

Brain Massage®: Show No. 872 Biden's Blunders are Public Blinders / See the Truth Through the Smoke of War

Jerry Scheidbach

Original Air Date: 03.12.22

1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain
3 masseur—get ready for your brain massage.
4 Biden's zig-zag leadership has Blinken — uh, blinking! (GROAN).
5 In the fog of war—the TRUTH ekes out. Interesting revelations
6 about masks and vaccines!
7 On the ELECTION INTEGRITY front: Texas Elections
8 Commissioner Resigns After Thousands of Uncounted Ballots
9 Found.
10 Speaking of election integrity—CCP cyber attack targets six US
11 States. While you were waiting for a Russia cyber attack, the CCP
12 hacked into the government computers of six states.
13 [TRUTH]
14 Ukraine—
15 Poland's MIGS, US Bio-labs in Ukraine, Putin's real intentions are
16 telegraphed by what he DOES, not what he says, and don't think
17 CCP has no hand in all this.
18 I'm going to start with the Poland plane pivot because it exposes
19 the truth about the Biden-Putin-XI Jing Ping ring!
20 Remember when Blinken, or was that Austin, sorry, don't
21 remember if it was our Secretary of State or Secretary of Defense,
22 any way, he was all excited about Poland giving their MIGS to
23 Ukraine? He was cheerleading the Poles, promising to "back fill"
24 their matériel (the totality of all the stuff you need to get a job
25 done). It was all—you go Poland! So Poland delivers the MIGS to a
26 US base in Ramstein Germany and says, effectively, *okay, US, here*

27 *they are, let's get them to Ukraine.* Suddenly, Blinken is standing
28 there blinking in the cameras, befuddled, bemused, muddled, and
29 addled, fazed, and dazed in dizzying perplexity — here is my
30 favorite — he was discombobulated! Or as the Poles would say it,
31 *straviach eh ostopenia*—humorous, for, *he looks like an idiot.* Well,
32 that's a loose translation; a more precise one would be, look at that,
33 a man without a brain. Or, look, his brains fell out! Hehe. But,
34 really!

35 So, if you enjoy Comfort & Counsel for the Present Distress live-
36 stream most evenings on our Lighthouse Baptist Church, Santa
37 Maria, CA FB page, you already know what this is about. However,
38 most of my audience waits for my Brain Massage radio/podcast
39 show on the weekends—so you are a little bit behind, but we are
40 going to correct that problem right now!

41 [By the way, go to brainmassage.net and register your email with us
42 so I can put you on the live-stream and podcast notification list. I
43 want to transition from FB and I hoped TruthSocial would allow
44 me to do that. I love TruthSocial, and I finally got my page
45 activated, but while it's a great alternative to Twitter, it does not
46 provide live-stream services equivalent to FaceBook — which is
47 really too bad. You get 120 seconds for a live-stream. I need a live-
48 stream platform for what we do. If you know about a live-stream
49 platform that is equivalent to FB, please contact me. Call
50 805.314.2114 and leave me a message. I'll get back to you as soon as
51 I get the message.

52 I can link my live-stream videos to my TruthSocial page; so that's
53 what we'll have to do until I find an adequate alternative.]

54 I almost felt bad for Mr. Blinken! Almost! I watched his statement
55 declaring the Biden Admin had no interest in facilitating the
56 deliverance of Poland's migs to Ukraine—he could hardly face the
57 cameras. Contrast this meeting with the press to earlier when he
58 was practically singing hallelujah, all he lacked were the pom-poms

59 to complete the image of a cheeleader—you go Poland. He talked,
60 remember this, he talked about back-filling the Polish airforce with
61 whatever planes they might need to facilitate this gesture.

62 But something happened. Polish folk are smart! No doubt someone
63 in their Parliament, or perhaps the President himself, noticed how
64 excited the US was that they would send their MIGS to support
65 Ukraine and asked, hmmm, why doesn't America send their MIG-
66 29s to Ukraine.

