Original Air Date: 06.11.22

1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain
3 masseur—get ready for your brain massage.

4 Second Amendment action by the SCOTUS expected soon.
5 According to Tom Fitton, "most expect the Court to EXPAND
6 SECOND AMENDMENT PROTECTIONS."¹

7 Meanwhile, five GOPers voted with all House Democnrats to pass
8 a National Red Flag Law: Fitzpatrick (PA), Gonzales (OH), Jacobs
9 (NY), Kinzinger (IL) and Upton (MI).²

10 In a six three decision, the Court ruled to allow PA elections to
11 count undated ballots.³ What are rules for? Even Alito reasoned the
12 injunction was likely wrong, but wanted to look closer at the case
13 before ruling on it. At the very least, these ballots should be verified
14 as coming from a legitimate voter, and then these voters should be
15 approached to verify they actually voted. In other words, someone
16 goes to their home with the envelope, asks if the person voted,
17 hand them a new envelope, ask them to remove the ballot, verify it
18 is theirs, place it in the new envelope, sign and DATE — back
19 dated to the date it was received or sent, and the date it was
20 corrected — something like that. THE SACRED RIGHT TO
21 VOTE IS THAT IMPORTANT!

22 Have you noticed these four things? First, Biden has said nothing
23 about the assassination attempt on Kavanaugh—and murder of his
24 entire family. Second, Pelosi blocked bill to increase security for the

25 SCOTUS Justices—when a reporter shouted a question about this
26 decision she shot back: "Nobody is in danger."⁴ Oh, really! No left-
27 wing-nut went armed to Kavanaugh's home by Taxi, at 1:00 am,
28 with the intent to assassinate him and murder his family and then
29 suicide himself—he was armed with a Glock pistol, a knife, zip ties,
30 pepper spray, and duct tape—with tools he intended to use for the
31 break-in⁵—and Pelosi is refusing to acknowledge the Justices are
32 being threatened saying, "nobody is in danger," and refuses to
33 move forward with a bill intended to increase security.

34 Third, did you notice that this follows in the wake of Schumer
35 angrily shouting, [INSERT CLIP-15 seconds] "I want to tell you,
36 Gorsuch, I want to tell you, Kavanaugh, you have released the
37 whirlwind and you will PAY THE PRICE. You won't know what
38 hit you...END CLIP] "if you go forward with these awful
39 decisions." — did you ask, why signal out Gorsuch and
40 Kavanaugh? Why not Alito, or Thomas, or Barrett? Interesting!
41 Yeah, a Senator targeted two Justices, by name, and
42 THREATENED them if they voted in disagreement with
43 Schumer's opinion about murdering babies in the wombs of their
44 mothers. An assassination attempt was made on one of Schumer's
45 targets.

46 Fourth, did you notice that WITCH Liz Cheney, leading the third
47 Trump impeachment effort, aka, the J6 Hearings, pull her Shifty-
48 Schiff move on Trump? She read a Trump quote intended to
49 implicate him for leading an "insurrection" but omitting that part
50 of the quote that totally exonerates him, and the WITCH of J6 did
51 this knowingly, fitting they should choose a WItCH to lead their
52 WITCH TRIAL—as they continue to use the Constitution like
53 their personal toilet paper—you've seen those rolls with the face of
54 Biden, or Pelosi printed on them—I would not be surprised if these

⁵ <https://www.foxnews.com/politics/california-man-threat-kill-justice-kavanaugh-charged-attempted-murder>

55 people secretly stock toilet tissue with the Constitution printed on
56 it—yes, they hate America that much, they hate the Constitution,
57 and they especially hate our Bill of RIGHTS and the PATRIOTS
58 that stand in their way of destroying this REPUBLIC UNDER
59 GOD.

60 Every day, they trample the rights of Americans, and their phony
61 J6 charade is actually a portrait. See it, Pelosi, Schumer, Witch Liz,
62 their visage grim with an ironic sneer, and their Jack Boots
63 pressing the neck of Uncle Sam, the PEOPLE, who dared to
64 exercised their right to redress their grievance by protesting a
65 stolen election—

66 But don't get them wrong! They are not against destroying public
67 or private property, attacking police officers and murdering
68 innocent citizens, throwing Molotov Cocktails into patrol cars
69 while they watch approvingly sipping theirs.

