9 Looking forward to meeting Larry Elder, future Governor of CA,
10 September 6 in Santa Clarita.

11 See what is OBVIOUS! The dilemma of unbelief!

12 ELECTION FRAUD: The Afghanistan debacle debrief

13 INSURRECTION FRAUD: An epic collapse of another false
14 narrative for the left: They just removed the last supporting pillar
15 of their case. FBI admits it was not a planned attack by
16 insurrectionist militia. Hmmmm — wow!

17 PANDEMIC FRAUD: Meet ICAN — Informed Consent Action
18 Network and wait for the mind blowing collapse of yet another
19 communist propaganda narrative—

20 The TRUTH is MARCHING ON!

21 My friends, it's time for your Brain Massage.

22 [TRUTH]

23 SEE WHAT IS OBVIOUS~!

24 Pastor Jerry Cook, Freedoms Way Baptist Church in Santa Clarita
25 is hosting a meet and greet with Larry Elder, future Governor of
26 CA, September 6 in Santa Clarita.

27 Mr. Elder is a conservative who has dedicated his life to standing
28 up for and being a voice for conservative values in America. His
29 radio show went national, and probably every Californian has
30 heard his show and every reasonable Californian has been
31 impressed with his ability to cut through the nonsense and get to
32 the point. Larry Elder is a man that is not afraid to SEE WHAT IS
33 OBVIOUS.

34 Mr. Elder is the frontrunner in this election to get rid of Gavin
35 *Nuisance* — and so you can expect the lefties to be screaming
36 "racist" through their masks — oh, wait, they don't wear masks
37 when ranting about Trump and unvaccinated children in their
38 classrooms. [Did you hear about the teacher videoed chastising her
39 students who were not vaccinated—yeah! She scolded them and
40 shamed them for coming into her classroom unvaccinated
41 exposing her to the grave danger of getting a disease that she was
42 vaccinated against. It was weird because she was ranting about her
43 fear the unvaccinated children in her class room would give her
44 COVID but she was not wearing a mask — maybe she knows what
45 I know and that is the mask is not going to block aerosol
46 suspended virions. But, if she knew that, I would expect she also
47 knows that the vaccines DON'T WORK. Wait, she does know that!
48 Because she has certainly been vaccinated, so if the vaccines work,
49 what is she concerned about? I guess she knows the vaccines don't
50 work. Apparently, the experiment is failing. But it's confusing,
51 liberal communist teacher, because if you believe all the
52 government is telling you about vaccines, you must believe what
53 they are saying about masking, and yet there you stand spewing
54 your spike proteins into the atmosphere without a mask
55 complaining about children coming to class unvaccinated.

56 Communists always maneuver themselves into the hypocrite's
57 corner—they are the mirrored modern Pharisees, always judging
58 others by a standard they don't keep.

59 Didn't Obama look cute in his gray Hawaiian shirt, mingling with
60 his friends, all hugs and open mugs — and laughing right into each
61 others open face — but it's all okay if you are "royalty."

62 Someone says, well, he is not royalty; he only acts like he is
63 royalty—it's virtual royalty. Okay, so we will remember that when
64 we go all *French revolution* on these arrogant hypocrites and we'll
65 only do a virtual execution of the *Aristos* — we will only cast down
66 their prideful smirks off their faces without taking off their heads.
67 We'll just dress them in orange and perp.-walk them into a court.

68 Okay, let's come back to the point. The communists have already
69 started their attack: Larry Elder, they say, is a Black white
70 supremacist — so that's what the Communists call someone who
71 does not believe math is white supremacist—or concepts like law
72 and order, and other traditional American values, like hard work to
73 get ahead — you know, stuff like that. The values these yahoos call
74 white supremacist are universal human values and they have no
75 color. Hard work has no color. Proficiency in math, and language
76 skills has no color. Belief in the importance of law and order has no
77 color, no race, no ethnicity — these are universal human values
78 that arise on the foundation of SEEING WHAT IS OBVIOUS.

79 The natural order of things — it's one of those "doth not even
80 nature itself teach you" — uh oh, forget — Bible Thump Alert — I
81 lifted that right out of the BIBLE, by the way. Find it in I
82 Corinthians 11:14.