67 I wonder if Blinken made a blunder and in conversation with
68 Poland's representatives promised to "back fill" their depleted
69 MIG-29 fleet with our US MIG-29 fleet.¹ Did you know we had a
70 fleet of MIG-29s — *a fleet* sounds like a lot of planes. To be clear,
71 apparently, we have two MIGS that we got from Ukraine; still, two
72 MIGS is two more than Ukraine has right now. However, we
73 bought 21 MIG-29s from Moldova in 1997—14 of these are the
74 MIG-29C which is configured to deliver NUCLEAR WEAPONS.²
75 We did not want these aircraft to fall into the hands of the oil rich
76 Iranians. So that's 23 MIG-29s 14 of which are the fearsome MIG-
77 29Cs—that WE COULD SEND TO UKRAINE.

78 I understand that as of 2017, Poland had 31 active MIG-29s. But
79 here is an article that tells us it presently has 27, and another that
80 says they delivered 28^{3,4,5}. Whatever!

81 So, let's see, if Poland promised to send *all* their MIGS to the
82 service of Ukraine, that would be at least 27 MIGS. Poland, by the
83 way, called on the rest of NATO to do likewise — and I'm sure they
84 noticed there were NO TAKERS! Not even the US offered to send
85 their 23 MIGS. The US! Who were soooooo excited about Poland

86 sending in their MIGS would not join with POLAND to send the
87 US fleet of MIGS. Nor did any other NATO partner. The poles are
88 not dumb! They know the smell of Western betrayal!⁶

89 So, Poland presents a gambit to the US and their NATO allies: they
90 deliver the planes to the US. The US was not ready for that. That's
91 what our State Department said — we were not expecting that
92 move. I'm not kidding! The US State Department, the *Bidenstein* (I
93 wish I could remember the name of the podcaster I heard use this
94 expression so I could credit him for his ingenuity) administration
95 did not see that coming.

96 But why is this a problem? Blinken was dancing with joy about
97 Poland sending in their MIGs. Why wouldn't we facilitate the
98 delivery of the MIGs? We are funneling air defense rockets into
99 Ukraine. We all remember when Russia was supplying the Viet
100 Cong with airplanes, and all sorts of munitions in that debacle—.

101 Many questions come up here. But let's stick with this one first.
102 Why would our government clowns be all in for Poland sending
103 their MIGs into Ukraine, but balk when Poland delivers them to us
104 and challenges us to PUT OUR HANDS DIRECTLY INTO THIS
105 and deliver the planes to our Ukrainian "friends"?

106 Why would America not join Poland, add our 23 MIG-29s to their
107 27 and provide 50 MUCH NEEDED air support matériel — well,
108 material, to assist the effort in Ukraine to beat back this massive
109 attack from "mother Russia"?

110 And why would NATO not respond to Poland's challenge to
111 likewise send in their MIGs.

112 Well, it turns out that Putin declared any nation doing this would
113 be considered AT WAR WITH RUSSIA — and he effectively
114 warned the world that if any nation does this, remember, I have an

⁶ <https://www.worldfuturefund.org/wffmaster/reading/war.crimes/world.war.2/western.betrayal.htm>

115 itchy finger on the trigger of a nuclear arsenal that is targeting all
116 NATO countries.

117 Okay, that might explain why NATO did not want to send their
118 MIGS, and it might explain why America does not want to send
119 our MIGS, BUT IT DOES NOT EXPLAIN WHY AMERICA, AND
120 APPARENTLY THE REST OF NATO WE'RE PERFECTLY
121 OKAY WITH POLAND DOING IT!

122 Follow along class! Stay close. Here it comes.

123 The NATO agreement says if any nation attacks one NATO
124 country it has attacked them all. Every NATO country is obliged to
125 come to the assistance of any NATO country that is under attack
126 by a foreign power.

127 However, if a NATO member attacks another country, the alliance
128 has no obligation to enter into their side of the conflict. Not
129 without getting official sanction for the attack in advance. Are you
130 listening?

131 The time line is important. As soon as Poland made public their
132 overtures to Ukraine to supply their MIGS, Putin made his *I'll*
133 *shoot you with my NUKES* statement. It was AFTER PUTIN'S
134 initial warning that Blinken stood up and cheered Poland on—*you*
135 *go Poland — we are behind you*, well, I mean, *we'll resupply your*
136 *MIG fleet*. Uh huh!

