13 [TRUTH]
14 Military preparedness! Has God said, "take away her battlements,
15 they are not the LORD's"? (Jeremiah 5:10).
16 Every branch in the military is experiencing a recruitment crisis.¹
17 Retired Lt. General Thomas Spoehr, of Heritage Foundation, said
18 "This is the start of a long drought for military recruiting."
19 Here is an article from USMilitary.org, purporting to provide an
20 "in-depth" look at the crisis, explaining the problem is twofold. The
21 number of qualified recruits is at an all time low ~23% — down
22 from a previous low of 29% in recent years. But the bigger problem
23 is interest. Only 9% of eligible young adults have any interest in
24 joining the military.

¹ <https://www.nbcnews.com/news/military/every-branch-us-military-struggling-meet-2022-recruiting-goals-official-rcna35078>

25 The Army and Navy are trying to attract recruits with large signing
26 bonuses, up to 50k. USMilitary.org said if that doesn't work, "it's
27 hard to imagine what will."

28 I can't get up to date numbers—but we were at about 30k of their
29 60k goal, or 50% coming into the last leg of the recruiting season,
30 which ends with the military fiscal year, Sept. 30. Most recruiting
31 comes in the last quarter, and since I'm not seeing any alarm
32 notices right now, I wonder if this is not the usual pattern—but like
33 the ex-military WOKE dude beloved by MSNBC Paul Rieckhoff
34 pointed out, TRAGEDY BECOME'S AMERICA'S NEW NORMAL
35 — I mean, everything is driven by *tragedy* — and so we should not
36 be surprised that recruiting is in TRAGEDY mode — not sure I'm
37 buying it! Ret. Lt. General Spoehr said "2022 is the year we begin
38 questioning the sustainability of an all volunteer force." Hmmm?
39 I must preface this next comment with my declared respect and
40 confidence in the good General with Heritage Foundation—but I
41 wonder if this isn't the objective? CREATE A RECRUITMENT
42 TRAGEDY and then use it to argue that for NATIONAL
43 SECURITY we are going to return to the DRAFT.

44 I'm not surprised the military is having trouble attracting young,
45 aspiring, SOLDIERS — you know, the hero types — .

46 USMilitary.org (It's a privately owned news source dedicated to
47 active Military but for some reason did not identify an author for
48 this article, except as USMilitary.org—so it must be the proprietors
49 whose names are not revealed on their site—but they go way out of
50 their way to declare themselves a NON GOVT. private business.
51 Perhaps like Facebook, since like Facebook, the site seems never to
52 stray from the official military narrative. But I'm little acquainted
53 with the source, so!) Anyway, USMilitary.org provides this
54 alarming article on recruiting woes, representing the article to be
55 an INDEPTH look at the problem—but it's hardly anything of real
56 substance, and its analysis is scantily clad propaganda.

57 It completely ignores what are almost certainly some of the most
58 important contributors to a declining enthusiasm for our military.

59 Who wants to put themselves under a commander in chief that
60 would betray their mission, leave them behind enemy lines, bungle
61 a withdrawal — abandon civilians and betray friends — cave in to
62 our enemies, offer our enemies a complete capitulation, a virtual
63 surrender, and leave behind an 85BN\$ cache of weapons?
64 Remember Afghanistan! Remember the humiliation and very real
65 danger HE CAUSED! With the military top brass aiding and
66 abetting the BETRAYAL! Does anyone wonder why the military is
67 having trouble recruiting when they are embarrassing the entire
68 country almost daily with their WOKE nonsense? While Russia
69 and China are presenting recruitment videos that inspire heroes
70 and attract SOLDIERS, our recruiting videos come across like as if
71 created by DRAG SHOW CLOWNS. Real men and women don't
72 want to IDENTIFY with that! I feel terrible for some of our finest
73 and brightest who've made an honorable career in the military and
74 must endure this exposure to ridicule—they don't deserve it. But
75 Mealy mouthed Milly does, and Biden certainly does.

76 Who wants to entrust their lives and careers to leadership more
77 interested in making sure everyone uses the right pronoun than
78 they are interested in making sure you are ready to carry out and
79 fulfill your MISSION?

