

Brain Massage®: Show No. 839 The Rise of Fascism In America / Moon Wobble & Sun Flares — A Major Realignment Is Coming!

Original Air Date: 07.17.21

1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain
3 masseur—get ready for your brain massage.

4 Moon wobble¹ — a cyclical phenomenon that occurs every 18-and-
5 a-half-years — causes changes in tides — been going on probably
6 since the dial of Ahaz retracted 10 degrees in about 712 BC.² First
7 documented by "modern man" in AD 1728. But, on the magic year
8 2030, it's going to destroy the planet! Unless we all give up our
9 liberties quickly so the dictators can take control and save us.

10 Solar Flare — July 3, 2021, a solar flare, an "X1.5 solar flare
11 erupted."³ An X-class solar flare is the most intense category of
12 flare and the number following indicates the level of intensity. A 1
13 is the first magnitude, a 2 is twice the magnitude of 1, and 3 is three
14 times the magnitude of 1, etc. This was an X1.5. NASA assures us
15 that "harmful radiation from a flare cannot pass through Earth's
16 atmosphere to physically affect humans ... however — when
17 intense enough — they can disturb the atmosphere in the layer
18 where GPS and communications signals travel." [IBID.]

19 Now, the moon wobble is cyclical, and solar flares are routine—so
20 why so much interest of late in the moon wobble and solar flares?
21 Maybe MSM needs something else to talk about. Or maybe these
22 are portents of things to come that have more meaning! We'll see!

23 Government admitting they are coordinating with private business

25 declared the government is coordinating with FB, Twitter, and
26 Google to CONTROL consumer content —. I heard it from her
27 own mouth—with energy and passion Psaki declared the
28 government will be tracking what Americans are talking to each
29 other about and encouraging Facebook, Twitter and GOOGLE to
30 REMOVE "Disinformation" from their platforms.

31 Maybe they'll add this to their door-to-door campaign—Ave you
32 taken ze jab? (haben Sie (Zee) den (Deen) Jab genommen?)

33 First question. Second question, "we show here you read an article
34 expressing unapproved opinions about COVID — is this ze reason
35 you refuse to take ze jab?" Third question: "Are dare any guns in ze
36 home?" — haha, gibt es Waffen in Ihrem Haus.

37 With a little Hail Hitler— thrown in for nostalgia. Board up your
38 windows!

39 Black booted Big Tech tyranny must be chained and pulled down.
40 They must be broken before they crush free speech.

41 The world in REVOLT! — Cuba, South Africa (Algeria, Congo,
42 Nigeria), France, Australia, the Netherlands, Germany, Hungary,
43 Ireland, Czech Republic, Austria, Belgium, Hungary, Georgia (not
44 the state), Spain, Lebanon, Israel, Canada, New Zealand, Puerto
45 Rico, Chad, Chile, and, let's see, Fiji, Brazil, Morocco, Libya,
46 Panama, Dominican Republic, the Philippines, Obama's home
47 country, Kenya, is Zimbabwe in South Africa?, Haiti, the US and
48 the UK. Oh look Iraq, Uzbekistan, Greece, Angola, Bosnia, Kuwait,
49 Madagascar — this is crazy! And what is driving the unrest?
50 According to Al Jazeera, it's far right extremists following Q Anon.⁴

51 Washington Post responded to this back in April of 2020 and
52 explained the "Anti-lockdown protests" mark a "potentially steep

53 rise in poverty and inequality."⁵ Wow! These people really don't get
54 it!

55 So, I think the whole thing is happening because of a stolen
56 election in the US. Haha!

57 And because the dam is breaking and the flood of truth is coming
58 and a MAJOR realignment of power is emerging in the US and
59 around the WORLD!~

60 It's time for your brain massage!

61 [TRUTH]

62 Fascism is not a racial term; it is a system of government. It's just
63 another of a growing list of words distorted by Demoncrats. When
64 many Americans hear the word *Fascist* they have been conditioned
65 to think of a far right ideology that advocates racism. As you've
66 heard me say often — the most effective lies are those that contain
67 the greatest amount of truth. Fascism typically arises in a context of
68 hyper nationalism, and in the past has been associated with a
69 supremacist ideology, whether it's Italian supremacists, where it
70 began and where it flowered under Mussolini, or German
71 supremacists, where it found its greatest expression under Hitler,
72 or white supremacists in the USA where it found it's welcome in
73 the Democrat Party—so there is truth to the connection between
74 Fascism and racism, but the fact is, Fascism is not actually a word
75 that identifies racism. It identifies a form of government that
76 typically arises within a supremacist ideology—or is a natural
77 outgrowth of such an ideology.

