4 It has been a good week for Life and LIBERTY — two great blows
5 against the Left's attack on our Constitution: Roe overturned¹ and
6 New York's grab for the Second Amendment barred² —
7 discrimination against people of faith regarding the education of
8 their children struck down by recent SCOTUS ruling that States

10 FUNDS" TO SECULAR SCHOOLS!³ Women's Rights beginning to
11 gain momentum in sports intruded by perverted men who imagine
12 themselves to be women so they can compete with women.⁴
13 [Hallelujah!]

14 Have they "released the whirlwind"? Or is America beginning to
15 recover from one of the most bizarre cases of national temporary
16 insanity in history? If only something will break on the election
17 fraud front! Oh, looky here!

18 Here is a first waking yawn from CNN on the "Big lie" LIE.⁵ For
19 trained and astute watchers, this is a wobbling of the wind vane
20 there at CNN — It suggests "they" see a wind change coming and
21 they are bracing for the COMING STORM. Their big lie about the
22 "BIG LIE" is about to collapse. 2000 mules are stampeding the

23 Demoncrat stronghold that has barred the voice of the PEOPLE in
24 our elections. Meanwhile, TX GOP declares BIDEN win FAKE!

25 Let's hope we get full recovery soon. Because right now, while the
26 CCP Navy is launching new state of the art WARSHIPS, our Navy
27 launches — a PRONOUN VIDEO:⁶ while Biden's woke-ideologue
28 military is driving young men — you know, the sort of MEN that
29 ARE MEN that defend the US? — AWAY from service in the
30 armed forces.⁷

31 So, what we can't get to today I'll elaborate on tonight and
32 tomorrow night on COMFORT AND COUNSEL FOR THE
33 PRESENT DISTRESS — around 8ish in the evening live through
34 our FB page — Lighthouse Baptist Church—Santa Maria.

35 My friends — it's a good day for liberty and a rallying cry to
36 ADVANCE against the forces of darkness — get ready for your
37 BRAIN MASSAGE® —

38 [TRUTH]

39 IT has been a great week for LIFE & LIBERTY — the implications
40 of today's ruling on Roe and yesterday's ruling on the RIGHT to
41 KEEP and BEAR ARMS is a refreshing first step of a return to
42 SANITY—the FIRST LINE in the court's ruling will be the SHOT
43 HEARD AROUND THE WORLD: "The Constitution does not
44 confer a right to abortion; Roe and Casey are overruled; and the
45 authority to regulate abortion is returned to the people and their
46 elected representatives. Pp. 8–79."

47 Biden, who disagreed with the "reasoning" of the 1973 decision
48 conferring a "right" to kill babies in the wombs of their mothers
49 and said the Court "went too far."

50 He actually said, "A woman does not have the sole right to say what
51 should happen to her body"? [IBID] Well, now, that's just weird.
52 Joe gets it wrong even when he's right! Ever the bungling Biden—
53 but the point is, he was against Roe before he was for it! A woman
54 certainly has a right of say with regard to what happens to *her* body
55 — but not the sole right to say what happens to the totally
56 individual, and unique body of the PERSON growing in her womb.
57 Actions taken with reference to her body that impact the life of the
58 baby growing in her womb—well, maybe that's what he meant!

59 Then, a decade later, Biden voted to support the *Human Life*
60 *Federalism Amendment*, which would have allowed states to
61 overturn Roe, that stressed, "the right to abortion is not secured by
62 this Constitution."⁸ The Bill never passed the Senate, and a year
63 later when it came up again, he voted against it—so, you see, he
64 grew into the Demoncrat that he is today.

65 Today, he is calling the decision of the Court a "sad day for our
66 country."⁹ Leading up to the public revealing of the Court's vote,
67 Biden said such a decision would be "ridiculous," and warned of a
68 "mini-revolution."¹⁰ In remarks today he declared that he "ordered"
69 — did he say, "Commanded"? — oh, here it is, he DIRECTED the
70 HHS Department to "take steps to make sure abortion and
71 contraception medications are available 'to the fullest extent
72 possible.'"¹¹ He is planning to protect a woman's right to travel
73 across state lines to murder her baby! And bloviated "the health
74 and life of the women of our nation are now at risk." He called for
75 the "voters" to make their voices heard —

76 But Biden knows he does not need anyone to vote this or that way
77 — he said so during his campaign — remember? — Biden told

103 give him the win then — and he knows elections are rigged again
104 — I think the lying, plagiarist, CCP puppet traitor is signaling his
105 fellow devils that the ROE decision provides motivation to fire up

