

Brain Massage: Show No. 863 Conceding the Major Premise / What Happened to the AZ Audit?

Jerry Scheidbach

Original Air Date: 01.08.21

1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the  
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain  
3 masseur—get ready for your brain massage.

4 THEME: Patriots (God and Country Conservatives) & Traitors  
5 (God hating, America despising Communists) — are at war for the  
6 soul of America! Some self-styled "patriots" are aiding and abetting  
7 the traitors.

8 Trying to find the bottom of the swamp! We have not sounded the  
9 depths of it yet. Trump sent the sounder and amazingly we are still  
10 waiting for the return ping!

11 Ted Cruz had something to say commemorating the anniversary of  
12 J-6 protests — "We are approaching a solemn anniversary this  
13 week. And it is an anniversary of a VIOLENT TERRORIST  
14 ATTACK on the Capitol." Tucker took him to task. Let's take a  
15 look at this.

16 We suspected the J-6 commission had the dual purpose of  
17 providing cover for the Pelosi-Schumer conspiracy to facilitate and  
18 provoke a riot on J-6 that they could use as a pretext to accuse  
19 Trump supporters of insurrection—all intended to divert attention  
20 away from the real insurrection that they pulled off on Nov. 3. And  
21 rumors ran about early on that the Traitors wanted to use the fake  
22 "insurrection" as a pretext to bar Trump from ever holding office,  
23 by accusing him of inciting their manufactured "insurrection" and  
24 using section 3 of the 14th Amendment to disqualify him from  
25 ever holding office in American government. Well, it has come out  
26 into the open now! Pelosi et al are declaring their intention to use  
27 this faked insurrection to bar Trump from running for office in the  
28 future.

29 Trump rightly responded that this is what it was all about from the  
30 very beginning.

31 I'm praying this will turn on them, that they will be exposed for  
32 what they have done and are doing, and they will be forced to step  
33 down from their office in SHAME and REPROACH. (Pray with  
34 me that Pelosi and Schumer, and Schiff, and Swalwell, and Nadler,  
35 and the others will not be allowed to negotiate a face-saving exit —  
36 they must depart the Capitol in shame and under reproach for  
37 their betrayal and their crimes against the American people.)

38 Hypocrisy is usually just annoying, and insulting! But the  
39 hypocrisy of the Demoncrats is actually hurtful. I think it crosses  
40 over into criminal!

41 Joe Oltmann held a roundtable discussion on the 2020 stolen  
42 election with Dr. Shiva and David Clements — I watched it with  
43 interest, and because I have been following all of this closely, I was  
44 able to appreciate more fully the significance of what Dr. Shiva  
45 brought out. I'm going to offer a sort of "book report" on Dr.  
46 Shiva's testimony during that discussion that you will find VERY  
47 ENLIGHTENING, and that contributes significantly to my theme  
48 today — why are some "conservatives" undermining the interests  
49 of the American people and, I think some wittingly, and others  
50 unwittingly, aiding and abetting the TRAITORS?

51 Okay, my friends; it's time for your Brain Massage!

52 [TRUTH]

53 Ted Cruz throws in with the Pelosi scheme — I could not believe  
54 my ears. Ted Cruz referred to the J-6 protests as a "violent terrorist  
55 attack on our Capitol." He followed this up with a statement that it  
56 raises the question whether appropriate measures were taken in  
57 advance of the protest to protect the Capitol, and insinuated that  
58 Pelosi, et al, are chargeable for failing to do so — nevertheless, for

59 Ted Cruz to characterize the J-6 protests as a "violent terrorist  
60 attack on our Capitol" is deeply disturbing!

61 To Tucker's credit, he took Cruz to task for this statement and  
62 certainly did not hold back: when Cruz admitted his sloppy use of  
63 language was a mistake, and that his characterization was not  
64 intended for the entire body of patriots there to protest, but was  
65 aimed at the few who actually assaulted Capitol police — and that  
66 this is consistent with his representation of any assault on police as  
67 a terrorist act — Tucker retorted in a very straightforward manner  
68 — I don't believe you! You told that lie on purpose. He explained  
69 to Cruz that he has watched his career with interest for many years  
70 and there is no way Cruz does not contemplate the weight of his  
71 words before he banters them about — that of all people, Ted Cruz  
72 is not one who speaks loosely, or cavalierly, that throughout his  
73 career, Cruz has been one to speak very circumspectly, very  
74 precisely, and so Tucker was not buying the line that Cruz spoke  
75 loosely, and chose his words carelessly —

76 Ted bristled some, and insisted he did not mean to characterize the  
77 hundreds of thousands of Patriot Protesters gathered at the Capitol  
78 as "violent terrorists" — so, what does the Brain Masseur make of  
79 this?

