4 Good news: the US Economy is the strongest — IN HISTORY!
5 Yeah! How do I know? Well, I just paid 130 to fill my tank, and
6 when I rolled into my old car wash place the Gold Wash I used to
7 get for about 22 now is over 50 — I'm getting priced out of my
8 groceries, and forget about a vacation—but, Biden's press secretary
9 told me it's the strongest economy in the HISTORY of AMERICA,
10 so, there you go! Just thought you would want to know.

11 With that good news — let's get started! It's time for your brain
12 massage®!

13 [TRUTH]

14 THE GEORGIA GUIDESTONES HAVE BEEN BOMBED -
15 DEMOLISHED: Ever hear of the Georgia Guidestones? I did a full
16 reveal on these some time back—here is a link to the New Georgia
17 Encyclopedia that explains it.¹ To appreciate the significance of the
18 bombing and subsequent demolition of these four granite slabs
19 weighing in at over 42k pounds each, and standing 16 feet high—
20 you'll need to know a little bit about them.

21 First, they mysteriously appeared — I don't mean magically, but
22 the man who placed these on that auspicious plot of land in Elbert
23 County, GA did not reveal his true identity—some suspect it was a
24 grandfather, or the father of Bill Gates—but!!!

25 I said auspicious plot—because the place chosen by the mystery
26 man with a plan is very close to what the Cherokee called "Al-yeh-li

¹ <https://www.georgiaencyclopedia.org/articles/history-archaeology/georgia-guidestones/>

27 A lo-Hee." It means THE CENTER OF THE WORLD. So, that
28 exact spot was taken, but the mystery man with a plan was able to
29 secure this bit of earth near the center of the world—!

30 Adding to the mystery is their enormity — four granite slabs each
31 over 42k pounds, standing 16 feet tall and arranged in an eerie
32 Stonehenge-esque presentation, so that from the sky above looking
33 down they form an X — to mark the spot?

34 AND they are placed to face the moon's migration during the
35 course of the year. At ~ eye-level there is a hole drilled in the
36 Gnomon stone — that's the part of a sundial that casts the shadow
37 on the dial to indicate the passage of time — for the Guidestones,
38 it's the central pillar to which all the slabs are oriented — so there is
39 a hole drilled through that pillar in an angle guiding the eye
40 upward toward the celestial heavens aimed at Polaris — the North
41 Star. A large slot with a hole orientates the monument with
42 summer and winter solstices — and this allows the guidestones to
43 serve as a sort of sundial. A hole drilled through the capstone
44 allows the sun's light to illuminate the southern face of the Gnomon
45 stone at noon.

46 Beyond the mystery surrounding the origin, enormity, and
47 placement of the stones are the ten principles inscribed upon the
48 slabs — Defiant to the God they mock!

49 I said defiant because it's really what is inscribed on the stones that
50 add intrigue to the mystery!

51 First, the Heading, presented in Babylonian cuneiform, Egyptian
52 hieroglyphics, Sanskrit, and classical Greek — a token of
53 acknowledgment of all major ancient civilizations — hmmm! No
54 ancient Hebrew! Translated into English—"LET THESE BE
55 GUIDESTONES TO AN AGE OF REASON."

56 And then, sandblasted into the slabs of granite, in eight major
57 languages, namely, Arabic, Chinese, English, Hebrew, Russian,

58 Spanish, and Swahili are the ten guiding principles for the
59 FUTURE OF MANKIND.

60 To ensure the future survival of humanity on the planet, the
61 Guidestones offer a pagan counter to the TEN
62 COMMANDMENTS — ten principles for the survival of
63 humanity.

64 1. Maintain humanity under 500 million in perpetual balance with
65 nature. (So right a way, we have a problem. There are more than 7
66 BN people clamoring about the planet at present, so for the sake of
67 something this mysterious man with a plan said was on the
68 magnitude of the survival of humanity, we will need to REDUCE
69 the world's population by 6 BILLION, 500 million people. Bill
70 Gates' own cute quips about the need for dramatic population
71 reduction and his giddily, or gleefully expressed expectation that
72 his vaccines can facilitate this human need might be evidence that a
73 progenitor of the cells that comprise his brain descended from this
74 mystery man with a plan—or it tells us why some think so!

