

Brain Massage®: Show No. 855 The Truth & the Primary Target! (Beware Liberal Tears and Conservatives Inertia)

Jerry Scheidbach

Original Air Date: 11.06.21

1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain
3 masseur—get ready for your brain massage.

4 There is so much to talk about and so little time—I know! Biden
5 says the story that he wants to give every Illegal family 450k is a
6 bunch of "garbage," and then the very next day the WH sends out
7 the message that Biden is perfectly fine with it. And the blatant
8 denials that CRT is being taught in our schools are beyond
9 offensive—they dodge it by simply renaming what they are
10 doing—but the bottom line is they are teaching our children to
11 judge one another by the color of their skin and not by the content
12 of their character. It's like Fauci, redefining gain of function
13 research in such a way he can sit there and say he does not support
14 gain of function research when what he is supporting IS in fact
15 gain of function research. What do you do when you are dealing
16 with this sort of snake that slithers left and right smoothly slipping
17 away from the grip of truth?

18 It's like trying to pick up mercury—they split, scatter, but then
19 recombine like nothing ever happened. To use a boxing metaphor,
20 they dodge, duck, shuffle, side step, cover up, slip, turn, and dance
21 like the Rand Paul - Fauci rounds — which we will look at today
22 and will illustrate this perfectly.

23 But I'm troubled about something. I think we are getting distracted
24 from being laser focused on the main issues because we are chasing
25 countermeasures! Know what I mean? When a missile is chasing a
26 target, countermeasures are released to take the missile off target.
27 They do this, in part, by putting so many targets in front of the
28 missile it gets distracted from the PRIMARY TARGET.

29 The left is pumping out the countermeasures misdirecting our
30 missiles.

31 I can't stress enough the importance that we remain focused on the
32 2020 STEAL! I realize that the Russian Collusion hoax, the J6
33 political prisoners, the Pedo-Jabbers, the mandate madness, the
34 CRT and LGBTQ agenda, the Border insecurity — cannot be
35 dismissed as mere countermeasures, and so ignored. But they can
36 become so overwhelming we lose energy and focus on the one
37 overarching issue that ties them all together.

38 So, allow me to address this today.

39 Friends, it's time for your brain massage!

40 [TRUTH]

41 We CANNOT forget about the 2020 STEAL and the CCP invasion
42 of our country. Many news items today serve as flares and chaff to
43 misdirect our missiles from engaging primary targets. No doubt
44 our enemies intend this—to get us off focus on real targets.

45 But we must be careful here, because while I think the CCP attack
46 on America must remain our PRIMARY TARGET, and specifically
47 the attack on the PEOPLE's right to choose our representatives, all
48 these other concerns—the Russian Collusion hoax, the J6 political
49 prisoners, the Pedo-Jabbers, the whole mandate madness, the CRT
50 and LGBTQ agenda, and Border insecurity — are part of the attack
51 — and every one of them is launched upon us FROM THE 2020
52 ELECTION STEAL. NONE of this would be going forward if the
53 CCP and their treasonous operatives in our government had not
54 succeeded to STEAL from the PEOPLE their right to choose their
55 representatives in government. THAT'S THE KEY! We cannot lose
56 focus on that!

57 Nevertheless, neither can we afford to ignore what the CCP has
58 unleashed upon us through the current evil administration of the
59 betrayer in chief — Biden and his handlers.

60 True! These things can overwhelm us, and divide our attention
61 until our efforts are diluted and become ineffective. So we need a
62 strategy that will aggressively address these issues while
63 REMAINING FOCUSED ON THE PRIMARY TARGET—
64 restoring election integrity. Returning to the PEOPLE their
65 fundamental RIGHT to choose their representatives.

66 I totally feel the frustration you must feel that it appears many of
67 our main stream conservatives have decided to let go of the
68 STOLEN ELECTION and turn their attention to 2022 and 2024.
69 Sometimes our conservative spokesmen and women get caught up
70 in the "flow" of the "narrative" and, frankly, it's easier to move with
71 the flow and the current narrative — (entendre intended) — than
72 to always be pushing against it!

73 We have lost more than one conservative soldier who got washed
74 away and succumbed to the current. This is a bit hard to explain!

