

Brain Massage®: Show No. 852 The Plan! / The Irregular War / And How
Does the Brain Masseur Keep His Cool?

Jerry Scheidbach

Original Air Date: 10.16.21

1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain
3 masseur—get ready for your brain massage.
4 FEATURE SEGMENTS: The coming war with a Sino-Slavic-
5 Persian Triad — that's China/Russia/Iran — masquerading as an
6 American Civil War.
7 And how does the Brain Masseur keep his cool in the midst of this
8 fiery trial of our faith?
9 And a battlefield assessment update: THE PLAN!
10 It's time for your BRAIN MASSAGE!
11 [TRUTH]
12 Let's do a quick overview of battlefield movements.
13 Election Fraud.
14 If you live in the MSM bubble — I mean, if you are insulated from
15 the TRUTH and listen to Satan 24/7 spew his lies into your ears,
16 you probably don't know that the devil is fleeing in direct
17 proportion to the saints resisting. Increase the RESISTANCE, and
18 you speed up the DELIVERANCE.
19 It's STAND, WRESTLE, and RESIST — first, you must stop
20 retreating and take a STAND. To do this, you must reject the LIES
21 and stand firm upon the TRUTH. Second, you must ENGAGE the
22 ENEMY and WRESTLE AGAINST THE PRINCIPALITIES AND
23 POWERS — and quit yielding further territory to the enemy by
24 acquiescing to the demands that you make a choice between health
25 and safety, and liberty. It's a false choice — if you give up liberty for
26 what they are offering as safety, you have been deceived and you'll

27 end up with NEITHER SAFETY or LIBERTY. And all this is done
28 by SUBMITTING to GOD and RESISTING the Devil — and this
29 means you must quit assisting him by going along with his plan.

30 And this PLAN has been long in the making. What plan? The plan
31 to use a pandemic, and a prepared treatment for the pandemic to
32 depopulate the earth of the "useless eaters." The following in
33 excerpted from a book titled: A Brief History of the Future.

34 Jacques Attali, advisor to Francois Mitterand, former president of
35 France, wrote this in 1981.¹ I'll offer an edited portion of this
36 statement for the purpose of time restraints, but you can get the
37 rest from my link in these notes. Hold on to your white hat:

38 "In the future it will be a question of finding a way to reduce the
39 population. We will start with the old man, because once he is over
40 60-65 years old, man lives longer than he produces and it costs
41 society dearly.

42 "Then the weak and then the useless who do not contribute
43 anything to society because there will be more and more, and
44 especially finally the stupid.

45 ...

46 **"Of course, we will not be able to execute people or organize camps. We
47 will get rid of them by making them believe that it is for their own good.**

48 ...

49 "We will find something or cause it; a pandemic that targets certain
50 people, a real economic crisis or not, a virus that will affect the old
51 or the elderly, it does not matter, the weak and the fearful will
52 succumb.

53 **"The stupid will believe it and ask to be treated. We will have taken care of
54 having planned the treatment, a treatment that will be the solution.**

55 "The selection of idiots will therefore be done by itself: they will go
56 to the slaughterhouse alone." [IBID]

57 Hmmm. I heard one of the bright and shining glittering jewels of
58 ignorance on the View say she does not want to understand the
59 mindset of the Trump supporters, she does not want to understand
60 the mindset of the anti-vaxers, because she does not want to
61 understand the mindset of crazy."

62 Is it crazy to be suspicious of an over the top panic push to
63 vaccinate people with a vaccine that is daily proving to be more
64 dangerous than the virus it is supposed to protect against? That's
65 right. Dr. McCullough, whose credentials are unassailable, tells us
66 the data now show the cost risk analysis is on the side of taking
67 your chances with the COVID.

68 Is it crazy to ask what's going on when the once respected
69 institutions of our country that lie to us repeatedly about this
70 pandemic—about a virus from which there is a recorded 99.99%+
71 recovery rate for everyone under 70 and a 94%-97% chance of
72 recover for all over 70 — check the DATA.

