

Brain Massage®: Show No. 850 The Claw: Phony-Fauci & His High Priestess
Hokum-Hochul

Jerry Scheidbach

Original Air Date: 10.02.21

1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain
3 masseur—get ready for your brain massage.

4 Will it be a RED OCTOBER?

5 FDA and HHS require everyone to disclose ingredients on
6 everything you eat or drink but not what they want to inject into
7 your body! Why? —> New evidence that there are suspicious stuffs
8 floating around in the vaccines. And we can't know where they
9 want to manufacture the vaccines! Why? Why were the production
10 facilities redacted from the FDA approval letter for COMIRNATY?

11 The BEST way to approach a religious exemption from vaccination
12 coercion: We will be acting as a church body on this question on
13 October 10, 2021, and providing a letter of conscientious objection
14 against forced vaccinations.

15 Or, you could become an Apostle for unelected NY Governor
16 Kathy Hochul (Hokum, I mean, Hocal—uh, Hochul-Hokum —
17 not familiar with the word *hokum*? Means NONSENSE! Experts
18 say the word hokum is a portmanteau (blending the sounds and
19 meanings of two or more words) so a portmanteau of hocus-pokus
20 and bunkum—HOKUM refers to nonsense, or to "trite and
21 mawkish content in a creative work"¹ according to the Free
22 Dictionary by Farlex. Hehe). Uh huh! Went to church, oh yeah,
23 preached the "gospel of vaccines," more on that.

24 The WAR is on! Parents are standing up for their children and
25 demanding the schools recognize the priority of their rights over
26 the rights of the government, the statist educational establishment

¹ <https://idioms.thefreedictionary.com/hokum>

27 in America. So what do the government educators do? They define
28 these parents as terrorists and call on Biden to use Domestic
29 Terrorism laws to target these concerned parents.²

30 If you continue this irrational submission to medical mandates —
31 which are NOT LAW — you will find all your human rights
32 trampled into the dirt. I told you, resist NOW, while you still have
33 some rights left—if you continue to wait till it all blows over, you
34 are going to get blown over and plowed under.

35 It's a time for choosing —

36 It's time for your brain massage.

37 [TRUTH]

38 COVID death toll nears 700k. And that's after they turned down
39 the cycling on the PCR test and quit counting motorcycle accidents
40 as COVID deaths. You know what I mean—they quit requiring
41 doctors to count anyone who dies *with Covid* as having died *of*
42 COVID. 700k. But they did count the 48k Medicaid and Medicare
43 patients that died within 14 days of receiving their COVID shot —
44 yeah! 48k+ Medicaid and Medicare patients died within 14 days of
45 receiving their COVID vaccination³ but they are NOT counted in
46 the total of vaccination adverse events because the CDC/FDA in
47 complicity with the HHS contrived to manipulate the definition of
48 vaccinated to 14 days after your second dose. So, they were not
49 considered vaccination related deaths because, well, they weren't
50 vaccinated, you see! And the point is, you cannot believe anything
51 these people tell you. But, they are telling us the death toll of
52 COVID is reaching 700k in America. Okay!

53 Anyone else notice that the more people get vaccinated the more
54 people get sick with COVID? Everyone, except the CCP bought
55 and paid for fact checkers and MSM, knows that Israel is the most
56 vaccinated country in the world and is experiencing the highest
57 COVID case and death rate in the world.

