

Brain Massage®: Show No. 875 Jenner the Gender Blender Gets a Gig on Fox — why does it matter? Black Rock's Larry Fink Is Excited About the Ukraine War — It's bringing in the NEW WORLD ORDER!

Jerry Scheidbach

Original Air Date: 04.02.22

1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain
3 masseur—get ready for your brain massage.

4 IT'S DAY NUMBER 437 OF TRUMP'S EXILE FROM HIS
5 RIGHTFUL PLACE IN THE OVAL OFFICE.

6 April is here—the word means, *to open!*¹ It's a month to OPEN our
7 eyes and SEE! And, WOW! We have a lot to set before your eyes
8 today.

9 Biden is warning us of what his administration has planned for
10 America: food shortages, consequence of supply chain and market
11 disruptions, and especially a BLACK OUT! The current usurper-
12 in-chief is preparing the duped Americans to blame all this on
13 Russia and Ukraine, or COVID-2, or anything and everyone,
14 except the ones that are responsible: Biden and the Democrat
15 Party apparatchiks.

16 NONE OF THIS WOULD BE HAPPENING IF TRUMP WAS IN
17 HIS RIGHTFUL OFFICE — we must expose the election fraud and
18 restore the right of the PEOPLE to choose their representatives —
19 there will be no justice until this is corrected — unless it is by an
20 intervention of the WRATH of GOD!

21 So, let's get an update on the STOLEN ELECTION — and progress
22 toward bringing the THIEVES to justice and the RETURNING the
23 STOLEN DIAMONDS — the right of the people to vote for their
24 governing representatives. DO IT NOW! Because, like COMMIE-

¹ <https://www.dictionary.com/e/april/>

25 LA-LA told us, repeatedly, there truly is SIGNIFICANCE TO THE
26 PASSAGE OF TIME.

27 Bruce Jenner landed a gig on FoxNEWS. Jenner the Gender Bender
28 — here is an appropriate play on an old expression: DELUSIONS
29 of GENDER. Why does this matter?

30 Fauci's days are numbered! He has been weighed in the DIVINE
31 SCALES and his judgment stalks him. "Some men's sins are open
32 beforehand, going before to judgment; and some men they follow
33 after" (1Timothy 5:24). The expression, *going before to judgment*
34 means to be exposed before his judgment is executed. Fauci is one
35 whose sins God will expose beforehand—we will see his facadé
36 crumble to dust, and his serpent tongue licking it up. The blood on
37 his hands drips into the mouths of every person attempting to
38 come to his aid. He is cursed! Ne-arim, Me-erah!

39 The first CEO of Twitter was a Faustian opportunist, he cowed to
40 the Destroy America First agenda because he feared losing his gain.
41 The new CEO is an anti-American zealot, ideologically passionate
42 about destroying the foundations of liberty in this country.

43 Okay, my friends, it's time for your brain massage®!

44 [TRUTH]

45 The Biden agenda! Biden is declaring what he has PLANNED for
46 America: food shortages, consequence of supply chain and market
47 disruptions, and especially a BLACK OUT: ALL BLAMMED ON
48 RUSSIA INVADING UKRAINE. The facts:

49 Biden's first act after wresting power in America from the PEOPLE
50 by farce and force, was to destroy our energy independence, and
51 shift America to foreign dependence. Everything he has done since
52 has served foreign interests — not America's interests. Now the
53 revelations from Hunter's laptop are pushing through all the efforts
54 of the wicked to hide the truth—so the rest of the country can now

55 know where Biden's loyalties lie—he is owned by Russia, Iran and
56 China.

57 There is a theory out there that Putin, Xi and Trump are secretly
58 colluding together to break the globalist conspiracy to subordinate
59 America to the power of Satan. I think those promoting this, for
60 the most part, are unaware that they are playing into the hands of
61 the Deep State and globalist agenda. This provides cover for the
62 wicked rulers of Russia, Iran, and China to move forward with
63 their agenda enjoying the support of many otherwise patriotic
64 Americans.

65 Look, SEE! Trump's policies were NOT FAVORABLE to Putin,
66 and they were NOT FAVORABLE to Xi — and they were certainly
67 not favorable to Iran's mullahs. Everything Trump did advanced
68 AMERICA, elevated AMERICA, restored the integrity of our
69 economy and our military, and totally shut down the globalist
70 agenda — because IT IS IMPOSSIBLE FOR THE DARK POWERS
71 TO SUCCEED SO LONG AS AMERICA IS STRONG AND
72 UNDER AMERICA FIRST LEADERSHIP.

