

Brain Massage®: Show No. 898 The End of Equality? / What Does America Look Like?

Jerry Scheidbach

Original Air Date: 09.09.22

1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain
3 masseur—get ready for your brain massage.

4 The end of equal rights? I'm going to explain why the gay agenda
5 destroys equality in America! Should we strive to become an
6 indiscriminating culture?

7 Revisiting *Defund the Police*: The liar-Lefties have tried to put that
8 ridiculous movement behind them since it has come out that the
9 policy has created a massive spike in theft and other violent crimes.
10 They are creating an environment that is unsafe for Americans.

11 And what's with the Devil in the WH—not Biden, well, I mean,
12 that's not the devil I'm talking about here. I mean the Devil—he
13 was totally on display during Biden's latest speech — I don't think
14 it's a good idea to allow the deep state to bury that *howl* from hell
15 that we heard come belching out of Biden's mouth on September 1,
16 2022.

17 And finally, I want to encourage you to support REFORM
18 CALIFORNIA. They are making an effort to restore election
19 integrity in our state.

20 Let's get as far as we can with this and take up the rest tonight
21 during the livestream.

22 It's time for your Brain Massage® —

23 [TRUTH]

24 The end of equal rights? Trans-women are uniting to protest
25 against men who refuse to date them! They demand to be dated?
26 Will the next step in the pursuit of equality be laws that define
27 refusal to date a tranny an act of discrimination?

28 Should we strive to become an indiscriminating culture?

29 Biden has made over 200 administration appointments from the
 30 LGBTQ community¹—he claims he wants his administration to
 31 "look like America." Take a look at this picture and tell me if this
 32 look s like America:

33

34 1. Rachel Levine—the Queer man who would rather be a woman
 35 — Secretary of HHS; does he wonder why real men won't date
 36 him? Might have something to do with the fact that it's unnatural,
 37 contrary to nature and nature's GOD, like Paul said, "leavinug the
 38 natural use of the woman, burned in their lust one toward another;
 39 men with men working that which is unseemly..."

40 2. Karine Jean-Pierre, WH Press Secretary; a lesbian woman,
 41 among those Paul described in Romans 1:26 "For even their
 42 women did change the natural use into that which is AGAINST
 43 NATURE."

44 3. Demetre Daskalakis, Monkeypox Czar, gay, and apparently a
 45 worshipper of Satan with a pentagram tattooed across his chest and

¹ <https://victoryinstitute.org/programs/presidential-appointments-initiative/lgbtq-appointments-in-the-biden-harris-administration/>

46 and other pagan symbolism tattooed all over him, and I suppose
47 that means something, right?²

48 4. Benito Skinner, a social media influencer recruiting by the Biden
49 administration to influence kids into taking the death-JABS. (Here
50 he is playing: Cooper the Gen-Z WH Intern; and another video he
51 was hired to create features Benito in red face, and devil's horns, to
52 celebrate PRIDE, and well, you get the idea);³ and

53 5. Sam Brinton, Deputy Asst. Sec. of Energy, in charge of Nuclear
54 Waste—Drag Queen who boasts his involvement in what is called
55 "pup play" — a fetish involving treating other men like dogs.

56 Every bit of this is degrading to human dignity, a sort of devolution
57 — it is curious how the rise of "evolution" as a theory of origins has
58 precipitated a devolution of culture from man to beast.

59 So this is what America looks like to Biden and company.
60 Homosexuals comprise about 3% of the general population.
61 Remember when they were pushing the 10% myth? They have
62 finally given up—truth just has a way of outlasting lies and wearing
63 them out. It's roughly 3%. When you start subdividing that
64 community into its various groups, like the number of trannies, the
65 number of pups, those that identify as various animals, and so on,
66 the numbers become so small that in your daily life you are more
67 likely to encounter a Martian—well, of course, that's an
68 exaggeration. They tend to congregate, to suggest their numbers
69 are greater, and then the MSM, Disney, and many perverse
70 corporations create the illusion that they are "normal," a regular
71 feature of society. The fact is they are not!

72 The hard, immovable fact is — men with men, and women with
73 women, do not create offspring. No matter how many times they
74 say it, men don't become pregnant.

² <https://thebluestateconservative.com/2022/09/08/yikes-joe-biden-appears-to-have-appointed-a-satanist-to-white-house-task-force/>

³ <https://townhall.com/tipsheet/spencerbrown/2021/08/09/meet-the-white-houses-new-vaccinepushing-influencer-n2593846>

75 I understand that 22% of Democrats believe "men are capable of
76 getting pregnant."⁴ When they narrowed it to women, 36% of
77 college-educated white liberal women believe men can get
78 pregnant.⁵ The insanity continues, but there is a mechanism by
79 which God controls such nonsense.

