8 daughter.<sup>1</sup>

9 TikTok nose ringed daughter of Satan describes a fantasy  
10 abortion party fantasy serving up fetal juice and fetus cakes to her  
11 guests—I guess the spirit that moves these younguns to view babies  
12 as food is creating a wave.

13 NEWSOME has become a BIBLE THUMPER.<sup>2</sup> He uses the Bible  
14 just like Satan did!

15 And he has signed a bill legalizing use of human remains as

47 described liberal who wrote "Weeping In the Promised Land"  
48 riding the wave of the 2020 BLM/ANTIFA riots, in which song,  
49 according to most libs, he identifies Trump as Pharaoh in his  
50 lament, and throws all his sympathy behind the "Orange man bad"  
51 movement — this might be supported by his protest against  
52 Trump using his song, "Fortunate Son," which, actually, was a  
53 fitting song for Trump's rallies since he was taking on the  
54 establishment—who make wars for thee and not for me. Funny, a  
55 fellow who protested war and it's evils would hate the one  
56 President, the only one in my memory, who did not get us  
57 embroiled in one—and, in fact, who initiated negotiations that led  
58 to the Abraham Accords—the greatest movement toward peace in  
59 the middle east since Israel became a nation—again! One line in  
60 Fogerty's *Weeping In the Promised Land* explains this dilemma—in  
61 fact Fogerty opens with it, just like his fellow libs, Fogerty is  
62 *poisoned with lies*. But, alas, no! I'm not referring to Fogerty's Bad  
63 Moon Rising — even though the lyric<sup>9</sup> is full of prophetic warnings  
64 fitting for a Bible preachin' man, and an apropos exhortation for  
65 our day!

66 But I have in view another use of the expression — Jonathan  
67 Maberry's *Bad Moon Rising* — book three in his *Pine Deep* trilogy,  
68 described as a "horrifying novel of the evil [that] monsters and men  
69 do." One described it as an "archetype story of the constant battle  
70 between good and evil ..." but, really, if that's what you are looking  
71 for, get GOD'S WAR — SCHEIDBACH, anywhere you buy books.

72 I see a bad moon rising—portending foul weather and vile deeds of  
73 monsters and men.

74 See the monsters in the men! Here is a Fellow what calls himself  
75 Jesus, and Satan — talk about identity confusion — so he  
76 amputates his leg in front of his five-year-old daughter.<sup>10</sup>

77 TikTok nose ringed daughter of Satan describes a fantasy abortion  
78 party fantasy serving up fetal juice and fetus cakes to her guests—I  
79 guess the spirit that moves these younguns to view babies as food is  
80 creating a wave.

81 Oh, and this! Shannon Brandt, 41 years old Demoncrat, got into an  
82 argument with Cayler Ellingson, an 18 years old conservative  
83 Republican, and the DEMONCRAT decided to end the debate by  
84 striking the young man with his car, killing him!<sup>11</sup> He dialed 911 to  
85 report that a REPUBLICAN EXTREMIST who was taunting  
86 Shannon to "go after him," following what NY Post said was an  
87 "unspecified political argument." According to this article in NY  
88 Post, Brandt explained to the police that he killed Cayler "because  
89 he was part of a republican extremist group." [IBID]

90 Hatred, by the way, is an opened door to demonic possession!

91 Here is a board certified Psychiatrist and professor of clinical psych  
92 at New York Medical College who has been exploring the strange  
93 experiences of some patients for which there is no medical  
94 explanation for the weird stuff. he was encountering. Like someone  
95 who suddenly starts busting out in perfect Latin, or other  
96 languages, that it is known was not known by the subject — or  
97 telling him stuff about how his mother died that it was not possible  
98 for that person to know, and knowledge of where certain persons  
99 are at when it is impossible for them to know unless some "entity"  
100 revealed it to the *host*. He did not describe any green *ectoplasm*  
101 splatter, or head turning 360 degrees, and although he confessed he

<sup>11</sup> <https://nypost.com/2022/09/21/shannon-brandt-killed-cayler-ellingson-18-over-politics-cops/>

102 never saw levitation, multiple reputable witnesses have reported  
103 this to him. So!

