

Brain Massage®: Show No. 883 Biden Invokes the GOD (thing) / Why, In God's Name, Are We Trusting Liberals With Our Children?

Jerry Scheidbach

Original Air Date: 05.28.22

1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain
3 masseur—get ready for your brain massage.

4 [TRUTH]

5 Biden invoked the name of the GOD he can't remember when
6 declaring the National Day of Prayer¹ or when referencing, "you
7 know, the thing" in the Declaration of Independence about our
8 rights being endowed to us by our CREATOR,² — but he had no
9 "cognitive difficulty" invoking the name of GOD when blaming the
10 National Rifle Association for this latest monstrous rampage of a
11 lunatic — taking the lives of 19 children, most of them 10-year-
12 olds, and two teachers, trapped in a classroom with no good guy
13 with a gun to stop him!

14 The air was hardly clear of the smell of gunpowder in Uvalde's
15 Robb Elementary school classroom before the liberals started
16 calling American gun owners sick killers and blaming the "gun
17 lobby." I'm sick and tired of these people trying to blame honest,
18 conscientious gun-owners for the atrocities liberal wackadoodle³
19 policies bring into our lives. I think it's time to dish up a plate of
20 their own and shove it into their wicked faces.

21 Meanwhile, happily, Rand Paul is not letting anything distract him
22 from protecting our liberties: he led the charge to stop Biden's plot
23 to brand all conservative patriots domestic terrorists—Senate
24 Republicans blocked a bill to create "domestic terrorism offices"

25 within federal law enforcement agencies in response to the mass
26 shooting in Buffalo, NY a few weeks ago.⁴ Once again, THERE
27 ARE ALREADY LAWS AGAINST TERRORISM, DOMESTIC,
28 AND FOREIGN, so making a new law is nothing but window
29 dressing—as per usual, it's all about appearances with "those"
30 people.

31 And 2000 Mules is having an impact. [TrueTheVote founder,]
32 Catherine Engelbrecht, and [board member] Gregg Phillips
33 investigated the ballot trafficking incidents in Yuma County,
34 Arizona, and included this information in [D'Souza's] ...
35 film **"2000 Mules."**

36 Catherine said, "18 months ago, we knew that when the full story
37 was told about Yuma, Arizona, it would reveal systematic,
38 systemic, ballot trafficking with connections that spread
39 nationwide. It's now happening, thankfully, with law enforcement
40 fully engaged. Much more remains to be revealed in the days
41 ahead" (Gateway Pundit).

42 The Gateway Pundit previously reported that [one
43 Guillermina] Fuentes was charged with two Class 4 felonies
44 alleging forgery and conspiracy, and two felonies of ballot abuse.
45 [Another co-conspirator in this election fraud, one] Alma Yadira
46 Juarez pleaded guilty and ADMITTED TO POLICE THAT
47 FUENTES GAVE HER THE BALLOTS TO STUFF IN DROP
48 BOXES." [That's what you say to the "fact checkers" who claim
49 there is nothing to see here because Fuentes was charged for
50 forgery of absentee ballot applications—. These people are sick!]

51 It's particularly interesting that the AZ election, it appears
52 after all, will be the FIRST to prove the election was stolen since it
53 was the FIRST to DECLARE VICTORY for BIDEN wayyyyyy
54 early! The Fox knew something was going down in AZ and

⁴ <https://thehill.com/news/senate/3502569-senate-republicans-block-domestic-terrorism-bill/>

55 impatiently ran out to get ahead of everyone else declaring AZ for
56 BIDEN — [personally, I think it was a signal to the rest of the
57 operators in the country — "it's working in Arizona, go pedal to the
58 metal everyone — we've got this!]. Fitting then, that Arizona, the
59 place the GREAT STEAL BEGAN would be the place where
60 CATCHING THE THIEF BEGINS.