73 The Great Reset agenda is to bring America down, to shift the geo-
74 political alignment of nations into a new order—meaning an order
75 where America is NO LONGER THE LEADING SUPERPOWER,
76 where the US DOLLAR will no longer be the currency of trade,
77 where American values of FIDELITY TO THE IDEAL OF
78 CONSTITUTIONAL REPUBLIC will be defeated — where the god
79 of Mammon through bankers can own everything — and control
80 all nations — and use the god of forces to establish a universal
81 dictatorship — where, as Karl Schwab, founder and president of
82 the World Economic Forum, has said out loud — YOU [THE
83 PEOPLE] WILL OWN NOTHING, AND YOU WILL BE HAPPY!

84 That statement best summarizes what the world will look like if, or
85 when, America is turned into Hell by the hand of GOD — the
86 HELL of communism — a fitting JUDGMENT for a nation that

87 has abused liberty, and in the abuse of liberty, destroyed JUSTICE
88 — you will own nothing (you will be a serf, serving the interests of
89 the land owners, eating what they feed you, and doing what they
90 tell you) and you "will BE HAPPY" OR ELSE! No show of
91 discontent will be tolerated — you *will be happy!* And they mean it!
92 You will be told what to think, and how to feel! You will be beat
93 into conformity — you know this is the unspoken agenda of the
94 whole Vaccine and Mask mandate nonsense — hey, that's what the
95 Pfizer Comernity vaccine is supposed to facilitate.

96 Get a load of this. Scott Piergrossi, president of a company called
97 Brand Institute, a group that specializes in branding products, and
98 hired to come up with a name for Pfizer's vaccine, said that after
99 much consultation with Pfizer, they settled on the goal: "the goal in
100 naming the drug is 'to overlap ideas and layer meaning into a
101 name.'"² The specifically wanted to encompass "community" and
102 "immunity" into the name of the final product. The word
103 *Comernity* is intended to blend the COVID-19, mRNA,
104 COMMUNITY, with immunity into one word. Community is the
105 essential essence of the word. They considered Covuity, RnaxCovi,
106 Kovimerna, and RNXtract — but these lacked a foundational idea
107 — and the foundational idea is COMMUNITY.

108 They want a commune mentality — where everyone moves in the
109 same direction under the control and at the discretion of your
110 masters. When Schwab says, "you will own nothing," that's what he
111 means. You will own nothing. "They" on the other hand, will own
112 everything. And "you will be happy..." that's an order!

113 Have you not noticed that the entire campaign to get you vaxed,
114 the essential message is, subordinate your individuality to the
115 interests of the COMMUNE —. I intend to address that tonight
116 during our Comfort & Counsel For the Present Distress — I

118 an hour—usually, about an hour. Go to Lighthouse Baptist
119 Church, Santa Maria, Facebook page to join us in our visit.

120 What sort of society does this look like? If you said the society of
121 China under the Chinese Communist Party you're right on!

122 IF you said the society of Russia under the Soviet Union
123 Communists, you're over the target. If you said the society and
124 culture imposed on the people of Iran, you hit the target. (ALL
125 prophecy buffs know that Persia (Iran) is the dominating power of
126 the Bear, not Media (Russia) — Selah!)

127 But America must demise before the Bear can arise! See Obama's
128 subservience to Iran; see Biden's subservience to China and Russia
129 — WAKE UP!

130 Biden and the Demoncrat Party is playing for time to get the job
131 done — to finally destroy American dominance in the world, to
132 bring the world under the power of Putin, Xi, and Ali. The three
133 ribs in the mouth of the DEMON represented by the Bear in
134 Daniel's prophecy, that call on the bear to "rise up and devour
135 much flesh." THE APPETITE of Russia is to reestablish the Soviet
136 Empire — with Ukraine, Russia resumes Empire status. The CCP
137 and their Belt & Road initiative — a "new supply chain" controlling
138 the flow of the distribution of goods. That's the CCP interest in
139 this. Reviving the Soviet Empire, that's Russia's interest in this.
140 Destroying Israel by separated her from American's protection,
141 that's Ali's interest in this. These interests converge and they are
142 aligned AGAINST AMERICA!

