3 masseur—get ready for your brain massage.
4 The "Pox" on you! Monkeypox: monkeyshines or is this yet
5 another, and indeed the darkest chapter in Satan's bid for America,
6 and the world? Let's take a deep dive.
7 Trump brings down three Dynasties: R.I.T.? One more to go!
8 Update on Election 2022 and a look at the CA situation!
9 Whoah buddy! It's time for your Brain Massage®.
10 [TRUTH]
11 Gutfeld is recovering from the loss of his favorite example of MSM
12 Deep State sycophancy in the canning of lackey-star Stelter —
13 canned because he does not—rate — at CNN! That's rather
14 oxymoronic — I mean setting side-by-side CNN firing a talking
15 head for low ratings! The entire network should fire itself! Whose
16 next, before CNN realizes THE PEOPLE are not buying their
17 poop-scoops! Okay, now that was just weird! But you get it! Which
18 talking head will roll next — Rachel Maddow? No, she is MSNBC
19 — and her head just rolled by my screen — yikes! Another one
20 bites the dust! Looks like her rolling head bumped into her
21 replacement's teleprompter and interrupted her debut. Oh well!
22 Gregg who playfully chided Liz as putting the Liz in Lizard...
23 Upon the craterous fall of the Cheney dynasty, [Liz lost to a
24 complete unknown by well over 30 points—Hallelujah] Gregg said
25 succinctly: Trump has taken down three dynasties — the
26 Clintonistas, the Bushies, and the Cheney's — may they R.I.T. —

27 retire in torment. No peace, saith my GOD, for the wicked! — This
28 is heaven's policy. Repeated twice by the prophet Isaiah: "There is
29 NO PEACE, saith my GOD, to the wicked." Isaiah 48:22; 57:21.

30 The well known finger wagging liar scolding America for accusing
31 him of having "sex with that woman," pause — Monica Lewinsky
32 — whose real crimes, beyond his many jaunts on Lolita Express to
33 Epstein's Island — by the way, did he pose for that painting of him
34 in full drag regalia — where he enjoyed the pleasure of sin for his
35 season at the expense of underage — whatever — and most notably
36 SELLING OUT AMERICA TO THE CHINESE BY GRANTING
37 TOP SECRET CLEARANCE TO CCP SPIES WHO ROBBED
38 SOME OF OUR MOST SENSITIVE TOP SECRET WEAPONS
39 DOCUMENTS. Read YEAR OF THE RAT!

40 And the Bushies with their hunting buddy Bad-Shot-Cheney who
41 it seems never saw a WAR they didn't like, and where they could
42 not see one, made one. Whose policies on the border made me
43 suspicious they might have a hand in the cookie-jar of the drug and
44 sex trade Cartel operations — God help them, I hope not!

45 One more major dynasty to go — the O-Bidens! That's a twofer —
46 Obama and Biden in one take down! Coming soon!

47 So let's take a look at how election 2022 is unfolding.

48 The election fraud machine is backfiring, halting, limping,
49 chugging along — but it's still in full operation, and "they" are
50 beginning to seriously panic! Remember, a cornered snake has no
51 recourse but to STRIKE! The raid on Mar-a-Lago is an example of
52 what I mean. (Trump is saying we should dampen down the
53 rhetoric: the "temperature has to be brought down" — the
54 allegations of a flood of threats against the FBI and the agents
55 involved — what do you want to bet most of these are bots! The
56 American people have EVERY RIGHT TO BE ANGRY — and
57 there is a long, time-honored tradition for hyperbolic rhetoric to

58 vent frustration with INJUSTICE — but the ONLY time it's a
59 problem for the wicked left is when it's Conservatives venting —
60 when "they" call for the KILLING of a Republican president, when
61 "they" put on plays in public depicting the murder of a Republican
62 President, when THEY ratchet up the rhetoric by referring to ALL
63 TRUMP SUPPORTERS AS TERRORISTS — that's not a problem;
64 when "they" hold a mock bloody severed head of Trump, no
65 problem, just Americans venting; when Hollywood tramps and
66 trolls suggest it might be time to do a Wilkes Booth on the
67 President of the US, no problem, just venting — we are getting sick
68 and tired of these children of the LIAR, these devils whose purpose
69 is served by stealing, killing, and destroying — tired of this double
70 standard, this business of wagging their Clinton finger in our faces
71 while doing the same things they accuse others of doing, but TEN
72 TIMES WORSE — we've had enough!