78 Which is the reason it was inevitable that Fascism would rise in
79 America in the Democrat Party. The Democrat Party is the Party of
80 racism, and the elites in the Democrat Party are the supremacists
81 today. In fact, they are white supremacists.

⁵ <https://theprint.in/global-pulse/global-unrest-due-to-covid-19-lockdown-indicates-steep-rise-in-poverty-and-inequality/405103/>

82 They believe non-whites require their protection, and provision.
83 They think of poor-whites in the same way. And they consider
84 anyone outside of their crowded metropolitan, high tower skylines,
85 to be the rubes—the lesser people, Obama's God and gun clingers,
86 Kamala's ignorant rural dwellers who can't find a photocopier, the
87 Blacks who they continually insult with statements to the effect
88 they don't believe they can figure out how to get an ID, or like
89 Biden, who thinks those beneath him need to hear a white guy say,
90 hey, "poor kids are just as bright, just as talented, as white kids."⁶
91 Excuse me! The Democrats have fought against our efforts to
92 realize fully the Declaration that all men are created equal—they
93 have been on the opposite side of this battle all the way—and now
94 they bring their superior attitude over everybody outside of their
95 circles to its inevitable conclusion — full-blown fascism.

96 Over time, racist people always produce a fascist government. So,
97 while Fascism is not, properly speaking, a word that identifies
98 racism, it is certainly true that racists love fascist government,
99 because that's the only form of government that allows them to
100 exercise and realize their full and total superiority over everyone
101 else. They are superior in their opinions, superior in their care for
102 others; they are superior in every way. They know better how to
103 live your life than you do. So, you need to simply stop thinking,
104 and stop asserting any individuality — they will do your thinking
105 for you. They will, as the New Zealand fascist recently declared, the
106 government will be YOUR SOLE SOURCE FOR THE TRUTH.
107 Yep, that's a quote! That's a fascist for you. The GOVERNMENT is
108 GOD, and you must BOW or they will break you.

109 So, Fascism actually is a system of government where the
110 government controls every aspect of life under a centralized
111 authority.

⁶ <https://www.detroitnews.com/story/news/politics/2019/08/09/biden-poor-kids-white-kids-comment/39933417/>

112 It is characterized by dictatorial power, using the force of
113 governments coercive power to oppress opposition to the
114 government by suppression of speech, and intrusive governmental
115 regimentation of the population. It fosters government control of
116 private business, and the use of private business as proxies for the
117 implementation of government policy.

118 What the Fascists in power today are doing is skirting the
119 Constitution by creating a partnership with private business and
120 coopting private business to serve as its policy enforcement agents.

121 You see, the government is severely restricted in its powers to
122 infringe upon our rights because of the Constitution and it's
123 amended bill of rights. And so, the FACT IS, the government
124 CANNOT compel you to wear a mask on private property. There
125 is NO Way Newsome has the authority to direct what you do in
126 your own home—he is so far overreaching his authority to say
127 anything like you have to social distance in your home, or even on
128 the streets, or in private business establishments.

129 So, what they have done is they have used their business licensing
130 power and health code regulators over businesses to COERCE
131 BUSINESSES to ENFORCE their policies — under the cover of
132 private business does have the right to "refuse service to anyone,"
133 right? Of course, unless you have a religious conviction and
134 conscientious objection to being made to participate in unnatural
135 homosexual weddings—then you don't have the privacy right of
136 refusing service to anyone — but if you want to refuse service to
137 someone who objects to wearing a mask—a mask that LORD
138 FAUCI himself said DOES NOT PREVENT A VIRUS FROM
139 GETTING THROUGH — in his OWN WORDS! Who said it's
140 largely SYMBOLIC — and that the CDC said actually serves to
141 REMIND PEOPLE THERE IS A PANDEMIC going on — or, in
142 other words, it's a VISUAL REMINDER THAT YOU MIGHT
143 GET SICK AND DIE FROM A DISEASE THAT ACCORDING

