

Brain Massage®: Show No. 847 Stand, Wrestle, and Resist / Why is America Saying "NO!" to The Vaccine!

Jerry Scheidbach

Original Air Date: 09.11.21

1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the  
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain  
3 masseur—get ready for your brain massage.

4 Satan, with his hands shoved into his meat-puppet Biden, is trying  
5 to divert your attention away from the Biden-betrayal of America  
6 in Afghanistan by strutting about like some old wobbling, warbling  
7 peacock fanning his feathers and screaming like it's trying to  
8 impress his hens. Biden is a buffoon trying to look and sound  
9 brave! [Peacock scream—If the governors get in the way I'll "use  
10 my power as president to get them out of the way"<sup>1</sup> — Peacock  
11 scream—I'm going to "require" more Americans to get vaccinated  
12 —Peacock scream—the vaccine has FDA approval (That's a LIE)—  
13 Peacock scream—"We've been patient, but our patience is wearing  
14 thin— (It sure is you little dictator) —Peacock scream—Message to  
15 the unvaccinated—"We've made them free, safe, convenient—  
16 (Free? You are a joke. You spend our money like it's not yours you  
17 thief. Safe — CDC hides the numbers of deaths from the jab and  
18 we are supposed to believe the most obvious LIAR ever to hold  
19 office (DON'T YOU REMEMBER SAYING YOU WOULD NOT  
20 MANDATE MASKS OR VACCINES? — YOU LOUSY GOOD  
21 FOR NOTHING LIAR!), Peacock scream—"Your refusal has cost  
22 all of us." What? Delayed your ONE WORLD ORDER — we heard  
23 your Aussie friend tell us what this is about—(We'll see how  
24 tracking looks in the New World Order...) — we know what you  
25 are up to satan! Peacock sceram—"we know masking helps stop the  
26 spread of COVID-19" really, show me the study? The one that can  
27 be replicated not the fake one you put out that has already been

28 proved fake." Peacock scream—"You break the rules, be prepared  
29 to pay..." — Peacock scream—"My first responsibility as president  
30 is to protect the American people..." uh, we just watched how  
31 committed you are to protecting the American people displayed by  
32 your withdrawal from Afghanistan. Peacock scream—this  
33 transcends borders — you've got to be kidding me. You let these  
34 illegal crossers pour over our border without testing, without  
35 proving any vaccination status —

36 And, oh my GOD, this devil is planning to do all this all over again  
37 NEXT MONTH — when "a new pandemic comes again..."

38 But here is the takeaway from this. Traitor-Joe can talk real tough  
39 to Americans and America's Governors but he is timid, careful, soft  
40 spoken when it comes to terrorists. He will wheel and deal with  
41 them, be very careful about triggering them — but when it comes  
42 to dealing with Americans he will Peacock scream— and strut  
43 about — talking like a tough guy.

44 Peacock scream—I'll allow you to be FREE again when my CCP  
45 handlers tell me I can.

46 But we are not going to allow Satan and his meat-puppet divert our  
47 attention from the lesson we received from Traitor-Joe this 20th  
48 Anniversary of 9-11.

49 So, get ready for your Brain Massage.

50 [TRUTH]

51 WE MUST REMEMBER 9-11! — allow me to begin by reminding  
52 my audience that our son, Zachary, served in Afghanistan and was  
53 under fire from the enemy almost every week while deployed—  
54 sometimes the attack ran for a week or more and he came near  
55 enough to death to check the sharpness of Death's scythe more  
56 than once. At Fort Tillman, named for a real hero whose shoelaces  
57 kneeler Kapernick and his ilk are not worthy to unloose. (It's a  
58 biblical expression from Mark 1:7—not an allusion to Chic-Fill-A

59 owner kneeling as some sort of example of, of what? Surrender to  
60 the lies of racism—as if that somehow placates haters and race  
61 baiters—foolishness! The way to rid ourselves of racism is to treat  
62 every man as you find him—to follow Martin Luther King's  
63 dream—judge each man by the content of his character and not by  
64 the color of his skin. It is not to pretend you somehow represent  
65 the White race kneeling in humility to any man no matter what the  
66 so-called race—what is that about? Practicing to keel when the  
67 Afghan terrorists come to take over America and bring it under the  
68 power of Communist China? This kneeling thing — listen, only  
69 one man commands the knee of all men and that man is the MAN  
70 CHRIST JESUS.