75 But anyway, Karl and Bill, and George — they are the
76 triumvirate Generals of the Illuminati's army, and they are
77 consumed by the same concern for the saving of humanity and are
78 in sympathy with the sentiment of the Guidestone principles —

79 According to Karl Schwab, and those illuminated by the light
80 of darkness (a paradox: something you'll need to ponder in light of
81 Jesus' remark that "if the light that is in you is darkness, then how
82 great is that darkness — Matthew 6:23 — indeed, the greatest
83 darkness are the lies that pose as light). It's a condition unique to
84 evil people, and one that causes them to see man's evil as good, and
85 God's good as evil. An affliction common to worshippers of
86 mammon — notice Jesus followed His paradoxical statement
87 regarding a light that can be the greatest darkness with a warning:
88 "No man can serve two masters: ... ye cannot serve GOD and
89 mammon." Mammon, as you know is money! What you worship

90 owns you. It's not the money you own that is the problem, rather
91 it's the money that owns you!

92 According to Karl Schwab, the goals of his World Economic
93 Forum — expressed as "PREDICTIONS — are these:

94 YOU WILL OWN NOTHING AND BE HAPPY. So they will
95 confiscate the wealth of all mankind — "they" will have it — you
96 won't have to be troubled with it — like the impressive monkeys in
97 zoo cages they will be your faithful keepers, depending on the
98 cruelty or compassion of your masters, of course — you'll be
99 happy, but if you are not, they will relieve you of your unhappy
100 state and remove you to their camps — drug you into stupefaction,
101 and add you to the HERDS used for organ supply —

102 YOU WON'T DIE WAITING FOR AN ORGAN DONOR.

103 A BILLION PEOPLE WILL BE DIPLACED BY CLIMATE
104 CHANGE.

105 Hmmmm! Let's see now. 500 million on the planet living in
106 the GATES, SCHWAB, SOROS cages and so long as you are useful,
107 you will be CARED FOR — and like they do in CHINA today,
108 under the current regime of the CCP — so you don't have to die
109 waiting for an organ donor, they round up the Uighurs — and
110 keep them in cages so they can harvest an ample supply of organs
111 as needed—it works really well! Ask the CCP — it's great!

112 Of course, the Uighurs are "not happy," and that's a problem, but
113 when Karl promised you would own nothing and be happy, you
114 have to understand, he means if you are not happy, you'll become
115 an organ donor to service the needs of those who own nothing and
116 are happy. So!

117 Hey, I'm just trying to figure out how they are going to
118 provide a ready stock of organ donors—the WEF predicts you
119 won't die waiting for an ORGAN DONOR — not you won't die
120 waiting for an ORGAN — as something they fabricate in a lab, or

121 something, it's the DONOR you won't have to wait for — well,
122 Jerry, they don't mean that — these people are — come on — they
123 are never going to do something like that —

124 Oh really? If you ever wondered how the people of Germany went
125 on about their lives while their Jewish neighbors had their wealth
126 confiscated and then disappeared, and how they ignored the
127 rumors about train rides to Auschwitz, and Dachau, Gross-Rosen,
128 Herzongerbusch, Hinzert, and Kaiserwald, Krakow, and Warsaw,
129 and 25 MORE.² And even more because these are ones named after
130 cities some of which had several camps operating—.

131 There is no way the German people did not know what was going
132 on — just like there is no way most Americans don't know that
133 Biden and the Dems usurped the Presidency — and the
134 Establishment Republicans, like Kemp, AND ANY OTHERS
135 THAT PRETEND TO BE CONSERVATIVE BUT IGNORE THE
136 EVIDENCE PROVING ELECTION FRAUD — and a stolen
137 election — No way! It happens when the "light" in them is
138 "darkness" and that's a darkness so powerful they can't see the angel
139 of darkness when he is transformed into an angel of light—all who
140 worship mammon have this affliction—they just can't see it! The
141 Nazi's are taking away our liberties, confiscating our wealth by
142 destroying our economy, reducing our freedom of movement to
143 keep us caged in —

144 So — there you have it! What happened to the Germans under
145 Hitler is happening to Americans today under the modern NAZI
146 regime — headed by the likes of office usurper Newsome — and all
147 who align around him and bar any meaningful investigation into
148 the Dominion stealing machines used in this state. The policies
149 that serve to pack the mules with illegal votes to be delivered at a
150 going rate of \$5 to \$20 bucks —

151 What I'm doing here, as I use words like fingers to massage the
152 muscle of your brain, as best I can with the time allotted, to loosen
153 the knots and release the free flow of insight to stimulate your
154 thinking so I can help you begin to see how all of this is
155 interrelated. The goals of the WEF and the 10 principles inscribed
156 on the Guidestones by the mystery man with a plan — and then
157 bring it all home with this —

158 Guess what? Someone bombed the thing! We don't have any
159 suspects, yet! Neighbors heard an explosion, and Elbert County
160 Sherriff's office responded to discover "a large portion of the
161 monument was obliterated." Obliterated?