104 Once one such reputable witness that I knew, someone I had zero  
105 reason to think he was lying, described to me attending some  
106 spiritualist meeting and said he watched an ash tray levitate and  
107 move across the room — he was very impressed. I asked him, did  
108 that impress you? He looked at me surprised, and wondered what I  
109 could mean. I said, watch this, and I picked up a glass sitting next  
110 to me, and walked across the room and put it on another table. I  
111 looked at him and said, so, is that a big deal? He sputtered, yeah,  
112 but this thing just levitated off the table and floated across the  
113 room. I told him, hey, there's plenty going on right now in this  
114 room in the physical that you can't see—a spirit carrying an ashtray  
115 is a silly attempt to pique your curiosity and seduce you down a  
116 path into their control. I know a story where an ANGEL walked  
117 into a prison, straight through the prison bars, poked Peter on the  
118 side, told him to get up and follow him out! Yeah! Angels do stuff.  
119 Really not a big deal!

120 Anyway, this Psychiatrist has come to realize he is dealing with  
121 something that transcends the physical biologics coursing through  
122 muscle and brain tissue—he said, there is more demon possession  
123 in this world than people realize, and, he said, it's on the rise.<sup>12</sup> That  
124 was 2016—as I predicted many years ago, if we continue in our  
125 current trajectory as a culture, before long we will witness open  
126 displays of demonic possession like it was in Jesus' day.

127 We seem to be cycling back to how it was in this world when  
128 CHRIST came to break the power of Satan—demon, or, better,  
129 devil possessed men in graveyards growling like dogs, and raging  
130 like bears, possessed of so many devils they took a name together  
131 — LEGION! Or children suddenly throwing themselves into water

<sup>12</sup> <https://newspunch.com/psychiatrist-admits-mental-illness-is-caused-by-demonic-possession/>

132 to drown or fire to burn, and sometimes wallowing on the street, or  
133 floor, in our Malls, or markets—a culture that opens its doors to  
134 Satan invites his devils into the lives of its children. Never heard  
135 about the sanctification of the believer's children? Of course, I have  
136 no time to flesh this out here—in fact, I'm up against the clock on  
137 this first segment. I'll have to wrap on this point and pick up the  
138 rest on the other side of the break.

139 The more common open manifestations of devils is manifest in the  
140 rages of the heathen in vicious blasphemy against Christ and His  
141 saints—and in vile expressions of satanic appetite. He hates the  
142 image bearer and desires to wipe them off the planet and delights  
143 to corrupt the souls of men with grotesque distortions of the most  
144 basic of human values — like this TikTok dame who fantasizes  
145 about aborting her baby and throwing a party to celebrate it with  
146 images of drinking fetal fluids and eating fetal remains. Remember  
147 the little girl—a teen—at an abortion rights rally, holding a sign  
148 that said FETUS=Tasty Treat! You might think these people  
149 cannot be taken seriously, but, seriously folks, this is where the  
150 debate is headed. It's already started—remember a recent episode  
151 Soylent Green? Cannibalism is literally being introduced—it's so  
152 bizarre — from preaching taboo against eating the flesh of animals  
153 to encouraging the eating of human beings.

154 From Christianjournal.net, "Cannibalism on the Rise: Chef Slices  
155 People's Flesh and Feeds it to Them." Yeah, this is something  
156 Facebook is okay with, but, that's another matter. This  
157 "performance artist," 33 year old called Arturs, held a facebook live  
158 event called Eschatology at a posh museum in Latvian capital Riga  
159 — he thin sliced flesh from the backs of two assistants, placing this  
160 in a frying pan and then feeding it to them. When viewers  
161 protested and contacted law enforcement, the "higher powers," the  
162 ones we are called to WRESTLE and RESIST — they dropped the  
163 case saying "we cannot find anything illegal about the practice of

164 cannibalism on public display..."<sup>13</sup> Closer to home, Maryland  
165 sheriff reports a 21 year old student admits to murdering his  
166 roommate and eating his heart and part of his brain.<sup>14</sup>

167 Newsome has signed a bill legalizing use of human remains as  
168 compost<sup>15</sup> — now your can fertilize your garden with grandma!