70 That is, when it's their own "Storm Troopers," BLM/ANTIFA
71 thugs, wrecking and destroying with the nonchalance of Mayhem,
72 that's okay because they are exercising their freedom to PROTEST,
73 but let patriots express their opinions publicly in a truly "mostly
74 peaceful protest" they harass and round up Trump supporters for
75 political persecution.

76 Without bothering to differentiate between those in that protest
77 who were genuine Patriots PEACEFULLY PROTESTING, and
78 those bad actors, ANTIFA, some BLM, some CIA operatives, and
79 who knows how many FBI plants — when Cruz asked the
80 Executive Assistant Director of the FBI's Counterterrorism
81 Division of National Security, Jill Sanborn, "How many FBI agents
82 or confidential informants actively participated in the events of
83 Jan. 6" she, some question which pronoun is appropriate, said, "I
84 can't go into the specifics of sources and methods."

85 Cruz pressed: "Did any FBI agents or confidential informants
86 actively participate in the events of Jan. 6, yes or no?" She
87 responded: "I can't answer that." — She should be held in contempt
88 of Congress and fired—THE PEOPLE REALLY DO HAVE A
89 RIGHT TO KNOW THAT INFORMATION.

90 But we all know she DID answer — there were FBI agents present
91 in the J6 event intentionally agitating the crowd into a mob — and
92 when Cruz asked, "Did any FBI agents or confidential informants
93 commit crimes of violence on Jan. 6?" and this "public servant" [of
94 the DEEP STATE] said "I can't answer that," she answered that,
95 and she answered it tacitly YES.

96 Cruz pressed her for information about Ray Epps, seen in videos
97 encouraging people to enter the Capitol, whose face was on the
98 FBI's most wanted poster, identified as SUSPECT No. 16, who
99 SUDDENLY, and WITHOUT EXPLANATION disappeared from
100 that list ... and Jill, the Wray appointed Executive Assistant
101 Director of THE COUNTERTERRORISM DIVISION OF National
102 Security, balked—Cruz asked: "who is Ray Epps?" She became
103 agitated, and said "I am aware of the individual, sir, I uh, I don't
104 have the specific background *to him* [awkward fumbling of words
105 and phrasing indicates LYING is going down]

106 Who is Ray Epps: something that should appear on cups and T-
107 shirts and MEMES, and on banners dragged across the sky behind
108 bi-winged airplanes — something that should scrawl across TV
109 crawls, the Chyrons ('Klrawns), on bill boards and scratched out in
110 graffiti on every public building—well, okay, that's going too far;
111 but you get my point — indeed, Who is Ray Epps?

112 It is truly a major mystery since, A. we have video of the guy
113 agitating protestors into a mob, B. he was number 16 on the FBI's
114 J-6 MOST wanted suspects poster for some weeks, C. someone can
115 be heard in the crowd outing him as an FBI plant, D. he suddenly
116 disappeared from the wanted list, awkwardly, so it read 1-15, and

117 skipped to 17 to continue — and E. the Executive Director of the
118 division responsible for creating this list, overseeing the
119 management of processing the suspects, responsible for the
120 incarceration of hundreds of peaceful J6 protestors, accused of
121 trying to "influence" the deliberations of the CONGRESS —

122 Which, by the way, IS WITHIN THE RIGHTS OF THE
123 AMERICAN PEOPLE — but, protesting a Supreme Court Justice,
124 at his home, threatening violence, to influence a decision of the
125 court, which is, as a matter fact expressly FORBIDDEN by LAW,
126 but which nonetheless was encouraged and I would say called for
127 by leadership on the left —

128 With Schumer literally TARGETING by name CORSUCH AND
129 KANAVAUGH and threatening serious reprisals against them,
130 and this while a nefarious leftist Twitter user calls on his fellow
131 lefties to contemplate killing Justices to protect a mothers right to
132 feed their unborn babies to Moloch —

133 Calling to mind the plaintive cries of Jeremiah mourning the
134 practice of some wicked women of Judah who would "eat their
135 fruit, and children of a span long," [a span is about 9 inches,
136 distance from thumb to baby finger when extended—the average
137 length of a full term baby is about 19-20 inches—world's smallest
138 premature baby to survive was 9 inches—she weighed in at about
139 the weight of an apple, and like an apple, some wicked women in
140 Judah would eat their children of a span long—the fetus is about 9
141 inches at between 18-19 weeks—the prophet Jeremiah called them
142 CHILDREN—and referred to himself in the womb as a CHILD at
143 conception] Jeremiah wailed in lament: the women boiled the flesh
144 of their own sons and daughters — don't tell me this is "far
145 fetched," I saw the posters carried by Pro-Aborts responding to the
146 now infamous leaked Court draft that read, FETUS=GOOD