162 Only one of the four stone panels had been destroyed — the
163 monument stood for 42 years — almost as long as the supreme
164 court's defense of baby murder was in place — so only one of the
165 four slabs was destroyed by the Guidestone bomber—

166 What did the county decide to do? Demolish the entire thing! They
167 did not elect to refurbish, or rebuild it — they just finished the job
168 the Guidestone bomber started and took it DOWN!

169 Clearly, this monument was not PUT in place by the community, it
170 was not an official monument commissioned by the good people of
171 Elbert County 42 years ago. One day the folks noticed some
172 construction going on, and after a day or so, there it was!

173 Some attempted to turn it into some sort of attraction, but it never
174 really took off — it's another of those things where some lunatic
175 lefty wing nut comes up with a "plan" and just pushes it on
176 everyone else—the fellow putting this in place would not even own
177 it, or openly declare himself — and that's the way it is with this
178 crowd.

179 Marjorie Taylor Greene had campaigned on tearing down the
180 unsightly, God defying monument to hellish arrogance and hatred
181 for mankind — I have not heard, but it would not surprise me if

182 someone will soon blame her or some of her followers for it's
183 demolition. It will be an interesting thing to watch — but let me tell
184 you what I see here.

185 These Guidestones represent an era of American culture—an era
186 where insane people planning our lives and implementing their
187 agenda against our will, and doing it all "for our own good," of
188 course, is about to come crashing down, like those stones. Like so
189 many antichrist ideologies of the past, the Guidestones will be piled
190 onto the heap of crumbled God hating philosophies that have
191 found themselves on the "ash heap of history."

192 Like the Berlin Wall — I have a piece of that wall, and a strand of
193 the barbed wire that topped it, presented on a very nice plaque
194 given to me by a friend some years ago — every time I look at it, I
195 think of the relationship between earnest fervent PRAYER to
196 ALMIGHTY GOD and the bringing down of these MONUMENTS
197 to TYRANNY.

198 If you will receive it — the fall of these Guidestones portends the
199 end of an era — the haters of humanity and their plans to enslave
200 mankind will come crashing down like that tower of Nimrod so
201 many centuries before. I've gone a bit long, here, my friends; hold
202 on through the break! I'll be right back!

203 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor
204 at the Lighthouse, your brain masseur, and Paul Revere's lantern
205 lighter, lighting the lamps in the church belfry arch, signaling the
206 enemy is on the march, an enemy that would steal from us our
207 liberty.

208 Biden is strategically selling off our strategic oil reserves.³ The
209 strategy is personal profit — yeah, one of the companies is Chinese
210 owned, and an affiliate of his son, the Hunter Biden. So Biden is
211 now conducting his treasonous activity in the open—

212 Think about it! CCP has been rattling the saber's of war against
 213 America for some time, but lately, that rattler is louder than ever.^{4 5}
 214 ⁶ CCP military declares war with the US is inevitable.⁷ CCP
 215 Military General reveals China is ready to sacrifice 1/2 of the
 216 population of China in a war with the US.⁸ And you really need to
 217 look at this documentation: "Leaked audio of China's war generals
 218 detail plans to invade America by November: translated."^{9 10}

219 Some are saying China's arms race with the US will end like ours
 220 ended with Russia — China will collapse.¹¹ And some reports are
 221 leaking out of China that CCP's military has informed Xi Jinping
 222 they will not fight—refusing to be responsible for the "wolf war."¹²
 223 ¹³ And some are speculating that the CCP will dump Xi Jinping this
 224 autumn!¹⁴

225 I've explained this before — no government is monolithic! There
 226 are always factions vying for power within an organization of
 227 wicked and unreasonable men and women. Sometimes the
 228 factions, or the divide, is between the wicked and unreasonable
 229 over against the righteous and reasonable. China has its own
 230 movements within the Party where some, Christians or Christian
 231 sympathizers, or pro-West sympathizers, are cautiously attempting
 232 to steer the CCP back from the brink of war, while others are
 233 attempting to reform the party and release the Chinese people
 234 from the iron grip of totalitarian communism.

235 Remember, Communism was IMPOSED on the Chinese people.
236 Let's pray they will have an opportunity to assert their NATURAL
237 AND GOD ENDOWED RIGHTS against the oppression of the
238 CCP.

239 Within our own government, there are a variety of factions with
240 interests that sometimes compete against one another, and some
241 times align toward a common objective. And, it's almost identical
242 to China—we have a strong, presently apparently in control faction
243 of pro-CCP ideologues, who want a CCP style government here,
244 and are advancing CCP interests here — like Biden, and his son,
245 Hunter. Hunter works for a CCP energy company; the one Biden is
246 sending millions of barrels of oil out of our strategic oil reserves.
247 Now, watch how complex this can get.

