

Brain Massage®: Show No. 880 Who Leaked the Alito Draft, and Why Now? /
Is the Disinformation Governance Board a Haman's Gallow?

Jerry Scheidbach

Original Air Date: 05.07.22

1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain
3 masseur—get ready for your brain massage.

4 BREAKING: Did you hear about the newest conspiracy theory?
5 Birds don't exist: they've all been replaced by mechanical drone
6 replicas deployed by the United States government to spy on
7 American citizens.¹

8 A Memphis TN dude, McIndoe, has succeeded to make the
9 revelation of this conspiracy go viral, and 60 minutes gave him an
10 interview. According to the birds aren't real conspiracy theory,
11 beginning with the administration of Eisenhower, the US
12 government began replacing birds with remote controlled drones.
13 Evidence supporting the theory includes the fact that since 1907,
14 the US has been experimenting with remote controlled aircraft.²
15 So, you see! But the idea of a drone bird, actually, well, we have no
16 confirmed sightings. And, you do know that it was Eisenhower
17 who warned us about the dangers of the military industrial
18 complex, and its nefarious plan to devour our resources and
19 children. He said nothing about surveillance, though. No doubt
20 because that would have got him into real trouble. Here is a video
21 clip of Eisenhower warning against the Military Industrial
22 Complex — but be forewarned, it's a Bernie ad.³

23 Okay, this is an admitted spoof. McIndoe told 60 minutes that it's
24 satire on the current misinformation/disinformation drama — he
25 said his spoof is providing a sort of safe place to allow us all to talk

¹ <https://www.theblaze.com/video/birds-aren-t-real-parody>

² <https://www.dronetechplanet.com/the-history-of-drones-timeline-from-1907-to-2019/>

³ <https://www.youtube.com/watch?v=SEGpTu8sVKI>

26 about it with good humor, rather than being scared. Uh, huh!
27 Yeah! He is probably a CIA Plant to discredit concern about
28 disinformation and spoof conspiracy theories like the Wuhan lab
29 leak, and the recent discovery that the SARS-CoV-2 dna reveals it
30 originated in an Asian King Cobra, somehow got mingled with
31 some Chinese Bat DNA, and jumped into humans at the Wuhan
32 Lab — you know, conspiracies like Hunter's Laptop was
33 orchestrated by Trump in collusion with Russia, and the 2020
34 Election was stolen by compromised Election officials and the
35 Dominion voting machines — and 2000 mules — wait, these have
36 been proven TRUE! Oh no, maybe Obama and Biden have a secret
37 Bird-Drone task force collecting data on us all by their little bird
38 drones.

39 You know, come to think of it, before you dismiss this, let me tell
40 you a personal story.

41 A few weeks ago, I noticed a bird outside my window, where I
42 paint. It perched on a tree just outside my makeshift studio,
43 chirping softly.

44 I went into the house, to the kitchen, to make some coffee. As I was
45 working on my espresso, I noticed that bird flit over to a tree
46 looking at me through the bay window of our kitchen.

47 I went upstairs to our bedroom to get something, I forget now
48 what it was, sometimes I forget before I get there, this time, I did
49 not forget until I decided to relate this story to you, and we have a
50 nice large window that looks out into our backyard, and that bird
51 took a perch on a branch where I could see it. I thought that's
52 weird!

53 When I went back downstairs to my makeshift studio, that bird
54 flew down and perched again on a branch of the tree where it could
55 watch me.

56 So, maybe there is something to this conspiracy theory that the US
57 government killed billions of birds and replaced them with
58 surveillance drones.

59 But it does not seem likely it was any of the drone bird replicas put
60 into service during Eisenhower's' presidency.

