16 Oh, and AOC is crying, again! This time, though, it's not a fake

18 well, let's just say, get to her; or a staged weeping for migrants in

34 Here is the link to view the AZ audit.<sup>8</sup> As you know, I produce the  
35 Brain Massage on Friday and post Friday evening. It's not likely I'll

44 RELEASED. Maybe, just maybe Fox learned something from their  
45 early call of Arizona last time. (You know the ONLY thing keeping  
46 Fox alive is Tucker, Bongino, Hannity, and Ingraham, Gutfield, and  
47 the Five — truly, otherwise that stunt they pulled on election night  
48 when they called AZ wayyyyyy early — like they got some sort of  
49 "tip" from, who knows, maybe Coomer! Who will be deposed by  
50 Sydney and then we hope dispatched into — maybe we should  
51 send these creeps to the edge of our solar system and throw them  
52 into the ring of fire, super-hot plasma, 90k degrees F, that encircles  
53 the outer limits of our solar system like a GIANTIC LAKE OF  
54 FIRE — maybe Elon will provide the rocket to launch them into  
55 this buffer between our solar system and interstellar space — it  
56 looks like Voyager 2 has got caught at the WALL of FIRE.<sup>15</sup> Wow!  
57 Have we found the LAKE OF FIRE? 90k degrees F — Rev. 21:8. A  
58 little warning: [BIBLE THUMP ALERT, BIBLE THUMP ALERT:  
59 The fearful, and unbelieving, and the abominable, and murderers,  
60 and whoremongers, and sorcerers, and idolaters, and all liars, shall  
61 find their part in the LAKE WHICH BURNETH WITH FIRE  
62 AND BRIMSTONE: which is the second death." Catch that? It  
63 starts with the FEARFUL and concludes with ALL LIARS and look  
64 at what is in between—the abominable (that which is detestable to  
65 GOD, including idolatry, and sodomy—which contrary to nature  
66 and to nature's GOD—and then comes murderers — murdering  
67 infants in the womb, murdering political enemies, murdering  
68 millions by depopulation strategies cooked up by the likes of Gates  
69 and company, or pretender presidents and phony generals who cut  
70 and run from terrorists leaving hundreds of Americans behind  
71 enemy lines to be beheaded, raped, or used as hostages to hold  
72 America hostage—whoremongers—like Hunter Biden, and his  
73 little-girl hair-sniffing pervert for a father, 50 year old men who  
74 take 9 year olds for brides, sex traffickers, Epstein and his 1st Lt.

75 Ghislaine Maxwell, and those who profit by their "merchandise" in  
76 bribery and blackmail to corrupt government officials and military  
77 generals in order to STEAL FROM THE PEOPLE THEIR  
78 LIBERTIES, and then comes sorcerers — all the "elite" Satan  
79 worshippers flashing their Satan horns hand sign, and, well, you  
80 get the idea—the children of disobedience under the control of the  
81 spirit of antichrist — and all idolaters — who have dropped the  
82 knee to Satan and made their deal with the Devil — the deal Jesus  
83 refused, remember, Satan offered all the kingdoms of the world  
84 and the glory of them to Jesus if He would kneel to Satan—well,  
85 these folks signed on for far less than was offered to Jesus—but the  
86 Devil has his man, and his families, where they sleep in beds  
87 surrounded by devils, and drink the blood of innocence — Hey,  
88 Voyager 2 found your future home—maybe! A molten sea of  
89 blazing plasma — the LAKE of FIRE!

90 Anyway— a preliminary draft was "leaked" to the press and they  
91 went ape over it. And they are "calling the Audit," just like they  
92 "called the election." PREMATURELY! (Interesting — because one  
93 of the AZ Auditors talked to Wendy Rogers, AZ Senator  
94 championing the audit and calling for decertification, and  
95 explained to her "the leaked draft is simply a draft and is only a  
96 partial report. Tomorrow's hearing will render findings of great  
97 consequence." To Wendy, he then added, "God is in control."  
98 Wendy then asks for prayer for the audit team as they present their  
99 findings.<sup>16</sup>

100 Being as I am a student of Trump's masterful handling of media in  
101 the past—me-thinks I see the master playing his flute again,  
102 charming the media into another snare.

