

Brain Massage®: Show No. 893 Is the Statue of Liberty A Statue to Lucifer? /
Six Satanic Strongholds Being Assaulted!

Jerry Scheidbach

Original Air Date: 08.06.22

1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain
3 masseur—it's time for your BRAIN MASSAGE®.

4 [TRUTH]

5 What's this? The Statue of Liberty is a statue of Lucifer? Really?
6 Yeah, I've heard this yarn before, only it's beginning to be taken
7 seriously by some in power circles—and that's concerning! I'll
8 explain.

9 But first—Lighthouse has been praying and fasting since July 11,
10 and we will continue to August 18.

11 Specifically, we are challenging strongholds of influence in our
12 cultural and political institutions keeping the unreasonable and
13 wicked in virtual control of our government.

14 The first is the stronghold barring the people from their right to
15 elect those that represent them — the RIGHT OF CONSENT has
16 been stolen and our ELECTIONS by the PEOPLE have been
17 replaced by a system of SELECTIONS by foreign powers aided and
18 abetted by DEEP STATE ELITIST that have betrayed our nation—
19 Nimrodians intent on forcing America to kneel at the altar of
20 Mimrod's Tower—are impatient with the effort to convert us, so
21 they have settled on a plan to SUBDUE us to their will.

22 The second is the stronghold of DEATH — the blindness that has
23 prevailed over the minds of many, and virtually all in "power,"
24 (Through the SELECTION system) that makes them think
25 murdering babies in the wombs of their mothers, and sending the
26 elderly to certain death in nursing homes during COVID, and

27 pursuing policies aimed at depopulation, are the products of
28 enlightened thinking —.

29 Here you go! I'm looking at a video made by some woman, her
30 name is not given, who posted a video on YouTube, explaining
31 how to build an abortion altar — yeah, an altar where she literally
32 places the aborted FETUS (means little child) on the altar —
33 together with elements of cleansing, and so forth, real four
34 elements stuff here—and all done in honor and in reverence to the
35 killing of the baby—women are instructed to kneel before this altar
36 and “contemplate” what she called the “sacred” abortion
37 experience. It's one of the creepiest things I've ever seen. Rates right
38 up there with that pro-abortion protester holding a sign that read
39 FETUS=TASTY TREAT!

40 The Satanic Temple has abortion as an article of their faith; the
41 killing of unborn babies in abortion is considered a religious ritual.

42 And if possible, even more appalling is that these people are getting
43 help from the so-called *faith community*. A group of self-described
44 Christian, Jewish and Buddhist clergy have filed a lawsuit in FL to
45 challenge the 15 week abortion ban — the Satanists and these
46 mainstream religious leaders are teaming up to sue for the right to
47 kill babies any time up to birth on “religious grounds.” They are
48 not content to murder them up to 15 weeks—. What's that about? I
49 guess that's the enlightened view of abortion — kill them if you
50 want but at 15 weeks something magical happens that makes it
51 wrong to kill them after that!

52 FOLKS, Jesus warned "If ... the light that is in thee be darkness,
53 how GREAT IS THAT DARKNESS."¹ It's *dark light* indeed that
54 supposes inserting a scalpel into the womb and cutting a baby into
55 pieces is enlightened thinking, and FREEDOM, and a symbol of
56 LIBERTY! It is rooted in the *enlightenment* Eve and Adam got

¹ Matthew 6:23

57 when they took the bite! When they received the *knowledge of good*
58 *and evil* in an act of betrayal and so their nature was taken captive
59 by the evil side of that knowledge. LISTEN: Brilliant missile of
60 insight incoming: what you *learn* from experimenting with evil,
61 what knowledge you gain by disobedience to your CREATOR
62 injects a corruption into your soul that begins turning out the
63 lights of your conscience until you are walking in moral darkness.

64 We are praying Americans will wake up to the LIGHT of TRUTH
65 and see DEATH is not the answer to social problems — LIFE is,
66 and LIFE more abundantly.

