

Brain Massage®: Show No. 851 The Prophet's Boil — A Call To Action /  
Governments That Cannot Rule By Trust Rule By FEAR!

Jerry Scheidbach

Original Air Date: 10.09.21

1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the  
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain  
3 masseur—get ready for your brain massage.  
4 Still trust the FDA? Wait till you get a hear of this.<sup>1</sup>  
5 AOC says health care is not an entitlement to be earned, it's a  
6 human right. What is wrong with that statement, I mean besides  
7 everything?  
8 What's going on with religious exemptions from the jabs? (We'll  
9 need to establish a religious exemption from gun confiscation next  
10 — is what we are seeing here with the plandemic an exercise  
11 preparing for gun confiscation? Here is why we should consider  
12 that and what you must do to prepare.)  
13 Here is a nurse that just makes too much sense: Why do the  
14 protected need to be protected from the unprotected by forcing the  
15 unprotected to use the protection that didn't protect the protected  
16 in the first place.<sup>2</sup>  
17 The antichrist Chinese Communist Party — how much reach does  
18 it have into our lives today?  
19 Okay, then this — why the CHURCH truly is the answer right  
20 now, and why pastors MUST WAKE UP to the reality and the  
21 principles of GOD'S WAR before it's too late. And, for my friends  
22 who struggle with severe anger reaction to all this — what's my  
23 "secret"? How can I live in all this without losing my cool?  
24 Friend, it's time for your brain massage!

25 [TRUTH]

26 Still trust the FDA? Wait till you get a hear of this.<sup>3</sup>

27 Governments rule by gaining the people's trust, or by terrorizing  
28 them with fear. The more a government loses the trust of the  
29 people the more that government depends on fear to rule them.  
30 Every government that rules by fear is tyrannical, and invariably  
31 finds it necessary to increasingly oppress the people. America is  
32 under siege of a tyrannical usurpation government where a foreign  
33 power, China (specifically the CCP) is controlling the People's  
34 government through traitors who have sold out to the CCP for  
35 reward—supported by other domestic traitors who ideologically  
36 line up with Marxism, and have a special fondness for Mao, and  
37 agree with Mao's particular hatred for Christianity, shared by Xi  
38 Jinping's wife who vowed to destroy Christians from China and  
39 around the world.

40 The government medical establishment has broken our trust! Fauci  
41 has been the point man in that! He has lied — look, I can't go into  
42 to detail, and I'm actually reminding most of you hearing this  
43 anyway, but consider all the lies we have been told by our  
44 "government" related to this COVID thing.

45 It started with lies about the origin of the virus. We were told it was  
46 a bat virus that "evolved" to become infectious to humans and  
47 came from some hapless Chinese guy who contracted it eating bat  
48 at a wet market in China. Turns out that was a LIE! It originated in  
49 the Wuhan Lab in Wuhan, China, and it was manufactured in that  
50 lab — with the assistance of American funding facilitated by none  
51 other than phony Fauci. (Some "christianettes" cringe when I talk  
52 like that — and they get so angry with me they call me names!  
53 Think about it! But Jesus called Herod "that fox" — an insignificant  
54 and base person — it was an insult, and intentionally dismissive.

55 Jesus was often dismissive of political authorities. When Pilate  
56 warned Jesus he had the power of life and death over Him, Jesus  
57 dismissed the threat saying Pilate had no power over him at all that  
58 he did not get from ABOVE. Paul demanded the political leaders  
59 of Philippi who violated the law in beating him and casting him  
60 into prison to humble themselves to the LAW, and face him  
61 personally release them (Acts 16), and there are other examples of  
62 God's prophets sometimes insulting political leaders, and often  
63 rebuking them to their faces for their sinful behavior—famously  
64 John the Baptist rebuking Herod for taking his brother's wife in  
65 violation of the LAW—and someone says, typically, yeah, and he  
66 lost his head for that one. Well amen! Some of God's greatest  
67 prophets were killed by wicked political leaders — I wonder  
68 sometimes at such people. Is the point, hey, you better not stand up  
69 to these varmints (what Jesus called Herod) because they might kill  
70 you. So, let's let them walk all over us, let's let them trample upon  
71 our inalienable rights — because if we don't they might kill us.