61 Also, while we are all, understandably, riveted to the Uvalde
62 massacre, there is Karl Schwab, stroking his white cat (a little Bond
63 humor there) — presiding over Biden's transfer of US sovereignty
64 to the World Health Organization, and its CCP appointed
65 Director, given unilateral power to declare an International Health
66 Emergency and impose Dictatorial CCP control over any nation it
67 labels a threat to "international health" — something put in place
68 by Bush II in 05, which then had provisions requiring the targeted
69 nation to approve the declaration and accept the oversight of the
70 WHO — Biden just wiped out those cautionary provisions and
71 exposed America to the WHIMS of CCP controlled Director-
72 General Tedros Adhanom Ghebreyesus, (I'll bet his name equals
73 666—hehe) a CCP aligned, I should say, OWNED asset who was
74 strong-armed by the CCP into the position on July 2017 — The
75 Biden admin, no doubt under orders from his puppet masters in
76 Beijing, drew up amendments to the 05 agreement removing all
77 safe-guards, such as an 18 month "grace period" before the
78 Director-General, acting on behalf of Xi, initiates lockdowns, mask
79 mandates, vaccine mandates, Australia style OPPRESSION on
80 American citizens complete with internment camps for
81 uncooperative citizens, ESPECIALLY THOSE WITH RELIGIOUS
82 CUMPUNCTIONS contrary to the "state" usurpation of GOD's
83 POWER over our lives — and if a nation disagrees, that's too bad,
84 the HEALTH of the INTERNATIONAL COMMUNITY is far to
85 important to allow anything so provincial as INDIVIDUAL
86 LIBERTY AND NATIONAL SOVEREIGNTY to get in the way—
87 so the WHO Director-General can call in the military of any nation

88 willing to step in to ENFORCE HIS TAKE OVER OF AMERICA
89 and enforce their HEALTH MEASURES on all of us. This is going
90 on right now, as I speak to you. It began May 22, concludes
91 tomorrow, May 28, during the 75th World Health Assembly in
92 Geneva, Switzerland. Who did Biden appoint to represent US
93 interests at the assembly, and to represent US on the WHO board?
94 FAUCI! Feel safe now?

95 And right on cue, another major health crisis looms on the
96 horizon—Monkeypox. Anyone else see the monkey-shine in this
97 latest, very likely contrived in a lab, virus—providing convenient
98 cover for the VAAIDS crisis — you heard of that, surely?

99 No! Oh, well, you see the vaccines, the "safe and effective" vaccines,
100 the ones that worked so well you have to get a booster, what, every
101 six months, that one! A rising number of vaccinated persons are
102 suffering from a cluster of symptoms associated with
103 immunodeficiency — remember that word? It's part of the
104 acronym AIDS — Auto-Immune-Deficiency-Syndrome? The
105 disease that appeared in the early 80s, which launched Fauci's rise
106 to fame — who was tasked to find a cure — by then it was decided
107 not to discourage homosexual men from practicing sodomy, by
108 closing bath houses, and gay bars, or launching a campaign to
109 teach the public about the DANGERS OF SODOMY — with, you
110 know, public service announcements and advertisements
111 instructing our young people to know the TRUTH about this
112 deadly behavior, like how they did with cigarettes, right, with
113 pictures of people on a oxygen machine with enhanced exray
114 images of their lungs all blackened by cancer from smoking — a
115 picture of a man ravaged with AIDS looks far worse, and a picture
116 of such a man, next to a statement warning against homosexual
117 behavior—or even a list of the thirty+ diseases that are associated
118 with this behavior—well, anyway ...

119 The Bible says they receive in their body the due recompense of
120 their error — well, wait a sec. let's read this, Romans 1:27 "And
121 likewise also the men, leaving the natural use of the woman,
122 burned in their lust one toward another; men with men working
123 that which is unseemly, and receiving in themselves that
124 recompense of their error which was meet." That word, *meet*, it
125 means fitting, or appropriate. So, rather than actually address the
126 problem, gross disobedience to the CREATOR by rebelling against
127 NATURE and NATURE'S GOD — they decided to change its
128 name to AIDS, and later when they identified the virus associated
129 with the development of AIDS, they called it HIV. Then they went
130 silent on the issue because it was just impossible for people to not
131 associate it with the behavior that spreads it—Now it's only 70% of
132 all AIDS cases come from that community.

133 Guess what, the Monkeypox is spread most aggressively among
134 homosexual males — even the ones that call themselves women —
135 go figure, right? I mean, how can that be. Anyway! The human
136 body was designed by GOD and He created mankind MALE and
137 FEMALE and designed them to reproduce and when you violate
138 the DESIGN you break it down—you destroy it! Now monkey-pox
139 is almost exclusively running amok in the homosexual community,
140 but it looks a lot like herpes, and presents with other symptoms
141 that look troublingly like those that are associated with VAIDS —
142 vaccine associated immunodeficiency syndrome.

