

Brain Massage®: Show No. 870 Ukraine—Three Narratives: Putin, Friend or Foe / Sheep and Goats

Jerry Scheidbach

Original Air Date: 02.26.22

1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain
3 masseur—get ready for your brain massage.

4 **Ukraine —**

5 Remember when Biden said under his presidency "the days of
6 Putin are over"? (Squirrel laughter)

7 But rockets red glare flare on multiple targets, including Kiev you
8 find people that are not laughing.

9 How do we sort out the puzzling and conflicting narratives
10 swirling over Putin's attack on Zelensky? Trust me, it's not as
11 straightforward as you might think.

12 **Prophetic Implications of Russia's Aggression Against Ukraine:**

13 Already, the signs-of-the-times ministries are running out with
14 their familiar cry of "wars and rumors of wars." There are prophetic
15 implications of these goings on, and rightly understanding them
16 helps us rightly understand what's going on. (Most likely, I'll have
17 to save my comments on this for my Prophecy Course Bible study
18 offered every Sunday AM, beginning at 9:30 in the auditorium of
19 the LIGHTHOUSE.)

20 **Keeping our eye on the issues:**

21 I refuse to allow the Deep State manipulators to use the fog of war
22 to hide their evil deeds.

23 And I have a message for all my friends who swim in the deep
24 waters of conspiracy theories, *watch out for the undertow! You'll get*
25 *swamped!*

26 Okay, my friends and Patriot colleagues, my fellow soldiers in the
27 FIGHT for RIGHT, my America First partners, my co-workers in
28 the CAUSE of TRUTH, JUSTICE and the AMERICAN WAY —
29 my confederates in the effort to RESTORE JUSTICE by the proper
30 and legal execution of JUDGMENT — my allies, my –well, you
31 know what I'm saying — It's time for your BRAIN MASSAGE!

32 [TRUTH]

33 **Ukraine** well, well, well! The Deep State has succeeded to divert
34 attention from Ghislanes case so the judge can do an under the
35 table, underhanded deal with that *horologist* (a real *time* watcher)
36 without the watchful eyes of an attentive public.

37 How do we sort out the puzzling and conflicting narratives
38 swirling over Putin's attack on Zelensky?

39 There was a day, long, long ago, it what seems today to have been
40 some other galaxy — when this would be easy! The generation that
41 grew up through the 50-70s grew up suspicious of Russia. We lived
42 daily with concerns about Soviet aggression — many of us
43 remember scrambling from our seats to take cover under our desks
44 in response to a siren—fortunately, these were never more than
45 drills—but still! (At least we did not have to wear a face diaper or
46 share our restrooms with weird perverts who pretended to be some
47 gender other than, and used this as cover to prey upon
48 unsuspecting young ladies in our school lavatories. WHICH, I
49 think, is worse!)

50 After the iron curtain fell (I have a small piece of concrete from
51 that Berlin wall), and I got the opportunity to travel into the former
52 USSR, my wife was particularly concerned—she did not trust those
53 Rooskies. I began my 21 day, solo trip into the former USSR in
54 Kiev, travelled from there to Belarus, then to Moscow, St.
55 Petersburg (FORMERLLY LENINGRAD), back to Moscow, and
56 then to Kiev for my return to the US.

57 When I landed in Kiev, Putin was transitioning from a KGB officer
58 to a politician who would carry the torch for a REFORMED
59 RUSSIA. But I understand, he has some nostalgia for the heady
60 days of Sputnik, and Russian dominance in Eurasia. On the other
61 hand, if you read his bio, he refused to participate in the August
62 Coup — 1991, the same year I began my ministry in Russia, the
63 hardline Communists rose up to reassert the Soviet Empire but the
64 coup only lasted a few days—less than a week. About two days into
65 the coup, Vladimir Putin resigned as a KGB intelligence officer, he
66 said, because he did not agree with events — presumably, he was
67 talking about the coup, and did not want to be involved in the new
68 administration.

69 So, you have a guy who grew up in the heyday of Soviet power and
70 worked inside the Communist Party apparatchik — attained the
71 rank of Lt. Colonel — weird word — and I think it was in 1996, he
72 became an assistant working with none other than the famous
73 Russian reformer Boris Yeltsin. And from there, he became Prime
74 Minister, and now he is the permanent LEADER of RUSSIA.