109 But here is the point — Satan is making a bid for America and he is
110 pointing to the innocent blood over more than 60 million legally
111 murdered babies, and the gross perversion of homo-sexuality —
112 defying nature and nature's GOD — as his argument to "move God
113 against us" to destroy us, and turn us over to his TYRANNICAL
114 power—the same TYRANNICAL power that is holding China —
115 the oppression of the RED DRAGON — but GOD knows the
116 wicked and unreasonable rulers of this land have TAKEN THE
117 KINGDOM BY FORCE — the wicked Burger Court FORCED the
118 wicked lie upon us that women have a right to privacy that
119 includes the right to murder their babies in their wombs — and
120 while we Christians were "sleeping" — under the spell of Satan's
121 poppy-preachers. The ones that express the sweet-swelling words
122 that fill the atmosphere with the poison that if inhaled, puts
123 Christians to sleep — words like, Christian's have no business in
124 politics, and Satan is god — of the world — not the LORD GOD
125 OF HEAVEN AND EARTH, WHO CREATED ALL THINGS —
126 oh no! The world belongs to Satan!

127 Get my book, God's War, it explains all of this. Or if you have one
128 of the 5000 free copies of New Cart Church that we distributed to
129 our community, go get it, and read it — but let me ask you
130 something. The Bible refers to Chemosh as god of the Moabites.
131 Why do you know that mean the Moabites worshipped Moloch,
132 and that is DOES NOT MEAN the GOD OF HEAVEN is NOT
133 THE ONLY ONE AND TRUE GOD who CREATED HEAVEN
134 AND EARTH? The Bible says Moloch is the god of Ammon—why
135 do you know, right away, without anyone explaining it to you that
136 does not mean GOD said, leave the Ammonites alone, don't bother
137 them about Me being the ONE TRUE GOD over ALL MANKIND,
138 because, actually, I'm not — the fact is, Moloch is the god of
139 Ammon, not me? Why do you know that it is condemning the
140 Ammonites for worshipping a FALSE god? But when you read
141 Satan is god of this world, you think, oh well, the world belongs to

142 Satan, Satan is the legitimate god of the world, so let the world
143 alone—it belongs to Satan!

144 Satan is "god of this world" in almost exactly the same way Biden is
145 President of the United States — by FRAUD, by EXTORTION, by
146 USURPATION. And he is like his father the Devil — a liar, a
147 plagiarist, a thief, and a traitor! Satan betrayed his Creator, and
148 Biden betrayed the people—even the silly people who "created
149 him."

150 Anyway, I am rejoicing with you today! We began assaulting the
151 stronghold of abortion some years ago, and started seeing a
152 movement building to this moment—rejoice, my dear friends, in
153 your victory. But, you know that while this was a major victory, a
154 major battle won—it's only one of many battles yet to fight.

155 "They" — the children of disobedience — "take power by force."
156 They used the force of bullying to defeat and demoralize you, to
157 quiet your voice of opposition, and when they cannot demoralize
158 you by social bullying, they resort to acts of overt oppression,
159 attacking you physically, and you can expect them to keep their
160 word, and organize riots in the street — but you know what — I
161 wonder! I think they know two things.

162 One, they know we are ready to defend our lives from their
163 nonsense, and they know the American people have HAD IT UP
164 TO THEIR NECKS with their nonsense. I don't think another
165 "summer of love" is going to work well for them—nevertheless, be
166 prepared! All civil servants ready to honor their oath to PROTECT
167 and SERVE, be prepared.

168 Don't let yourself get caught rocking back on your heels like they
169 did at Uvalde—the people are getting really, really DONE with this
170 nonsense — America is waking up! These are the first YAWNS of a
171 NEW DAY DAWNING.

172 Hold on through the break; I'll be right back!

173 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor
174 at the Lighthouse, your brain masseur, and Paul Revere's lantern
175 lighter, lighting the lamps in the church belfry arch, signaling the
176 enemy is on the march, an enemy that would steal from us our
177 liberty.

178 Major developments give evidence that America is waking up—
179 let's hope she becomes fully alert before the CCP launches their
180 attack and our nation under GOD becomes just another of those
181 many nations before her that turned its back of God and were let
182 go into the power of HELL. The natural right to life, the natural
183 right to keep and bear arms, and restoring the recognition of the
184 natural distinctions between male and females — beginning with
185 SPORTS! You heard that FINA — the Federation International de
186 Natation — the group recognized by the International Olympic
187 Committee for administrating international competition in water
188 sports. And you know that unseemly, and pathetic males — I
189 hesitate to call them men — are calling themselves females and
190 entering into unfair competition against divinely created females,
191 taking away their dignity and honor and stealing their sport from
192 them. Well, FINA stepped up to this and ruled that trannys cannot
193 compete in women's sports. Other organizations for women's
194 sports are following their lead — It's ABOUT TIME we saw SOME
195 semblance of SANITY restored against this onslaught of utter
196 INSANITY.

