1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain
3 masseur—get ready for your brain massage.
4 Why did that teacher prop open the door at Robb's Elementary in
5 Uvalde, Texas? Why and when did 18-year-old Salvador Ramos
6 engage in advance planning this attack, to be executed on that day,
7 and at that time, to kill his grandmother, then kill 19 children,
8 most of whom were only 10 years of age, and two teachers? And
9 why were the Texas Rangers on scene told to treat the incident as a
10 barricade hostage scenario instead of an active shooter scenario—
11 especially since everyone, including the parents gathered outside,
12 could hear this guy was actively shooting children? I'm sure it was
13 all, just, you know, one of those things. I'm sure there were no
14 shadowy figures lurking about in the background of Ramos' life;
15 surely no one saw the profile of this young man made him an ideal
16 target to be recruited, and groomed, and then triggered to commit
17 this atrocity, because, we all know that there is no shadow
18 government bent on protecting their coupe at any cost, and
19 advancing their plans to destroy America and enslave her people.
20 There have never been Nazis, or Hitler's, or Mussolini's, or Stalin's,
21 or Pol Pot's, or Mao's, or Roman Catholic Inquisitors, who
22 conspired and carried out mass murder—those things just don't
23 happen; but 18-year-olds set out to plan and execute that plan to
24 attack an elementary school and kill 19 children, because the "gun
25 called his name." Right? This was not a spur of the moment,
26 isolated rage triggered incident — the kid planned, in advance, to
27 do this, telegraphed his intentions — so, where are these people he
28 contacted to signal he was on the move; did he receive a message

29 informing him the door would be propped open, that everything
30 was in place, that it was time?

31 Why do Demoncrats want to disarm American citizens? Well, they
32 know that's not going to happen! There are more guns in the hands
33 of private citizens in America than there are citizens. So, let's
34 rephrase the question, why do Demoncrats want to make owning
35 firearms illegal so they can deploy the full power of government to
36 by violence and force take our guns and rob the people of their
37 right to keep and bear arms sufficient to protect them from a rogue
38 government usurped by stealing the power of Americans to vote—
39 why would these Deep State, globalist traitors, want to take away
40 our inalienable right of self-protection, and turn these gun owners
41 into criminals, into transgressors of their law?

42 It would not be because they plan to undermine all our inalienable
43 rights, and second amendment, along with the first, gets in their
44 way. They have stolen our voice and our vote. Without a free,
45 independent, and honest press, and liberty to speak, and without a
46 free and honest election, the government is no longer ruling at the
47 consent of the governed, but the governed are living at the consent
48 of the government; put the government in the hands of liars and
49 cheats and you have a lying and cheating government — put the
50 government into the hands of wicked people and you get wicked
51 government—by the way, *wicked* is an interesting word.

52 In the NT it translates *kak-os'* — something or someone that is
53 without value because it lacks proper values; it refers to someone
54 depraved and so destructive of good, injurious, and so *evil*. Keep in
55 mind our association of *evil* with *sin* comes from the fact that *sin*
56 (transgression of the law or laws of nature and nature's GOD)
57 brings *evil* — the destructive consequences of sin.

58 The destruction we are experiencing right now is directly the
59 consequence of the actions of WICKED rulers. And that is why
60 "When the wicked beareth rule, the people mourn..." (Proverbs

61 29:2), and "as a roaring lion and a ranging bear; so is a wicked ruler
62 over the poor people" (Proverbs 28:15) — and the word *poor* is not
63 talking about those impoverished on account of their laziness, or
64 the poverty of those suffering the consequences of their own
65 wickedness, their own rebellion against the laws of nature and of
66 Nature's GOD; it's talking about those who are weak, or thin, and
67 not physically, but spiritually, materially, and sometimes mentally
68 — those who are positioned purposely to be too weak to defend
69 themselves against a superior force. Like the many who caved in to
70 the pressures of a government obsessing with power and were
71 driven to suicide, or whose businesses were wiped out by these
72 wicked rulers who like bears ranged through our lives destroying
73 everything in their path, while, like lions, they roar over the
74 captured prey in arrogant defiance, prancing about the world
75 leaving Godzilla sized CARBON FOOTPRINTS, despising their
76 own mask "protocols" — herding the pitiful and helpless people
77 like their personal cattle turning our land into their ranch where
78 they KEEP their cows, and pigs, and send out their pet dogs to keep
79 the cows and pigs and their goats to go about butting the sheep!
80 When the WICKED become your KEEPERS your purpose in life is
81 to service their appetites—

82 They want you poor because then you are weak, and much more
83 easily KEPT and when KEPT, much more easily preyed upon!