80 Look the fact is our military cannot be taken seriously under
81 current leadership! There is no one to inspire confidence or
82 anything even remotely resembling patriotism. Americans don't
83 fight for clowns that lock up their political opponents—that, get
84 this, that take some vile pervert whose "career" in sex trafficking
85 destroyed hundreds of lives of vulnerable young men and women,
86 like Epstein's recruiter and "fixer" — Ghislaine Maxwell —
87 convicted on how many counts of sex trafficking crimes against
88 HUMANITY — and give her a prison sentence that allows her to

89 have her yoga class, and treated like a little queen, but takes a
90 brave, heroic patriot medical professional like Simone Gold and on
91 Trumped up charges of "trespassing" give her a 60 day prison
92 SENTENCE and LOCK HER IN SOLITARY CONFINEMENT for
93 — for WHAT? FOR WHAT? You see, don't you, you are hearing
94 the message from the DEVILS holding this country hostage to
95 Satan right now — surely! They are not being obscure, or vague,
96 recondite, or cryptic; there is no ambiguity in their messaging—
97 IT'S THE DAY OF THE PERVERTS, it's the TIME OF THE
98 WICKED to get their REVENGE on the RIGHTEOUS — it's like
99 this.

100 You can violate any number of laws—sex trafficking, slavery, drug
101 pushing, even rape, and murder will get you better treatment from
102 these people; you can burn down entire city blocks, shoot innocent
103 bystanders, you can set fire to public buildings, private businesses,
104 you can beat up poor helpless Chinese old ladies, you can choke
105 hold business owners, you can walk in to any store, take what you
106 want, and walk out, free — so long as it's under \$900; you can
107 throw molotov fire bombs into police cars — all of this, you can
108 swarm 7-11 stores, steal, pillage and destroy, like a band of pirates,
109 or locusts—and Kamala Harris will bail you out, and Jennings will
110 provide legal cover for you, and the Democrats will applaud you,
111 provide legal cover for you, and the MSM will provide social cover
112 for you, and you will be hailed a hero—I mean, hey, you can cross
113 our borders illegally, rape American women and abuse our little
114 children and be sent back to Mexico and let in to do it again; you
115 can violate your oath to the PEOPLE and to the CONSTITUTION
116 so long as you are OBEDIENT to tyrants that order you to violat
117 the CONSTITUTION, I mean, you can even commit TREASON
118 against the country and its Constitution to which allegiance was
119 sworn — to protect against enemies foreign and domestic — you
120 can snub your nose at subpoenas for evidence in a criminal case,
121 and flagrantly destroy the evidence, and the powers will look the

122 other way if you are of the RIGHT PARTY, you can take bribes and
123 openly, flagrantly VIOLATE THE CONSTITUTIONALLY
124 RECOGNIZED RIGHTS OF YOUR FELLOW CITIZENS so long
125 as they are POLITICAL OPPONENTS to the RULING PARTY
126 you will have legal and social cover — but there is one thing you
127 had better never do and that's cross them — you had better never,
128 ever stand up to them, and refuse to BOW DOWN TO THEM.
129 You MUST never take an opinion "they" disapprove, or speak out
130 against the GOVT. NARRATIVE — if you do that, you will be
131 hammered, hated — then when you end up in jail, you will be put
132 into SOLITARY CONFINEMENT. Is that what they did to Simone
133 Gold? I think I read they put her in solitary confinement for her
134 crime of TRESSPASSING —

135 Let me tell you something Biden, Hillary, Obama, Merry Merrick
136 Garland, Schumer — who once said GOD WILL NOT PROTECT
137 YOU — well, let me tell you something, GOD is not going to
138 PROTECT YOU CHUCK, you are abandoned to your
139 JUDGMENT — thus saith the LORD — BE SURE YOUR SINS
140 WILL FIND YOU OUT.

141 What shall we do! I'll be speaking to this Sunday as I begin
142 unfolding phase two of our assault against the powers held in
143 darkness. And I need to go to break, but I really don't want to leave
144 you with this, so — take heart, and don't resort to vengeance.
145 VINDICATION is coming — but it will not come by us taking
146 vengeance.

147 Leave that to GOD! Listen to what the SPIRIT of the LORD says to
148 us, AND TO THEM TOO, by the way.

149 "Avenge not yourselves, but rather give place unto wrath: for it is
150 written, Vengeance is mine; I will repay, saith the LORD" (Romans
151 12:19). Hey, Biden, Pelosi, Schumer, Merrick, Fauci, all of you —
152 GOD PROMISED HE WILL REPAY.

153 Okay, friends, I need to take a break. Hold on! I'll be right back!

154 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor
155 at the Lighthouse, your brain masseur, and Paul Revere's lantern
156 lighter, lighting the lamps in the church belfry arch, signaling the
157 enemy is on the march, an enemy that would steal from us our
158 liberty.