72 God help us, and forgive us. We are pathetic. Where are the MEN,  
73 who once upon a time would say: GIVE ME LIBERTY OR GIVE  
74 ME DEATH? I tell you, if the preachers of the Revolution were like  
75 these mealy mouthed prophets of the caves we have today — WE  
76 WOULD STILL BE LIVING UNDER KING GEORGE AND HIS  
77 HEIRS. Where are the MEN!

78 Who are these preachers of the caves? I'll tell you! In the days of  
79 Elijah, Ahab and his harlot wife Jezebel ruled the land — she  
80 persecuted the prophets of God that refused to compromise and  
81 become numbered among those called the prophets of the groves,  
82 who were fed at Jezebel's table. Oh yeah, the government took care  
83 of them. They had a medical plan, three squares a day, a clothing  
84 allowance to buy their little dresses, and slippers to prance about  
85 the altars of Baal.

86 Well, the cave prophets are those that hid in the caves during this  
87 time—all huddled together, their little knees knocking, their little  
88 hands sweating like a pack of sissies, cringing in the corners of  
89 their caves waiting for Obadiah to bring them lunch and news.  
90 What's Elijah doing today? Some of them complained that Elijah  
91 was making it harder for them. He was just out there stirring the  
92 pot. Others admired him but were too cowardly to join him.

93 Imagine, God's preachers afraid to lose life or limb for liberty.

94 Don't let them hide behind some pretended responsibility to  
95 "protect the flock."

96 You would stand between them and Jesus who commanded them  
97 to hate this life, and deny self and take their CROSS who  
98 specifically said DO NOT FEAR HIM WHO CAN KILL YOUR  
99 BODY BUT CANNOT TOUCH YOUR SOUL — you would  
100 protect them from boldly braving the pretentious Pilates who think  
101 themselves mighty and imagine they have the power of death over  
102 us, when we know that is a LIE, and instead these sorts of "pastors"  
103 would FEED THEM TO THE LION THAT WILL DEVOUR  
104 THEM.

105 These cowards would protect them from obeying the KING Who  
106 commanded us to GO INTO ALL THE WORLD AND PREACH  
107 THE GOSPEL and never commanded anyone to go hide in the  
108 mountains to preserve your life. Who commanded you not to be  
109 OF the world, but expressly prayed you would be left IN IT, and  
110 commanded you to go INTO IT.

111 When crowds gathered to kill Paul, he wanted to walk right into  
112 the middle of them—preachers today are cowards! When J Frank  
113 Norris was fighting the booze industry in Fort Worth was told a  
114 mob gathered in town vowing the lynch him, he said, give me my  
115 Bible, I'll be right back. He went to where they were gathered, stood  
116 up, and preached to them of their wickedness, their sin, their

117 destiny hell, and their duty REPENT — the mob lost its nerve and  
118 went away — but no one who knew Norris will think he would  
119 have pleaded for this life if that crowd moved to take it—he would  
120 not be cow towed, he would not be bullied, or scared into the caves  
121 of Obadiah.

122 But today, preachers back down to the devil at the first blast of a  
123 fiery-trial — they buckle so quickly they are on their knees to the  
124 STATE — transferring LORDSHIP of the CHURCH to the STATE  
125 — ready to turn their backs on the flock of God and feed them to  
126 the lusts of the power greedy politicians that hate Christ. You know  
127 there are so many fake Christians in churches today who sing with  
128 the HEATHEN, LET US BREAK THEIR BANDS ASSUNDER  
129 AND CAST AWAY THEIR CORDS FROM US — right along with  
130 the heathen. Well pastors of those sorts of churches sold out long  
131 ago. These are the prophets of the groves!