84 You better PRAY to the GOD of Heaven or you will become prey
85 to the usurper god of this world — give power to the children of
86 disobedience then disobedience feeds the power that rules you.

87 People like Biden and Hillary and Obama don't subordinate
88 themselves to law, they elevate themselves above the law and then
89 use the law to enslave the *poor people*. They are like their father, the
90 Devil, who manipulates the law of GOD to enslave the people
91 either by the tyranny of superstitious application of the LAW or by
92 seducing you to transgress, so he can use the law to OPPRESS.

93 Put wicked people in power and you are under the power of
94 wickedness. Give the government to the wicked, and you will have
95 wicked government. Let the wicked work their way into positions
96 of law enforcement, and you end up with the enforcement of
97 wickedness against righteousness; put the righteous in positions of
98 law enforcement, and you end up with the enforcement of
99 righteousness against wickedness.

100 Put the sword of civil justice into the hands of the wicked and it
101 will be used to serve the interests of injustice.

102 The wicked are bent, twisted, set against nature and nature's GOD.
103 The righteous are straight, set in service to nature and nature's
104 GOD.

105 Who are the wicked? Who are the righteous? The wicked are
106 contrary to nature and nature's GOD and seek to set themselves
107 over LAW, to make LAW their servant, to use the laws of men to
108 overthrow the laws of nature and nature's GOD; rather than bow
109 their knee to our LORD JESUS, they would bow His knee to their
110 will—but they can't, so they opt for the next best thing, bring the
111 image bearers to heel at their command—they are lawless, and the
112 lawless depend on violence and force to compel and coerce men in
113 matters of faith, to dictate to them what they will believe. The law
114 and laws of the wicked are LAWLESS—they make lawless laws, the
115 sort that "make a man an offender for a word" (Isaiah 29:21), and
116 that "lay a snare for him that reproveth in the gate" — those pesty
117 preachers of righteousness that point out their abuses — and "turn
118 aside the just for a thing of nought" — *nought* referring to what is
119 vain, worthless, temporal, empty — like turning aside the just who
120 demand justice for the J6 political prisoners, like turning aside the
121 just who cry foul against a cabal of corrupt politicians who
122 conspire to steal both the voice and vote of the people from them,
123 and do it for the vanity of power and position—for the same vanity
124 that inspired the Chief Priests, who in their day were equivalent to

125 the religious and judicial establishment, to rally the murderous
126 religious leaders of their day to KILL CHRIST in order to protect
127 their *place* — their positions, their power, their prestige — today's
128 lovers of money and pleasure more than lovers of GOD; another
129 quality of the wicked that separates them from the righteous — oh
130 how they love money and the power it gives them to control men.

131 The righteous are obedient to the laws of nature and nature's GOD
132 and subordinate themselves to law; they use law to establish justice
133 through righteous judgment, and they do not use violence or force
134 of compulsion in matters of faith, but appeal to the conscience of
135 men to repent, to bow their knee to KING JESUS; they are lawful.

136 The wicked pervert the laws of nature — they rebel against the
137 CREATOR's DESIGN in nature. They deny the laws of nature,
138 today going so far as to argue a male can carry and deliver a baby;
139 that a male can declare himself a female and compete in female
140 sports events robbing women — do you not see that all of this
141 nonsense about gender disorientation robs women — oh, it surely
142 demeans men, it reduces them to pathetic, groveling GOLLUMS
143 sacrificing their dignity for the delusion of it, for the mere illusion
144 of glory they destroy a woman's glory by displacing her from
145 among men — indeed, the antichrist will not "regard ... the desire
146 of women" (Daniel 11:37), so we are not surprised the spirit of
147 antichrist will motivate the children of disobedience to despise the
148 real interests of women, and displace them, and steal what glory
149 GOD has reserved for them.

150 And so, you see, if you make the wicked your rulers why are you
151 surprised if evil—destruction, misery, mayhem, and ruin—
152 surround you, while they ride your backs like you are their
153 DONKEYs—

154 So I call on you instead to be CHRIST'S SHEEP! Hear the chief
155 shepherd's voice and gather to Him—for your Shepherd is both the
156 LAMB of GOD, and the LION of the tribe of JUDAH, and you are

157 indwelt by HIS SPIRIT of righteousness, and POWER — you have
158 been made "partakers of the divine nature..." and so though you
159 are sheep, you have the SPIRIT of THE LION in you—and it's
160 time, dear friends, for the RIGHTEOUS to RISE against the
161 WICKED, for the LION to ROAR. Think not for any moment that
162 Jesus calls us sheep because we are weak, or poor, or helpless, and
163 defenseless —

164 First, He called us His SHEEP — He said, "MY SHEEP." They are
165 unique. Only HIS SHEEP are possessed by the SPIRIT of the
166 LAMB of GOD who is the LION of the TRIBE of JUDAH.