147 SNACK.⁶ Our public schools are creating heartless monsters with
148 seared conscience and perverted sensibilities.

149 But, back to the question — who is Ray Epps? Perhaps a better
150 question deserving of even more exposure is, HOW IS IT
151 POSSIBLE THE Executive Director over COUNTERTERRORISM
152 DIVISION of National Security would NOT KNOW anything
153 more about Ray Epps beyond name recognition?

154 But he was there agitating the protestors into mob behavior, and
155 that failing, calling on them to enter the Capitol, with some sort of
156 collusion in play since about that time, Capitol police came
157 forward to wave in and welcome protestors into the Capitol, and
158 we have video proving the fact that most of these people were
159 peacefully protesting, and proof that the few who did engage in
160 unlawful behavior were agitated by ANTIFA thugs and some
161 corrupt FBI plants — when will we have enough of this and
162 DEMAND the vote be returned to the PEOPLE so the PEOPLE can
163 lawfully, and in a decent and orderly manner GET RID OF THESE
164 USURPERS WHO have taken this nation under GOD and the
165 SPIRIT of His CHRIST into service to their god, Satan, and the
166 spirit of antichrist?

167 So, do you hear the screaming silence of Biden saying it's okay to
168 kill a Justice? Do you hear the screaming threats of Schumer tacitly
169 calling — talk about "dog whistle" — I understand now. These
170 people use the technique of "dog whistle" — sending cues to trigger
171 certain behavior — and while there are a great many things these
172 belly serving evil beasts are trying to do with their J6 effort to take
173 scalpels of lies and distortions to dissect freedom and justice in its
174 infancy and sacrifice it to their gods, and feed themselves, sate their
175 foul appetite for power to oppress, to glut to the fill of their gut the
176 souls of men—it's not enough for these fiends to feast on your

⁶ <https://www.theblaze.com/news/fetus-good-snack-pro-abortion>. (Accessed 6/10/22)

177 flesh, to control your body, to own you like slaves — THEY MUST
178 MAKE MERCHANDISE OF YOUR SOUL — Orwell warned us,
179 they will not be content that you surrender to their demand that
180 you confess $2+2=5$, you must BELIEVE it to be TRUE because they
181 said it was true. It will never be enough that you comply with
182 demands to use the pronouns demanded — they will not be sated
183 till you bend and twist your mind beyond compliance—you must
184 believe in gender fluidity, and it's not enough that you wear your
185 mask so long as underneath that mask you curse them for their
186 oppression—they will have you masked and like it — poor and like
187 it — they will never be content to own only your body, they will
188 not rest until they own your soul.

189 And whosever soul they cannot own, they will destroy!

190 Let's wrap the first segment: how many of you know that while it's
191 true this J6 charade is a diversion from how badly Biden is doing,
192 it's much more than that. It's part of what Biden and his crooked
193 friends ARE doing! They are destroying America—and America
194 sees it. And it goes back farther—when "they" were stirring us all
195 up over 9/11 and used the terror of terrorism to seduce us into a
196 lull of good sense, and we let them put all these "Patriot Act"
197 measures into place with promises those provisions would never be
198 used on Americans—right now they are transitioning all of those
199 measures into use to control their trumped up fears about
200 "domestic terrorism," and they are trying their best to establish a
201 general idea that white Christian conservatives are the greatest
202 threat to this country. Well, I'll tell you this, CHRISTIAN
203 CONSERVATIVES of every skin tone ARE IN FACT a serious
204 threat to their agenda—and in fact—the ONLY thing that remains
205 in their way to total DOMINION. So, hey, CHRISTIAN
206 WARRIORS who war IN THE SPIRIT and not against FLESH
207 AND BLOOD — you come to the Lighthouse and get the training
208 you need in spiritual warfare to take down the satanic strongholds

209 keeping the VOTE of the American people hostage to satan — hold
210 on through the break; I'll be right back!

211 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor
212 at the Lighthouse, your brain masseur, and Paul Revere's lantern
213 lighter, lighting the lamps in the church belfry arch, signaling the
214 enemy is on the march, an enemy that would steal from us our
215 liberty.

