1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain
3 masseur—get ready for your brain massage.
4 The Biden blind — oh yeah, bright light missile of insight coming
5 at you from the Brain Masseur today. Why is it important to assess
6 the danger correctly?
7 And what's a preacher to do? What is a pastor's role in times that
8 try men's souls?
9 Friend — it's time for your Brain Massage!
10 [TRUTH]
11 Got a little prophet's boil stirring me up here. Got to vent!
12 Good news from a far country is like water to a thirsty — how does
13 that go? Here it is: Proverbs 25:25 ¶ "As cold waters to a thirsty
14 soul, so is good news from a far country."

23 UK erupting against vaccine mandates — but it's not all pretty!
24 Violence is beginning to break out.⁶ The police are bullying
25 protestors rather than giving them room to redress their grievances
26 against a government that wants to enslave them, make them their
27 collectivist cattle, and BRAND them with their symbol of
28 OWNERSHIP. Our cousins across the pond are standing against
29 mandatory vaccinations, and jabbing the children — Stay Away
30 From Our Kids, and I'm Not An Experiment.

31 "Thousands Protest Against UK Government's Plans to Use
32 'Fascist' Vaccine Passports."⁷

33 Here is an article reporting Denmark, Germany, and the UK have
34 called off vaccine passports, and Germany has officially declared
35 NO FORCED VACCINATION.⁸

36 And Australia is beginning to stand up against the tyranny
37 imposed on them from CCP influence in their country. Massive
38 anti-lockdown protest is underway in Melbourne.

39 PRAY for these brave protestors. All over the world:⁹ in addition to
40 the above, Ireland seeing massive rallies against COVID passports
41 and lockdowns, shouting SHAME ON YOU, and NO VACCINE
42 PASSPORTS, and END THE LOCKDOWN; in Greece, Israel,
43 finally, Thailand, calling on their Prime Minister to resign, like
44 France demanding the resignation of Macron, Netherlands,
45 Finland, Japan, Spain, Lithuania, Portugal, Slovakia—to name
46 those making the news.¹⁰

47 In America too — New York is about to erupt. De Blasio, like some
48 third world dictator tells New Yorkers: "If you want to participate
49 in our society fully, you've got to get vaccinated." He warns the
50 mandate will be enforced beginning Sept. 13. But New Yorkers are
51 coming out in force. "More than 1000 people protested the mayor's
52 COVID vaccine mandates outside City Hall on Wednesday."¹¹ One
53 protestor said "they are using us like lab rats," another said flatly,
54 "I'm not taking the vaccine," and New York teachers, subway train
55 operators, and city employees are walking away from De Blasio's
56 fascist dictatorship. The NY Police Benevolent Association has
57 promised to sue the city if officers are required to take the shot.
58 The city has not decided whether it will require officers to take the
59 vaccine. [IBID]

60 It's THE PEOPLE versus the GOVERNMENT — we are in a
61 devolution cycle. *Power* (political, military, and economic) moves
62 in a cycle of Accretion and Devolution. During Accretion, *Power*
63 tends toward increasing concentration into the hands of the wicked
64 and unreasonable because these sorts of people have a lust for
65 power over others. I call this phase in the cycle of PEOPLE versus
66 GOVERNMENT — ACCRETION — a gradual increase in power
67 to the wicked and perverse.

68 You see, good people are content to live out their lives providing
69 goods and services to their neighbors on an equal footing. They are
70 okay with people disagreeing with them, they don't feel the need to
71 control the lives of those around them, to control what they say, for
72 example, or what they believe, or what they read, or hear — but
73 there are always those whose greed drives them to control their
74 neighbors, to oppress them, to rule them — and these are the
75 people who crave *power* and seek it over others.

¹¹ <https://newyork.cbslocal.com/2021/08/25/nyc-covid-vaccine-mandate-protest/>

76 You can see that a situation where one group is relatively careless
77 about *power* and so tends to ignore it, and another group craves
78 power, naturally moves toward a circumstance where the
79 WICKED have the POWER over the good.

80 Now, I should interject, when the good are alert to this danger,
81 they can be motivated to seek power for the purpose of protecting
82 the PEOPLE from these wolves — but there are always fewer of
83 these than there are those who covet power for personal gain.

84 Trump is an example of someone who decided to seek power in
85 order to PROTECT the PEOPLE from the government — he had
86 the same idea about this that our founders had — government in
87 the hands of power greedy wicked people is always destructive of
88 good.