167 Second, the quality He noted in His people that INSPIRED this
168 observation is this — LIKE SHEEP CAN DISTINGUISH THE
169 VOICE OF THEIR OWN SHEPHERD FROM ALL OTHER
170 VOICES AND COME TO HIS CALL — Jesus said, "My sheep hear
171 MY voice and FOLLOW ME."

172 They will not follow the voice of the IDOL shepherd. The word is
173 IDOL as in idolatry — the shepherds whose god is their belly, who
174 through their covetous idolatry consume the flock — NO! These
175 flocks are not of CHRIST; those sheep are not HIS SHEEP.

176 Indeed, move among them and under the sheep's woolen costume
177 you will see the feet and snout of pigs, smell the vomit on their
178 doggy breath and hear the snarl of wolves. And Christ's sheep
179 quickly discern the roar of the devouring lion from that of the
180 DIVINE LION—the real LION KING!

181 His sheep, like Jesus, the LAMB of GOD, have in their bosom the
182 ROAR of the LION OF GOD—and it is time to roar beloved of
183 GOD. It is time to gather to the call of the CHIEF SHEPHERD,
184 and in unison ROAR—"Kiss the son..." ye lawless devils, "KISS
185 THE SON, lest He be angry, AND YE PERISH FROM THE WAY,
186 WHEN HIS WRATH IS KINDLED BUT A LITTLE." Psalm 2.

187 They, the unrighteous, the wicked, have almost TAKEN AWAY
188 OUR VOICE and our VOTE by encroachment upon our 1st
189 Amendment protections, leaving us virtually without power to
190 redress our grievances against our government, and now they will
191 aggressively come after our RIGHT TO PROTECT OURSELVES,
192 they would make us powerless to resist tyranny! It's time for God's
193 people to SUBMIT THEMSELVES TO GOD so that they might
194 RESIST THE DEVIL and compel him to flee!

195 Hold on through the break! I'll be right back!

196 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor
197 at the Lighthouse, your brain masseur, and Paul Revere's lantern
198 lighter, lighting the lamps in the church belfry arch, signaling the
199 enemy is on the march, an enemy that would steal from us our
200 liberty.

201 I need to complete my comments on the question posed in the first
202 segment — I began with "Why did that teacher prop open the door
203 at Robb's Elementary in Uvalde, Texas? By the way, the latest on
204 that is that the teacher in question was helping someone deliver
205 food through that door and that she closed it — and the follow-up
206 on that is the shooter entered an UNLOCKED DOOR — that's
207 interesting, since the police had to wait for someone to come with a
208 KEY to unlock to door on the other end of the building to let them
209 in — so, SHE LEFT THE DOOR UNLOCKED???? And the shooter
210 told his friend, maybe two of them, that they would know what he
211 was about to do "before 11 am." And the last communication was
212 that he was going to go shoot up a school — and he happened to
213 arrive at the school when the door was unlocked — and he went
214 directly to THAT particular DOOR, at that particular time and –

215 Why and when did 18-year-old Salvador Ramos engage in advance
216 planning this attack, to be executed on that day, and at that time, to
217 kill his grandmother, then kill 19 children, most of whom were
218 only 10 years of age, and two teachers? And why were the Texas

219 Rangers on scene told to treat the incident as a barricade hostage
220 scenario instead of an active shooter scenario—especially since
221 everyone, including the parents gathered outside, could hear this
222 guy was actively shooting children? I'm sure it was all, just, you
223 know, one of those things. Surely, it all has nothing at all to do with
224 the DEMONCRATS using every atrocity like this to push their gun
225 confiscation agenda—because that is exactly where they are
226 headed—a "forced buy back" program like Australia—so they can
227 do to us what they did to the Australians during this nonsensical
228 lockdown.