61 Okay, let's get serious!

62 Is Biden's Disinformation Governance Board a Haman's gallows
63 for Hillary, Obama, and Biden? Haha! Wait for it!

64 Well, "they" it appears they succeeded to use the SCOTUS Leak to
65 abort all the news breaking into America's consciousness, or
66 awareness bubble on, well, everything: Hunter's laptop, Biden's
67 failed economy, foreign policy blunders, ELECTION FRAUD,
68 VACCINE FRAUD, Durham's ever so slowly tightening vice on
69 Hillary's head as he gathers evidence that is fitting Hillary for an
70 orange jump suit — I mean, even Ukraine and Russia are on the
71 back burner now!

72 But, like the wonderful young lady who survived TWO
73 ABORTION ATTEMPTS to become a powerful spokeswoman for
74 LIFE⁴ — we will survive this latest effort to abort the TRUTH as
75 the brain masseur keeps breaking through the barriers, blowing
76 away the smoke, and breaking their mirrors — or, better, turning
77 their faces into their own mirrors, exposing them for what they are
78 — LIARS. For indeed, they are of their father, the DEVIL, who is a
79 liar from the beginning—cause the "they" I am talking about are
80 those children of disobedience, those Alinsky lackeys, those Deep
81 State snakes, those traitors against the LORDSHIP of CHRIST and
82 the protections of our Constitution—

83 Friends, it's time for your Brain Massage!

84 [TRUTH]

85 Did Roberts leak the draft? Who did? Why?

86 A while back, I mean, BSL — *before SCOTUS leak* — rumors
87 bubbled up that Roberts signaled a possible ruling to overturn
88 Roe.⁵ The argument is a bit convoluted, but what interests me here
89 is that "Court observers" — I didn't know that was a career option
90 — anyway — court observers noticed the order of which justice is
91 tapped to write the majority opinion lined up in such a way Justice
92 Roberts would not be writing the opinion on the Mississippi case—
93 the one that just got leaked—and this was taken by these court
94 watchers to be a signal from the Roberts court that Roe was about
95 to get overruled. Like I said, it's a bit convoluted!

96 Nonetheless, as we all know, Roberts got bought leading up to the
97 Obamacare challenge, and his rulings have been very LEFT
98 friendly ever since—maybe the name ROBERTS appearing on
99 Epstein's Lolita-Express manifesto was the Chief Justice, after all???

100 In any event, it is clear the LEFTS puppet strings were firmly
101 attached on Roberts a while back—and it is known he does not
102 want to overturn Roe, and it is known that Alito, and Thomas DO
103 want it overturned, and it's known that Barrett and Kavanaugh ,
104 and Gorsuch too, would likely move to overturn that ridiculous
105 1973 ruling of the Burger court —

106 Which also had a scandal of leaks during their deliberations on
107 what was then euphemistically called Jane Roe.⁶ (By the way, Jane
108 Roe's actual name is Norma Leah Nelson McCorvey—she died in
109 2017, but before she went to meet her Maker, she repented of her
110 role in the so-called legalization of Abortion and became an ardent
111 pro-life advocate.) But it is interesting to discover that the
112 deliberations of the 1973 Roe court were leaked to the press, the
113 Times and the Washington Post, in fact. However, the draft of the
114 decision was not leaked, only rumors from the inside got out that

⁵ https://www.westernjournal.com/justice-roberts-goes-nuclear-activates-police-force-answerable-court/?ats_es=%5B-MD5-%5

⁶ <https://news.yahoo.com/original-roe-v-wade-decision-105756440.html>

115 the court was moving toward striking down state laws prohibiting
116 abortion. Which is all that ruling did, by the way.

117 Jane Roe (which is the female equivalent to a John Doe—it's a way
118 of providing anonymity to a petitioner on a sensitive case, or when
119 the identity is not known, or when everywoman, or everyman is
120 meant) — but the Roe decision did not create a RIGHT TO
121 ABORTION.

