

Brain Massage®: Show No. 876 Indictments Coming With Criminal Charges  
Against Hillary, Obama, Hunter, and Joe? The Damn is Breaking!

Jerry Scheidbach

Original Air Date: 04.09.22

1 Segment.01 It is the 444th day of Trump's political exile, and the  
2 illegal occupation of America by the CCP/Russia/Iran triumvirate  
3 through the proxy government of Biden, Harris, under the auspices  
4 of the Demoncrat Party and the Establishment Media—sometimes  
5 called the MSM.

6 Hello. I'm Dr. Jerry Scheidbach, pastor of the Lighthouse Baptist  
7 Church in Santa Maria, CA—and your brain masseur—get ready  
8 for your brain massage.

9 The Brain Masseur has been robbed! — I'll tell you about that in a  
10 moment.

11 A tranny woman—that's a man who decided he is a woman—  
12 Tweets about his first period! Shocked that it hurt so bad! Uh  
13 huh—yeah!

14 New rumblings in the Intel world you'll find interesting!

15 They continue to hound Trump: here is the latest!

16 And further revelations from the Hunter Laptop drive Biden's  
17 approval down under 30%—watching his plagiarized presidency  
18 swirling in the toilet taking it into the sewage with the Deep State  
19 soon to follow.

20 Update on the Durham probe—interesting developments there.

21 We know "they" want to destroy America, but WHY?

22 Okay, my friends — it's time for your BRAIN MASSAGE.

23 [TRUTH]

24 The Brain Masseur has been robbed! — Bongino stole my schtick!  
25 In Episode 1741 of the Bongino show, his announcer invited  
26 listeners to get their "brain massage." I will have you know that I've

27 registered that as my TRADEMARK, I've been using it since before  
28 9/11, and officially trademarked the brand BRAINMASSAGE in  
29 2009 — my serial number is 77/824655, issued 12/15/2009.  
30 Imagine my shock when I heard Bongino's announcer invite his  
31 listeners to get their "brain massage" without so much as a nod, or a  
32 wink, or — said the Brain Masseur in MOCK HOROR!

33 Imitation is the greatest flattery — I can only hope someone in  
34 Bongino's organization came across one of my shows, or found my  
35 website — I'd love to explain to them the SCIENCE OF THE  
36 BRAIN MASSAGE —

37 [INSERT — over a minute— so reduce completion page count to  
38 12]

39 A tranny woman—that's a man who decided he is a woman; I  
40 mean, I get confused whether it's a woman pretending she is a he,  
41 or a he pretending he is a she—Tweets about his first period!  
42 Shocked that it hurt so bad! Uh huh—yeah! THEY GUY HAS NO  
43 UTERUS — he is not wearing the, you know, the thing—  
44 traumatized from my youth. Mom sent me to the store and  
45 included in the shopping list was a box of sanitary napkins, and she  
46 made such a point of which brand to get, as I approached the  
47 house, Mom happened to be out in the yard, so I pulled the box out  
48 and hollered, are these the ones you wanted? Well, let's just say,  
49 that was not received well! Can you believe these idiots—this guy  
50 who pretends to be a gal gets constipated and thinks he is having a  
51 period!

52 I came across some new rumblings from the Intel world that I  
53 think you'll find interesting! But first, necessary caveats.

54 This kind of information is hearsay, and it is susceptible to all sorts  
55 of manipulation. It takes a highly experienced ear and eye to sort  
56 through it to cull out what is valuable information from all the  
57 disinformation, and misdirection that is invariably attached.

58 Understand, you are talking about a world where lying, deceiving,  
59 misdirecting, is a way of life. I sometimes wonder how the people  
60 who work in this environment keep up with who they are.

61 On the other hand, since 9/11, I've discovered some sources for this  
62 kind of information that have consistently proved to be valuable—  
63 if not 100% accurate, valuable with regard to getting a sense of  
64 what is coming before it arrives — sort of like watching the sea and  
65 sky for indications of coming storms, or fair weather.

66 My rule is this. The geo-political seascape is always boiling with all  
67 sorts of information, some of it fact, much of it rumors, and what  
68 Intel people are making of these facts, and rumors. So, I watch the  
69 seascape, and when a certain narrative begins to take shape, and  
70 that narrative holds its shape for a while, that's when I pay  
71 attention and begin watching that narrative, and following it, and  
72 tracking it—and I start investigating the parts of the narrative to  
73 see if they hold up, prove out what I can prove, and assemble what  
74 I can prove true, and then compare what the facts suggest to me  
75 from what I already know, and then I might, prefaced with such  
76 caveats as here provided, throw it out there for my listeners, if I am  
77 convinced it's worth their time to consider.