89 So, in the first phase of the POWER cycle, POWER increasingly
90 gets concentrated into the hands of the wicked and unreasonable.
91 But at some point along the way, THE PEOPLE begin to FEEL the
92 oppression; they begin to resent the BULLYING of the EVIL
93 abusers of power and start rising up against the POWER.

94 This begins a period of DEVOLUTION — where power begins to
95 be returned to the PEOPLE, a period during which there is a
96 decentralization of power, where the wicked and unreasonable are
97 opposed and challenged. That's what you are seeing around the
98 world right now. The PEOPLE are beginning to wake up to what
99 has happened and they are PROTESTING — they are rising up.

100 But the wicked and unreasonable don't give up their power
101 willingly. In fact, they use it to FIGHT the PEOPLE — they turn
102 the *power* they have in GOVERNMENT to attack the people.

103 So, let's take a moment to get the big picture here. The wicked and
104 unreasonable are children of Satan — that's why they use the
105 methods of Satan to accomplish their goals. Satan is a liar, and in
106 fact, he is the father of the LIE (John 8:44). He hates Jesus Christ

107 who is THE TRUTH (John 14:6). Satan is called the DESTROYER,
108 his name Apollyon, which is also translated PERDITION¹² — Jesus
109 warned us he is come as a thief to STEAL, KILL, AND DESTROY
110 (John 10:10). Satan's agenda is to break the bands and cords of
111 Christ in this world that restrain him from realizing his objective to
112 bring the world together into a one world dictatorship under a man
113 the Bible calls the "son of perdition" (II Thessalonians 2:3; see also
114 John 17:12). This is why the solution to every problem coming
115 from these wicked and unreasonable DEMONCRATS and
116 REPUBLIC-RATS involves LYING, STEALING, KILLING, and
117 DESTROYING. It's why every Blue state is a cesspool—it's why
118 NYC is the most rat-infested city, I think in the world. The wicked,
119 who love darkness, and who hate the light, who love LIES, and
120 STEALING, and KILLING, and DESTRUCTION — look, the
121 REASON they don't stop the murder in Chicago is because that
122 city is run by people who love MURDER, STEALING,
123 DESTROYING — and Americans have been deceived into
124 allowing these people to get into power where they used that power
125 to ensure they never loose it by rigging the elections.

126 Remember that Satan (aka Lucifer—Isaiah 14) is the prince of the
127 power of the air, the spirit that now works in the children of
128 disobedience. Remember that Saul Allinsky dedicated his book,
129 Rules for Radicals, to his god, Lucifer. Remember this same Saul
130 taught Obama and Hillary, and virtually all the modern day
131 Marxists/Nazis how to subvert America. Remember that the god of
132 this world — that is, the god that is worshipped by this world —
133 Satan — can take captive those who are children of disobedience
134 whenever he pleases. So think about how utterly foolish it was to
135 put people into power over us who hate GOD, hate TRUTH, and
136 ultimately, hate you! They have no regard for LIBERTY, their view
137 of justice is utterly perverse! And now they have used the power

¹² See Philippians 1:28, John 17:12, II Thessalonians 2:3 where *perdition* translates Strong No. 684, and Revelation 9:11 where the same root is used formed into a proper noun, see Strong No. 623.

138 American's foolishly gave them to STEAL from America the power
139 of consent of the governed — now we are ruled by the wicked and
140 unreasonable by the fiat of dictators—they DECLARE and if we
141 resist, we are beaten into submission.

142 In France, it's show your health passes or go to jail. Police are using
143 water cannons and tear gas against demonstrators. In Australia
144 they are using helicopters to corral citizens gathering in public —
145 ever watch a large cattle rancher use helicopters to corral his
146 CATTLE?

147 Yeah, military drones and helicopters patrol Sydney—with soldiers
148 in the streets demanding people to disperse or they'll get fined.
149 Violence erupts outside the UK Parliament — it's the PEOPLE
150 versus the GOVERNMENTS in each of these cases.

151 In Germany, hundreds of citizens are beaten and arrested in an
152 anti-lockdown protest. Hey, what happened to CONSENT of the
153 GOVERNED?

