Convention of States—Is It Time?

1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain
3 masseur—get ready for your brain massage.

4 Another look at the Convention of States approach to address our
5 problems with the Federal Government! Federal government has
6 become the King George of our generation and the tensions
7 between government overreach and oppression and the liberty of
8 Americans has risen close to the boiling point—will we be pushed
9 into a second armed revolution for our rights, or did the genius of
10 our Founders provide a way to make the corrections necessary to
11 bring government back UNDER THE PEOPLE in Article V?

12 But first, an important and related issue—the effort to use
13 Transgenderism to complete Obama's call to "fundamentally
14 transform America." Beginning with his declaration that "America
15 is NO LONGER A CHRISTIAN nation—long and meaningful
16 pause—at least not just ..." with his own rail-roading into law
17 Obamacare which had as it's primary purpose, or goal, to provide
18 government subsidized health care for the homosexual community
19 who were being barred from coverage on the ground of their risky
20 behavior and pre-existing conditions.

21 My friends, one of the most important Brain Massage® episodes is
22 about to *blow your mind wide open to truth!*

23 [TRUTH]

24 Currently, the LGBTQ community has practically taken over our
25 schools and it appears they have conquered natural prejudice
26 against their unnatural behavior. Their counter-nature ideology
27 has prevailed over man's instinctive resistance to their blatant

28 contradiction against nature, and their rebellion against nature's
29 GOD.

30 But this is an illusion carefully crafted by a small minority of very
31 wicked and satanically inspired people. Instigated by the
32 radicalized among the so-called gay community — not all who
33 practice homosexuality agree with the "gay agenda" — it's a mixed
34 bag of homosexuals — and, by the way, I get into issues with some
35 of my dearest friends who chastise me for using this word,
36 *homosexual*, instead of what they consider to be the biblical word
37 *sodomy*. So, let me address that briefly.

38 First, in fact, the Bible does not use the words *Sodomite*, or *sodomy*.
39 We get derive these words from the account in Genesis 18 where
40 the men of a city called Sodom, demanded to *know* Lot's male
41 visitors—and you know what I mean by *know* — but in case you
42 don't, these men of Sodom were demanding Lot deliver his male
43 guests to them so they could use them sexually—so we call this
44 behavior *sodomy* and those who practice it *Sodomites*.

45 Over time it came to refer to one specific sexual act where a man
46 uses another man in the manner the Creator designed for a man
47 and a woman to come together—so we called this behavior
48 sodomy.

49 Not all homosexual behaviors are limited to that one act. Biblically,
50 it is a SIN for a man to lay with a man in the manner prescribed by
51 our Creator for a man to lay with a woman (Leviticus 20:13): "If a
52 man also lie with mankind, as he lieth with a woman, both of them
53 have committed an abomination...."

54 For those who object that I left off the penalty, that both of these
55 men should be put to death under the law, I remind them that
56 Jesus did not cast stones at the woman taken in adultery although
57 Moses law required that penalty, and that nowhere in the New
58 Testament are we given such instruction—instead, of they are

59 brothers, we remove them from our fellowship and turn them over
60 to Satan for the destruction of their flesh (I Corinthians 5:5), if they
61 are among the lost, we declare the GOSPEL to them, warn them of
62 the judgment to come and leave their temporal judgment to
63 GOD—this temporal judgment is declared in Romans 1:27, "And
64 likewise also the men, leaving the natural use of the woman,
65 burned in their lust one toward another; men with men working
66 that which is unseemly, and receiving in themselves that
67 recompence of their error which was meet." In context, we learn
68 that God declares this condemned behavior is practiced also by
69 women—of course they don't commit *sodomy* in they way we now
70 understand that word, but they "change that natural use into that
71 which is AGAINST NATURE." That's verse 26 of Romans 1. The
72 next verse, the one I quoted a moment ago, where it talks about
73 men with men working what is unseemly, and for this receiving in
74 them, that is, their bodies, the DIVINELY APPOINTED FITTING
75 RECOMPENCE for their error — that is, the recompence was
76 fitted to their behavior — and it begins "AND LIKEWISE ALSO
77 the MEN ..." or, in other words, what these men and women do is
78 UNNATURAL — it's a departure from the natural use — or it's
79 contrary to the DIVINE DESIGN of the CREATOR.

80 So, the behavior we are talking about is biblically referred to as *men*
81 *with men* — and *women with women* — which is homo—same—
82 sex—gender—attraction. The word homosexuality means same sex
83 relations, and that covers it all, whereas the words *sodomy* and
84 *sodomite* are today restricted to a specific behavior that occurs
85 between men only. Anyway!