58 Didn't Fauci lately admit natural immunity is more robust and
59 enduring than anything his vaccine can provide?⁴

60 Odd. Fauci is a "scientist," right? He did not already know that? Oh,
61 maybe it's another of those situations like masks — you know —
62 where before COVID he advised against using masks to protect
63 yourself, or others, from something so small as a virion (COVID
64 virus particles are 125 nanometers) using something like one of
65 those masks (manufactured by China) that you buy at your local
66 pharmacy, or buy online, because the small virus particles pass
67 through those masks easily—because they are only 85% effective
68 against anything larger than 230 nanometers, and considered only
69 actually useful to block airborne particles that are 300 nanometers
70 or larger — so, you know, if you do the math, you see that the little
71 invisible virus particles are almost three times SMALLER than the
72 holes in your surgical, or medical masks — and let's not even start
73 talking about the homemade cloth masks —

74 So, here is the message folks — Fauci and the CDC and the FDA
75 and all the government establishment doctors KNOW FOR A
76 FACT that the masks DO NOT PROTECT YOU FROM A COVID
77 PARTICLE — they know that every box of masks you buy has a
78 disclaimer that tells you that, yeah! READ IT!

79 But they keep telling you to wear the mask, so, maybe you should
80 ask what is going on here?

⁴ <https://www.publishedreporter.com/2021/09/13/after-study-fauci-admits-natural-immunity-could-yield-stronger-protection-against-covid-19-then-vaccines-for-those-already-infected/>

81 But, back to the point! Oh, wait, that is the point! THEY ARE
82 LIARS! You cannot trust them.

83 If you really are worried to death you are going to get COVID and
84 die, the FIRST thing you need to do to protect yourself and your
85 family is STOP LISTENING TO PHONY FAUCI, or to anyone
86 connected to him.

87 HE LIED ABOUT THE ORIGINS OF THIS VIRUS, HE LIED
88 ABOUT HIS PARTICIPATION IN GAIN OF FUNCTION
89 RESEARCH, HE LIED TO CONGRESS AND TO THE
90 AMERICAN PEOPLE — and you think he is telling you the truth
91 about these vaccines?

92 He lied about HCQ, the CDC and the FDA made policies that were
93 based on what is now called "The Lancet study" that supposedly
94 proved, scientifically, that HCQ was dangerous to use as early
95 treatment for COVID THREE MONTHS AFTER THAT STUDY
96 WAS PROVED TO BE BOGUS, FAKE, FRAUD, PHONY, A
97 SHAM, A HOAX, QUAKERY, HOKUM, A CON, A SCAM —
98 proved, proved, proved — the evidence was so damning Lancet
99 PULLED THE STUDY from their site.

100 Lancet RETRACTED the study, they said, "several concerns were
101 raised with respect to the veracity of the data and analyses
102 conducted by Surgisphere Corporation and its founder and our co-
103 author, Sapan Desai, in our publication."⁵ They were BLOCKED
104 from reviewing the study, so they withdrew. Get this, "The study
105 was allegedly based on data analysis of 96,032 patients hospitalized
106 with COVID-19 between Dec. 20, 2019 and April 14, 2020 from
107 671 hospitals worldwide. THE DATABASE, ACCORDING TO
108 THE GUARDIAN COULD NOT BE VERIFIED. IT WAS FALSE."

⁵ <https://lostworldoutpost.com/the-corruption-of-science-the-hydroxychloroquine-lancet-study-scandal-who-was-behind-it-anthony-faucis-intent-to-block-hcq-on-behalf-of-big-pharma/>

109 The author of the article reporting this "study" in the LANCET
110 said, "I am truly sorry." He admitted, "I did not do enough to
111 ensure that the data source was appropriate for this use. For that,
112 and for all the disruptions—both directly and indirectly—I am
113 truly sorry." [IBID].

114 But CNN used this study to warn everyone against using HCQ —
115 they reported that seriously ill Covid-19 patients who were treated
116 with hydroxychloroquine of chloroquine were MORE LIKELY TO
117 DIE OR DEVELOP DANGEROUS IRRGULAR HEART
118 RHYTHYMS ..." and then referred to this study published in the
119 Lancet.

120 After it was RETRACTED, and Lancet retreated in shame, I mean
121 tail tucked embarrassment and humiliation at being CAUGHT in
122 such an outrageous act of medical FRAUD — did CNN retract
123 their statement, or even report on the exposure of this fraud?
124 Nope!