67 The third stronghold is the distorting power of perversity to warp a
68 people, killing faith, and shaping culture into the image of
69 Baphomet! Embracing what lovers of darkness call KINKY —
70 parents feed their children to the appetite of the gender-blended
71 goat-headed winged cherub — Baphomet — allowing perverted
72 men and women teach their perversity to the children, like this
73 video, where parents, or are they teachers, applaud while perverted
74 men teach children to poll dance in cross gendered clothing — all
75 of it in mock honor of the god worshipped by Gnostics,² and some
76 say the Catholic Templars, who are reported to have used in their
77 worship an image of a head they called *Baphomet* — but in truth
78 that accusation became popular against anyone despised by the
79 reigning powers—the government—in those days.³ So, if you can
80 trust confessions beat and burned out of people—then yeah! It's
81 true that many of the Pope's Knights Templar confessed to
82 worshipping Baphomet.⁴ This worship involves the denial that
83 anything is categorically right or wrong. The rule of Baphomet is
84 that anything done spiritually in service to the gender blended goat
85 god is rewarded by feeding whatever physical appetites and urges

³ <https://en.wikipedia.org/wiki/Baphomet>

⁴ <https://www.history.com/this-day-in-history/pope-recognizes-knights-templar> (In 1128, Pope Honorius II recognized Knights Templar as God's Army.)

86 one might desire—no matter what it is, you know, if it feels good,
87 do it!

88 Feed the appetites of the spirit powers you serve and they will feed
89 the appetites of your flesh. That's the rule of Baphomet! So, we are
90 assaulting this stronghold holding in their power influencers and
91 institutions charged with perpetuating our way of life to future
92 generations, who are using that influence to unravel the threefold
93 cord of civilization: faith, family, and fidelity. Through perversity,
94 Baphomet intends to break these bands and cords that serve to
95 hold our civilization together. They intend to disintegrate our
96 nation into chaos. We pray and fast to overcome this stronghold —
97 The fourth stronghold —the power that Baphomet holds over our
98 system of justice in America—that directs the execution of the
99 sword of civil justice—ORDAINED BY GOD to execute WRATH
100 upon evil doers, in the hands of unreasonable and wicked men and
101 women, Baphomet turns it to the defense of the vile and wicked
102 (Hunter and Hillary as examples of hundreds, including the
103 protection of sex traffickers and modern slavers, the CCP Fentanyl
104 pushers of death, the corrupt politicians in LA and Sacramento,
105 and Washington DC), and against the righteous and the innocent.
106 Rather than defend the helpless against the predators of this world,
107 the sword of civil justice is now almost fully in the hands of the
108 predators. And most of those called to be shepherds, to save their
109 own skin, temporarily at least, they are feeding God's sheep to
110 Baphomet's wolves. But a surprise is coming to these false
111 shepherds, CHRIST'S SHEEP will soon roar! I'll be speaking to this
112 Sunday.

113 The fifth stronghold — the rod of the wicked on the lot (that which
114 rightfully pertains to the righteous) of the righteous. Right now, the
115 wicked use the rod of civil power to rob the righteous of their
116 possessions and the power of their voice. We are praying and
117 fasting that the devils supporting these wicked policies that destroy

118 our economy and livelihoods will be removed from their vile hands
119 and that the righteous might again rule, that the people might once
120 again REJOICE!

121 And finally, the sixth stronghold is every effort Baphomet uses to
122 bar the GOSPEL of JESUS CHRIST from being preached freely
123 here in America and around the world. This, my friend, is the first
124 stronghold secured and it is set in our churches. It was strategic on
125 the part of the spirit of antichrist to pervert the GOSPEL and turn
126 Christ's churches into clown acts and dog and pony shows, which
127 soon led to a watered down gospel that only adds to the ranks of
128 those who refuse to DEPART FROM INIQUITY, deceived into
129 thinking they are worshippers of the one true GOD but whose
130 worship is deflected to Baphomet — who will gather before Jesus
131 and cry, LORD, LORD, have we not prophesied in your name, and
132 cast out devils in your name, and done many mighty works — and
133 He will respond: "I never knew you: depart from me, ye workers of
134 iniquity." Are you listening? The Spirit by Paul said if you NAME
135 THE NAME OF CHRIST, depart from iniquity. You see the way of
136 Jesus is not the way of Baphomet. Service to Jesus does not give you
137 a pass to feed the flesh—you cannot serve Jesus and remain in
138 iniquity. Jesus told us to preach REPENTANCE and REMISSION,
139 and a gospel message that omits either is false.