86 Years ago, after some deep research into the movement launched
87 by the raid of a popular same sex bar in Greenwich Village in New
88 York in 1969, called the Stonewall Inn, which was followed about a
89 decade later, 1981, with the outbreak of GRIDs — Gay-Related
90 Immune Deficiency sickness, later, for political reasons under the

91 aggressive demands of homosexuals, it was dubbed HIV-AIDS — I
92 became concerned about how this disease was spread and so did a
93 deep dive research project. During this research, I learned that a
94 wide variety of diseases were associated with homosexual behavior,
95 some that are unique to that population and others greatly
96 exacerbated by the behavior—the picture that emerged was deeply
97 distressing, it was as if NATURE ITSELF was condemning the
98 behavior. It made me think of Romans 1:27, I quoted it earlier; it
99 says this behavior triggers the revulsion of the Creator and the
100 rebuke of nature.¹

101 And here is the point—any culture than can willingly embrace this
102 unnatural behavior provokes our Creator and invites nature's
103 rebuke. It is unnatural—and it's a transgression of God's law.
104 Transgression of Divine law opens the door to EVIL—and we are
105 flooded with EVIL in our land that is pouring in through this
106 transgression. And the thing about evil is that it does not touch
107 only the guilty—it touches the innocent also. Furthermore, it
108 corrupts the soul—see this mother holding her child on her lap at a
109 Tranny show where men dressed as women gyrate suggestively and
110 behave unseemly with children placing dollars in their pants—the
111 sort of thing wicked adults do for entertainment—something even
112 one of their own, that is a practicing homosexual said was
113 inappropriate, rebuking these foolish parents who take their child
114 to such an event, rebuking their perverse conscience saying they
115 would not think of taking their child to a strip bar and encourage
116 them to participate in the "show," but they will do it at a gay bar, or

117 a venue allowing for this sort of display—SICK, WICKED, AND
118 EVIL LOVING PEOPLE — drink in their own shame!

119 But, it's not enough for their own soul to embrace such perversity;
120 they expose their children to it.

121 And we live in a society today where child protective services
122 would take a child from her home if parents object to her
123 recruitment by schoolteachers and other school personnel to hate
124 the gender God made her and encourage her to desire to be a man
125 instead—but the same would never bother a parent who takes their
126 small children to a perverse display of homosexual activity—

127 So we've allowed murdering babies in the wombs of their mothers
128 since 1973, feeding our children to Moloch, and now we are
129 feeding our children to Baphomet — the Judas goat — the gender-
130 and-species blended (male/female, man/animal) homage to
131 Alexander the son of Satan, the prince of this world, by whom he
132 once gathered all the kingdoms under his power.² Having lost his
133 kingdom to JESUS the CHRIST of GOD, Who cast out the "prince
134 of this world" and banished him, so that now he is "prince of the
135 power of the air," who now works in this world by the spirit of
136 ANTICHRIST through the children of disobedience—the ragers—
137 those who hate even the idea of CHRIST RULING THE EARTH —
138 sends his "Judas goats" into the world to "lead the sheep to
139 slaughter..." but these GOATS cannot lead the CHIEF
140 SHEPHERD'S SHEEP for they hear only HIS VOICE and
141 FOLLOW HIM —

142 But the lost sheep are easily duped and they giggle at the gyrations
143 of the Judas goats, they snicker at their perversities, and unnatural
144 behaviors that defy nature and nature's GOD, fascinated by their
145 open defiance to the CHIEF SHEPHERD they carry even their own

146 children to sacrifice their innocence, their human dignity, and
147 distort their natural instincts, damage their soul's conscience, and
148 make them FOOD FOR THE ROARING LION who seeks to
149 devour them.

150 To conclude this segment, which is intended to prepare you for a
151 proper discussion of whether this is a time to call for a convention
152 of states—first, understand that only a very small minority actually
153 embrace this. The magnifying glass of corporate media, including
154 FOX, makes it appear larger than it is. Only a bit over 3% of the
155 population practices homosexual behavior, a significantly smaller
156 percentage go into the tranny movement, and only a handful of
157 very perverse straights endorse the outlandish behavior put on
158 display right now. But there are a great many cowards today, and a
159 great many that are following Satan's Judas-goats to their own
160 destruction because they want to be popular, "in with the in-
161 crowd," hip, cool, fashionable, moving with the trend—not
162 realizing the trend is merely a fabrication of Satan controlled
163 media. What would the spirit of Antichrist do with an opportunity
164 to re-write the Constitution? Hold on through the break! I'll be
165 right back!

166 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor
167 at the Lighthouse, your brain masseur, and Paul Revere's lantern
168 lighter, lighting the lamps in the church belfry arch, signaling the
169 enemy is on the march, an enemy that would steal from us our
170 liberty.

