1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the

5 It's time for your Brain Massage®.

6 [TRUTH]

7 The LINE in the sand!¹ Saud Prince, referred to by his friends as
8 "His Royal Highness," but called to dinner by his parents as
9 "Mohammed," and whose name on his Birth Cert includes bin
10 Salman, whose State title is Crown Prince and whose corporate title
11 is Chairman of the NEOM Company Board of Directors — that's
12 the guy! He wants to build a city that will preserve 95% of nature.
13 It's all part of Saudi Vision 2030. Ironically, it's billed as LIFE ON
14 THE LINE! Hmmm! By the way, NEOM is Latin *neo* with Arabic
15 *Mostaqbal* (mo-stock-bell) and means *new future*²: An Arabic
16 version of *new world order*? LIFE on the LINE?

17 It's against the law to make bad cheese in WI.

18 Everyone knows that the best way to encourage behavior is to
19 reward it. New York City DA rewards bad behavior because he
20 wants more of it. A couple of teens try to beat the subway toll and
21 when approached by NYPD, the 16 year old male attacked the
22 officer, throws about 20 punches, puts officer in a choke hold.³
23 When finally subdued, and "taken in" the kid was released without
24 bail within one hour. Same kid, three days earlier, was arrested for
25 beating and robbing a stranger near Madison Avenue, and released

26 without bail—a few months earlier, the same kid was arrested for
27 possessing a 40 cal handgun and a crossbow in Brooklyn. So, let's
28 wait till he enters a school, holds up in a classroom, and kills 20
29 kids. Then we can *blame the gun*, call him a white supremacist, and
30 accuse Trump of instigating the violence because NY liberals don't
31 like the way he combs his hair. Meanwhile, NY DA, what's this
32 man's name, let's see — here it is! Alvin Bragg, is prosecuting Jose
33 Alba, the 61 year old NY Bodega clerk who was violently attacked,
34 stabbed by the girl friend of boyfriend who tried to strangle him—
35 Alba found a knife and ended that dudes life—I guess that fellow
36 put his life on the line when he attacked Jose—but NY wants to put
37 Alba in jail for murder.

40 Here you go! A report from inside! I don't know @DonnaPrissym1,

46 28, 2022, there has been an outbreak of COVID that has almost the
47 entire ICU staff home in quarantine. Those on the staff there who
48 have NOT BEEN VACCINATED are okay, and having to carry the

50 clever: "This is the most unsatisfying and exhausting 'I TOLD YOU

52 Meanwhile in NY — City of New York Mayor Eric Adams just

57 Well, okay, that's a bit much. I take back the part about kissing his
58 ring.

60 Representative Jim Jordan warns — "They'll never stop until they

62 Jim, that will not be the stopping place, when they get all our guns,
63 that's when it will BEGIN. Taking our guns away is not the end
64 game; it's the means to the ends. They won't stop till they have us

68 China — cannibalism is making a come-back: NYT says
69 "Cannibalism has a time and a place. Some recent books, films and
70 shows suggest that the time is now. Can you stomach it!"⁵ Ted Cruz
71 retweeted this NYT Tweet and offered a two-word comment: "Bite
72 me!" That's ironic!

73 The NYT article is titled "A Taste For Cannibalism?" Published July
74 23, the beginning of the ancient Egyptian and Sumerian calendar
75 with the rising of Sirius,⁶ which some cultures, in honor of its
76 rising, sacrificed their firstborn males—well, I can't find any high
77 confidence documentation supporting the practice of human
78 sacrifice specifically to launch the Sumerian new year, but, you
79 know, it sounds like those Sumerians, so!

80 And I certainly can't find that they ate them—at least not in honor
81 of Sirius rising—but seriously, as a routine matter of worshipping
82 their gods, for a people become like what they worship, and Zeus,
83 after all, ate his wife to gain her wisdom. I don't think that worked!
84 But then, Zeus had a troubled childhood, with memories of his

85 own father, Chronos, who ate his children and tried to eat him—
86 not sure which memory tormented poor Zeus more, his father
87 trying to eat him, or the moment of his revenge—the day Zeus
88 killed Chronos, but I don't think Zeus ate him, did he? No! He met
89 his wife Metis for lunch and she was on his menu. This business
90 crept into Israel's culture: A people become like what they
91 worship.

92 Cahna mean priests, and Baal refers to the god the heathen Cahna's
93 worshipped and together we get Cahnabaal — hmmm?

