

1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain
3 masseur—get ready for your brain massage.

4 Any politician, or any American for that matter, who willingly
5 ignores the FACT that the 2020 election was stolen is a coward and
6 has betrayed this country.

7 The Freedom to Vote Act¹ (S. 2747), introduced September 14,
8 2021 was brought up for a vote and failed to pass — and thank
9 GOD! I will offer some insight on this Bill and also a correction
10 regarding comments I have made regarding the Constitutionality
11 of the Bill.

12 Have you noticed how the MSM is turning to the Chairman and
13 CEO of Pfizer for a COVID strategy spokesperson? Are they
14 getting ready to drop Fauci? Don't you think it's weird that the
15 LEFT would ignore the obvious CONFLICT of INTEREST here?
16 — Of course not! The children of disobedience have been so
17 exposed they don't even try to hide their duplicity anymore. In fact,
18 they delight in shoving it into our faces!

19 The J-6 investigation continues! Judicial Watch obtains records
20 through a FOIA request that reveals that govt. authorities ordered
21 Ashli Babbit's body cremated WITHOUT HER HUSBAND'S
22 PERMISSION.

23 And, finally, hey, have you noticed how devilish Biden has been
24 looking lately? Have you noticed how much "energy" he seems to
25 have, how intense and even feisty he is becoming? Hmmmm?

¹ <https://www.congress.gov/bill/117th-congress/senate-bill/2747/text>

26 But, friends, JESUS CHRIST IS KING, AND ALL MANKIND ARE
27 HIS SUBJECTS—although we are surrounded by the forces of the
28 spirit of ANTICHRIST, we have the FORCES OF HEAVEN on our
29 side and if we will SUBMIT ourselves to GOD, we can RESIST the
30 Devil and he will be compelled to FLEE —.

31 So, my friends, take heart, and get ready — it's time for your
32 BRAIN MASSAGE!

33 [TRUTH]

34 I said any politician, or any American for that matter, who
35 willingly ignores the FACT that the 2020 election was stolen, is a
36 coward and has betrayed this country. These are strong words —
37 but consider this.

38 Newt — as much as I love him — must be blind as a headless
39 Wuhan bat to say effectively "He [Biden] won the election, you've
40 got to give him that!" EXCUSE ME! No! We don't HAVE TO
41 GIVE HIM THAT — but you and the rest of the cowards on the
42 right certainly go out of your way to "give him that." Giving him
43 that gives him EVERYTHING! Giving him "that" throws the
44 American patriots under the bus — and I for one am sick and tired
45 of this. Hey, Newt, 58% of all Americans distrust the MSM, the
46 pollsters have been politicized for years now manipulating the
47 numbers to prop up the agenda of the Socialists in this country —
48 and most Americans know this to be true. For the "polls" to say as
49 many as 39-40% of Americans believe the 2020 election was stolen
50 means something like 50-60% believe it was stolen.

51 82% of FoxNews viewers believe the 2020 election was stolen —
52 and we know FoxNews is in something like 87 million households
53 with 2.5 million viewers nightly—and those are old numbers —
54 back before CNN tanked, losing 70% of their viewership since the
55 election — NO ONE WITH SENSE BELIEVES BIDEN GOT 80
56 MILLION AMERICANS TO VOTE FOR HIM — the evidence of

57 voter fraud is massive, and we know the Dominion theft machines
58 are DESIGNED to steal elections.

59 The 2020 election was stolen! And unfortunately, the reason a lot
60 of GOPers refuse to acknowledge it is that it involves them too.
61 That is, it involves a lot of GOPers — the RIGHT to ELECT our
62 representatives has been stolen from us by people who want to
63 control elections so they can SELECT our representatives.

64 If they did not steal 2020 — then allow full forensic audits in every
65 state and let's settle this issue once and for all. The DEVIL DEMS
66 and their propaganda organ—the MSM—want to call it "the big lie"
67 — but then they war against any effort to do a full forensic audit in
68 at least the so-called swing states. They fight against this just
69 exactly like someone who has something they are desperately
70 trying hide.

71 Americans, we have got to stop allowing these bullies to blow us off
72 with their "declarations," "denials," "denunciations," and their
73 "accusations" — we cannot allow them to shout us down — WE
74 MUST DEMAND THEY SHOW PROOF!