83 There are some things that are so OBVIOUS anyone willing to
84 OBSERVE nature can see them — and here are a few things that
85 even NATURE can TEACH you if you are willing to SEE what is
86 obvious:

87 When a governor tells you to wear a mask inside a room and
88 especially in groups, and you catch him gathering with his friends

89 in groups with none of them wearing masks — SEE WHAT IS
90 OBVIOUS.

91 The man is a liar, and like those scribes and Pharisees that offended
92 Jesus so deeply He chastised them in public—for binding heavy
93 burdens and grievous to be borne, laying them on the shoulders of
94 others — BUT THEY THEMSELVES WILL NOT MOVE THEM
95 WITH ONE OF THEIR FINGERS (Matthew 23:4-5). He described
96 them perfectly — everything they do, Jesus said, they do it to be
97 seen of men. So when Fauci sees the cameras, he quickly pulls up
98 his mask. They like titles, and power, and enjoy laying burdens on
99 the people that they don't have to carry.

100 It's easy for guys like Newsome to make rules that destroy your
101 ability to make a living because he is not going to miss a paycheck.
102 No leader should be allowed to lay a burden on others he will not
103 put on his own shoulder.

104 So, see what is obvious! He shuts down your business but cleverly
105 manipulates the rules so his own winery can remain open.

106 They manipulate the laws to burden others, but not themselves.
107 They use their power wickedly — to crush and wipe out the middle
108 class and drive everyone into the arms of their masters to buy up
109 the land, to draw away their customers, to take over the businesses,
110 to drive the restaurateurs out of business in order to crush the
111 smaller farms and gain control of all our food — so guys like Gates
112 can tell you to go eat soy—the Bible says they will command to
113 abstain from meats.

114 We must stop funding the people who are building the cages in
115 which they will imprison us. We need to go local, local, local. We
116 need to fire *Nuisance* and hire Elder and don't stop there.

117 We need to fire nuisance, hire Elder, and DO A FULL FORENSIC
118 AUDIT of our elections in CA.

119 SEE what is OBVIOUS! It's not Republicans merely who want
120 *Nuisance* out — IT'S CALIFORNIANS. The Reagan Californians
121 — we want our STATE BACK.

122 We will settle for a TWO STATE SOLUTION — way to go
123 Preston.

124 But we are done with these modern mirrored Pharisees who
125 govern like little dictators, tyrants who use lies and fear to control
126 us.

127 The fact is Larry Elder is not a white supremacist — he is a man
128 who stands for universal human rights and freedoms — he is a
129 man who can SEE WHAT IS OBVIOUS — and that's what we
130 need in CA right now. Leaders who can SEE WHAT IS OBVIOUS

131 Let's wrap the first segment with this observation.

132 See what is OBVIOUS! It is OBVIOUS to anyone with sense that
133 allowing men who call themselves girls to participate in women's
134 sports is wrong, unfair, and just — well, unnatural. DOTH NOT
135 EVEN NATURE TEACH YOU that a man is not a woman. And
136 no matter how much estrogen you pump into a male, or how many
137 surgeries he undergoes, he continues to be male — you can't
138 overcome nature. Why would you allow anyone to play you for
139 such a fool that you refuse to see what is obvious.

140 It is OBVIOUS that leftist policies destroy cities and ruin
141 neighborhoods. The evidence is directly in front of you. It's there!
142 LOOK AT IT! See it! SEE what is obvious.

143 It is OBVIOUS that your government medical establishment is
144 lying to you about this COVID thing. Look at it! SEE what is
145 obvious. It's right in front of your face. CDC records show the
146 recovery rate for COVID-19 is 99.987% for those who are healthy.
147 It is virtually 100% for children. It's 95+% for those who are
148 considered vulnerable. It is deadly for those with serious co-

149 morbidities, but that would also be true of pneumonia, or flu. This
150 thing is no more deadly than a slightly elevated flu season.

151 You have never seen the government act this way about any other
152 disease. Never! Not for Mers, not for Ebola, not for any flu season.
153 They have never acted this way about any other vaccination.

154 They have never said patently false things like vaccinated
155 immunity is BETTER THAN NATURAL IMMUNITY. Never!
156 This is all nonsense, and it's OBVIOUS nonsense, so quit letting
157 them convince you that the ELEPHANT standing in the middle of
158 the ROOM and trumpeting is not there. See what is obvious.

