Jerry Scheidbach

Original Air Date: 09.03.22

1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain
3 masseur—get ready for your brain massage.

4 Biden declares MAGA patriots public enemy no. 1? We will have
5 to look at Biden's best Naziesque imitation of his idol—Hitler!

6 And his press secretary has asserted Biden and his administration
7 actually represent the MAJORITY—but worse, she has asserted
8 that resisting the will of the majority marks you as an "extremist."

9 Okay, my friends, get ready — it's time for your Brain Massage!

10 [TRUTH]

11 Biden declares MAGA patriots public enemy no. 1? I will walk you
12 through the pertinent points in what has become Biden's best
13 Naziesque imitation of the left's secret idol—Hitler—that he
14 displayed in Philadelphia during his latest hate-filled speech.

15 Leading in to this speech, not coincidentally, by the way, Biden said
16 MAGA patriots are "semi-fascists." He is depending on American's
17 ignorance of what the word means. The FACT is MAGA patriots
18 are practically the exact OPPOSITE of fascists. Hitler used the
19 German's LOVE for Germany to inspire them to follow his fascists
20 regime into utter destruction of Germany, and havoc around the
21 world. Trump appealed to God fearing American's love for their
22 country to inspire them to follow him in his efforts to MAKE
23 AMERICA GREAT AGAIN by RETURNING to our FOUNDING
24 PRINCIPLES and FAITH of our FATHERS. On the other hand,
25 BIDEN and his ilk have ginned up hatred for AMERICA, and
26 appeals to the hatred they have created to inspire these haters to

27 destroy America as founded and replace it with FASCISM. We
28 truly live in strange times.

29 Biden's speech was presented with optics that literally SCREAM
30 fascism. Okay, I'll address his speech in the second segment. I
31 started here to establish that the Deep State through the puppet
32 admin intends to mark all Trump's supporters as dangerous
33 extremists that are a clear and present danger to this Republic. So
34 the next move depends on fabricating the illusion that he
35 represents the values and opinions of the "MAJORITY."

36 Karine Jean-Pierre explains *extremism*: "When you are not with
37 what majority of Americans are then, you know, that is extreme.
38 That is an extreme way of thinking"¹: Curious coming from
39 someone who is an epitomist convergence of minority interests —
40 a black-lesbian-communist. I don't think any of that represents
41 "what majority of Americans are..." Of course, that's not what she
42 meant! Right? No! What she meant is far more dangerous to the
43 American ideals of liberty and justice for all.

44 We don't know what the "majority" thinks; and we'll not know
45 until the Dominion stealing machines are melted down, tooled into
46 prison bars, and fitted to the cells holding Hillary, Pelosi, Schumer,
47 Schiff, all Dominion executives, every Secretary of State, Attorney
48 General, District Attorney, and every Election official, every
49 Republican, and Democrat politician, every traitor that
50 participated in and/or supported the 2020 election theft.

51 For the present, I'm going to go with the assumption that the
52 MAJORITY of Americans think Jean-Pierre is, like Biden, a
53 placeholder used as pawns in the effort to bring America down! I
54 believe MOST AMERICANS know Biden is a plagiarizing thief,
55 whose hands are deep into the once deep pockets of Beijing—I
56 think MOST AMERICANS believe that any man who pretends to

¹ BLAZE, Sep. 1, 2022 — <https://twitter.com/theblaze/status/1565429192744919043>

57 be a woman and invades female sports to STEAL the dreams of real
58 women, and KILL the hopes of women who worked a lifetime to
59 perfect their athletic skills in the sport of their choice, that any and
60 all of these deluded people attempting to DESTROY the
61 DIVINELY appointed distinctions between MALE and FEMALE
62 are operating under the influence of delusion, at best, and the
63 DEVIL at the worst— I'm going with the assumption that MOST
64 Americans are NOT OKAY with this.

65 But even IF it was true that *most Americans* have indeed become so
66 dim witted and dull they can't see that public education pursuing a
67 secret curriculum to indoctrinate our children rather than educate
68 them, to tell them what to think instead of teaching them how to
69 think, and in the CA Assembly use deception to STEAL
70 PARENTAL RIGHTS and arrogantly presume to TAKE parental
71 supervision rights away—they did not ask California parents if they
72 are OKAY with providing abortions for their children, and
73 initiating gender transition therapy NOT ONLY WITHOUT
74 PARENTAL PERMISSION but even going farther and DENYING
75 TO THE PARENT THEIR RIGHT TO EVEN KNOW ABOUT
76 ANY OF THIS — you don't do that if you have the MAJORITY —
77 you only do that if you KNOW YOU DON'T HAVE THE
78 MAJORITY and so you have to FORCE it on the people.

