

Brain Massage®: Show No. 881 None Dare Call It Conspiracy / Dinesh and  
2000 Mules — the Sexploitation of Children by Some Public Schools and  
American Corporations

Jerry Scheidbach

Original Air Date: 05.14.22

1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the  
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain  
3 masseur—get ready for your brain massage.

4 We've been suspicious for some time that gun haters were pulling  
5 fake gun incidents to push the public sentiment away from support  
6 for the second amendment. Here is a story that suggests our  
7 suspicions are on target<sup>1</sup>: Police in Philadelphia are looking for the  
8 man who is accused of firing shots around the Strawberry Mansion  
9 bar when a fight broke out and he reached for his gun. This guy  
10 was working for an anti-gun organization, and after he shot and  
11 injured three people in the bar, he fled in a van belonging to the  
12 organization. Oh well!

13 America LAST Joe—In the midst of a baby formula shortage, Joe  
14 sends pallets of formula to the border for the illegals crossing and  
15 thinks this makes him a good person. Why it doesn't!

16 Election Integrity—the single most important issue in America  
17 today. What's going on with 2000 Mules, why is Dinesh having  
18 trouble getting this documentary promoted on conservative  
19 outlets?

20 The conspiracy to exploit, or sexexploit our children: sacrifice of  
21 infants to Molloch, and sex trafficking.

22 VAX update—Fauci if flinching! Accused of advocating policies  
23 against early and effective therapeutics, such as Ivermectin and  
24 Hydroxychloroquine, and feeling the mounting pressure for him to  
25 answer for the hundreds of thousands of lives lost as a consequence

26 of his policies, he wants to turn it on the *unvaxed*. He blames  
27 hundreds of thousands of deaths on those who refused to take his  
28 dangerous vaccinations, and is beginning to openly advocate for  
29 the use of FORCE to compel Americans to take the JAB.

30 Okay, my friends; it's time for your Brain Massage®!

31 [TRUTH]

32 America LAST Joe—In the midst of a baby formula shortage, Joe  
33 sends pallets of formula to the border for the illegals crossing and  
34 thinks this makes him a good person.

35 The Bible instructs our conscience on such matters. I Timothy 5:8  
36 — our first priority is provision for those of our own house. This is  
37 emphasized: "If any provide not for his own, and specially for those  
38 of his own house, he hath denied the faith, and is worse than an  
39 infidel." Biden is in violation of this biblical principle and is a man  
40 that is WORSE than an INFIDEL!

41 Galatians 6:10, the second principle that instructs our conscience  
42 in these matters: "As we have therefore opportunity, let us do good  
43 unto ALL MEN, ESPECIALLY unto them who are of the  
44 HOUSEHOLD OF FAITH." Of course, let us do good to all men —  
45 but ESPECIALLY to those who are in our HOUSEHOLD, or, in  
46 this case, our NATION, who share in common our laws and  
47 nationality. Yes — AMERICA FIRST is a BIBLICAL position.

48 And James 1:27, "Pure religion and undefiled before God and the  
49 Father is this, To visit the fatherless and widows in their affliction,  
50 and to keep himself unspotted from the world" (James 1:27).

51 As for the "stranger," those in our country who are not of our  
52 country, we are to show them respect and minister to their needs,  
53 even if they are our enemies: Deuteronomy 1:16; Romans 12:20.  
54 But we do not elevate their interests above the interests of OUR  
55 OWN families, or nation. The old maxim is a biblical one: charity  
56 begins at home!

57 Nothing can be more obviously odious than some person using his  
58 or her authority to take bread from their own to give it to strangers.

59 ELECTION INTEGRITY: Let the STEAL Begin! Already, the  
60 Dems are sending out their mules. Ballot running is big business—  
61 ten bucks per ballot stuffed. Who knows, with inflation,  
62 Zuckerberg, Soros, and Gates might have to increase their pay.  
63 Haha! Friend, the American Election system has become the  
64 world's most unfunny joke!