143 The western globalists of the World Economic Forum want to use
144 this war in Ukraine to usher in the GREAT RESET. That's what
145 Larry FINK — it's a common Jewish moniker that was made a
146 pejorative in Germany. But the guy is certainly a *fink*. He runs
147 Black Rock and manages a 10 trillion dollar portfolio — and he

148 wants to buy your house. In fact, he wants to buy up all American
149 homes in view of the day you will own nothing — oh yeah! Fink is
150 a super supporter of Karl Schwab and the World Economic Forum.

151 He said the war in Ukraine is facilitating the agenda to take down
152 the present world order — in which America is the dominating
153 force — and replace it with a new world order, which essentially
154 puts the world into the control of the super-bankers, Mammon,
155 who once they gain control of the super power of America's
156 military, and turn it over to the devil-god of forces, with control of
157 the economy and the military might — they will RULE THE
158 WORLD and you will OWN NOTHING because THEY WILL
159 OWN IT ALL, and you will be happy, or you'll be deemed insane
160 and disappeared into some concentration camp for reeducation
161 which, that failing, you'll be ushered into one of the ovens they've
162 prepared to, uh, cook your goose. My tone belies the seriousness of
163 this concern—this is what they have in view.

164 But Larry Fink tells us the war in Ukraine is moving the world
165 toward collapse into the hands of these dictator technocrats who
166 will use technology to enslave us —

167 If they succeed at destroying America and finally and fully pull her
168 out from UNDER GOD — this world will be thrown into a time of
169 upheaval without precedent — and out of the ashes, Larry hopes,
170 there will emerge the NEW WORLD ORDER.

171 NONE OF THIS WOULD BE HAPPENING IF TRUMP WAS IN
172 HIS RIGHTFUL OFFICE — we must expose the election fraud and
173 restore the right of the PEOPLE to choose their representatives —
174 there will be no justice until this is corrected — unless it is by an
175 intervention of the WRATH of GOD!

176 The Thieves must return the diamonds! This must be done
177 immediately; because. like Commie-LALA told us, repeatedly,
178 there truly is significance to the passage of time.

179 For many of you that live in the echo-chamber of msm, you
180 probably think the whole election was stolen thing is over and the
181 thieves have gotten away with stealing the People's right to choose
182 their leaders.

183 I'm short on time here, so I'll give a more thorough update on this
184 tonight during our Comfort & Counsel visit. Tina Peters was Mesa
185 County Clerk in Colorado before and during the national 2020
186 election, and the 2021 regional election. She received several
187 complaints from her constituents about the 2020 election, and was
188 warned that Dominion, the company providing the voting
189 machines used there, and virtually all over America, that they were
190 sending out a team to "upgrade" the machines. Suspicious that they
191 were wiping evidence of voter fraud from the machines, she
192 created a backup of the Dominion machines used under her
193 purview as County Clerk. The Secretary of State in Colorado, Jena
194 Griswold, learned of this, and freaked out.

195 Why would she be concerned that Tina made a "backup" of
196 election records?

197 She sent in a team of police to raid Tina's office, searching for the
198 backup. She brought Tina up on charges trying to say her actions
199 violated law—how does creating a BACKUP of Election data from
200 Dominion machines constitute violation of any reasonable law?

201 Tina has turned this backup over to forensic experts who have
202 studied it and discovered the answer to our dilemma? There are
203 three reports. Two of them were released from the forensic
204 investigation of Doug Gould—former Chief Cybersecurity
205 Strategist for AT&T. [He is regarded to be a foremost expert in the
206 field of cybersecurity — running with the pack — an old Cross
207 Country term that means he runs shoulder to shoulder with the
208 leaders in his field — he holds both the CISSP certification
209 (Certified Information Systems Security Professional) and the CAS
210 certification (Code Access Security). He is a faculty member of the

211 World Institute for Security Enhancement. The guy knows his
212 stuff.]

213 His investigation report shows proof that at least 29,000 election
214 records had been deleted at the direction of CO SecyOfState Jena
215 Griswold. The second report revealed more disturbing details: he
216 revealed that the Dominion election systems were vulnerable to
217 manipulation from someone hacking in, he showed that one could
218 literally go into the database holding the sacrosanct votes of the
219 people, and manipulate the votes, from a device as readily available
220 as an iPhone — one could literally flip votes, and control the
221 outcome of an election, with only a few quick commands.

222 I'm out of time for this segment, and I have important matters to
223 address in the next, so we'll pick this up tonight, Lord willing,
224 during our Comfort & Counsel visit. Quickly, the third report
225 prepared by another cybersecurity expert who checked Doug's
226 work concluded this was done on purpose—that it is impossible for
227 it to have occurred accidentally, or by any of the election officials—
228 someone, probably from Dominion, pulled this off.