122 It only said that until the Congress decided to make a law defining
123 when "personhood" began, the court could find not constitutional
124 support for State's interfering with a woman's RIGHT TO
125 PRIVACY by prohibiting abortion. So, assuming the Constitution
126 does guarantee a "right to privacy" the court ruled the State had
127 insufficient interests to interfere with that right in the case of
128 abortion because, essentially, because the court could find no law
129 defining personhood as beginning at conception, or any law that
130 defined when personhood began prior to the child taking its first
131 breath after breaching the womb.

132 Of course, this was before sonograms, before in utero surgery was
133 being performed by the likes of Dr. Ben Carson, before a heart beat
134 became detectable after only a few weeks, before they discovered
135 that in utero fetuses recoil from stimulus indicating they
136 experience pain in the womb — and before many of the knuckle
137 heads learned that the word *fetus* is Latin for LITTLE BABY. But
138 Christians knew all along that CHRIST is active in the womb
139 "forming" the baby (Jeremiah 1:5), that He had written down in His
140 book the very members of every child in advance of their
141 conception, and that every child is "fearfully and wonderfully
142 made" under the cover of the mother's womb (Psalm 139:13-16),
143 where God, setting His eyes upon the perfect mingling of the
144 mother's and father's DNA into the substance from which the Baby
145 would be formed — and GOD was forming precious thoughts
146 concerning that child — see Psalm 139:17), Oh, and by the way,

147 take note all you baby killers — the same Psalm warns of the day
148 God will Destroy the WICKED shedders of innocent blood.

149 Christians knew the baby in the womb was a child when they read
150 in their Bibles the story of Elizabeth and Mary, and the day their
151 babies met one another, while still in the wombs, and John in
152 Elizabeth's womb leaped for joy at meeting Jesus in Mary's.
153 Christians knew this, and so has all men everywhere known this,
154 which is why we have always referred to the pregnant woman as
155 being WITH CHILD! And it's why our laws provide for
156 punishment against double murder when a pregnant woman is
157 killed—two deaths are counted, not one!

158 And ironically, the Burger court did not rule against these laws —
159 laws that recognize the infant in the womb IS a PERSON, is a
160 HUMAN LIFE, in acts of cruelty against pregnant women — it's a
161 baby then in the eyes of the court, State's laws that recognize this
162 and prescribe penalties for killing a baby in such cases, well, that
163 wicked, vile, distorted and perverted court, at least those who ruled
164 in favor of that decision on that court, oh no, they would not strike
165 down any such law as that — the only law they would strike down
166 is any law THAT PROTECTS THE BABY FROM A MOTHER
167 WHO WANTS IT DEAD. No one else can kill the baby, but the
168 mother can.

169 So you see, it's nonsense, since, the matter was a tenth amendment
170 issue — you know, that bit about whatever the Constitution does
171 not expressly prohibit is LEFT TO THE STATES! It's a matter that
172 the PEOPLE should decide, not something decided by COURT
173 fiat.

174 Roe is BAD law in every single way you examine it. Like a paste
175 diamond, examined closely, no matter what light you put to it, no
176 matter what angle you look at it — it's paste! Alito does a masterful
177 job exposing the UNCONSTITUTIONALITY of this ruling—and
178 one wonders, when one considers the great pains taken to protect

179 the court against leaks, I mean the measures taken are extreme,
180 Levin who clerked for Will Garwood, US Court of Appeals for the
181 Fifth Circuit, describes the great care taken to protect the court
182 from leaks, Bongino talked to clerks who worked inside the
183 SCOTUS about this, it's nearly IMPOSSIBLE to leak a document
184 like this — the only way it could happen is if a justice assisted the
185 leak, or did it — so, did traitor Roberts leak this, and his outrage is
186 a cover for his crime? Hmmm?

187 I'd suggest Ketanji, except she will not be sworn in until June; so
188 maybe Sotomayor or Elana Kagan, maybe Breyer, but I think the
189 puppet masters would have likely yanked on Robert's string—but,
190 we'll see.