159 Biden wipes out student loan debt! He did not listen to Pelosi when
160 she explained that Biden couldn't simply dismiss student loan debt.
161 The Congress has to do that. But Biden wants to be a dictator, so
162 bad! "Stroke of the pen, law of the land"² — Remember, every
163 policy of the Left these days is driven by the spirit operating on, in,
164 and through them — it's the spirit that is present to STEAL, KILL,
165 and DESTROY! They have three objectives and one strategy to
166 achieve them: steal, kill, and destroy — and their method
167 comprehends both their strategy and tactic — DECEIT! Freshest
168 example: Joey decides to wipe out student loan debt by putting it
169 on the taxpayers of America. Why should you pay for some kid
170 who went to college to learn how to HATE AMERICA, AND
171 YOU?

172 Remember Joe Begala, Clinton aide and dedicated Clintonista?
173 During what the perverted left like to call, *Clinton's Camelot*, Joe
174 enraptured said of his idol: "Stroke of the pen, law of the land.
175 Pretty cool."

176 Clinton signed 364 EOs during his regime — but this pales in
177 comparison to his hero, FDR, who signed over 3,700 — of course
178 he was president for life, practically. Even so, his average was over
179 300 every year! Trump signed 220. His last was to DECLASSIFY all
180 docs related to RUSSIA-GATE. (I think that's what they were after
181 in the "surprise" raid on his Florida home. Coincidence that the
182 raid came about two weeks after Trump filed a RICO based lawsuit

² <https://jewishworldreview.com/cols/jennings012500.asp>

183 against Hillary et al. for conspiring to perpetrate a coup against a
184 sitting President with their spying on Trump and fabrication of the
185 LIE that he was in cahoots with Putin. Yeah! Trump files this suit
186 and what do you know, FBI gets real interested in documents they
187 think Trump has that he DECLASSIFIED regarding Russia gate —.

188 These wicked people — I mean Biden, Hillary, Obama, Pelosi,
189 Schumer, these family dynasties that have made government their
190 family business — They have BROKEN the RULE OF LAW and
191 replaced it with the RULE of MEN.

192 They treat the Constitution, and rule of LAW in a mechanistic
193 manner — manipulating it to get the result they want; rather than
194 conforming to the spirit of the law, they operate it the way
195 someone operates a machine. They are like their father Satan, who
196 uses the LAW of GOD by twisting it to his purpose. These wicked
197 rulers over the poor people ignore the spirit of the law and examine
198 every letter, word, and phrase, seeking a way to twist them into
199 support for interpretations that are opposite to the intent and spirit
200 of those that wrote them, distorting them into service to the spirit
201 of the prince of the power of the air.

202 Like when the FBI came to Zuckerberg and expressed concern
203 about the amount of *Russian misinformation* out there and
204 encouraged him to address this problem, and he dutifully had his
205 "people" write an algorithm that would suppress social media talk
206 about Hunter's Laptop — you see, they know the LETTER OF THE
207 LAW — that if they specifically said SUPPRESS THE HUNTER
208 LAPTOP STORY they would expose themselves to legal penalties,
209 but if they just said, you know, there is a lot of Russian
210 disinformation "out there," and Zuckerberg, being a clever boy,
211 "understands" and so he, being an independent private citizen
212 decides to direct his company to "stop Russian disinformation" and
213 claiming to "really believe" the Laptop-is-Russian disinformation
214 story pretends to be all, hey, we are not going to cooperate with

215 Putin, and, well, you see what I mean. They contrive their evil in
216 the shadows of legality, they weave in and around the letters and
217 words of law, like a snake — no, like this cat I saw that walked
218 along a grated fence weaving in and out, around each bar, walking
219 along, weaving its way along the fence — they are like that! They
220 weave along the letters and phrases of the LAW, carefully avoiding
221 capture—living under the protection of the LAW while using it to
222 commit egregious crimes in violation of the law — manipulating
223 the very law intended to PROTECT AGAINST THEFT, MUDER,
224 AND MAYHEM and use it instead to STEAL, KILL, and
225 DESTROY!

226 But they stay just within the LAW, like termites live inside your
227 house—hidden from view—yet eating continually, feeding
228 themselves on the structures constructed to provide protection,
229 until finally the house crumbles to the ground. These termites are
230 eating away the house our founders built.

231 But here comes the hot sword of the LORD, like Sue Freeze and her
232 ECOLA treatment eliminates the termites—the hot blast of GOD's
233 WORD will rid us of these corrupt brutes—BE SURE YOUR SINS
234 WILL FIND YOU OUT!