229 We must decertify the 2020 election, throw Biden and HARRIS
230 OUT OF OFFICE, place an injunction against Pelosi from issuing
231 executive orders, or signing bills into laws until a new election is
232 conducted WITHOUT THESE ACCURSED DOMINION
233 STEALING MACHINES.

234 Hold on through the break; I'll be right back.

235 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor
236 at the Lighthouse, your brain masseur, and Paul Revere's lantern
237 lighter, lighting the lamps in the church belfry arch, signaling the
238 enemy is on the march, an enemy that would steal from us our
239 liberty.

240 Jenner the Gender Bender gets a gig on FoxNews. Why is that a
241 problem?

242 In the first segment, I brought out the fact that America teeters on
243 brink, staring into the maw of HELL—about to be turned over to
244 the power of those that hate us, and hate Christians and
245 Christianity especially.

246 I've been speaking to the danger of the gay agenda for many
247 years—warning as early as in the 70s and 80s that it is impossible
248 for a Christian culture to embrace the homosexual agenda without
249 fundamentally destroying biblical Christianity. These are totally
250 incompatible systems. The homosexual agenda is grounded on the
251 ultimate ideal of pan sexuality—and, by the way, this was the
252 objective of that movement from its beginning, although leaders
253 considered it too much for the public to take, so they hid it.
254 NAMBLA (a pedophile promoting organization) marched, on and
255 off, with the Gay parade, for the same reason. There was concern it
256 would be too much too fast for the American public to digest. I
257 said then this would necessarily lead to a total break down of
258 gender distinctions in our culture—and here we are!

259 DELUSIONS of GENDER! But, again, what's the problem? Well,
260 you see, as we have already seen, those promoting the agenda are
261 not content to be let alone with their perversions, they insist
262 everyone else affirm their lifestyle, and beyond that, they insist
263 everyone accept it as "normal." It's a road that leads to Sodom,
264 when the men of the city came out in force to force their sodomy
265 on men visiting their city. Some have suggested that every man
266 and woman needs to experience homosexuality in order to
267 completely break down resistance to this aberration against nature,
268 and, as we'll see, abomination against nature's GOD.

269 The gender confusion has taken such hold in this country, as you
270 know, men are presenting themselves as females and participating
271 in female sports destroying opportunities for biological females to
272 compete in fair competition. And now, they are coming after the
273 churches. They want the churches to affirm homosexuality. And if
274 a church refuses, for example, to perform wedding services to

275 transgendered couples, or homosexuals, they want to turn it to be
276 able to file criminal charges against these churches. So now we
277 have to go into our statement of faith, and clarify our doctrinal
278 position on this, and make it clear the CHURCH cannot perform
279 such ceremonies, or allow their facilities to be used for such
280 ceremonies as a matter of conscience—and we have to define
281 woman in biblical and scientific terms so that some man does not
282 come along and say he qualifies under our definition of woman
283 because he has decided he is a woman. And the point, at this point
284 in our Brain Massage® is that it simply never stops—the
285 aberration continues to degrade the DIVINELY established roles
286 of MALE and FEMALE until, now we have people "identifying"
287 as furries. Some high school kids are self-identifying as a cat, or a
288 dog, or whatever; and they dress and exhibit the mannerisms of
289 these creatures. (As a quick aside, this can serve as a mask to cover
290 demon possession — these behaviors are often associated with
291 someone who has come under the control of devils.) But even if a
292 malevolent spirit has not taken possession of all these kids,
293 seducing spirits teaching doctrines of devils have certainly taken
294 control of their minds.

295 Recently, a parent approached school administrators in her child's
296 school and requested they place LITTER BOXES in their restrooms
297 for children identifying as Furries. She explained that her child
298 self-identifies as a "Furrie" and she wants to support her child, and
299 so wants school to place litter box in the girl's restroom in her
300 school. The School denied the request. But, we've been down this
301 road several times and every time it results in another capitulation
302 to insanity.

303 It's cropping up in Indiana, Michigan — all over the country.
304 Children attending school acting like and dressing like cats, or
305 dogs, they will hiss, and scratch at you and meow, and bark. And
306 these are not four and five year olds; we are talking about high
307 school aged young people.