78 So, keep in mind, that what I'm about to share is scuttlebutt from  
79 the Intel community reported by someone who "can't reveal his  
80 sources," or won't, but whose credibility is unquestioned, even if  
81 their reliability is not 100%. If you want only what is 100%  
82 documentable, you need to be reading history books, documenting  
83 what has already happened, not attempting to figure out what's  
84 coming. I think Jesus taught us to study your history to know what  
85 has happened, and to watch the sky to anticipate as nearly as you  
86 can, what's coming.

87 Got it? So here is my primary source for this information.<sup>1</sup> As for  
88 corroborating documentation, unfortunately, I would have to cite  
89 the hundreds of articles, and historical events that together support  
90 the following claims:

91 First, I believe that since 2014, Trump was being approached about  
92 running for office because of concerns that Obama and his regime  
93 were undermining American interests at home and abroad, and the  
94 feeling was strong that Treason was in play. It was believed that  
95 Obama and his ilk were actively participating with foreign interests  
96 to undermine America and "transform" this country from one  
97 nation under GOD to, as Reagan put it, a nation gone under. These  
98 patriots banded together to do what they could do, LEGALLY, to  
99 stop this, and return America to the control of the PEOPLE. Most  
100 of my listeners likely started thinking of things you've heard  
101 Trump say, and of what you heard Obama say, and watched him  
102 do that confirms this as more than a "conspiracy theory" like little  
103 green men that disappear when they raise the antenna hidden in  
104 their skull.

105 I think it is becoming increasingly obvious to anyone with sense  
106 that America is under attack by an enemy determined to break  
107 down our Constitutional Republic and bring the American people  
108 under slavery to Marxist Socialist's who are anti Christian and  
109 reject the RULE OF JESUS CHRIST IN THIS EARTH.

110 Second, I believe there are still God fearing, Jesus-is-LORD patriots  
111 in our government — while it is overrun with embedded operatives  
112 representing the interests of Russia, Iran, and China, or more  
113 generally, the overarching interests of the globalists, there are  
114 actually MORE patriots in America who take their oath seriously,  
115 and who intend to defend America from enemies both foreign and  
116 domestic—

117 And Third, I believe these patriots have a plan, and that they are  
118 working that plan—that they are patiently waiting for the right  
119 time to execute certain portions of that plan and that a major thing  
120 they are waiting for is an awakening of the American people to the  
121 dangers in our midst. I believe WE the PEOPLE are the KEY  
122 component of this plan!

123 Furthermore, and this might be introduced as an HOWEVER —  
124 unless the remnant repents, and turns to GOD with clean hands  
125 and a pure heart — GOD will not undertake to bless this plan and  
126 America will be turned into HELL just as GOD promised to every  
127 nation that forgets HIM.

128 That's a pretty broad stroke picture of the setting—now, let's look  
129 at the SPOOK narrative bubbling up and taking shape on the  
130 political seascape in America that I think fits our legitimate  
131 expectations, but that should not excite anything more than  
132 increased humble prayer, honest preaching of the truth—that's our  
133 work, including holding the wicked accountable for their offenses,  
134 and a holy dependence upon GOD—or as our Founders put it, a  
135 humble reliance upon DIVINE PROVIDENCE.

136 Here it is! Circulating among Intel agencies, right now, are  
137 criminal indictment documents for Hillary, Barrack, Hunter, and  
138 Joe. The documents present indictments that will bring these  
139 people under criminal prosecution for crimes that are on the level  
140 of, well, how about Benedict Arnold. Many don't know the details  
141 about Benedictus, and I don't have time to do that history lesson  
142 here, but the parallels are uncomfortably closer than you might  
143 think.

144 There are indications that while at the very top, you know, at the  
145 level where we watch the politics played out, there is dark treason  
146 and treachery. But down ranks, there are Patriots who saw all this  
147 coming years ago and put certain things in place connected to  
148 trigger events that will launch them into motion, and one thing

149 they have been waiting for is for the EXPOSURE phase to run its  
150 course — so that virtually all Americans are disgusted and ready to  
151 execute WRATH upon these EVIL DOERS.

152 Let me take a moment and explain the social phenomenon aspect  
153 of all this.

154 People, by the natural law of inertia, are hesitant to turn their  
155 attention from the daily toil of eking out a living to bother  
156 themselves with the intrigues of politics. There is a certain laissez-  
157 faire attitude among most people, and especially Americans, whose  
158 experience with government has been, over all, positive—so they  
159 tend to think yeah, well, the cycle will turn on its own—so they  
160 have a policy of letting things take their own course. Also, since, in  
161 the main, we have had a robust media the dogged the political  
162 caste, in bygone days, and a robust department of justice that  
163 served the ideals of American liberty, and justice for all — the  
164 general public are very slow to wake up to the realization that  
165 wicked men and women have taken hold of these institutions and  
166 corrupted them beyond recognition.