75 What I mean is trying to swim upstream is a constant fight against
76 natural inertia coupled with the inclination to move along the path
77 of least resistance. Of course there are the evildoers who planed
78 and facilitated the theft of the people's right to choose their
79 representatives, and they certainly put forward major resistance
80 against any effort to expose and correct that evil. But there is also
81 the natural inertia among politicians to continue moving in the
82 direction to which they are accustomed—and trying to get them to
83 turn around and move upstream against the enormous resistance
84 they know they will face if they turn full attention to correcting the
85 2020 election is something that frankly ADDS resistance against
86 those who want to get this done. In other words, often, the very
87 people we might look to for help are reluctant to "get involved."
88 Inadvertently, they ADD resistance against getting JUSTICE
89 because of natural inertia.

90 And then there is the powerful natural urge to move toward an
91 objective using the paths of least resistance.

92 Think about it! If you go head on for full forensic audits in every
93 state, you are going to face huge opposition from the thieves, and
94 then additional resistance from those stuck in inertia, and so the
95 natural thing to do is follow a path that avoids this resistance—and
96 do you know that that path is? It's okay, so we lost that one, too
97 bad, let's focus on the next one; let's focus on 2022 and 2024.

98 And so JUSTICE is DENIED to the PEOPLE! The evildoers got to
99 steal the PEOPLE's sacred right to choose their representatives, and
100 then they get to use what they stole from us to put evil men and
101 women into POWER over us — who are, right now,
102 PROCEEDING TO STEAL OUR LIBERTIES AND BRING US
103 INTO TOTAL BONDAGE, TO MAKE US SLAVES.

104 It allows them to use what they STOLE from us to entrench
105 themselves even more deeply into our government and into our
106 lives. It says to them — okay, you've got time to prepare for stealing
107 2022 and 2024 — you'll have to be a bit more clever, and careful,
108 but YOU'VE GOT PLENTY OF TIME TO SORT THAT OUT —
109 because you don't have to look over your shoulder at the prospect
110 that THE PEOPLE are going to throw you into JAIL for your
111 crimes — you can count on inertia and the cowardly tendency to
112 follow the path of least resistance to work in your favor.

113 Even our strongest allies fall for this. When it comes to the election,
114 Hannity and Bongino, and I guess all of them really, have GIVEN
115 UP ON GETTING JUSTICE FOR THE PEOPLE'S RIGHT TO
116 CHOOSE THEIR ELECTORS. Inertia, and fear of the retaliation
117 they will experience if they push hard for JUSTICE IN THE
118 ELECTIONS dissuades them—it's just too much! Inadvertently,
119 they become facilitators of the STEAL! Ignoring the STEAL is to
120 facilitate the steal.

121 The resistance we face against pushing for forensic audits and
122 FIGHTING the fierce resistance you will face — I get it; it's easier
123 to go along with the force of the current and move WITH it — and

124 say, oh well, lost that one, it was bad what they did, it was theft, it
125 was evil. But there is no DEMAND to CORRECT it! They throw
126 up their hands in defeat! They are cornered and don't have the
127 courage, or conviction, to fight their way out of the corner. The
128 WRONG hit them, repeatedly, there is no precedent for
129 overturning a presidential election — really? That defeats you!
130 What a wimp! There is no legal precedent for STEALING AN
131 ELECTION either! Who does not know that a thief DOES NOT
132 GET TO KEEP WHAT HE STOLE? MAKE PRECEDENT — don't
133 you know NOTHING has PRECEDENT until it's DONE? You
134 don't need PRECEDENT — you need to have the good sense to
135 know that all the nonsense that went on in this election was, well,
136 WRONG — and the courage to DO SOMETHING ABOUT IT!

137 But because when we start DOING something the backlash is
138 severe, and strong and persistent, many of our leaders turn down
139 stream, and go with oh well, 2020 was stolen, let's LET THEM
140 HAVE WHAT THEY STOLE AND LET'S COMPLAIN ABOUT
141 WHAT THEY ARE DOING WITH WHAT THEY STOLE — but,
142 hey, we'll fix it in 2022 and 2024.