248 So Biden is a traitor and he is shipping our strategic oil reserve to
249 China.

250 Meanwhile, he is taking every step he can to thwart oil production
251 here—closing off drilling on Federal land, withdrawing leases, and
252 now talking about shutting down off shore drilling. This is not only
253 driving up domestic prices, but now he is selling off our national
254 reserve — releasing it not for domestic use to ease gas prices — no,
255 the man is sending it to France, Germany and CHINA! And the
256 beneficiary in China is a company connected with Hunter Biden's
257 pocket book.

258 You realize that the national reserve is specifically an emergency
259 supply of oil to service our war machine in the event of war? Why
260 would any president stop oil production, and then sell off our
261 reserves—and sell much of that reserve to OUR ENEMIES while
262 the CCP is breathing out slaughter and threats against the US?

263 Only one reason! Biden is preparing for WAR — and he is aiding
264 and abetting our ENEMIES — he is committing treason. But no
265 one wants to SEE what's going on!

266 These are dangerous times. So, are the Chinese patriots, who are as
267 sick and tired of the oppression of dictator Xi as we are of the
268 oppression and shame and reproach of dictator Biden et al.
269 planning to use all this to finally bring Xi down and expose Biden
270 as the fraud that he is? Are American patriots cautiously waiting in
271 the background, while planning and preparing secretly to take
272 advantage of any move CCP might make in November to take
273 down the Biden administration and reinstall the legitimate
274 President to his office? And, at the same time, bring the CCP to
275 dissolution and free the Chinese people from the oppressors that
276 keep them in virtual slavery?

277 What do you think? I know we have Christian conservative patriots
278 at work behind the scenes here and that there are Christian
279 Chinese patriots working behind the scenes in China — and I also
280 know that GOD RULES in the kingdoms of men, and gives "the
281 kingdom" to whomever He pleases.

282 Let that nation that pleases God best rise victorious in this great
283 conflict — please listen carefully here as I conclude.

284 God has always had a "people" on earth called by HIS NAME. This
285 was formalized in Israel, which He described as His cultivated
286 OLIVE TREE bringing forth the fruit — the olive oil, that burns in
287 the LAMPS OF GOD, feeding God's FLAME - the HOLY GHOST
288 from the OIL of that tree — these were God's PEOPLE, and the
289 NATION called after His Name — but they lost that status because
290 every nation that forgets GOD is turned into Hell.

291 Jesus offered to restore the kingdom to Israel during His first
292 coming, but they refused, so He withdrew the offer and declared it
293 would be given to "A NATION" bringing forth its fruit (Matthew
294 21:43). The fruit is righteousness and judgment arising from
295 GOD's lovingkindness and mercy—that's the OLIVE OIL that
296 FUELS the GLORY OF GOD manifest in the FIRE of HIS SPIRIT.
297 This is the fruit that arises from hearts that have obeyed the

298 GOSPEL, which commands all men everywhere to REPENT and
299 BELIEVE on Christ as LORD. And today, these are Jew and
300 Gentile — for all have obtained mercy — and all who repent and
301 believe are grafted into that TREE — yes, even the believing
302 branches from the wild olive are grafted into His OLIVE TREE —
303 and so we are called THE PEOPLE of GOD, His HOLY NATION!

304 Like Israel, called by God a "kingdom of priests, and an holy
305 nation" (Exodus 19:6) — so today, WE ARE A KINGDOM OF
306 KINGS AND PRIESTS UNTO GOD (Rev. 1:5-6), and a HOLY
307 NATION — "a chosen generation, a royal priesthood, AN HOLY
308 NATION ..." (I Peter 2:9).

309 The kingdom is ours if we will assert the place God has given us!
310 Our warfare is not like theirs — like Jehoshaphat, king of Judah,
311 God's nation, when he was surrounded by an enemy far exceeding
312 his physical strength, he knew what to do — he called the
313 congregation to prayer and fasting and sought the LORD. Then he
314 went forward in PRAISE prepared to defend if necessary, but
315 TRUSTED GOD WOULD FIGHT THE BATTLE FOR HIM as HE
316 PROMISED.

317 So, come on out to the Lighthouse, that we might join together to
318 fight against the devils controlling the White House today. We'll be
319 starting 40 days of fasting this coming Monday. I hope you will
320 join us by picking any meal, or meals during which you can set
321 yourself apart to prayer—learn more about it this Sunday —
