1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the

4 [TRUTH]

5 We have many issues to address but one is paramount — in fact,
6 every concern we have in this country hinges upon addressing
7 ONE MAJOR PROBLEM.

8 I remember as a kid it was said that in America, we address our
9 problems at the ballot box with our vote and not in the street with
10 the bullet. And as I grew up, I watched this in real time — people
11 would get very angry with the government, and they would
12 complain and speak out, and grumble, but we all knew there was
13 coming a day when it would be our turn—we could go to the
14 "ballot" box and make a difference.

15 The MOST CRITICAL issue facing America right now is the fact
16 that the Democrats, with the assistance of what we call RINO
17 Republicans have STOLEN THE BALLOT BOX. Where is that
18 going to lead?

19 RINO, as you know, means Republican In Name Only — a
20 category still valid but not adequate for identifying the Republicans
21 who have participated in the theft of the American ballot box.
22 These Republicans, and their cohorts in the Democrat Party, are
23 traitors—pure and simple! Every "elected" official who has
24 benefited, and/or participated in the theft of America's ballot box is
25 a traitor and MUST BE PUT UP ON CHARGES OF TREASON.

26 Absolutely NOTHING else so completely undermines our
27 Constitutional Republic and threatens to completely destroy it.

28 THEY HAVE STOLEN OUR RIGHT TO HAVE OUR VOICE
29 HEARD AND COUNTED VIA OUR VOTE.

30 This means we have NO RECOURSE to address our grievances
31 beyond griping and complaining. And they are working to take
32 that away also —

33 THE NUMBER ONE ISSUE OF CONCERN IS NOT COVID—
34 THIS IS A TRICK TO KEEP YOUR ATTENTION AWAY FROM
35 THE ONLY THING THAT CAN ACTUALLY MAKE A
36 DIFFERENCE — the VOTE.

37 The evidence that the 2020 election was stolen is CONCLUSIVE —
38 there is NO REASONABLE DOUBT about it — THEREFORE
39 2020 MUST BE RECALLED — Biden and Harris must be attended
40 by Marshals and walked out of the White House (if they are even
41 occupying it—if you know what I mean) — Pelosi, Schumer, Shiff,
42 Swalwell, and all their friends, Zuckerberg, Soros, and every
43 employee and officer in Dominion, everyone of them must be
44 investigated for their involvement in tampering with our
45 ELECTIONS — the CCP must be brought to account for any
46 involvement they had in stealing our election — this issue MUST
47 BE ADDRESSED.

48 Call me and tell me you understand, or tell me why I'm wrong! The
49 theft of our 2020 ELECTION Can NOT be ignored, it can not be
50 "let go" — we CANNOT trust our elections until JUSTICE is fully
51 satisfied regarding the 2020 election.

52 If you have not listened to Lindell's evidence, to what has been put
53 together by the Arizona audit, Dr. Frank's evidence—then you
54 need to do that TODAY! You need to educate yourself on the theft
55 of the 2020 election.

56 If you paid attention, and watched what happened right in front of
57 your eyes — Soros placed Republican Attorney's General
58 cooperating with Demoncrats to CHANGE voting RULES that
59 facilitate FRAUD — while Trump was leading and gaining in his
60 lead, and suddenly, they stopped counting in Fulton Co, dismiss all
61 observers, and the a team stays behind and goes to work, and we
62 SEE them pull boxes of ballots from under tables, and watch then
63 recounting the same batches multiple times — and in the morning,
64 what a surprise, Biden lurched ahead, on a graph of the vote count,
65 you see the line tracking Biden's vote count go straight up — that
66 never happens — and what do you know, Biden is now in the lead!

67 THE VOTE WAS STOLEN — the elite do not believe TRUMP
68 voters have a right to be heard! We are the deplorables — we are
69 the God and gun clingers — we are those who live in the
70 wastelands — the "fly over country."

71 And if we allow them to get away with stealing the 2020 election,
72 we have given up on liberty, and JUSTICE! And if we give up on
73 liberty and justice — FREEDOM will be lost!

74 We MUST DEMAND every STATE audit the 2020 election — it is
75 our RIGHT to demand such an audit — by LAW — and the audit
76 cannot be a simple recount of ballots already counted.

