Mandates—An introduction: From Science to Superstition.

1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain
3 masseur—get ready for your brain massage.
4 Lighthouse Baptist Church is in 40 days of prayer and fasting as a
5 first assault on the strongholds Satan has established holding
6 America under his power—stealing from us the right of consent so
7 we have no voice in the election of our leaders, they are selected for
8 us by our enemies—murdering the innocent, promoting the life,
9 family and soul destroying LGBTQ agenda, barring judgment
10 against evil doers and turning the sword of civil justice contrary to
11 it's ordained purpose, using to protect the guilty and persecute the
12 righteous, and holding entire countries in darkness by unlawfully
13 restricting gospel ministry and achieving this mostly by keeping
14 Christians asleep in a deceit induced stupor. This is phase one —
15 bind the strongman, bring down his strongholds. Phase two to
16 follow. So! Feeling a prophet's boil today, my friends!
17 It's time for your Brain Massage®!
18 [TRUTH]
19 I have an important announcement to make.
20 Jesus Christ is KING, and all mankind His subjects. And as He
21 predicted, His citizens hate Him and, in a rage, cry against Him
22 saying "we will not have this man to reign over us," while a little
23 over 2/3rds of His servants (7 of 10) betray Him and join the
24 heathen in full tantrum to aid and abet the overthrow of
25 Christianity in the earth, and then 1/3rd of the three remaining
26 servants (1 of 3) are worthless — two were God fearing capitalists

27 and one was a bitter, complaining, communist. No kidding! Read
28 Luke 19:12-27 with hearing ears.

29 But Christ also declared the coming day of His return, when the
30 faithful servants will be rewarded with rule over the cities of this
31 earth, while the unfaithful will be made servant to the faithful, and
32 then He will say, "But those mine enemies, which would not that I
33 should reign over them, bring hither, AND SLAY THEM BEFORE
34 ME." And so the meek, not the weak, shall indeed inherit the earth.
35 The Moses meek—who cast down the stone tablets broken by the
36 wickedness of God's own people, beat their golden calves to
37 powder, mixed it in their water and commanded they drink their
38 own shame; the JESUS meek, who took a whip and drove out the
39 moneychangers, turned over their tables and bid them depart; not
40 the Judas meek whose wicked simpering affected self-righteous
41 indignation against the effusions of worship from Mary and
42 Christ's acceptance of her lavish gift, whose hidden motive was love
43 of money, and coveting power, betrayed Christ Jesus to the
44 "authorities" and marked Him for capture by a meek little kiss —
45 not the meekness of those who pretend pacifism while practicing
46 murder, who say, "peace, peace," with a dagger in their left hand
47 intended for the fifth rib of their opponent. Not that meek! They
48 will be turned into Hell. But the truly meek, under GOD, whose
49 spirit is subdued to His, and mind subordinated to His, and heart
50 affection is set on those things above—that's the meek who will
51 inherit. All else will be gathered before Him on that day, and
52 slaughtered in His sight! For Christ WILL REIGN! What's that I
53 hear! Thunder? No! The roar of a great lion? Oh, it's Jehovah's
54 laughter—the rolling thunderous roar reverberating across the
55 Heavens as HE THAT SITTETH IN THE HEAVENS LAUGHS IN
56 DELIGHT OF HIS RIGHTEOUS SON AND THE
57 VINDICATION OF HIS RULE IN EARTH AND IN HEAVEN.

58 It's time for your brain massage® — and, no, this is not an error, it's
59 my show plan for today:

60 [TRUTH]

61 A caveat: not all Democrats are demented, not all Republicans are
62 rascals, not all Libertarians are lawless, and not all Independents
63 are Isolationist. Having that clarification ...

64 To facilitate our conversation today I will stipulate that virtually all
65 OFFICE HOLDING Democrats with their left leaning and
66 communist counterparts scattered here and there in the Fascist-
67 Tech and Green-Socialist left parties, who today find common
68 ground with the many Republicrats joined by their War-
69 Mongering Warlords among at least some who call themselves
70 Independents, and those arrogant Libertarians that imagine
71 LIBERTY is license and LAW is amoral, join in one voice to say,
72 WE WILL NOT HAVE CHRIST TO REIGN OVER US — we will
73 not receive HIS COMMANDMENTS, we will not be governed by
74 HIS RULE, we will not be ONE NATION UNDER GOD, but
75 rather a borderless wasteland under Nimrodian, self-proclaimed
76 gods who will DENY NATURE ITSELF in their raging DEFIANCE
77 against NATURE'S GOD. Indeed, the ragers are gone insane!