171 There is growing interest in agitating for the states to invoke
172 Article V that provides a way for the people to essentially fire the
173 Congress, at least to overrule it, and make amendments to the
174 Constitution that will, ostensibly, FORCE GOVERNMENT TO
175 BECOME ONCE AGAIN OF, BY, AND FOR *THE PEOPLE*.

176 We now KNOW that Congress will never impose term limits on
177 itself. I agree with DeMint, that NO ONE SHOULD BE IN

178 CONGRESS FOR 20-30 YEARS.³ We now know Congress will
179 never limit their power to TAX and SPEND us into oblivion. We
180 know that Congress will never give up their ability to provide
181 EXEMPTIONS to themselves from the laws it passes on the people
182 — like the Pelosi loophole allowing her family to exploit INSIDER
183 TRADING opportunities, and exempting themselves from
184 Obamacare. Article V was written for such a time as this when the
185 PEOPLE are being OPPRESSED by BLOATED GOVERNMENT
186 INTRUSION into virtually every facet of our lives. But, is this the
187 time to use it? Let's talk about that, or at least get the conversation
188 started. Here is a resource to help you get started.⁴

189 Let's begin by pulling out my Pocket Constitution and reading
190 Article V. "The Congress, whenever two thirds of both Houses
191 shall deem it necessary, shall propose Amendments to this
192 Constitution, or, on the Application of the Legislatures of two
193 thirds of the several States, shall call a Convention for proposing
194 Amendments, which, in either Case, shall be valid to all Intents and
195 Purposes, as Part of this Constitution, when ratified by the
196 Legislatures of three fourths of the several States, or by
197 Conventions in three fourths thereof, as the one or the other Mode
198 of Ratification may be proposed by the Congress; Provided that no
199 Amendment which may be made prior to the Year One thousand
200 eight hundred and eight shall in any Manner affect the first and
201 fourth Clauses in the Ninth Section of the first Article; and that no
202 State, without its Consent, shall be deprived of its equal Suffrage in
203 the Senate."

204 It provides for amending the Constitution, and the part we are
205 particularly interested in is the provision allowing the PEOPLE to
206 bypass Congress and call a Convention of States.

207 Sometimes this is called a "Constitutional Convention," and often
208 abbreviated as Con-Con. Many calling for the states to invoke
209 Article V are sensitive to the concerns some have that a
210 Constitutional Convention will allow the possibility that the entire
211 Constitution can be re-written and totally destroyed. So they prefer
212 to refer to this as a Convention of States. But the fact is,
213 Constitutional Convention is perfectly appropriate, first, because it
214 is an action afforded to us by our Founders IN THE
215 CONSTITUTION, so it is CONSTITUTIONAL. And second, it is
216 about AMENDING the CONSTITUTION, which makes in
217 CONSTITUTIONAL. And third, the concern is a legitimate one,
218 recognized as valid by none other than Justice Antonin Scalia.
219 However, Scalia also said he thought the danger of that happening
220 is minimal, and the risk reasonable.

221 That is because while it requires 2/3 of the states to trigger Article
222 V, whatever amendments are passed by the convention must be
223 ratified by 3/4 of the state legislatures or state conventions. That
224 meant it takes 34 states to invoke article V and 38 states to ratify
225 whatever amendments are passed in the convention. We will look
226 more closely at the ratification clause in a moment.

227 Here is how this would look. The legislatures of at least 34 states
228 would have to independently call for a convention of states. And
229 right away we have one of the hurdles we face getting this done.
230 EVEN THOUGH THE CONSTITUTION DOES NOT
231 STIPULATE the states must all apply for a convention for the same
232 reason, or to address the same concerns, THAT IS WHAT THOSE
233 WHO HAVE INTERPRETED IT HAVE DECIDED MUST BE
234 DONE.

235 So, right off the starting line, a CONGRESS and JUDICIARY, (the
236 executive is not part of this proceeding) but the CONGRESS and
237 JUDICIAL branches, jealous of protecting their power OVER THE
238 PEOPLE, impose an UNCONSTITUTIONAL barrier by asserting

239 34 states must agree on what topics they want addressed at this
240 convention. This is the reason that we have had as many as 41
241 states call for a convention, and over 475 applications from one or
242 more of these 41 states have been sent to Congress — BUT
243 CONGRESS, UNDER THE PROTECTION OF JUDICIAL
244 OPINION, has REFUSED to invoke Article V.

245 I see NOTHING in the Constitution that requires the 34 states to
246 apply for a convention in the same or equivalent language, or for
247 the same reasons or concern. THEY MADE THAT UP! It's not in
248 the language. You see, to these wicked rulers, it does not matter
249 what the Constitution says, or does not say, what matters is who
250 has the power to decide what it means.