80 It's an example of something I've brought to your attention several  
81 times. Often, "our side" steps into the trap of conceding the MAIN  
82 POINT of the argument in an attempt to make some other, almost  
83 minor point, in their debate with the enemy. They UNDERMINE  
84 their own position by GIVING in to a MAJOR FALSE premise —

85 Let me explain!

86 I think Cruz wanted to set up a sort of "trap" for the  
87 Pelosi/Schumer crowd to direct attention to the fact that they did  
88 not do what was necessary to protect the Capitol from a "violent  
89 terrorist attack." We all know that Pelosi coordinates with the

90 Capitol police, and we all know they were forewarned trouble  
91 could break out at the Capitol, and we all know they were offered  
92 deployment of the National Guard by President Trump to provide  
93 protection of the Capitol building during the Protest, and we all  
94 know they declined the offer, and we all know the communications  
95 between the Capitol Police chief and Pelosi and or her office,  
96 include discussion regarding plans for impending trouble on Jan. 6,  
97 and we all know these communications are being hidden from  
98 public scrutiny by Pelosi-Schumer, et al, and we all know the  
99 comparisons of J-6 to Pearl Harbor, and 9-11 are ludicrous — over  
100 2000 died at Pearl, and over 2000 more on 9-11 — while only ONE  
101 died Jan. 6, and that was an UNARMED MAGA patriot — and we  
102 all know that a fellow named Epps at the protest was agitating  
103 Patriots to enter the Capitol building, and we all know that some  
104 Patriots in the crowd signaled him out as FBI, FBI — and refused  
105 to follow his lead — and we know he was featured on the  
106 WANTED list until it was discovered that, well, what was  
107 discovered that caused his face to be scrubbed from the FBI's  
108 WANTED LIST? And we all know that Sullivan, the featured  
109 INSURRECTIONIST was literally escorted into the Capitol  
110 building by a Capitol police officer, that reporters were there with  
111 him — THIS IS STUFF WE **KNOW!** AND on video Viking head-  
112 dress and war painted Sullivan boasted — "we did it. We got them  
113 to come into the Building. Let's burn this place down." These are  
114 things **WE KNOW** — and it all points to CONSPIRACY! —

115 And CRUZ does NOT NOW THESE THINGS? Cruz does not  
116 know about a woman, White, who was BEATEN BY CAPITOL  
117 POLICE stricken 40 times with their batons, jabbed, pushed to the  
118 ground, pulled by her hair, smashed in the face with the fists of  
119 these Capitol Police bullies — pepper sprayed, I think two or three  
120 times — a gang of Capitol police were unable to subdue this  
121 woman without beating her nearly to death? OUTRAGEOUS!

122 We all know about the Sicnkick LIES, and the lies about the other  
123 three officers supposedly killed by rioters — NONE OF THEM  
124 DIED AT THE HANDS OF RIOTERS! Cruz does not know all  
125 this?

126 Antifa were swarming all over the Capitol grounds that day pulling  
127 down barriers, planting MAGA apparel for use as disguises, THIS  
128 IS CAUGHT ON VIDEO — these are things WE KNOW! None of  
129 this is speculation — Cruz does not know these things?

130 Identify any single genuine MAGA supporting Patriot that actually  
131 became violent — one guy was provoked to grab an officers body  
132 shield and tussle with that officer and repented deeply for his error.

133 The VIOLENCE was instigated by ANTIFA and FBI plants, also  
134 caught on video, removing barriers to facilitate Patriots to enter the  
135 building.

136 And on the EAST side, Capitol Police were waving Patriots into the  
137 building, high fives, selfies clicked — encouraged to enter — these  
138 might have been instructed to do this by Pelosi via the Capitol  
139 police command — or they might have been participating in the  
140 Sullivan scheme to get protesters into the building —

141 We had members at the protest — who watched the Capitol police  
142 waving people into the building, but they felt uncomfortable with it  
143 and did not follow them inside.