159 Someone observed that Biden is slipping into or has already
160 slipped into dementia. A Biden sympathizer shot back, so, you are
161 a trained neurologist now. Where did you get your degree? Excuse
162 me? Anyone with the willingness to SEE WHAT IS OBVIOUS will
163 conclude Biden has cognitive problems. It's not about diagnosing
164 him — IT'S ABOUT SEEING WHAT IS OBVIOUS.

165 It's OBVIOUS that Trump helped this country, that his policies
166 and leadership were very effective and that we were all doing better
167 under his leadership than we are with Biden. That's OBVIOUS!
168 Only an idiot cannot see it! See what is OBVIOUS.

169 So, I must conclude this segment — and here is the point! WHY
170 are there so many Americans who CANNOT, OR WILL NOT SEE
171 WHAT IS OBVIOUS? How does that happen?

172 It's a key feature of what the Bible calls the mystery of iniquity that
173 SIN and a love for it BLINDS men to what is OBVIOUS. It blinds
174 them so they can't even see nature clearly anymore. They get so
175 BLIND they can't even see the lessons that nature itself teaches us.

176 They become so stupid, they believe anything their government
177 tells them, because they cannot think for themselves, they cannot
178 SEE what is OBVIOUS, and wait to be TOLD WHAT THEY ARE
179 SEEING.

180 If you have to be told what you are seeing, you are controlled.

181 And quit with the *sheeple* thing! Jesus did not call us sheep because
182 He thinks we are stupid. He calls His disciples SHEEP because in
183 fact they cannot be fooled—they hear the shepherd's voice and
184 follow Him. They WILL NOT HEAR THE VOICE OF THE
185 WOLVES THAT DESIRE TO DEVOUR OUR LIBERTIES, THEY
186 DO NOT FOLLOW BLINDLY — they follow with their EYES
187 WIDE OPEN — and they SEE WHAT IS OBVIOUS.

188 THE FACT IS FRIEND, CHRIST'S SHEEP ARE THE ONES
189 THAT SEE — and they are providing the LIGHT right now that
190 illuminates this darkness allowing those to SEE WHAT IS
191 OBVIOUS who have not sold themselves to Satan, who have not
192 embraced darkness as light, who have not surrendered to the
193 MYSTERY OF INIQUITY — who see that a man is a man and a
194 woman is a woman and can't be tricked into not SEEING WHAT
195 IS OBVIOUS.

196 You can control the people who fear the king into being willing to
197 ignore THE OBVIOUS FACT THAT THE KING HAS NO
198 CLOTHES — but you cannot fool even the CHILD WHO IS
199 WILLING TO SEE WHAT IS OBVIOUS.

200 It is the dilemma of unbelief! Close your eyes to TRUTH through
201 unbelief and you will believe the LIE. You'll make government your
202 god, and you will wait for your god to tell you what you see.

203 May GOD's PEOPLE shine the light so bright the darkness will be
204 scattered and enough Californians, enough Americans, WILL SEE
205 WHAT IS OBVIOUS and refuse to follow these BLIND GUIDES.

206 I'll be right back.

207 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor
208 at the Lighthouse, your brain masseur, and Paul Revere's lantern
209 lighter, lighting the lamps in the church belfry arch, signaling the

210 enemy is on the march, an enemy that would steal from us our
211 liberty.

212 ELECTION FRAUD. Rushbo used to say, "elections have
213 consequences." Stolen elections have colossal consequences. Biden
214 is not the legitimate president of the US — he was installed by the
215 CCP with their willing accomplices in America mostly Democrat
216 but plenty of Republicans too. In a standard election you might get
217 a dud, but at least he will be an American dud. With a stolen
218 election, you get a leader installed by fraud, not by the will of the
219 people.

220 The conspiracy is bigger even than China. We know George Soros
221 has his hands in this, and that Serbia, Italy, Germany was involved
222 — we know the Nazi controlled CIA, our own DOJ along with the
223 FBI are corrupt—we know we have been infiltrated in our military,
224 that our Supreme Court itself has been compromised. We know
225 the intergenerational moneyed families have pooled their resources
226 to buy, bribe, bully and bamboozle their way into power in
227 virtually every major nation and throughout America.