169 Hard to leave this hanging—please understand what I'm bringing  
170 out are the extreme examples that illustrate where this is all  
171 headed. You can track the rise of this evil right along with the  
172 decrease of Christian influence in our nation: the trend has been to  
173 leave the Lord's CHURCH, the PILLAR AND GROUND of HIS  
174 TRUTH in every community, to embrace the lies of secular  
175 humanism. REPENT! Yeah, no kidding, folks. REPENT, and turn  
176 to CHRIST JESUS before it is too late and GOD releases this nation  
177 to the full power of hell—for, the nation that forgets GOD will be  
178 turned into hell (Psalm 9:17).

179 Hold on through the break; I'll be right back!

180 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor  
181 at the Lighthouse, your brain masseur, and Paul Revere's lantern  
182 lighter, lighting the lamps in the church belfry arch, signaling the  
183 enemy is on the march, an enemy that would steal from us our  
184 liberty.

185 NEWSOME has become a BIBLE THUMPER.<sup>16</sup> He uses the Bible  
186 just like Satan did!

187 You've seen the billboards promoting CA's wicked passion for  
188 providing abortion to those who live in states where abortion  
189 access is limited. One sign tells passers by they can depend on CA  
190 to stand by their right to murder their babies. Under the slogan,

<sup>16</sup> <https://www.theblaze.com/news/gavin-newsom-billboards-abortion-bible>

191 which of course hides the bloody business of abortion behind the  
192 white washing of deceptive language about a woman's right to  
193 choose—I don't mean to suggest they are not serious about a  
194 woman's right to choose, I'm just saying that it's monstrous to  
195 suggest a mother has the power to decide whether her baby lives or  
196 dies. The baby is not her body! A DNA test will make that very  
197 clear. But, my interest in this at present is Newsome has become a  
198 Bible thumper — he used Mark 12:31 on one of his campaign  
199 billboards — "Love your neighbor as yourself. There is no greater  
200 commandment than these." And the citation: Mark 12:31. Well,  
201 right off, I don't recognize the version they used, so maybe it's a  
202 Newsome staffer paraphrase—but it's clear the intention was to  
203 quote the BIBLE.

204 I suppose, however, that since they cited Mark 12:31, whatever  
205 version they used as reference includes verse 30, where we are told  
206 to love the LORD our GOD with all our heart, soul, mind, and  
207 strength, which is the FIRST COMMANDMENT.

208 Surely the second is subordinate to the first—you can't legitimately  
209 interpret the second commandment in a manner that violates the  
210 first. Loving our neighbor must come under the restrictions  
211 against, well, murder, right? I mean, things are really getting  
212 strange out there, but we have not come to the place where we are  
213 embracing the proposition that *loving* our neighbor involves  
214 murdering them. And the baby is without any question the nearest,  
215 and we would expect, dearest neighbor to any mother—surely!

216 So, I want to thank Mr. Newsome for inviting us to contemplate  
217 the teaching of SCRIPTURE on this matter, and I intend to take up  
218 the invitation but I'll have to RSVP that for next show, since I've  
219 got to address another matter right now. So, on a related topic:

220 Stacey Abrams denies that a baby's heartbeat is detectible at 6  
221 weeks.<sup>17</sup> She says, *Fetal heartbeats are manufactured sounds*  
222 *designed to give men the right to CONTROL a woman's body.* Wow!  
223 Thank you Stacey for bringing this front and center in our current  
224 election year debate. By the way, ANY SO-CALLED  
225 CONSERVATIVE REPUBLICAN WHO TRIES TO TELL YOU  
226 TO BRUSH THIS ASIDE AND FOCUS ON WHAT REALLY  
227 MATTERS — like it's the economy stupid — is either sadly  
228 deceived, blinded by those spirits I talked about in the first  
229 segment, or just flat out wicked and power drunk stupid. Our  
230 economic problems are SYMPTOMS OF OUR SPIRITUAL  
231 PROBLEMS and we had better wake up and figure that out quick,  
232 or we are going to get dropped into hell. So, let's take a look.