94 Eating the sacrifice was well established in Israel's cultus (look up
95 the word, I'm not saying the religion of Moses was a cult in the way
96 we use the word) — the Jews brought a lamb to the Priest who
97 sacrificed it, and the blood was taken and sprinkled on the horns of
98 the altar to atone for their sins. All a portrait of the LAMB of GOD
99 slain from the foundation of the world Who in *time* was slain upon
100 the Cross for our sins—this sacrifice was prepared as a meal for the
101 people to nourish them. Jesus, the SON OF GOD, our SAVIOUR
102 and KING of Heaven and EARTH, made Himself a sacrifice for us,
103 and bid us celebrate the memorial of His gracious sacrifice on our
104 behalf by eating bread representing His body, and drinking the
105 (unfermented) fruit of the vine representing His pure blood—
106 "take, eat" said He, "this is my body." And holding the cup He
107 declared this fruit of the vine represents the BLOOD of the NEW
108 TESTAMENT shed for many for the remission of sins— and bid
109 them, "Drink ye all of it." Chronos fed himself upon the corpses of
110 his children, God made HIMSELF food His. A people become like
111 what they worship.

112 Christians sacrifice themselves on behalf of their children; but the
113 children of Satan sacrifice their children to feed themselves.

114 People become like the gods they worship.

115 Israel departed from the GOD Who fed Himself to them, the LION
116 of the TRIBE OF JUDAH, to worship a goat-god that feds itself on
117 its worshippers—the DEVOURING LION that roams about
118 seeking whom he may devour—the DEVIL, the SERPENT, goat-
119 headed gender-blended winged cherub, depicted variously as Ox,
120 Calf and Cherub among the four magnificent throne-cherubs, an
121 homage to the once COVERING CHERUB, since cast down for his
122 prideful boast that he would be "like the Most High," who met with
123 PROFOUND reproof from that ONE Who resists the proud,
124 whose heart is only more holy than humble, and humble in the
125 extreme, Who, rejecting the proud boast of the covering cherub,
126 cast him off, and, while the angered angel watched, howling in
127 rage, the CREATOR made man from dirt and put upon him that
128 coveted image. And so with rebellion against GOD and hatred for
129 man the once covering cherub went about roaming the earth as
130 that ROARING LION in search of FOOD, and he has a liking for
131 Soylent Green —

132 A people become like the god they worship, and Israel, having long
133 departed from the LIVING GOD, the CREATOR Who endowed
134 His creatures with His image and likeness and INALIENABLE
135 RIGHTS, and set all things under his feet, and made Himself food
136 for them—and turned instead to worship the god who makes them
137 food—and so soon became like the god they worshiped, and began
138 to make their children food.

139 It's sad, but true. First, Israel and later Judah—Israel, rejecting their
140 GOD, the GOD of ABRAHAM, ISAAC, and JACOB, turned to the
141 Cahnas of Baal — and during their chastisement gnashed in
142 defiance of the TRUE GOD by gnawing upon the bones of their
143 own children — the curse of departing from GOD — Leviticus
144 26:29, "You shall eat the flesh of your sons and the flesh of your
145 daughters." It happened as He said — during the siege of Samaria
146 by the Syrians, two mothers agreed to provide their own child to be

147 food, after eating the one mother's child, the other mother reneged
148 and preserved her child. The Israelites had turned to the Cahna's of
149 Baal and were reduced to cannibalism.

150 It happened to Judah, too. In the time that Judah had turned their
151 backs and not their faces to the GOD of Heaven, and went and
152 worshiped with the Cahna's (remember, means priest—closely
153 associated with cana, or what is carnal, or of the flesh) of Baal —
154 they worshiped with the Cahna's of Baal and Jeremiah lamented
155 "The hands of the pitiful women have sodden their own children:
156 they were their meat...."⁷ And this, "...Shall the women eat their
157 fruit, *and* children of a span long?"⁸

158 And I see these foolish young girls, insane with the howling rage of
159 the god they worship, holding signs that say FETUS=TASTY
160 TREAT. And hear some of them, clearly possessed, screaming
161 about how they delight to kill the baby in their womb, and dark
162 reports of babies eaten in occult rituals. You become like the god
163 you worship. Culture is shaped by the religion you practice.

164 Worship with the Cahna's of Baal, and it is no wonder we are
165 beginning to see the rise of cannibals. Since we turned our BACKS
166 and not our FACES to GOD, and toward the Cahna's of Baal, other
167 behaviors once deemed repulsive have come to be tolerated, then
168 accepted, then embraced, and now enforced—the murder of the
169 unborn in the wombs of their mothers, the diseased lifestyle of
170 homosexuality (the latest revolt of nature against this unnatural
171 and revolting behavior is Monkey-pox, which seems to target and
172 devastate that community), gender-blending-distorting and ending
173 human dignity LGBTQ ideology — culture is shaped by our
174 religious beliefs, and if you worship with the Cahna's of Baal, don't
175 be surprised when you find your neighbors eating one another.
176 Hold on through the break! I'll be right back!