132 But God help us—these prophets of the caves are equally at fault.  
133 You've got to RESIST the devil not ASSIST him in tearing down  
134 the church and denying the LIBERTY that prevails wherever the  
135 SPIRIT OF THE LORD appears.

136 Some of these characters don't stop to realize the only thing you  
137 accomplish when you submit to Satan is increasing his power to  
138 HINDER the WORK of the GOSPEL of JESUS CHRIST. You are  
139 not buying time to preach another day; you are giving up your  
140 rights UNDER GOD to preach today and every other day to come.

141 I don't believe in anything called the "underground" church. That's  
142 nonsense. The CHURCH was commissioned TO GO INTO THE  
143 WORLD AND PREACH THE GOSPEL — not HIDE in the  
144 CAVES!

145 Let your LIGHT SHINE — don't hide it!

146 Mercy! Listen friend, Satan is a liar and the father of it. Anyone  
147 leading you with LIES is operating under the influence of Satan—

148 the devouring lion. You stand up to him and let the LION OF THE  
149 TRIBE OF JUDAH ROAR — Let Jesus manifest in your mortal  
150 flesh, say with confidence, we will OBEY GOD RATHER THAN  
151 MAN.

152 I'm getting a bit off my point — but the fact is, that is the POINT.

153 These wicked people are lying to us — and I would no sooner take  
154 a vaccine from a stinking snake that's lying to my face day after day  
155 than I would enter into a contract with Satan himself.

156 Any government trying to use FEAR and not TRUST to govern —  
157 forget it! I'll have no part with this business of hiding in caves from  
158 these Jezebels and Ahabs — these Ahabs that would steal Naboth's  
159 vineyard by killing him off so he can take what they want, these  
160 Jezebels that seduce God's prophets to her table to be fed so they  
161 will compromise and preach the message she wants them to  
162 preach, and these other prophets, whose character is too set in the  
163 truth of God's word to do that, but they will HIDE FROM  
164 JEZEBEL and go underground in the caves — and leave Elijah out  
165 there to stand alone on Carmel —

166 Where are the MEN of the WAR for INDEPENDENCE who said,  
167 "Give me liberty, or give me death." There are such men, but when  
168 they STAND, WRESTLE and RESIST, the ninnies run as far away  
169 from them as they can get, and go find an Obadiah that will make  
170 sure they are fed while HIDING IN THE CAVES — such preachers  
171 are not protecting the flock, they are FEEDING THE FLOCK TO  
172 THE DEVIL HIMSELF.

173 I've swerved off—but I'm telling you friend, the hope for America  
174 right now is in the Lord's CHURCHES where the SPIRIT of the  
175 LORD is there is LIBERTY, the churches have the keys of the  
176 kingdom, and if Jesus does not help us we will be destroyed. And  
177 he won't help disciples that love this life so much they will forsake

178 Him to keep it. They have become worthless, savorless salt and  
179 hidden light — of no value to the KINGDOM.

180 Hold on through this short break; I'll be right back!

181 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor  
182 at the Lighthouse, your brain masseur, and Paul Revere's lantern  
183 lighter, lighting the lamps in the church belfry arch, signaling the  
184 enemy is on the march, an enemy that would steal from us our  
185 liberty.

186 I've talked to you before about what I call the prophet's boil!  
187 Sometimes, the Holy Ghost just stirs so deep and so strong it  
188 cannot be resisted and it just boiled over in the last segment. I'll  
189 chat with you about AOC's silly statement that health care is a right  
190 tonight during our live-stream visit. And the last segment actually  
191 went into some of the things I wanted to say about why pastors  
192 MUST WAKE UP to the reality and the principles of GOD'S WAR  
193 before it's too late. So, let me offer some insight into the issue of  
194 obtaining a religious exemption from the mandated vaccines, then  
195 I'll offer some insights for my friends who struggle with severe  
196 anger reaction to all this — what's my "secret"? How can I live in all  
197 this without losing my cool?