78 I'm past weeping for you! And I fear except we repent, I will be past
79 praying for you! Don't drop your jaw in even mock horror—hear!

80 In the day Israel rejected the RULE OF GOD for the rule of men,
81 he warned the people their "king" would take, and take, and take,
82 and take—I Sam. 8, he will take your sons to make his instruments
83 of war, and then send them to fight his wars—not God's—and he
84 will take your sons to labor in his fields for his personal profit, and
85 he will take your daughters to feed his appetites, and he will TAKE
86 the BEST of YOUR FIELDS, and your VINEYARDS, and
87 OLIVEYARDS to reward his wicked officers and wicked servants,
88 and he will take away the fruits of your labor to feed himself and to

89 expand his kingdom, and the day will come when you will cry out
90 because of the oppression of your rulers that you have chosen and
91 — THE LORD WILL NOT HEAR YOU IN THAT DAY! And yet,
92 after all, Samuel promised, "GOD forbid that I should sin against
93 GOD in ceasing to pray for you" —

94 But 457 years later, because the PEOPLE had for so long "set up"
95 rulers "but not by Me," saith the LORD (Hosea 8:4), He finally said
96 to His prophet Jeremiah, three times—"pray not ... for this people,
97 neither lift up cry nor prayer for them, neither make intercession to
98 me: FOR I WILL NOT HEAR THEE" (Jeremiah 7:16; 11:14; and
99 14:11). He told Jeremiah, do not pray to Me for their good!

100 But God has not bid me cease to pray! Not yet!

101 I am interceding that GOD will give HIS PEOPLE today what He
102 gave to His people then—we are only 246 years in as a nation
103 under GOD, grant, O Lord, a reprieve and extend our peace
104 another 211 years, at least. Revive us again, that your people may
105 rejoice in YOU! Your remnant, though small, and with but a little
106 strength, with humbled hearts are praying, seeking your face,
107 turning from our wickedness, begging your forgiveness confessing
108 our grievous sin of turning our land over to the power of
109 unreasonable and wicked men, and evil women, casting truth to
110 the street, and shaming your name with refusal to turn from
111 iniquity; see us now, hungering and thirsting for your
112 righteousness, for TRUTH to be taken up from the street and reset
113 upon the PILLAR you placed for it in the earth, the HOUSE OF
114 GOD, the CHURCH, the PILLAR AND GROUND OF TRUTH.
115 Hear our heart's call for judgment and righteousness to return and
116 bring these wicked traitors, thieves, murderers and tyrants all to
117 kneel at the foot of JUSTICE by your JUDGMENT, and heal our
118 land—deliver us from these wicked and unreasonable children of
119 disobedience, break the power of darkness that protects the wicked
120 from the judgment due, RETURN justice to America!

121 For the House moves to defy nature and nature's GOD! Passes Bills
122 codifying abortion and same-sex marriage: both contrary to nature,
123 defiant against the CREATOR, treason against CHRIST JESUS and
124 His KINGDOM, His RULE over HEAVEN ignored and HIS RULE
125 OVER EARTH denied—.

126 You can do nothing against GOD that does not contribute to the
127 destruction of mankind.

128 See the godless party, the party of Antichrist, made up of mostly
129 office holding Democrats and about half the office holding
130 Republicrats, as they advance policies that push forward the agenda
131 of Satan—who is a thief that comes only to steal, kill, and destroy.
132 That's why the governing policies of these antichrist rulers,
133 inclusive of all who deny the name of JESUS with blasphemy, and
134 those that deny the name with infamy—who say Lord, Lord and do
135 not the things He says, who name the name with their mouths
136 while their heart is with His enemy, who take the name of Christ
137 when it suits their political ambitions, but continue in their
138 iniquity, who, Judas like, affect a "Christian" outward appearance
139 and with traitorous heart kiss the son, not with humble and
140 genuine affection but with treachery in their hearts—These push
141 policies that ALWAYS result in yet more theft of our liberties and
142 property, the murder of men, women, and children and ultimately
143 the destruction of mankind all to bring in the new-world-order
144 under the power of Apollyon — the destroyer! One world under
145 Satan, with tyranny and oppression over all!

146 Repent! Start there! Repent of all your ungodly deeds which you
147 have ungodly committed, and all your hard speeches which
148 ungodly Marxists have spoken against CHRIST JESUS the LORD
149 and kiss the son with genuine, that is, honest humility, and appeal
150 to His lovingkindness, lest He be angered, AND YOU PERISH
151 WHEN HIS WRATH IS KINDLED but a little.