177 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor
178 at the Lighthouse, your brain masseur, and Paul Revere's lantern
179 lighter, lighting the lamps in the church belfry arch, signaling the
180 enemy is on the march, an enemy that would steal from us our
181 liberty.

182 In the last segment, I mentioned the Saudi's Prince and his LINE in
183 the sand!⁹ It's Saudi Arabia's answer to the GLOBALIST
184 AGENDA-2030; he calls it *Vision 2030*. As Chairman of the
185 NEOM Company Board of Directors (NEOM= *neo mostaqbal*
186 (mo-stock-bellll; means NEW FUTURE, a *new world order* sort of
187 thing), the Prince wants to build a city that will crowd 9 million
188 people into a long rectangular box. It's 110 miles long, ~1640 feet
189 tall, ~656 feet wide.¹⁰ Each section is a "CITY" with a ~105-mile
190 series of interconnected neighborhoods — each of which will
191 provide EVERYTHING ANYONE NEEDS within 5 minute walk
192 neighborhoods. In other words, you can get anywhere you need to
193 get in a five-minute walk. You won't need a car. In 20 minutes, you
194 can get from one end of the LINE to the other in public
195 transportation. The walls are mirrors, so the little critters won't
196 even know you are there. 9 million people will be crowded into this
197 huge box — and if anyone misbehaves, I mean, if their social credit
198 score reaches below the limit of dictator Xi Ji Ping's tolerance, they
199 will know exactly where you are at every moment — they can press
200 a button and lock you inside whatever building you are in while the
201 CCP red arm banned secret police swiftly appear, and take you
202 away, and if a neighborhood becomes trouble for the
203 DICTATORS, they will close passage in or out of that
204 neighborhood, and if they choose, to corral all their little Human
205 Rats in their boxes, they just simply lock all the doors to the
206 outside.

⁹ <https://neomsaudicity.net/the-line/>

¹⁰ <https://neomsaudicity.net/the-line/>

207 And the huge prison will not be an unsightly thing with barbed
208 wire, and tall fences, it will be behind mirrored walls that reflect the
209 beautiful landscape that surrounds the long box prison.

210 And if you get real hungry, there will always be enough Uighur-
211 meat to go around. And, hey, this is all part of the 2030 GREAT
212 RESET plan. So if you need a transplant, no worries! You are going
213 to own nothing, and be happy. And if you are not happy, you will
214 be removed, disappeared is what they call it in CCP controlled
215 China. And, hey, I mean, the pragmatic Chinese Dictators are not
216 going to feed you, cloth you, and take care of your medical needs—
217 for nothing. You are going to be useful, or discarded.

218 So, as long as your organs are fit for transplant, you'll be kept alive.
219 If not, you become Soylent Green. And the worshippers of the
220 Cahna-Baal will eat their mystery meat with you choice of three
221 flavors of the secret sauce, no doubt manufactured on one of Bill
222 Gates farms—I sure hope you understand Satire and even more
223 importantly, how to see the truth through it.

224 God does not want us living all crammed together, crawling all
225 over one another, bumping, jostling about like a herd being driven
226 to slaughter. But religion is the shared beliefs of a community that
227 shapes its culture. If we reject CHRIST, Who came to bring us life,
228 and that more abundantly, then we are going to come under the
229 power of Satan who comes only to steal, kill, and destroy. If we
230 worship CHRIST JESUS THE LORD, we become *like* Him and so
231 desire LIFE and with it LIBERTY for all—and you pursue
232 happiness within law and order and with respect for your fellow
233 man and his divinely endowed rights. But if those who worship the
234 goat headed gender blended winged cherub — they wittingly or
235 unwittingly partner with him in stealing, killing, and destroying.

236 And everyone chooses either to confess Jesus is LORD and believe
237 on Him for their salvation, or they don't, and if they don't, the
238 default is you come under the power of Satan and virtually

239 everything you do results in stealing something from someone else,
240 or killing them, or destroying whatever is in the way of your
241 pursuit of what you call *happiness*.