77 Someone illustrated it this way. If you have 1000 1 dollar bills and
78 you count them, you will find that you have 1000 1 dollar bills. If
79 you count them again, you will get the same result. You will get
80 that result every time you count the 1000 1 dollar bills.

81 However, if you examine each of the dollar bills, and you discover
82 that 600 of them are counterfeit, and you show the evidence that
83 600 of the dollar bills are actually not authentic—how many dollar
84 bills do you actually have?

85 The obvious answer is 400, NOT 1000.

86 We are not demanding a RECOUNT — we are demanding an
87 AUDIT!

88 Write to your Representatives and demand a full forensic audit of
89 the 2020 election in EVERY COUNTRY in CA, and in every
90 county of your State.

91 Do you CARE about election integrity? Do you want this country
92 to dissolve into a street war, with blood flowing in the streets —
93 Americans are absolutely committed to FREEDOM and will not
94 simply lay down their necks under the jack-boots of these tyrants
95 — at least no PATRIOT will do this — if they cross a line, it's going
96 to get very ugly — I mean, Patrick Henry's blood — ideologically
97 speaking — and it cries from our soul — GIVE ME LIBERTY OR
98 GIVE ME DEATH!

99 Listen, I'm serious! I will DIE before I give up my liberties.

100 And there are multiple millions of Americans who are very
101 concerned — what keeps this experiment in self-governance going
102 is the BALLOT BOX — and that's ALL! I think you understand.

103 Look, I'm not willing to live like they are forced to live in Australia.
104 I'm not will to become an extension of the CCP.

105 Every politician who refuses to take this concern seriously is
106 worthless and must be called out — they will not stand for the
107 DEFENSE of our most FUNDAMENTAL Constitutional right as
108 an American — the RIGHT TO VOTE, and with that, the RIGHT
109 FOR OUR VOTE TO BE COUNTED, and not have it
110 CANCELLED by some ILLEGAL, or otherwise fraudulent ballot.

111 The latest from Arizona — a Democrat Representative became
112 concerned after attending a meeting where plans to commit voter
113 fraud were discussed. This Representative sent a letter to the DOJ
114 on November 10th after the election, detailing the contents of that

115 meeting and calling for an investigation. The matter was ignored
116 — until the letter surfaced lately and was read in the AZ Senate.¹

117 In Wisconsin — get this — Population is 5.8 million with about 4.5
118 million eligible to vote — but WI has 7 million separate voter
119 records on file. Why?

120 157,000 voters in WI have THE SAME REGISTRATION
121 NUMBER. That's impossible, unless it's something that happened
122 on purpose.

123 Somehow, 31,872 voters that voted in the November 3 Election are
124 NOW LISTED AS INACTIVE. ???

125 According to the WI legislative audit bureau 957,977 voters
126 registered as NEW VOTERS in 2020. Guess what? 45,665 of these
127 new voters registered with a driver's license THAT DID NOT
128 MATCH DMV RECORDS.

129 How much of this can we endure? When does credibility simply
130 collapse, and the PEOPLE say SOMETHING STINKS IN WI.

131 They say, none of these things PROVE voter fraud! Really? You've
132 got to be kidding me. How long are we going to allow these people
133 to dismiss what is OBVIOUS — something is very, very WRONG
134 in Wisconsin elections?

135 And the Fulton County "irregularities" and "anomalies" are over
136 the top — evidence the Fulton, Co voters had their vote
137 CANCELLED by FRAUD overwhelms any mamby-pamby,
138 mumbling about, well, that's not proof! Nonsense. The evidence
139 compels a thorough independent INVESTIGATION. Georgia
140 governor hopeful, David Perdue, has filed a lawsuit against Fulton
141 County regarding their malfeasance in the 2020 election. The same
142 thing is true in Pennsylvania, and in Michigan, and in Nevada.

143 And while the evidence showing the CCP and other countries were
144 involved in tampering with this election in a major way is technical
145 — it is hard evidence! It's not speculation! They have the proof —
146 but the corruption runs so deep in this country, we can't break
147 through the line of defense the wicked have put in place to keep the
148 truth from breaking through to the general public.