143 I read somewhere that a bit of the virus sequence looks like a bit of
144 HIV was inserted into the strand — well, well, hmmm, not so well!

145 So, forgive me! I am so upset about the Uvalde massacre I can
146 hardly think of it without trembling in horror at the darkness that
147 has come over that Texas community, and the homes of the 19
148 children and two teachers who were killed by that monster, and
149 furious over the inaction of the Rangers on the scene there and the
150 reaction of our racist, plagiarist, thieving, traitor PINO (President

151 in Name Only, thank you Bongino), along with the rest of the
152 America LAST arm of the Deep State occupation of the United
153 States— politicizing the deaths of these children — with Obama, as
154 one fellow put it, standing up George Floyd on the 21 slain bodies
155 — and Beto attempting to use them as planks in his platform bid
156 for Governor in Texas—foul human debris—but, what puts it
157 totally over the top is PINO Biden blaming the NRA and
158 suggesting that anyone who owns an AR is a sick killer. And, I will
159 address this fully today — in the next segment! Hold on through
160 the break; I'll be right back!

161 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor
162 at the Lighthouse, your brain masseur, and Paul Revere's lantern
163 lighter, lighting the lamps in the church belfry arch, signaling the
164 enemy is on the march, an enemy that would steal from us our
165 liberty.

166 Biden asked When in GOD'S NAME are we going to stand up to
167 the gun lobby."⁵ Yep, he blamed the NRA for the Uvalde
168 massacre—and called everyone who owns an AR "sick killers." Hey,
169 you thieving liar, I'm going to answer your question. But I'm going
170 to tell you WHEN IN GOD'S NAME THIS WILL END. It will end
171 when in GOD'S NAME we stand up to YOU, and all your liberal
172 nonsense and say we've had enough of this senseless killing and
173 decide we are going to take over and PROTECT OUR CHILDREN
174 from your murderous policies.

175 I say Biden et al are the killers here. I say Biden is not only a
176 plagiarist, a usurper to the office he took by the Deep State coup,
177 and a traitor who has sold out his country to the CCP for money,
178 and is, right now, surrendering our national sovereignty to the
179 internationalists, globalists, in service to Klaus Schwab, his
180 lieutenants Soros, and Gates, and his unnamed but soon to be

⁵ <https://talkingpointsmemo.com/news/irate-biden-demands-reform-when-in-gods-name-will-we-stand-up-to-the-gun-lobby>

181 exposed handlers, Satan worshippers all, haters of Christ, deniers
182 that CHRIST has COME IN THE FLESH — these are the true
183 murderers, these are the killers of children, and abusers of
184 mankind. But narrowing it down for my present purpose — Biden,
185 and every gun control loving, second amendment hating macaroon
186 that thinks taking guns away from the good guys will make guns
187 unavailable to the bad guys, they hypocrites who surround
188 themselves with men with guns to protect them but insultingly
189 pretend we are so stupid we feel good when we see a sign that
190 informs every bad guy out there that we are in a GUN FREE ZONE
191 — these hypocrites, they are the ones KILLING OUR CHILDREN.

192 Larry Elder lately put it succinctly when he said: "The 'we have too
193 many guns' crowd is angry that cops reportedly failed to charge in
194 with their guns—confirming the adage that the quickest way of
195 dealing with a bad guy with a gun is a good guy with a gun.
196 #Uvalde doesn't happen in Israel, where teachers and staff are
197 armed."⁶

198 So, let's lay out the facts as we know them up to now.

199 Frightening details emerge about Texas school shooter's rough
200 home life, strange behavior leading up to elementary massacre.⁷

201 He shot and critically wounded his grandmother in a rage. An
202 eyewitness said Ramos' grandmother was screaming, "he shot me!
203 He shot me!" Next thing he saw was Ramos jumping into his truck
204 and speeding down the street, and hearing "some kind of crash."
205 This was about 11:20 am.

206 At 11:28, witnesses say he started firing his weapons near a Funeral
207 home that was across the street from the Robb Elementary School
208 in Uvalde, Texas.

⁷ <https://www.theblaze.com/news/frightening-details-emerge-texas-school-shooter>

209 At 11:30, reports started coming in to the local police, and police
210 were dispatched.

211 He walked across the street and entered the parking lot of the Robb
212 Elementary School, apparently firing his weapon randomly. He
213 entered the school building at 11:40. The Police reportedly arrived
214 at 11:44, shortly after he entered the building.