137 But if Poland had done this, it would have given Putin the green
138 light to attack Poland without fear the rest of NATO would be
139 obliged to step in. Apparently, this serves the interests of Obama's
140 body-host Biden — yeah! — for the same reason the Obama-
141 channeling-Biden sent coarse cackling Harris to Europe to
142 announce Zelensky's interest in joining NATO which they had to
143 know was a signal for Putin to invade Ukraine—this devilish duo
144 saw Poland's offer to send planes into Ukraine as a chance to give
145 him Poland too.

146 Putin and his commie counterparts embedded in the US want to
147 revive the old Soviet Empire and "reset" the world to COLD WAR
148 STATUS.

149 Did you notice that while Putin is talking "peace" with Ukraine he
150 is expanding the battle ground to the western borders of Ukraine?
151 Oh yeah! He attacked Lutsk, which is only a little over 200 miles to
152 the border with Poland.⁷ Did you notice that he has begun
153 recruiting Middle East jihadis to fight side by side with his army?⁸
154 For Putin to attack Poland, he'll need to control the airbase in
155 Ukraine near the border with Poland.

156 What are Putin's designs? Some think the GLOBALIST-
157 NIMRODIANS has ordered Putin to surrender. Well, he is getting
158 more than he can handle from the Ukrainians, especially those
159 defending Kiev. You probably heard about, and saw some of the
160 video of Ukrainian soldiers attacking the Russian tanks and taking
161 out, I think I counted something like five or more tanks in a
162 column. And you probably noticed that the convoy has broken
163 up—which proves something else I've said repeatedly, THERE IS
164 NO WAY PUTIN'S CONVOY IS HOLDING OUTSIDE KIEV
165 BECAUSE THEY DON'T HAVE FUEL OR FOOD. I said that was
166 nonsense, and now we know it is nonsense.

167 However, how this plays out is not yet history! The immediate
168 outcome is not yet known!

169 The convoy was holding outside Kiev waiting for the right time for
170 to move into Kiev. This provided negotiating leverage for Putin.
171 He does not want to destroy Kiev. But also, Putin was already
172 driven back from Kiev once. He does not want to engage in a
173 ground skirmish in the great city—I mean, there are Ukrainian

174 snipers positioned on virtually every building, and the Ukrainians
175 have already shown they are willing to FIGHT TO THE DEATH.
176 The casualties Putin would have to absorb are immense, and his
177 army DOES NOT HAVE ANY FIRE IN THEIR GUT TO KILL
178 UKRAINIANS. On the other hand, the Ukrainians are burning
179 with patriotic passion to defend their homeland.

180 That's one reason Putin is bringing in Jihadis to fight for him.
181 Probably from IRAN. PUTIN IS EXPANDING THIS WAR —
182 NATO cannot contain it by playing around with sanctions that
183 MEAN VERY LITTLE TO PUTIN, something that BIDEN knows
184 full well. It would not surprise me at all if Biden is not getting
185 permission from PUTIN regarding what sanctions he can use and
186 how far he can go to PRESENT TO AMERICANS ONE FACE
187 while he shows to PUTIN his real face. We are being BETRAYED
188 by BIDEN. Make no mistake about that!

189 So Putin is trying to beat down Zelensky's resistance with the hope
190 he surrenders Kiev to Putin. You can take your cues from what that
191 LIAR of MECHECH SAYS or you can take your cues from what
192 you see him DO! (See Psalm 120:1-7 and pay attention—the
193 deceitful tongue of Meshech—which is an oblique reference to
194 Moscow, or the Muscovites; See also Ezekiel 38:2-39:1-29, and pay
195 attention so you will see what is happening has some
196 correspondence to this prophecy but it is NOT A FULFILLMENT
197 of it.)

198 I need to go to break! Listen, Putin wants to revive the SOVIET
199 EMPIRE — he has said as much, written about it, and taken
200 actions intended to realign the nations of the old Soviet bloc.
201 Demoncrats here are secretly supporting his efforts. PRAY!

202 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor
203 at the Lighthouse, your brain masseur, and Paul Revere's lantern
204 lighter, lighting the lamps in the church belfry arch, signaling the

205 enemy is on the march, an enemy that would steal from us our
206 liberty.