228 They have conspired to take over these countries, including
229 America, their primary target, by controlling the outcomes of
230 elections in these nations using the system employed by the
231 Dominion voting machines, and by purchasing key political offices
232 to provide cover for their operators and the key media outlets to
233 control the narrative by which they hope to keep the PEOPLE
234 distracted while they BUILD THE CAGES IN WHICH THEY
235 INTEND TO KEEP US.

236 The powers behind all of this internationally are called the
237 GLOBAL CABAL — and these people intend to TAKE THE
238 DOMINION/SWORD by force and use it to advance their agenda,
239 which is to establish themselves openly as the gods of humanity.
240 They will decide who lives or dies, and when and by what means.
241 They will decide who eats, who prospers, and who does not. They

242 will decide which businesses will be allowed to succeed and which
243 ones will be destroyed, and when, and how! They will control the
244 resources of the planet, both natural and human.

245 They will reduce the population to a manageable level, and turn the
246 people into robots that serve their masters. They will own nothing,
247 and be happy.

248 The arm of the global cabal in America is called the Deep State.
249 And so, the DEEP STATE and the GLOBAL CABAL — have an
250 agenda to subdue humanity to their will. They will own everything,
251 you will own nothing — and, according to one of the leading voices
252 in the GLOBAL CABAL, Karl Schwab, you will be happy.

253 What does this have to do with Afghanistan? It's easy, really. Soros,
254 one of the high level puppets in the hands of the mystery of
255 iniquity—the forces of the children of disobedience that Satan has
256 marshaled in his service to advance his program of one world
257 dominion — those who actually worship Satan as god of this
258 world, the only people for whom Satan is in fact god of this world,
259 for Satan has never dethroned the CREATOR and he has never and
260 will never succeed to set his throne above the stars of GOD AND
261 BE LIKE THE MOST HIGH — but Soros, and those he works for
262 worship Satan and do his bidding — Soros said: "The main obstacle
263 to a stable and just world order is the United States." He continued,
264 "This is a harsh—indeed, for me, painful—thing to say, but
265 unfortunately I am convinced it is true."¹ Colonel Waldron rightly
266 said the true statement by Soros would be "the main obstacle to his
267 global one world order is the United States."

268 And we know — it's an indisputable and established fact that Soros
269 money was heavily spread around in the effort to set up this
270 election steal, along with Zuckerberg—these liars and cheats and
271 thieves hate America as founded and especially CHRISTIAN

¹ <https://medium.com/@paulaustinmurphy2000/george-soros-on-america-in-his-own-words-603afd1bec21>

272 AMERICA — and they want to destroy her and rebuild her into a
273 MARXIST utopia in which you will own nothing and be happy
274 little kept human servants to the world masters.

275 They hate the idea of freedom of speech, religion, or even
276 movement. They hate competition more than anything else. They
277 want to eliminate competition for the resources of the earth and
278 power! They want to eliminate competition and when America
279 came along with this WE THE PEOPLE THING that really
280 tweaked them on their proboscis and jammed up their plans. The
281 final competitor they want to eliminate is WE THE PEOPLE. To
282 do that, they will destroy the primary support for these ideals—that
283 support is America!

284 So, you see, what happened in Afghanistan did not happen because
285 we have a dunce strutting around playing like he is the President. It
286 happened because his masters, his handlers, directed him to do
287 what he did. It happened as part of the effort to take America
288 down, to get her out of their way.

289 There is NO WAY anyone with half a brain would pull out our
290 military and leave our civilians behind. There is no way any
291 commander of any army would turn the backs of his soldiers on
292 the enemy and run like little girls leaving the women and children
293 behind to fend for themselves.

294 This is NOT WHAT AMERICA DOES. But this is what ANTI-
295 AMERICA does every time they get the chance.

296 When Obama was in office—he facilitated the rise of ISIS —
297 Obama and Biden worked together on that. Now Biden is in office,
298 and ISIS is reviving? This is what you get when you allow these
299 wicked people to steal our elections and install someone who will
300 do their bidding. This is what you get when you allow yourself to
301 be unwilling to SEE WHAT IS OBVIOUS.

302 It is OBVIOUS that Biden did not win the election in 2020. It's
303 obvious on the face of it. It becomes more obvious when you start
304 analyzing the whole thing — you've heard all this before — how
305 does Biden win the oval office when down ticket his party loses
306 virtually everything else? How does bumbling Biden get more votes
307 than Hillary, and even more votes than OBAMA? How does Biden
308 become the president who was voted in with the greatest number
309 of votes in history at a time when Trump won more votes than any
310 other incumbent President in history—second only to — BIDEN?

