1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain
3 masseur—get ready for your brain massage.

4 Accommodation — making concession to a situation, or a
5 demand, usually thought to be unpleasant. Accommodation will
6 invariably be followed by acclimation — becoming accustomed to
7 the unpleasant circumstance, accepting the concessions made,
8 becoming comfortable with the compromises made to
9 accommodate the unpleasant demands. And these will often end
10 with affirmation — they will begin to actually affirm the
11 concessions as justifiable. They end up switching sides, as it were.

12 It's natural! Becky and I packed our pug, and cold weather
13 clothing, and headed to Oregon for a Pray and Fasting conference.
14 We accommodated the unpleasant cold weather by layering our
15 clothing and wrapping ourselves in heavy coats and scarves. After a
16 few days, however, we had acclimated — became accustomed to
17 the weather, and began shedding the scarves and heavy coats. Now,
18 we never got to the place where we began arguing the benefits of
19 cold weather, but, given time — haha! Well, that's a simple
20 illustration of an application of this to something far more serious.

21 For example: at first, we accommodate government demands that
22 we all wear a mask and stand six feet apart. Those of us who looked
23 into this, were curious because we know western science has always
24 consistently dismissed these measures as being worthless to make
25 any difference in the spread of a virus. Remember, Fauci said
26 masks don't protect from something so small as a virus particle —
27 until he decided he wanted to use fear mongering and oppression

28 to drive people to take the jab and make him and his buddies in big
29 Pharma really, really rich! Among other things—like hiding from
30 his culpability for the deaths of hundreds of thousands of
31 Americans, not to mention the blood on his hands of multiple
32 thousands around the world who DIED because of his interference
33 and refusal to heed the calls of hundreds of real immunologists,
34 and virologists, and noble prize winning experts in these fields who
35 cried out warnings about these vaccines, and these onerous
36 COVID restrictions — but, at first, we accommodated the masks,
37 the distancing, the church closures, and so on — even when the
38 elites pushing this on us were violating their own policies — we
39 went along—and after a while, many began to acclimate to these
40 policies, and become comfortable adopting these things into their
41 life routines; and many actually argue vehemently for the efficacy
42 of these policies — even though they know the people who
43 advocated for them ignore them.

44 We have been accommodating so much darkness in our culture we
45 have become acclimated to it, and even affirm it — but it appears
46 the Devil has pushed too hard, and people are waking up! I hear a
47 voice from HEAVEN speaking— "Knowing the time, that now it is
48 high time to awake out of sleep: for now is our salvation nearer
49 than when we believed" (Romans 13:11).

50 Something to think about!

51 Great news on the Abortion front — the Supreme Court upheld
52 TEXAS abortion law had REDUCED abortions in Texas by over
53 60% already!

54 A memo circulated in Trump's White House circles advising him
55 to use the National Security Agency (NSA) to prove Foreign
56 interference in the 2020 election. It's a Stars & Stripes article and
57 it's very revealing! Preparing us for the big ELECTION STEAL
58 reveal coming soon? A little MDM — Missinformation,
59 Disinformation, Mal-information to divert attention from what he

60 knows will soon be revealed about how he and the Dems STOLE
61 2020? Hmmm, perhaps this is why Putin and the Biden admin are
62 conspiring together to launch a war in Ukraine—a Clintonian
63 diversion? Biden's Serbia?

64 Biden's DHS (Department of Homeland Security) proposes
65 additional guidelines regarding domestic terrorism concerns—you
66 are not going to believe what they are trying to pull now! Or,
67 rather, for most of you anyway, YOU KNEW THIS WAS
68 COMING, well, NOW IT IS HERE! Wait for it!

69 Why are Blue states lifting mask mandates, but leaving them in
70 place for our schools?

71 Speaking of government schools abuse of our children: wait till you
72 hear what they are teaching eighth graders in Connecticut
73 government schools.

74 Fauci-science versus true science — Hah! It's Fauci versus GOD.
75 He is pushing for a FOURTH booster — Rand Paul slams him with
76 a TRUTH bomb — NATURE GAVE YOU A BOOSTER — it's
77 called natural Immunity. What is going on with these needle-
78 happy vaccine pushers?