65 You know Dinesh released his documentary 2000 Mules and it's  
66 slowly gaining momentum against all sorts of resistance from both  
67 the so-called left and the so-called right! I was deeply disappointed  
68 when I heard that Tucker and Newsmax have blocked any mention  
69 of 2000 Mules. So, let's take a closer look at this, shall we?

70 What is the backstory to the Tucker - Dinesh skirmish? I've looked  
71 over Dinesh's revelation of the exchange that took place between  
72 him and Tucker's "people" over why the Tucker Carlson Tonight  
73 show refused to mention Dinesh's 2000 Mules documentary. I have  
74 that right here.<sup>2</sup> Get my notes and follow the link to the story. Here  
75 is the gist.

76 In early February, Tucker invited *True the Vote* founder, Catherine  
77 Engelbrecht for an interview. She was told not to mention Dinesh's  
78 movie! That shocked me and I wondered why? I thought maybe  
79 Tucker has some policy that requires companies to pay for  
80 promotional plugs — well, it's actually more complicated than that.  
81 So I want to thank Dinesh for laying out the entire exchange  
82 between him and Tucker's people; I think it offers important  
83 clarification.

84 The essential points in this fight are these. 1. Catherine  
85 Englebrecht, founder of True the Vote, got slammed hard by MSM.

<sup>2</sup> <https://twitter.com/dineshdsouza/status/1525102708725796864?s=11&t=CXuMIcdySsBvSc7yAU9KQg>

86 Tucker wanted to give her some encouragement, so she was invited  
87 to interview with Tuck.

88 Meanwhile, she and Dinesh had scoured something like a million  
89 minutes of video to produce his documentary exposing election  
90 fraud and Catherine agreed it would be good to promote the movie  
91 during her interview with Tucker. It was all set up with one of  
92 Tucker's producers, Alex, who, according to Dinesh, was informed  
93 his production company, Salem Media, did not want the 90 second  
94 video edited. All was good to go.

95 During preparation for the interview, actually on the day of, Alex  
96 contacted Dinesh and asked to cut the video to 45 seconds. After  
97 some discussion, it turned out they would cut out mention of the  
98 production company, Salem Media and of Dinesh. Apparently, this  
99 made Dinesh suspicious they were attempting to steal his content  
100 for the Tucker Carlson show.

101 Dinesh reminded Alex of the original terms of use and wanted to  
102 stay with the original agreement. Apparently, Alex felt he was  
103 being bullied — hmmm. Well, I suppose if Dinesh expressed his  
104 suspicion Alex might have taken it as an accusation, but my guess  
105 is Alex is not accustomed to anyone pushing back like this. Well, in  
106 most circumstances, this would be it! And it would explain why  
107 Tucker's team did not air the trailer or mention the movie in the  
108 interview. It would look like this. Dinesh had a deal, the terms were  
109 altered, he was offended because it appeared Tucker's team was  
110 trying to present the material in the trailer as their own story  
111 content; meanwhile, Tucker's producer Alex was offended Dinesh  
112 would make such an accusation, and so both sides go to their  
113 respective corners sucking their thumbs. Sorry, but situations like  
114 this do actually get that ridiculous! I mean, I can think of a  
115 hundred, well, maybe at least three or four, reasons the production  
116 team might feel the need to edit the video, and since during the  
117 interview, the movie would be mentioned, and Tucker might even

118 plug it himself, it's understandable that would be the part to edit.  
119 See what I mean?

120 So, on Dinesh's side, Salem Media does not want the video edited,  
121 and so sorry, no can do! But what's with the accusation that Tucker  
122 was trying to steal his content? If Dinesh has some experience with  
123 Tucker's team that justifies the suspicion he mentioned, well, that's  
124 another thing!