79 Hey, Miss., Mrs., Ms. or how do you pronounce the latest — Mx
80 (official pronunciation *Mix* — Pierre — I challenge your
81 presumptuous assumption that your views represent the
82 MAJORITY views of our nation, but put that aside for the
83 moment: the fact is this country was built on many fine principles,
84 one of them being a commitment to DEFEND AND PROTECT
85 RIGHT OF DISSENT, THE EQUAL RIGHTS OF MINORITIES,
86 MINORITY INTERESTS to DISAGREE with the INTERESTS of
87 the MAJORITY —

88 And by the way, minority opinions should not be subjected to the
89 pejoratives of official government representatives speaking on
90 behalf of the government that holds the power of compulsion.
91 Your denigration of an entire class of people as "extremists"
92 because they are out of step with the MAJORITY is the stuff from
93 which bigotry is made—it is very fabric of tyranny.

94 The concept that a majority establishes official policy on a course
95 of action is one thing, but TO GO FARTHER AND SAY THE
96 MAJORITY ESTABLISHES THE ONLY SANCTIONED
97 THOUGHTS ABOUT GOVERNMENT POLICY and ENDS ALL
98 DEBATE on every question is a different matter entirely.

99 Second only to RIGHT OF CONSENT is RIGHT OF DISSENT.

100 "They" have taken away our RIGHT OF CONSENT and now
101 they're coming for our RIGHT OF DISSENT.

102 And, why? Don't they have the *majority*?

103 Why does Biden-Fuhrer resent dissent?

104 I mean, if he truly HAS THE MAJORITY, he has nothing to be
105 concerned about! But he KNOWS HE LOST in 2020, and he
106 knows TRUMP's MAGA movement is huge, and that RIGHT is on
107 OUR SIDE. I have noticed that the ONLY time these haters of
108 America, these despisers of those that are good, these cynical types
109 that say in their heart, there is no GOD, the only time they call for
110 "unity" and "compromise" and talk about the danger of dissent is
111 when THEY DON'T CONTROL THE NARRATIVE, AND THEY
112 DON'T HAVE THE MAJORITY.

113 I have a proposal to offer America! Obviously, there is
114 disagreement over a great many things, but all disagreements, at
115 least in this country, are settled at the ballot box. We don't settle
116 our differences by going into the streets to pillage our neighbors
117 and create unrest and disturb the peace of our communities. That's
118 what "they" do!

119 We believe the 2020 election was stolen and we have carefully
120 studied the matter — and anyone that will be honest about it will
121 admit, the 2020 election was so fishy it stinks of dead rotting fish.
122 Beginning with the FACT that Trump was winning handily —
123 suddenly the counting STOPS, then suddenly, Biden is leading
124 when it starts again, with all the anomalies that pile up and
125 overwhelm every reasonable objection to our just suspicions, and
126 then the PROOF comes out —

127 2000 Mules, Mr. Lindel's work. Here is a video simulation of how
128 the machines are used to flip votes.² Here is an explanation of how
129 the program used in the machines to manipulate elections.³ The
130 rebut? No, that can't be because it's against the rules! Yet when they
131 are caught, when it is PROVED that the machine went awry, then
132 it's "operator error," or "mechanical malfunction." And, don't let
133 what you SEE fool you—Trump's MAGA movement supported by
134 MEGA RALLIES while Biden barely got 100 people together — I'm
135 done with these people who refuse to SEE what is staring them in
136 the face. But probably the greatest evidence against the ridiculous
137 notion that 2020 was an honest and fair election.

138 The left spent four years howling about RUSSIAN
139 INTERFERENCE in the 2016 election and we endured endless
140 howling from the LEFT and constant barrage of Trump being an
141 illegitimate President based on the allegation that he colluded with
142 RUSSIA to steal the election. We endured a special investigation,
143 ending with the Muller report that said there was nothing to
144 support the allegation of Russian collusion — then evidence started
145 coming out, and it keeps coming out, the whole Russian Collusion
146 thing was a HOAX, fabricated by Hillary's campaign operatives,
147 that the Obama admin. weaponized the FBI for political ends,
148 illegally spied on Trump and his campaign, and came up with