207 Putin put his nuclear arsenal on high alert Feb. 27, at least that's
208 when this article was published.⁹ On February 28, Putin issued his
209 ominous warning to the WEST against any intervention; even
210 suggesting that sanctions could be viewed by him as an act of war
211 against Russia.¹⁰ March 5, Putin warns Russia will view any third-
212 party declaration of a no fly zone as "participation in the armed
213 conflict."¹¹ March 8, Poland offers to supply Ukraine with their
214 MIG-29s and urges their fellow NATO members do the same. This
215 was Friday, March 4, or Saturday, March 5, 2022. Blinken is
216 excitedly reporting US willingness to support Poland's offer and
217 promised to supply planes to Poland needed to "back fill" their
218 supply. (NOTE: Putin has ALREADY issues his WARNING about
219 sanctions and supplying UKRAINE being interpreted as "acts of
220 war" against Russia.)

221 Knowing this was Russia's disposition, the US Secretary of State
222 affirmed Poland's offer to send MIGs to Ukraine and vowed to
223 provide planes to replenish their air force. This was immediately
224 following Poland's offer—Saturday, March 5, 2022.

225 On March 7, Blinken and MSM continued to speak cheerfully,
226 expectantly, enthusiastically about Poland given their MIGs to
227 Ukraine.

228 On March 8, 2022 Poland delivered their fleet of MIG-29s to
229 Ramstein Air base in Germany — a US operated air base. This
230 caught the Biden administration totally off guard. We watched
231 them freaking out! They scrambled what to do — because the US
232 did not want to deliver the MIGs to Ukraine. (UKRAINE
233 BETRAYED!)

⁹ <https://theconversation.com/as-putin-puts-nuclear-forces-on-high-alert-here-are-5-genuine-nuclear-dangers-for-us-all-177923>

¹⁰ <https://www.theguardian.com/world/2022/mar/05/defiant-putin-warns-the-west-your-sanctions-are-akin-to-an-act-of-war>

¹¹ <https://www.airforcetimes.com/flashpoints/ukraine/2022/03/05/putin-warns-3rd-parties-against-creating-ukraine-no-fly-zone/>

234 March 9, 2022, Pentagon rejects Poland's offer to have Americans
235 deliver the planes to Ukraine.¹²

236 NATO members expressed fear the plan would provoke Putin to
237 consider this an act of war by NATO against Russia, making
238 NATO a party to the conflict.¹³

239 So, looking at this time line here is what we take away. First, we
240 had to know already that Putin would view this as an act of war. He
241 already said the sanctions could be viewed in that way. Some of the
242 NATO members balked at sanctions, until they were assured none
243 of them would actually DO anything to make Putin really angry.
244 I'm not kidding! For example, Biden announced new sanctions —
245 against buying Russian diamonds. That'll get 'em, Joe.

246 The earlier sanctions, for example, against his banks, well, not all of
247 them, only some of them. The ones involved in oil are not to be
248 touched. Nothing was said about wine, but ...

249 The one thing these cowards of NATO will not sanction is Russian
250 oil — until finally, Biden was pressured to cave in — but, he figures
251 this will actually further his agenda to FORCE AMERICANS TO
252 START WALKING MORE, RIDING THEIR BIKES, STAYING
253 CLOSER TO HOME AND WEAN FROM THEIR DEPENDENCY
254 ON THE FREEDOM OF MOVEMENT THEY ENJOY WITH
255 CARS. I think it was Inghram who likened Biden's oil policies akin
256 to a NEW LOCKDOWN policy.

257 So Biden is pretending to be all in opposition to Putin's invasion of
258 Ukraine while secretly facilitating it.

259 Biden is sanctioning our FREEDOM, our INDEPENDENCE, even
260 our FOOD supply — Biden is HUTRING America, and he is doing
261 it on PURPOSE.

