

Brain Massage®: Show No. 901 Biden's Bungles /Is God About to Release the Red Dragon / Why You Must Vote for Brian Dahle for CA Gov.

Jerry Scheidbach

Original Air Date: 09.31.22

1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the  
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain  
3 masseur—get ready for your brain massage.

4 Florida has been hit with a storm the MSM all predicted would  
5 continue as a category 3 that hit Cuba, and, who knows, it might go  
6 to cat-4. It's been downgraded to a "tropical storm" — huge  
7 damage, lives lost. Our system requires the Governor to contact the  
8 acting POTUS and request help before the Feds can legally move in  
9 with help. Unlike that idiot in Louisiana who proudly refused to  
10 call Trump, DeSantis has the interests of the Floridians uppermost  
11 in his mind and sent the request for Federal assistance to Biden —  
12 Joyless Behar depicts DeSantis as groveling at the feet of the great  
13 and mighty Biden, coming to him with "hat in hand." There is no  
14 word for these people that aptly comprehends their malice, mixed  
15 with their utter stupidity! Pray for our families and friends in  
16 Florida, and So. Carolina — the Gov. there praised Mayors in  
17 impacted coastal cities who were well prepared — he said "this is  
18 not as bad as it could have been." He said "a lot of prayers have  
19 been answered." And he cautioned, don't stop praying, because  
20 "this is still coming."<sup>1</sup>

21 *Biden Bungles* — sets a new fumble record.

22 Here is another of at least fifty good reasons to vote Brian Dahle  
23 for CA governor:<sup>2</sup>

24 Talking about Dahle — here is a dolly to remember, Dolly  
25 Madison, wife of James Madison, founder and fourth president of

26 the US. When the British set fire to the White House, she rescued a  
27 now iconic painting of George Washington, and several other  
28 historical and valuable artifacts — including, some think, a crystal  
29 flute. Lately defiled by Lizzo on full display in DC!

30 Xi and Putin are getting snuggly — CCP and RUSSIA conducting  
31 joint naval operations in the Bering Sea, near Kiska Island, only 80  
32 miles off the Alaskan coast. Oh, and what about those rumors that  
33 Xi has been ousted, or is about to be?

34 47 pro-life pregnancy centers have been brutally attacked by pro-  
35 abort extremists — looks a lot like Domestic Violence Extremists  
36 to any sane observer — but the FBI are too busy rounding up  
37 MAGA Trump supporters to bother with people fire-bombing  
38 Christian ministries.

39 Netflix rolls out their new series, telling the story of Jeffery  
40 Dahmer. Remember him? He is the homosexual who seduced (not-  
41 so-) gay men to his home where he murdered them, cut them into  
42 pieces, ate them, and stored the left overs in his refrigerator. Right!  
43 It's a true story, read about it here.<sup>3</sup> It's what happens next that  
44 makes this a story for the Brain Massage® show.

45 Finally, God will wait for a nation to use the sword of judgment He  
46 gave to government to execute wrath upon evildoers [Romans 13],  
47 but He will wait only so long before He steps in and TAKES IT  
48 INTO HIS OWN HANDS!

49 Biblically, the two sins that "reach into heaven" and draw down the  
50 fire and fury of God's wrath are these — the shedding of innocent  
51 blood, and embracing and promoting unnatural sexual behavior.

52 Okay, folks — it's time for your Brain Massage!

54 *Biden Bungles* — sets a new fumble record, looks for dead, Indiana  
 55 Republican Senator in a recent event at DC — "I want to thank all  
 56 of you," he said, and named some Republicans he wanted to thank  
 57 for their support, and then "Representative Jackie — are you here?  
 58 Where's Jackie?" She was killed in an auto accident, along with two  
 59 staffers, about three months ago. The White House, per Biden's  
 60 orders, flew the flag at half-mast, and he participated in services in  
 61 her memory. So, I don't think, as the pretending POTUS expected,  
 62 "she was going to be here ..."<sup>4</sup>

63 USA TODAY explains it was a class act, totally professional and  
 64 demonstrated generosity.<sup>5</sup> I kid you not! I'm not sure what is more  
 65 disturbing—that the acting POTUS — with emphasis on the word  
 66 *acting* — would be looking for a dead person in an event, or that  
 67 USA TODAY would say this was one of Biden's finest moments —  
 68 acting professionally, and generously! Like the entire deep state  
 69 community has been dumbed down to AOC level — you caught  
 70 her latest, surely.