125 So, anyway, noses are out of joint on both sides, and the deal died.  
126 All was done, right? Wrong! Justin Wells who represents himself as  
127 the Executive Producer, and VP of "everything Tucker" — weighs  
128 in on this. Apparently, Alex informed Justin of what happened,  
129 and it's clear to me that Justin went hot on Dinesh! His language  
130 reveals he was angry, and insulted, and, sadly, he was hostile and  
131 totally indignant that Dinesh would dare to imagine he was going  
132 to direct how much time the Tucker show gave to his trailer—  
133 okay!

134 I need to get to other things but this was really important to me, so  
135 again, thank you Dinesh for revealing what happened behind the  
136 scenes. My take away is that people can get peevish when  
137 disappointed and petty when personally insulted. I get it! Dinesh  
138 had to be jazzed his trailer was going to get airtime on Tucker  
139 Carlson Tonight! Wow! Not hard to understand that his feelings  
140 get hurt when the "deal" he thought he had was reneged on—when  
141 feelings are hurt, it's easy for suspicions to form, and accusations,  
142 even softly insinuated, are taken hard on the other side—the whole  
143 stupid thing wobbles badly and then swerves off the road.

144 I have it here.<sup>3</sup>

145 Look it over and decide for yourself.

---

<sup>3</sup> <https://twitter.com/dineshdsouza/status/1525102708725796864?s=11&t=CXuMlCdySsBvSc7yAU9KQg>

146 But there is no question that Dinesh is getting dissed — a common  
147 experience for any that get serious about election fraud exposure.

148 He Tweeted: "Fox hosts and pundits routinely denounce the  
149 mainstream media for banning any mention of the Hunter Biden  
150 story in the weeks leading up to the election. Fox itself is now  
151 banning any mention of "2000 Mules." Both are important,  
152 legitimate stories. So what's the difference?"<sup>4</sup>

153 Mike Lindell watched it twice and offered his assessment, here.<sup>5</sup>  
154 Government cameras captured the video of mules delivering  
155 ballots to drop boxes. They were paid 10 bucks per ballot. This was  
156 not ballot harvesting, something legal in some states, these mules  
157 were delivering fake ballots, prepared by Democratic operators  
158 organized to produce these in mass, and distribute them by hired  
159 mules. The Mules collect their ballots from centralized hubs and  
160 deliver them to specified drop boxes — so why would FOX and  
161 Newsmax refuse to cover this STORY! —

162 BREAKING — Dinesh reveals his discovery that "several Fox hosts  
163 want to have me on to discuss the movie but the network is  
164 blocking them."<sup>6</sup>

165 So, petty fights between powerful figures can be explained as the  
166 DEVIL's devices instigating internal fighting as a way to derail the  
167 effort to expose this. Second, the Fox news network struggles to  
168 maintain a friendship with the Demoncrats while attempting to  
169 pose as a legitimate source for "fair and balanced" coverage of the  
170 news.

171 And as for Newsmax, something similar seems to be going on.

172 Kari Lake is a former evening anchor for FOX 10 News in Phoenix  
173 and was number one in ratings for more than twenty years at FOX.  
174 She was asked to come on Newsmax for an interview, and she  
175 assumed it was about the Dinesh documentary 2000 Mules. When  
176 it became evident they were not going to ask her about it, she took  
177 an opportunity to mention it when asked for reaction to the leaked  
178 SCOTUS doc.

179 Noticing the strange timing of the SCOTUS leak, she hit directly  
180 on Pastor Cook's theory — that the doc was leaked at that exact  
181 time in order TO DETRACT FROM THE DINESH  
182 DOCUMENTARY EXPOSING MASSIVE ELECTION FRAUD.<sup>7</sup>

183 "They are trying to detract from it," Lake said, "because they cannot  
184 answer it otherwise. It was obviously organized at the highest  
185 level."

186 Well, she said this on Newsmax—and the host looked a bit serious,  
187 as if something just "happened," but he did not interrupt her,  
188 which suggests he was not particularly against her doing this. Hard  
189 to read with certainty, but I got the impression he was not  
190 expecting that angle to be taken.