215 Ramos barricaded himself in a classroom.

216 Police began staging operations, while Ramos was killing children.
217 After the travesty of police inaction at Columbine, the SOP is
218 officers don't wait — officers on the scene, take aggressive action to
219 protect the children. Well, that's not what happened here.

220 After completing their staging operation, they sent officers into the
221 building through the door Ramos used. They identified what
222 classroom he was in, and waited — waiting for reinforcements,
223 calling in snipers and stuff, setting up a seige — while Ramos was
224 killing children in the classroom. Pop, Pop, pop — did the officers
225 flinch at each crack of the rifle shot as one after another of the
226 children in that classroom were being killed?

227 Finally, a school staffer opens the door for police at the other end
228 of the school building and officers go in and set up their position
229 outside the classroom — They wanted to make sure the shooter did
230 not come out of the classroom and start killing kids in other rooms
231 — they were CONTAINING the SITUATION, while Ramos was
232 popping off another two or three in the classroom he held hostage.

233 For one hour, Texas Rangers remained in place — likely one of
234 these officers was giving updates to those hiding behind their
235 vehicles and behind the fence — the shooter is active in the
236 classroom, shots are being fired —

237 So, were the Texas Rangers doing NOTHING while Ramos was
238 using the children of Uvalde for target practice? Oh no! They were
239 very busy. Staging! Prepping! Calling for reinforcements and for

240 snipers — OH, and this. Handcuffing parents, and pepper spraying
241 parents who were outside, hearing the pop, pop, and seeing the
242 band of cop cop do their little Bop — it’s a fifties dance —
243 infuriated, some parents attempted to DO SOMETHING to save
244 their children, and AS PER USUAL, THAT’S WHEN THE
245 OFFICIALS TOOK ACTION, real, effective, manly action —
246 AGAINST THE PARENTS.⁸ ARRESTING THEM, I
247 UNDERSTAND EVEN USING OR THREATENING TO USE
248 PEPPER SPRAY AND TAZERS.

249 Texas Ranger Lt. Chriss Oivarez explained that the lapse of time
250 from when the officers arrived on the scene to when they actually
251 engaged the shooter boiled down to this — the officers “could have
252 been shot — they could have been killed.”⁹ Come on, fact checkers,
253 come after me; I’m ready!

254 One mother jumped in her car, raced to the scene demanding
255 ACTION, so a brave Texas Ranger arrested her, put her in
256 handcuffs. Some other police officers on the scene recognized her,
257 released her, SHE immediately scaled the fence, ran into the
258 building, found her children and brought them out safely.

259 One hour later, at about 12:40, a Border Police agent entered the
260 room, took a grazing wound from the shooter, returned fire and
261 KILLED THE MONSTER OF UVALDE.

262 The bloodshed ended when a good guy with a gun had enough
263 gumption to put himself in harms way in order to protect children
264 from harm.

265 When a Lt. Ranger was asked about why the officers on scene did
266 not ACT — I watched that fellow squirm about, talking about
267 “protocol” and staging, and calling in reinforcements — and I
268 watched his face say this is nonsense and switched to an appeal,

⁹ <https://www.theblaze.com/news/uvalde-mother-allegedly-detained-rushed-into-school>

269 you know, this was an active shooter situation, this guy had a gun,
270 he was shooting people, and Americans understand, need to
271 understand, that our officers might have been shot.

272 Oh, really? No kidding! Never thought of that! Never thought of
273 that while training to become a renowned Texas Ranger! Never
274 thought I'd get shot at!

275 I know, we want our officers to come home to their children — but
276 you took a job, buddy, to make sure these children get home to
277 their parents.

278 Where are the MEN! Don't give these little boys a badge and let
279 them strut about town like they are men — in their nicely pressed
280 uniforms and shiny shoes, and polished badge — IF YOU ARE
281 GOING TO WEAR THAT SHIELD, BE A SHIELD.

282 Bo McKenzie, the son of a pastor friend in Puyallup, WA wrote
283 something I want to share with you. I thought it was well thought
284 out — Bohannan relates to us THE STORY OF THREE
285 CREATURES.

286 Rabbits have virtually no defense. They have no teeth, their hide is
287 tissue thin, in fact, the only reason they are not extinct is their well
288 known proclivity for reproducing ins such numbers they
289 consistently out pace their predators—providing plenty of rabbit
290 meat for them to eat.

291 Porcupines are not fierce, and they are not tough. But they're
292 nearly impossible for most predators to harm because they have a
293 natural defense in their QUILLS.