75 We have seen Dominion machine manuals that provide
76 instructions regarding a feature available in the machines called
77 fractionalized votes. A voter registers their vote, and the machine
78 *can be* calibrated to divide up that vote — giving, say, 60% to one
79 candidate, 10% to another, and 30% to yet another. We KNOW for
80 a fact that the Dominion theft machines are programmed with this
81 feature. Of course, Dominion says that feature is turned off, or not
82 used, and so on. And there you go again! They TOLD US THE
83 FEATURE IS TURNED OFF so we walk away, like a tail tucked
84 puppy dog, OKAY MASSA!

85 What is wrong with us? What happened? Have we forgotten the
86 Reagan maxim: TRUST but VERIFY? But every time we attempt to
87 VERIFY Dominion's claims, they lawyer up, and RESIST every

88 effort to actually examine the machines used in the 2020 election
89 — at least until after they have had opportunity to get to them and
90 offload data — WHICH WE KNOW THEY HAVE DONE. We
91 know, for a fact, that State LAWS were BROKEN in this last
92 election, we watched video of these yahoos pulling ballots out from
93 under tables after the observers were dismissed on some bogus
94 claim of a water leak — WE SAW THE PROOF — but these devils
95 tells us, like some Jedi Master — "YOU DID NOT SEE WHAT
96 YOU SAW, THERE IS NO VOTING FRAUD HERE!" And like a
97 bunch of weak minded mush heads, who have not even the brain
98 power of a giant disgusting worm named Jabba — they repeat,
99 "THERE IS NO FRAUD," "THERE IS NO FRAUD." Like they are
100 in some sort of trance or something.

101 But, they are not fooling me! (Hehe!) That "mind control" gig is a
102 gag used to amuse — (amuse — not think — turn off your critical
103 thinking).

104 The only reason so many GOPers cave to the DEMON DEMS
105 bloviating about "the big lie" and take every opportunity to
106 encourage us to accept the 2020 election as legitimate is that THEY
107 ARE IN IT UP TO THEIR OWN WICKED NECKS. They know
108 that WHEN this finally comes out, many of their own will GO
109 DOWN with the DEMON DEMS. They want to avoid the
110 embarrassment.

111 Many States are cleaning up their act and putting in place laws to
112 restore election integrity — and that's good. Some corrupt
113 Republicans, no doubt, hope to keep their own participation in this
114 evil hidden by giving 2022 as atonement for their sins, and the
115 DEVIL DEMS are going to go along, to a point, to keep their SINS
116 covered and to PRESERVE their future CONTROL of elections.

117 Here is how I'm praying about this, and I encourage you to join
118 me.

119 The Dominion theft machines facilitate the STEAL but they need
120 the cover of what Lindell calls "domestic election fraud."

121 In order to distract us all from the machine fraud, they throw up
122 the diversion of domestic fraud. But more importantly, they need
123 the domestic fraud to produce the fake ballots needed so that if an
124 audit is called for, they will have the ballots needed to cover for
125 their manipulation of the vote. This is why we need a forensic audit
126 — when we look more deeply into all of this, and it's the reason, for
127 example, that we can't get to the bottom of this without the routers,
128 and without access to examine the Dominion theft machines.

129 Notice that is the hill they will die on — they will reluctantly allow
130 us to get close enough to see and show "some" domestic fraud —
131 but when it comes to the routers, and the machines — NO WAY!
132 That's where they will entrench and fight to the death to stop us!

133 The reason is OBVIOUS! That's where the smoking gun is hidden.

134 We have a hard battle ahead of us! We have to fight the DEVIL
135 DEMS AND the RASCALLY REPUBLICANS. But we must not
136 back off this hill — hill ELECTION 2020 MUST BE TAKEN!

137 We can hope Manchin and Sinema will continue to STAND
138 STRONG against throwing out the filibuster, and that enough of
139 the GOPers will continue to stand with the PATRIOTS to oppose
140 the current effort by schemer SCHUMER Schumer — and his
141 *comtraitorits* — antonym for compatriots — to push through the
142 FREEDOM to VOTE Act — which would undermine all the work
143 being done in the States to restore election integrity — and that this
144 current block will hold. Because, without the domestic fraud, they
145 cannot cover the machine fraud — and so in order to hold on they
146 will be forced to let the PEOPLE ELECT representatives of their
147 choice and we can hope to take the CONGRESS out of the hands of
148 the DEVILS now holding power there.