154 Do you suppose the police in Germany are proud of themselves
155 today? In Greece tear gas and water cannons are used to attack the
156 PEOPLE who are protesting their GOVERNMENT —

157 The justification for this egregious effrontery to personal liberty is
158 "it's for your own good." That expression is exactly what Hitler
159 used in Germany when he was establishing his dictatorship over
160 the German people, which led to carting Jews off to death camps.
161 Nazis, and all other antichrist ragers love death. Death is their
162 solution to virtually every problem. Unwanted pregnancy, let's
163 choose DEATH. Overpopulation — I know, let's kill off a few
164 billion. Undesirables—let's call them Deplorables—just kill them
165 off. Murder is in their heart!

166 Okay—look, I've written a few books one of them is GOD'S WAR,
167 Why Christians Should Rule the World. It provokes an interesting
168 conversation — what? How can you say something like this? And,

169 by the way, invariably, and you would think ironically, it's the
170 Christian who objects to this statement. But I ask them, first, well,
171 who do you think should rule the world? Satan? Do you think the
172 wicked and unreasonable should control the levers of government
173 power? If you do, you are in disagreement with our Founders. John
174 Jay, our first Supreme Court Chief Justice said believers should
175 desire believers in Christ to serve in the offices of our Republic.
176 Alexander Hamilton had a vision to organize believers to work
177 toward ensuring believers were recruited and supported to run for
178 office in this country. John Adams, George Washington, all made
179 statements to this effect that our liberties cannot be entrusted to
180 men who deny the source and foundation of our liberties. The
181 source: All men are created equal and ENDOWED BY THEIR
182 CREATOR with CERTAIN INALIENABLE RIGHTS — Mason
183 and Jefferson put that one together — the foundation — THE
184 HOLY SCRIPTURES and the GOSPEL OF JESUS CHRIST —
185 Patrick Henry said in Congress assembled it must be remembered
186 that America was built upon the GOSPEL OF JESUS CHRIST.

187 So our focus needs to be to CORRECT the STOLEN ELECTION
188 — if GOD does not help us restore the CONSENT OF THE
189 GOVERNED, we are doomed: and we must move forward calling
190 this nation BACK TO GOD and COUNTRY PATRIOTISM.

191 Hold on through the break; I'll be right back!

192 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor
193 at the Lighthouse, your brain masseur, and Paul Revere's lantern
194 lighter, lighting the lamps in the church belfry arch, signaling the
195 enemy is on the march, an enemy that would steal from us our
196 liberty.

197 The Biden blind! You know when you are hunting certain game
198 you set up a "blind." Some distance from the blind, you put out the
199 bait, and then wait.

200 I think the bungling Biden routine is a blind. Whether or not Biden
201 is play-acting this whole thing, or whether he is exaggerating his
202 senility to game us, or whether it's his handlers who are capitalizing
203 on his growing dementia, that is irrelevant. The fact is, Biden is a
204 blind — he is a decoy, a diversion. And many on the right are
205 buying into it — so much focus is given to what a bungling idiot
206 Biden is — and what a failure he is. First, for the same of argument,
207 granting that Biden is the most popular president the world has
208 ever known, you don't know that his bungling and fumbling was
209 evident during the campaign—and they voted for him anyway. So,
210 first, it does not matter to them. And second, it diverts attention
211 from the FACT that Biden and his entire administration are
212 TRAITORS — the focus needs to be on the TREASON that is
213 occurring in our faces. We need to pull down the Biden blind —
214 and expose him for the FRAUD that he is. He has always been a
215 fraud—he plagiarized his way through college, and has continued
216 all along — if you look at the right places and listen you will know
217 this is the most cruel, obscene, racist, and vile man to ever enter
218 American politics and when you think of guys like Kennedy killer
219 Lyndon Banes KKK Johnson, that's saying something.

220 I know Biden's blundering is an attractive target—but we need to
221 aim all our fire power at Biden the usurper that is NOT
222 REPRESENTING AMERICA, he is a traitor that is representing
223 the interests of the CCP—who is planning right now to attack the
224 US, probably as proxy in what the America hating left hopes will be
225 a civil war.

226 So, what's a preacher to do? What is a pastor's role in these times
227 that try men's souls? I'll have to finish out my thoughts on this
228 tonight during our live stream visit. But, let's get started.