294 Badgers are mean. So mean, no predator dares come near their
295 den. There is a massive database of records showing that even
296 Grizzly Bears avoid the badger's den.

297 Now, Bo explains, I'm not advocating that we be ruthlessly
298 aggressive live badgers, but I fear we wonder why our children are

299 predated—preyed upon—while we have taught them to be rabbits.
300 Folks, why can't we teach our children to be cute, gentile creatures
301 like a porcupine, AND THEN SURROUND THEM WITH
302 QUILLS?

303 SURROUND OUR KIDS WITH QUILLS — hey, Texas Rangers,
304 YOU ARE THE QUILLS. Hey. Bidenstien — let's surround the
305 children in our schools with the protective QUILLS of armed
306 TEACHERS — or at the very least, MEN WITH GUNS WHO ARE
307 MORE CONCERNED ABOUT MAKING SURE OUR
308 CHILDREN GET HOME TO THEIR PARENTS THAN THEY
309 ARE CONCERNED ABOUT GETTING HOME TO THEIRS.

310 You take that badge, you take the honor that comes with it —
311 THEN BY GOD IN HEAVEN, DO YOUR JOB!

312 So, who is this guy, Salvador Ramon?

313 He was described as a loner, and his mother was a druggie. Had a
314 lisp and stuttered, and was socially awkward, and suffered bullying
315 at school. He was bitter and “violently lash[ed] out at ‘peers and
316 strangers’ and engaging in lawless behavior, OFTEN LEADING
317 TO RUN-INS WITH LOCAL LAW ENFORCEMENT.”

318 How many times have you read that one of these kids grew up in a
319 two parent intact family, where the parents carried the kids off to
320 Sunday School and did devotions with them, and loved them and
321 nurtured them. You want to fix this mess — stop your family
322 destructive policies, start supporting the DIVINE DESIGN of
323 FAMILY, and TURN BACK TO GOD America. Hey, Biden, have
324 you any idea how ridiculous you look with your WHEN IN GOD'S
325 NAME charade—you treasonous liar, you look like Clinton
326 carrying the family Bible into public after the Lewdinsky affair
327 became known — you are all a pack of Lolita Express perverts and
328 you are WHAT IS WRONG WITH AMERICA.

329 One of Ramos' friends, yeah, he had a few, described him as weird,
330 doing strange things, like cutting up his face for “fun” on one
331 occasion, riding around town with another friend at night,
332 shooting random people with a BB gun and egging people’s cars.

333 In recent months, according to one report from a classmate, Ramos
334 posted videos where he is seen screaming aggressively at his
335 mother, calling her a B- ...

336 A TikTok account believed by police to have belonged to Ramos
337 featured a short clip of a mobile game bylined: “Kids be scared
338 IRL.” What’s IRL? IRL means In Real Life. It refers to ones identity
339 and life OUTSIDE THE INTERNET.

340 It turns out this guy was planning this for some time. He posted a
341 pic of his guns and tagged some “random girl who lives in
342 California.” He messaged her to repost the image. Early Tuesday
343 morning, the day of, Ramos messaged her again, “I’m about to.”
344 The girl asked, “about to what?” He answered, “I’ll tell you before
345 11.” And followed with “I got a lil secret I wanna tell u,” — his last
346 message was sent at 9:16 am. It said, “Ima air out.” In Geek-Speak,
347 IMA is for I Might Add — and air out, apparently, is a paintball
348 expression for going to take out your opponent in the game, or it
349 can mean to expose something, so, perhaps he was showing his
350 guns and explaining what he intended to do with them.

351 Shortly after this text, the Uvalde massacre hit the news.

352 And Biden trots out blaspheming the name of God by putting it in
353 his foul lips—when in the name of GOD, and with Obamaesque
354 audacity tells us every American that owns an AR is a sick killer.
355 That's what you said, Mr.!

356 Let me tell you who is SICK! Every idiot that thinks gun laws
357 protect us from murderers using guns to kill us — you sick morons
358 — every one of you, Pelosi, Schiff, Schumer, Nadler, Newsome, all
359 of you, every day you are surrounded by people with guns to

360 protect you — BUT YOU WONT SURROUND OUR KIDS WITH
361 GOOD PEOPLE WITH GUNS TO PROTECT THEM. You are
362 SICK! You are the ones responsible for this carnage. It serves your
363 political agenda; talk about SICK! You try to use the corpses of
364 little children to sell your political agenda — but it works against
365 you every time.