71 She complained that "the same people who tell us that Covid is just  
 72 a flu, (*that's what Fauci called it, at first; and it's what the many in*  
 73 *the medical establishment is saying it has become*) that climate  
 74 change isn't real (like the group led by Nobel Laureate and joined  
 75 by 1200 scientists,<sup>6 7 8 9 10</sup> that J-6 was nothing but a tourist visit  
 76 (*actually, I'm sure there were some tourists there, but I've never*  
 77 *heard any dismiss it as a mere tourist event, so, AOC is lying, again*),  
 78 are now trying to tell us that transgender people aren't real."<sup>11</sup> Now,

79 that's the weirdest thing I've ever heard, even from AOC. Perhaps  
80 she is speaking existentially and operating on a high level of  
81 consciousness, framing a sort of syllogism in her mind: 1. people  
82 are real, 2. some people are transgendered, and so 3. transgendered  
83 people are real. If so, someone should bop her on the head with a  
84 Laputan-bonker.<sup>12</sup> You'll need some background in Swift's  
85 *Guilliver's Travels* to appreciate and I've no time to elaborate.

86 But the chances that AOC has an intelligence quotient even  
87 approximating the king of the floating Island of Lupta — is so  
88 remote, we will have to conclude that AOC is just as dumb as  
89 anyone listening to her thinks she is—no, AOC, transgendered  
90 men are still male, and transgendered women are still female. Ask  
91 all those hard working female competitors that lost to Lia  
92 Thomas.<sup>13</sup>

93 Meanwhile, Biden's red speech, where he called MAGA supporters  
94 terrorists, and painted a target on the backs of God fearing patriots,  
95 have you seen the backdrop for China's CCP Conference coming  
96 up — it looks eerily like Biden's backdrop for that speech.

97 Anyway, Biden's speech served to provide political cover for his  
98 FBI assault on American's suspected of voting for Trump—his  
99 speech also served as a dog whistle-call to the few that did vote for  
100 him to hunt down and kill MAGA America Firsters. One of those  
101 dogs was North Dakota Biden voter Joseph Brandt, who was  
102 charged for murder with an instrument—a class AA Felony that  
103 carries a maximum of life in prison.<sup>14</sup> He got into a dispute with an  
104 18 year old MAGA Republican, and apparently, he lost the  
105 argument, went crazy, and it looks like he knocked the kid down,  
106 then ran over him with his car. When he called 911 to report the  
107 "accident" he explained he got into an argument with a Republican

108 extremist — he is trying to make it out he was threatened by the 18  
109 year old, but that's not going to fly—well!

110 I guess that depends on whether his attorney can find enough sane  
111 people for the jury!

112 Anyway, let me give you a good reason to vote Brian Dahle for CA  
113 governor:<sup>15</sup> Newsom just signed S.Bill 107 empowering the  
114 Sovereign State of CA to "legally" kidnap and mutilate children if  
115 parents in other states want to rescue their child from culture  
116 engendered confusion.<sup>16</sup> This is the assessment of California  
117 Family Council, a group I have noticed does a deep dive into the  
118 language of these bills. To be clear, some kid, let's say, that has been  
119 badgered by teachers into confusion about his or her GOD GIVEN  
120 gender assignment, and pressured into thinking they would be  
121 happier as a member of the opposite sex—well, now, we have a law  
122 that encourages LGBTQIA+ groups to assist these kids, and  
123 supporting families, to cross state lines, and into the jurisdiction of  
124 Newsome's CA tax funded sex change program—where they will  
125 start injecting these kids with hormones, preparing them for the  
126 surgery in which they will butcher these children into freakish  
127 distortions. If anyone thinks this only applies to kids from other  
128 states, think again!