² <https://frankspeech.com/video/simulation-how-your-votes-can-be-flipped>

³ <https://frankspeech.com/video/memory-cards-and-programming-itself-compromises-integrity-our-votes>

149 NOTHING — it's all there, but those in present control of the
150 govts power-apparatus refuse to allow a fair and honest appraisal
151 of the 2020 election—we endured the hyper-scrutiny of those
152 alleging 2016 was "stolen" from Hillary, and then we are appalled at
153 the endless stream of revelations PROVING THE WHOLE
154 THING WAS FAKE — but THEY (the left) arrogantly refuse to
155 allow a fair and honest investigation into the questions we have
156 raised about 2020—. Nothing PROVES Biden and company
157 STOLE 2020 quite so obviously as this: When they questioned
158 election results, we endured the spectacle of their never-ending
159 witch-hunts, we PAID for it—we watched the whole thing—
160 objecting but not obstructing! THEY, on the other hand, REFUSE
161 to even allow FREE SPEECH to function—.

162 So, here is my proposal—get rid of the Dominion machines, end
163 ballot harvesting, set up an ELECTION DAY when votes are
164 counted fairly and honestly, and let's SEE what AMERICA really
165 does have to say!

166 But the LEFT cannot allow a free and fair election. They have
167 totally LOST the majority, and they know it.

168 Don't you see it! No one has to control speech, contrive to have
169 inflated voting rolls, resist every effort to secure every qualified
170 LEGAL citizen has ONE VOTE and every LEGAL VOTE
171 COUNTED — opposing common sense voter laws, like voter id,
172 it's irrational — except actually it's perfectly consistent and rational
173 because it's the ONLY WAY THEY CAN CONTINUE HOLDING
174 POWER AGAINST THE WILL OF THE MAJORITY.

175 No one has to object to any of that UNLESS THEY INTEND TO
176 CHEAT — and Americans KNOW THIS.

177 If they truly had THE MAJORITY, they would not pull all this
178 nonsense—. The LGBTQ crowd are NOT THE MAJORITY —
179 AND that is an undisputed FACT — they represent, maybe, 3% of

180 the population. There is NO way the MAJORITY of AMERICANS
181 are okay with tranny men entering female sports pitting biological
182 males against biological females — that's NOT OKAY, and MOST
183 AMERICANS are not buying it. In fact, MOST IN THE LGBTQ
184 COMMUNITY ARE NOT BUYING IT. The trend of late is to
185 DROP the T in LGBTQ.

186 There is NO WAY MOST AMERICANS are okay with the 2020
187 "summer of love" — there is NO WAY MOST AMERICANS are
188 supportive of the behavior of the FBI or the CIA throughout this
189 entire debacle — NO WAY! There is NO WAY MOST
190 AMERICANS support Biden's energy policies — there is NO WAY
191 MOST AMERICANS support his presidency! Jean-Pierre opened a
192 CAN OF GRUBS when she asserted that the Biden admin
193 represents the majority of Americans!

194 Don't you see it! THEY ARE DOING ALL THIS SPECIFICALLY
195 BECAUSE THE MAJORITY OF AMERICANS DO NOT
196 SUPPORT THEIR AGENDA to transform America into a third
197 world dictatorship!

198 Okay, I need to take a short break. Hold on, I'll be right back!

199 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor
200 at the Lighthouse, your brain masseur, and Paul Revere's lantern
201 lighter, lighting the lamps in the church belfry arch, signaling the
202 enemy is on the march, an enemy that would steal from us our
203 liberty.

204 Biden declares MAGA patriots public enemy no. 1? I will walk you
205 through the pertinent points in what has become Biden's best
206 Naziesque imitation of the left's secret idol—Hitler—displayed in
207 Philadelphia during his speech. Biden lately said MAGA patriots
208 are "semi-fascists," depending on American's ignorance of what the
209 word means. The FACT is MAGA patriots are practically the exact

210 OPPOSITE of fascists, while Biden's speech was presented with
211 optics that literally SCREAM fascism.

212 Hey, lefty — don't get too comfortable! Biden's target is anyone
213 that opposes him. Remember when he spat: if you oppose me and
214 vote for Trump, you ain't black! Remember when he called out a
215 Democrat voter for daring to ask him a question he did not like,
216 and went so far as to challenge him to meet him in the parking lot?
217 Remember when Trump was badgered with nonsensical questions
218 and — answered them?