103 Looks to me like this "draft" was "leaked" to the MSM in order to  
104 relax them long enough to get the full audit revelations "out there,"

105 and draw them in more tightly into the net? In other words,  
106 Trump is getting huge attention drawn to this audit that almost  
107 certainly would not have been ignored otherwise. I think he is  
108 playing them again! He has the entire left LOOKING INTENTLY  
109 AT THE AUDIT.

110 Trump posted today — Statement by Donald J. Trump, 45th  
111 President of the United States of America, "The Fake News is lying  
112 about the Arizona audit report! The leaked report conclusively  
113 shows there were enough fraudulent votes, mystery votes, and fake  
114 votes to change the outcome of the election 4 or 5 times over. The  
115 number includes 23,344 mail-in-ballots, despite the person no  
116 longer living at that address. Phantom voters! The official canvass  
117 does not even match who voted, off by 11,592—more than the  
118 entire Presidential Election margin. Voters who voted in multiple  
119 counties totaled 10,342, and 2,382 ballots came from people who  
120 no longer lived in Maricopa County. There were also 2,592 "more  
121 duplicate ballots than original ballots." Just those fraudulent ballots  
122 alone total 50,252, and is fraud many more times than the so-called  
123 margin of "victory," which was only 10,457. In addition, election  
124 data appears to have been intentionally deleted, and ballot images  
125 were "corrupt or missing." This is not even the whole state of  
126 Arizona, but only Maricopa County. It would only get worse!  
127 There is fraud and cheating in Arizona and it must be criminally  
128 investigated! More is coming out in the hearing today."<sup>17</sup>

129 So, alas, I don't get to report on the revelations coming out of the  
130 audit until tonight during my live stream Comfort & Counsel and  
131 then follow up on Saturday's live stream. I must turn my attention  
132 to other matters.

133 Feds buying drones from — CCP baby! Oh yeah. "Federal law  
134 enforcement agencies are purchasing surveillance drones from a

135 Chinese company the Pentagon has deemed a potential national  
136 security risk."<sup>18</sup>

137 We've seen what a drone can do to innocent families and US  
138 patriots in the hands of communists. Delivering a "hell-fire" missile  
139 on a mission to provide some political cover for Biden—hey, go  
140 find some guy to kill that we can call a "high value ISIS-K target," it  
141 does not matter who it is—just don't tell anyone the name so we  
142 can get away with killing an innocent man for my political cover!  
143 Well, not sure the conversation went exactly like that, but you can  
144 be certain that was what was communicated, and carried out, when  
145 our "professional" generals ordered a hit on a target that ended up  
146 being a family of 7, including a 2 year old, and a technical aid to  
147 US—a total of 10 Afghan civilians killed by butcher Biden and his  
148 band of killers.<sup>19</sup> Here is a general who "takes full responsibility" —  
149 it's funny that none of this sort of nonsense went on under Trump.

150 Okay, need to pause for a moment and try again to get you to buy  
151 the most important book you'll read this year. GOD'S WAR: Why  
152 Christians Should Rule the World — does the title shock you?  
153 Well, first, any Christian who tells you they don't believe in  
154 theocracy simply does not know what they are talking about, or  
155 they subscribe to a faith that is Christianity. Theocracy refers to the  
156 RULE OF GOD—and it will invariably be these same  
157 "CHRISTIANETTES" who will go on and on about Satan being  
158 god of this world and the god behind virtually all government.  
159 Satan has scrambled your brain friend. Haha.

160 CHRIST RULES FROM HEAVEN over all the kingdoms of this  
161 world and no matter how hard the wicked try to break his bands  
162 and cords, and conspire together to fulfill Satan's boast to set his  
163 throne above the stars of GOD and be "like the Most High," you  
164 will fail! He that sitteth in the Heavens will LAUGH and have all

165 these fools in derision. Read Psalm 2. This nation was founded as a  
166 nation UNDER GOD, acknowledging JESUS CHRIST as LORD of  
167 Heaven AND EARTH. Patrick Henry famously said America is a  
168 nation not built upon religion, but upon THE GOSPEL OF JESUS  
169 CHRIST. John Jay, our first Supreme Court Justice said he felt  
170 Christians ought to desire Christians to hold office in this  
171 CHRISTIAN nation — because JESUS IS KING, and the ONLY  
172 KING recognized by the American people in her founding.