198 So, what's going on with religious exemptions from the jabs? I'm  
199 getting a lot of questions about this. This Sunday night service,  
200 begins at 5 pm, I'll be addressing this question to the congregation  
201 and with a quorum present, and the church will be called to act in  
202 its authority to decide from Scripture what will be our doctrinal  
203 position on this matter. Actually, there will be no new doctrine,  
204 only a clarification of what our biblical doctrines say to this  
205 question. When the church votes on what our position is, and that  
206 might occur Sunday evening, it might occur on a follow-up service,  
207 but when it is done, this document will be made available to all  
208 members and any others who want to stand with us in this.

209 The bottom line is that we will not violate our religious convictions  
210 in the matter of this state mandated vaccine.

211 Truly, they have built this golden image of the STATE and said we  
212 must bow or they will destroy us in their fiery trial.

213 But we will not bow to the dictatorship of the state — we bow only  
214 to CHRIST the KING!

215 Having said that, here I'll only say the STATE has a prior mandate  
216 from GOD to protect our GOD GIVEN, our CREATOR  
217 ENDOWED LIBERTIES. If a mandate to take a vaccine involves an  
218 infringement of my GOD ENDOWED RIGHTS as a human being  
219 created in His image and likeness, then the PRIOR MANDATE  
220 trumps any lesser mandate. (No puns please!)

221 Second, frankly, the State has not made a case for compelling  
222 citizens to take any vaccine for this coronavirus. The "state" has lied  
223 to us about the origins of the virus, and the nature of it. They have  
224 said it evolved in nature and infected someone at a wet market in  
225 China. It has been shown this is a lie, and further more, that Fauci  
226 and company knew it was a lie. The thing broke out in a lab in  
227 Wuhan where the Bat Lady was conducting research that every  
228 reasonable person knows was a CCP supervised effort to  
229 weaponize a virus—to create a biological weapon! That does not  
230 gender trust in our government doctors or medical scientists—

231 The state has lied to us available therapeutics to treat COVID  
232 patients. This might be the most egregious and devilish lie of all,  
233 and ironically, the one most completely exposed and yet ignored.  
234 Back in about 2013, Hydroxy-ChloroQuine (HCQ), and  
235 chloroquine were tested as treatments for sars virus infections, or  
236 coronavirus, and found to be effective.

237 This is something Fauci et al should know about, and in fact, Fauci  
238 is on record as having recognized the efficacy of these treatments  
239 for virus infections if administered early.

240 However, when HCQ treatment became generally known, Fauci set  
241 out to question it using the argument that it is something that had  
242 not been tested for COVID—obviously ignoring the many doctors  
243 who were using it with very satisfying results.

244 The public awareness of this treatment option was spreading and a  
245 Fauci fellow (conspirator) Daszak, president or CEO of EcoHealth  
246 Alliance, a non prof organization through which Fauci funneled  
247 funding to the Wuhan Lab, participated in putting together a  
248 FAKE study showing HCQ (Hydroxy-ChloroQuine) was  
249 ineffective in the treatment of COVID and even dangerous.

250 The study was alluded to by Fauci when he publicly insinuated that  
251 HCQ is a quack treatment, and that the public should not use it —  
252 this study was also used by our government to justify prohibiting  
253 its use by doctors to treat COVID — and even after it was  
254 discovered that the study they were depending on the support  
255 these bizarre measures — I mean, the government intruding into  
256 the health decisions made between a DOCTOR and HIS PATIENT  
257 — you know — a la abortion — when it was KNOWN that this  
258 study was false, and unsupportable, and so pulled down from the  
259 LANCET site with a statement that the study was unverifiable,  
260 NEVERTHELESS, up to three months later, CDC and FDA and  
261 other govt. health agencies and hospitals etc. were using this study  
262 to support their policy to forbid use of this as a treatment. Evidence  
263 continues to pile up showing it IS effective, along with other  
264 treatments, like Ivermectin, and more recently monoclonal  
265 antibody therapy — all are effective treatments for COVID, the  
266 first two for early diagnosis before the onset of symptoms or at the  
267 beginning of symptoms, and the later for cases where there is a  
268 high risk of serious health consequences from infection.