242 So, this LINE thing—what is the spirit operating behind this?

243 God told us to SPREAD OUT and subdue the earth immediately
244 after creation, and then again after the Flood. He wants us to
245 spread out. One of His prophets said "Woe unto them that join
246 house to house, that lay field to field, till there be no place, that they
247 may be placed alone in the midst of the earth" (Isaiah 5:8). When
248 Nimrod attempted to defy this instruction, I mean directly
249 contradict the clear instruction of GOD to not concentrate
250 yourselves in these densely populated, crowded metropolis
251 monstrosities—so he built a tower and said "let us build a CITY
252 and a tower, whose top may reach unto heaven; and let us make us
253 a name, LEST WE BE SCATTERED ABROAD UPON THE FACE
254 OF THE WHOLE EARTH." Gen. 11:4. That was Babel, became
255 Babylon, the same area on the planet where Prince Saud wants to
256 build a CITY, that will be taller than the Empire State building, 105
257 miles long, but only ~650 feet across—why, to concentrate
258 humanity in his little boxes, and reduce the CARBON
259 FOOTPRINT on the planet — did you know that this planet
260 cannot thrive without carbon dioxide—did you know we are
261 carbon-dioxide emitters? Did you know vegetation "eats" carbon
262 dioxide and releases oxygen into the atmosphere, that we breath?
263 Did you know human beings are "carbon-based" life forms? Do
264 you not understand that this hatred of carbon emissions is hatred
265 of mankind?

266 You see, the Spirit at work in those who confess Jesus is LORD and
267 believe HE AROSE FROM THE DEAD and IS KING of EARTH
268 right now, who understand that all power, authority, right to rule,
269 is HIS in HEAVEN and in EARTH too, right now — and that HIS
270 SPIRIT is PRESENT in this world IN HIS DISCIPLES, WHO ARE

271 His SERVANTS — that SPIRIT bring LIBERTY, indeed, where the
272 SPIRIT OF THE LORD IS, there is LIBERTY. That Spirit wants
273 you live FREE, and spread out over the planet, and to enjoy the
274 resources of the planet to sustain your life, of course responsibly,
275 and to thrive in abundant life — but you see, there is another spirit
276 at work in this world—it's Satan, the prince and the power of the
277 air, the spirit that works in the children of disobedience, the ones
278 who become angry and the mere notion of CHRIST ruling the
279 earth, and with hatred rail against any idea that CHRISTIANS have
280 any part in ruling this earth—I mean, they get weird about this—
281 and they shake their fist at GOD, and HOWL — "we will not have
282 that man to reign over us." Where that spirit prevails, THERE IS
283 TYRANNY.

284 The SPIRIT of JESUS CHRIST wants you to enjoy the resources of
285 this planet as masters of the dominion. He wants you to subdue it,
286 He gave to man "every moving thing that liveth" to be meat, that is
287 food, for us, just as He did the "green herb." Genesis 9:3. Curiously,
288 the word *subdue* is *kabash*. It means to tread down, conquer,
289 subjugate, or bring into subjection.

290 Do you understand that the spirit of antichrist, the spirit that hates
291 His rule, and despises the children of obedience that confess His is
292 LORD and believe on Him as their only hope of eternal life — the
293 spirit of Satan — he wants the opposite. Remember, symbolism is
294 important to any culture; it's the expression of values, it's the face
295 of a culture. Satan is symbolized with the creatures of the earth
296 which God, the CREATOR has made subject to man. The serpent,
297 for example. Jesus said we have power to tread upon them — to
298 subdue them, to subjugate them.

299 Also the Ox, and the Calf — these have long been images that
300 symbolize Satan—more creatures that are subject to the dominion
301 of mankind.

302 This being, who symbolizes with the creatures of the earth, hates
303 man most especially because to him was given the image and
304 likeness of the CREATOR.

305 So, do you see it? The spirit that symbolizes with the fourfooted
306 beasts, and often symbolized with creeping things, like beetles, and
307 flies, it should no longer be surprising to you that this spirit moves
308 men to change "the glory of the uncorruptible God into an image
309 made like to corruptible man, AND TO BIRDS, AND
310 FOURFOOTED BEASTS, AND CREEPING THINGS."

311 You see this spirit manifest in anything that works to subordinate
312 man to nature and hates, and resents, and chaffs against any notion
313 that nature is to be subordinated to MAN.

314 I'll speak to this tomorrow in my pulpit—or today if you listen on
315 Sunday am, at 10:45 am, and at 5 pm. The weirdness we experience
316 when we hear these bizarre people deny nature when it comes to
317 man—deny natural sexuality, deny natural gender identity — I
318 mean, it's like they are in all our war AGAINST NATURE but at
319 the same time, these are the people WHO EXALT "NATURE"
320 OVER MAN, who are constantly trying to make man LOWER
321 THAN NATURE, a servant to nature — they want to make man a
322 worshipper of *nature* in defiance of NATURE'S GOD.

323 I have lit the lamps in the Church belfry arch and now you let me
324 know if you see them.