144 TO CDC RECORDS 99.997% of everyone who gets it recovers
145 from it — and 95.78% of those categorized as vulnerable recover —
146 and for which there ARE EFFECTIVE THERAPEUTICS such as
147 Ivermectin, and HCQ+AZ, for a viral infection caused by virus
148 FAUCI helped create, through funding and his friend Barrick,
149 sending thousands to Wuhan through their front organization,
150 EcoHealth Alliance headed by another Fauci pal, Daszak—where
151 they manipulated the sequence of this virus to enhance its
152 transmissibility, and missed the mark on their effort to enhance it's
153 fatality, except for the most vulnerable among us—our elderly, who
154 Newsome, Whitmere, Cuomo, Wolf, and Murphy knowingly sent
155 to their DEATHS—and add to this the FACT that Drusden
156 manipulated the Polymerase Chain Reaction system invented by
157 Nobel Prize winning Kary Mullis in the 80s, who said multiple
158 times that the PCR is not effective for diagnoses of any disease, and
159 that the CDC knew was worthless as a diagnostic for anything
160 especially if it is set to above 25-35 cycles of magnification—so,
161 Drusden, who is being sued in Germany right now for his
162 involvement in this ruse, he set it at 45 cycles which generated
163 millions of FALSE POSITIVES — and so what we actually had is a
164 Test-pandemic—and all of this is some of the information Biden
165 and Psaki and company do not want you to have.

166 That and the fact that the government CANNOT FORCE YOU TO
167 PARTICIPATE IN A MEDICAL test! Nuremberg, HIPPA, or how
168 about a liberal favorite, standard practice! That seems to be an
169 "authority" fact checkers for Lead Story can understand.

170 IN order to control the information so you can't learn the truth
171 about the COVID scam-demic and the trial vaccine that is part of a
172 transhumanism experiment — and the fact that the AZ audit
173 results are beginning to come out, and GA fraud is breaking to the
174 surface and getting a wider notice, and PA is leaning toward an
175 audit, and multiple states are stepping up to strengthen their

176 election integrity laws, and Schumer hanging on to the Senate gavel
177 by only two fingernails can't get HR1 passed — they are SOOOO
178 PANICKED to get this done before they get BOOTED OUT OF
179 THE WH and LOSE THE HOUSE entirely in 2022 — they are
180 baring their Fascist teeth, and their Fascist claws, and snarling like
181 devils [INSERT DEVIL SNARLS] — they are like a cornered wild
182 boar, a wounded gray wolf, a red eyed Northern Goshawk
183 protecting its territory—swooping down and pecking at our
184 heads—like a hungry bull shark, a surprised Black Mamba, a
185 stalking wolverine, with Kamala the common shrew that sees rural
186 Americans as insects, yikes — and Biden and his crowd a cabal of
187 weasels swarming across America attacking our liberties — okay,
188 that's enough! You get the idea. These people are DEADLY to
189 LIFE, LIBERTY and the PURSUIT OF HAPPINESS. I'll be right
190 back!

191 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor
192 at the Lighthouse, your brain masseur, and Paul Revere's lantern
193 lighter, lighting the lamps in the church belfry arch, signaling the
194 enemy is on the march, an enemy that would steal from us our
195 liberty.

196 It's hard to know which of these stories to use as a lead here. A
197 major development: Tucker Carlson covered the Election Fraud in
198 Fulton Co, Georgia. About eight months late, but, this is huge. Or
199 shall I lead with the breaking story that after the AZ hearing
200 Arizona State Senator Wendy Rogers said, "I have heard enough.
201 With the tens of thousands of ballots mailed without being
202 requested, the over ten thousand people who voted after registering
203 AFTER NOVEMBER 3rd, the failure of Maricopa to turn over the
204 40% machines, the passwords that Dominion still refuses to turn
205 over, & tens of thousands of unauthorized queries demonstrating
206 how insecure the election was, I CALL FOR THE BIDEN
207 ELECTORS TO BE RECALLED TO ARIZONA & A NEW

208 ELECTION MUST BE CONDUCTED. Arizona's electors must not
209 be awarded fraudently & we need to get this right."⁷

210 So, let's see here. Shall we look at Tucker's report on Georgia or
211 examine the revelations that came out of the AZ hearing on
212 Thursday? What's that? You want to hear about Tucker's report
213 first. You didn't see it? I assumed every – okay. Let's start there.