80 The fact is, homosexuals don't reproduce and most people will
81 default to NATURE. God has a program by which he puts a check
82 on these sort of bizarre cultural aberrations.

83 For example, God designed nature to reject homosexual behavior
84 — they receive in their body the due recompense of their reward.
85 One thing, as pointed out, they cannot reproduce. Secondly, and
86 this is a travesty in the medical profession—hiding the truth about
87 all the diseases that attend this aberrant, deviant behavior. The
88 practices in those communities are so shocking, and horrifying,
89 none dare speak of it in polite company. Trying to "normalize" this
90 abnormal behavior is not only distorting the Divine ORDER, it's
91 damaging to the health of those caught up in it. Nature abhors this
92 practice. That community has a mortality rate nearly double that of
93 the norm. So, no matter how hard "they" try to deny it, or use
94 media to market it — it's never going to be generally accepted.

95 Now, there are examples of entire communities embracing this
96 deviation from God's order. Sodom is one example! When this
97 deviancy from the norm is accepted on a wide scale in any
98 community, it always leads to a breakdown of law and order. In the
99 case of Sodom, and neighboring Gomorrah, they became so
100 overrun with this that the Sodomites believed they had a "right" to
101 force men into their behavior. They expressed violent intentions
102 against any who tried to stop them from forcing their behavior on
103 to others. When it gets that bad, and it always does if unchecked,

⁴ <https://www.tampafp.com/poll-shows-one-in-five-democrats-believe-men-can-get-pregnant/>

⁵ <https://dailycitizen.focusonthefamily.com/thirty-six-percent-of-college-educated-white-liberal-women-believe-men-can-get-pregnant/>

104 God will bring a great judgment upon such a community—He has
105 a quality control program: first, nature itself retaliates against this
106 behavior cutting their lives way short. But also, if it gets out of
107 hand, God will intervene in a dramatic way. Here is another way
108 this behavior is checked in God's creation.

109 Once, this deviant behavior became prevalent in a certain tribe of
110 Israel, the behavior became so prevalent, like Sodom, some men
111 demanded the male visitors of a citizen to be turned over to their
112 lusts. Rather than stand at the door with their AR in arm and Smith
113 and Wesson on hip and tell the wicked perverts to back off — an
114 erstwhile priest talked them into taking his concubine instead —
115 nice guy. They used her all night and left her for dead. The priest
116 cut her into 12 pieces and sent one piece each to the heads of the
117 twelve tribes, demanding justice. When the people demanded
118 justice, that offending tribe refused to extradite the criminals—and
119 refused to condemn their behavior. This led to a bloody civil war
120 that took tens of thousands of lives before it was settled, where
121 GOD finally gave victory and allowed justice and judgment and
122 sanity to return to Israel. You see there had been a long decay and
123 degradation of morals and manners in all the "states," so that to
124 correct the matter, required severe judgment upon every state (or
125 tribe).

126 The normal-majority (remember Falwell's Moral Majority?) —
127 there will always be a normal majority—but this majority will
128 usually tolerate a certain amount of deviancy, but if the deviant
129 begin to push themselves on their neighbors, if they begin to
130 DEMAND we deliver our children to them and their influence, if
131 they start "pushing too hard" in their demand of "equal" status with
132 what is NORMAL, to be accepted as normal, and if this progresses
133 until the general degradation of morals reaches a tipping point, the
134 normal majority will rise up and put a stop to it — or GOD will
135 intervene with a massive judgment.

136 This country is insane to think we can embrace this health
137 destroying, family destroying, and equal rights destroying behavior
138 without serious consequences.

139 The push to embrace sexual deviancy as "normal" or to demand
140 that behavior be given equal status in our society with the normal
141 design set in nature by our Creator, will necessarily result in
142 breaking down genuine equality. Let me conclude the first segment
143 with this insight.

144 Demanding equality of abnormality with normality necessarily
145 destroys equality. Not everyone can jump like Michael Jordan, not
146 everyone can dunk like Shaq. If we say a man can call himself a
147 woman and then compete in female swimming sports where he
148 ranked 450th in men's swimming, and now he is number one in
149 female swimming sports, when are the short people going to start
150 demanding a handicap be set against these great players so they can
151 have EQUALITY on the courts? When are we going to start
152 recruiting the most ugly women we can find to compete in beauty
153 pageants to satisfy their notion of equality with those considered
154 beautiful? When are we going to start saying the Special Olympics
155 does not go far enough, and demand that we handicap the — forget
156 it. Why don't we just eliminate sports competition altogether? Why
157 does Karl Schwab get to jet around in a private jet and I have to
158 travel coach? Why — do you begin to understand how this whole
159 business is distorting the concept of equality?