197 Then, of course, the two great decisions of the COURT yesterday
198 and then today — first, the court sent a strong message against all
199 who would attempt to take away our inalienable right of self
200 protection, and then, right behind that, sent a power message
201 restoring our RIGHT TO LIFE. So, the right to life, and the right to
202 protect it!

203 Did the Court understand what they were doing, or was it a
204 coincidence of DIVINE PROVIDENCE that they buttressed the

205 TWO fundamental INALIENABLE RIGHTS of mankind — in the
206 order, first, the right to KEEP AND BEAR ARMS, specifically
207 under the argument of the RIGHT OF SELF PROTECTION, and
208 then they ruled on overturning Roe in the face of death threats,
209 riots, mayhem—in the face of Schumer's pathetic arm flinging
210 ranting about Kavanaugh and Gorsuch releasing the
211 WHIRLWIND?

212 Think about it! This court was harassed, cajoled, threatened—even
213 sending in a shooter to take out Kavanaugh and his family, angrily
214 gathering at the homes of Kavanaugh, and Barrett — shaking fists
215 and ranting threats — oh my, HOW THE HEATHEN DO RAGE
216 — how they chaff under the restraints of CHRIST'S BANDS AND
217 CORDS — read Psalm 2.

218 Did they make sure we all understood our right to protect
219 ourselves IN OUR HOMES and OUT of DOORS TOO — before
220 they released Schumer's whirlwind Pelosi's rage, and the violence
221 of the rest of the lawless thieves in power today?

222 You've heard Pelosi — using language that would have landed you
223 or me in jail — threatening — this will not stand. Here is what she
224 said: "Today, the Republican-controlled Supreme Court has
225 achieved the GOP's dark and extreme goal of ripping away
226 women's right to make their own reproductive health decisions."¹³

227 See the devils in these people screeching and tearing at their soul in
228 anger — hear the serpent's tongue flailing about — see the
229 weakening of Satan's grip as his agents loose theirs — no one has
230 any desire to interfere with a woman's "reproductive health
231 decisions," but if that decision results in the murder of another
232 person, that's where the line get drawn.

233 But you do understand that the Court did not rule on the question
234 of whether or not abortion should be legal. All the COURT did is

¹³ <https://www.speaker.gov/newsroom/62422-1>

235 recognize that the Constitution does not guarantee the right of a
236 woman to murder her baby in the womb—

237 I understand why they did not go the next step and acknowledge
238 that as a matter of fact, THE BABY IN THE WOMB DOES HAVE
239 A CONSTITUTIONAL RIGHT TO LIFE — but at some point that
240 is going to have to be reckoned with. Presently, it must be hashed
241 out state by state.

242 But for all the talk about a Constitutional right to murder an
243 unborn baby, we've hardly been able to engage the conversation
244 about the right to life of that unborn baby.

245 The mental contortions the Burger court performed, the twisting
246 of logic, the stretching of amendments to the point of utter
247 distortion, in order to cram into our laws a so-called right to
248 murder the unborn baby is a study in how malleable is the mind of
249 all who say in their heart there is no God—something, by the way,
250 that is denied by hearts in many ways, including by dismissing any
251 acknowledgment of GOD in the course of our ways in life, or in the
252 LAWS that govern our ways—this is a DENIAL of GOD in the
253 heart that has a corrosive effect upon the soul, and corruption that
254 makes such people NO GOOD — read Psalm 14:1; 53:1 — come to
255 by Bible class Sunday, I'll sing, "The Fool Hath Said In His Heart,"
256 let's see if Facebook decides to mute another of my original
257 songs—yeah, they muted the music I WROTE for Psalm 139:23-24
258 claiming it violates some copyright—I own that music to that
259 Psalm—anyway!