125 Fauci was visibly upset that HCQ therapeutic got public notice and
126 began right away denouncing it as having "not been studied in
127 relation to the coronavirus. He insisted, there was "no proven
128 drug," to treat COVID except the vaccine — he went on and on
129 about "not enough known" and referred to statements coming
130 from many doctors that HCQ was proving to be an effective
131 treatment against COVID if used early as nonsensical and false.

132 After the Lancet published the Surgisphere study, Fauci smiled
133 when he reported that "studies show" HCQ is ineffective as a
134 treatment for COVID. He was referring to the then recent
135 published study in the Lancet.⁶ Fauci is a LIAR!

⁶ SEE ALSO: <https://www.palmerfoundation.com.au/the-corruption-of-science-the-hydroxychloroquine-lancet-study-scandal-who-was-behind-it-anthony-faucis-intent-to-block-hcq-on-behalf-of-big-pharma/> AND: <https://www.hoover.org/research/lancets-covid-fiasco>

136 He said right out loud in front of GOD and everybody that no
137 studies had been done supporting the efficacy of
138 Hydroxychloroquine against the coronavirus. HE LIED!

139 Chloroquine had been studied as a drug to use against coronavirus
140 infection — and that's why he freaked out when HCQ was
141 mentioned to the public — by our President. The real one! Trump!
142 It freaked Fauci and his fellow conspirators — so they scrambled to
143 repudiate the claim as quickly as possible. But, here is the article,
144 from August 22, 2005 — note, 2005. In a publication called
145 *Virology Journal* — the title: Chloroquine is a potent inhibitor of
146 SARS coronavirus infection and spread. Upon this science, the
147 drug, HCQ was ENDORSED BY THE CDC 15 years ago for
148 treatment of SARS-1 Coronavirus.

149 And yet, the LEFT continue to bow to Fauci, like he is some sort of
150 patron saint of their health. They look at him and kneel! They cry,
151 "The CLAW" — like the three eyed squeeze toy aliens, called the
152 little green men (This is too good! They are GREEN, they have
153 really little minds, and they worship the CLAW — I'm talking
154 about the toys in the Toy Story movie — come on man! —

155 Like those little green men the brain washed know who is in charge
156 here? It's FAUCI — he CHOOSES our REMEDY — follow him
157 and he will take us to a better place — THE CLAW, THE CLAW
158 — hahaha. Woody says, THIS IS LUDICROUS. Right on! Woody!
159 The CLAW MOVES —

160 And then we have Hochul's Hokum — the unelected governor of
161 NY who went to church — but, I've come up to my time. I'll have
162 to pick it up after the break —

163 THE CLAW, THE CLAW — and the FATE AWAITING —

164 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor
165 at the Lighthouse, your brain masseur, and Paul Revere's lantern
166 lighter, lighting the lamps in the church belfry arch, signaling the

167 enemy is on the march, an enemy that would steal from us our
168 liberty.

169 Fauci is a liar! The number one thing you need to do, really, if you
170 are really afraid that you are going to get COVID, and I'm not
171 critical of anyone being concerned about any disease running
172 around, I take loads of C and appropriate amounts of D to let the
173 ZINC do it's thing, and magnesium and some selenium, and a
174 bunch of other supplements—and watch what I eat, except when
175 someone puts Cold Stone ice cream cake in front of me — you
176 know — haha — Thanks Steve!

177 I totally believe in natural immunity. I totally believe in science. I
178 totally DON'T BELIEVE in Fauci, or the CDC, or the FDA — what
179 these people have done to these once worthy of esteem institutions
180 is criminal in itself.

181 Anyway, I left off with an effort to say to those who are Fauci
182 bootlicking brown-noser, government worshipping lackey
183 doormat stooges — awe, Come on man! Take a bit of reproof —
184 you know you deserve it! Bowing to CCP puppets is disgraceful —
185 it's time to stand up to this nonsense. We need to say, THIS IS
186 LUDICROUS! With the exception that there is NOTHING
187 amusing about any of this.