143 YIELD to the theft — and start talking about 2022 and 2024 —
144 perfect, now you are moving WITH THE FLOW of the ENEMY
145 and giving them all the time they need to set up the next STEAL.
146 And now, holding the power they have stolen, they can use it to put
147 everything in place they need to STEAL IT AGAIN! Meanwhile,
148 the Red Dragon in Beijing licks his chops, and sharpens his chop-
149 sticks, preparing for the anticipated MEAL of *chop suey* — used by
150 some outlier group as a metaphor for suicide; the group's lead
151 singer, I think, anyway, a member of the band said anyone who
152 likes their music and Trump is a hypocrite — so you know where
153 that guy is coming from — CHOP SUEY baby — yo dragon, scrape
154 the splinters off your chop sticks, catch the drools, lick the chops—

155 cause even conservatives here are in the kitchen cooking up your
156 chop suey.

157 I'm just sayin' — yielding to the thieves the stolen power to reign
158 like tyrants over us is well, like helping in the kitchen with the
159 "chop suey" — national SUICIDE!

160 I guess you could say it's the conservative's version of let the thieves
161 come into stores and steal up to 950 dollars of goods; is that the CA
162 limit? Let them just walk out with almost a 1000 dollars worth of
163 stuff — and do nothing. Just stand there and WATCH THEM, on
164 VIDEO, STEALING THE ELECTION — and the LAW does
165 NOTHING! Don't you get it? Let them terrorize our cities and the
166 LAW DOES NOTHING. Let them steal our elections and the LAW
167 DOES NOTHING.

168 THE PERPETRATORS DON'T CARE IF YOU COMPLAIN SO
169 LONG AS YOU DO NOTHING MORE!

170 So, here is the thing! The wicked will continually operate just
171 beyond the reach of justice so long as TRUTH remains in the
172 STREET, and not on the PILLAR where JESUS SET IT.

173 You know that JESUS set the CHURCH in the world as the
174 PILLAR and GROUND of the TRUTH!

175 And so long as the CHURCH kicks TRUTH to the curb and
176 refuses to SPEAK TRUTH to the LIES Satan is using to BLIND
177 MEN's MINDS so he can keep the light of the GLORIOUS GOSPEL
178 from penetrating their conscience — have you ever thought about
179 what this means?

180 Hold on through the break and we'll talk about it on the other side.
181 I know many listen to me who do not attend church and who are
182 not particularly committed to the BIBLE as the WORD of GOD.
183 Please consider! See where we have come as a nation since we
184 turned our back on the BIBLE. I'll be right back.

185 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor
186 at the Lighthouse, your brain masseur, and Paul Revere's lantern
187 lighter, lighting the lamps in the church belfry arch, signaling the
188 enemy is on the march, an enemy that would steal from us our
189 liberty.

190 There is so much to deal with! I think it's important to address
191 issues like the pandemic fraud including the mask and vaccine
192 mandate madness — (I mean, it's a madness. I saw a video of this
193 guy who rolled up to a fast food service window to pick up his
194 coffee and the idiot spent at least four or five minutes spraying the
195 cup with what I guess was sanitizer before he would take it, then
196 threw the lid into the store and left—and the lay on the plane who
197 flipped out because the person in the seat next to her did not have
198 proof of his vaccination status—I mean there are people who are
199 losing their minds over all this)—, the J6 insurrection fraud, the
200 whole woke thing—you know, pronoun Nazis, CRT pushed on our
201 children—parents bringing a book available to the children and
202 reading parts of it to a school board only to have the school board
203 object that the material was not suitable??—it's totally insane— and
204 all of this needs to be addressed with the TRUTH of GOD'S WORD
205 in order to BREAK the HOLD of blindness on the minds of these
206 people so the LIGHT of the GLORIOUS GOSPEL can break in
207 upon their darkness and guide them to TRUTH.

208 Consider the supernatural POWER of the JAB — it turns kids into
209 super heroes and provides protection against ALL DISEASES!

210 Unvaccinated looking smarter every day!¹ A vaccine that does not
211 protect the vaccinated and does not prevent them from spreading
212 the disease mandated on people who are unvaccinated and many
213 who have natural immunity that DOES protect from the disease
214 and DOES prevent spreading it—so, yeah; you know it's not about

¹ https://www.americanthinker.com/articles/2021/10/the_unvaccinated_are_looking_smarter_every_week.html#.YWyIp3Uc1bo.twitter

215 the disease caused by SARS-CoV-2, it's about getting everyone
216 under the Gates/Fauci NEEDLES.