73 Is it unreasonable to question what's going on with this vaccine
74 when they lied to us about the origin of the virus, lied to us about
75 the number of deaths from the virus (remember, Birx said they
76 would change the rules for reporting COVID deaths to include
77 everyone who died WITH COVID whether or not they died OF
78 COVID) — which is compounded by the recovery rate that has
79 been firmly established by the DATA—in other words, no doubt
80 thousands were counted as DIED WITH COVID who would very
81 likely have recovered from COVID. They lied to us about the
82 number of cases by manipulating the way the cycle threshold of the
83 test, they lied to us about the efficacy of masks and social
84 distancing! Remember, Fauci declared masks ineffective to protect
85 against something so small as a virus particle BEFORE he started
86 touting the CHINESE CCP order for all Americans to wear one.

87 And probably the most horrible lie of all, they lied about the
88 efficacy of HCQ, and now they are lying about the efficacy of
89 IVERMECTIN and other remedies real doctors have found
90 effectively treat this disease — with something like an 80%
91 effectiveness — where in order to tell their LIE about HCQ they,
92 and by THEY I mean Fauci, Deszak, with the complicity of the
93 CDC and FDA prepared a FAKE study that was published in a
94 once respected medical journal called the LANCET — which was
95 EXPOSED as FRAUD with evidence so powerful LANCET was
96 forced to retract the study from their site, and write an have the
97 contributing author write an APOLOGY — poor guy, scapegoated
98 — and yet, three months AFTER THE EXPOSURE of this fake
99 study, the medical establishment representing the interests of the
100 usurper government and their agenda, actually referenced this
101 debunked study in their recommendations against prescribing
102 HCQ, and it was used to justify pulling HCQ off the shelves. Who
103 are the dupes? Certainly it is not those paying attention to the
104 DATA, and to the true SCIENCE.

105 And add to all of this — this thing was planned long ago.

106 So who are the "stupid" that Mitterand's advisor long ago said were
107 being targeted for extermination? Who are the ones targeted for
108 extinction via pandemic? Well, according to this advisor to
109 Mitterand back in 2006, citing what he predicted as early as 1981, it
110 will be the stupid people that go along with this. Let's let this
111 advisor to Mitterand put it in his own words: "The stupid will believe
112 it and ask to be treated. We will have taken care of having planned the
113 treatment, a treatment that will be the solution." What "solution," is he
114 talking about? The solution to what he perceives is the need to get
115 rid of the stupid people, and the weak, starting with the elderly.

116 You wondered why Newsome (CA), Cuomo (NY), Whitmer (MI),
117 Wolf (PA), and Murphy (NJ) — ordered the elderly to their
118 DEATHS forcing Nursing homes to receive elderly COVID

119 patients when they told these monsters they were unequipped to
120 handle their care without exposing the rest of the patients.

121 These governors are murderers: Newsome, CA, Cuomo, NY,
122 Whitmer, (MI), Wolf (PA), and Murphy, (NJ). They have the
123 blood of thousands of grandmas and grandpas on their wicked
124 hands. Why would they do this when they were told about the
125 danger — IT'S THE PLAN, MAN! Remember, "we will start with
126 the elderly."

127 You have wondered, I mean, if you are not among the stupid that
128 are next on the list of groups to be exterminated, you have
129 wondered why the focus is not on treating and helping the elderly?
130 Why are they so focused on vaccinating the children, whose
131 recover rate is so near 100% it is statistically 100% — when it's care
132 for the elderly that should be the priority? It's BECAUSE THAT'S
133 THE PLAN, MAN!

134 But it does not stop there. Next comes the weak, and then the
135 STUPID! Who are the stupid? those what will believe the lie that
136 it's for their own good. Like the girls on The View, like roughly 50-
137 60% of Americans in this country today!

138 My hope is that this is a trial run to test the waters for acceptance
139 of their PLAN and this vaccine is not so dangerous as the one they
140 are cooking up in the Wuhan Lab RIGHT NOW! Yep! They are
141 cooking one up that they hope will have an 80% kill rate.