269 The number of people that have died BECAUSE of this LIE by our  
270 government, and the ensuing cover up that has gone on, is difficult  
271 to ascertain; but it is certainly in the hundreds of thousands. Some

272 doctors, virologists, and epidemiologists, who have USED this  
273 treatment, have estimated as many as 80% of the total deaths could  
274 have been saved. That means 560k lives could have been saved if  
275 our medical establishment was HONEST!

276 Our FDA has utterly failed us. They participated in a scheme to lie  
277 to the American people about FDA approval of the Pfizer shot. It's  
278 a lie. I've read the letters sent from FDA to Pfizer regarding FDA  
279 approval and the FACT is the so-called BioNTech Pfizer vaccine  
280 continues under emergency use authorization and the shot the  
281 FDA mentions as approved in these letters, called COMIRNATY,  
282 must satisfy some serious tests before it can be released. And if you  
283 read these letters, it is OBVIOUS, they were written in such a way  
284 to confuse anyone reading them who does not give careful  
285 attention to the language of these letters. I have them! You can get  
286 them. Furthermore, why did they redact where the COMIRNATY  
287 will be manufactured, and when? LIES, LIES, LIES, and  
288 obfuscation — we don't TRUST them.

289 The whole mask mandate thing—no science has been cited to  
290 prove masks are effective as public policy to stop the spread of any  
291 disease, especially one carried by virions so small they penetrate  
292 any mask except those rated at 100 nanometers. That's the N95, the  
293 one mask CDC and Fauci consistently tell us NOT TO USE. The  
294 Covid virus is 125 nanometers. The mask you are wearing is hardly  
295 effective for anything smaller than 300 nanometers. Don't let them  
296 mess with your head about droplets. These are moisture droplets  
297 that carry the virion—they are usually larger than the virion they  
298 carry. The droplets evaporate close to immediately after release  
299 into the atmosphere, and if your mask happens to stop a droplet,  
300 again, it evaporates so quickly that when you inhale, if there is any  
301 virus particle on your mask, it will be driven down deeply into your  
302 lungs—you would be much better off NOT to catch the stinking  
303 droplet on your mask than to let it evaporate in the open air. And

304 if you have COVID, and you exhale the virion and it does trap in  
305 your mask — hold your breath, take off the mask, throw it away,  
306 put a clean one on, then breath.

307 Everyone will tell you the masks are not made for protecting  
308 anyone from a virus the size of a flue virion—like COVID. Even  
309 the box in which the mask is shipped says so, on the labeling. This  
310 is nuts! Someone has to stand up to this and stop this insanity.

311 So, the state has not made their case that the vaccine is even  
312 effective in protecting anyone from this disease. Like the nurse  
313 said, in appropriate and totally understandable frustration, and  
314 exasperation:

315 Why do the protected need to be protected from the unprotected  
316 by forcing the unprotected to use the protection that didn't protect  
317 the protected in the first place.<sup>4</sup>

318 Well, I apologize to those anticipating my commentary on the  
319 reach of the CCP into our lives today, and my secret for keeping  
320 my spirits up while wading neck deep in all the negative news that  
321 is flooding us right now — so I'll touch on this tonight during my  
322 live stream visit. We are continuing work on providing an  
323 alternative to FB for my live stream and we'll keep you posted, but  
324 right now you don't have to have a FB account. Just search  
325 facebook.com, then search for Lighthouse Baptist Church, Santa  
326 Maria, CA, or use my last name, when you find our page, like it,  
327 and set notifications to be notified. But, FB tends to restrict the  
328 number of notifications that are sent, so if you'll get on my email  
329 list, I'll send you a notification about ten minutes before I go live.

330 I have lit the lamps in the Church belfry arch and now you let me  
331 know if you see them. It's LIGHTS ON if you see the LIGHTS ARE  
332 ON and you will ride like Revere and spread the warning,  
333 (essentially, it means you agree with what I'm saying) or you say