73 And we are coming after you! One dynasty at a time — Clinton,
74 Down in 2016; Cheney, Down in 2022; Biden DOWN as soon as
75 the THEFT of 2020 election is OVERTURNED! And we will do it
76 by full use of our FREEDOMS! We don't go into the streets and
77 burn our neighbor's businesses to the ground, set fire to court and
78 police facilities, or KILLING perfectly innocent people — that's
79 who you are! But we are coming for your power! WE, THE
80 PEOPLE, are going to rise up and REMOVE YOU FROM
81 POWER.

82 And we have learned an important lesson. Now we see clearly why
83 Israel and Judah lost the kingdom: "Ye have set up kings, but not
84 by me..." They allowed wicked, lying, scoundrels to take positions
85 of power in their government and, just as God said, "O my people,
86 they which lead thee CAUSE THEE TO ERR, and DESTROY THE
87 WAY OF THY PATHS" (Isaiah 3:12). Have we not witnessed this?

88 But there is a danger that we must avoid, for the Bible warns us,
89 "The rod of the wicked shall not rest upon the lot of the righteous,

90 lest the righteous put forth their hands unto iniquity" (Psalms
91 125:3). Beware, brethren — do not lift up your hands to
92 INIQUITY. Right now, more than EVER before in our history
93 since the DEFENSE of our DECLARATION in the founding of our
94 nation have we been in greater peril of loosing our liberties and like
95 Benjamin Franklin observed if a sparrow cannot fall without His
96 NOTICE certainly a NATION cannot rise without His aide — any
97 who surmise God is not ACTIVE in the rise and fall of nations is
98 blind and cannot see what's in front of their face much less what is
99 afar off! — They cannot see what's coming!

100 But we do see! We see clearly what the WICKED are doing to
101 destroy the way of liberty, the way of FREEDOM — we see the pen
102 they are constructing to enclose THE PEOPLE to become their
103 slaves. We see it, and we are sounding the alarm, and Paul Revere's
104 lantern lighters are turning on the LIGHTS and EXPOSING the
105 wicked. The RIGHTEOUS are throwing upon the wounded carcass
106 of this nation the preserving SALT.

107 We hear our Founders calling to us from their graves — Alexander
108 Hamilton warning us that we must put GODLY, CHRISTIAN men
109 in positions of power or we will lose the liberties they fought so
110 valiantly to secure for us. John Jay who repeatedly warned a
111 Christian people must be careful to never put ungodly, wicked,
112 unbelieving men in power—WHY? They do not know the only
113 TRUE KING OF THIS EARTH, they do not with Cromwell cry
114 NO KING BUT CHRIST; they are not infused nor moved by the
115 SPIRIT OF LIBERTY, they are tyrants, in service to the ENEMY
116 OF LIBERTY and JUSTICE. Being LIARS, they deceive with
117 pretentious claims of a care for Democracy (the RULE of THE
118 PEOPLE) — but when Democracy rises up and opposes them, then
119 they act contrary to DEMOCRACY, they trample democracy
120 under their filthy feet, and they spit on it, and despise it, and hate
121 it. The people can only be FREE only so long as they are willing

122 SLAVES to the PARTY. You have free speech, so long as you stay
123 within the limits of what they APPROVE as POLICITACLLY
124 CORRECT SPEECH. If you turn against their absurd notion of
125 freedom—breaking the bands and CORDS of CHRIST — the
126 bands of GENDER, and the CORDS GOD'S RIGHTEOUSNESS,
127 for two examples — then they take by force the DIVINELY
128 appointed sword of justice ORDAINED to execute wrath against
129 the workers of iniquity, wrest it from the righteous and turn it
130 against the only RIGHTFUL HOLDERS of the sword, they usurp
131 the sword, and use it in service to the wicked, and their Wicked
132 One.

133 For all the talk about CIVIL WAR — as I brought out in my last
134 brain massage® — that's exactly what we are engaged in — a CIVIL
135 WAR. I think the war fought to end slavery and preserve the
136 UNION was misnamed — our war is CIVIL — the word refers to
137 ordinary citizens and their concerns as "distinct from military or
138 ecclesiastical matters," but that's the new definition — the one that
139 desires to distinguish civil as purely secular. Back in the day of our
140 Declaration through well into the 1900s this word mean what
141 pertains to a city or a state, to a citizen in his relation to his fellow
142 citizens. It spoke of those subject to government, law and order —
143 that was what was considered CIVILIZED.