142 So let's pray and work, let's STAND, WRESTLE and RESIST —
143 let's let our voice be heard, loud and clear — NO VAX
144 MANDATES, and NO MORE KEEPING THE TRUTH FROM
145 THE AMERICAN PEOPLE. They must be given the facts to make
146 a free and fully informed decision whether they will consent to
147 participate in this monstrous "EXPERIMENT" — and experiment
148 that Dr. McCollough, a trained epidemiologist, and etc. etc. who
149 has worked on something like, I think he said 24 programs where a

150 medical treatment was being tested for release to the general
151 public, has said WHAT'S GOING ON WITH THIS VACCINE IS
152 UNCONSONABLE. And he said when you have five deaths that
153 cannot be explained, you get worried and start looking closer,
154 when you get 50 you STOP the program. They have had 16000
155 deaths related to the vaccine. The non-professionals in this field
156 who supposedly looked at the death certs of those possibly dying
157 by the vaccine and said none were related to the vaccine are called
158 out by Dr. McCullough as liars — since he has done that work
159 personally, he knows for a fact that it would be impossible for those
160 hacks to have actually examined each of those cases in the time
161 they say they did. And he noted that those guys are not qualified to
162 even do that work—it was not the usual panel of doctors who
163 would do this — ANOTHER LIE!

164 So it's the stupid who believe these liars even after they have been
165 caught in lie, after lie, after lie, that are especially targeted. That's
166 right. Mitterand's advisor, back in 1981 expressly said "especially
167 the stupid."

168 Okay, I've come up on my time, no surprise. Folks, sometimes I
169 just get going and run off from my planned presentation — so,
170 forgive me. But, what we have now going for us is that tonight,
171 somewhere between 8-9 pm, I'll be live streaming and we can chat
172 about some of the stuff I don't get to in the Brain Massage. For the
173 present, we continue to use FB platform but expect that might go
174 down any time now, or I'll get banished. So we have a backup plan.

175 I have been experimenting with an application that allows me to
176 live stream from our website at brainmassage.net. In order to be
177 notified when I go on, you will need to go to godswar2020.com and
178 use the contact us feature to tell me you want to be included on the
179 list who gets notified when we go on. For those sending in your
180 registration, FREE, by the way, we will not begin sending
181 notifications until we are forced to switch to the website live

182 stream. It's frankly, not as clean, or easy to use, but it DOES
183 WORK. So, go to godswar2020.com and register your email
184 address to be notified when we do make the switch.

185 Presently, you need to search facebook.com then search for
186 LIGHTHOUSE BAPTIST CHURCH Santa Maria, CA — LIKE the
187 page, and set notifications to be notified when I go live.

188 FB is, I believe, squelching my notifications — in fact, we know
189 they are doing that because people are telling me they are not
190 getting notified. So you should check in between 8-9 on Tuesday,
191 Thursday, Friday, and Saturday evenings to catch me.

192 I might start using the email notifications to let you know when I
193 go live on FB — Please register your email address so we can stay
194 in touch.

195 Hold on through the break, I'll be right back.

196 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor
197 at the Lighthouse, your brain masseur, and Paul Revere's lantern
198 lighter, lighting the lamps in the church belfry arch, signaling the
199 enemy is on the march, an enemy that would steal from us our
200 liberty.

201 The coming war with a Sino-Slavic-Persian Triad — that's
202 China/Russia/Iran — masquerading as an American Civil War. I'll
203 elaborate tonight during the live stream visit, called Comfort &
204 Counsel For the Present Distress. I promised a listener I'd discuss
205 how to keep your cool during these turbulent times and how to
206 carry all the negative news we have to deal with.

207 Geo-Political events run in a cycle—that all turns around
208 Jerusalem at the hub. Because of America's deeply entrenched
209 relationship with Israel, this also includes America at the hub of
210 world events. Here is the cycle.

211 Dramatic events occur in Iraq that push history toward fulfillment
212 of Daniel's prophecy regarding the Lion, with the wings of the
213 eagle, the eagle's wings being plucked, and Iraq becoming a
214 civilized nation taking her place among the humane nations of the
215 world. We saw that during the Iraq wars and subsequent
216 developments, but it fell short of being a completion of that
217 prophecy. This is typical. Events push us toward the fulfillment of a
218 certain prophecy, then it settles down, and time passes before the
219 next movement carrying us forward toward the end time scenario
220 prophesied in Scripture.