216 Responding to the recent assassination attempt on Kavanaugh, a
217 faithful listener to the Brain Massage® show called in this
218 interesting comment:

219 Insight from listener: From Larry Keast:

220 When Booth shot Lincoln he knew that Lincoln's vice president,
221 Andrew Johnson, was a Democrat and hoped by killing Lincoln he
222 would get policies changed favorable to the Southern states and
223 against the interests of black Americans. Lincoln had, as I'm sure
224 you know, put troops in the South to make sure the blacks were
225 not treated badly or wronged by the Southern slavers—and, by the
226 way, not even *most* of the South practiced slavery by the time the
227 so-called Civil War was fought. Lincoln had other policies that he
228 planned would help the blacks integrate into freedom. When the
229 would be assassin, Roske, drove from California to Washington
230 D.C., he knew that if he killed Kavanaugh the balance of the court
231 would be changed in favor of the baby killers. The first event, the
232 assassination of Lincoln, had a major impact on history because
233 indeed, the DEMOCRAT got into the White House and derailed
234 Lincoln's efforts to facilitate a safe and secure passage for the slaves
235 into freedom. If Roske had succeeded, Biden would appoint the
236 replacement, the spineless Republicans would have gone along
237 with it, and any hope would be gone that the egregious spilling of
238 INNOCENT BLOOD through legalize abortion would stop.

239 I think the DEMONCRATS, in their leadership, are actually that
240 corrupt — so corrupt they would attempt to Nortonize their
241 agitated, murderous followers into just these sorts of actions.
242 Remember the last episode of Agatha Christie's Poirot — how
243 Stephen Norton was cleverly, subtly, manipulating one after
244 another of the characters in that episode to commit murders on his
245 behalf—I think the Devils controlling the upper levels of the
246 Demoncrat Party, along with their devil-inspired Deep State
247 operatives, are adept at the Norton-suggestion-formula. Poirot's
248 solution is not the answer—for such vengeance belongs to GOD
249 and I think we are best served if we leave that to HIM.

250 But I am convinced now, after looking at this deeply for a few years
251 now, I am convinced these people are attempting to draw the
252 conservatives into illegal actions that will justify them declaring
253 martial law and escalating the civil turmoil until they "must" call in
254 the CCP and the RAF to "police" our broken Republic. *RAF* refers
255 to the Russian Armed Forces—

256 From the Health Ranger Report, on Brighteon — "Academic
257 researcher and author JR Nyquist has conducted a bombshell
258 interview with "Mr. Wang" from LUDE Media -- the same group
259 that acquired a secret audio recording from high-level CCP / PLA
260 military leaders in Southern China -- that reveals China and Russia
261 are teaming up to eliminate the United States and occupy North
262 America." Mr. Wang, is Wang DingGang Lude, he founded a
263 Chinese media group called Lude Media — with the pervasive
264 presence of CCP everywhere protecting CCP from exposure to the
265 general public through media, it is surprising Mr. Lude, or as he is
266 called here, Mr. Wang, is able to function. I understand, from
267 here,⁷ that Mr. Lude is noted to be a whistleblower, and desires to
268 get the truth about CCP actions to the world. Here is the mission
269 statement of LUDE Media: "These channels aim to create an

⁷ https://en.everybodywiki.com/Lude_Media

270 independent news platform that can disseminate the truth about
271 the CCP. In addition, Lude's channels fully implemented the
272 concept of truthfulness in media, which has made more people
273 believe and participate in the Whistleblower's movement to
274 comprehensive the aim of making China be a freedom, liberty and
275 rule-of-law country."

276 Okay, let's take it from here. Perhaps Mr. Lude does not identify
277 his country of operation is obvious.

278 So, LUDE gets a copy of this conversation between CCP military
279 leaders on the topic of plans to coordinate with Russia an attack
280 America.

281 "From the summary of that interview: 'China and Russia will
282 launch a full-scale war against the United States. The Russian and
283 Chinese fleets will be united – not in the same ocean – but by
284 attacking the same continent, North America. The Russians will
285 attack through the Arctic, the Chinese through the Pacific.'" Let's
286 take a look at this.