149 However, these DEVIL DEMS are so desperate to hold their power,
150 it would not surprise me if they did not go ahead and unleash the
151 DOMINION THEFT Machines in 2022 with or without their cover
152 — knowing it will take at least a year to process complaints
153 through the various channels of appeal — into the courts, up to the
154 SCOTUS — and that will give them a sort of stay of execution for
155 their crimes and allow them to stop the flurry of investigations into
156 their crimes certain to come if PATRIOTS gain control of
157 CONGRESS, and a little more time to complete their plan to bring
158 America totally under the control of the likes of Karl Schwab, and
159 his handlers — you know, the World Economic Forum, platform
160 for EVENT 201 — the guy whose vision for the future is
161 summarized in his statement that "YOU WILL OWN NOTHING.
162 AND YOU WILL BE HAPPY." Well, let's pray that very soon he
163 and his cohorts will own nothing, and we'll see if they will be happy
164 with that!

165 Okay, I need to wrap the first segment! Friend, we must continue
166 to put pressure on our representatives to AUDIT ELECTION 2020
167 — and I don't mean merely recount the fraudulently created ballots
168 — in fact, forget the ballots — GO STRAIGHT FOR THE
169 MACHINES — EXAMINE the ROUTERS AND DOMINION
170 THEFT MACHINES. That must be INSISTED UPON. Forget
171 about recounting the ballots, OR EVEN WASTING TIME WITH
172 THE PAPER — LET'S SEE THE ROUTERS AND EXAMINE THE
173 MACHINES.

174 Hold on through the break; I'll be right back!

175 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor
176 at the Lighthouse, your brain masseur, and Paul Revere's lantern
177 lighter, lighting the lamps in the church belfry arch, signaling the
178 enemy is on the march, an enemy that would steal from us our
179 liberty.

180 The Freedom to Vote Act² (S. 2747), introduced September 14,
181 2021 was brought up for a vote in October, and failed to pass —
182 and thank GOD! It failed because the Republicans invoked a
183 filibuster, which blocked the Bill from being acted on unless the
184 Senate could break the filibuster with a minimum of 60 votes. A
185 filibuster happens when legislators opposing a Bill hold the floor
186 indefinitely — delaying action on the Bill — and it requires at least
187 60 Senators to vote together to stop this from continuing. The vote
188 to stop a filibuster is called cloture — a vote to END DEBATE and
189 move the motion for an immediate vote. Schumer failed to rally the
190 60 votes he needed for cloture. So the Bill failed!

191 On Jan 19, last Wednesday night, Schumer attempted to lead the
192 Senate to remove the filibuster, for certain Bills, but Democrats
193 Manchin and Sinema refused to go along with him and the vote
194 failed. What is it about this Bill that should concern us?

195 I have a link to the text of the Bill in my show notes. Here is a
196 synopsis of the items that should concern us: 1. same day
197 registration; 2. Automatic registration; 3. Internet registration
198 (allows for anonymous registration facilitating impersonation); 4.
199 accepting voter registration from voters under 18 years of age; 5.
200 early voting; 6. voting by mail; 7. universal mandated absentee
201 balloting; 8. using a previous absentee ballot application for
202 subsequent elections; 9. prohibiting restrictions against curb-side
203 voting (something Alabama made illegal, which law was supported
204 by the SCOTUS, recognizing the States legitimate concerns); 10.
205 virtual elimination of any meaningful voter identification
206 requirement; 11. making it almost impossible to identify and block
207 ineligible voters from voting; 12. making it almost impossible to
208 remove bad election administrators; 13. creating circumstances
209 where election workers can "claim" harassment from, say,
210 observers, which has a chilling effect on election worker

² <https://www.congress.gov/bill/117th-congress/senate-bill/2747/text>

211 accountability; 14. what looks like criminalizing other
212 accountability measures; and more. —

213 Now, I need to make a correction on a mistake I made regarding
214 the Constitutionality of Congress making laws governing elections.
215 The Constitution DOES ALLOW CONGRESS to make LAWS
216 regulating elections — see Article One, Section 4 "The Times,
217 Places and Manner of holding Elections for Senators and
218 Representatives, shall be prescribed in each State by the Legislature
219 thereof; BUT THE CONGRESS MAY AT ANY TIME BY LAW
220 MAKE OR ALTER SUCH REGULATIONS, except as to the Places
221 of chusing Senators." I wanted to fact check myself before I came to
222 my radio/podcast today, and noticed the full text of the
223 Constitution on this question makes it clear Congress does have
224 Constitutional authority to stipulate election law for the States.
225 Yikes!