149 No one with an ounce of sense can look at all of this and not see
150 something is very wrong with our elections in this country.

151 Only someone who does NOT WANT TO SEE IT can possibly
152 ignore it.

153 Why not conduct a full forensic audit of every county in the
154 COUNTRY?

155 Cost? You must be kidding me! We spend more than it would cost
156 to take care of this matter of vital national interests to protect and
157 provide for and facilitate the criminals flooding into this country
158 — 174k apprehensions, what was that, last week?

159 This is a matter of such importance any price that is appropriate
160 and legitimate must be paid to get it done.

161 Time? AZ laid down the template for doing this — and identified
162 several pitfalls to avoid — like not being aggressive about enforcing
163 subpoenas for the routers, and access to the machines — SORRY
164 DOMINION — YOU DON'T GET TO IGNORE THE LAW OR
165 ESCAPE ACCOUNTABILITY!

166 BUT much of this could be taken care of in a very simple way if
167 only the SCOTUS was not corrupted from the inside — THE
168 FACT IS, THE LEGISLATURE OF EACH STATE DIRECTS IN
169 WHAT MANNER ELECTORS ARE APPOINTED FOR EACH
170 STATE and it is DOCUMENTED that the states in question
171 CHANGED VOTING RULES without passing it through the
172 LEGISLATURE of those states — so, in any country where LAW
173 and ORDER MATTERED — this would settle it! FOUL! And the

174 PENALTY for the FOUL — the electors in such states MUST BE
175 EITHER formally accepted by the Legislature or they must be
176 recalled! It's truly that simple! I mean in a country that cares about
177 following the RULE of LAW.

178 But in this country today, the government is more intent on
179 enforcing illegal mask and vaccine mandates that are contrary to
180 our laws than they are enforcing the real LAWS of our LAND, for
181 example, regarding immigration, and VOTING!

182 Okay, hold on through the break. I'll be right back!

183 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor
184 at the Lighthouse, your brain masseur, and Paul Revere's lantern
185 lighter, lighting the lamps in the church belfry arch, signaling the
186 enemy is on the march, an enemy that would steal from us our
187 liberty.

188 Now, for our second segment I'd like to address two things. First, I
189 want to warn all my biblical Christian listeners to beware of some
190 developments in the Patriot movement that is growing in America.
191 And second, I want to encourage you to join me in something I
192 believe God would have us do to turn this country around.

193 The Patriot movement! What is it? Essentially, it is a movement of
194 God fearing patriots who are calling for a return to our heritage in
195 liberty under GOD.

196 Who are the leaders of this movement? Well, that depends on who
197 you personally are comfortable following. Most people would agree
198 that General Michael Flynn is one of those leaders. Sydney Powell,
199 and Mike Lindell would be counted among leaders of the Patriot
200 movement. I think Linn Wood, and Dave Clemens (the Professor's
201 Record), and Stew Peters would be counted among the leaders.
202 Probably Doug Billings, would be included. Some would also
203 include Dan Bongino, (and in some measure Hannity, and
204 Tucker), Rudy Giuliani, Dan Scavino, of course, and then Wendy

205 Rogers, Joe Oltman, Seth Keshel, good ole Dr. Frank—and then
206 there is Clay Clark who launched the ReAwaken tours and
207 attempts to pull these leaders together to advance the cause by
208 spreading the word—giving these influencers a platform and
209 building an audience for them and their message.

210 There are literally hundreds of others, but I can't name all of them.
211 But, of course, at I must mention President Donald J. Trump. He
212 does not orchestrate this movement, but he is without any question
213 its inspiration and representative.

214 I have heard enough from these folks to say with confidence they
215 all advocate for the restoration of our Republic to God and
216 Country patriotism. We share in common a set of core beliefs and
217 the values that arise out of those beliefs: Justice, liberty,
218 FREEDOM; that all men are created equal with natural rights as
219 endowments from GOD. These all share in the belief that America
220 is and ought to continue to be ONE NATION UNDER GOD —
221 and would identify their own values as consistent with those of our
222 Christian heritage — at least with those values espoused by the
223 words and example of Jesus Christ.