287 We have known for some time that CCP is gearing up for war with
288 the US. Now, allegedly, a 56-minute recording of CCP military
289 discussing plans to attack the US came into the possession of
290 LUDE media.⁸ Here is what was reported from the interview that
291 took place between Nyquist and Wang:

292 The take aways from this interview: Wang reveals:

293 1. The CCP is financing Russia's war with Ukraine. We know that
294 India is buying heavily into Russian oil, rebranding it, and selling it
295 to European countries who are pretending to boycott Russia re
296 Ukraine.

297 2. Russia's "best forces" are not being used in Ukraine. Their BEST
298 forces are deployed in the "far east" being prepared for action

⁸ <https://www.youtube.com/watch?v=h6LT5y5YaSo>

299 against the US. *This invasion is coming in from THE NORTH —*
300 *Alaska and Canada!*

301 3. Ukraine is losing to Russia??? [I've told you that BIDEN is NOT
302 SERIOUS about helping Ukraine.]

303 4. CCP used the lockdowns to "mask" deployment of mobile
304 ICBMs and other weapons. The clearing of streets has been
305 covered by efforts to control the spread of the virus, and equipment
306 has been hidden by camo, they disguised them as COVID convoys.

307 5. LUDE media reports that CCP will attempt to use nuclear
308 blackmail and threats of unrestricted warfare (chemical warfare) to
309 collapse the US, and have America dropped into their power by
310 our weak and feckless political elites; while simultaneously forcing
311 Taiwan, Japan and S. Korea into their power.

312 6. If that does not work, if the US resists, and if the US interferes
313 with their moves on Taiwan, etc., CCP and RAF will combine
314 forces and attack the US.

315 7. The Russians will attack from the NORTH, through the Arctic,
316 and the CCP will attack from the Pacific.

317 8. However, there are some other confounders that we need to be
318 aware of. The "freedom" movement in China is strong, and gaining
319 strength among the people. LUDE media has many contacts with
320 these people operating under the radar to bring down the
321 Communist Party in China, or the CCP. The CCP has declared war
322 against the West, the anticommunists in China have declared a
323 People's war against the CCP.

324 The leaders of this resistance want our leaders here, the ones they
325 can trust, they want us to know that we MUST WARN
326 AMERICANS ABOUT THE CHINA-RUSSIA ALLIANCE, THAT
327 THERE CAN BE NO NEGOTIATING WITH MOSCOW
328 AND/OR BEIJING, THAT WE MUST NOT ABANDON OUR
329 ALLIES IN ASIA— Taiwan, Japan, S. Korea.

330 If what I say next provokes anyone to think I'm crowing, it's really
331 okay! I learned some years ago that such people are Satan's little
332 pests appointed to harass and — anyone who listens to those sorts
333 of people really don't need to concern themselves — I honestly do
334 not care what you think about me, or what you think you know
335 about my motives.

336 The FACT is, back even before 9/11, I predicted all of this. The
337 prediction was not presented as some sort of prophecy—but I
338 preached a set of messages out of Jeremiah calling on American
339 Christians to wake up, because if we continued down the path we
340 were on, it would lead to DIVINE JUDGMENT expressed upon
341 this country from the NORTH, that it would come down on us by
342 the hand of China and Russia — that they would collude together
343 with Iran—that these three ribs in the mouth of the bear would rise
344 up to raven the earth—and that the only power present to stop
345 them was a HOLY CHURCH—and not that profane blasphemous
346 Roman Catholic institution astride the scarlet beast of Revelation
347 17 and called the whore of Babylon in 13, not the many deluded by
348 that system, who are called by the SPIRIT COME OUT OF HER
349 MY PEOPLE, but the paganized quasi-Christian-system itself,
350 under the DAGON worshipping COBRA staged Pope, with that
351 chalice filled with the blood of martyrs, and lips red with the blood
352 of infants, and heart stained with a corrupt lust of the pedophile
353 and fornication; NO!

354 I'm talking about CHRIST'S TRUE CHURCH — the pillar and
355 ground of the TRUTH, to which is given the KEYS of the
356 KINGDOM and the POWER OF THE SPIRIT OF CHRIST, the
357 only power on earth that can withstand this present flood of the
358 enemy of Christ, the spirit of ANTICHRIST.

359 So, come to the LIGHTHOUSE this Sunday and let's STAND
360 against these wiles of Satan, and assault his strongholds in

361 America—come STAND with CHRIST and HIS TRUTH against
362 the DEVIL and his LIES.

363 I have lit the lamps in the Church belfry arch and now you let me