173 Now, I don't believe there should be a legal religious test for  
174 holding office. But I do believe Christians are foolish to think it's a  
175 good idea to put the security of our liberties into the hands of  
176 people who refuse to acknowledge that our RIGHTS are  
177 ENDOWED TO US by our CREATOR — what a brain dead thing  
178 it was, and is, to put people in power over us who, according to the  
179 BIBLE are "TAKEN CAPTIVE BY SATAN AT HIS WILL."

180 Anyway, you need to get the book, God's War and learn the truth  
181 about what is going on in the world and what is your part in it.

182 I'll be right back!

183 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor  
184 at the Lighthouse, your brain masseur, and Paul Revere's lantern  
185 lighter, lighting the lamps in the church belfry arch, signaling the  
186 enemy is on the march, an enemy that would steal from us our  
187 liberty.

188 The DEEP STATE bankrupt America plan is faltering—they are  
189 having trouble getting the Congress fully on board with this illegal  
190 bill. It's illegal because they are not following the law, or well-  
191 established protocols for creating and passing a budget. We got  
192 that party in control again under the auspices of idiots who say  
193 things like, we have to pass the bill in order to learn what is in it.

194 Build Back Better is rightly dubbed *Build Back Bureaucracy* — the  
195 Deep State has created a swamp in American bureaucracy making

196 it an alternative government within the government, and this  
197 swamp is *deep and wide* and they desperately need funding.  
198 Happily, Biden's bid to bankrupt America is beginning to blow up.

199 In fact, it looks like the entire DS operation is blowing up. Did you  
200 see the video of Hillary (or a stand in) in full regalia, with a child  
201 holding her train, walking into Queens University in Belfast,  
202 Ireland—the crowd gathered there were screaming at her calling  
203 her a criminal and while our Irish *A chara* (uh-KHAR-uh: means  
204 friends) -crowd never broke into LOCK HER UP, they got close.<sup>20</sup>  
205 Maybe "you criminal" — and "shame on Queens" — and "GO, GO,  
206 GO" as in, get out of here you criminal — amounts to the Irish  
207 equivalent!

208 The ground is moving out from under the feet of these squatters —  
209 these usurping devils who take the kingdom by force, who use  
210 violence to oppress and control opposition, who would undo the  
211 American revolution, and bring us under the Mao revolution—but  
212 the people are WAKING UP!

213 The AZ Audit, I trust, will blow away their cover and expose them  
214 openly to the entire nation and to the world.

215 And the Pandemic scam is blowing up, too.

216 Can anyone explain to me how Teacher's Unions gained control of  
217 the CDC? CDC secretly scuttles plan to end mask mandates and  
218 the COVID scare.<sup>21</sup> CA goes for masking indefinitely. Yeah! Like I  
219 warned you, Nuisance-Newsome is a ranging bear! It's payback!  
220 But his time is coming!

221 I heard somewhere that 1,450,000 students have left public school  
222 enrollment — Yeah!

223 But how does a teacher's union gain control over the CDC?

<sup>21</sup> <https://www.foxnews.com/politics/cdc-quietly-removed-school-guidance-for-eliminating-masks-rolling-back-covid-19-prevention-efforts>

224 If you want a comprehensive one-stop source for understanding  
225 the mask insanity — go here.<sup>22</sup>

226 I'm writing a short read book on the subject — it seems to me the  
227 mask thing is for some reason a major line of defense for the  
228 COVID agenda. I think, and others have said as much, that Fauci is  
229 right that masks are "largely symbolic." I think the meaning he  
230 intended us to take was that it represents the threat of the  
231 pandemic—like the CDC statement a while back that masks serve  
232 to remind everyone that there is a pandemic going on.