229 By the way, Fauci has revealed it all—actually, that phony has let so
230 many cats out of the bag, it's empty! Anyway — Bongino put it out
231 there for us—Fauci admits it's not about mandates on the plane but
232 it's about centralized government power — the issue is that
233 decisions about public health belong with the public health agency
234 as the only people who have the AUTHORITY—"so it's more a
235 matter of principle of where the AUTHORITY lies ..." Exactimo.
236 It's about "where the authority lies..." it's about the public health
237 versus personal health decisions. You are losing your right to make
238 personal decisions about your health in the interest of PUBLIC
239 HEALTH — only the problem is the people making decisions
240 about PUBLIC health are a pack of corrupt politicians with their
241 hands in the pockets of BIG PHARMA, and who are read in on the
242 globalist plan to make sure you have nothing, and are happy—who
243 want to turn the PUBLIC into their SLAVES—

244 So, we are losing personal autonomy over our health decisions—
245 something they scream angrily about regarding a "woman's right to
246 choose"—even though they are talking about a right to decide life
247 or death for an entirely separate person, the baby in her womb —
248 but when it comes to your personal health decisions like whether
249 or not to take a vaccine or wear a mask — they are going to TAKE
250 THAT DECISION AWAY FROM YOU ON BEHALF OF THE

251 HEALTH OF THE COLLECTIVE — something they call PUBLIC
252 HEALTH — but we have no more reason to trust these decisions
253 to THE CORRUPT INDIVIDUALS RUNNING OUR
254 GOVERNMENT ESTABLISHMENT MEDICAL AGENCIES, such
255 as the CDC, than we do to trust yahoos like Biden with decisions
256 about what guns we can own. The idiot thinks a 9 mm round will
257 blow the lung of a criminal hit by it right out of his body — beside
258 the fact he is a macaroon who knows nothing about guns because
259 he has no need to — he is surrounded by men with guns to protect
260 him, and does not need to worry about that. But listen to this
261 murderer, who would advocate for policies that leave you without
262 the same protection he uses your taxes to buy for himself—he
263 thinks having a weapon that he imagines would blow the lung out
264 of a rapist too much power to give you, a round that would blow
265 the lung, now it won't but, get my point here — these macarrons
266 think giving THE PEOPLE the POWER to defend themselves with
267 a weapon they think will blow the lung out of an intruder into your
268 home, there to steal from you and pose a serious threat to your
269 peace and safety, he thinks blowing such a persons lungs out is just
270 too much power to give to the PEOPLE for their PROTECTION—
271 and I say any politician who cannot trust THE PEOPLE with the
272 POWER to PROTECT themselves with weapons equal to and
273 superior to what these common criminals can get — is a lousy,
274 good for nothing scoundrel who has something else in mind than
275 our protection — I think these people are planning to PREY on us.

276 Giving the decision to our health and safety to people who want to
277 JAB us with a vaccine but refuse to give full and informed consent,
278 who want to strap a mask on our faces that they know,
279 scientifically, will not provide protection against something so
280 small as a virus, something that the PHONY FAUCI himself said
281 — and knows — (Look, I've examined 241 scientific studies on this
282 subject, over 150 of these specifically attempting to prove masks
283 DO WORK, and every single one of them actually PROVE without

284 any room for reasonable doubt that not only do these masks NO
285 WORK as source control to protect the public or as PPE, personal
286 protection, they are harmful, and if worn for prolonged periods of
287 time, exacerbate the sickness of a host and enhance infectivity to
288 others. I'm writing my booklet on this, it will be done soon—you
289 will be blown away when I expose the liars who are pushing this
290 mask thing as a challenge for AUTHORITY, to subdue Americans
291 into their control, so we will UNQUESTIONINGLY take their jab,
292 and give them our guns.

293 I would no more trust an establishment medical professional trying
294 to force me to wear a mask and take their jab than I trust a politic
295 (poly=many, tic=a blood sucking creature) who tells me an AR-15
296 is "an AR, Assault Rifle," who surrounds themselves with armed
297 guards with guns that I don't need one for the protection of my
298 safety and the safety of my family. Personal liberty versus public
299 safety—the best say to insure public safety is to get out of the way
300 of personal liberty. I talked to that last Sunday night from the ships
301 helm, the pulpit of the Lighthouse Baptist Church.

