

Brain Massage®: Show No. 835 Devils Their Diseases / Of Masks and Vaccines

Jerry Scheidbach

Original Air Date: 06.19.21

1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain
3 masseur—get ready for your brain massage.

4 Happy Father's Day — we will be remembering Dad this Sunday.
5 Hey, DAD, show some leadership and come on out to the
6 Lighthouse.

7 Proverbs 29:2 "When the righteous are in authority, the people
8 rejoice: but when the wicked beareth rule, the people mourn."

9 Proverbs 29:12 "If a ruler hearken to lies, all his servants *are*
10 wicked." As a corollary to this divine precept: If the ruler is the
11 LIAR then his wicked servants are given cover to work their evils
12 upon the kingdom. When we put the wicked into power, the
13 people mourn—

14 Proverbs 28:15 "As a roaring lion, and a ranging bear; so is a
15 wicked ruler over the poor people." (*Poor* here speaks of the weak,
16 the needy—the people who are easily preyed upon by wicked
17 rulers.)

18 Fathers—Stand up for your family and protect them from these
19 wicked rulers. Start by LEADING your family back to GOD.

20 [The DEVIL Beware...]

21 Devils & Diseases — why you do not need to fear either devils or
22 disease. I do a lot of work in the area of spiritual warfare—it is very
23 revealing that Jesus introduced the KINGDOM OF GOD by
24 demonstrating His power over devils and diseases. Jesus is KING
25 of the earth—He has given us power over DEVILS and DISEASE
26 — believers need not be afraid. But they do need to exercise their
27 DIVINELY appointed authority and by FAITH bring CHRIST'S

28 AUTHORITY to bear down on the wicked. Something I'll talk
29 about some more at the conclusion of today's BRAIN MASSAGE.

30 You don't need to fear Diseases: We are getting closer every day to
31 the truth about what the wicked rulers have been and are up to
32 with this Pandemic: very interesting information coming out about
33 COVID-19 operation. Stay tuned!

34 And then the DEVILS — the devious plot to burn down America
35 as an offering to the "chaos god."

36 And finally the protection that is available for you and your family
37 from devils and diseases. It's time for your Brain Massage®.

38 [TRUTH]

39 So — where do we go from here? We are getting closer to the truth
40 every day: very interesting news coming out about this.

41 Fauci says, "it's a bit of a stretch" to say he covered up the Wuhan
42 leak hypothesis. But, only a *bit*! Which part of the allegation is the
43 "bit" that is a "stretch"? Is it the *bit* about him being apprised of this
44 early on by fellow professionals—revealed in emails lately released?

45 Surely he is not talking about the "bit" about him expressing fear at
46 the very beginning of the outbreak that the American people were
47 going to conclude this came from the Wuhan lab. Why would they
48 conclude that?

49 Or perhaps the "bit of a stretch" he is talking about is the bit about
50 the American people discovering he authorized continued funding
51 of gain of function research in the Wuhan lab after the US
52 Congress withdrew all funding for such research in 2014. Or the
53 fact that we now know he knew this research was ongoing. Is that
54 the reason when the outbreak broke he was concerned the
55 American people would think it came from Wuhan?

56 What's that you say? Oh, he was being sarcastic? Well, it's hard to
57 tell with liars.

58 And when he said in private communications that masks will not
59 block a virion — that was before he decided masks should be
60 required, even on children — and because of his massive medical
61 knowledge and scientific expertise — I mean, this *is* the guy who
62 declared anyone daring to question him was questioning *science* —
63 so it's probably safe to say he knows children require more oxygen
64 than adults and inhibiting their intake is, well, BAD FOR THEM
65 — and that reducing oxygen intake for anyone dampens natural
66 immunity — and, oh, did you hear the "bit" — about the mother
67 who noticed rashes developing on the faces of her children from
68 wearing the masks *all day* at school, who gathered some other
69 parents who all decided to send their children's masks to a Lab
70 (this resulted in a University of Florida study) and it was shown
71 that these masks were contaminated with pneumonia, tuberculosis,
72 meningitis sepsis, keratitis (inflammation of the cornea caused by a
73 fungus), food poisoning, lyme disease, diphtheria, legionnaires
74 (leprosy)—yeah, bacteria, parasites, fungi — BUT NO VIRUSES
75 WERE DETECTED ON THE MASKS.