226 So, this underscores just how close we are to losing the RIGHT to
227 VOTE altogether. It also emphasizes the importance that we TRUE
228 the VOTE, NOW! We must INSIST that the DOMINION theft
229 machines be examined, and the routers — and hope they have not
230 used the time we have foolishly given them to cover their tracks.

231 For all my fellow warriors — fast and pray God will empower you
232 to bring down the satanic strongholds that protect these people
233 from the ROMANS 13 sword of judgment. WE need patriots with
234 the courage to USE the divinely appointed sword to execute GOD's
235 WRATH against these evil doers — pray the three prayers of Elisha
236 — but I'm getting ahead of myself here.

237 Have you noticed how the MSM is turning to the Chairman and
238 CEO of Pfizer for a COVID strategy spokesperson? Are they
239 getting ready to drop Fauci?

240 Fauci is certainly under intense fire — Senator Rand Paul is openly
241 calling for him to be FIRED!

242 Fauci certainly deserves to be fired — he is a shill for the
243 Pharmaceutical companies — has a personal stake in pushing the
244 vaccines——

245 But bringing forward the Chairman and CEO of Pfizer as the point
246 man leading us through their manufactured COVID crisis? Isn't
247 that a bit, well, weird? If we are concerned about FAUCI's conflict
248 of interest affecting his judgment as the COVID champion, why
249 would we turn to the CEO of the Pharmaceutical company that has
250 a reputation for lying to the public, I mean, they've paid out huge
251 fines for their malfeasance in the past — and can anyone have a
252 greater CONFLICT OF INTEREST than the CHAIRMAN and
253 CEO of PFIZER — what are these people thinking? The blatancy of
254 their hubris is so shocking it's literally mind numbing — and
255 maybe that's the strategy. They really HAVE NOTHING!

256 What accounts for this? Well, you might consider the old adage,
257 follow the money! Joe Rogan put together a revealing montage:³
258 Here is the link — it's a video and it shows how virtually every
259 MSM outlet has its hands in Pfizer's pockets: Good Morning

273 Well, that explains a lot!

274 So, Chairman and CEO of Pfizer is assuring us that the first two
275 shots he sold us are virtually worthless to protect us — No! I'm
276 serious, and he did not even use weasel words to say this, he flat
277 out told us the first two shots provide little to NO PROTECTION
278 — he assures us that the FOURTH shot will do it — will do what?
279 Well, they've given up trying to sell us the line that their shots will
280 provide immunity — he says, the fourth shot will help you avoid
281 hospitalization and death.

282 So Albert Bouria — with a German accent so thick if his voice was
283 a bit deeper you would mistake him for fellow German born
284 Kissinger — is running an American company, founded in 1849 by
285 two German immigrants, in New York — so they are keeping the
286 company held close to their original homeland? Interesting!

287 So the MSNBC host, I did not notice her name on the screen and
288 don't recognize her — but she is slobbering all over Albert —
289 praising him for bringing forward one of the GREATEST
290 SCIENTIFIC ACHIEVEMENTS of ALL TIME — really? The failed
291 Pfizer shot? The greatest scientific achievement of all time? She
292 asks him, "so, how did you do it?" First, he demurs and deflects the
293 lavish praise to the many hands that helped — and attributes the
294 success to "Human engineering in the private sector."

295 Human ENGINEERING! Then the slobbering MSNBC hostess
296 asks him about any hurdles he must negotiate to get "the world in
297 order." That was odd phrasing! Get the world in ORDER. Hmmm.
298 I have heard many other reports explaining that this is in fact
299 exactly what the COVID game is all about — getting the WORLD
300 IN ORDER — advancing the GREAT RESET!

301 Distilling the question from what might have been an intentional
302 coded message to her MASTERS — what we have is an invitation
303 to this Chairman and CEO of Pfizer, with his thick European,

304 German, accent, to tell us what hurdles are in the way of him
305 leading the world OUT OF THIS CRISIS — where the END game
306 is GETTING EVERY PERSON IN THE WORLD JABBED WITH
307 HIS mRNA GENE THERAPY SHOT.

308 The Chairman and CEO of Pfizer named several obstacles that he
309 said had been addressed satisfactorily, creation of the "vaccine,"
310 production issues, and so on — he said, all of this has been
311 addressed, and these obstacles have all been removed — but there
312 is ONE obstacle that REMAINS. What is that?

313 He said the Skeptics continue to resist getting the vaccine — he
314 said, THIS IS WHERE WE NEED TO FOCUS.

315 We need to explain to them the safety and efficacy of the vaccines,
316 AND THE CONSEQUENCES FOR HUMANITY if they continue
317 to refuse to receive their SHOT.