191 Friend, nothing is more important to the Deep State than control  
192 over our elections. It's a hill they will die on! Ever since the first  
193 Baptist, a guy named John, started preaching *the kingdom of God*  
194 and pointing to Jesus declaring Him to be *THE LAMB OF GOD*  
195 *THAT TAKETH AWAY THE SIN OF THE WORLD* — (John 1:29)  
196 — which meant the KINGDOM OF GOD had COME to  
197 REMOVE SATAN as "prince of this world" and turn all "POWER"  
198 (authority, or right to rule) over to Jesus Christ and DEMOTE  
199 satan to prince and power of the AIR, ever since that first Baptist  
200 started preaching that Jesus had come into the world, the  
201 RIGHTFUL HEIR of the KINGDOM of man and the DOMINION

202 and the SWORD that goes with that kingdom — satan began an  
203 attack, attempting to hold on to the kingdoms of this world and the  
204 glory of them — and Jesus said, the way he does this is by the use of  
205 VIOLENCE and FORCE — the *violent take it by force*. So the  
206 kingdom of HEAVEN suffers violence as satan and his minions  
207 resist the RULE OF CHRIST in the earth.

208 That's a major difference between the satan worshippers and those  
209 who worship our LORD JESUS the CHRIST and KING of the  
210 EARTH. The satan worshippers, flashing their hail satan hand sign,  
211 and singing their praise to the "chaos god," don't believe the  
212 PEOPLE should decide anything — they TAKE the vote away from  
213 the PEOPLE and decide elections by fiat of the liberal billionaires,  
214 like Soros who bought in to the Dominion voting machines, and  
215 placed Secretary's of State, and Attorney's General, and Governors,  
216 and Election officials, and Zuckerberg who bought into the election  
217 systems of several key states, set up the drop boxes and helped  
218 finance the ballot manufacture hubs and the mules to deliver the  
219 ballots — the LIBERAL BILLIONAIRES are destroying America.

220 They use VIOLENCE — they take away our liberties, they take  
221 away our personal autonomy over our own bodies, they take  
222 away—they FORCED abortion on our country through an  
223 unconstitutional ruling in our highest court.

224 God's PEOPLE must rise up, but before that, they must kneel  
225 down. They must SUBMIT to GOD, and THEN resist the Devil  
226 and he will with all his devils flee. Christians who call Jesus Lord  
227 with their lips, but their heart is far from Him, who say LORD,  
228 LORD, but do not the things He says, who refuse to heed the  
229 command: If any man will name the name of Christ, let him  
230 DEPART FROM INIQUITY have no kingdom power and are  
231 mocked by the devils they vainly seek to command.

232 If you don't come UNDER CHRIST don't expect him to bring this  
233 beast called government back under you! If the DEVILS who hold

234 our government in their power are to be brought to heel, to fall at  
235 our feet, to lay crushed under our heels — we must submit  
236 ourselves to GOD. Otherwise the evil spirits will mock at us like  
237 that devil did the sons of Sceva so long ago, and chase us too and  
238 make them flee instead! And these devils will be given power to  
239 strip you naked and wounded — for Jesus will not be brought to  
240 shame and reproach, He will not long endure the defiling of His  
241 Temple and spoiling of His HOUSE!

242 You want TRUTH? And you believe in Jesus Christ as LORD? He  
243 said His CHURCH is the HOUSE of GOD, the PILLAR and  
244 GROUND of the TRUTH!

245 Okay, hold on through the break! I'll be right back!

246 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor  
247 at the Lighthouse, your brain masseur, and Paul Revere's lantern  
248 lighter, lighting the lamps in the church belfry arch, signaling the  
249 enemy is on the march, an enemy that would steal from us our  
250 liberty.