76 By the way these masks had been freshly laundered or new, and
77 worn five to eight hours — this is ONE DAYS accumulation —
78 THEY ARE LYING when they tell you these masks stop a virus.
79 And they are lying by omission when they fail to warn you about
80 the down side of masking.

81 Also, an unworn mask was tested as a control and NO
82 PATHOGENS WERE FOUND ON THE CONTROL TEST.

83 Now, folks, THIS IS SCIENCE! Not these quacks who make
84 DECLARATIONS like, well, we are concerned about the
85 consequences of masks on children but the masks have reduced the
86 spread of COVID — these quack doctors should be SUED for
87 malpractice! Dr. Nicole Saphier — show me the study. What do
88 you base your stipulation that masks have effectively mitigated the
89 spread of COVID?

90 Oh, you went and read other DECLARATIONS by other
91 "establishment" doctors. Not good enough! Cite the STUDY. Cite
92 the SCIENCE. SCIENCE is not statements made by scientists.
93 There are honest Scientists and there are lying scientists. Like the
94 one who tell you macro-evolution has been proved. They have
95 been lying to us and to our children, for decades—LIARS. They
96 work for the WICKED RULERS that listen to lies, and LYING
97 RULERS that pay public employees for PERPETRATING their
98 LIES.

99 Science is NOT something a "scientist tells you." Science is in the
100 RESEARCH — the RCTs (Randomized Controlled Trials), single
101 and double blind clinical trials, placebo and/or alternate
102 medication controlled trials. Remember? Hypothesis —>
103 experiment —> conclusion — REPEAT! Remember? Ask a
104 question, collect data by background research, construct a
105 hypothesis, test with an experiment —> test your experiment
106 procedure, is it working? Yes or No! If No — Troubleshoot the
107 procedure carefully check and recheck all steps. If the procedure
108 works —> Analyze the DATA it produces; does it line up with
109 Hypothesis. It does? Good! Draw TENTATIVE CONCLUSIONS.
110 REPEAT the experiment, do the results match tentative conclusion
111 again? Awesome! —> Publish your findings and wait for your
112 Nobel Prize nomination. Results do not align with your hypothesis,
113 or only partially align —> return to the "drawing board" — but
114 publish your work anyway to help others avoid this rabbit trail.
115 Then, ask new questions, form a new hypothesis, establish an
116 experimental procedure to test the new hypothesis —>

117 DO THE WORK! We are talking about children's LIVES — we are
118 talking about depriving people of fresh air, sticking a dirty face
119 diaper over their mouth and nose for five and even eight hours
120 PREMISED on a SCIENTISTS STATEMENT — a statement that
121 CONTRADICTS all Western Science for the last 50 years or more.

122 Fauci flaunts real SCIENCE—Trump is right again. Fauci likes to
123 call himself science, but he is more like SCIENCE FICTION.

124 All western science before COVID concluded MASKS DO NOT
125 BLOCK VIRIONS, and are not a viable public policy to mitigate
126 the spread of a virus — this is the same Science FAUCI reflected
127 when he explained to some Obama admin personnel preparing for
128 a trip abroad — and ADVISED them not to wear masks because
129 THEY DON'T BLOCK A VIRUS — he said, a virus is TOO
130 SMALL and passes through the type of mask you buy at a
131 pharmacy. Do you understand how wretched these people are?

132 Look at the children being forced to play outside wearing these
133 foul, disease trapping face diapers — get them off our kids.

134 Some of you want to walk around with a bacteria trap covering
135 your face — that's your business — PLEASE, GET THEM OFF OF
136 YOUR CHILDREN.

137 And every lousy government doctor should be sued for malpractice
138 and every lousy government official that pushed this should be
139 tried for malfeasance — and the Big Tech fact checkers should be
140 sued for criminal conspiracy to perpetrate fraud.

141 Hey, doctor know it all, hey, doctor "I AM SCIENCE" NAME the
142 STUDY that proves the masks reduced the spread of COVID.
143 Name it! Why don't these news people do their jobs. CHALLENGE
144 these quacks! Fauci Fulvous Whistling DUCK — [INSERT
145 QUACKING DUCKS]

146 There is this guy, I forget his name, he is a millionaire who offered
147 two million dollars to anyone who can prove one thing that the
148 CDC or the WHO got right in this pandemic. No takers!