140 Well, Thursday was a day I sought some indication that we are
141 being heard and Thursday was a busy day.

142 On returning justice and judgment to America — A Soros DA in
143 FL has been arrogating to himself the power to legislate by deciding
144 what crimes he will prosecute—signed a pact refusing to enforce
145 Florida's abortion laws because he considers them restrictive—he
146 thinks mothers and doctors should freely collude together to
147 murder babies right up to breach—and if the truth were known, he
148 would have the babies murdered up to a year after birth—and he is
149 known for his cherry picking policies, enforcing laws selectively,

150 based on his private moral code, something that if a Christian did
151 would have the devils in the children of disobedience in FL
152 HOWLING so loud, like dogs joining a neighborhood barking
153 chorus, the devils here on the west coast would join right in there
154 — So DeSantis signed his own piece of paper, it's one that set
155 Warren aside, ordered him to step down and let another take his
156 office—judgment stirs!

157 When will Biden his hellish minions face judgment for the gross
158 injustice they have perpetrated upon our nation, and the world by
159 wiping their foul feet on the Constitution and robbing us of our
160 free speech, our RIGHT to REDRESS GOVT. our RIGHT OF
161 DISSENT? On Thursday, righteous Doctors and Scientists band
162 together to launch a class action suit against the Biden admin for
163 colluding with Big Tech social media giants to CONTROL
164 SPEECH — to squash dissent against the government's
165 propaganda! Yes, discovered! "Public statements, emails, and
166 recent publicly released documents establish that the President of
167 the United States and other senior officials in the Biden
168 Administration violated the First Amendment by directing social-
169 media companies to censor viewpoints that conflict with the
170 government's messaging on Covid-19."⁵ Biden admin literally
171 instructed social media gurus to shut down any speech that
172 contradicted the government narrative—. It's a crime! It ain't right!
173 And these doctors and scientists have HAD ENOUGH of what
174 ain't right. They are fighting back! Let's have their back!

175 When will FAUCI face justice for his crimes against humanity —
176 his leading participation in creating this pandemic in the first
177 place, his leading role destroying the American economy, and
178 serving the interests of his CCP masters—his treason and his
179 crimes against humanity? Well, Rand Paul has had him back before

180 a panel to face highly esteemed scientists and witnesses that blasted
181 him for the liar and traitor that he is. Dr. Richard Ebright,
182 laboratory director of the Institute of Microbiology at Rutgers,
183 testified that Fauci LIED to CONGRESS, LIED to the PRESS, LIED
184 to the PUBLIC and did this KNOWINGLY, WILLFULLY and
185 BRAZENLY. He called Fauci's claim that NIH did not support gain
186 of function research UNTRUTHFUL. Before the Committee, Dr.
187 Ebright stated: "I stand by my statement." He said "The statements
188 made on repeated occasions to the public, the press, and to
189 policymakers by the NIAID director, Dr. Fauci, have been
190 untruthful," Ebright said. "I do not understand why those
191 statements are being made, because they are demonstrably false."⁶

192 I love Dr. Rand Paul—but I must say I did somewhat cringe at his
193 answer to this. To his credit, he did emphasize culpability and
194 accountability need to be assigned and actions consistent with our
195 laws must be taken—but he went on to say the real issue is to make
196 sure it does not happen again. And the answer to that? Well, let's
197 make a law. Wrong answer! LAWS ARE MEANINGLESS WHEN
198 ENFORCEMENT IS IN THE POWER OF WICKED MEN AND
199 WOMEN. Please Mr. Paul. Think about it! Making laws has
200 worked so well so far, right? A LAW was made to not continue gof
201 research and it was illegal to fund it. That worked so well we have
202 three years of misery and a million dead to show for how well it
203 worked. So, I know what to do. Just make a law. And it all goes
204 away! — This is nonsense. If wicked men are given the power of
205 execution of judgment to enforce our laws LAWS ARE
206 MEANINGLESS. We MUST remove the wicked from any and
207 every position of power and influence. That's the ONLY way this
208 gets fixed, AND THAT BEGINS WITH RESTORING OUR
209 ELECTIONS. And our ELECTIONS only fix this if the
210 RIGHTEOUS rise up and EXECERCISE their RIGHTS and