¹² <https://www.reuters.com/world/us/us-surprised-polands-decision-give-it-fighter-jets-ukraine-2022-03-08/>

¹³ <https://abc57.com/news/why-the-us-rejected-polands-plan-to-send-fighter-jets-to-ukraine>

262 So, to conclude my comments on this, look, none of this makes any
263 sense unless we see it as Communist infiltration of our country has
264 put in place so many Commie Operators our government, not our
265 country, not America, but the government we allowed the DEEP
266 STATE Marxist-Nimrods, the globalists, to take over, to STEAL
267 and take by VIOLENCE — they are preparing America to come
268 under Communist rule, and part of the plan is to reestablish the
269 Soviet Empire — encourage that empire to connect with Xi's
270 COMMUNIST CHINA and IRAN's Jihadi Theocracy to RISE UP
271 AND DEVOUR MUCH FLESH, advancing toward a one world
272 government under the BEAR, which pushes the European nations
273 into an alliance: Greece, Turkey, Syria/Lebanon and Egypt, form
274 up to protect themselves from being devoured by this bear, and
275 these elites conspire to throw off the west, and establish a one
276 world order under European dominion, threatening the western
277 nations, which respond by creating a ten nation alignment creating
278 a super-duper POWER that will rise up to break all nations into
279 compliance with its will—pushing toward a one world government
280 headed by the Western world powers.

281 Hmm?

282 Anyway, the fact is, Putin wants to revive the Soviet Empire and he
283 is going to get as much done toward that end before the 2022
284 election that he can. And yet, there is a GOD in Heaven and saints
285 are praying God will put a hook in the nose of that raging bear and
286 pull him back into his cave.

287 I wanted to talk about some of the TRUTH that is eking out under
288 the cover smoke of war. Interesting revelations about masks and
289 vaccines!—stuff you already knew about, if you listen to the Brain
290 Masseur, but it's good that the TRUTH is pushing to the surface
291 even if the scoundrels are using the war cloud to hide their
292 movements.

293 As I predicted, the Deep State murderers are using for cover the
294 dense smoke of war to hide their movements here — during this
295 distraction, one after another admission is being eked out to the
296 public exposing their COVID lies so the American people will be
297 too busy with Ukraine to give it much notice—allowing them to
298 soften the public outcry against them they know would happen
299 otherwise.

300 Let's start with the mask mandates. Here is an article headed: Mask
301 Mandates DID NOT EFFECTIVELY REDUCE TRANSMISSION
302 of COVID.¹⁴ But you already knew that! You already knew that the
303 SARS-CoV-2 virus particle is 120 nanometers small and the
304 standard so-called surgical mask you buy in the store, you know,
305 the ones that have a disclaimer on the box that warns you THIS
306 MASK DOES NOT PROTECT YOU FROM COVID, those masks,
307 they have a pore size (the size of the holes in the mask) are 300
308 nanometers in diameter. And you know that all the studies
309 supporting the efficacy of masks are PHONY, as phony as the
310 Lancet study claiming Hydroxychloroquine was dangerous and
311 ineffective as an early treatment for COVID—as phony as Fauci's
312 sudden conversion from "masks are not effective to prevent
313 transmission of a virus because the virus is too small and gets
314 through the mask" — to everybody must wear a mask to control
315 transmission—as PHONY as every doctor that participated with
316 this nonsense and did not BOTHER to do any research at all but
317 supported this oppressive infringement of our natural right to
318 BREATHE FREE — you know that the LIARS talked about particle
319 size, but when addressing the efficacy of masks, they switched to
320 talking about droplets — and you already knew that these liars
321 failed to factor in the truth that these droplets can be
322 microdroplets, small enough to move through the recommended

¹⁴ 872.17.4-Mask Mandates Not Linked to Lower COVID-19 Case Rate or Transmission_ Study
(https://www.theepochtimes.com/mask-mandates-not-linked-to-lower-covid-19-case-rate-or-transmission-study_4327329.html?utm_source=News&utm_campaign=breaking-2022-03-10-2&utm_medium=email&test=4lA1rx%2FdfLyHW%2BulJKs9%2F7zDgRP1918cIfN%2FeoluN572mbnHrDWe%2FeLrteSNA%3D%3D)

323 masks, and furthermore that these droplets evaporate very quickly,
324 and furthermore, that when they evaporate, they leave the virus
325 particle on the mask, and that furthermore, in that case, when you
326 breath, you have to suck air a bit harder because of the mask, so
327 you end up DRIVING THE VIRAL PARTICLE DEEP INTO
328 YOUR LUNGS — it's stuff like that that you knew because you
329 listen to the BRAIN MASSAGE SHOW.