149 We were told the COVID-19 disease was going to kill millions in
150 America — it turns out there is a 99.97% general recovery rate
151 from COVID, and above 95% recovery for those ranked most
152 vulnerable — 65+. You know, these recovery rates give little

153 comfort to the precious families who have lost loved ones to this
154 cruel killer. Nevertheless, we must maintain perspective.

155 It's deadly for the very old and for those who are obese or suffer
156 other mortal diseases: it's virtually zero for children.

157 So what is really going on with this "pandemic"? We are getting
158 closer to the truth every day: very interesting news coming out
159 about this. Stay tuned!

160 Let's talk to a REAL DOCTOR.

161 Dr. Peter McCullough is professor of medicine at Texas A & M
162 College of Medicine — I think he teaches on the Baylor Dallas
163 campus. He is an Internist (which is among the most rigorous
164 disciplines in the medical profession), additionally he is a
165 cardiologist, and epidemiologist, a widely published doctor and has
166 extensive experience treating COVID-19 — yes! TREATING IT!
167 Successfully, reducing the time patients suffer from symptoms by
168 85%, reducing the number of hospitalizations and deaths.

169 And isn't helping the sick the GOAL of any doctor worth his or her
170 salt. Not these quacks, which tell a COVID infected patient, "GO
171 HOME UNTIL YOU ARE SICKER" — then come back, so we can
172 stick you on the VENTILATOR — (and get our fat bonus from the
173 government).

174 Laura Inghram is following these developments—she has had Dr.
175 McCullough on her show, and has had him back to help him
176 inform the American people, because the illegitimate government
177 doctors and the illegitimate government media (MSM, and Big
178 Tech) are in service to the illegitimate DEEP STATE government
179 and they are colluding to keep the truth from the American people.
180 So, it's up to us!

181 Yikes — I ran out of time for this segment. I'll pick it up on the
182 other side. You are going to want to hear what Dr. McCullough has
183 to say about what's really going on with this pandemic.

184 I might not get to the Devils — well, maybe tonight during my
185 livestream.

186 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor
187 at the Lighthouse, your brain masseur, and Paul Revere's lantern
188 lighter, lighting the lamps in the church belfry arch, signaling the
189 enemy is on the march, an enemy that would steal from us our
190 liberty.

191 Jesus demonstrated the POWER OF THE KINGDOM OF GOD over
192 DEVILS and DISEASES — we need a VISIT from the KINGDOM
193 OF GOD — Jesus cast out a devil or a disease, and sometimes these
194 are connected — the DISEASE comes from the DEVILS — like
195 today, the DEVILS of the CCP with their DEMONcrat operatives
196 here, concocted this DISEASE that is destroying our lives—but you
197 need not fear, Christian. You have POWER over the DEVILS and
198 their DISEASES. Trust GOD!

199 We are looking at what Dr. McCullough revealed in an interview
200 with some German attorneys who are pursuing legal action against
201 the DEVILS that have pushed this DISEASE onto the world.

202 I gave his bona fides already, but for those just now tuning in—Dr.
203 McCullough is a medical doctor, an Internist, cardiologist, and
204 epidemiologist, who practices in Texas and is professor of
205 Medicine at Texas A & M — much published, respected and is
206 willing to put his creds against any of the "establishment doctors."

207 He has had a great deal of experience working with COVID
208 patients.

209 So, this guy has looked at the data and concluded WE KNOW
210 THIS IS BIO TERRORISM.

211 As this story unfolded, I said, well, the big questions are where did
212 this thing originate, is it man made, and was it released by accident
213 or on purpose.

214 Well, the first question has been answered. A whistleblower from
215 within the W.H.O. has revealed that three researches in the Wuhan
216 lab became sick and in the hospital it was determined they had
217 been infected with what came to be identified as SARS-CoV-2 and
218 developed the disease caused by that virus that came to be called
219 COVID-19.

220 This source testified that the leader of the lab work, under the CCP,
221 by the way, was hurried away from the lab to return to Beijing.
222 They shut down their website, and began implementing travel
223 restrictions within China — but NOT INTERNATIONAL travel.
224 They went into full COVER UP mode.