160 We have never believed every one is supposed to be equal in
161 physical ability, or beauty, in intellect, in personality, in stature, in
162 strength, and so on. That's not what equality is about. It's about
163 equal before the law — no one is treated differently before the law
164 because they are not strong, or whatever. And that's it! We stand as
165 equals before the CROSS and as equals before LAW. But we do not
166 stand as equals in height, in abilities, or in the outcomes of our
167 investment of labor and so on.

168 But the concept of equality breaks down when we insist nonsense
169 like in order to have equality between men and women, men must
170 be able to bear children. Taking equality that far takes it to the
171 breaking point and when it finally collapses, there will be no
172 equality at all.

173 Okay, hold on through the break; I'll be right back.

174 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor
175 at the Lighthouse, your brain masseur, and Paul Revere's lantern
176 lighter, lighting the lamps in the church belfry arch, signaling the
177 enemy is on the march, an enemy that would steal from us our
178 liberty.

179 Our belief in equality has never been understood as equality in
180 outcomes, or equality in physical prowess, or stature. I'll never be
181 picked to play lineman for the Dallas Cowboys, the Browns,
182 maybe, but ... hahah.

183 If we continue pursuing this sort of nonsensical notion of equality,
184 where we purposely pick people for positions of influence and
185 power by our notion that gay people are underrepresented, or
186 black are, or Hispanics are, or when it becomes clear that whites
187 are — and not strictly on the basis of ability, skills, intellect, and
188 CHARACTER — we will end up with a government run by a
189 bunch of idiots. Huh! Like the clown show running the
190 government right now!

191 Note — the general break down in law and order, and in quality of
192 leadership, that we see in America today is connected to our
193 culture's repudiation of traditional American values shaped by the
194 morals that are taught in the Bible. The raging heathen cry, "let us
195 break their bands asunder, and cast away their cords from us."

196 Okay, let's revisit another brilliant idea that arose from the Looney
197 left: *Defund the Police*. The liar-Left have lately tried to separate
198 themselves from that ridiculous movement since it has come out

199 that the policy has created a massive spike in theft and other
200 violent crimes. They are creating an environment that is unsafe for
201 Americans.

202 But the Dems own this? Here is a seven-minute video of one
203 Looney Lefty after another clamoring for defunding the police.⁶
204 Including Harris, AOC, Pelosi, Garcetti, Ilhan Omar, Cori Bush,
205 Jamal Bowman (who also wants to Defund the Pentagon),
206 DeBlasio, Marcia Fudge, Ayanna Pressley, Susan Rice, Mondaire
207 Jones, Michigan's witch Gretchen, Lisa Bender, London Breed,
208 Julian Castro, Ted Wheeler, Rashid Talib, Cuomo, O'Rourke,
209 Bennie Thompson, India Walton, Corey Johnson—which gets you
210 started!

211 How about we defund the FBI and the CIA. The FBI is good for
212 nothing but arresting political opponents of the ruling party;
213 serving as a brute squad for Democrat politicians. The organization
214 was spoiled from its inception, and has become so rotten it's really
215 more the problem than the cure.

216 Perhaps we should look into increased funding for the US
217 Marshals Service, the original FBI, with powers under supervision
218 of the Federal Courts; and create a correspondence between the
219 Marshal's offices and State policing. As for the CIA, it should be
220 dismantled completely. Intelligence missions must be conducted
221 within our military mission, within military protocols, and with
222 civilian oversight.

223 Anyway, the whole Defund the Police mantra rose out of the
224 BLM/ANTIFA movements. It's about taking money away from
225 policing and investing it in social programs aimed at the poor black
226 and brown communities. (What ever happened to "poor white
227 trash"? Are there no poor white communities? Don't they also
228 deserve some notice and representation? Asking for a friend!)

⁶ <https://twitter.com/RNCResearch/status/1446198947559743488> And commentary with video: <https://rumble.com/vkz4gb-biden-white-house-releases-video-with-man-in-skirt-and-nails-to-get-kids-va.html>

229 Well, it's just another *failed liberal policy* — and the pile is getting
230 higher and higher, because they never turn back from their
231 nonsense, they just pile on with more nonsense.