251 To explain how they get away with this, consider. There is, as Scalia
252 himself observed, a possibility that triggering a convention of states
253 COULD lead to a rewriting of the entire Constitution, even a
254 writing away of our 1st and 2nd amendments. He did not think it
255 was a likely concern because it does not seem likely that the
256 necessary 38 states would agree to ratify any amendment so radical
257 that effectively erased our 1st-10th amendments. But I beg you to
258 pause and consider the political environment we are in right now.
259 Does anyone doubt that is exactly what use would be made of a
260 convention of states where the agenda was not expressly limited?

261 And this is the problem. Some states have applied for invocation of
262 Article V for expressly limited concerns, and stipulated this clearly.
263 This is because they don't want an open forum to rewrite the
264 Constitution. This is how the Congress has been able to refuse to
265 call for a convention of states and claim there are not enough states
266 in agreement about what to address to qualify.

267 But there are 31 — to date, there are 31 qualifying applications,
268 three more will trigger Article V.

269 But that is not the only hurdle we face.

270 Then comes the selection of delegates. Will the States Legislatures
271 appoint citizen delegates, or will the states vote on citizen
272 delegates? If the delegates are bound to act merely as proxy to the
273 State Legislature, there is little point in voting for citizen delegates.
274 So while it removes the power from our Congress, and invests this
275 power in the hands of the State Legislatures, you see what a
276 situation we have in California. So far there are more red than blue
277 states, and no matter how many delegates are sent, each state gets
278 one vote, so it is hopeful that the amendments passed would be
279 what is truly needed to straighten out this mess.

280 Here they are. First, TERM LIMITS. Second, TAX LIMITS. Third,
281 SPENDING LIMITS. Fourth, BORROWING LIMITS. Fifth,
282 barring Congress from exempting itself from laws they pass on the
283 citizens: like insider trading, sorry Pelosi and your drunkard
284 family; or how they exempted themselves from Obamacare, as two
285 of many examples.

286 So, suppose these get passed out of Convention and sent to the
287 States for ratification.

288 The Ratification provision offers two paths. State Legislatures may
289 ratify the Amendments, or Conventions called by the States for this
290 purpose. The Congress decides which mode will be used. This
291 could get stalled in Congress forever. Filibuster, or procedural
292 devices might be used to keep a vote from the floor, all sorts of
293 wicked machinations by these wicked people could be, and almost
294 certainly WOULD be used by these jackals.

295 This second procedure, ratification by a convention of delegates
296 was used to pass the 21st amendment, which repealed the 18th.
297 This was to allow the Legislatures political cover from blowback
298 over this action. I'll examine this action later as an example of how
299 YOU WILL NOT ELIMINATE POLITICAL INTRIGUE by
300 invoking Article V — you will agitate the wicked into egregious
301 efforts to use it to TAKE away our LIBERTIES.

302 I'm not saying we should not invoke it for fear of what liberals will
303 attempt to do with it — truth is if we don't do something, we are
304 headed straight into a break up of the Union and or a second
305 revolutionary WAR. Article V is certainly preferred to open war in
306 our streets—it provides for the PEOPLE to exercise their RIGHT
307 OF REVOLUTION without the necessity of taking up arms. But
308 you had better be prepared for serious political war — because, as
309 much as I admire Jim DeMint, his statement that, “This should not
310 be a partisan, left-right, Democrat, Republican issue. This should
311 be a *who controls your life* issue—You, or the Government,” is
312 naive. Everything is a right versus left issue, everything is about
313 political power of this or that party, everything is about DEEP
314 STATE versus the PEOPLE, and one side will make certain this
315 issue will be cast as a them versus us fight to the mattresses.

316 I've got more to say on this; we will kick it around during tonight's
317 live visit — for now, let me conclude by explaining what is
318 ultimately what makes all of this a NON STARTER. Until we
319 restore ELECTION INTEGRITY, none of this matters. So long as
320 those devils can steal our elections, THERE IS ABOSLUTELY NO
321 RECOURSE LEFT — please, I beg you, hear me now — it's ballots
322 or bullets. One side knows that, and they have taken our ballots
323 daring us to turn to our bullets. Don't fall into that trap! DEMAND
324 THE MACHINES BE REMOVED FROM OUR ELECTIONS AND
325 THE LAWS ARE OBEYED. Restore election integrity, and THEN,
326 and I'll explain more later, but THEN will be the right time to
327 move on Article V — and BRING THIS GOVERNMENT BACK
328 UNDER THE PEOPLE, and hopefully, the PEOPLE will II
329 CHRONICLES 7:14 our way BACK UNDER GOD.