71 But we lost our "innocence" on 9-11, what little we had left after the  
72 assassination of JFK! But we lost a sense of invincibility that we  
73 didn't know we had! Filled with righteous indignation, our young  
74 bravely ran into the fray to execute vengeance against those  
75 evildoers and victory for all haters of oppression. Slowly for most,  
76 for others much more quickly, we began to realize there was a  
77 whole lot more trouble right here in "River City" than we, uh,  
78 realized.

79 Now, be forewarned! If you want cutsey you'll need to go elsewhere  
80 today! (Hat tip to Bongino!) I feel like Gideon, trying to find out  
81 who are the warriors and who are the posture-boys! Who will kneel  
82 and who will draw the water to their mouth while keeping a hand  
83 on their sword and a watchful eye for the enemy. We need an  
84 honest assessment of what Biden has done and I'm not going to  
85 mince words — because you need to *mince*, that is, chop up the  
86 meat difficult for little babies to eat — so if you are not mature  
87 enough to handle the TRUTH — turn off the radio or switch to  
88 some other podcast that talks about how to prepare your favorite  
89 soufflé — if you are a wimp, go whine somewhere else!

90 Questions about the 9-11 event have stirred up almost as much  
91 suspicion of an "inside job" as has whirled about the JFK  
92 assassination. How much prior Intelligence did we really have  
93 about the 9-11 attack, and what part did our own CIA and even the  
94 Bush WH have in allowing this "strategic attack"? It launched us  
95 into a 20 year "war" in Afghanistan, and Biden ended it in a way  
96 that left us feeling like a woman must feel after being raped!

97 We thought we were there to support FREEDOM from a terrorist  
98 sponsoring, oppressive regime intent on destroying American (the  
99 "great Satan") and Israel (the "little Satan") only to discover that at  
100 least some in our leadership here in the US, identified as DEEP  
101 STATE today, were manipulating the American people's love for  
102 freedom, their willingness to sacrifice their lives and treasure to  
103 secure freedom for any who desire it, to champion a just cause at  
104 almost any price.

105 What did Biden do? He proved what some of us have feared for a  
106 long time—forces in our own government are so corrupt they will  
107 manipulate the traditional American love for freedom and justice  
108 to use us to further their own private agendas—agendas that  
109 involve the exact opposite of everything we believe in—an agenda  
110 that is all about Mammon, and the darker god behind that devil—  
111 Satan himself, the king of the children of PRIDE, the Oppressor in  
112 Chief, the supreme ruler over the rulers of the darkness of this  
113 world. Charging into battle to fight oppression only to discover our  
114 efforts were in service to the rulers of the darkness of this world has  
115 been a difficult pill to swallow—a red pill! One that jolted many  
116 Americans awake!

117 A betrayal of Americans, a betrayal of America—a surrender to the  
118 terrorists that attacked us then—a payback for "services rendered"?  
119 Biden and his handlers turned our 20 years of sacrifice in  
120 Afghanistan into a joke—a joke on us; a joke on the honorable men  
121 and women who died there in service to the ideal of liberty and

122 justice for all, and the promise of FREEDOM from oppression that  
123 America brought to the world in 1776! That's what Biden made 20  
124 years in Afghanistan mean! That's the *meaning* he gave to the lives  
125 lost in that conflict. Understand, my son fought for freedom, for  
126 liberty, for justice—but this government, the Deep State  
127 government, not the American government, no, the wicked  
128 termites that have burrowed into our government, the anti-  
129 American government, the shadow government of the rulers of the  
130 darkness of this world — the wicked, unreasonable, pretenders and  
131 liars — with the foul stench of hell upon them and everything they  
132 touch — Biden and everything he represents — they mock the  
133 honorable sacrifice made by the gold star families, and the  
134 thousands of soldiers who sacrificed life and limb —

135 Now we know that Biden has not only given the terrorist Taliban  
136 regime 85BN in armaments but the freedom fighters in Afghan  
137 who fled to Uzbekistan holding significant US military gear are  
138 going to be forced to surrender that military gear to the Taliban—  
139 I'm telling you, the devil named Biden, it's a new name for one of  
140 Satan's devils—maybe some of you Satan worshippers will conjure  
141 the devil named Biden in your rituals—he left Americans behind  
142 enemy lines in order to provide cover for his plans to negotiate for  
143 their lives with concessions to terrorists!