318 So, get it? The ONLY THING in the way of "saving the world" from
319 COVID are those of us who RESIST taking their SHOT!

320 So you can expect the pressure to continue to mount — they are
321 putting a full court press on the world to force us to participate in
322 their medical experiment — Meanwhile, CDC admits natural
323 immunity is superior to vaccine immunity⁴ — furthermore, the
324 CDC discovered that "being vaccinated on top [of having natural
325 immunity] makes little difference, confirming the findings of
326 several studies in other countries."⁵ And, as you heard from the
327 Chairman and CEO of Pfizer admit, his shots DO NOT PROVIDE
328 IMMUNITY — so the only place you can get IMMUNITY from
329 this disease is the old fashioned way! — the NATURAL way!

330 So, GOD gets the last laugh — AGAIN — (see Psalm 2).

⁴ <https://hannity.com/media-room/naturally-cdc-reports-natural-immunity-outperformed-vaccine-only-protection-against-delta/>

⁵ <https://dailysceptic.org/2022/01/20/natural-immunity-superior-to-vaccine-immunity-cdc-study-finds/>

331 But there is hope! The UK, Ireland, and France, are coming to their
332 senses. They are moving to REDUCE their COVID restrictions —
333 in fact, the UK has dropped all of this nonsense. But Austria has
334 joined Australia — at least so far as passing a mandatory COVID
335 vaccination law.

336 Ask them for the science supporting this — and you get crickets.

337 And what is going on with Israel? Almost everyone in Israel has
338 been double vaxed, and most have received their 3rd and 4th
339 boosters, but recently reported 69,104 new COVID cases — Israel
340 has the HIGHEST daily per-capita cases globally — How can that
341 be? Hey, Chairman and CEO of Pfizer — you want to explain that?

342 But you know what is truly sad about all this? The thousands of
343 lives that could have been saved if only we were not under the steel
344 booted heels of these Nazis — Duke University is conducting a
345 study of the efficacy of Ivermectin to treat COVID — I used it and
346 it definitely helped me overcome this disease, thousands of others
347 also have been helped with this — very reputable doctors have
348 attested to its efficacy — and yet in order to SELL VACCINES,
349 Fauci, ALBERT — CEO of PFIZER — et al, allowed hundreds of
350 thousands DIE on the altar of their GREED!

351 Okay, I need to wrap it up! Have you noticed how devilish Biden
352 has been looking lately? Have you noticed how much "energy" he
353 seems to have, how intense he is becoming? Do you remember
354 when I remarked way back that I wonder if the doddering,
355 fumbling, brain fogged Biden was an act, a show—a facade he hid
356 behind to deflect criticism for his bungling performance—a sort of
357 smoke screen to hide the fact that this man hates America and is
358 intentionally attempting to destroy this country? Look how
359 animated he is becoming — I guess steroids and, who knows, a
360 little adrenochrome? (just kidding—sort of) — can jazz up an old
361 guy — but, look at his eyes and watch his expressions and
362 mannerisms — this man is looking more like a DEVIL every time I

363 see him — and his mannerisms are not unlike those of a possessed
364 man! Consider what we have gotten after one year of Satan
365 running the Oval office — betrayal of America and Americans in
366 Afghanistan; virtual erasure of our border with Mexico; criminals
367 given government protection and sanction to prey on American
368 citizens; schools closed; prices along with inflation skyrocketing —
369 but here are the greater concerns:

370 The whole conce3pt of governed by LAW and not by MEN is
371 eroding, there is a constant attack on our personal liberties,
372 pushing Americans to the breaking point — Biden's plan,
373 unmasked in my last show, to designate all patriots that oppose
374 him as TERRORISTS so he can invoke the PATRIOT ACT on
375 American citizens, as has been done to our Jan. 6 patriots who did
376 no crime but to protest a STOLEN ELECTION. And on top of all
377 this, the dark specter of these jabs killing people — well over 11
378 thousand so far, and that's a very low estimate — .

379 But, friends, JESUS CHRIST IS KING, AND ALL MANKIND ARE
380 HIS SUBJECTS—although we are surrounded by the forces of the
381 spirit of ANTICHRIST, we have the FORCES OF HEAVEN on our
382 side and if we will SUBMIT ourselves to GOD, we can RESIST the
383 Devil and he will be compelled to FLEE —.