144 WE KNOW FOR A FACT that the DEMS sat on their hands while  
145 real terrorism went down during the "summer of love" — and that  
146 the May 2020 *terrorists* that attacked the White House after  
147 Trump's inauguration have ALL BEEN RELEASED AND ALL  
148 CHARGES DROPPED — and, well, you see, WE KNOW ALL OF  
149 THIS. Cruz knows all of this — so how is it possible a man of  
150 intelligence, with much experience in government, and  
151 knowledgeable of the ways of Washington would make such a  
152 gross miscalculation, and literally THROW MAGA PATRIOTS

153 UNDER THE BUS, as they say, and refer to J-6 in THE VERY  
154 LANGUAGE the left has been trying to stick to that event from the  
155 beginning of this fiasco?

156 This is what the devils are trying to establish — this is the VERY  
157 POINT, the MAIN POINT, and by the way, the ONLY  
158 ESSENTIAL POINT the wicked devils on the left are trying to get  
159 firmly established in the minds of the American people regarding  
160 J-6 — and Cruz, one of our own CHAMPIONS, sits there and  
161 GIVES IT TO THEM, he hands it to them on the proverbial silver  
162 platter, HE CONCEDES the ONLY POINT THAT MATTERS, he  
163 concedes to them their MAJOR PREMISE, he legitimizes their BIG  
164 LIE about J-6 and calls it a "violent terrorist attack on the Capitol."

165 So Tucker does not buy in to his explanation, which I've given  
166 already, and you probably heard. He tells Ted, to his face, I don't  
167 believe you; you told that lie on purpose, what I want to know is  
168 WHY?

169 Okay — first, this illustrates something I've been watching with  
170 deep concern: the tendency among some of our own to actually  
171 give their support to the major premise of our enemy's falsehoods.  
172 IN this case, and listen, believe me, the left does not care nearly so  
173 much about Cruz accusing Pelosi of failing to prepare properly for  
174 the Jan 6 protests as it WELCOMES Ted's concession to the  
175 MAJOR PREMISE of their lie — that the J-6 protests were a  
176 "violent terrorist attack on the Capitol."

177 So why did he do this? Only GOD and Ted know for sure! But  
178 much experience provides a pretty good basis for diagnostics. So!

179 Ted wanted to set up an attack on Pelosi, Schumer, and the rest, for  
180 failing to properly prepare for the J-6 Protest and the very real  
181 possibility the advance warnings of potential violence would  
182 accompany the protests. Now, in that context, you can see how  
183 denying the MAJOR PREMISE of the left would actually

184 undermine his argument — because if there was no "violent  
185 terrorist attack" the question of Pelosi's failure to prepare for it  
186 would be virtually meaningless — or moot. So to enhance his  
187 accusation against Pelosi for failing to be prepared, he CONCEDES  
188 that the event was a violent terrorist attack. I think we both agree,  
189 Ted does not think of the MAGA Protesters as "violent terrorists,"  
190 and I think he made a totally brain dead calculation in his  
191 argument — and he made the huge mistake OF GIVING THE  
192 LIARS EXACTLY WHAT THEY WANTED — *Even Ted Cruz*  
193 *admits the J-6 protest at the Capitol building was a violent terrorist*  
194 *attack on the Capitol.*

195 But now I have a question for Tucker. And for Hannity. And for  
196 the others at FoxNews. What is the MAJOR PREMISE of the  
197 FAUCI liars regarding vaccinations? Everyone needs to take the  
198 Jab. Even though we KNOW FOR A FACT that the jabs don't  
199 work; even though we KNOW FOR A FACT that there are 11k  
200 conspicuous deaths connected with the JAB, even though we  
201 KNOW FOR A FACT that Pfizer with their cohorts in the FDA  
202 manufactured a FAKE story that FDA has approved the BioNtech  
203 jab and has used this to LIE to the AMERICAN people trying to  
204 convince them it's a "fully approved vaccine," — NO, hold on, this  
205 is not a *theory*, this is not a speculation — these are FACTS — even  
206 though we KNOW FOR A FACT that one of Fauci's buds  
207 conspired with a group of establishment doctors to create a FAKE  
208 study showing HCQ is deadly, and cannot be trusted as a  
209 therapeutic for COVID, the so-called LANCET STUDY — HEY,  
210 THIS IS NOT A THEORY, THIS IS NOT A CONSPIRACY  
211 THEORY, THIS IS NOT SPECULATION, this is a FACT —  
212 Lancet was forced to withdraw the paper in shame because it was  
213 exposed as FRAUD — and yet AND WE KNOW THIS FOR A  
214 FACT, FDA continued to use this study as basis for refusing to  
215 recognize HCQ as a viable early treatment for COVID — IT IS A  
216 FACT THAT FAUCI AND THE FDA AND THE CDC ARE