224 I think I have heard, at one time or another, each of these people
225 mention Jesus Christ and set Him forward as our ultimate
226 LEADER and SAVIOUR — although what is meant by SAVIOUR
227 differs among them.

228 And that brings me to something I want to point out. A warning!
229 Some of these people cannot be trusted as guides through this
230 mess, and in fact some are very likely in place specifically to
231 ultimately deliver the movement over to those whose intention is
232 to destroy it.

233 You've probably heard me say Satan always attempts to join any
234 movement initiated by GOD.

235 I mentioned from my pulpit several months ago that the LBC
236 family needed to be aware that some in the "Patriot movement" are
237 heretics, teaching doctrines of devils, and using the current
238 situation to draw away many Christians into all sorts of esoteric,
239 occult, and dangerous doctrines.

240 There is an issue percolating in the Patriot movement right now
241 that illustrates everything I want to warn you about. I want to say
242 by way of preface, most of these guys are, by their own accounts,
243 new Christians. Please keep that in mind.

244 General Flynn has been going to churches quoting a prayer
245 expressed by Elizabeth Clare Prophet. I was going to play a
246 recording of her prayer put side by side with Flynn's, prepared, I
247 think, by Professor Clemments, but there is no time for that.
248 Suffice it to say, it's virtually word for word.

249 There are two reasons this is concerning. First, Clare Prophet —
250 who died in 2009 — was a heretic of the first order. She attempted
251 to blend Christianity with Buddhism, Hinduism, and she adopted
252 teachings of a Russian occult leader named Blavatsky, who
253 worshipped Satan. E. Clare Prophet—talks about "ascended
254 masters," and — well, here is one quote of many hundreds that tells
255 you everything you need to know about Elizabeth Clare Prophet.
256 She was asked to elaborate on the "Masters of the seven rays." Her
257 answer began this way: "IN this age of gurus and masters and
258 teachers, I think it's important to realize that there are truly those
259 who have mastered time and space and who have followed the
260 disciplines of the path of the Christ and the Buddha and who have
261 become one with the eternal light. These are called the Ascended
262 Masters because they have reunited with God in the ritual of the
263 ascension."²

² <https://www.elizabethclareprophet.com/inner-perspectives/the-masters-of-the-seven-rays/>

264 General Flynn picked this up somewhere and is going about
265 leading congregations, ostensibly Christian congregations, in this
266 prayer of Elizabeth Clare Prophet—and in the prayer he refers to
267 the "seven rays" and prays in the name of the Archangels, but
268 curiously does not pray expressly in the NAME of JESUS CHRIST.

269 So, there you have it! David Clemments and Lin Wood have both
270 alerted General Flynn about the connection between his prayer and
271 these occult teachings of Clare Prophet, but, apparently, the
272 General is not convinced and continues with this.

273 I'm trying to figure out what sorts of churches invite Flynn to lead
274 them in this prayer—I watched a video of Flynn with Kenneth
275 Copeland's crowd, but that actually makes sense. Copeland is so
276 doctrinally warped it is obviously not the narrow and straight path
277 set forth by Jesus Christ and the Apostles.

278 I'm out of time, but listen the point is you cannot let your guard
279 down. From the very beginning, seducing spirits teaching doctrines
280 of devils have worked to infiltrate God's MOVEMENT. That's why
281 John warned us to "try the spirits, to see if they be of God." I think
282 the Patriot movement is something GOD stirred up. Sadly, many
283 in its leadership are very shallow in their faith and susceptible to
284 seducing spirits blowing them about with every wind of doctrine —
285 so we need to pray for them. But Lin is doing the right thing to
286 point this out—and Flynn would do well to put it on pause right
287 now and look at this issue more closely. He has been in several
288 churches, and apparently not one of them has a pastor with the
289 spiritual discernment of one of Legion's pigs.

290 To conclude — I want to ask you to join me in prayer about
291 something that has been sort of cooking in my spirit for a while
292 now, and it's about time to be brought out of the oven and served
293 up. It all intensified during the early part of my bout with the CCP
294 bioweapon — COVID — when I spent virtually all day for three or
295 four days listening to the Scriptures being read. I got nearly

296 through the entire Bible and something occurred to me with force
297 that had been whispered into my mind and heart a little time
298 before.

