these people?

---

<sup>4</sup> [www.thegatewaypundit.com/2021/06/bad-news-megalomaniac-tony-fauci-70-americans-believe-least-somewhat-likely-covid-created-lab/](http://www.thegatewaypundit.com/2021/06/bad-news-megalomaniac-tony-fauci-70-americans-believe-least-somewhat-likely-covid-created-lab/)

<sup>5</sup> <https://thenationalpulse.com/exclusive/fauci-headlined-conference-with-shi-and-daszak/>

321 EcoHealth Alliance President Peter Daszak — he is the guy the  
322 Pentagon used to funnel big bucks to the WUHAN LAB in China  
323 to continue gain of function research on coronaviruses from bats.

324 And Shi Shengli is the top WUHAN Lab researcher doing the work  
325 on gain of function research on bat viruses—Shengli is the  
326 infamous “bat lady.”

327 The CCP run Wuhan lab lists Daszak’s group as a PARTNER. This  
328 is from National Pulse. National Pulse dug up some speeches from  
329 Daszak in which he talks about delegating work on “killer” viruses  
330 to his “Chinese colleagues.”<sup>6</sup>

331 Daszak talked about how his organization “sequences deadly  
332 viruses” — he talked about “INSERTING SPIKE PROTEINS” into  
333 viruses to see if they can “bind to human cells.”

334 Remember a while back I brought out that the vaccines created by  
335 Pfizer and I think Moderna use a new approach in which they  
336 inject us with mRNA vaccines that get into our cells and enter the  
337 Ribosome where they create "spike proteins" that emulate those  
338 delivered by the virus to trick the body into reacting with  
339 antibodies—but they are discovering that these spike proteins  
340 actually cause serious problems. This is NUTS!

341 Here is a quote from Daszak: “We found other coronaviruses in  
342 bats, a whole host of them, some of them looked very similar to  
343 SARS. So we sequenced the spike protein: the protein that attaches  
344 to cells. Then we ... Well I didn’t do this work, but my colleagues  
345 in China did the work. You create pseudo particles, you insert the  
346 spike proteins from those viruses, see if they bind to human cells.  
347 At each step of this you move closer and closer to—this virus could  
348 really become pathogenic in people.”

---

<sup>6</sup> <https://thenationalpulse.com/exclusive/daszak-reveals-chinese-colleagues-manipulating-coronaviruses/>

349 And he adds: “You end up with a small number of viruses that  
350 really do look like killers.”

351 Still trying to vaccinate EVERYONE — they refuse to give the  
352 general public, or even to individuals the information they need to  
353 give INFORMED CONSENT.

354 Man, what is it with these MARXISTS they don't like giving people  
355 the POWER OF CONSENT.

356 They have STOLEN our POWER to GIVE CONSENT TO THOSE  
357 WHO GOVERN US, and now they are STEALING our POWER to  
358 GIVE CONSENT to those who would EXPERIMENT on us.

359 It's all coming out. They STOLE our CONSENT in ELECTION  
360 FRAUD, and they are stealing our CONSENT in the PANDEMIC  
361 FRAUD — we are becoming like the Chinese people, we are being  
362 taken over by the CCP — and it's all made in China — the  
363 ELECTION FRAUD, made in CHINA, the PANDEMIC FRAUD,  
364 made in China.

365 The only question remaining: DID CCP RELEASE THIS VIRUS  
366 ON PURPOSE, AS AN ACT OF WAR? We know they attacked  
367 our Election on purpose as an ACT OF WAR — but did they also  
368 release this pathogen on the world as a act of WAR?

369 All who participated in this are traitors.

370 I DARE CALL IT TREASON!!!!!!

371 I'm out of time — Come to the LIGHTHOUSE this SUNDAY and  
372 learn what we are doing about all this—two messages: SUN AM —  
373 I DARE CALL IT TREASON! And at 5 PM: WHEN GOD COMES  
374 DOWN!

375 I have lit the lamps in the Church belfry arch and now you let me  
376 know if you see them. It's LIGHTS ON if you see the LIGHTS ARE  
377 ON and you will ride like Revere and spread the warning,  
378 (essentially, it means you agree with what I'm saying) or you say

379 LIGHTS OFF -- which means you reject what I'm saying and  
380 disagree strongly with me. So, what will it be today, lights on, or  
381 lights off?