217 12,000 Air Force personnel ready to walk away over vaccine
218 mandates.² 1,887 Washington State employees fired or walk off job
219 over mandates.³ Eleven states filing lawsuits against Biden's vaccine
220 mandate — trying to force it on employers through OSHA — MO,
221 AZ, ME, MT, AK, IO, N. Dakota, S. Dakota, ALASKA, N.
222 Hampshire, and Wyoming. I heard DeSantis say FL would be
223 joining in.

224 Paul sets Fauci's "pants on fire."⁴ Wow — can't wait to go over this
225 with you in our Comfort & Counsel visit tonight.

226 COVID censorship is destroying US media credibility worldwide.⁵

227 Pastor in Canada told what to preach by the government. CCP!⁶

228 There is a change in the air! — Tuesday was a seismic shift! What
229 does it tell us? Right?

230 Edward Durr, the trucker that ran over Sweeny — in New Jersey —
231 right? Yeah, Durr spent well under 5,000 total, only 153 of his own
232 money, and beat a life long Democrat who served as President of
233 the Senate in NJ for, well, ever — who pumped a cool million into
234 his campaign and this guy out of nowhere comes up and beats him.
235 Murphy is hanging on by a thread—by a Dominion machine
236 failure — yeah, 56 Dominion machines were shut down before
237 they were counted — Jack Ciatrelli was leading, but then at 1:54
238 they stopped counting, and in the morning Murphy was up — but

⁶ <https://flagandcross.com/tyranny-canadian-pastor-forced-by-govt-to-repeat-medical-experts-from-the-pulpit/>

239 there are 56 machines holding votes that have not yet been counted
240 — so, we'll see. That would be a HUGE upset.

241 As you know in Virginia it went very badly for the DEMS — or did
242 it? The guy that won is a soft conservative — and some think this
243 was not a win for conservatism — we'll see. Some think this race
244 was allowed to go to the Republicans as a way of sending the
245 message, see, mail in ballots don't interfere with outcomes. Keep
246 watching.

247 Then there is the INDICTMENT — Danchenko arrested for
248 alleged conspiracy to commit fraud by lying to the FBI.

249 Many believe this is big! Danchenko will give up everything
250 pointing to Hillary, all the media colluders.

251 Others, like Bongino, think maybe it's just chum in the water to
252 misdirect the patriots. He thinks they are developing an escape
253 hatch for Hillary and the DEM party: Danchenko fooled them all.
254 Make him the scapegoat. [Raises the question: how does Durham
255 get justice in a Biden admin. He has to slowly increase the heat.
256 Read through indictment, much seriously damaging information
257 — here what it appears this guy was.

258 The Trump Russia collusion story started with Danchenko. PR
259 chairman who worked for CLINTONS fed the story to Danchenko.
260 So it's hoped it will provide a trail that leads to Hillary.

261 How does Durham get JUSTICE in a BIDEN ADMIN?

262 Did the DOJ allow for this Durham indictment arrest to say look,
263 we did something, so they can walk away from it. This middleman
264 made it all up and it is all on him. DID THEY GET TO
265 DURHAM? Big problem is why is it taking so long—? Charles
266 Dolan, Clinton operative, we now know, fed story to Danchenko
267 who fed it to FBI.

268 There is a line of thought that says when you hear Natasha
269 Bertrand, Adam Goldman, Charlie Savage, David Corn, Rachel
270 Maddow — all together admitting the Dossier was FAKE — there
271 is no way they do this unless it's part of the PLAN to dodge justice.
272 It means this is not the big deal we want it to be.

273 Bongino's concern should be noted: Danchenko stops you from
274 making the case that it was a conspiracy because it positions him as
275 a total scapegoat to take it all. Yeah but there is the thing about
276 Charles Dolan, an operative of Clinton — what about that?