308 So what? Bestiality is rising. We have dominion over animals, and
309 they are given for food. If “people” start identifying as animals,
310 they are reducing themselves to the level of an animal, over which
311 others can exercise dominion, and this will open up to bestiality,
312 and cannibalism. I can almost hear some reacting to this warning
313 exactly like they reacted when I said the cultural embracing of
314 homosexuality will lead to the acceptance of pedophilia (which is
315 pervasive in our culture only still hidden from your view), human
316 sex trafficking, bondage, sadomasochism — and all manner of
317 deviant behaviors, including bestiality.

318 All of this started with the unisex movement — breaking down the
319 gender distinction commanded by GOD in Scriptures like
320 Deuteronomy 22:5—“The woman shall not wear that which
321 pertaineth unto a man, neither shall a man put on a woman’s
322 garment: for all that do so are abomination unto the LORD thy
323 God.”

324 Perhaps now you understand why what to many in my audience
325 will almost certainly seem a trivial issue—a woman wearing
326 clothing designated for male, and vice versa — big deal! Right?

327 Well, maybe now you understand why it is an ABOMINATION to
328 GOD. This word *abomination* means it is something disgusting,
329 morally repugnant, an abhorrence — which is something that
330 elicits a feeling of repulsion, loathing — it makes God sick!

331 Who likes to trigger God, to offend Him? Well, Satan does, of
332 course, and all who are under the influence of the prince of the
333 power of the air — Satan, the spirit that works in these children of
334 disobedience.

335 The precept is clear; a man is not to dress in a woman's clothing—
336 Brucey. You are an abomination to GOD. You can judge within
337 yourself what God thinks of those who applaud this abomination.
338 Sexual confusion is also called an abomination—Leviticus 20:13.

339 There are two abominations that trigger the WRATH of GOD
340 upon a nation — the first is the shedding of innocent blood, and
341 the second is gender confusion in manners and dress. God has
342 declared those who are effeminate are categorized with adulterers,
343 idolaters, and fornicators (I Corinthians 6:9).

344 And here is the brain massage® moment of clarity. We certainly
345 should do all in our power to restore the integrity of the vote, and
346 we must require the diamonds stolen are returned — we must —
347 but let me issue this important warning!

348 God made it very clear that if He spared not the natural branches
349 of the cultured olive tree that He planted in the earth, to which
350 family He gave the kingdom, which includes the dominion
351 (stewardship over the resources of the earth and so PLENTY in
352 food, and material blessings), and the sword (the military might to
353 protect the rights and privileges of those under God's watch, and
354 covering) — we were told, plainly, that if God would not spare
355 Israel/Judah from destruction, and enslavement — the loss of their
356 independence as a nation, the loss of their liberties, the destruction
357 of their livelihoods and their very lives — if in fury and set them
358 under His wrath Whom He before favored, and blessed, and
359 prospered above all the nations of the world — and made them a
360 laughing stock, a derision, the scorn of the world, and the mocking
361 of the unrighteous — DON'T THINK FOR ONE MOMENT YOU
362 WHO WERE GRAFFED IN will not face the same WRATH!

363 God is angry with America!

364 Putting these vile sins into His face is NOT A GOOD IDEA!

365 We must REPENT from the shedding of innocent blood—both in
366 legalized murder of innocent babies in the wombs of their mothers.
367 But what are we doing? We are now trying to pass a law that will
368 allow abortion up to term, and even allow babies after birth to be
369 neglected and left to DIE without nourishment and warmth for up

370 to seven days, or fourteen days, and some want it to extend beyond
371 that — AMERICA, YOU ARE LOSING YOUR HUMANITY —
372 and those of us who see this HAD BETTER RISE UP AND SPEAK
373 OUT AND DO SOMETHING ABOUT IT.

374 One of the most critical issues we face right now is the LOSS OF
375 OUR POWER TO ELECT THE OFFICERS OF OUR
376 GOVERNMENT.

377 It must be restored, and then we must use it to RID OURSELVES
378 OF THESE WICKED AND INSANE PEOPLE LEADING THIS
379 COUNTRY STRAIGHT TO HELL.

380 I have lit the lamps in the Church belfry arch and now you let me
381 know if you see them. It's LIGHTS ON if you see the LIGHTS ARE
382 ON and you will ride like Revere and spread the warning,
383 (essentially, it means you agree with what I'm saying) or you say
384 LIGHTS OFF -- which means you reject what I'm saying and
385 disagree strongly with me. So, what will it be today, lights on, or
386 lights off?