191 As for WHY the leak now? Hang on through the break, I'll be right
192 back!

193 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor
194 at the Lighthouse, your brain masseur, and Paul Revere's lantern
195 lighter, lighting the lamps in the church belfry arch, signaling the
196 enemy is on the march, an enemy that would steal from us our
197 liberty.

198 Talk about conspiracy theories — here are some that attempt to
199 explain the timing of the SCOTUS Alito draft leak.

200 One of my friends and a colleague, Pastor Jerry Cook, called to
201 muse over the strange coincidence that this leak occurred just as
202 Dinesh's 2000 Mules was about to release to movie theaters across
203 the nation. This is a SMOKING GUN documentary, exposing
204 ELECTION FRAUD — State election officials participating in a
205 conspiracy to defraud the American public out of their VOICE.
206 Protecting the election fraud machine carefully and painstakingly
207 built into our system is a hill the DOMINION thieves will die on.
208 And Dinesh's documentary blows the cover off this conspiracy to
209 defraud the American people of their vote.

210 You do realize that AMERICA has NEVER had a chance to SPEAK
211 to the issue of abortion. A renegade activist court DECIDED it for
212 us. Aiding and abetting this theft of the people's voice is every
213 CONGRESS that has assembled since 1973 that refused to take up
214 the issue and craft LAW — that would put their wicked hands into
215 the BLOOD their silence was shedding. Every CONGRESS since
216 1973 could have STOPPED THIS and refused. This allowed the
217 baby killers to use propaganda to create the impression that
218 Americans support abortion — when the fact is, it's never be tested
219 by a free and honest ELECTION.

220 Now that the court seems inclined to overrule that lousy decision,
221 now, the CONGRESS is all agitated and wants to take action — the
222 stinking cowards. And I fear the PINO has enough RINOs in CCP
223 pockets to go along with this unless we full court press them with a
224 clear warning that, 1. THE COVER PROVIDED TO THEM UP
225 TO NOW BY THEIR DOMINION THEFT MACHINES IS OVER,
226 and 2. WE WILL RISE IN MASS THIS NOVEMBER AND
227 CARRY OUR WHIPS TO THE POLLING STATIONS
228 INTENDING TO CLEAN HOUSE.

229 We are coming like Jesus with His whip to CLEANSE the
230 PEOPLE's HOUSE the way He cleaned the Father's. The MONEY
231 CHANGER's tables will be overturned, and the thieves will be
232 DRIVEN OUT!

233 No more selling out America to foreign powers — no more
234 crawfishing crabs dodging responsibility for destroying our
235 economy, destroying our life savings, our property rights, our
236 inalienable right to free speech, our bodily autonomy, our RIGHT
237 TO BREATHE and to WALK ABOUT FREE — we are done with
238 your lying emergency powers ruse — GOVERNMENT IS
239 COMMANDED, NOW, TO BOW DOWN TO THE PEOPLE!

240 WE COMMAND THESE UNRULY DOGS TO HEEL!

241 WE WILL YANK THE CHOKER CHAIN SET UPON THE NECK
242 OF THE BEAST CALLED GOVERNMENT BY OUR
243 FOUNDERS, AND IF YOU DON'T GET IN LINE UNDER THE
244 PEOPLE, AND THIS GOVERNMENT DOES NOT RETURN TO
245 TRULY BE OF, BY AND FOR THE PEOPLE, IF WE SON'T SEE
246 YOUR SHAGGY TAIL WAGGING IN OBEDIENCE TO THE
247 PEOPLE YOU SERVE, IF YOU REFUSE TO HUMBLE
248 YOURSELVE TO THE PEOPLE AND BRING THE BEAST OF
249 GOVERNMENT INTO COMPLIANCE AS THE SERVICE
250 ANIMAL IT WAS CHARGED TO BE, WE WILL LOCK YOU UP
251 IN CAGES JUST LIKE THE DOGS YOU ARE!