129 We knew this guy would Frisco California.

130 And another good reason to vote Dahle for CA gov.: Newsome  
131 wants to eliminate your right to keep and bear arms, and make CA  
132 a sanctuary city for abortion "rights" — and his party wants to  
133 provide an abortion for teens, without parental consent. In fact,  
134 they don't even want to inform the parents about it after the fact.  
135 Dahle rightly said there is no right to abortion in our Constitution,

136 (federal or state, by the way), but there IS A RIGHT TO KEEP  
137 AND BEAR ARMS. Vote Dahle.

138 Hold on through the break! I'll be right back!

139 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor  
140 at the Lighthouse, your brain masseur, and Paul Revere's lantern  
141 lighter, lighting the lamps in the church belfry arch, signaling the  
142 enemy is on the march, an enemy that would steal from us our  
143 liberty.

144 Dolly Madison, wife of James Madison, one of our nation's  
145 Founders and fourth president of the US, was given a crystal flute  
146 in honor of his second inauguration. Lizzo performed in DC lately  
147 and was loaned James Madison's 200-year-old crystal flute—to  
148 assist her in her performance—which she used to accompany  
149 twerk act; I guess that's what you would call it!

150 I never heard of Lizzo and did not know Madison was given a  
151 crystal flute as a gift for his second inauguration as President. Made  
152 by a French fellow, by the way, one Claude Laurent, of Paris, an  
153 invention he called a "flute en cristal" — 1806, he made only two of  
154 these, the other glass flutes were not leaded glass crystal.

155 Anyway, what does this mean? Why would the brain masseur care  
156 about something so droll an event? I watched and wept!

157 It's customary for a conquering nation to take the relics of former  
158 cultural, military, and political heroes of the conquered people and  
159 expose them to public ridicule and shame.

160 It's also one of the signals of God's judgment upon a nation. In the  
161 waning days of Judah, Jeremiah declared their enemies would drag  
162 out "the bones of the kings of Judah, and the bones of his princes,  
163 and the bones of the priests, and the bones of the prophets, and the  
164 bones of the inhabitants of Jerusalem, out of their graves: and they  
165 shall spread them before the sun, and the moon, and all the host of  
166 heaven, whom they have loved, and whom they have served, and

167 after whom they have walked, and whom they have sought, and  
168 whom they have worshipped: ... they shall be for dung upon the  
169 face of the earth." (But see also Ezekiel 37:4, God can make these  
170 dead bones live.)

171 Anyway, out trots Lizzo, dressed like some pimp's ho, literally, and  
172 a low class ho at that, the kind you see on certain streets in  
173 Newsome's Frisco—the girl has got to weigh in at 400 lbs, and she's  
174 twerking? Really? She blows a tone, not a tune, by the way, a tone  
175 on the flute and giggles, and waddles, and—well, there is really  
176 nothing more to say about that except, these people have no class!

177 But don't let this side show distract you from what's going on  
178 behind the veil. Let's get to what we really need to be concerned  
179 about.

180 Xi and Putin are getting snuggly — CCP and RUSSIA conducting  
181 joint naval operations in the Bering Sea, near Kiska Island, only 80  
182 miles off the Alaskan coast. [Yeah! A C-130 Hercules chopper  
183 provided air support for a National Guard patrol ship, a cutter  
184 called Kimball, that spotted the four ship convoy in formation  
185 chugging along the Bering strait — as soon as the CCP and Russia  
186 joint naval op was discovered, they broke formation. One of the  
187 ships was identified as a GUIDED MISSILE CRUISER, and a  
188 DESTROYER, the other two were not identified. This comes on the  
189 heels of a warning of CCP interest in the Arctic, and Russia's  
190 military build up there. This came from NATO Security General,  
191 Jens Stoltenberg.