152 Whew! The boil has run over and my heart is settled back to that
153 constant simmering, the troubled spirit sighing and crying for the
154 sins of the people, but quieted somewhat by a hope whispered to
155 my heart by the soft spoken DOVE of HEAVEN — GOD WILL
156 INTERVENE, will belay the order of wrath and extend mercy once
157 more. I have hope! And Lord willing, I will give reasons for that
158 hope this Sunday—beginning at 10:45 AM and continuing at 5 pm.

159 I express a sincere appeal for patience from all whose sensitivities
160 are disturbed by appeals to purchase my book God's War! And I
161 especially petition your patience with my outrageous expectation
162 that you pay for it. I know such things disturb Christian
163 communists, and I do not desire to drive you away from this
164 ministry, for you need it more than most. Okay, kidding aside: buy
165 God's War. It explains so many things and clarifies for you what is
166 going on right now in America and in the world, and helps you
167 make sense of it all from a biblical perspective. You can get it from
168 our church bookstore online for 24.95 plus shipping, but for all
169 walk ins you can get it for \$20—I keep my office in my home, so to
170 pick it up from the church bookstore you'll need to call and let us
171 know when you'll be by, and you save not only the \$5 off the cost,
172 but also the shipping costs. The best way is to come to one of our
173 public services and let's meet, and I'll be glad to sign it for you.
174 Come this Sunday and pick up a copy of GOD's WAR.

175 If you prefer to read your books in digital format, go to, I think any
176 online bookstore, I know all the main ones carry it, and search
177 GOD's WAR with my name, Scheidbach, and most of these outlets
178 sell it for \$9.99. Now, let's get back to your Brain Massage®.

179 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor
180 at the Lighthouse, your brain masseur, and Paul Revere's lantern
181 lighter, lighting the lamps in the church belfry arch, signaling the
182 enemy is on the march, an enemy that would steal from us our
183 liberty.

184 Biden admin. announces that the fully vaxed PINO has COVID.
185 I've wrestled that serpent and can tell you its bite, for guys our age,
186 well, der Biden is almost ten years my senior, but its nasty venom
187 can take even a strong man down. Let's pray he recovers quickly
188 and fully. We want him removed, but by judgment of the sword of
189 civil justice—applied through the judgment of an honest court.

190 Horowitz has published an article on the down side of mask use.¹
191 As most of you know, almost from the beginning of this mask
192 mandate nonsense, I have been speaking about this issue, and I'm
193 wrapping up an extensive deep dive research study on the issue.
194 The Brain Masseur has examined 587 scientific studies, and that's
195 adjusted for the 33 supplements to 33 of those studies, about a
196 third of which I examined for needed content or clarification. It
197 also adjusts for the 30 duplicates I discovered in my archive. In
198 addition, I included 29 technical articles, dealing with things like,
199 let's see, here is one example, what are nonlinear differential
200 equations? Or "What is laminar flow?" — yeah, I said *deep dive*,
201 and I was not kidding. I have well over 1500 pages of notes — I
202 have a first draft of the publication done and the final should be
203 ready in a few weeks, Lord willing! I read Horowitz article and it's
204 spot on!

205 The fact is, my friends, there is a movement in the scientific
206 community FROM SCIENCE to SUPERSTITION. I hit on an
207 article funded by US-CDC literally calling for "scientists" to leave
208 the gold standard of scientific research, the Randomized
209 Controlled Trial, in favor of what has in the past been called
210 observational science, and dismissed as fraught with multiple
211 confounders, things that compromise the research results, and
212 inadequate to support more than conjecture leading to further
213 study. They are inexpensive, and much easier to construct and
214 perform, but they are not good for anything except to recommend

¹ SE005.10.00.00.Horowitz_ New study finds masks become disgusting bacteria traps as mandates continue - Conservative Review.pdf

215 this or that question for further study—and that's IT! Now they
216 want to call these *NATURAL EXPERIMENTS* with the express
217 purpose to allow scientists to conduct observational based
218 experiments without having to satisfy the high bar of the
219 randomized controlled trial so that government policy can be more
220 quickly informed by "science." I kid you not! It will all be in my
221 booklet, coming soon —!