330 Well, now they are admitting the MASKS DID NOTHING to
331 MITIGATE the spread of COVID.

332 Now, about the vaccines. The Vaccines are DANGEROUS and
333 Pfizer KNEW IT:¹⁵

334 Pfizer's COVID vax DOES go into liver cells — mind you, I did not
335 say the Pfizer BioNTech vaccine for COVID goes into your liver —
336 virtually everything goes through your liver. They are now
337 admitting THE COVID VAX WORMS ITS WAY INTO THE
338 NUCLEUS OF YOUR LIVER CELLS — and is CONVERTED
339 INTO DNA. WHAAAT? Oh yeah!¹⁶

340 This is EXACTLY what the Pharmaceutical companies, the
341 government medical establishment, and all the FactCheckers were
342 denying vehemently.

343 The CDC said “The genetic material delivered by mRNA vaccines
344 NEVER ENTERS THE NUCLEUS OF YOUR CELLS.”¹⁷

345 For over a year, CDC has insisted “COVID-19 vaccines DO NOT
346 CHANGE OR INTERACT WITH YOUR DNA IN ANY WAY.”

¹⁷ Ibid. Here is a CDC web page titled "MYTHS AND FACTS ABOUT COVID 19 VACCINES." [Myths and Facts about COVID-19 Vaccines](#) where CDC declares:

348 Well, many experts who were censored by MSM, Social Media,
349 Fact Checkers, the government medical establishment, told us this
350 would happen. So I believe they KNEW IT WOULD HAPPEN,
351 and that this feature of their vaccine was intentionally built into the
352 vaccine.

353 Pfizer had NO COMMENT — well, they said only that its mRNA
354 vaccine does not alter the human genome.

355 It's the same ole song and dance around the issue. They said the
356 vaccine DID NOT ENTER THE NUCLEUS of the human cell —
357 they said it does not “change OR INTERACT with your DNA.”
358 Now we know those assertions were LIES.

359 SO, Now, Pfizer's argument seems to be, “well, okay, so it enters
360 the nucleus, our bad! And, yes, so it CONVERTS into DNA; but,
361 hey, it doesn't like, change your genome!”

362 They depend on your ignorance, so let's expose them. A genome
363 includes “all genetic information of an organism.” All of it. So, if
364 you put something in my body that is ADDING DNA that was not
365 there before, I think that qualifies as altering the human genome.

366 SNL (that's Saturday Night Live) did a skit that was truly funny!
367 They actually poked fun at liberals obsessing over masks and
368 vaccines.

369 They salted in some government propaganda (LIES) such as masks
370 WERE EFFECTIVE, and then the general statement VACCINES
371 SAVE LIVES, which is true, but in the present case, it's highly
372 debatable — key messages! However, they did laugh at themselves
373 over their extreme reaction to those who questioned the efficacy of
374 masking, actually, they seemed to admit the mask thing was a
375 JOKE; and they raised legitimate questions whether ostracizing
376 those who are called vaccine hesitant was questionable because you
377 know they just MIGHT have had some legitimacy for their
378 concerns — So!

379 Friend, I'm out of time for the show today, but here is one little
380 snippet to show the legitimacy of questioning the efficacy of the
381 mRNA gene manipulation therapy masquerading as a vaccine:¹⁸

382 From the Illinois Department of Public Health:¹⁹ for the week
383 ending 03/09/2022 — TOTAL DEATHS from COVID: 175. Fully
384 vaccinated deaths: 109. Unvaccinated deaths: 66.

385 This comports with other sources claiming that the vaccinated are
386 dying from COVID at a rate above 60% over the unvaccinated.
387 Israel is showing similar results—the reason that is significant is
388 that Israel has led the world in population vaccination.

389 Smollett was escorted out of the courtroom after his sentence to
390 something like 180 days jail time, a few hundred thousand dollars
391 in fines, and some time in probation hollering I'M NOT
392 SUICIDAL, I'M NOT SUICIDAL. What is with this guy? Paranoid!
393 Too much THC in his CBD — but let us be glad judgment and
394 justice are not entirely departed from this country; we can hope
395 soon we'll watch Fauci perp-walked to begin his sentence, along
396 with the entire Biden crime family, and Hillary, and Maxwell, and
397 all those who fed their perverse appetites by consuming the
398 innocence of children. GOD, HELP!