235 I know it's frustrating—their plausible deniability, their brazen
236 deceit—for example, lately, Biden is asked how much advanced
237 notice he received about the Mar-a-Lago raid, and he truthfully
238 says — "I didn't have any advance notice, not one, zero, not one
239 single — as he flashes the 666 signal — because he was the advance
240 notice, he is the initiator of the action — so, according to the *letter*
241 one must admit he did not lie — but according to the spirit of
242 TRUTH, he is a lying skunk. He is like a skunk that sprayed and its
243 stink is all around but says, IT'S NOT ME! I am the skunk, but I'm
244 not the stink! Right!

245 C'mone man! You know you took bribes from CCP, and you know
246 you are diverting taxpayer money from Ukraine into your
247 retirement fund, and you know YOU LOST, JOE!

248 I have a vaccine update for you tonight during COMFORT AND
249 COUNSEL live stream visit and we'll look at Lindell's MOMENT
250 OF TRUTH take down of the liars that stole ELECTION 2020 —
251 but I've run out of time for now. I wish you would buy my book,
252 GOD'S WAR — it's a training manual for SPIRITUAL
253 WARRIORS.

254 I do want to end, however, with something I warned you might
255 happen. Right from the get go on Trump's declared war on the
256 invisible enemy—I've come to wonder if he was not actually using
257 that as a metaphor not for the virus but for the REAL VIRUS
258 infecting America today — TREASON against the
259 CONSITUTION. You saw the article, an OP ED, posted by New
260 York Times³—understand that an OP-ED does not *necessarily*
261 reflect the editorial opinion of the organization—still! This OP-ED
262 from a guest writer declares it's time for Liberals to quite caring
263 about the "broken" Constitution and start finding ways around it!
264 START? Where has this guy been? Obama launched this
265 movement back in 2010. As US SENATOR, he made comments to
266 the effect that it is an OUTDATED document, and as PRESIDENT
267 he treated it as such! Search replace the US Constitution and you'll
268 be shocked by the number of people there are out there calling for
269 the Constitution to be cast aside and a new one written. That's the
270 crowd Trump is trying to DEFEND US FROM.

271 And they will stop at NOTHING to stop him — and if they
272 succeed, they will come directly after us—the CHRISTIAN RIGHT
273 is their target, and Trump got in their way!

³ <https://www.msn.com/en-us/news/opinion/new-york-times-guest-essay-calls-for-liberals-to-bypass-e2-80-98broken-e2-80-99-constitution-make-it-more-e2-80-98amendable-e2-80-99/ar-AA10Qzna>

274 So here is the latest effort to stop the President from coming out of
275 EXILE from his rightful office and retaking the White House —

276 The dangers of the vaccines are beginning to break through into
277 the general public awareness — it has been hard work, but we are
278 beginning to break through the barriers put up against the TRUTH
279 that Simone Gold and her Frontline Doctors group, followed by
280 many others who have joined the effort, so it's coming out and we'll
281 go over some of the newest stuff tonight —

282 All of those of you that follow the Brain Massage® show probably
283 remember how troubled I was at Trump declaring his enthusiastic
284 belief and confidence in the drive to get a VACCINE out in record
285 time. You and I know, of course, he did not intend that BIG
286 PHARMA would trot out a vaccine THEY KNEW WAS
287 DEFECTIVE, that, as Birx admitted, THEY KNEW WAS NOT
288 GOING TO CURB THE SPREAD OR EVEN PROVIDE
289 PROTECTION AGAINST THE VIRUS — she knew that — watch
290 her come out and LIE and say TRUMP KNEW THAT TOO.
291 Anyway, before I go there, I was very uneasy about this, and
292 warned then that when the vaccines fail, and when the truth about
293 the serious adverse reactions to the vaccines begins to come out,
294 the LEFT would do a sudden flip, and point at TRUMP and blame
295 him for all of it.

296 It's beginning! Pelosi circulated a statement in the House enquiring
297 about Trump's involvement in pressuring the FDA to release the
298 American vaccines to the public under emergency use
299 authorization without proper testing.

300 You see, the truth about PFIZER, MODERNA, ASTRA-ZENECA,
301 all of the companies that used the new untested trial mRNA
302 approach to immunization (NOT A VACCINE, BY THE WAY —
303 yeah, I know, FAUCI and his cohort of liars contrived to CHANGE
304 THE DEFINITION of vaccine to allow them to call the mRNA
305 shots a vaccine, but they do not qualify under the original

306 definition, well, it's all about to come out. They are about to face
307 their MOMENT OF TRUTH — and the plan, I believe, is to shift
308 the focus of all blame on Trump. I think this was the plan early on.

309 Okay, friends, I hope you enjoy my effort to bring you the news in
310 the context of TRUTH—understand from within a biblical
311 worldview rather than the current system of government
312 propaganda, where the news is driven by political agenda!