219 Why does Biden-Fuhrer resent dissent? Why does this latest
220 incarnation of Hitler—this latest embodiment of the spirit that
221 found this child of Braunau Am Inn — that found a door into the
222 soul of that child born in Austria's Bohemian "grove" — the spirit
223 that now resides in this clone of Hitler's soul—don't take my word
224 for it — look a reels of Hitler's dramatic speech antics and settings,
225 and Nazi propaganda — see Biden, Hitler like, clinched fists
226 flailing before his Nazi-esque backdrop, with the ominous
227 suggestion of the American Military Might standing behind him,
228 and the blasphemous desecration of the Grand Ole Flag — and
229 invading the birthplace of Liberty—Philadelphia—to declare its
230 demise — oozing with the hatred he decries, and using "great
231 swelling words" to deceive the hearts of the simple.

232 Did you see the stage before CNN softened the ghoulish, blood red
233 backdrop to Biden's shot over the bow of liberty's ship—

234 The traitor has come with his kiss of death, saying to liberty "my
235 brother," while taking the beard of Uncle Sam to kiss him with
236 feigned affection, and while Uncle Sam leans forward to receive the
237 gesture, he gives no heed to the SWORD in Biden's left hand (they
238 are of the *left handed path* you know) — till the sword is thrust
239 between the fourth and fifth rib, deep into the HEART and twisted
240 and thrust downward opening the belly and pouring out the very
241 bowls of liberty upon the ground at the feet of Xe Jing Ping.

242 Anyway — friend, don't miss what's going on here. It's all about
243 FEAR, and INTIMIDATION. They have nothing left. They have
244 lost control of the narrative, they have lost the debate, and they
245 know it; they have lost credibility with MOST AMERICANS —
246 they are making a massive move toward intimidation and hope to
247 cower enough Americans in fear so a popular wave of opposition
248 will not rise up against them.

249 This speech coming on the heels of the outrageous effrontery to
250 our liberties represented by the Mar-a-lago raid is not by accident,
251 or coincidence. And the disturbing imagery of his venue, the blood
252 red panels framing his speech, with the suggestion of military back
253 up—this following on the FBI raid on the leader of the MAGA
254 movement — listen, it's all designed to say WE ARE COMING
255 AFTER YOU! It is the left's shot over the bow of ship Liberty
256 named MAGA.

257 He demonizes MAGA but does not explain what it is in the MAGA
258 movement constitutes this grave danger to our Republic. MAGA
259 — MAKE AMERICA GREAT AGAIN — exactly how is THAT a
260 threat to AMERICA? Well, it's not! But it IS a threat to the agenda
261 of those who want to bring America down, who want America to
262 come fully into the power of that one present to STEAL, KILL and
263 DESTROY.

264 Let's get started parsing Biden's effort to brand all GOD FEARING,
265 CHRISTIAN CONSERVATIVE PATRIOTS as dangerous
266 extremists so he can justify a GESTAPO, SS TROOP, Krystalnacht
267 against the true CHURCHES and real PATRIOTS of America as
268 FOUNDED.

269 He spoke of "equality" and "democracy." But the equality he desires
270 to protect was never envisioned by our Founders—they envisioned
271 equality before the law, where men and women would stand as
272 equals. But the left has perverted equality to mean equality in
273 outcomes, or that men have an equal right to be a woman as any

274 biological woman, and biological men can be women — that's what
275 equal *rights* means to the left today. As for *democracy*, our founders
276 scorned the idea of democracy as envisioned by this administration
277 and those that follow it. Democracy in so far as it recognizes the
278 peoples right of consent is clearly envisioned in our Founding
279 documents, but this is trampled upon by these devils — While
280 democracy in the sense that the majority has a power to trample
281 upon the rights of the minority, so long as "the right party" holds
282 power, and declare they hold it in the name of "the majority" —
283 this is the *democracy* they embrace today. Biden is correct! We
284 deny any such species of *equality* and *democracy* that tramples
285 upon the individual rights and liberties of Americans. The RIGHT
286 to kill babies in the womb is neither natural nor inalienable, and
287 certainly never bequeathed by GOD. Let's be honest, he says, "Too
288 much of what's happening in our country today is not normal."

289 I'll say! If normal has any meaning it must included conforming to
290 the laws of nature. A two-headed Giraffe is not "normal." And a
291 man pretending to be a woman, and a mother murdering her
292 babies, and men abandoning their role as protectors, and we can go
293 on down a long list what is going on that is not "normal."

294 But I must pause here, and pick it up tonight during our live
295 stream visit: Comfort and Counsel.