260 For not only do I agree with Alito, and his reasoning on this case is
261 flawless — not only do I agree with Alito, and the five other justices
262 that joined him in this 6-3 decision (how long has it been since
263 we've seen that sort of spread in any SCOTUS decision?) but I'll
264 encourage the court to consider whether in fact there is not a
265 CONSTITUTIONAL RIGHT TO LIFE —

266 I understand that in the matter of abortion there has been a
267 growing body of science that has allowed us to get a very clear
268 picture of what God is doing in the wombs of these mothers from
269 conception—the whole discovery and growing understanding of
270 DNA — the scientific FACTS of gestation that in every way
271 support the TRUTH the BIBLE everywhere asserts — the human
272 baby is a human being from the moment of CONCEPTION
273 (Psalm 139), where we are given insight into the spiritual activity
274 going on in the womb, read Jeremiah 1, where GOD is ACTIVELY
275 shaping that child, determining the hisness or herness of that baby,
276 even calling the child to his or her purpose in the LIFE He has
277 ordained for the child — so that the baby in the womb of Elizabeth
278 recognized the baby in the womb of Mary and, in its own way, said
279 hallelujah in the presence of the LAMB GOD sent to take away the
280 sin of the world. Oh my, there is a great deal of spiritual goings on
281 from the moment of conception — and the idea that anyone would
282 imagine they have some sort of RIGHT to invade that sanctuary
283 and with bloody violence attack that child and murder it while it is
284 being shaped in the hands of its CREATOR is abominable—a
285 cursed practice for which all participants will be judged in THE
286 DAY!

287 But all of this says more than only this, that there is no right to
288 murder the baby in the womb, it says also that there is a moral
289 obligation, a RESPONSIBILITY to protect the life in the womb
290 from such monstrous action, whether it is to serve the racist
291 agenda of Margaret Sanger, the patron saint of Hillary, or the
292 population control agenda of Gates — who seem to have so great
293 an appetite for killing human life they are impatient to wait for old
294 age, natural decline and death to overtake them, but want to
295 sterilize our children — you have heard the latest conspiracy
296 theory battles going down between reporters at Epoch Times and
297 the oh so trustworthy fact-checkers, like Snopes (Not!) — will it be
298 yet another of the many "theories" we've seen turn into facts? We've

299 all heard Gate's proclaimed population goals, and seen pictures of
300 the Guide Stones in GA calling for a planet population of 500k—
301 uh, well, we are only about 6 billion 500k away from that goal!

302 Responsibility to protect life begins in the womb, and continues to
303 the tomb.

304 Does the Constitution provide a right to take the life of the unborn
305 baby? No! Never did, by the way. Even the Roe decision did not
306 specify a RIGHT TO ABORTION — only a right to privacy
307 between the doctor and patient so that a doctor performing the act
308 of murder on behalf of a consenting mother could not be
309 prosecuted for murder — Truth has sharp teeth! But can it be
310 argued that in fact the Constitution DOES PROVIDE A RIGHT
311 TO LIFE?

312 It would be a straightforward argument. Unlike the effort of the
313 Burger court to come up with a way to grant abortion rights—an
314 argument for a Constitutional RIGHT TO LIFE would be relatively
315 easy to argue.

316 The same people who crafted the DECLARATION of
317 INDEPENDENCE also crafted the Constitution. These are related
318 documents. The first, the Declaration, is the foundation and
319 fountain of the second, the Constitution. They are intertwined in
320 such a way that the second grows naturally out of the first, and the
321 first provides the CONTEXT WITHIN WHICH THE SECOND IS
322 TO BE UNDERSTOOD.

323 The Context in which the Constitution was written is this — ALL
324 MEN ARE CREATED EQUAL AND ENDOWED BY THEIR
325 CREATOR WITH CERTAIN INALIENABLE RIGHTS. And the
326 body that signed on to that Declaration, and formalized it into a
327 LEGAL DOCUMENT essentially declaring the formation of our
328 INDEPENDENCE from England in the forming of this ONE
329 NATION UNDER GOD, INDIVISIBLE, with LIBERTY and

330 JUSTICE FOR ALL — declared that included in these
331 INALIENABLE RIGHTS reserved to all men as an inalienable right
332 endowed to them by their CREATOR are these — THE RIGHT
333 TO LIFE, LIBERTY, AND THE PURSUIT OF HAPPINESS.

334 The RIGHT TO LIFE stands the foundational right to all others —
335 LIFE GIVEN BY GOD may be taken by no man, except in the case
336 that some man, like a doctor invading the womb of a woman with
337 child intent to slice that child to death — a heinous and vicious
338 murder of a helpless baby which we now know recoils from the
339 sharp stabs and slashes of the instrument of its death attempting to
340 preserve its own helpless life — instinctively defending its RIGHT
341 TO LIFE against the violent attack of these butchers. A RIGHT TO
342 LIFE is very easy to establish, and to argue from both reason and
343 LAW — Next, our courts must recognize the RIGHT TO LIFE
344 extends to human life from conception in the womb to internment
345 in a tomb.