75 His conversion from hardline Communist is nowhere made
76 clear—not that I can find. And his machinations to keep power in
77 Russia don't exactly fit comfortably in a résumé of one who is
78 styled by some as favorable to "Democratic Reforms."

79 As for any pretention on the part of Dems here, to be an enemy of
80 Putin — give me a break! Remember Washington's old maxim —
81 DEEDS not WORDS. Hillary gave him the Uranium One deal —
82 Hillary facilitated this when Secretary of State and the FBI
83 uncovered evidence that Russian money, millions, were routed to
84 the Clinton Foundation coincidentally while Hillary was using her
85 influence to facilitate the sale of Uranium One to a Russian nuclear
86 energy company.¹ Putin likes Hillary; he probably has zero respect

¹ <https://www.breitbart.com/politics/2017/10/23/7-uranium-one-facts-every-american-should-know/>

87 for her — but he won't be the first to "like" the services of someone
88 he can't "respect." Hillary is a political *horologist*. Hehe. A little
89 Pirate's humor there.

90 And of course, the notion that Biden is the enemy of Putin is
91 laughable. The first thing he did was free up the Nord Stream 2²
92 pipeline, which was a huge benefit to Russian oil industry, and
93 simultaneously he initiated polices that virtually shut down
94 American oil production. He has destroyed the US economy and
95 buttressed the Russian economy—! And Putin hates Biden? Are
96 you kidding me?

97 The footsie relationship between Demoncrats here and Rooskies
98 there has been going on for a very long time — remember when
99 Ted Kennedy was caught writing letters to the Kremlin
100 undermining President Reagan's policies — Treason, by the way!
101 And remember when Obama leaned over and not realizing he was
102 on an open mic, said to Medvedev tell Putin I'll have more
103 flexibility to deal with missile defense issues after the election.³
104 THESE GUYS HAVE BEEN COLABORATING WITH RUSSIAN
105 LEADERSHIP FOR DECADES. They are all a pack of
106 COMMUNIST operatives embedded in our government working
107 to subvert American interests and bring America under the heel of
108 Communism.

109 Now, friend, I don't buy the line that American Demoncrats are
110 enemies of Russia — remember, Hillary purchased a certain
111 dossier that was created from RUSSIAN INTELLIGENCE
112 SOURCES.

113 So, narrative 1 — Putin is getting old and wants to go down in
114 history as the Russian leader that restored the Soviet Empire, but

² <https://www.wsj.com/livecoverage/russia-ukraine-latest-news/card/what-is-the-nord-stream-2-pipeline--0AU1wDRPbeps3RfHyDs0>

³ <https://www.reuters.com/article/us-nuclear-summit-obama-medvedev-idUSBRE82P0JI20120326>

115 with a sort of hybrid Free Enterprise Dictatorship, sort of like
116 China, only a nicer, gentler Dictatorship.

117 Narrative 2 — this whole incursion into Ukraine is a cooperative
118 effort to give the Deep State operatives in America a cover story to
119 take attention away from efforts here that are getting too close to
120 exposing the entire Nimrodian (new world order) globalist-pedo-
121 cabal and bringing down the GLOBALIST TOWER once again.
122 Patriots are closing in on the 2020 election steal, the human
123 trafficking shtick of Epstein using compromising information on
124 important political leaders to control them, and exposing the dark
125 underbelly of these winged goat lovers throwing their hail Satan
126 signs, and snickering about their plans to slaughter Christ's sheep,
127 and cast off the "bands and cords" of Christian influence in culture
128 and in politics.

129 But there is a third narrative. We all know that the Biden crime
130 family has a very lucrative arrangement with Ukraine, Russia,
131 remember the Moscow Mayor's wife passed some million or more
132 to Hunter, and they are really deep with CCP in China. These are
133 things our corrupt acting President might like to keep hidden.

134 We also know that the globalist-pedophile-cult of corruption in the
135 US CIA has had a hand in executing something called color-
136 revolutions in Belarus, and the Ukraine. We know our CIA
137 manipulated Ukrainian elections to oust a corrupt Russian asset
138 placed there by Putin under Obama's watch, in 2014.

139 We know that the CIA used neo-Nazis to facilitate their coup in
140 2014, and that many of these Nazis were put into political positions
141 of significant influence after the coup. I found an article
142 referencing three different New York Times articles where it is
143 admitted that neo-Nazi groups participated in the regime change.
144 Intel gathered from ground scuttlebutt reveals they were
145 encouraged to participate by our CIA, and that some of these were

146 planted in government positions after the regime change was
147 completed.