211 PRIVILEGES as Kings and Priests unto GOD in this one nation
212 UNDER GOD.

213 I've gone long in the first segment. Hold on through the break; I'll
214 be right back.

215 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor
216 at the Lighthouse, your brain masseur, and Paul Revere's lantern
217 lighter, lighting the lamps in the church belfry arch, signaling the
218 enemy is on the march, an enemy that would steal from us our
219 liberty.

220 Is the Statue of Liberty a representation of Lucifer—the *light*
221 *bearer*? New cults rise almost every day and most of them end up
222 with a group of the faithful-deceived drinking the Kool-aid and
223 following their cult leader into hell. The latest Blavastky-Crawly-
224 Cult wannabe is a guy named Morgue. He started something he
225 calls Hyperian—and his thing is that numbers are what's *real* —
226 and they vibrate into waves that give physical things form, and
227 being. Something like that! He worships Lucifer, embraces
228 Baphomet, is enamored with Prometheus, heralds these as
229 archetypes of the great struggle against GOD. Oddly, he thinks
230 Lucifer does not actually exist, but GOD does, and he hates the
231 GOD of Abraham, Isaac, and Jacob, and tells us that JESUS is
232 actually LUCIFER. So, let's see! Is Lucifer a being that exists only as
233 an archetype or is he JESUS? The SON of GOD — well, we are not
234 going to spend a lot of time examining this guys beliefs, but he is
235 after all rightly named. Morgue! That's where his tripe belongs and
236 it's where he is leading his tribe. But what is my interest in this?

237 A good friend, and colleague in our battle for America, and
238 Assembly candidate for District 64, in LA county— Raul Ortiz,
239 sent this video to me.⁷ I watched it with interest—this guy named
240 Morgue telling us the Statue of Liberty is a statue to Lucifer.

⁷ <https://fb.watch/eH2X7bFx7J/>

241 I did some research on this character—he was a sword swallower
242 on Venice Beach and participated in TV show called Freakshow!
243 Yeah! So, that just about tells you all you need to know about this
244 fellow! Here is an article that offers some background.⁸ But the
245 author, Gee, is not really too bright. It's hard to figure out which
246 has the most hubris—Morgue or Gee.

247 Now, about his argument for the Statue of Liberty being a statue to
248 Lucifer—after you go through the whole spiel, he admits at the end,
249 he doesn't know if it was made as a statue to Lucifer. But it is
250 anyway, because there she is holding a torch to the sky, and that
251 makes her a light bearer, and after all, the word *Lucifer* means light
252 bearer. He has a "THEOLOGIAN" to prove that for him — some
253 guy sitting with about three others, pointing to a Bible, I assume he
254 is point at Isaiah 14:12, and explaining that *Lucifer* was not
255 originally a proper noun—it did not identify a *person* — it is an
256 adjective that means light bearer. Oh, and the seven spikes on her
257 hat, or crown, represent the SEVEN RAYS OF LIGHT —
258 representing the full spectrum of sunlight — so, that's his proof.

259 And the allegation that the sculptor was a Mason back in the late
260 1800s, his sculpt of the Statue was dedicated in 1886. Masonry did
261 not begin to become infected with the weird esoteric teachings of
262 Albert Pike until he joined with them in about 1854 mid and his
263 influence did not completely saturate that order until quite some
264 time after his death in 1891. The likeliness that the lodges in France
265 had been corrupted by Albert Pike's weird occultism is remote. See
266 this article for the history of Freemasonry in France.⁹ The seven
267 rays represent the full spectrum of sunlight and the torch
268 represents the LIGHT OF FREEDOM, the broken chains at her
269 feet represent the end of TYRANNY — and the fact that she looks
270 a bit stern does not make her androgynous — this guy has never