233 But I think this was another of the many moments when GOD  
234 squeezed the truth out of these lying hearts. Out of the abundance  
235 of the heart, you know, the mouth speaks.

236 So God in His Sovereign rule over Heaven and EARTH, Who  
237 ponders the hearts of men—occasionally pokes one of these wicked  
238 hearts and out squirts a revelation of what is in it.

239 In some cases, it reveals the Nazi that lurks there, as with that FDA  
240 employee who told an undercover reporter for Veritas that he  
241 believes the government should blow dart the black community to  
242 vaccinate them. The wicked lovers of darkness will show you a  
243 picture of a border patrol officer on a horse trying his best to avoid  
244 killing one of the Haitians trying to illegally cross our border and  
245 talk about it raising the specter of slavery—and ignore an FDA  
246 employee talking about blow darting black Americans to vaccinate  
247 them against their will. It's unreal!

248 Those people, the LEFT, the DEMONCRATS, the MARXIST  
249 MAOISTS sycophants of the CCP — they have always been, and,  
250 apparently, will always be slavers. Only now they intend to enslave  
251 all Americans.

<sup>22</sup> <https://swprs.org/face-masks-evidence/> & <https://wsau.com/2020/07/31/masks-dont-stop-viruses-the-proof/>

252 So, out of Fauci's heart comes the truth about masks — they are  
253 largely symbolic.

254 They are a symbol of fear, and subservience to "the man."

255 Curious how the generation that was all bad on "the man," has now  
256 become "the man."

257 I think ORiley should add a new Killing book to his series: The  
258 Killing of Science — and use Fauci on the cover.<sup>23</sup>

259 COVID corruption continues — Rand calls for Fauci's ouster —  
260 presents his latest indictment and it's SERIOUS.<sup>24</sup>

261 We now know the Wuhan lab released coronaviruses into bat caves  
262 18 months before COVID began—this was done with Fauci funds  
263 through EcoHealth Alliance. (Using "skin penetrating nano-  
264 particles to infect bat populations in China in order to research  
265 how certain coronaviruses could be made to be more infectious to  
266 humans."<sup>25</sup>) What? See what is obvious! These guys were engaged  
267 in creating a bio-weapon on behalf of the CCP to be used on  
268 Western powers, especially targeting America, and but for the  
269 grace of God they would have succeeded. Their virus was exposed  
270 before they could make it truly lethal so they had to inflate the  
271 danger.) But think about this. As Dr. Rand points out, our "tax  
272 money was used to release killer viruses into the wild in Wuhan  
273 China as a 'science experiment.'"

274 Do what you can to help Rand Paul remain in office.

275 Yeah, looks like I've come up on my time—wow, that went fast!

276 So, how about some good news—AZ audit being revealed as I  
277 speak — it's about 2 pm and I'm almost ready to record. No time to

278 check for an update, but I did see that the AZ AG said he intended  
279 to move forward with any needed prosecution arising from the  
280 revelations coming out of the audit report.

281 Texas Secretary of State has announced a full forensic audit on 4

284 PRAY PATRIOTS~! The real report shows that Trump won—oh,

287 wow, 25% of the duplicates came in between Nov. 4 and 9th —

290 Dems are looking for the EXIT! Hope you are ready! They will not  
291 give up — this is the hill they will die on!

292 I talked about being out on in deep water with my dad in his  
293 POWER CAT — 1500 mile range — and the signals that it was  
294 time to set the bow toward our port's beacon — a sudden,  
295 sometimes eerie sea color change, strange sense of change in the  
296 air, white caps breaking all over and the swells acting strangely —  
297 boat shifting sideways, and the trenches deepening —

298 It's happening folks! Set your radar on HEAVENs BEACON — see  
299 you in church.

300 I have lit the lamps in the Church belfry arch and now you let me  
301 know if you see them. It's LIGHTS ON if you see the LIGHTS ARE  
302 ON and you will ride like Revere and spread the warning,  
303 (essentially, it means you agree with what I'm saying) or you say  
304 LIGHTS OFF -- which means you reject what I'm saying and  
305 disagree strongly with me. So, what will it be today, lights on, or  
306 lights off?