214 Tucker finally steps into the batter's box and swings at this
215 information we have all been looking at for eight months.⁸

216 First, the doors to the ballot storage facility were LEFT OPEN for
217 hours while the GUARDS WERE AWAY from their post. What?

218 Second, a Fulton County election official, identified by Gateway
219 Pundit as Ruby Freeman, by the way, was "feeding stacks of ballots
220 through the voting machines at least three times each on
221 November 4th in the early morning after the GOP election
222 observers were TOLD TO GO HOME."

223 Third, Garland Favorito's organization, VoterGA, found several
224 thousand, [SEVERAL THOUSAND] fraudulent votes for Joe
225 Biden and Fulton County Georgia recount included a 60% error in
226 its reporting. Now, hold on here. Tucker reveals that several
227 thousand fraudulent votes were cast for Joe Biden. And the
228 RECOUNT under the auspices of Brad and Brian — the BB
229 brothers — was off by 60%?

230 Fourth, "Identical computer copies of ballots counted numerous
231 times in Fulton county. PROOF of this! We KNOW this to be true.
232 This is no longer a conspiracy theory—it's a proven conspiracy to
233 commit fraud—it has always been FRAUD FACTS but now it's
234 getting more general notice. Praise GOD!

235 Fifth, "pristine and unfolded ballots were counted 100% for Joe
236 Biden in the Fulton County recount!" Folks, this is the Georgia vote
237 verifying recount that PROVED Brad's 2020 handling of the
238 election was the most secure in history. THESE PEOPLE NEED
239 TO BE READ THEIR RIGHTS AND THROWN INTO JAIL FOR
240 STEALING OUR RIGHT TO VOTE.

241 Welcome to the FIGHT, Tucker! Get ready for the STORM!

242 AZ just busted out with some interesting and confirming
243 revelations. It's coming out so fast, I can't keep up with it.

244 We were cautioned not to expect a lot of revelation about the
245 results of the audit at this hearing. It was supposed to be only about
246 bringing forward the proof that the audit is being done by
247 professionals with all the bona-fides necessary for this job and with
248 extreme care for integrity and transparency. They satisfied that
249 objective.

250 However, Fann decided to allow the audit team to make some
251 reports on their findings. Not everything, but enough to cause one
252 State Senator to "demand Biden Electors be Recalled to Arizona
253 and New Election Held" following Thursdays Stunning Audit
254 revelations.

255 They let out some information and it seemed to me it was to put
256 pressure on the Maricopa Counties Board of Supervisors and
257 Dominion to surrender the material they are obligated to surrender
258 by subpoena. WHY are they allowed to BREAK THE LAW? It's
259 Hillary all over again with the subpoenaed emails!

260 Here is a summary of the revelations made at the hearing that set
261 off Wendy Rogers:

262 The audit team announced they found 74,243 mail-in ballots that
263 were received and included in the 2020 election that had NO
264 CLEAR RECORD OF THEM EVER BEING SENT.

265 The audit team announced that ballots were counted that WERE
266 NOT PRINTED on the proper, officially approved paper stock and
267 WERE NOT printed properly for use with the scanners. They
268 found 168k ballots off target. Only special secure paper was to be
269 used. It's a paper that does NOT ALLOW FOR BLEED
270 THROUGH. But, BLEED THROUGH HAPPENED
271 CONSTANTLY ON ELECTION DAY. How? They used an
272 unauthorized light stock paper. Ooops!

273 [IT IS OBVIOUS THAT these ballots were printed by an
274 unauthorized vendor, or purposely printed to trigger adjudication.]

275 The ballots that are duplicated must have the identical serial
276 number as the original. They found THOUSANDS of duplicate
277 ballots for which they could find no original.⁹ That's a MAJOR
278 NO-NO! It means these could have been created ad hoc—that is,
279 for a particular purpose which in this case would be obvious.

280 Cotton is the CEO of CYPHER and is on the AUDIT TEAM. He
281 explained the use of WRITE-BLOCK (that's W R I T E) software
282 when working with the data on the Election Management System
283 machines. You've used this if you have ever set a document for
284 READ ONLY. Or if you received a document that you noticed y ou
285 could not edit. “Not a single bit of data was changed on any
286 machine that was given to us.”¹⁰

287 Cotton testified: “The soul purpose of this device (WRITE-ONLY
288 DEVICE) is to prevent any modification of the original evidence
289 that is plugged into it. This is accepted within our judicial System
290 as the methodology needed to be utilized for anything to be
291 admitted into court.”