144 The LEFT is not CIVILIZED — they are barbarians! They flaunt
145 their rebellion against LAW and ORDER — **WON'T YOU OPEN**
146 **YOUR EYES AND SEE — Durkin's Summer of Love—**
147 neighborhood in flames, firebombing police cars, shooting
148 bystanders, looting, smashing glass — like a pack of Nazi dogs in
149 full rebellion against LAW and ORDER while the DEMOCRATS
150 looked on APPROVINGLY. They APPROVED this! They Lauded
151 it. They SUPPORTED IT. How dare they open their filthy
152 traitorous mouths against some PATRIOTS fed up with this and

153 speaking out and issuing a warning the ALL SIDES MUST HEAR,
154 AND HEAR IT LOUD and CLEAR — and NOW!

155 I've been warning about this coming for over ten years. THE
156 ONLY THING THAT MAINTAINS CIVIL ORDER IS THE
157 GOVERNMENT RECOGNIZING AND PROTECTING THE
158 RIGHT OF CONSENT. The Ballot Box, not the BULLET BOX.
159 Remember, it's been understood for over two centuries that the
160 KEY to the phenomenon of American CIVIL ORDER is that we
161 settle our disputes CIVILLY — by the BALLOT and NOT THE
162 BULLET. They have pushed this nation to the brink of open armed
163 conflict by STEALING FROM US THE RIGHT OF CONSENT.
164 We have SELECTION days not ELECTION days.

165 But by patient CIVIL action, we are gaining ground and turning
166 this around, and RECLAIMING OUR RIGHT OF CONSENT.

167 EXPOSED: New York's voter matrix — we DISCOVERED,
168 meaning we have BROUGHT OUT INTO THE LIGHT the fact
169 that New York DEMONCRATS contrived a way to get around
170 purging the voter rolls. DO YOU UNDERSTAND? The reason
171 DEMONCRATS resist purging the voter rolls is because that's their
172 bank of voters they can manufacture. Every voter ON THE ROLLS
173 that is no longer an active voter provides a name and address that
174 the DEMONCRATS and DS-War mongering Republican can use
175 to FABRICATE A FAKE BALLOT, a fraudulent vote. They NEED
176 inflated voter rolls to provide support for their voter fraud
177 operation. So after being ordered by a COURT to PURGE their
178 rolls, New York contrived to set up an alternate structure within
179 the database of voter rolls to RE-INFLATE THE ROLLS. But we
180 CAUGHT THEM. So what will be done about it? Well, I guess we
181 all know the DEMONCRAT Tyrants that hold power in NY will do
182 nothing. SO, I guess it's UP TO THE PEOPLE! Rise up in MASS
183 and PEACEFULLY, which does not mean kindly, or softly, or
184 gently — it means without arms, armed only with RIGHTEOUS

185 INDIGNATION and ASSERT your GOD GIVEN right of VOICE
186 and VOTE — lay upon their CONSCIENCE the REPROOF of
187 GOD — the PEOPLE Crying out in masse for JUSTICE and
188 JUDGMENT to be LAWFULLY executed upon the WICKED.

189 Here you go! BREAKING: New Mexico's Otero County has voted,
190 100%, to SUE New Mexico's Secretary of State for the CRIMINAL
191 ACT of CERTIFYING THE 2020 ELECTION KNOWING THE
192 ELECTION WAS COMPROMISED BY EGREGIOUS ELECTION
193 FRAUD, and even PARTICIPATING IN THAT FRAUD.

194 DeSantis has launched a special police task force to watch and
195 address election fraud in Florida. Well, good for him! QUESTION:
196 why won't DeSantis take a stand against these cursed Dominion
197 Machines. I want an investigation into any ties he has with
198 Dominion. I will not feel comfortable that DeSantis is not just
199 another controlled opposition operative until I understand WHY
200 HE REFUSES TO TAKE ON the DOMINION stealing
201 MACHINES. I hope to GOD that man does not turn out to be
202 another lousy pretender — being used as controlled opposition by
203 the very ENEMY that is at war with our Constitution and against
204 WE the PEOPLE.

205 I have to go to break, I want to at least introduce you to the
206 malevolent monkeyshines of the monkeypox fraud on the other
207 side of the break, so I'll finish my discussion of election fraud issues
208 during tonight's live stream visit. That's Friday night, but those
209 who receive the show Saturday and Sunday can also catch my live
210 stream on our facebook page.

211 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor
212 at the Lighthouse, your brain masseur, and Paul Revere's lantern
213 lighter, lighting the lamps in the church belfry arch, signaling the
214 enemy is on the march, an enemy that would steal from us our
215 liberty.