232 What are we going to do about all of this? We need our elections
233 back! We the *Normals* who pay for all this have got to restore our
234 voice. It's time these jackals heard from WE THE PEOPLE. But we
235 must have our elections back.

236 So, I'll skip over my intriguing expose of the DEVIL IN THE
237 WHITE HOUSE and use it for tonight's live stream.

238 I am greatly encouraged by what is developing in CA REFORM
239 CALIFORNIA is focused on the right target — election integrity.
240 Here are several articles I encourage you to look at and think about
241 what part you can have in helping to deliver CA from the
242 oppression of these SELECTED "rulers" — to deliver the righteous
243 out from under the rod of the wicked.

244 You do know the assembly lately passed a law essentially stripping
245 you of your parental rights and turning your children over to the
246 power of the state schools? They did this in a sneak attack to get
247 around what they knew would be a huge backlash from the
248 people—in other words THEY KNOW THEY DON'T HAVE
249 SUPPORT FOR THIS NONSENSE AND THEY ARE PUSHING
250 IT ON US ANYWAY.

251 It's time to remove those wicked lying scoundrels from office.

252 But we can't do it without an honest election.

253 DeMaio is a CA conservative leader — he lays out a plan to allow
254 grass roots conservatives in CA to do something to help insure
255 election integrity.⁷

256 We need to audit CA voter rolls and DEMAND they be updated.
257 And there is a lot more.

⁷ <https://kogo.iheart.com/featured/the-demaio-report/content/2022-07-21-a-novel-plan-to-inject-integrity-into-ca-election-offices/>

258 One problem with DeMaio is he does not address the Dominion
259 machine problem. However, he is zeroed in on ineligible voters
260 and voter rolls — and if that is taken care of, it will hinder the
261 thieves from using their flip voting algorithms —. They have to
262 cover their machine fraud with fake harvested ballots, and the fake
263 harvested ballots have got to have a correspondence to the voter
264 rolls.

265 So we need to just get ready to CALL for an AUDIT after EVERY
266 ELECTION, I don't care if it's for dog-catcher.

267 We need to PUSH hard for Voter ID, and get rid of the harvesting
268 nonsense.

269 This Sunday, I'll be taking us another step toward clarifying phase
270 two in our charge against the forces of darkness, beginning to
271 explain the relationship between the glorious LIGHT of the
272 GOSPEL to dispel the deepest darkness of evil Satan can conjure.

273 Patrick Henry was an amazing patriot and had remarkable
274 discernment. He understood the difference between the GOSPEL
275 and the religions that preach it. He once remarked to the Congress
276 in assembly that this nation was not built on religion, but on the
277 GOSPEL of JESUS CHRIST. I'll explain what he meant by that and
278 what it means to us today. America as founded is ONE NATION
279 UNDER GOD — what you see posturing under the American flag
280 today is a masquerade — the players all wear masks of compassion,
281 and tolerance, and freedom, and equality — but behind the mask is
282 the same face; one face — it's the visage of tyranny! Come to the
283 Lighthouse this Sunday. Learn what we will be doing about all of
284 this craziness as we launch phase two of our assault on the
285 kingdom of darkness.

286 I have lit the lamps in the Church belfry arch and now you let me
287 know if you see them.

295 LIVESTREAM MATERIAL:

296 And what's with the Devil in the WH—not Biden, well, I mean,
297 that's not the devil I'm talking about here. I mean the Devil—he
298 was totally on display during Biden's latest speech — I don't think
299 it's a good idea to allow the deep state to bury that *howl* from hell
300 that we heard come belching out of Biden's mouth on September 1,
301 2022.

302 [Don't let them brush that off as some sort of anomaly. Keep that
303 video circulating — let people see who this man is. By the way,
304 Biden told us he does not care if we think he is Satan
305 "reincarnated."⁸ Hmmm. That raises an interesting question: what
306 was the first "incarnation" of Satan?

307 [Scott Adams, creator of Dilbert thinks Biden is in league with the
308 evil one — says his Build Back Better slogan masks the number 666
309 in the triple B? It gets weirder—he asks us to manipulate Joe by
310 flipping the J and doing some convoluted thing with the o to get 6,
311 then flips the e upside down to get 66, then tells us the third 6 is
312 hidden in the letter B, and the rest of the name, *iden* means
313 identity, and viola, you've got Joe Biden as 666-Identity.⁹ Hmmm!
314 Did you know if you divide 2020 by 666 you get the BIDEN