79 Hey, Biden Admin wants to provide government issued SAFE
80 SMOKING kits, that one spokesperson for the department for
81 Health and Human Services said would include free pipes for crack
82 and meth heads: A little gift from Hunter?¹ — Daddy moves to
83 provide crack pipes to all crack and Meth users in the US.

84 I don't know how much of this I'll get through today, but you can
85 always join our evening VISITS — go to Lighthouse Baptist
86 Church, Santa Maria, CA facebook page and join our COMFORT
87 & COUNSEL for the PRESENT DISTRESS.

88 Okay my friends — it's time! Get ready for your Brain Massage!

89 [TRUTH]

90 Let's talk about the Feb. 3 article published in Stars & Stripes that
91 tells of a memo that circulated in Trump's White House advising
92 him to use the National Security Agency (NSA) to prove Foreign
93 interference in the 2020 election. I found this particularly
94 interesting because very early after it became apparent the Dems—
95 RINOs and Deep State traitors conspired to steal the 2020 election,
96 a rumor surfaced among those claiming to have this or that
97 connection to intelligence circles claiming that TRUMP, whom we
98 know anticipated an effort to steal the election, actually tasked the
99 Space Force to deploy their resources to watch for foreign
100 interference in our election, and that he had the RECEIPTS — the
101 smoking gun proof — that China, Italy, Rome, Spain, Serbia,
102 Germany and some other countries did, in fact, participate in a
103 massive scheme to steal the 2020 election. Supposedly, they had
104 hard evidence that the CCP supplied fake ballots, and hacked into
105 the Dominion machines to manipulate the votes, corroborated by
106 the efforts on the domestic side to help cover it all up—anyway,
107 I've been tracking that (air quotes) Intel almost from the very
108 beginning — but was not willing to make any direct public
109 statements about this, or commit myself either in support or in
110 denial of the allegations—I've stayed with information that I think
111 is either clearly proved, like, we know the Big Tech, and Big
112 Business conspired together to control information, illustrated by
113 the infusion of Soros and Zuckerberg money to buy influence over
114 election officials, and key AGs and DAs, and governors, like Kemp,
115 and Raffensperger, and these are only examples, like how they cast
116 the Biden Laptop story as Russian disinformation, and shut down
117 any information contrary to the Deep State narrative—and like the
118 PROVEN fact that Dominion machines are internet capable, and
119 CAN BE HACKED, that they have a feature allowing for
120 something described as fractionalized voting, and so forth, OR
121 information that is so highly probable I'm willing to put it out there

122 with qualifications—BUT now! This Stars and Stripes article is the
123 first open declaration from the traitors that strongly suggests there
124 is some truth to the erstwhile *conspiracy theory* —

125 How many *conspiracy theories* have already become actual events
126 in history? It's become a joke — conspiracy theories of a year ago,
127 are FACTS of LIFE today! Or even what was dismissed as a
128 conspiracy theory six months ago is real life today!

129 This Stars & Stripes article is very revealing! You can find it here.² I
130 read through it. It stipulates directly that such a memo existed that
131 advised President Trump to deploy the assets of the NSA to comb
132 through the internet data to get proof of foreign interference on
133 behalf of Biden in our 2020 election. This proves that there was a
134 belief in the Trump administration that such proof existed.
135 Furthermore, the article stipulates that the NSA has such
136 capability—it could comb through existing data and FIND such
137 evidence—the article argues that the legality of doing so is what is
138 in question, not the capability. When you have handled this sort of
139 government-speak for as long as I have, you begin to hear what
140 they are saying. From this article, I get the impression, that
141 evidence of foreign interference is KNOWN to exist, that the NSA
142 (and therefore, also, the assets of the SPACE FORCE) have the
143 capability to produce that evidence, and it raises the question
144 whether this article is written at this auspicious time to get
145 AHEAD of the story the traitors know, or have reason to believe, is
146 soon to break.

147 We also know that our government is not above initiating some
148 false flag event as a distraction — to absorb the attention of the
149 American people on something so that they will not notice, or care
150 about a revelation like the one we are talking about right now —
151 the REVELATION THAT IN FACT, THE DEEP STATE DEMS

² <https://www.stripes.com/theaters/us/2022-02-03/trump-nsa-data-stolen-election-memo-4589397.html>.