217 CHARGEABLE FOR CRIMES AGAINST HUMANITY FOR  
218 FRAUDULENTLY WITHHOLDING EARLY TREATMENT FOR  
219 COBVID PATIENTS — these are facts! Hey, fake FB fact checkers,  
220 prove me wrong. And don't just report what some other medical  
221 quack, some other snake oil salesman, like Fauci and Pfizer and  
222 their bought and paid for doctors and medical professionals and  
223 their "statements" — the "statements" of scientists is not SCIENCE  
224 — like my teacher insisted in grade school math — SHOW YOUR  
225 WORK! — SHOW THE SCIENCE THAT PROVES THESE  
226 ALLEGATIONS WRONG.

227 YOU CAN'T, AND THE REASON IS, THESE ARE HARD  
228 FACTS.

229 So, Tucker, Hannity, Bongino, all beloved conservative champions  
230 — you guys don't know these things? You don't see they are  
231 PUSHING the JAB agenda sooooo hard, and you are not the least  
232 suspicious? You have not taken a deep look into the allegations of  
233 the many doctors who signed the Barrington Declaration — you  
234 don't see that Fauci and the FDA and the CDC extraordinary  
235 efforts to block Americans from real helpful early treatment was in  
236 order to make the vaccine the ONLY SOLUTION — you don't SEE  
237 this and question — why are they pushing this jab!

238 But instead, in almost every report you present on the vaccine  
239 issue, you LEAD WITH A CONCESSION TO THE MAJOR  
240 PREMISE OF THEIR LIE — everybody ought to get the jab; I've  
241 been jabbed, double jabbed, triple jabbed, I believe in the vaccine  
242 — WHY? Don't you see that's ultimately all they really care about;  
243 that's the only hill they will fight to the death to hold — MUST  
244 SUPPORT THE JAB —

245 Is it because your owners won't allow you to expose what doctors  
246 Malone, and others have warned about? The ONE thing you  
247 MUST DO is SUPPORT THE JAB!

248 You see that's the MAJOR PREMISE of their LIE. For reasons  
249 explored by some very informed medical professionals, like former  
250 Trump doctor Zelenko, there is great cause for alarm that someone  
251 is coming at you with a hypodermic needle who has been talking  
252 about the role of his vaccines to reduce human population—Gates!  
253 No! This is a fact. This is not speculation — this is not hyperbole.  
254 Gates has openly talked about his hope that through his vaccines  
255 he can help alleviate the burden of over population on this planet.

256 Gates is not even a doctor! Why is anyone listening to him? How  
257 did he become so influential in all of this? MONEY!

258 Watch for this and you'll see it in play! A conservative concedes the  
259 major premise of the lie the opposition is trying to promote. They  
260 do it all the time. It's a WILE of the DEVIL! You need to beware of  
261 it and avoid it.

262 I'm going to have to take a short break and do a condensed  
263 summation of my comments on the status of our battle for the  
264 ballot box in America — I'll be right back!

265 Yeah, I went way long so we'll skip the break! Segment.02 Hello.  
266 Welcome back! I'm Dr. Jerry Scheidbach, pastor at the Lighthouse,  
267 your brain masseur, and Paul Revere's lantern lighter, lighting the  
268 lamps in the church belfry arch, signaling the enemy is on the  
269 march, an enemy that would steal from us our liberty.

270 Dr. Shiva exposes the GRIFTERS! This was an exceptional  
271 roundtable discussion and it will, likely, at first really disturb you.  
272 But for me, it clarified so many of my questions regarding the AZ  
273 audit. It explains what happened.

274 Dr. Shiva, as many of you know, was running for office in MI back  
275 in 2016, and he ran up against the Establishment GOP — he  
276 claims, and many observers agree, that in MI the GOP and the  
277 DNC work together.

278 Anyway, he ran into the ELECTION MACHINE constructed by  
279 the Deep State whereby they can SELECT winners of political  
280 office rather than allow the people to ELECT them.