144 The devil Biden has purposely set Americans up to be blackmailed  
145 by the Taliban. He gave them hostages they can use to hold us  
146 hostage to their demands. Biden is more evil than Hitler!

147 After 20 years, our efforts in Afghanistan has come down to  
148 turning the country over to the very terrorists we went there to  
149 fight. Biden has made it mean sacrificing hundreds and even  
150 thousands of innocent lives to the blood lust of terrorists —  
151 handing them over to be beheaded, raped, murdered by the very  
152 people we were manipulated into going over to fight because they  
153 destroyed more than 3k lives on 9-11 twenty years ago.

154 At the end, we not only turned the country over to the very people  
155 who attacked us on 9-11 twenty years ago, but we also outfitted  
156 their army. It was Obama-Biden that facilitated the rise of ISIS 1,  
157 now it's BIDEN - OBAMA facilitating the rise of ISIS 2. The SAME  
158 people who facilitated 9-11 have now set the stage for 9-11  
159 revisited.

160 85 BN dollars in armaments — we gave them 45 UH-60 black-  
161 hawk helicopters allowing them to rapid deploy about 500  
162 terrorists with massive fire power protection and another 50 Scout  
163 Attack Choppers — and the corrupt apologists for this corrupt  
164 current regime say, oh, nothing to be concerned about, the Taliban  
165 are too stupid to figure out how to fly them, and where will they get  
166 their spare parts, and stuff.

167 Meanwhile, the US sponsored, propped up, and US assisted CCP  
168 has the money and manufacturing capabilities to reverse engineer  
169 what they need and anyone who tries to tell you the Taliban are too  
170 stupid to figure out how to use the equipment are either idiots in  
171 their own right or have pegged you for one.

172 So, quit with the Taliban are too stupid and backward to make use  
173 of these weapons—they figured out how to fly three jets turned  
174 into flying bombs to attack us twenty years ago! Aye?

175 We turned the terrorists we went there to destroy into a military  
176 powerhouse able to attack the US and US interests again and again  
177 — and we gave them hundreds of hostages they can use to bring us  
178 to our knees in negotiations with them.

179 75,989 vehicles, among them 2k armored vehicles including  
180 Humvees and MRAP's (that's a mine resistant ambush protected  
181 vehicle). Biden equipped them with — and hey, you Generals that  
182 stood by and did nothing to stop this — don't think you are going  
183 to get to hide behind Biden's skirts — you stand ACCUSED!

184 You cannot use the following orders dodge—the blame FALLS  
185 SQUARELY ON YOUR WICKED PERVERTED HEADS.

186 ScanEagle Military drones were turned over to these terrorists, 30  
187 military Cessnas, 4 C-130s, 29 Super Tucano Ground Attack  
188 Aircraft, 600k small arms including M16, M249 SAWs, one of my  
189 son's favorites, M24 Sniper Systems, 50 caliber rifles and machine  
190 guns, grenade launchers, 20 mm Gatling guns and plenty of  
191 ammunition for all of it — and CCP ready to re-supply!!!!

192 Grenades, Howitzers, 162k pieces of encrypted military gear, more  
193 than 16,000 night vision goggles and our newest technology night  
194 vision scopes — thermal scopes, 10k Air to Ground ROCKETS,  
195 and some of the most sophisticated recon equipment available in  
196 the world today—laser aiming units, explosive ordinance like C-4,  
197 Semtex, with Detonators, thermite incendiaries — 2520 BOMBS,  
198 all sorts of plate and body armor — even identity detection  
199 equipment that use BIOMETRICS — I mean, this is the best of the  
200 best in military armaments and we equipped our ENEMIES with  
201 this.