251 Went a bit long on the first segment, so I'll need to move quickly  
252 here.

253 The SCOTUS leak. Good news, bad news on battleground Roe!

254 Senate Dems attempted to codify abortion. Democrat Joe Manchin  
255 joined with all Senate Republicans to defeat the effort 49-51.

256 After public pressure rose demanding protection for our Justices  
257 under attack, Merrick decided, Oh well, okay!<sup>8</sup>

258 Senator Tom Cotton called for abortion activists illegally protesting  
259 at justices' homes to be arrested<sup>9</sup>—as per THE LAW!

260 But Democrats despise law and order, and flaunt their lawlessness  
261 when it suits their agenda. They have destroyed science, made it a

262 joke that we have little or no respect for anymore, they have  
263 destroyed our confidence in the medical establishment, and they  
264 have destroyed our confidence in our justice department—they are  
265 breaking down LAW and ORDER—they are destroying America!

266 Biden called the leaked SCOTUS draft overturning Roe  
267 "BRUTAL"<sup>10</sup> — missing the irony of his statement: intentional  
268 slaughter of human life in the womb by scalpel, suction, or being  
269 *auschwitzed* — burned to death by saline solution is not brutal?

270 Griffin is the current token conservative on The VIEW. She asked  
271 the critical question: when does the baby in the womb have rights  
272 independent of the mother? The panel freaked out! Whoopi thinks  
273 the question of *when* does not matter; all that matters is what the  
274 mother decides.<sup>11</sup> She seems to assume it's a religious issue, and the  
275 token conservative on the panel argued it's a philosophical one—I  
276 would say it's a Bible and true Science question: it's a common  
277 sense question. We know that a pregnant woman is WITH CHILD.  
278 And, by the way, the word *fetus* literally means *little child*.

279 White House advisor Stephen Miller told The Daily Caller, "The  
280 consensus for overturning Roe, and returning this issue to the  
281 democratic process, is overwhelming: by a nearly 4 to 1 margin  
282 Americans think voters and not judges should establish abortion  
283 rules in the United States."<sup>12</sup> Here is a guy pretty close to the best  
284 data on the subject.

285 But we have the ongoing battle of the "polls." What do "Most  
286 Americans" really want when it comes to abortion? One poll says  
287 60% want the provisions of Roe maintained.<sup>13</sup> Really? Another one  
288 tells us 65% want abortion laws to be decided by voters and their

289 elected representatives.<sup>14</sup> Same poll said 55% of voters would be  
290 uncomfortable voting for a candidate who wants legalized abortion  
291 at any point in pregnancy, and 33% said this would actually make  
292 that candidate more attractive to them.

293 Another poll exposes America's schizoid position on legalized  
294 abortion. "While more than six in 10 registered voters continue to  
295 believe the U.S. Supreme Court should uphold Roe ..., the latest  
296 Fox News poll also finds over half favor banning abortions after 15  
297 weeks" — something not possible under Roe.<sup>15</sup>

298 Here is a *Demoncrat* that thinks rising inflation is a good reason to  
299 kill babies in the wombs of their mothers.<sup>16</sup> Katie Porter, D—CAL  
300 representative, says inflation and rising prices reinforce the  
301 importance of abortion—admitting one of the cruelest aspects of  
302 this evil business.

303 I wonder if the shortage of baby formula is not a shot over the pro-  
304 LIFE bow, or another government manipulated crisis to shape  
305 public opinion. WaPO fact checkers claim it's "ridiculous faux  
306 outrage" to claim Biden is sending baby formula to illegals  
307 depriving American mothers of much needed food for their  
308 babies.<sup>17</sup> Reason? The baby formula shortage is something Biden is  
309 taking seriously and trying to address. That's it! That is what passes  
310 as a FACT CHECK. This guy from WaPO calls the White House,  
311 the White House says we are taking this seriously and attempting  
312 to address it, but "law" requires us to provide baby formula to the  
313 border for "undocumented immigrants."<sup>18</sup> Okay, Mr. Fact checker,  
314 check these facts: 1. There is a baby formula shortage. 2. The Biden  
315 administration is sending pallets of baby formula to the border for  
316 "undocumented immigrants." 3. Biden has said nothing about this

318 redirect this baby formula to American parents that need it. 4.  
319 Biden has almost single handedly CREATED the border crisis and  
320 the shortages that are part of this story.