222 I've concentrated my research on examining all the studies that
223 "say masks work." And like you have heard from others, I can tell
224 you first hand — every legitimate RCT of even moderate quality,
225 much less those of high quality, offer any evidence that the masks
226 recommended by Fauci, et al. provide anything close to adequate
227 protection against something so small as a virus. The pore size of
228 your typical surgical, or procedural mask is 300 nanometers. The
229 usual size of a SARS-CoV-2 virion (a virion refers to an infectious
230 virus particle, by the way) is 125 nm. They range from 40-140 nm,
231 and are carried in microdroplets from 70-200 nm, with hundreds
232 found in submicron droplets (below 5 μm — which is 5000
233 nanometers), and thousands carried in droplets that are from 5 to
234 10 μm (or 5000 to 10000 nanometers) are you following this? And
235 while the surgical mask can be expected to capture at least some of
236 those droplets in the larger sizes, and somewhat significantly less
237 droplets in the lower range of 300 nanometers, remember, the size
238 of the pores of your typical surgical mask, these droplets begin
239 evaporation immediately, and as they evaporate, they shrink, and
240 soon become aerosolized — meaning they are small enough to be
241 carried by air currents almost indefinitely — and when fully
242 desiccated (evaporation complete releasing the virion from the
243 droplet) these can be launched into the atmosphere when you
244 exhale, or drawn deeply into the lower region of your lungs when
245 you inhale—. And, there is much more!

246 The bottom line is that, A. the masks do not work, which is exactly
247 what Fauci said before his CCP masters impressed on him the
248 importance that he participate in preparing America to come
249 under CCP control and demonstrate our subservience to our CCP
250 masters by obediently wearing the masks of oppression.

251 Not the Chinese, mind you! I have a beloved sister whose son
252 married a beautiful and precious Chinese woman — the Chinese
253 people are, well, PEOPLE — they have all the same desires for
254 liberty, justice, and freedom to pursue happiness that any of us has
255 — they had communism forced on them by the violent who "take
256 the kingdom by force," and now the same oppressors who took
257 China into a dictatorship want to do the same thing here — we
258 must not allow it!

259 Another thing I learned in my deep dive on the mask issue is that
260 it's totally about oppression and has NOTHING AT ALL TO DO
261 WITH HEALTH. I have a whole subset of articles detailing the
262 harmful effects of masks that completely obliterates the appeal to
263 what is called the PRECAUTIONARY PRINCIPLE. Which is a
264 total farce. I will be showing how these wicked people are stealing
265 science from us—they are politicizing science like they have
266 everything else, including RELIGION, by the way. It is the LEFT
267 that politicized religion! They have purposely adopted policies that
268 challenge core religious convictions and beliefs in order to set
269 government against religion and give government an excuse to
270 regulate, control, and finally, as in all communist regimes,
271 exterminate religion — specifically, biblical Christianity.

272 So, thank you Horowitz, for breaking out with this important
273 statement—masks are not the benign, harmless intervention they
274 are made out to be; they are not safe, and over prolonged use, can
275 cause serious harm. The harm is not easily seen, but it's there.

276 These yahoos talk about "natural experiments" and mean to run
277 fake science experiments on entire populations like Gates does in

278 Africa — where he is accused of maiming, and even killing,
279 innocent victims with his "vaccines."

280 We are all knowledgeable of his statements showing disdain for
281 human life, calling for reductions in "carbon emitters" — I saw the
282 video of his meeting where he giggled about how one of the major
283 contributors to global warming would have to go pretty much to
284 zero, with HUMAN POPULATION highlighted on the screen to
285 the amusement of his hearers—these people do not share the same
286 value for human life that we have. And that is the reason they can
287 so cavalierly dismiss the value of the human child in the womb,
288 and subordinate that life to the interests of its mother and say if the
289 baby interferes with the hopes and dreams of its mother, the baby
290 CAN BE, nay, SHOULD BE SACRIFICED ON THE ALTAR OF
291 HER CONVENIENCE — or on the altar of the convenience of her
292 employer, or boyfriend who does not want to take responsibility
293 for the child conceived by his seed. These are themes for a monster
294 movie, and not appropriate behavior from people who cherish life,
295 liberty and the pursuit of happiness: in that order, friend. It's not
296 pursuit of happiness at the expense of liberty, or life. Our founders
297 were the type that would sacrifice their earthly happiness for
298 LIBERTY, and say — GIVE ME LIBERTY, OR GIVE ME DEATH
299 — I mean, they would put LIBERTY above both LIFE and
300 HAPPINESS.

301 Since LIBERTY is wherever the SPIRIT OF THE LORD IS — and
302 it is TRUTH that makes you FREE — if we hope to preserve
303 LIBERTY and FREEDOM we have better return to the TRUTH
304 and submit to the SPIRIT OF CHRIST, while we RESIST the spirit
305 of antichrist.

306 I'll see you tonight, Lord willing, during my live-stream — Comfort