366 Let's go GUN free, shall we, Bette — okay, start by firing your
367 security team. Obama, fire your security team — YOU WANT US
368 TO CALL 911 — YOU DIAL 911 YOU SICK KILLER. You are a
369 sick killer Biden — every where you go you are surrounded by men
370 with guns there to PROTECT YOU — that's because you KNOW,
371 you sick, plagiarizing, thieving traitor — you know that you need
372 good guys with guns around you to protect you from bad guys with
373 guns. BUT YOU THINK YOU ARE GOING TO PROTECT OUR
374 CHILDREN IN SCHOOLS WITH A STUPID SIGN THAT SAYS
375 GUN FREE ZONE. I'm tired of trying to get it through the THICK
376 skulls of these people murdering our children with their stupidity
377 and idiocy — it's gone too FAR.

378 When, in GOD's NAME are you people going to WAKE up to
379 reality! To the world and life as GOD, the CREATOR, designed it?

380 Obama wants you to pause and remember George Floyd — I say,
381 during this grief, let's remember Buffalo, and Gendron who shot
382 and killed 10 at a Buffalo, NY market, that he targeted because it
383 was in a predominantly black neighborhood. Oh, and let's
384 REMEMBER this too — that Law enforcement officials in Buffalo,
385 NY are investigating a retired federal agent, with five others, who
386 KNEW ABOUT PAYTON GENDRON'S PLANS TO MURDER
387 BLACK PEOPLE AT A TOPS SUPERMARKET — they were given
388 his PLANS, that even named the location of the planned attack —
389 he signaled to these ADULTS, 30 minutes before his action, adults
390 who regularly chatted with Gendron in a chat room called Discord,
391 where racist hatred was the fodder of their banter — then, at 2:30

392 pm, Gendron carried out his planned attack. These adults used this
393 “chat” room to talk about their “shared interest in racial hatred,
394 replacement theory, and hatred of anyone who is Jewish, a person
395 of color or not of European ancestry.”

396 They KNEW of Gendron’s plan and told no one, failed to report it!

397 Oh, and here is something interesting, back in 2018, two 18 year
398 old wanna-be-Columbine killers were arrested for PLANNING A
399 COLUMBINE-STYLE SHOOTING AT UVALDE ELEMENTARY
400 TO TAKE PLACE IN 2022.

401 I'm going to preach a special message Sunday night—don't miss it!
402 My Answer to Biden's Question—or the question he should be
403 asking — WHEN IN GOD'S NAME IS THIS GOING TO END? It
404 ends when, IN GOD'S NAME, this nation repents and turns back
405 to GOD.

406 But here is a typical liberal answer on how to remedy this!

407 Frank Luntz is a pollster, he wrote a book: “Words That Work: It’s
408 Not What You Say, It’s What People Hear.” His idea is that you
409 will never get Americans to give up their guns using language like
410 *gun control*. His forked tongue slithers in and out of his reptilian
411 heart — it’s a long tongue — *let’s talk about “gun safety”* not *gun*
412 *control*. Yesssss!!!! Peace and Safety — look into my eyes,
413 PEACCCCE AND SSSSSSAFETY — we are going to take you
414 somewhere safe, where you will be safe — says the sidewinder to
415 the rabbit.

416 Someone with intelligence replied to Pollster Luntz’ idea: “You can
417 call #guncontrol a pepperoni pizza if everybody wants to. It will
418 remain a bad idea.” David Harsanyi wrote “Instead of providing
419 clarity and truth, this guy’s job is to come up with transparently
420 hackish words and phrases meant to mislead people.”

421 Luntz got tweaked and tweeted: “Is it transparently hackish to try
422 bringing people from different sides of an issue to the same table
423 for a discussion?”

424 Well, you see, Luntz my man, the problem is you are a LIAR! How
425 can we have an intelligent conversation with someone who LIES —
426 who MISREPRESENTS, who uses verbal camouflage to disguise his
427 REAL MEANING! We are #sickofyourlies.

428 You want to be part of the solution to this, come to CHURCH this
429 SUNDAY— 9:30 for Bible study, 10:45 for worship service, and 5
430 pm for evening worship.

431 I have lit the lamps in the Church belfry arch and now you let me
432 know if you see them.

433 Email me by going to our web site at branmassage.net. That’s