233 First, as Kayleigh McEnany and her *Outnumbered* panel brought  
234 out,<sup>18</sup> how about some misinformation labeling? Not likely. So,  
235 how about a little science?

236 It turns out the heartbeat actually begins at about 3 weeks — the  
237 cells of the heart, the myocardium, begin to rhythmically contract  
238 at three weeks.<sup>19</sup> You can begin recording the heart beat with  
239 ultrasound equipment at between five to six weeks using a  
240 transvaginal or a Doppler scan.<sup>20</sup> The medical establishment is  
241 pretty much given over to supporting abortion, or being quiet  
242 about it (I think someone said SILENCE IS VIOLENCE) —That  
243 Georgia jewel, Stacey Abrams, explains that this stuff about hearing  
244 the heartbeat of a six week old FETUS (Latin for LITTLE CHILD)  
245 was manufactured as a conspiracy to let men TAKE CONTROL  
246 OF WOMEN.

---

<sup>17</sup> <https://www.foxnews.com/politics/stacey-abrams-says-no-such-thing-6-week-fetal-heartbeat-claims-manufactured-sound>

<sup>18</sup> <https://video.foxnews.com/v/6312704675112#sp=show-clips>

<sup>19</sup> <https://heart.bmj.com/content/93/10/1294>

<sup>20</sup> <https://babyheart.com.au/blogs/news/fetal-heartbeat-by-week-chart>

247 I mean, aside from the outrageous science denying conspiracy  
248 theory that evil men conspired to create a fake heartbeat in order to  
249 gain CONTROL OF WOMEN—I thought it was interesting that  
250 she is worried about men getting CONTROL of women.

251 Honey, you lost that war long ago — men totally "own you" girl!

252 Men dominate women in ways today they could never get away  
253 with back in the Ozzie and Harriet days. Now, women get to leave  
254 their children in someone else's care while they trot off to do battle  
255 in the work-a-day world. Hold on, I'm only getting started here.

256 Now, a guy knocks up a girl, and simply walks away! Zero  
257 accountability, zero responsibility — it ALL FALLS ON YOU,  
258 HONEY! You gave up the only thing you had to bind a man to  
259 you, and make him a virtual slave to you for the rest of your life—  
260 you gave it up—free! So he just *walks away*. And goes on to find  
261 another one willing to just give it up—you know, "if you loved me."  
262 Right! Well, what about the man loves the woman? What about  
263 that?

264 So you have succeeded at creating a culture that allows the man to  
265 totally OWN YOU!

266 So, he leaves you with the only choice you think you have, which is  
267 to kill the baby—right! Let's take it out on the innocent baby! That  
268 makes sense.

269 It's a man's world, honey — you deal with it. You go to the planned  
270 parenthood abortuary, you deal with the emotional conflict of the  
271 whole ordeal, you have the doctor — hey, he is not going to come  
272 at the guy with a scalpel and insert it into his parts, and cut — you  
273 have no idea how many women are damaged by this "procedure"  
274 every year — they hide that even better than they hid vaccine  
275 adverse reactions — but it's in the thousands, honey. So, listen, girl,  
276 the MAN, he owns you baby.

277 It's a MAN's WORD! Let me tell you!

278 They get theirs and then leave you with ALL THE  
279 CONSEQUENCES. Now, men can walk into your privy at will —  
280 sure, just call himself a girl and well, there you go. He can walk into  
281 your dressing rooms — too bad for you. Listen, deary, it's a MAN'S  
282 WORLD, he gets anything he wants and leave all the misery with  
283 you to deal with.

284 So now he can walk into your sports or athletics programs and just  
285 TAKE OVER. A sissy who places 478th or something in men's  
286 swimming, decides he is a girl, and now he is NUMBER ONE! It's a  
287 MAN'S WORLD honey — and YOU MADE IT THAT WAY.

288 One of the saddest things to come out of the anti-family, anti-  
289 marriage, anti-patriarchy movement is the oppression, and total  
290 subjugation of women!

291 I'll have to address the rest tonight during or COMFORT &