221 Then there follows dramatic activity in Iran & Russia, represented
222 by the bear in Daniel's prophecy — this bear has three ribs in its
223 mouth which call on the bear to RISE UP AND DEVOUR MUCH
224 FLESH. I think the three ribs represent three powers and that they
225 are Iran, Russia, and China — the Sino-Slavic-Persia triangle that
226 we have watched move toward one another, move apart, and move
227 toward a pact between them repeatedly for many decades. We are
228 watching a time when these three are moving very close together,
229 and their HATRED is aimed specifically at Israel and America.

230 I do not think this will go forward into complete fulfillment at this
231 time—but it will come closer than ever before. The reasons have to
232 do with a proper interpretation of Daniel's prophecies, which I
233 don't have time to go into right now. Get my book, THE VISIONS
234 OF DANIEL. However, this does not mean great upheavals cannot
235 come of the coming SINO-SLAVIC-PERSIAN war against
236 AMERICA-ISRAEL.

237 I'll give more details tonight, but for now — understand that this
238 war is irregular — it's not the sort of war we are accustomed to. It's
239 going on right here on our soil, right now. The CCP is the point of
240 the spear of this triangle of powers—Russia, as per usual, sort of
241 hides just below the radar, but they are in the background pushing
242 this forward, as is Iran.

243 CCP has planted many thousands of operatives in this country who
244 are doing its bidding, Milley being one of the latest to be exposed,
245 and, of course, we know BIDEN is Beijing's puppet. There are
246 thousands of Democrats and many hundreds of Republicans that
247 are bought and paid for by CCP, who conspired together with
248 Beijing to steal our elections through DOMINION. Ironically, they
249 used the name DOMINION for the program they are using to
250 TAKE THE DOMINION BY FORCE — to rob the American
251 people of their power to exercise their right of CONSENT OF THE
252 GOVERNED.

253 I believe the plan is to provoke patriots to attack the usurper
254 government in order to ignite a civil war they — THE CCP
255 OPERATOR PLANTS in our government — can use as a pretext to
256 launch a military and police attacks on the civilians in this country
257 who oppose their tyrannical take over. Don't fall for it. We must
258 fight this battle within LAW AND ORDER — I'll explain tonight.

259 Now, to keep my promise! Actually, I get asked often how I keep
260 my cool when dealing with so much negativity? Some have even
261 told me they cannot listen to my broadcasts because they get so
262 angry they can't deal with it. They don't want to walk around all
263 angry and upset — so how do you deal with this?

264 Essentially, I follow God's very good example. You see, the Bible
265 says God is angry with the wicked EVERY DAY (Psalm 7:11). And
266 yet, at the same time, when He sees the wicked clamoring against
267 Him and His Son, the kings of the earth setting themselves against
268 Him, and the rulers conspiring together against the LORD and His
269 ANOINTED (Which is a direct reference to CHRIST), clamoring
270 about breaking the bands and cords of CHRIST's rule in the earth
271 — He laughs at these idiots. So, you have GOD angry with them
272 every moment, and yet He is able to maintain His sense of humor
273 about the whole mess and that's what I do.

274 Now, the MESSAGE God sends to these wicked usurpers of
275 CHRIST'S rightful RULE in the earth is this: "Then shall He speak
276 unto them in His WRATH, and VEX them in His sore displeasure:
277 "Yet have I set my king upon my holy hill of ZION. I will declare
278 the decree: the Lord hath said unto me, Thou art my Son; this day
279 have I begotten thee. Ask of me, and I shall give thee the heathen
280 for thine inheritance (WHICH HE HAS DONE), and the
281 UTTERMOST PARTS OF THE EARTH for thy POSSESSION
282 (WHICH HE HAS DONE — Jesus arose declaring ALL POWER
283 IS GIVEN UNTO ME IN HEAVEN AND IN EARTH), and the
284 Father goes on, "Thou shalt break them with a ROD OF IRON;
285 thou shalt DASH THEM IN PIECES LIKE A POTTER'S VESSEL."

286 I'll exegete this some more tonight, Lord willing. But you see, God
287 not threatened by all their wailing and struggling to break the
288 bands and cords of CHRIST's rule over them. Their struggle
289 against the bands and cords is evidence they continue to be held
290 under them, and they hate it; which is why they hate you. The
291 church has the KEYS of the KINGDOM and they cannot take the
292 earth into their power unless we give it to them.