311 You are not willing to SEE WHAT IS OBVIOUS if you saw the
312 video evidence of multiple copies of ballots, of trucks loaded with
313 ballots making dumps in the middle of the night, if you watched
314 the vote count suddenly, and inexplicably stop while Trump was
315 ahead, and then, after mysterious vote drops, and shenanigans like
316 Fulton county go on right in our faces — and YOU CAN'T SEE
317 WHAT IS OBVIOUS?

318 The only reason people can't see what is OBVIOUS is if they have
319 an OBVIOUS agenda! Our desire to see Trump in office did not
320 create the spectacles I've touched on, and truly, barely scratched
321 the surface. Anyone who can't see THAT THE DEEP STATE
322 OPERATIVES IN MARICOPA HAVE FOUGHT AGAINST THE
323 AUDIT EVERY STEP OF THE WAY FOR ONLY ONE OBVIOUS
324 REASON — it's OBVIOUS!

325 And CHRISTIAN, you keep SHINING THE LIGHT ON THIS
326 STUFF and the OBVIOUS OBFUSCATION by FAUCI and all his
327 cohorts over this nonsense about masks and the vaccine mandates
328 — IT'S OBVIOUS! Never has there been a more colossal failure of
329 any vaccine, and never has our government medical establishment
330 so obviously turned its back on decades of KNOWN SCIENCE —
331 and spout "science, science, science" — and yet NOT ONCE
332 POINT TO A SCIENTIFIC STUDY THAT SUPPORTS WHAT
333 THEY ARE DOING. The only "studies" they have pointed to are

334 concluded with disclaimers that totally repudiate the claims they
335 made from the "study." I'll go over this tonight in our visit — you'll
336 be shocked.

337 Man, I'm looking at my time and I have to wrap this up —

338 Look, two more OBVIOUS things to SEE.

339 Informed Consent Action Network, endorsed and supported by
340 theHighwire.com is a group to support. The Highwire has used
341 FOIA to obtain Fauci emails — and they pressed the court to
342 UNREDACT them and they got one of those unredacted emails.
343 Guess what? In a letter from Deszak (CEO of EcoHealth Alliance—
344 the group used by Fauci and company to funnel funds to continue
345 gain of function research in the Wuhan lab) thanked Fauci for
346 supporting their cover story that the virus did not come from a lab
347 but from nature. The paragraph the redacted, however, clearly
348 reveals that Daszak and Fauci and others were knowingly
349 participating in gain of function research with bat virus in the
350 Wuhan lab. Remember, he flatly denied this when Rand Paul asked
351 him about it — well, NOW WE KNOW WHAT WE ALREADY
352 KNEW WAS OBVIOUS AND THAT IS FAUCI IS A LIAR AND
353 HE HAD HIS HANDS IN THE DEVELOPMENT OF THIS
354 VIRUS.

355 SEE WHAT IS OBVIOUS.

356 Here is a sudden twist in the Jan. 6 insurrection hoax. An epic
357 collapse of another false narrative for the left: They just removed
358 the last supporting pillar of their case that Trump supporters
359 planned an insurrection for Jan. 6. Reuters, NBC, ABC, all of them,
360 they are repeating this as if their masters have sent out the memo—
361 back off the narrative that Trump supporters preplanned the attack
362 on the Capitol. FBI admits it was not a planned attack by
363 insurrectionist militia. Hmmmm — wow! Real story? Don't start
364 digging in to the fact that FBI has infiltrated the leadership of some

365 of the militias and have PURPOSELY ATTEMPTED TO
366 AGITATE THEM INTO AN INSURRECTION.

367 And there is so much more. But, get the essential insight for today's
368 brain massage: SEE WHAT IS OBVIOUS!

369 The TRUTH is MARCHING ON!

370 I have lit the lamps in the Church belfry arch and now you let me
371 know if you see them. It's LIGHTS ON if you see the LIGHTS ARE
372 ON and you will ride like Revere and spread the warning,
373 (essentially, it means you agree with what I'm saying) or you say
374 LIGHTS OFF -- which means you reject what I'm saying and
375 disagree strongly with me. So, what will it be today, lights on, or
376 lights off?