281 So he has a personal interest in ELECTION INTEGRITY and  
282 makes the excellent point that you CANNOT TRUST PEOPLE  
283 WITHOUT INTEGRITY TO RESTORE INTEGRITY TO OUR  
284 ELECTIONS.

285 He explained in detail the problem we faced in AZ. There are  
286 genuine patriots who are indifferent to POLITICAL PARTY and  
287 totally committed to getting at the TRUTH — who can see the  
288 evidence of extensive election fraud and want to get to the bottom  
289 of it. Then there are those political hacks, both Democrat and  
290 RepublicRAT who deny election fraud — and who are more often  
291 than not involved in it up to their necks.

292 Understand something, and please don't forget this. The DEEP  
293 STATE crosses party lines. The GLOBALIST Elites have their  
294 people embedded deeply in both parties — it's true the DEMS are  
295 saturated with the NIMRODIANS — but the enemy has cleverly  
296 placed NIMRODIANS in the GOP also, in key positions, to hinder  
297 any effort on the part of the PATRIOTS in that party from  
298 overturning their TOWER of ONE WORLD GOVERNMENT.

299 My point is, the elites DO NOT CARE WHICH PARTY  
300 PREVAILS SO LONG AS THEY DECIDE WHICH  
301 CANDIDATES WIN KEY ELECTIONS.

302 Nothing threatens them more than losing control of the BALLOT  
303 BOX.

304 SO HERE WE GO AGAIN. The MAJOR PREMISE of the DS liars  
305 is — 2020 election results must be preserved — look forward to  
306 2022, and 2024. You see — WHATEVER YOU DO leave 2020  
307 alone, and don't FIX the broken election system in America.

308 But, back to what Dr. Shiva pointed out.

309 You might remember how often I warned don't just sit back and  
310 trust the AZ audit is going to solve everything — they will fight  
311 back, they are fighting back, they are up to something, you need to  
312 pray God will expose it, whatever it is.

313 Well, guess what, Dr. Shiva shows that Pulitzer is a putz. He shot  
314 holes all through his work, exposed it as premised on errors, and  
315 lack of knowledge about how the system works — but, like Tucker  
316 on Ted — I know Pulitzer is a brilliant man — and a man who has  
317 had some integrity issues along the way — and a lifelong  
318 Democrat, by the way, who claimed the TRUTH was his only  
319 concern, and so weighed in on this election fraud stuff and ended  
320 up creating what our friends called a huge amount of white noise  
321 that effectively kept us from looking at the SIGNAL — what Dr.  
322 Shiva calls the ELEPHANTS in the ROOM. Something he will  
323 address next.

324 You see, we were infiltrated! Doug Logan who was the Cyber  
325 Ninjas leader that helped conduct the AZ Audit mysteriously failed  
326 to give data Dr. Shiva needed to do his job on the audit team.  
327 Refuses to answer for his odd behavior — the audit team had the  
328 ballot images from the Dominion machines for several weeks if not  
329 months while Dr. Shiva was waiting for them to be delivered to  
330 him from Dominion who was stonewalling — why didn't the audit  
331 team give these to Dr. Shiva? Remember the routers were never  
332 presented, and the audit team, it turns out, did very little to put any  
333 real pressure on the County to get access to these — it's was a  
334 clown show. Smoke and mirrors to deflect attention away from  
335 their INACTION, and all the while the results they were producing  
336 were bogus — this is a serious problem. The entire exercise wasted  
337 hundreds of hours and months of precious time — they are  
338 running out the clock on us! But Dr. Shiva and other genuine  
339 patriots are ready to step in and get us focused on the REAL CASE  
340 against ELECTION FRAUD. One thing, though! I notice Dr. Shiva

341 did not INCLUDE FRAUD IN THE MACHINES as one of his  
342 ELEPHANTS in the room. When he was challenged, he did say  
343 some things that suggest he does understand the MACHINE  
344 PROBLEM, it is clear that Joe Oltmann does, but frankly, it seemed  
345 to me Dr. Shiva would prefer to let that dog lay — MAN! It's so  
346 hard to break through this Satanic STRONGHOLD —

347 And that brings me to my conclusion.

348 Christians are the key! I spoke to this in my Comfort and Counsel  
349 for the Present Distress visit last night, and will take it up some  
350 more on Saturday. Please listen!

