Original Air Date: 08.28.21

1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain
3 masseur—get ready for your brain massage [TRUTH]
4 — Becky and I are away for some much needed rest — and I'll
5 probably treat you to an encore for the much of this broadcast.
6 However, the terrorist attack on our troops in Afghanistan, the
7 direct consequence of failed leadership, namely, another Biden
8 blunder that this time cost the lives of 13 Marines, Army and Navy
9 Americans, followed by the shameless effort by Biden to blame
10 Trump, with the full support of his crime syndicate inclusive of the
11 Deep State CCP operatives embedded in the US government, and
12 the MSM—Marxist Socialist Media, requires that I offer some
13 much needed clarification.
14 Here come the cries don't politicize this — let's be "forward
15 thinking" — don't get bogged down into the who-did-it-game.
16 First, remember the Rushbo maxim that the aggressor determines
17 the rules of engagement. Remember that the lie is always ahead of
18 the truth because the lie is the attacker, and the attacker always
19 moves first. TRUTH always begins on defense and the
20 counterattack is shaped by the attack.
21 Biden came out and blamed Trump — he made it political — and
22 the attack cannot be ignored. The TRUTH must be brought out
23 against that attack.
24 Also, Biden's lie reveals the plan behind the blunder. That was the
25 point — turn Trump's policies into some sort of disaster that they
26 can use to advance their agenda and blame Trump for the fall out.

27 Obama—Biden did this back in 2011. Withdrew from Iraq in a
28 haphazard, ill advised manner leaving a vacuum that will filled by
29 ISIS-1. Now it's Biden—Obama, back for a reprise. A hasty
30 withdraw from Afghanistan creating a vacuum immediately filled
31 in by the Taliban and ISIS-2, called ISIS-K.

32 It's the same playbook. Even down to the travesty of releasing
33 terrorist by the thousands who formed up into ISIS then, and ISIS-
34 Know.

35 So I get it! It's a shame when the LEFT politicizes everything—the
36 election, and now our withdrawal from Afghanistan — but that's
37 what Biden et al have done and are doing. For reasons I will
38 explore with you later, Biden and Obama promote terrorism —
39 they aid and abet Muslim terrorism and terrorists and turn the
40 sword of justice in America against Christian Patriots by calling
41 them terrorists. It's about dismantling the bands of cords of Christ
42 and the radical Muslims are useful to them for this purpose.

43 The FACT is what Biden has allowed to happen would not have
44 happened if Trump were in office and every American willing to
45 see what is OBVIOUS knows that to be true.

46 Biden is pulling the same thing in Afghanistan that he and Obama
47 pulled in Iraq. They are promoting the creation of ISIS, again, they
48 are building the antichrist army the DS intend to use to rid the
49 Middle East of Christian influence once and for all — they think!
50 And help them remove the ONE OBSTACLE that stands in the
51 way of the completion of Nimrod's TOWER and the ultimate
52 entrance of the man of sin.

53 So, for any who are buying in to Biden's not so clever lie that
54 Trump shares any blame for what Biden has done because, as
55 Biden reminded us: "Trump is the one who made a deal with the
56 Taliban" — listen to what Trump said about this long before
57 Biden's bamboozling —

58 [INSERT TRUMP]

59 Friend, I get it — we need to be focused on correcting this
60 miserable blunder. And listen close and I'll tell you exactly what
61 must be done. But you need to understand like you never have
62 before the IMPORTANCE OF POLITICS. The number ONE thing
63 you should be getting from all you are seeing going on right now is
64 that ELECTIONS matter — and stolen elections have devastating
65 consequences since only wicked people with evil designs would
66 steal an election and a stolen election allows such people to take
67 power from the PEOPLE in order to destroy them. The number
68 one thing you need to be seeing right now is why WE MUST
69 CORRECT 2020 — the BEST SOLUTION to all of this is
70 CORRECT 2020 and put the RIGHT MAN in the office of POTUS
71 NOW!

72 Nothing will more quickly turn all this around than TRUING the
73 ELECTIONS in AMERICA — and it must be done NOW!

74 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor
75 at the Lighthouse, your brain masseur, and Paul Revere's lantern
76 lighter, lighting the lamps in the church belfry arch, signaling the
77 enemy is on the march, an enemy that would steal from us our
78 liberty.

79 So Biden comes out with this "I take full responsibility" and adds,
80 But remember that my predecessor is the one who made a deal
81 with the Taliban."

82 Uh huh. Okay! So carry out that "deal" Mr. Biden. First, Trump's
83 plan was certainly NOT TO WITHDRAW quickly, or suddenly,
84 and it was certainly not to withdraw the military before we
85 evacuated our own or our friends. And then, add this — here was
86 the "deal" "Benedict" Biden — Trump told the Taliban leader that if
87 any American or friend of America was hurt during or after the
88 withdrawal, Trump told that desert devil "I know where you live,

89 and your village will be the first to be bombed." I heard the
90 recording that I don't have time to dig up right now, where Trump
91 told us about this conversation —

92 Well, thankfully we learned something from Benghazi — many of
93 American patriots are not sitting around waiting for Biden to do
94 anything about this mess, other than make it worse.

95 Volunteer soldiers are massing and preparing now to deploy to go
96 RESCUE our PEOPLE. Shame on you Biden! For shame — that
97 you would quote the BIBLE — Isaiah 6:8 who shall go for us?
98 CERTAINLY NOT YOU, you miserable traitor. RESIGN —
99 surrender now to be tried for treason. We the PEOPLE Fire you!
100 Put the real president in office now!

101 But thank God there are some American soldiers ready right now
102 to answer the CALL — WHO WILL GO FOR US!

103 Okay, here is the number one take away from all this. ELECTIONS
104 matter. Stolen elections are especially consequential. The only way
105 we are going to stop this wrecking ball is to get him out of office,
106 now. Kamala will not be the answer — she must GO! The only way
107 to get rid of both of these impostors is to TRUE the VOTE.

108 All of this makes the 2020 election the most important thing to
109 take care of right now.

110 Remember to SEE WHAT IS OBVIOUS!

111 I'll be back in town Saturday and I'll see you in church.

112 INSERT ENCORE

113 I thought it would be good to remember the importance of
114 SEEING WHAT IS OBVIOUS. [INSERT 8441.]

115 I have lit the lamps in the Church belfry arch and now you let me
116 know if you see them. It's LIGHTS ON if you see the LIGHTS ARE
117 ON and you will ride like Revere and spread the warning,
118 (essentially, it means you agree with what I'm saying) or you say

119 LIGHTS OFF -- which means you reject what I'm saying and
120 disagree strongly with me. So, what will it be today, lights on, or
121 lights off?