293 So what is God's counsel to these kings and rulers of the earth —
294 and you do notice that it is specifically directed toward the kings
295 and rulers of the earth — He advises them "Be wise now therefore,
296 O ye kings: be instructed ye judges of the earth. Serve the LORD
297 with fear, and rejoice with trembling. KISS THE SON, LEST HE
298 BE ANGRY, AND YE PERISH FROM THE WAY, WHEN HIS
299 WRATH IS KINDLED BUT A LITTLE." And it concludes with
300 "Blessed are all they that put their trust in HIM." Psalm 2

301 Okay, to how does GOD get this message to the kings and rulers of
302 the earth? He does it THROUGH US! We are the ambassadors for
303 CHRIST, and laborers together WITH GOD — it's our duty to
304 declare this to KINGS and RULERS. We had better get with it.

305 A friend wants to help me get God's War to every Representative in
306 our Congress — let's make that happen.

307 But one reason I can keep my cool is that I know it's OKAY to be
308 ANGRY — Scripture says, "be ye angry and sin not" (Ephesians
309 4:26). But never go to sleep filled with wrath: "Let not the sun go
310 down on your wrath." There is no way to look at what is going on
311 and not be angry, and you don't need the Brain Masseur to see
312 what's going on — . If you know about the sex trafficking that is
313 happening, the oppression that is rising in our land, all the evil
314 promoted by the wicked in our culture with teaching our children
315 pornography and the filthy and diseased behavior of
316 homosexuality and the perverse distortion of transgenderism and
317 so forth — something is broken. OF COURSE this makes us angry.

318 And it makes God angry too. And he laughs at the ridiculous
319 spectacle of puny man trying to upend the KINGDOM OF GOD
320 on earth. At the same time, however, He laments when His own
321 prophets forsake Him, and betray His SON, and turn the kingdom
322 over to Satan's power by default, or by their faults. By default when
323 they fail to STAND, WRESTLE, and RESIST, and by their fault
324 when they actually join the other side and become workers of
325 iniquity.

326 So then there is the LAMENT of GOD in Jeremiah 10:19-21 where
327 I go to join Him in His grief —

328 I accept all these things, I don't fight against them. When stirred to
329 anger, I get angry along side of God — I go to Him, and we
330 commiserate together over His anger at the wicked, and it breaks
331 my heart before Him to grieve with HIM as He grieves against the
332 wicked — for He takes no pleasure in their death, and yet sees
333 them pursuing death with a blind obsession — Then, when He sees
334 these kings and rulers conspiring to overcome the SON OF GOD
335 and His rightful RULE over the EARTH — He laughs, and stirs His
336 messengers to DELIVER the REBUKE — are you delivering that

337 rebuke? And when He sees His own children hurt by the wicked,
338 and driven from Him because of the BRUTISH PASTORS that do
339 not seek HIM, but seek their own "safety" or "security." It breaks
340 His heart, and so we weep together, the SPIRIT OF GOD and I —

341 Don't resist GOD — resist the DEVIL instead. With GOD, you will
342 be angry at the wicked, WITH GOD you will laugh at their plotting
343 to overturn Him, WITH GOD you will weep for the damage done
344 by the false prophets who surrender the flock to SATAN because
345 they do not SEEK THE LORD, they DO NOT JOIN HIM in this —
346 they go it alone.

347 So, my advice is this. Don't go it alone. When angry, draw nigh to
348 GOD and let your anger be absorbed into His. When watching the
349 machinations of the wicked to overthrow CHRIST's RULE — draw
350 nigh to God, hear His laughter, then DELIVER HIS REBUKE to
351 them. When you see God's own children falling prey to Satan's lies
352 under brutish pastors who do not feed the flock but themselves,
353 draw aside close to your FATHER and weep with HIM.

354 If you do this, you will have HIS STRENGTH to bear up under all
355 of this and SOLDIER ON!

356 I have lit the lamps in the Church belfry arch and now you let me
357 know if you see them. It's LIGHTS ON if you see the LIGHTS ARE
358 ON and you will ride like Revere and spread the warning,
359 (essentially, it means you agree with what I'm saying) or you say
360 LIGHTS OFF -- which means you reject what I'm saying and
361 disagree strongly with me. So, what will it be today, lights on, or
362 lights off?