188 Okay — so we left off with the image in our minds of the little
189 green men, the squeezey toys in Toy Story who worshipped THE
190 CLAW — and I was talking about how like the left these little green
191 aliens are — all wearing their masks and lining up for their jabs,
192 how many of these are you going to take before you figure it out
193 that THEIR VACCINE DOES NOT WORK — how long will you
194 go on wearing these stupid masks before you finally have had
195 enough, decide to TAKE A LITTLE TIME AND DO SOME
196 RESEARCH — and how about someone just ask the simple
197 question — WHERE IS THE SCIENCE supporting all this
198 HOKUM.

199 The CLAW — isn't going to save you, it's going to feed you to SID
200 — sadistic SID — the TYRANNICAL CCP is using the CLAW to
201 carry you away into slavery —

202 And so Fauci is the god (that's little g, by the way) of medical
203 quackery — and Hochul is his priest, or priestess — or body with a
204 — what do I do with this? The LANCET is gone, it's gone as a
205 serious medical journal. Trying to be all "woke" and avoid using
206 gender specific terms like male and female, in a recent article,
207 Lancet referred to a woman as a body with a — you know, I can
208 quote this statement as it is found in the Lancet article but I'm
209 really ready to go into protest mode here — so, in order to present
210 this information to you, on my show, I'll need to say, in order to
211 avoid using the simple, respectful, tasteful designations of male and
212 female, or man and woman, the Lancet decided to refer to women
213 as "bodies with —" you know — the lady part that corresponds to
214 the male part involved in making babies —

215 Good night! The *crudification* (is that a word? Well, it is now!) the
216 crudification of our culture just marches on. The distasteful and
217 insulting objectification and reductionism of men and women
218 created in the image and likeness of their CREATOR to
219 subordinating their entire identity to their sex organ is offensive
220 and should outrage all of us.

221 And for the boorish, brute like, who have the moral sensitivity of
222 dogs, and hogs, and snicker at my delicacy, who reduce everything
223 into sexual terms, practically reducing the English language to
224 ONE WORD, and you know the word I mean, sullyng the glory of
225 man and the undefiled marriage bed—the sublime union of the
226 male and female as one — creating a unique bond that transcends
227 all other unions and forming something so fundamental to the
228 sound structure of society as the FAMILY — yeah, I have a thumb
229 but there is more that differentiates man from dogs than the
230 opposable thumb and there is more that differentiates male and

231 female than their respective and today utterly disrespected
232 reproductive organs — but I must congratulate Lancet for this at
233 least — they have rediscovered the simple test we have used
234 traditionally to identify male and female among some animals
235 where it is difficult upon a superficial examination to discern —
236 only now we must add with which were you BORN — because
237 medical science today does to bodies what it does to truth
238 generally, butchers it, and make it conform to some bodies fantasy
239 — reality has been abandoned for fantasy.

240 But I keep rant-swerving and need to power out of this turn back
241 into the straightaway — Fauci is the patron saint of fake medicine
242 and Hochul (pronounced HoCAL, like LOCAL) the fake governor
243 of New York — unelected is not what I mean — fake is what I
244 mean! She is a fake!

245 She went to the Christian Cultural Center in Brooklyn — a
246 Christian based Religious Corporation that has a registered
247 membership of 37k. She called on the congregation to become her
248 apostles to spread the message that the vaccines are from GOD and
249 that it is GOD's will for everyone to get vaxxed. Happily, she did
250 not say she received this in a vision from GOD, she did not cite any
251 Scripture for this revelation — she got it from Fauci! Haha!

252 She is Fauci's evangelist and she is calling on all true believers to
253 become apostles of the government's message — you talk about
254 mixing church and state — the church in CHINA is compelled by
255 the CCP to preach the Communist government message — she
256 said, in this "church" that anyone refusing to get vaccinated is not
257 listening to GOD — it's all, like, to break faith with me is to break
258 faith with — HIM! Hochul said she knows it is GOD's WILL for
259 everyone to take the jab!