225 Oddly, however, we have learned from some blood samples that
226 some COVID-19 cases showed up in the US before the famed
227 China traveler appeared with symptoms in Washington State in
228 mid January.¹ I think he travelled from Wuhan to his home in
229 Seattle. But the NIH has recently reported evidence that COVID-
230 19 was circulating in States across the US as early as December
231 2019. These seven blood samples where they found the virus—were
232 any of these people in Wuhan? Were any of these people in contact
233 with the Wuhan Seattle man? I read another report that placed it
234 earlier; in Italy they discovered it was appearing as early as
235 September 2019.²

236 Then we learned that Fauci was funding gain of function research
237 on bat virus specifically working to enhance its transmissibility,
238 and to create a SARS bat virus that would facilitate human to
239 human transmission. You see, the H1N1 was not efficient in
240 human to human transmission. Okay, let's work harder. SARS-
241 CoV-1 — bummer, once again, not very efficient for human-to-

² <https://www.washingtonexaminer.com/news/virus-may-have-been-spreading-earlier-than-thought-could-reshape-history-of-the-pandemic-study>

242 human transmission. They were getting it to move from animal to
243 human, but human-to-human was not working out too well.

244 Then they had a break through. They found a way to make a SARS
245 virus that would efficiently move from human to human — yipee!
246 Oh boy! And then it jumped the control lab into humans and off it
247 went.

248 So the question of origin—answered! The question of whether it's
249 man-made or naturally occurring—answered! But, what about the
250 question of whether it was accidentally released or purposely
251 released?

252 It would appear the WHO insider is either trying to protect CCP
253 from exposure — which is entirely possible! Or the informant is
254 telling the truth and what happened is, according to some looking
255 closely at all of this, the GATES Conspiracy — to DEPOPULATE
256 the planet — saw an opportunity, and the GLOBALISTS who want
257 to crash and burn the world governments so they can erect their
258 TOWER OF BABEL and establish their dream for a one world
259 government. They have been planning this for at least ten years —
260 and 2021 was supposed to be launch year for event 201 — no time
261 to explain right now.

262 But there is a sinking feeling developing in my gut that while CCP
263 was certainly complicit in all of this—forces in the US Deep State
264 leaped on to this mishap—because, like Obama's friend and
265 colleague in crime, Rahm Immanuel said, "a crisis is a terrible thing
266 to waste" — well, actually, that was the original phrase coined by
267 Winston Churchill in the mid 1940s approaching WWII.³

268 Dr. McCullough hinted at his knowledge of the information we
269 have already looked at from Infowars Alex Jones — that these guys
270 planned this out to the proverbial T (an expression with roots in
271 Scripture — Jesus said not a jot or a "tittle" would be lost from the

³ <https://kloudlearn.medium.com/never-waste-a-good-crisis-8018c7d93e17>

272 Scripture — and the expression *to the tittle* was used to speak of
273 something perfectly and totally prepared and done. Later, this was
274 reduced to "to the T").

275 So, when they either got the cue up from Beijing that it was time to
276 launch, or when they heard about the "mishap" at the Wuhan lab,
277 they went into motion. They contacted WHO and began putting
278 pressure on them to declare the virus an EMERGENCY of
279 GLOBAL CONCERN — and contacted Drusden to go to work on
280 his PCR test to test for COVID. Actually, he already had it ready—
281 but they needed to cover that! They had to get rid of the original
282 inventor of the PCR test because he already made statements to the
283 effect that it is not a credible diagnostic, for reasons we've
284 explained in an earlier show — coming up on my time, here. So, in
285 August of 2019, they got him out of the way. Anyway, when
286 Drusden came out with his PCR based SARS-CoV-2 test, they set
287 the magnification to 40-45, which guaranteed a huge number of
288 false positives (by the way, after they stole the election, they
289 reduced the cycles to 25—so the number of false positives dropped
290 precipitously, allowing them to tout their "mitigation strategies"
291 were successful).

292 Then comes the vaccines—and everyone is wondering what in the
293 world is going on? A virus that has a 99.97% recovery rate
294 generally, a 95.7% recovery rate among those deemed at risk, a
295 virtual zero rate of death for children—and a disease for which
296 there are KNOWN THERAPEUTICS, effective treatments, at a
297 time when we have by all TRUE science accounts reach virtual
298 natural immunity—wither because they have been exposed, or
299 have sufficient immunity to beat it off, or have been vaccinated—
300 THERE IS ZERO NEED FOR VACCINATIONS right now, with
301 the possible exception of the elderly, or others at risk—

302 But the PUSH to get everyone vaccinated is weird—it's very
303 Orwellian, it's all strange—I mean they are begging, and