152 AND WHAT RUSH CALLED THE COUNTRY CLUB
153 REPUBLICANS—COMBINED INTO WHAT I LIKE TO CALL
154 THE ARISTOS — did indeed collaborate with the CCP, and other
155 Globalist operatives, to STEAL the 2020 Election and put their
156 Manchurian candidate into the office of President.

157 I've linked the article to my show notes and you can down load
158 them at brainmassage.net who No. 868. And, by the way, if the
159 article is scrubbed from the Internet, I have a pdf copy that I can
160 send to you if you use the contact us button on our site to send a
161 request for it via email. Read the article, and tell me what you
162 think! I think it reads like propaganda—written in advance of intel
163 they know is about to become public in order to shape the
164 narrative and save the coup.

165 Preparing us for the big ELECTION STEAL REVEAL coming
166 soon: A little MDM — Missinformation, Disinformation, Mal-
167 information — of their own, to divert attention from damning
168 revelations of how they STOLE 2020?

169 Hmmm, perhaps this is why Putin and the Biden admin are
170 conspiring together to start a war in Ukraine—Biden has told us
171 Putin has decided to attack!

172 Meanwhile, we need to prepare for Biden's plan to attack
173 Americans! Oh yeah! Hold on through the break; I'll be right back!

174 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor
175 at the Lighthouse, your brain masseur, and Paul Revere's lantern
176 lighter, lighting the lamps in the church belfry arch, signaling the
177 enemy is on the march, an enemy that would steal from us our
178 liberty.

179 Biden's DHS (Department of Homeland Security) proposes
180 additional guidelines regarding domestic terrorism concerns—they
181 have published a statement that virtually declares anyone who
182 speaks against Biden and his administration a domestic terrorist.

183 You think I'm kidding? Here is a link to the DHS government
184 document³ that literally identifies as acts of domestic terrorism "the
185 proliferation of false or misleading narratives, which sow discord
186 or undermine public trust in US government institutions." This is
187 followed by a chilling example: "For example, there is widespread
188 online proliferation of false or misleading narratives regarding
189 unsubstantiated widespread election fraud and COVID-19." This is
190 supported by the claim that "Grievances associated with these
191 themes inspired violent extremist attacks during 2021."⁴

192 Now we have all had experience with how "false or misleading
193 narratives" are defined by the government-social-media platforms
194 and their government handlers—ANYTHING YOU SAY THAT
195 CONTRADICTS THE GOVERNMENT ESTABLISHED
196 NARRATIVE IS DEEMED "FALSE AND MISLEADING." This is
197 Nazism 101 — put a Hitler stash on the Biden lip, click your heels
198 and say's HEIL BIDEN!

199 To make sure you get it, in case you do not fetch my notes and
200 follow this link to the DHS page titled SUMMARY OF
201 TERRORISM THREAT TO THE US HOMELAND — has a sort of
202 "ring" to it, don't you think? *Der Biden-land* — FUEHR BIDEN —
203 comforts his children saying, "we will get through this."

204 Okay, here is the summary paragraph at the beginning of the page,
205 the DHS page — the OFFICIAL summary statement of the BIDEN
206 GOVERNMENT explaining their assessment of TERRORIST
207 THREAT TO THE HOMELAND — "The United States remains in
208 a heightened threat environment fueled by several factors,
209 including an online environment filled with false or misleading
210 narratives and conspiracy theories, and other forms of mis- dis-
211 and mal-information (MDM) introduced and/or amplified by
212 foreign and domestic threat actors. These threat actors seek to

213 exacerbate societal friction to sow discord and undermine public
214 trust in government institutions to encourage unrest, which could
215 potentially inspire acts of violence.

216 Mass casualty attacks and other acts of targeted violence conducted
217 by lone offenders and small groups acting in furtherance of
218 ideological beliefs and/or personal grievances pose an ongoing
219 threat to the nation.