351 Christians — vessels in which the SPIRIT OF JESUS CHRIST  
352 DWELLS, possessors of the power of the KINGDOM OF CHRIST,  
353 and His CHURCHES in possession of the KEYS OF THE  
354 KINGDOM, with POWER over devils to tread upon them as  
355 scorpions, and POWER over Satan himself, when submitted to  
356 GOD, to resist the Devil and compel him to flee — but Christians  
357 are pathetic today and so weak spiritually.

358 Much of their weakness comes from lies they believe. For example,  
359 they constantly reinforce one another with vanities like — I read  
360 the end of the book and I know we win. Vanity? Of course, that is  
361 true, and there is great strength drawn from that TRUTH to  
362 encourage us in our present battle — BUT THE FACT THAT  
363 GOD WINS IN THE END DOES NOT GUARANTEE YOU WILL  
364 WIN THIS PRESENT BATTLE. Christian — YOU CAN LOSE!

365 In fact, with all your talk about winning, winning, winning, you are  
366 going to have to at some point stop and look at the reality that you  
367 have been and are presently in fact LOSING.

368 There is evidence of a moving of GOD, a stirring of His finger  
369 directing affairs toward JUSTICE, but right now, face it — GOD is  
370 not demonstrating His great power to overcome your enemies  
371 right now.

372 Christians have a remarkable capacity for ignoring chastisement,  
373 ignoring when God is expressing His displeasure, closing their eyes  
374 to their own failures and throwing aside their own personal  
375 responsibility for the judgment that has come upon us.

376 The number one quality essential to a proper relationship with  
377 GOD is honesty, and following that, humility, and following that,  
378 HOLINESS.

379 You had better get honest with God and quite trying to explain  
380 away the FACT that we are praying for GOD to deliver us from  
381 these wicked and unreasonable men and women, and yet He is not  
382 doing that. To say, well, it's not His timing? How do you know?  
383 How do you know He would not have thrown off these oppressors  
384 years ago if YOU were living like you ought to and doing what  
385 your are supposed to be doing. You can't go on in disobedience to  
386 GOD and carelessness about your own sin, and then pass off God's  
387 refusal to HEAR OUR CRY — I mean, how many times are we  
388 going to appeal to II CHRONICLES 7:14 to GOD's face that is  
389 TURNED AWAY FROM US before we finally admit, we have a  
390 PROBLEM that is bigger than anything going on here — we have  
391 offended GOD. And we must REPENT as His people — Pelosi and  
392 the rest of them need to REPENT to be saved — but God's People  
393 need to REPENT to be HEARD!

394 It starts be getting honest. Admit it! Satan has prevailed so greatly  
395 in our nation because God's people sat back and let it happen.

396 One simple example — you arrogant so called "Christian" who  
397 despises the LORD's CHURCHES. I hear it all the time from  
398 "Patriots" — well, the church is not the answer. That's exactly what  
399 Satan wants you to believe and you serve him well when you  
400 SUPPORT THE MAJOR PREMISE OF HIS LIE — Jesus has not  
401 forsaken His churches, and there are churches that are standing up  
402 to the lies of Satan and challenging the strongholds.

403 You need to be in church. And you need to quit supporting these  
404 namby-pamby WORLD LOVING churches and put your support  
405 behind a real BIBLE believing, CHURCH that understands  
406 spiritual warfare — but look, I've been around long enough to  
407 know the average believer is lazy, spiritually dull as post, and so full  
408 of the filthiness of the flesh and spirit they are a vessel unfit for  
409 Christ's use. They concede to the MAJOR PREMISE of Satan's lie  
410 — it's instinctive for them to aid and abet the DEVIL — to broadly  
411 condemn the only ORGANIZATION CHRIST established in the  
412 EARTH to be the GROUND and PILLAR of the TRUTH, the  
413 headquarters of His KINGDOM AUTHORITY in the earth —  
414 indeed, He walks in the midst of HIS CHURCHES, not the edifices  
415 of political power in the earth — you need to be in church, my  
416 friend.

417 I have lit the lamps in the Church belfry arch and now you let me  
418 know if you see them. It's LIGHTS ON if you see the LIGHTS ARE  
419 ON and you will ride like Revere and spread the warning,  
420 (essentially, it means you agree with what I'm saying) or you say  
421 LIGHTS OFF -- which means you reject what I'm saying and  
422 disagree strongly with me. So, what will it be today, lights on, or  
423 lights off?