277 So, the idea is that we all know the NY Times is the stenographers
278 of the DS. Remember, the NY Times took lead pushing the story
279 that the Dossier was credible — but now NY Times Savage and
280 Goldman — suddenly flip on this and refers to the Dossier as a
281 compendium of rumors and unproved assertions. Without even
282 blinking an eye — as if this was what they understood all along.
283 And then throw all the blame on the Scapegoat—it's like, we will
284 give you this admission that the dossier was fake, and you back off
285 pursuing this to the ultimate source. Maybe!

286 But it could be just another MOVE on the part of the
287 Hillary/Obama/Soros triumvirate to escape arrest — or it's that and
288 this! This is the latest move by Durham and what you are seeing
289 from the LEFT is the countermove by the enemy!

290 But in my opinion, these guys admitting they were totally WRONG
291 about the Dossier is huge no matter how you look at it. Come on!
292 The Left can only take so much exposure before they will be totally
293 exposed as FAKE NEWS. They lose credibility among their own
294 every time this happens — Biden is already swirling in the toilet in
295 the polls among his own base.

296 Now patriots can counter their liberal friends with this solid
297 admission that everything they BELIEVED about Trump colluding
298 with Russia was WRONG, it was a LIE, and the left fell for it.

299 Brit Hume said “The allegations cast new uncertainty on some past
300 reporting on the dossier by news organizations, including The
301 Washington Post.”⁷ Uh, ya think?

302 So, all this is going on! And on, and on, and on! And we are
303 chasing all these flares and chaff — and we must. Because while it's
304 true that the STOLEN ELECTION is the PRIMARY target — we
305 are forced to deal with all that has been unleashed on us because of
306 the stolen election. Just, don't forget, THE PRIMARY TARGET
307 THAT FIXES EVERYTHING IS CORRECTING THE 2020
308 STOLEN ELECTION.

309 But let me return to my opening theme: so long as the CHURCH is
310 kicking TRUTH to the curb, in the streets of the world, the wicked
311 will continue to do their evil deed just outside the reach of justice.
312 Read Isaiah 59:14 and you'll understand. You don't have a Bible?
313 Okay, I'll read it to you: "Judgment is turned away backward, and
314 justice standeth afar off: for truth is fallen in the street, and equity
315 cannot enter." Search your own heart right now and answer this
316 question. Does anyone think this would be happening if America,
317 as a nation, as a whole, had not turned her back on God? I know
318 some will answer this question differently than others, but I'm
319 asking my audience. You know that none of this would have been
320 tolerated by our Founders or by their generation, nor would it have
321 been tolerated by our great grand parents or even our grand
322 parent's generation — but seeds that were planted back then have
323 grown into our current position — seeds of rationalism, throwing
324 the Bible and prayer out of our schools, ripping down the Ten
325 Commandments and putting up the LGBTQ flag instead — it has
326 been a process of turning our BACKS to the GOD of our
327 FOUNDERS — and the CHURCH, which JESUS placed in the
328 earth to be the PILLAR AND GROUND of the TRUTH has gone
329 along with it in great measure.

⁷ <https://twitter.com/brithume/status/1456443161987981313?s=11>

330 Hear the rebuke of GOD from the prophet Jeremiah: "The
331 prophets prophesy falsely, and the priests bear rule by their means;
332 and my people love to have it so: and what will ye do in the end
333 thereof?" We are seeing "the end thereof" and what will you do?
334 That's the question!

335 Jeremiah answers: "Return, ye backsliding children, and I will heal
336 your backslidings."

337 Come back to the HOUSE of GOD, —THE PILLAR AND
338 GROUND OF THE TRUTH.

339 You know the LIGHTHOUSE stands, wrestles, and resists. At the
340 LIGHTHOUSE, the TRUTH is on the PILLAR — it is not kicked
341 aside in the streets. This is the only way we get JUSTICE to ENTER
342 — when TRUTH is honored on the PILLAR where JESUS PUT IT.
343 The CHURCH has the TRUTH we need for TODAY!

344 I have lit the lamps in the Church belfry arch and now you let me
345 know if you see them. It's LIGHTS ON if you see the LIGHTS ARE
346 ON and you will ride like Revere and spread the warning,
347 (essentially, it means you agree with what I'm saying) or you say
348 LIGHTS OFF -- which means you reject what I'm saying and
349 disagree strongly with me. So, what will it be today, lights on, or
350 lights off?