202 I wonder how many of Hunter's paintings the Taliban had to agree  
203 to buy for this deal?

204 And this is not all. Rumors are percolating that there are several  
205 secured warehouses of high-level US equipment left behind for the  
206 Taliban<sup>2</sup> — no one seems to know what is in these warehouses.  
207 Secret stashes, of what? Nuclear arms—that's the concern!

208 It is not yet confirmed but it is believed that the Taliban was given  
209 military drone jamming equipment. So much for the over the  
210 horizon advantage Beelzebub Biden Peacock screams about. I've  
211 gone a bit long — hold on through the break; I'll be right back to  
212 explain what must be DONE about this!

213 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor  
214 at the Lighthouse, your brain masseur, and Paul Revere's lantern  
215 lighter, lighting the lamps in the church belfry arch, signaling the  
216 enemy is on the march, an enemy that would steal from us our  
217 liberty.

218 The last segment was tough, I know—but it's time for soldiers not  
219 sissies. As Bongino has been saying lately, this is not a time for  
220 cutesy. It's a time to "endure hardness as good soldiers of Jesus  
221 Christ." So, what is to be done about Traitor-Joe Beelzebub's Buddy  
222 Biden?

223 Biden and his entire retinue (entourage, personnel, escort,  
224 company, cohorts) must be REMOVED and it must be done  
225 quickly. However, it must be done — (and listen, as an aside here,  
226 watch out for these devils to stage an assassination of this man and  
227 blame it on "WHITE SUPREMACISTS" — and watch out for that  
228 coming up with this protest that is being planned—I don't trust it  
229 at all. I think it's a DEEP STATE operation — I'd stay away! We are  
230 definitely in a TRUST NO ONE mode right now).

231 Beelzebub buddy Biden (means button, maybe, or someone who  
232 lives by the *down* — where cattle graze — hmmm! We should  
233 retire Biden to his *down* — send him out to pasture). Anyway,  
234 Biden is not the legitimate president and his overreach must be  
235 stopped — his time is up — he MUST BE REMOVED FROM  
236 OFFICE and it must be done soon.

237 The imposter in chief must be brought *DOWN* — and it must be  
238 done within the BOUNDS OF AMERICAN VALUES OF JUSTICE  
239 and in conformity to LAW AND ORDER.

240 No vigilantism — no rogue take down or insurrection. This must  
241 be a COUNTER INSURRECTION — this must be done according  
242 to LAW.

243 The 2020 theft of the people's right to choose our leaders MUST BE  
244 RESTORED and the true POTUS must be put into office.

245 The audits must go forward—Larry Elder must be put into office in  
246 CA, the California elections must be fully audited, forensic audits,  
247 the POWER must be returned to the PEOPLE of this state — it  
248 must be taken out of the hands of these unreasonable and wicked  
249 people — enough of this! Rise up and VOTE Newsome OUT and  
250 put Larry Elder into the State House — then get the elections  
251 cleaned up in this STATE and let the PEOPLE of CA finally have  
252 their voice back through the ballot box — !

253 Move forward with audits in PA, WI, MI, and GA, get the routers  
254 from the law defying board in Maricopa, TAKE THEM! Send your  
255 SWAT TEAM out there, arrest those thieves, and take the routers.  
256 Make sure you get the correct ones and that they have not been  
257 monkeyed around with by Dominion or anyone else, and DO IT!

258 Reveal the TRUTH about what happened in 2020, recall those  
259 electors, set this RIGHT!

260 You can't wait any longer!

261 Now we have this pretender president bullying Americans into  
262 taking a vaccine, and the arguments are ludicrous.

263 It's not about personal rights it's about protecting yourself and  
264 your neighbors.

265 You rotten stinking filthy liar! We WATCHED Obama enjoy his  
266 birthday party—He Newsome, we watched you enjoy your party at  
267 the Laundry — hey, Pelosi, we watched you strutting about in your  
268 hair salon without your mask — hey, you phony Fauci — we  
269 watched sit with friends without a mask, then notice the cameras  
270 and quickly pull up your mask — YOU PACK OF LIARS, HOW  
271 DARE YOU PRETEND IT'S NOT ABOUT PERSONAL RIGHTS  
272 BUT ABOUT PROTECTING OURSELVES AND OTHERS.