304 blackmailing, and bribing people to take the shot—or get the jab—
305 it's raising suspicions. And why were they pushing so hard for our
306 black neighbors to get the jab? What's that about? And why, after
307 they wiped out a significant number of our elderly by sending them
308 to their deaths in nursing homes ill equipped to handle COVID
309 positive residents—having been told this was dangerous—
310 Newsome, Whitmer, Wolf, and CUOMO — murderers — now
311 they want to vaccinate the children—

312 In Toronto, it's getting so bizarre, some nurses seduced a gang of
313 children away from their parents offering some ice cream, and
314 keeping the parents away, they jabbed these kids with the vaccine
315 — Canada is off the rails! I think they are going to want to establish
316 a CONSTITUTION and BILL OF RIGHTS when this is over.

317 You do know that in Canada the government grants your rights to
318 you?

319 So the vaccine is quickly becoming the focus and it's looking
320 increasingly like the vaccine was the end game! The POINT was get
321 everybody vaccinated. First and foremost, you need to know that
322 the VACCINES, none of them, are FDA approved.

323 This is an experimental vaccine — NO ONE CAN FORCE YOU
324 TO PARTICIPATE IN AN EXPERIMENTAL MEDICAL
325 TREATMENT. The Nuremberg Code—you don't need to buy
326 some phony doctors' release, or get any doctor to give you one.
327 YOU HAVE THE INALIENABLE RIGHT ENDOWED TO YOU
328 BY YOUR CREATOR to refuse to allow anyone to stick something
329 into your body without your full and INFORMED CONSENT.

330 And people are getting hurt by these vaccines. There have been
331 5000 reported deaths so far. But we have another whistleblower,
332 this one from within the CDC who is telling us that the number is
333 much higher. As much as 10 times higher. Dr. McCullough is

334 telling us he fears the number can be closer to 50k in the USA have
335 died in an event related to the vaccination.

336 So, we have a virus that was manufactured in a lab in China under
337 the auspices of the CCP — and we have a suspicious release of this
338 virus into the general population — and we have all these CCP
339 connected doctors telling us this virus is super deadly, when it's
340 super deadly only to people at high risk, but the HYPE got
341 everybody ready for the JAB — and now they are pushing the
342 vaccinations like nothing I've ever seen — I've never seen anything
343 like this, and EVERYTHING IN ME SAYS there is a SCAM going
344 down.

345 These doctors, Dr. McCullough, and his colleagues, are telling us
346 you do not need to fear the virus, but you'd better be concerned
347 about this vaccine.

348 The CDC was overwhelmed with the number of what are called
349 break through cases of COVID — that's a situation where someone
350 who has had the vaccine ends up contracting COVID anyway.
351 There is always some of that, but in this case the numbers were so
352 much — they decided they would no longer count break through
353 cases unless it led hospitalization or death.

354 I've got to close, but I'll be developing some more of this tonight in
355 the VISIT — it's called Comfort & Counsel for the Present Distress,
356 it's a live-stream visit, much more casual, and interactive, at least
357 you can ask a question or make a statement and interact a little
358 with the group that gathers for the visit.

359 But I must finish with this — friend, you do not need to be afraid. I
360 know, I know — they are talking about vaccinated people shedding
361 the nanoparticle that can be breathed in — this nanoparticle
362 delivers the spike protein that is the pathogen of this virus—I'm hip
363 to it all! Waiting for a Lindell absolute proof type expose on this
364 but I'm sure it's coming. But we do not need to be afraid.

365 Fear is the enemies objective — when you start responding to all or
366 any of this in fear — they can steer you into the behaviors they
367 want. That's right! Tyrants steer the masses by the steering wheel of
368 fear. Jesus said FEAR NOT! I am with YOU!

369 Jesus is KING and He declared that when the KINGDOM OF
370 GOD is come upon you, the POWER of the KINGDOM to
371 command devils and heal diseases is PRESENT.

372 I'll speak to this this Sunday as part of my Father's Day message.
373 You are gonna love it.

374 Today, I only got to the diseases — during my live stream visit, I'll
375 talk about the devils!

376 I have lit the lamps in the Church belfry arch and now you let me
377 know if you see them. It's LIGHTS ON if you see the LIGHTS ARE
378 ON and you will ride like Revere and spread the warning,
379 (essentially, it means you agree with what I'm saying) or you say
380 LIGHTS OFF -- which means you reject what I'm saying and
381 disagree strongly with me. So, what will it be today, lights on, or
382 lights off?