148 Of course, these articles were written to deal with KNOWN FACTS
149 that could not be denied, and spun into a narrative fitting the
150 American Deep State interests, dismissing the rumors from the
151 ground that these Neo-Nazis were recruited by our CIA operatives,
152 and rewarded for their service with a "seat at the table" — and
153 Putin's statements indicating that he is aware of the influence of
154 the Neo-Nazis in Ukraine are dismissed as — you guessed it,
155 RUSSIAN DISSINFORMATION — but by now, we have become
156 jaded at that ruse — we don't hear it like we used to.

157 So now when we hear Putin say his attack is in order to denazify
158 the Ukraine, and protect his border it's, well, it's different than it
159 used to be. And then add to this that his attack has reportedly
160 taken out several of these bio-labs, that he considers a threat to
161 Russia, and, you know, we start thinking, hmmm!

162 As for Putin being unhappy that a puppet regime he put in place in
163 Ukraine was ousted in 2014 and replaced with one answerable to
164 America, added to the fact we know this corrupt leader facilitated
165 American interests in Ukraine, which built several, I think it's
166 eleven, biological laboratories in Ukraine — where medical
167 scientists, that we all now trust implicitly, of course, mess with
168 some of the most deadly pathogens known to mankind. And these
169 are pretty much set up on the border with Russia. Of course.
170 Politifact can be depended on to shill for the Demoncrats and they
171 write a fact check article stating that there are no U.S.-run
172 biological weapons labs operating in Ukraine."⁴ Right! But there
173 ARE US built biological labs in Ukraine and these labs are
174 instituted as part of a joint effort reduce the biological threat. And,
175 of course, we all know that the CCP virus did not escape a lab in
176 Wuhan. So!

⁴ <https://www.politifact.com/factchecks/2022/feb/25/tweets/there-are-no-us-run-biolabs-ukraine-contrary-social/>

177 I guess those folks at Politifact never read this statement from the
178 Ukrainian Embassy.⁵

179 So these biolabs were set up to reduce the threat, how? Perhaps by
180 establishing on Russia's border a kind of in your face counter
181 offensive to Russia's own biological weapons production efforts?

182 Now these labs very possibly being under the control of the DEEP
183 STATE is concerning, especially in light of the late CCP Wuhan
184 bio weapon attack, and the one Gates has recently promised —
185 well, of course, he didn't say, well, the WUHAN virus didn't do the
186 job we expected, this infuriating OMICRON came along, an ACT
187 OF GOD, I think, and it diluted the COVID virus so it's failing to
188 produce the population reduction we hoped for (no, really, Gates
189 and company are all in for depopulation) so Gates said that
190 another pandemic is COMING. Now, he predicted (some would
191 say facilitated the PRODUCTION) of the last one — so, maybe we
192 should pay attention.

193 And having such labs under the influence of the OBAMA era Deep
194 State who planted them in Ukraine — I'm just sayin'.

195 And we know that the people of Ukraine became unhappy and
196 overthrew the CIA's puppet president, and put in one of their own
197 — sort of like what happened here, with Trump. We know
198 Zelensky has had the Ukrainian deep state dog his heels in the
199 manner Trump had here.

200 And we know that Zelensky was working with TRUMP to clean up
201 his swamp, like Trump was trying to clean up the swamp here.

202 On the other hand, Ukrainian President Zelensky is not happy
203 with the Putin attack—and accuses his Russian counterpart—well,
204 not really, Zelensky has to actually run for re-election—but,
205 anyway—get it?

⁵ <https://ua.usembassy.gov/embassy/kyiv/sections-offices/defense-threat-reduction-office/biological-threat-reduction-program/>

206 It's confusing. Which narrative is correct? Is the truth something of
207 a blending of parts of all three? Anyway, I've gone over my time
208 and must take a short break. Interesting insights continue—in just
209 a moment. I'll be right back.

210 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor
211 at the Lighthouse, your brain masseur, and Paul Revere's lantern
212 lighter, lighting the lamps in the church belfry arch, signaling the
213 enemy is on the march, an enemy that would steal from us our
214 liberty.