273 Hey, phony Fauci—you FAKE—I heard you say masks don't keep  
274 out a virus—hey, you liar, I read your email explaining to some in  
275 Obama's admin that masks DON'T WORK to protect from a virus.  
276 Hey, you stinking filthy Liar — who lately LIED to CONGRESS  
277 and if justice prevails will soon be dressed in orange and perp  
278 walked into your PRISON CELL — you arrogant, lying CCP  
279 sycophant that DID facilitate FUNDING for gain of function  
280 research—hey, we know you are a LIAR —

281 Anyone interested in why so many of us are not taking the jab? It's  
282 really very easy. THESE PEOPLE ARE LIARS — I don't trust them,  
283 and you, my friend, are foolish to take ANYTHING HANDED TO  
284 YOU BY THESE FRAUDS.

285 Here comes Gates, with a needle, Gates, who is ON RECORD  
286 calling for DE-POPULATION and joking about bringing the  
287 human population down to zero—yeah, you are right, it was joke.  
288 And everyone in his audience laughed — because he doesn't really  
289 mean down to zero—he means just reduce it you know, play God  
290 and decide how many people should live on the planet. How about  
291 a nice round number like, let's say, 500 mil, that's a nice round  
292 number—ever read what's on the GEORGIA GUIDESTONES — ?  
293 The first inscription is Maintain humanity under 500,000,000 in  
294 perpetual balance with nature. Number six calls for all nations to  
295 surrender their sovereignty to a "world court." The last one calls on  
296 humans occupying this planet to not be a cancer on the earth, to  
297 "leave room for nature — leave room for nature."<sup>3</sup>

298 Anyone "guided" by these "guide stones" would have an agenda to  
299 dramatically reduce the population — many believe these were put  
300 in place as guidance to the human population surviving a massive  
301 near extinction event for humans on the planet.

302 Some think the expression *useless eaters* might have been coined by  
303 Henry Kissinger—but this expression was used in Germany during  
304 the period leading up to Hitler's holocaust. It corresponds to the  
305 Gates' reasoning that goes like this, it's foolish to spend 3 million  
306 dollars on someone to extend their life three months—that money  
307 could be saved by letting them die and then hiring, I think he said,  
308 ten teachers. This is the cold calculation of a technocrat and that's  
309 the guy coming at you with shot.

310 Anyone guided by that sort of rationale is operating under the  
311 influence of the prince of the power of the air, the spirit that now  
312 works in the children of disobedience—life is precious and the  
313 heroics of those doing all in their power to save human life  
314 underscores the value of human life—when you remove this high  
315 value of life it's a slippery slope that will take the entire country  
316 right down to hell—where we will have the NAZI revival, with  
317 death camps, and a dystopian future where people like Gates  
318 decide who lives and who dies—

319 And let me tell you something right now. In exactly the SAME  
320 WAY THESE LYING ARROGANT SELF IMPORTANT SCAGS  
321 TELL YOU TO WEAR A MASK AND SOCIAL DISTANCE BUT  
322 GO ON WITH THEIR OWN LIVES WITHOUT THIS — in the  
323 same way these elitists tell you to keep your children home from  
324 school, or wear masks and then arrange for their own children to  
325 have continued education in a mask free environment for their  
326 own kids, in the same way they shut down your businesses, but  
327 work around exceptions for their own, in the same way they say  
328 masks and social distance then have their birthday parties and push  
329 it into our faces—all smiles without masks and hugs all around,  
330 Obama, in the same way Pelosi passes mask mandated rules for  
331 everyone else and is caught at the Solon, maskless, getting her hair  
332 done, in the same way Fauci lies—

333 Look, when they start deciding who dies and when and under what  
334 criteria — YOU CAN BE SURE OF ONE THING, IT WON'T  
335 APPLY TO THEM.

336 WHEN IT COMES TO THEM, OR THEIR CHILDREN OR  
337 FAMILY — forget it! Whatever is needed to extend their wicked  
338 hell bound life, they will do. They live by the rule, the rules are for  
339 thee and not for me.

340 They will fawn all over you for being an obedient slave—but don't  
341 for one moment think they are going to submit to their own rules.

342 You think these people took their vaccine? Don't kid yourself. They  
343 took the placebo. If they have proven anything at all about what we  
344 should expect from them it is this — THEY ARE LIARS.