299 God's prophets spoke the WORD of GOD directly to rulers who
300 were in power in their day. And they wrote these messages down to
301 be read. (A message from Jeremiah was carried by messengers to a
302 list of kings—Jeremiah 27; see also 36:28 — God bid Isaiah write
303 the burden or message of the Lord to Moab (Isaiah 15:1), the
304 burden of Damascus (17:1); the burden of Egypt (19:1); of the
305 desert of the sea (27:1); of Dumah (21:11), of Arabia, the valley of
306 vision, of Tyre—God moved His prophets to write down *the*
307 *burden* — God's message laid upon the heart and mind of His
308 prophet — His message to the kings of the earth as His reproof
309 upon those nations, and specifically to those rulers.

310 And He has much to say to rulers — David had this counsel to all
311 who would bear rule: II Samuel 23:3 The God of Israel said, the
312 Rock of Israel spake to me, He that ruleth over men must be just,
313 ruling in the fear of God.

314 When God took the kingdom from Judah and gave it to
315 Nebuchadnezzar, He required of Nebuchadnezzar that he
316 acknowledged GOD, the MOST HIGHT RULES in the
317 KINGDOMS of MEN, and gives it to whomever HE CHOOSES:
318 Daniel 4:17, 25.

319 Isaiah 5:20 Woe unto them that call **evil good**, and **good evil**; that
320 put darkness for light, and light for darkness; that put bitter for
321 sweet, and sweet for bitter!

322 To those rulers who make unjust laws: Isaiah 29:21 That make **a**
323 man an **offender for a word**, and lay **a** snare **for** him that
324 reproveth in the gate, and turn aside the just **for a** thing of nought.

325 To be impartial in judgment: "Ye shall do no unrighteousness in
326 judgment: thou shalt not respect the person of the poor, nor

327 honour the person of the mighty: but in righteousness shalt thou
328 judge thy neighbour" (Leviticus 19:15).

329 Isaiah 59:4-8 "None calleth for justice, nor *any* pleadeth for truth:
330 they trust in vanity, and speak lies; they conceive mischief, and
331 bring forth iniquity. They hatch cockatrice' eggs, and weave the
332 spider's web: he that eateth of their eggs dieth, and that which is
333 crushed breaketh out into a viper. Their webs shall not become
334 garments, neither shall they cover themselves with their works:
335 their works *are* works of iniquity, and the act of violence *is* in their
336 hands. Their feet run to evil, and they make haste to shed **innocent**
337 **blood**: their thoughts *are* thoughts of iniquity; wasting and
338 destruction *are* in their paths. The way of peace they know not; and
339 *there is* no judgment in their goings: they have made them crooked
340 paths: whosoever goeth therein shall not know peace."

341 I am composing letters to the rulers of our land rebuking them for
342 their sins and calling on them to surrender their power to the King
343 of kings and LORD of lords. You see, in Jeremiah's day the issue
344 was that the people refused to yield to the KING to whom GOD
345 had given "the kingdom." That king's name was Nebuchadennazar.
346 The issue today is that our present day secularist rulers proudly
347 and arrogantly refuse to yield their power to the KING to whom
348 the FATHER has given the kingdom — His SON, Jesus Christ.
349 Instead, they rage and contrive and counsel to break the bands and
350 cords of His rule—I will warn them, as Jeremiah warned Judah —
351 they must bow the knee to KING JESUS or they will be destroyed!

352 I'll be calling on these presumptuous rulers to resign their office
353 and humble themselves to the justice of GOD for their crimes.

354 I have lit the lamps in the Church belfry arch and now you let me
355 know if you see them. It's LIGHTS ON if you see the LIGHTS ARE
356 ON and you will ride like Revere and spread the warning,
357 (essentially, it means you agree with what I'm saying) or you say
358 LIGHTS OFF -- which means you reject what I'm saying and

359 disagree strongly with me. So, what will it be today, lights on, or
360 lights off?