215 One point remaining on insights drawn from the Ukraine thing! —
216 As I pointed out, sorting these things out is not easy — it's certainly
217 more complicated than it was for us some decades ago. You would
218 have to hear the first segment to appreciate how complicated it is
219 to sort through the competing narratives of the current conflict in
220 Ukraine. But, you see, here's the deal! It's just not like it used to be.
221 We pretty much trusted our media, and accepted the narratives
222 they shaped for us — but it's different now. We don't trust them.
223 They are liars! It was one thing when our government involved
224 itself in regime changes in Europe, but now they've done it here.
225 And we've discovered that it's not America against Russia, or even
226 Russia against Ukraine, or China against, well, the world! You
227 know the vast majority of the people in China are not interested in
228 killing all their neighbors who believe in GOD — many are, I
229 know. But Xi does not have general support from the people for his
230 dictatorship, which is proved by the harsh measures he has to
231 employ to maintain control of his country.

232 He has to kill Christians, for example, because otherwise their
233 influence would permeate all Chinese culture and it would
234 eventually topple his rule. It's true! That's what would happen:
235 Because THE TRUTH WILL MAKE YOU FREE. Something
236 JESUS told us!

237 So my point is that we can't sort these conflicts out in the old way,
238 where we are grouping all the people together as Russians, or
239 Americans, or Ukrainians, or even Iraqis — or Chinese — it's the
240 DEEP STATE and its GLOBALIST agenda against the FREEDOM
241 LOVING CITIZENS of the world.

242 It's no longer American interests attacked by Russian interests—it's
243 the worldwide globalist-pedophile-cabal against the world's normal
244 citizen who simply wants to live free—to be left alone and to leave
245 everyone else alone. It's the perverts against the normals. It's people
246 who want to destroy all norms, distort all reality, and break down
247 our sense of identity and FAMILY — it's the spirit at work in this
248 world that hates CHRIST and His sheep, and the HOLY SPIRIT of
249 JESUS CHRIST in the believer moving into their world through
250 them. I mean, it really is a spiritual battle between those who
251 believe all men are created equal and endowed by their Creator
252 with certain inalienable rights, and those who align themselves
253 with the spirit of antichrist that hates that declaration and desires
254 to destroy it and all represented by it.

255 On one side, and I mean this is true in every conflict in the world
256 today — on one side, you have people who are driven by a spirit of
257 oppression, whose personality is attracted to dictatorship, who like
258 to control others—it's almost an act of revenge against invisible
259 "bands and cords" of social norms, and expectations that they
260 resent, so they want to break them asunder and they want to cast
261 off the cords — then there are those who are comfortable living in
262 the bands and cords of RIGHTEOUSNESS, or LAW AND
263 ORDER, and within the confines of the LAWS OF NATURE and
264 in harmony with NATURES' GOD.

265 It's the battle between the children of disobedience, who deny, and
266 or hate GOD and His laws, and His ways, and even those LAWS
267 that are part of NATURE as HE CREATED IT — they will rage, a
268 man CAN have a baby, so there. They will insanely insist that a

269 male can decide he is a female—and enter sports competition
270 against biological females and actually think he really is the best
271 swimmer in the world, because he beat out every other female in
272 competition — fantasy, nonsense, insanity!

273 And everyone who is accommodating this ridiculous nonsense is
274 complicit with the spirit that is behind it.

275 There are two spirits operating in this world today — the SPIRIT
276 OF JESUS CHRIST and the spirit of antichrist.

277 With which spirit are you aligned? It's not hard to tell these days.

278 JESUS Christ is the creator of all principalities and powers, and of
279 the physical and spiritual realms in which these principalities and
280 powers operate. HIS Spirit is the SPIRIT of GOD, the SPIRIT of
281 JESUS CHRIST. This Spirit guides to all TRUTH—this SPIRIT
282 guides us to submit ourselves to REALITY as GOD, JESUS
283 CHRIST, created it. Reality is what IS in conformity to GOD's
284 CREATION — so you are not going to look at a man and be able
285 to contort your mind to convince your self, or be convinced that
286 you are looking at a woman.

287 Under the INFLUENCE of the SPIRIT OF JESUS CHRIST, you
288 cannot do that.

289 On the other hand, if you are under the influence of the spirit of
290 antichrist, you become angry at guys like me who point out the
291 TRUTH, the REALITY — you chaff against any RESTRICTIONS
292 laid upon you by the LAWS of NATURE and of NATURE'S GOD.

293 The Bible tells us that Satan is the prince of the power of the air, the
294 *spirit* THAT NOW WORKS IN THE CHILDREN OF
295 DISOBEDIENCE. Eph. 2:1-2

296 We are told that SATAN is able to take captive the children of
297 disobedience at his pleasure — the SPIRIT of CHRIST told us these

298 people are "taken captive by him [SATAN] at his will" II Timothy
299 2:26.