345 They are of their father the devil, who is a LIAR and the father of it.

346 Are you tired of being ruled by devils? Then quite electing devils to  
347 rule you.

348 You want to stop these devils from driving this country into hell?  
349 Then obey Christ's command to REPEND and BELIEVE on HIM  
350 to be saved then join us in His army commissioned by CHRIST to  
351 STAND, WRESTLE and RESIST!

352 Christ is the SAVIOUR you are waiting for. Turn to HIM!

353 Come to the LIGHTHOUSE where you can learn how to STAND,  
354 WRESTLE and RESIST!

355 Stand against the WILES of the DEVIL—that try to convince us the  
356 world belongs to Satan and we had best just stand down and let  
357 him have it, that our turn will come later—Satan is a liar! Don't  
358 believe this lie. The Bible says Jesus conquered Satan and "spoiled  
359 his house." The Bible says Jesus arose declaring ALL POWER  
360 (exousia, right to rule) is given unto ME, He said, in HEAVEN  
361 AND IN EARTH. The Bible says JESUS is RIGHT NOW the  
362 PRINCE of the kings of the earth. The Bible says JESUS is the

363 ordaining authority over all POWER in the earth today, that the  
364 wicked under Satan's influence work to TAKE the "kingdom" by  
365 FORCE and VIOLENCE. But we have the kingdom by DIVINE  
366 ENDOWMENT from GOD. We have the keys of the KINGDOM,  
367 the right of stewardship over the dominion and the sword of divine  
368 vengeance—NOT THE WORLD. They have to TAKE it, and can  
369 only succeed when those who RIGHTFULLY possess it yield to  
370 Satan's "wiles" and give him place.

371 We are called to wrestle *against* the principalities, powers, rulers of  
372 the darkness of this world and spiritual wickedness in high places.

373 This is not merely a call to Christians to hide in their prayer closets  
374 from the world—we certainly do engage in serious spiritual warfare  
375 in our closets, but then we are sent to GO INTO THE WORLD as  
376 Christ's AMBASSADORS! We swing the SWORD OF THE  
377 SPIRIT, the WORD OF TRUTH against the LIES of Satan and we  
378 wrestle AGAINST the principalities aligned against Christ, we  
379 grapple with the powers (authorities that usurp the prerogatives of  
380 Christ's rule in the earth), and we push back against any in this  
381 world who advances the agenda of Satan.

382 And we RESIST — the Devil — we resist him when he attempts to  
383 seduce us into sin, and we resist him when he shows up in this  
384 world advancing the cause of Satan to TAKE BY FORCE AND BY  
385 VIOLENCE what belongs to CHRIST JESUS the CONQUERING  
386 KING.

387 I need to conclude—be in church this Sunday to learn more about  
388 STANDING, WRESTLING, and RESISTING. But here is a sample,  
389 a recent example of how this works.

390 Remember we PUSHED BACK on mandates and church closures  
391 and we WON! In CA friend! America is not totally dead—she is  
392 only "mostly dead" — if she was all dead there would be only one  
393 thing you could do—gather up whatever loose change you can find

394 and prepare to meet thy GOD. But mostly dead means there is a  
395 little life remaining — and there is a bit of life left in the old gal. So  
396 we need to use the bellows of TRUTH to fill her lungs with the  
397 BREATH OF GOD from the HOLY SCRIPTURES and listen for  
398 the answer: JESUS CHRIST IS LORD.

399 OKAY, not a great analogy. Here is a better one!

400 Philadelphia — that's where this great country was founded —  
401 Jesus said of Philadelphia that she had a "little strength." Let's go  
402 with that. A little strength! And her "little strength" is in the  
403 CHURCHES — not the new cart crowd, not the mamby-pamby  
404 sissy preachers who can't bring themselves to confront evil with the  
405 truth—not that crowd that think you assist the devil and his  
406 agenda instead of resisting it.

407 Okay, gotta go! Catch me on my facebook livestream tonight — go  
408 to our facebook page, like it, and set notifications and maybe fb will  
409 actually send you the notification—haha. We are working on a  
410 work around the fb censors—resisting the DEVIL baby!