252 Obama, you are not going to "transform America," no more tranny
253 nonsense — we are done! You crossed the line when you decided
254 to force us into your charade — you want to act like a bunch of sick
255 weirdoes that's your business—it's even a bit entertaining to watch
256 fools play — but now, Disney, you want to promote sex change
257 operations for children, and exploit children sexually? Not our
258 children. You liberals want to push sexual re-orientation, and force
259 your disorientation upon our healthy, NORMAL children — you
260 just crossed a line!

261 You try to use to the coercive force and power of government to
262 mandate your masks, your vaccines, and your perverse God
263 denying, Christ despising, America hating agenda fomenting
264 violence and trying to dissolve the bands and cords of CHRISTIAN
265 influence that has held this nation together for a little over two
266 hundreds years — and you have crossed a line and awakened the
267 MASTER — the PEOPLE! The PEOPLE demand fair and honest
268 elections — and then we will see where America is at on all these
269 issues.

270 I've run out of time. Truly, my friends, there is so much going on, it
271 was always a challenge to touch on what's happening in America in
272 my 29 minutes show, but lately it has gotten totally impossible.

273 That's why I'm continuing my livestream talks — go to our
274 facebook page, for Lighthouse Baptist Church, Santa Maria, CA,
275 like the page, say nice things about our work, and set up
276 notifications to receive alerts.

277 Because the Facebook Nazis, and, by the way, they are not all in
278 cahoots with that lying election and free speech thief Zuckerberg,
279 but those that are, throttle down my notifications — so one way to
280 make sure you get notified when I go on LIVE is to visit our
281 BRAIN MESSAGE website at brainmassage.net and send an email
282 to me from our contact page — put NOTIFICATIONS in the
283 message and you'll be added to the list. It's all free, but that does
284 not mean it's free to us. If you want to help, you can click on the
285 donate button and help us out.

286 So, let's conclude with some observations regarding the best theory
287 explaining WHY the leak occurred now?

288 I mentioned the diversion theory, to take attention away from
289 Dinesh's documentary proving election fraud stole the 2020
290 election.

291 Another theory is that it diverted attention away from a bombshell
292 exposure of Pfizer's sordid affair with the FDA in defrauding the
293 American people — the Pfizer report is actually a complicated read
294 and I need more time to analyze it. Disputed claims suggest the
295 trial ended with 1220 deaths, and the alarm is that if there is even
296 one death in thirty days of the trial, it is shut down, like it was back
297 in the first SARS outbreak.

298 Another theory is that since the Ukraine - Russia thing just wont
299 get the traction the left hoped for and create a diversion sufficient
300 to take attention away from Biden's failures, and the failures of the
301 agenda of the LEFT, and because their own base of support is
302 quickly eroding, and they could not get any race wars going, they
303 decided to spring this out before the upcoming election to at least

304 give them something else to talk about, and divert attention of the
305 RIGHT and the LEFT — it would shore up their base, and get the
306 RIGHT talking about something other than hammering on Biden's
307 laptop woes, and explaining his missing 5.2 million dollars in
308 income he failed to report, and...!

309 I think it is a combination shot — have you ever lined up a three-
310 ball combination shot on a pool table? Pretty tricky! Not often
311 successful — and I don't think this is going to work for them either.

312 You'll have to tune in to my livestream VISIT tonight to discuss the
313 question whether Biden's Disinformation Governance Board is a
314 Haman's gallows—something he is building to hang conservatives
315 on, but will turn around and be used, in the end, to hang him,
316 Obama, and Hillary — throw Brennan, Schifty, Schuumer — and
317 the rest.

318 I have lit the lamps in the Church belfry arch and now you let me
319 know if you see them. Share this link to everyone you know. Send
320 it out to all your friends individually. I don't have any algorithms
321 working to get my message out — you need to be my algorithm!
322 Haha. And share it to every platform you are on. In fact, join up on
323 every platform you can and share the podcast on every one of them