260 That's got to be the weirdest thing I've ever seen — and when she
261 wanted to emphasize a point she formed her hand into what

262 looked like a raptor claw — no, really, I kid you not. I'll post the pix
263 on my site. It's weird.

264 She is the CLAW — and her CLAW is coming for you!

265 All right, enough! I've had enough of this nonsense. You must
266 STAND, WRESTLE, and RESIST!

267 The WAR is on! Parents are standing up for their children and
268 demanding the schools recognize the priority of their rights over
269 the rights of the government, the statist educational establishment
270 in America. So what do the government educators do? They define
271 these parents as terrorists and call on Biden to use Domestic
272 Terrorism laws to target these concerned parents.⁷

273 A pastor and a veteran that spoke up for parent's rights before a
274 school board were arrested and spent the night in jail.⁸

275 I kid you not! It's crazy! We have given these wicked perverse
276 people power and now we are regretting it big time. We did not
277 want to bother with school board positions, we said, ah, let the
278 world have the government, we don't care, we said, well, the devil
279 owns the world anyway, so — and we thought voting unbelievers
280 into positions of power over us was no big deal, we have the
281 Constitution — well friend, you are figuring out that the
282 Constitution is nothing but a piece of paper if NO ONE IS
283 WILLING TO DEFEND IT FROM ENEMIES FOREIGN AND
284 DOMESTIC. Why — you think the founders wrote the
285 Constitution and that fixed everything?

286 They knew better. John Jay, our first Supreme Court chief Justice
287 expressed concern that the American people, even in his day, did
288 not seem to understand the importance that Christians choose
289 genuine Christian people to govern them.

⁷ <https://presscorp.org/news/leftist-school-boards-association-begs-biden-to-use-domestic-terrorism-laws-to-target-concerned-parents>

⁸ <https://rumble.com/vn103t-rumble-infowars.html>

290 Our founders understood that if you put people in power who
291 deny the foundation truth supporting our liberties, THAT THEY
292 ARE ENDOWED TO EVERY MANY BY OUR CREATOR and
293 not granted by men — then you will not long keep your liberties.

294 Where the SPIRIT of the LORD is there is liberty — where the
295 spirit of antichrist reigns in hearts, THERE IS TYRANNY.

296 Get my book, GOD'S WAR, Why Christians Should Rule the
297 World — maybe I should have said why GENUINE
298 CHRISTIANITY should be the prevailing paradigm in every
299 government — but, anyway — I decided to express what the
300 founders said so often — Patrick Henry, for example, who declared
301 this nation was built upon the GOSPEL of JESUS CHRIST — not
302 Hochul's hokum about VACCINE MANDATES being DIVINE.
303 God did not ENDOW government with sovereignty over our
304 bodies — but He did endow mankind with CERTAIN
305 INALIENABLE RIGHTS — and while I certainly TRUST GOD
306 absolutely, I certainly do NOT trust these yahoos running
307 government right now—they can't even withdraw from
308 Afghanistan without botching it. I'm supposed to trust them with
309 my health decisions. I have to go, but look into this whole vaccine
310 thing and study it out; I have and I want nothing to do with it.

311 But GOD has made it simple! He has so totally exposed the people
312 pushing this vaccine are a pack of liars—that we know! And that
313 should be all you need to know.

314 I have lit the lamps in the Church belfry arch and now you let me
315 know if you see them. It's LIGHTS ON if you see the LIGHTS ARE
316 ON and you will ride like Revere and spread the warning,
317 (essentially, it means you agree with what I'm saying) or you say
318 LIGHTS OFF -- which means you reject what I'm saying and
319 disagree strongly with me. So, what will it be today, lights on, or
320 lights off?