220 While the conditions underlying the heightened threat landscape
221 have not significantly changed over the last year, the convergence
222 of the following factors has increased the volatility,
223 unpredictability, and complexity of the threat environment:

224 (1) the proliferation of false or misleading narratives, which sow
225 discord or undermine public trust in U.S. government institutions;

226 (2) continued calls for violence directed at U.S. critical
227 infrastructure; soft targets and mass gatherings; faith-based
228 institutions, such as churches, synagogues, and mosques;
229 institutions of higher education; racial and religious minorities;
230 government facilities and personnel, including law enforcement
231 and the military; the media; and perceived ideological opponents;
232 and (3) calls by foreign terrorist organizations for attacks on the
233 United States based on recent events."

234 And, you are probably thinking along the lines I am — AND
235 NONE OF THIS APPLIES TO THE BLM/ANTIFA RIOTS
236 DURING JENNY'S "SUMMER OF LOVE" — that Seattle Mayor
237 Jenny Durkan — when ANTIFA literally occupied the city's east
238 police precinct — cordoned off a few blocks of the city, declared it

239 CHAZ, the Capital Hill Autonomous Zone—declared it succeeded
240 from the City and State of Washington — set armed guards around
241 it — and checked IDs before allowing entrance — Killed civilians,
242 destroyed millions in property and business disruption. People
243 livelihoods destroyed, and yes, they killed people too.

244 NONE OF THIS WAS CALLED TERRORISM. But if you express
245 AN OPINION ABOUT BIDEN, OR HIS ADMINISTRATION OR
246 ABOUT COVID THAT THE GOVERNMENT DOES NOT
247 APPROVE OF, YOU ARE A TERRORIST, OR YOU ARE
248 RESPONSIBLE FOR FOMENTING DOMESTIC TERRORIST
249 ACTIVITY.

250 How long are we going to accommodate this nonsense? Will you
251 finally become acclimated to social/fascism? Will you tolerate, that
252 is accommodate your local businesses cooperating with the
253 government and facilitating fascism in our country? Will you give
254 them a pass for becoming the ENFORCER arm of
255 UNCONSTITUTIONAL government policies, like mask
256 mandates?

257 You know the government CANNOT enforce a mask mandate on
258 you — the Health departments of our cities and counties DO NOT
259 HAVE THE AUTHORITY to enact laws; only our LEGISLATURE
260 has that power. A government "mandate" is not a LAW, and when
261 your local businesses IMPOSE ON YOU THESE GOVERNMENT
262 POLICIES they are CONCEDING TO FASCISM — a system of
263 government where business is coopted by government to
264 ENFORCE public policy.

265 It's all in the spirit of *you can't buy or sell unless you wear the*
266 *government mark on your right hand, or forehead.*

267 Take your business AWAY from all fascist managers, and
268 businesses. Go LOCAL! Get away from the big national, and
269 international chain stores where they are GOVERNMENT
270 AGENTS threatening to deprive you of access to their goods and
271 services unless you KNEEL TO their fascist policies!

272 If you accommodate this, you will become acclimated to fascism,
273 and in order to avoid taking a hard stand against these injustices,
274 you will go into the affirmation phase and then you are GONE!

275 You become the enemy of liberty, the enemy of FREEDOM, the
276 enemy of our CONSTITUTION — and you will have forfeited
277 freedom for your children and theirs.

278 STAND! Or you will kneel!

279 Why are Blue states lifting mask mandates, but leaving them in
280 place for our schools? The SCIENCE tells us the children are the
281 least vulnerable to serious injury from the virus? The SCIENCE
282 tells us masks DO NOT WORK — the virion (virus particle) is 125
283 nanometers in diameter but the pores of your cloth mask are
284 typically 700-1200 nanometers in diameter. So now, everyone
285 ADMITS the cloth mask DOES NOT PROTECT YOU from
286 transmission or contagion. Guess what? The pore size of your so-
287 called surgical mask is 300 nanometers. The virus particle blows
288 through your mask, both ways, as easily as a bee flies through the
289 openings of a chain link fence. The so-called scientific studies that
290 prove the efficacy of surgical masks are phony. Read them
291 carefully. They do a shell game with words. When they talk about
292 the surgical masks blocking anything, it's the droplets that carry the
293 virus, not the virus particle. So, the mask catches a droplet — well,
294 actually, scientists in Japan has identified what are called micro-
295 droplets that are not blocked by any cloth or standard surgical
296 mask — but, anyway, the droplets evaporate almost immediately
297 upon expulsion — the environments in which these masks are
298 shown to catch droplets does not fairly replicate real life scenarios.
299 Depending on the humidity, and heat, the droplet will evaporate
300 within seconds, leaving the virus particle free to fly freely into your
301 lungs, or to aerosolize and float about for up to an hour, depending
302 on air currents, and wind velocity — western science has always
303 held that masks are not a viable public mitigation strategy for
304 controlling the spread of a virus.