321 The Conspiracy to exploit our children:

322 Here is a story about a 15 year old girl that went missing at a Dallas  
323 / Mavericks game in Texas. A week later, her parents found her on  
324 nude advertisements for sex trafficking online in Oklahoma City.<sup>19</sup>

325 When the father tried to file a missing persons report with the  
326 Dallas Police, he was told to contact the police department where  
327 he lived. When he attempted to file there, they told him they could  
328 do nothing because it happened in Dallas. The "government"  
329 FAILED this family, so they turned to an independent Houston  
330 agency dedicated to helping families of exploited children. The  
331 Texas Counter-Trafficking Initiative in Houston used face-  
332 recognition software to scour the Internet and found her pictured  
333 on a sex-trafficking website FOR SALE! The Oklahoma City Police  
334 were able to rescue the girl and arrested eight people involved in  
335 the case.

336 And here is another child sexploitation story about a Disney  
337 actress, Zara Phythian (2016 film "Doctor Strange") and her  
338 husband convicted on child sex charges: sexual abuse of two  
339 underage girls.<sup>20</sup>

340 And quickly, what's going on with the drive to jab us all!

341 A British, or he might be Canadian, marathon runner who came in  
342 under 4 hours got the AstraZeneca jab and now on some days he  
343 can hardly run a block.<sup>21</sup> On a good day, Adrian Walker tells us, he

345 another day, he can't walk fifty yards.

346 Meanwhile, an embalmer is pulling weird blood clots from arteries  
347 and experts looking at these agree the spike protein generated by  
348 the VAX could be creating this phenomenon.<sup>22</sup> I'll show you some

351 this mask racket is coming soon, but be patient. It's in another  
352 major re-write and almost ready to go to press.

353 BIDEN'S ASSAULT ON AMERICA: Biden's assault on America  
354 continues. Latest attack: The Biden administration has canceled a  
355 project proposing to drill for oil in over 1 million acres in Alaska.  
356 Probably for the same reason he and his minions believed stealing  
357 the election was absolutely essential to their agenda—Trump fear  
358 and loathing. Only in this case, it's hatred for Alaska sending  
359 conservatives to Washington DC, and making Palin their  
360 governor. Or maybe it's simpler than that—maybe Biden just wants  
361 to keep upward pressure on the price of fuel so he can kill as many  
362 old people this winter as possible.

363 Oh, and at the same time, Biden is pressuring his department of  
364 injustice to investigate parents concerned about what the schools  
365 are doing to their children. But whistleblowers are beginning to  
366 blow the cover off this and other unconstitutional activities of the  
367 FBI leadership. Here is a story telling us about whistleblowers  
368 within the FBI revealing that bureau is actively investigating  
369 parents who speak out at school board meetings as POTENTIAL  
370 TERRORISTS.<sup>24</sup> Hmmm. Didn't Merrick Garland DENY this?  
371 Well, looky here, he sure did.<sup>25</sup> Jim Jordan and Mike Johnson

372 caught this and sent a letter calling Merrick out on his  
373 misrepresentation: "We now have evidence that, contrary to your  
374 testimony, the Federal Bureau of Investigation has labeled at least  
375 dozens of investigations into parents with a threat tag created by  
376 the FBI's Counterterrorism Division to assess and track

378 These Republican Representatives are convinced this and other  
379 evidence supports concern that the Biden administration is  
380 engaged in a "massive, deliberate, and intentional campaign of  
381 intimidation." [IBID]. They said it's an effort to coerce the