216 Irony is the people who are afraid of talk about CIVIL WAR are
217 the ones doing everything they can to provoke it. Virtually every
218 conservative I know is warning AGAINST IT, fearful the rod of the
219 wicked resting too long on the lot of the righteous will provoke
220 them to put their hands unto iniquity — Don't do it! We are
221 winning. Having trouble breaking from this topic today —
222 hmmm? I think I have the SPIRIT of THE LORD! The liars who
223 brought you Russian collusion, and have yet to confess their
224 wicked lie and repent, and so living under DIVINE
225 CONDEMNATION for their EVIL — who if they go to their
226 graves in their sin will burn in hell — the smoke of their torment
227 rising eternally as a memorial to the CONSEQUENCE awaiting
228 ALL LIARS — Rev. 21:7, read it! Repent, admit you lied about
229 Trump, incessantly, admit you SPIED on him, and abused him
230 wickedly because you feared him politically—admit you despise
231 any American who loves this country, honors its flag, submits to
232 the government of our Constitution — YOU ARE THE REBELS,
233 YOU ARE THE INSURRECTIONISTS — admit it, repent now, or
234 PREPARE TO MEET THY GOD and carry your just
235 CONDEMNATION to the grave and into eternity.

236 Did I hear someone just say "Your just getting too preachy for me."
237 Okay, one more word before you go! You are the PROBLEM! You
238 self-professed Christian that holds back the SWORD of the SPIRIT
239 and will not TAKE AN OPEN STAND for CHRIST against the
240 liars, and the wicked who are taking this nation to hell! If you ever
241 wondered what Psalm 9:17 means when it says the nation that
242 forgets God will be turned *into hell*, you are watching it happen
243 before your eyes. WE are being ruled by hell!

244 Friend, the way to avoid armed conflict, or the need to bring in the
245 Military to reestablish our Constitutional Republic is to CORRECT
246 THE STOLEN ELECTION OF 2020, and RESTORE ELECTION

247 INTEGRITY. We cannot move forward without a full investigation
248 into the ELECTION THEFT of 2020.

249 The ELECTORS committed to BIDEN in states where there has
250 been proven ELECTION FRAUD, and you understand the
251 difference between voter fraud and ELECTION FRAUD? Voter
252 fraud is when an individual voter tries to cheat. ELECTION
253 FRAUD is when there is a conspiracy between two or more to
254 perpetrate an organized systematic effort to steal, bribe, or bully
255 votes, manufacture ballots, or manipulate results via the voting
256 machines or all the above by DOMESTIC or FOREIGN actors, or
257 BOTH working together, usually involving some election officials,
258 and often also involving those supposedly elected to office—
259 THAT'S WHAT WE KNOW HAPPENED, WE HAVE THE
260 RECEIPTS, AND WE MUST BE HEARD ON THIS!

261 Every Republican telling us to move on is a TRAITOR! They must
262 be targeted for RETIREMENT. R.I.T. — Retired to the torment of
263 their defiled conscience, if they have not utterly seared it — and in
264 that case, they are consigned to the JUDGMENT of the
265 ALMIGHTY. They will DIE in their SINS, and face the JUDGE
266 they cannot bribe, or bully, or blackmail!

267 Okay, I'll deal with the monkey pox thing more tonight, but let me
268 give you at least the gist of this issue.

269 Dr. Haider warns that the monkey-pox virus is more dangerous as
270 a political weapon than as a viral disease. Just like COVID. He calls
271 on all of us to get ahead of this one and STOP IT BEFORE THE
272 POLITICIANS CAN USE IT TO FURTHER ERODE OUR
273 LIBERTIES.

274 He has some other things to say that we NEED TO HEAR ABOUT
275 THIS, so, stay tuned.

276 The article is titled Doctor Warns of Suspicious Pattern Behind
277 Monkeypox Outbreak, "This could be used to take away our

278 freedoms" — bylined: Patricia Tolson for the Epoch Times. Here is
279 the article.¹

280 Dr. Haider is an MD with Northwestern Medicine, board certified
281 in Internal Medicine (requires about 11 years of training after High
282 School). It involves an understanding how to handle a broad range
283 of medical conditions across a variety of organ systems—
284 sometimes called an Internist, or General Internist. They are
285 expected to be EXPERTS in diagnostics, and the treatment of
286 chronic diseases. He has been working in his field for more than 15
287 years.