302 Right now, I'm going to let you in on what JESUS said about
303 personal protection.

304 When it comes to your health, you are given individual
305 responsibility as stewards of your body which is HIS TEMPLE and
306 you have no authority to surrender your body to the government
307 — He said render to Caesar what is his, and to GOD what is HIS,
308 and how fitting for us today that the basis of this was WHAT
309 BEARS THE IMAGE AND LIKENESS OF GOD belongs to GOD.
310 You have stewardship over it under GOD and Jesus said you have
311 NO RIGHT to surrender it to the government—put the
312 government in the hands of wicked men and you get wicked
313 government, reaching it's power greedy tentacles into every facet of
314 your life and not content until it owns not only your things, but
315 your body too, and not only your body, but your beliefs as well. As

316 Bongino reminded us, Orwell's 1984 was not written as a blueprint
317 for the wicked rulers of our day to take away our personal liberties
318 — it was a WARNING!

319 And when it comes to arming yourself — listen to what KING
320 JESUS SAYS and decide whether you will live under HIS RULE or
321 if you will bow the knee to Biden, and kiss his ring, and grovel at
322 the feet, no, under the jack booted heels of these would be
323 dictators—because it's about WHO HAS THE AUTHORITY, the
324 government or the PEOPLE, and who will the PEOPLE serve, the
325 government, or will the government serve them — and the answer
326 ultimately comes down to this — you will bow the knee to CHRIST
327 the KING willingly, and so find the TRUTH that will make you
328 and keep you FREE — or you will BOW the KNEE to CHRIST
329 later whether you like it or not when HE COMES WITH THE
330 SAINTS TO EXECUTE THE DIVINE WRATH OF GOD UPON
331 THE UNGODLY who have crept into our government and settled
332 in to entrench themselves deeply while we slept, under the great
333 swelling words of the so-called men of GOD busy "turning the
334 grace of our God into lasciviousness," and "denying the Lord that
335 bought them" (II Peter 2:1) — for CHRIST will COME to "execute
336 judgment upon all, and to convince all that are ungodly among
337 them of all their ungodly deeds which they have ungodly
338 committed, and of all their hard speeches which ungodly sinners
339 have spoken against [Christ]."

340 Here is what Jesus said about the issue of gun control!

341 Luke 22:35-38 "And he said unto them, When I sent you without
342 purse, and scrip, and shoes, lacked ye any thing? And they said,
343 Nothing. Then said he unto them, But now, he that hath a purse,
344 let him take it, and likewise his scrip: and he that hath no sword, let
345 him sell his garment, and buy one. For I say unto you, that this that
346 is written must yet be accomplished in me, And he was reckoned
347 among the transgressors: for the things concerning me have an

348 end." And they said, Lord, behold, here are two swords. And he
349 said unto them, It is enough."

350 He alerted His disciples that some things were going to change.
351 While He was here, they needed not concern themselves about
352 having a place to keep their possessions safe, or having scrip, that is
353 money, to purchase what they needed, like food, and clothing,
354 housing and so forth. Nor did they need to be concerned about
355 self-defense — but now that will change. You will need to provide
356 for your own personal self-defense.

357 Look closely at this passage! He highlighted the importance of
358 providing for your own self-defense: if necessary, sell your garment
359 to get a sword. But look even more closely. Jesus said His
360 instructions to them would fulfill a prophecy that said Jesus would
361 be numbered with the transgressors. How would instructing His
362 disciples to secure a place to keep their possessions safe,
363 particularly their money, and provide a means to get the money
364 you will need to survive make Him numbered with transgressors?
365 But for anyone that was not a Roman citizen to "keep and bare"
366 arms was contrary to Roman law! He instructed them to buy a
367 sword, to sell their garment if necessary to buy a sword, and if
368 necessary, to allow themselves to be counted as transgressors of
369 UNLAWFUL laws — for in America, it is NOT UNLAWFUL to
370 keep and bare arms — in AMERICA is it UNLAWFUL to infringe
371 upon this right. And Mr. Biden, let me tell you what is NOT
372 ABSOLUTE — your power is not absolute, your Health
373 Departments are not ABSOLUTE — you don't have absolute
374 power over our bodies, nor over our safety whether from plagues
375 or punks, or power hungry politicians.

376 This Sunday we have as our honored guest pastor Marshal Stevens
377 from Calvary Baptist Church in American Canyon, CA. It will be
378 what we call early service, because our evening worship usually
379 begins at 5 pm, but on special days we don't have a 5 pm service,

380 instead we have lunch together at the church and then meet for a
381 short service afterwards. We are celebrating our church
382 anniversary and you are all welcome to come and learn something
383 about the history of the Lighthouse. We begin at 9:30, continue at
384 10:45, after the morning service we break for lunch then reconvene
385 usually at about 1 or 1:30.

386 I have lit the lamps in the Church belfry arch and now you let me
387 know if you see them.