167 And you've heard me talk about the simple fact that justice is  
168 ALWAYS behind, sometimes way behind a breach of justice; by the  
169 simple fact that Justice is always RESPONDING to injustice—  
170 meaning injustice, or transgressors, are always ahead, and  
171 sometimes way ahead of the LAW.

172 So because of the natural indolence of Americans generally, with  
173 regard to political issues especially, they are slow to see how their  
174 political leaders are traitors. They think of them as stupid, as  
175 bumbling, as foolish, and will even accept that they are greedy,  
176 power hungry, and in it for themselves — BUT THEY JUST  
177 CAN'T BELIEVE THESE PEOPLE LEADING US ARE CORRUPT  
178 TRAITORS, WHO ARE SELLING AMERICA OUT TO OUR  
179 ENEMIES — TO THE PEOPLE WHO WANT TO DESTROY US  
180 AND ENSLAVE US.

181 But it's beginning to happen! More and more Patriot Americans  
182 are becoming convinced that Biden, Harris, Hillary, Obama and  
183 the rest are not only self serving — but serving our ENEMIES.  
184 They hate America, and want it destroyed.

185 Take the election, for example. It's hard for the unengaged  
186 American to believe people like Soros, Zuckerberg, Gates, virtually  
187 the entire DNC and the RINO Republicans with the CCP have  
188 contrived to manipulate our elections and place people in power  
189 that serve foreign interests and not the interests of Americans.

190 But now, with Biden attempting to make a deal with Iran that will  
191 fund Iran's nuclear program, and network of terrorism around the  
192 world—many are beginning to see this is not about misguided  
193 concerns over global warming, it's about TREASON.

194 Now that Biden's approval rating has dipped below 30% in polls  
195 that are oversampled with Democrats, meaning his actual approval  
196 is in the low 20s — even his own sharks are beginning to circle  
197 him.

198 Okay, more about this on the other side of the break. Hold on; I'll  
199 be right back!

200 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor  
201 at the Lighthouse, your brain masseur, and Paul Revere's lantern  
202 lighter, lighting the lamps in the church belfry arch, signaling the  
203 enemy is on the march, an enemy that would steal from us our  
204 liberty.

205 I concluded the first segment pointing out that Intel scuttlebutt  
206 suggests Biden is on his way out, that Hillary, Obama, Hunter and  
207 Joe have indictments moving through the channels as we speak—  
208 and that Patriots are poised to pull the trigger that will unleash the  
209 STORM Trump warned about at the end of his first term. The  
210 question is when.

211 Certain things have to be in place. The first is, Americans must  
212 become aware and fed up with the traitors leading this country to  
213 hell. There are many indications this has happened, not the least of  
214 which is the plummeting poll numbers of their "leader"—Biden—  
215 below 30% as his entire administration swirls in the toilet.

216 Then, the 2020 election must be overturned. It was stolen, we have  
217 known it almost from the very beginning, and now more than half  
218 of America is convinced Biden did NOT WIN an honest election in  
219 November of 2020. Calls for decertification are being raised in  
220 Arizona, Wisconsin, Nevada, Colorado, and elsewhere.

221 There are three levels of evidence the election was fraudulent, and  
222 the resistance against discovery of the facts increases at each level.

223 First, what Lindell calls the domestic fraud — I call it the Ballot  
224 Fraud — they have fought us tooth and nail to stop revelations of  
225 the massive amount of ballot fraud that occurred in the 2020  
226 election, involving ballot harvesting, and manipulating votes  
227 during what is called adjudication, massive numbers of people  
228 voting who are not eligible, and changing election rules illegally to  
229 facilitate this fraud. It was like pulling teeth without benefit of  
230 Novocain to get this exposed.

231 Second, machine fraud — the resistance here is much more intense  
232 because the evidence is far more damning of the political parties of  
233 both Democrats and Republicans — the whole truth about how  
234 Soros and foreign interests, bought into the Dominion machines,  
235 which ARE HACKABLE, connectable to the Internet — which by  
236 itself violates Federal law with regard to using voting machines —  
237 but now we know they can be accessed by a device as commonly  
238 available as an iPhone, and with a few simple commands, votes can  
239 be flipped, and outcomes of entire elections can be manipulated —  
240 and then, that third report, which revealed this HAPPENED IN  
241 THE 2020 ELECTION. The fight has been intense, the resistance  
242 has been incredible to stop us from exposing the truth about these

243 machines—but persistence has paid off and THE TRUTH has  
244 broken through.