305 And science has always recognized the importance of EARLY
306 INTERVENTION, given trained physicians the liberty to use their

307 training to help their patients, real science has always understood
308 the greater efficacy of NATURAL IMMUNITY — and not ONE
309 MODERN SCIENTIFIC STUDY has presented any evidence
310 CONTRARY to what we have known for many decades — this is a
311 SHAM and a SHAME on the American people for
312 ACCOMMODATING these liars — and letting big pharma line
313 their pockets with, what did I read, over 100 BILLION dollars in
314 profits so far?

315 So some of these blue states, like New York, are lifting the mask
316 mandate, under pressure from THE PEOPLE, by the way, but they
317 continue to bear down on the children — they want to keep the
318 children strapped in with these masks — any teacher so
319 uninformed and full of fear, or full of the spirit of oppression, must
320 HATE THE CHILDREN they are charged to teach—the entire
321 government education program needs to collapse and give the
322 parents the RIGHT TO CHOOSE!

323 And finally, speaking of government schools abuse of our children:
324 Eighth graders in Connecticut in the Enfield school district are
325 being treated to a little hold-over pizza-gate trivia game? Unreal!
326 God help us! Quote from Blaze News: "Eighth-grade students in
327 Connecticut were given a sex-ed assignment asking them to pick
328 pizza toppings describing their sexual 'likes' and 'dislikes' — for
329 example, olives stood for 'giving oral,' according to Parents
330 Defending Education."⁵ Perhaps what is even more disturbing, on a
331 certain level, is the fact that the School District officials said,
332 effectively, Oops! "The assignment was posted by 'mistake.'" [IBID]
333 This happened at the Enfield school, and parents showed up at the
334 school's board meeting to raise objections. The School
335 superintendent explained that they "sent the wrong document."
336 What do you want to bet someone asked, WHAT WAS THAT

⁵ https://www.theblaze.com/news/8th-grade-sex-ed-pizza-handout?utm_source=theblaze-dailyAM&utm_medium=email&utm_campaign=Daily-Newsletter__AM%202022-02-11&utm_term=ACTIVE%20LIST%20-%20TheBlaze%20Daily%20AM

337 STAFF PERSON DOING WITH SUCH A DOCUMENT? What
338 was the document? It was clearly a LESSON prepared for students.
339 After explaining how Pizza is used as a metaphor for sex, the lesson
340 instructs students: "Now that you know this metaphor for sex, let's
341 explore your preferences! Draw and color your favorite type of
342 pizza." It offered some examples to get the students started on their
343 project: "Here are some examples: Likes: cheese equals kissing, and
344 olives equal giving oral."

345 The Superintendent of the school thinks explaining that this
346 OFFICIALLY PREPARED Sex-Ed LESSON was posted BY
347 ACCIDENT explains it all away. Are you kidding me? What is
348 this? *Ooops, we did not mean to let that one out of the bag?*

349 I've got to close. Friends, don't accommodate foolish mandates;
350 don't encourage oppressors. What you accommodate today you
351 will acclimate to tomorrow. Yielding to tyrants only makes them
352 stronger and the stronger they get the more they will oppress you.
353 Bullies never back off, not until you punch them straight in the
354 nose. Good for the Canucks — Trudeau's nose is bleeding!

355 Speaking in metaphors, here!

356 I will be from town this Sunday, but back in my pulpit Wednesday,
357 and then it looks like I'll be home for about 10 weeks running.