288 He issues his warning against monkey-pox by clarifying what it is,
289 and exposing the PRIMARY THERAPEUTIC that stops the
290 spread — and he says, in this context, MASKS TO BLOCK THE
291 SPREAD OF MONKEY-POX IS RIDICULOUS. I'm glad to see
292 more doctors coming out with the truth about the obscene
293 spectacle of people walking around wearing face diapers, catching
294 and cultivating plenty of bacteria but doing NOTHING TO
295 BLOCK A VIRION (an infectious virus particle) that is THREE
296 TIMES SMALLER THAN THE PORES OF YOUR STANDARD
297 SURGICAL MASK. But, more on that later.

298 A brief touch on the background of monkey-pox: It was first
299 discovered in 1958, when an unusual pox broke out in a few
300 colonies of monkeys being kept for experiments, hence the name,
301 monkey pox. The first human case appeared in 1970, and it did not
302 go anywhere. It vanished very quickly. Those showing symptoms
303 are isolated until symptoms go away, and THAT'S IT!

304 Prior to the 2022 outbreak — a group got together in March of
305 2021, to do a war game scenario to plot out response to an

306 anticipated bio-attack. Very much like Event 201 anticipating a
307 pandemic we now call COVID.

308 I've read through the Event 201 documentation—I can verify that
309 what Haider says here as reported by Epoch Times is right on.
310 Event 201 anticipated a pandemic about a year or two before
311 COVID hit. They did a tabletop exercise, covering every possible
312 contingency related to the anticipated global pandemic — all
313 focused on "controlling the spread" which involved protocols like
314 lockdowns, masks, and HOW TO DEAL WITH
315 MISINFORMATION ONLINE. Everything EXCEPT one thing —
316 THERAPEUTICS. They gave little or NO THOUGHT at all to
317 anticipating what therapy protocols might be tried. And, by the
318 way, I noticed that great pains were taken on the problem of
319 CONTROLLING INFORMATION — stifling what they dubbed
320 "misinformation," controlling social media. They planned it all out,
321 and followed this plan very carefully. You have seen the results.

322 So, in March of 2021, a team of "experts" got together and did a
323 table top exercise to address an anticipated BIO-ATTACK. And
324 the "hypothetical" exercise named the bio-attack, guess what,
325 MONKEY POX. They created a timeline for the attack. I went to
326 the site and can no longer find the document outlining the study. I
327 suspect they pulled it down because of what I'm about to reveal.
328 Here is a copy of that study in my file.² Under Figure 1. Scenario
329 Design Summary, you discover three "moves." Under Move 1, you
330 see that they hypothetically established a date for the beginning of
331 the attack: the bio attack would be launched by terrorists on May
332 15, 2022. By June 5 there would be 1,421 cases, and 4 deaths. No
333 international warnings at this time. Then, under Move 2, Jan. 10,
334 2023, it will have spread to 83 countries with 70 m. cases and 1.3
335 mil. deaths. It will be revealed that the monkey pox virus had been
336 ENGINEERED to be vaccine-resistant. Then on May 10, 2023,

² 895.17.2-Strengthening Global Systems to address BIOLOGICAL THREATS. NTI_Paper_BIO-TTX_Final.pdf

337 there will be 480 m. cases and 27m deaths. At this point, the
338 terrorist group responsible for the attack is revealed. It originated
339 in by infiltration into a civilian bio lab.

340 After this, there will be a global roundtable called, Dec. 1, 2023,
341 leading into the heat of the 2024 election — 3.2 BN cases, 271m
342 deaths and they will assess the differences of how countries
343 handled the crisis.

344 Isn't that interesting? Without the backdrop of EVENT 201 and the
345 EERIE parallels between their hypothetical case and what
346 happened to us with the COVID scam — (REMEMBER, THEIR
347 DREADFUL ESTIMATES OF DEATHS FROM THE DISEASE
348 PETTERED OUT despite their incredible efforts to gin up the
349 numbers — you remember sending the elderly to certain death in
350 nursing homes ill equipped to handle them, incentivizing hospitals
351 to diagnose aggressively for COVID, use of a test that was
352 purposely designed to gin up the numbers of cases — which turned
353 out to work against them — but all to use fearmongering to drive
354 people toward their vaccines, which Birx admits now, they KNEW
355 WOULD NOT CURB THE SPREAD or prevent infection — but
356 that's not what they told us, now is it?)

357 The table top exercise hypothesized the bio attack would happen
358 May 15. The outbreak began May 16, 2022. Prediction, or luck
359 guess? You decide. After the COVID scam, it's easy to see what's
360 going on. This was not some lucky guess, this was pre-planned.