229 In the days of Ahab and Jezebel, that priestess of Ashtoreth used
230 her position as Queen to advocate for the ecumenical religion of
231 Baalism. In my book, *The New Cart Church*, in chapter three, I

232 show that Baalism was ancient ecumenicalism—every notion of
233 god is valid so long as you don't espouse any notion of an exclusive
234 GOD—so Chemosh was Baal of the Moabites, Moloch was
235 worshipped by the ancient Canaanites—this god was worshipped
236 with child sacrifice and orgies. So Moloch was the Baal of the
237 Philistines. Ashtoreth was the Baal of Zidon, and so on. Today, we
238 use the word *god* similarly to how Jezebel was using the word *baal*.
239 The only *GOD* she hated and rejected was the ONE TRUE GOD,
240 the EXCLUSIVE GOD beside whom there is NO OTHER!

241 She succeeded at seducing 400 of God's prophets to buy in to her
242 effort to unite all the religions of the land under this false teaching.
243 And those who refused, she killed. 100 escaped into Obadiah's
244 caves where they hid. Only one lone prophet, Elijah, remained
245 active — Elijah was the only prophet who stood up against
246 Baalism. The rest either succumbed to the JEZEBEL religion—you
247 know, the religion of the GREAT WHORE of Jesuit Rome—or they
248 went "low profile." You know the type!

249 These are the cowards who believe the right thing but HIDE in the
250 caves of Obadiah, fearful of their lives. Unlike Paul, these do not
251 say, "I count all things dung," instead, they huddle together and
252 keep quiet — they go underground — they withdraw the LIGHT
253 they were commanded to SHINE — and put it UNDERGROUND;
254 instead of being IN THE WORLD though not of it, they, loving the
255 world, and the things in it, loving this life, they then being *of the*
256 *world* hide the LIGHT of truth in their caves.

257 So, these are the preachers who say, well, we must preach the
258 GOSPEL — to which, of course, I say Amen! And remind them of
259 Jude who desired the luxury of writing concerning the common
260 salvation but was compelled by the Spirit to warn of the coming
261 apostasy. By all means, we must preach the GOSPEL and we must
262 do so in the context of those to whom we preach it — which is the
263 example of the Apostles — Paul to the Jews, and Paul to the

264 Gentiles on Mars Hill — same GOSPEL, of course, preached TO
265 THE PEOPLE and to the SINS of the PEOPLE in a very DIRECT
266 fashion — as Peter to his Jewish brethren who participated in the
267 crucifixion of Jesus condemned them, saying "The God of our
268 fathers raised up Jesus, WHOM YE SLEW AND HANGED ON A
269 TREE." (Acts 5:30). No ecumenical preacher would say such today
270 and no cave preacher will say it in the open! But Elijah would!

271 These ecumenical preachers are worthless—they have become
272 enemies of the GOSPEL and workers of iniquity. The cave
273 preachers are likewise virtually worthless.

274 These are the types that, being set a watchman on the wall, see the
275 dangers massing against the people of GOD, they see the antichrist
276 CCP rising on the horizon forming the fist God just might use to
277 clobber the HOUSE OF GOD to wake it up — you know it always
278 begins there — and they turn to their congregations and say, well,
279 now, let's have a little Bible study to calm us down and make us all
280 feel good. But the people don't want to think about all these
281 troubles — right!

282 So let's wait until it is literally the ONLY THING THEY CAN
283 THINK ABOUT EVERY DAY for seventy years.

284 Let's hide the truth from the people because the truth makes them
285 afraid!

286 Excuse me! That's the pastor's job? To make certain every one feels
287 good and do it by failing to LOOK and SEE what is going on?

288 The course I have tried to take is to give a FAITHFUL REPORT of
289 what I see as an appointed watchman on the wall — by the way,
290 that's an analogy used in Ezekiel 3:17. AND in that report, give a
291 biblical understanding of these things and call the people of God to
292 APPROPRIATE biblical action in response—that we must
293 STAND, WRESTLE, and RESIST — not run off and hide, be
294 passive, and end up assisting the Devil instead of resisting him.

295 So, let's talk some more about all this tonight in our live stream.

296 I have lit the lamps in the Church belfry arch and now you let me
297 know if you see them. It's LIGHTS ON if you see the LIGHTS ARE
298 ON and you will ride like Revere and spread the warning,
299 (essentially, it means you agree with what I'm saying) or you say
300 LIGHTS OFF -- which means you reject what I'm saying and
301 disagree strongly with me. So, what will it be today, lights on, or
302 lights off?