292 He was thorough. 1. They initiated the WRITE ONLY DEVICE, 2.
293 They copied all the data on the machines and made it the

⁹ <https://www.thegatewaypundit.com/2021/07/breaking-arizona-state-senator-demands-biden-electors-recalled-arizona-new-election-held-following-thursdays-stunning-revelations-audit-presser/>

294 PRIMARY EVIDENCE copy; 3. It was stored in a GSA Approved
295 safe — govt. approved for use in protecting evidence). 4.
296 Examination copies were made, these were used to examine the
297 data.

298 There were thousands of intrusions into the election management
299 system—the Dominion machines. But the auditors cannot validate
300 these because they were anonymous intrusions with elevated
301 privileges—the sort needed to manipulate the vote.

302 The auditors found a correlation between the Dominion Windows
303 accounts and the Dominion functions. Windows normally will
304 record username, and IP address, and host name. But anonymous
305 logins do not follow normal Windows behavior. This creates a
306 situation where there is no way to validate suspicious activity!

307 All EMS (Election Management Systems) admins were able to
308 share the SAME account. This means Accounts could easily be
309 compromised. The auditors need the missing the authentication
310 FOB, but only DOMINION has it, and will not give it up.

311 What we KNOW for sure is that there were multiple thousands of
312 ADMIN queries in Maricopa county election machines. No one
313 except Dominion had this kind and level of access.

314 DePerno watched the hearing and said — “Testimony in Arizona
315 currently destroying the Democrat and Michigan Progressive-
316 Republican narrative and confirming everything found in our
317 Antrim County investigation. This is a PATTERN.”

318 So, let’s see what we have here. 74k more mail-in-ballots were
319 received and counted than were mailed out!

320 11k votes were cast and NOT FOUND on the November 11 voter
321 roll, but they WERE FOUND ON THE DECEMBER voter roll.
322 What????

323 18k people voted but then were SUBSEQUENTLY REMOVED
324 FROM THE VOTER ROLLS.

325 It is CLEAR that AZ was awarded to Biden FRAUDULENTLY.

326 And Wendy Rogers is not the only one calling for this to be
327 corrected. Mark Finchem — AZ House of Representatives,
328 represents District 11. Finchem this is the breaking of the earth and
329 dam that is holding back so much evidence of mismanagement,
330 fraud, malfeasance — my admonition to all is to remember it takes
331 time to develop the picture — it takes a while for the picture to
332 develop.

333 He said there are some people who need to be sitting in the city
334 Jail, or in the AZ prison.

335 I must conclude: my friend, there is a major realignment coming.
336 There have been epochal moments in history where a major
337 realignment of power has occurred or was begun—William
338 Wallace, Magna Charta, Oliver Cromwell, the DECLARATION of
339 INDEPENENCE—1776. But some that go back even farther.
340 Events marked by signs in the heavens. Genesis 1 tells us God put
341 the sun and moon and stars in heavens for light, but also for
342 SIGNS.

343 Major realignments of power have been attended by a shake up in
344 the heavens.

345 Remember Joshua, the LONG DAY, and Hezekiah, the falling of
346 the shadow ten degrees. These both portended major realignments
347 in the nations — a shifting of the power from the dictatorship of
348 tyrants to the FREEDOM of the PEOPLE.

349 There has been a WOBBLE in the MOON's orbit,¹¹ which will
350 possibly cause freak flooding, and a SOLAR FLARE that might
351 disturb communications¹²— hehee.

¹¹ <https://climatesciencenews.com/2021-07-14-wobble-in-moon-orbit-will-cause-flooding.html>

352 Won't be the first time heavenly adjustments portend earthly
353 upheavals.

354 POWER is being stripped from NIMRODIANS — the one
355 worlders, the latest efforts to build Nimrod's Tower—to bring the
356 world together as ONE — Yeah, A ONE WORLD
357 DICTATORSHIP of the elites. But another major shake up has
358 begun—and friend, remember, no major realignment of power has
359 ever happened without major upheaval and a passage through a
360 time of, shall we say, intense inconvenience. Stay STRONG!

361 I have lit the lamps in the Church belfry arch and now you let me

365 LIGHTS OFF -- which means you reject what I'm saying and
366 disagree strongly with me. So, what will it be today, lights on, or
367 lights off?