300 So, we have, not so brilliantly, put such persons into positions of
301 power over us, and wonder why our country is in such a mess.

302 You have lunatics running this country. Total morons! (For my
303 regular listeners, you know I never use words without a sensitivity
304 to their meaning — in other words, I never merely call someone a
305 mean name just to demean them. I choose my words carefully, and
306 I'm telling you the denotative meaning of these words contribute to
307 the connotative sense in which they are used and they are
308 accurately descriptive of these people. Study the etymology of
309 lunatic and moron and you'll see what I mean.

310 These people are stupid — nothing can be more stupid (an
311 affliction of stupefaction upon the mind of someone either so
312 incredibly simple-minded and without a modicum of personal
313 dignity they are fearful to stand by their own good sense when
314 confronted by stronger personalities insisting upon something that
315 is utter nonsense, or they are in such a spiritual rage against GOD
316 and so at WAR with the LAWS of NATURE and NATURE'S GOD
317 that they contort reality within their own foolish minds and
318 convince themselves of *lunacy* — like supporting the absolute
319 nonsense of a man actually believing he is a girl instead.

320 But that is not the only example. Those who continue believing
321 Fauci is another. He has lied! We know he has LIED. He continues
322 to LIE, but all who are "touched by the moon" — *lunatics* — who
323 have separated themselves from reality, who live in a fabricated
324 reality constructed by lies that support their rebellion against the
325 LAWS of NATURE and of NATURE'S GOD — will go on
326 believing the lies of FAUCI because the same spirit, the lying spirit,
327 of Fauci controls their own minds and hearts.

328 They are unreasonable and WICKED — this word wicked is from
329 the Greek word *poneros*. Yeah, it's related to our word
330 *pornography*, except that it speaks of the twisted mind and heart
331 that perverts what is pure into something evil. With regard to
332 sexual things, the word *poneros* refers to the men and women who
333 would distort this with PORNOGRAPHY. But, of course, it's more
334 broad than that. *Poneros* distorts everything — it creates a
335 distorted, twisted, bent, warped worldview in the heart of all under
336 the controlling influence of the spirit of antichrist.

337 Well, it's clear that believing Hillary, Fauci, and all these liars, is
338 only because they are politically motivated to believe them. In
339 other words, whether or not they are telling the truth is irrelevant,
340 they represent a rebellion against CHRIST, and that's all they need.

341 The point is, as one fellow observed, there are two sorts of people
342 in the world — those who divide the world into two sorts of
343 people, and those that don't. Hahah!

344 Well, there is a great variety of persons and personalities in the
345 world to be sure.

346 But, when Jesus comes, He will divide the people into two groups
347 — the sheep, and the goats. The sheep are very particular about
348 what they eat — goats will eat anything put before them. Sheep
349 have acute hearing and respond to their shepherd's voice. Goats
350 listen only to their own instincts. These are general characteristics,
351 there are exceptions, of course, but that's what separates the sheep
352 from the goats. The sheep HEAR THE SHEPHERD'S VOICE AND
353 FOLLOW HIM. The GOATS have to be herded. Goats have a mob
354 like social organization. The leader generally beats down
355 opposition to rule over the rest of a herd. Sheep tend not to
356 compete for dominance, even though they will push to get at food
357 when hungry, they rarely butt one another — not so with goats.

358 The spirit of the goats is one that competes for dominance over
359 others — that's why goats tend to end up in leadership — but it's
360 time for the SHEEP to step up and assume the positions of
361 LEADERSHIP guided by the CHIEF SHEPHERD — because goats
362 will devour the livelihoods of the sheep and leave nothing for them
363 — well, I can go on here, but it's time to bid you adieu.

364 I'll be in my pulpit tomorrow, the beautiful pulpit made of wood,
365 with a SHIPS LANTERN lit and tomorrow I'll present a Bible
366 lesson on the prophetic implications of Russia's action in Ukraine.

367 mps in the Church belfry arch and now you let me know if you see
368 them. It's LIGHTS ON if you see the LIGHTS ARE ON and you
369 will ride like Revere and spread the warning, (essentially, it means
370 you agree with what I'm saying) or you say LIGHTS OFF -- which
371 means you reject what I'm saying and disagree strongly with me.
372 So, what will it be today, lights on, or lights off?