245 The third level, however, is where the fight will be most intense—  
246 proof of FOREIGN INTERFERENCE in our ELECTIONS through  
247 the Dominion machines. We saw the evidence supporting this very  
248 early on — but America has been slow to wake up to the reality this  
249 actually happened — but like the constant drip of water on a hard  
250 rock will eventually wear away the rock, persistence, the TRUTH  
251 dropping incessantly on the rock of their opposition is wearing it  
252 away, and soon the FLOOD WILL BREAK THROUGH THEIR  
253 ROCK because their ROCK is LIES and so their rock is mere  
254 sandstone — it's collapsing. China, Russia, Iran are among the  
255 thieves who corroborated together to remove Trump and install  
256 their puppet BIDEN —

257 So, first, the American people needed to SEE exactly what the left  
258 with their cohorts in the Republican party actually have in store for  
259 them — and it totals up to the demise of America and breaking us  
260 down into the power of the CCP/Russia/Iran triumvirate. These  
261 ribs must be slapped from the mouth of that bear and the bear sent  
262 back into its cave in humiliation—again!

263 Second, the 2020 election theft had to be exposed and the truth  
264 seen by a strong majority of Americans. And Third, the wicked  
265 who have brought this on us must be BROUGHT TO JUSTICE.  
266 Justice must be wrested from the hands of these unreasonable and  
267 wicked people and allowed to DO THE JOB JESUS ORDAINED  
268 FOR IT — to execute WRATH UPON THE EVIL DOERS.

269 Well, my friends, it's happening. Only 1 in five Americans think  
270 Biden is a good idea for America. More than half of Americans  
271 believe he was installed into the office by a fraudulent election. And  
272 America is ready to SEE JUSTICE PREVAIL AGAINST these  
273 wicked people who are trying to destroy America.

274 Don't expect these cornered jackals to do down without a fight.  
275 There are concerns about what they'll do when their desperation  
276 ferments. It's stirring itself already, and reflecting its color in their  
277 cup—they see the dregs moving in the cup of JUSTICE that is  
278 prepared for them — what will these America hating, God  
279 despising, Jesus-is-Lord rejecting hellish hounds do when the cup  
280 is set to their wicked lips and they are forced to choke down a  
281 preview, a mere sip of the WRATH of GOD they'll drink to the full  
282 in eternity —

283 Some fear they will run a red flag operation in which Biden is  
284 assassinated, blame Russia, and ignite WWIII with CCP/Russian  
285 and Iranian operatives planted within our government and military  
286 whose job will be to sabotage our efforts to defend ourselves and/or  
287 attack our enemies.

288 Others fear they will ignite a wave of terrorist attacks all over  
289 America and set off a war in our streets —

290 Whatever we can think of, our Patriots have also thought of, and  
291 prepared for — but one thing you must know is that, like the lefts  
292 favorite leader said, "a revolution is not a picnic" (Mao dze JI). We  
293 are dealing with monsters, who would do anything to maintain  
294 power and avoid justice.

295 You need to PRAY, you need to RETURN TO THE HOUSE OF  
296 GOD, repent of your sins, confess Jesus is LORD, believe HE  
297 AROSE FROM THE DEAD and CALL UPON HIS NAME TO BE  
298 SAVED from the wrath to come.

299 I hope you will plan to enjoy Easter services with us—come to the  
300 LIGHTHOUSE. All are welcome! See you in church.

301 I'll have to continue the show tonight during our visit — find us on  
302 our Facebook page — the Lighthouse Baptist Church of Santa  
303 Maria, CA page, and join us tonight for Comfort & Counsel for the

304 Present Distress. I usually go on at around 8 pm. Like the page, set  
305 notifications and join us when we go live.

306 I'll talk about what they are doing now to hound Trump.

307 Give you further revelations from the Hunter Laptop hard drive.

308 Give you an update on the Durham probe—interesting  
309 developments there.

310 And I'll give you a preview of my Sunday PM message We know  
311 "they" want to destroy America, but WHY?

312 I have lit the lamps in the Church belfry arch and now you let me  
313 know if you see them. It's LIGHTS ON if you see the LIGHTS ARE  
314 ON and you will ride like Revere and spread the warning,  
315 (Essentially, it means you agree with what I'm saying) or you say  
316 LIGHTS OFF -- which means you reject what I'm saying and  
317 disagree strongly with me. So, what will it be today, lights on, or  
318 lights off?