192 The CCP has declared itself to be a "near arctic state." This is a ruse  
193 to give CCP's intrusion into Arctic affairs a quasi-legal status.<sup>17</sup>  
194 CCP has declared it has a legal and legitimate interest in the region  
195 and wants to establish an Arctic Silk Road—and dictate the use of  
196 this resource.<sup>18</sup>

---

<sup>17</sup> <https://www.europeanguanxi.com/post/how-china-conceives-of-itself-as-a-near-arctic-state>

<sup>18</sup> <https://www.cnbc.com/2018/02/14/china-we-are-a-near-arctic-state-and-we-want-a-polar-silk-road.html>

197 Russia is building new and reopening old Soviet era deepwater  
198 ports and military bases in the Arctic, including airfields.  
199 These are preparations for war, folks! There is no other reasonable  
200 way to view this.  
201 Meanwhile, we are watching rumors of Xi being under house  
202 arrest,<sup>19</sup> that the PLA is taking over Beijing,<sup>20</sup> something advocated  
203 by popular Chinese General Li Qiaoming, and enthusiastically  
204 embraced by Xi, by the way,<sup>21</sup> with reports of military convoys  
205 rolling toward Beijing and military resources gathering at Xi's  
206 home,<sup>22</sup> sudden and unexpected cancellation of hundreds of flights  
207 in and out of Beijing,<sup>23</sup> and all of this, on the heels of Xi's crack  
208 down on dissident "ministers" with suspended death sentences on  
209 two of these and life-sentences on four other top officials — WHY?  
210 — for being part of a 'political clique,'<sup>24</sup> add to this Xi's  
211 disappearance from public view,<sup>25</sup> for ten days after his meeting  
212 with Putin,<sup>26</sup> followed by the "weird" appearance that observers  
213 thought was staged,<sup>27</sup> and all of this coming up on the CCP 20th  
214 national congress where a new leader for China could be  
215 appointed.<sup>28</sup> The law required anyone 68 or older, at the time of the  
216 conference, must resign; Xi is 69. But the law in China serves more  
217 like, how do the Pirates put it, sort of guidelines. Like America!

<sup>28</sup> <https://www.theguardian.com/world/2022/aug/19/china-communist-party-ccp-national-congress-xi-jinping-delegates-explained-in-30-seconds>

218 We might hope some rumored Christian Nicodemus types that we  
219 have heard are burrowed into the CCP might rise to power, but the  
220 CCP General at the center of these rumors does not show any signs  
221 of that—instead, he just might be a much more aggressive war  
222 hawk than Xi's slow, methodical approach to taking over the world.  
223 Is the PARTY getting impatient?

224 Now, consider the two great sins that bring a nation into judgment  
225 before GOD — following a general forsaking of GOD in the land, a  
226 nation's culture degrades followed by corruption in all of its ruling  
227 institutions, to the level of state sanction killing of the innocent,  
228 and condoning, embracing, then enforcing unnatural sexual  
229 expression. Remember Sodom!

230 We had a reprieve in the matter of the first crime against Heaven in  
231 the overturning of Roe. However, as I rejoiced with all who support  
232 the BABIES RIGHT TO LIFE — I also warned this was likely to be  
233 the beginning of the real fight for LIFE. That's another prophecy  
234 proved true.

235 You've seen the insanity on the left in reaction to the overturning  
236 of Roe—the wild distortions of what it meant. No question,  
237 overturning Roe removes the blanket cover of legal protection for  
238 this act of heinous murder, and it exposes the sham of abortion  
239 being a "Constitutionally protected RIGHT" — all it did was throw  
240 the debate back into public domain where it has to be fought out  
241 state by state. Or the Representatives of the People will have to  
242 commit to this evil and go with a Graham compromise that  
243 formally legalizes the murder of babies from conception to the  
244 fifteenth week. There is no negotiation with the Devil on this  
245 business—if it's okay to kill the baby the day before the fifteenth  
246 week, then by what rational is it not okay thereafter. The  
247 "exceptions" for rape and incest are ludicrous—we don't kill the  
248 innocent child because it was conceived by a heinous act of rape, or  
249 incest. Americans know the babies heartbeat can be detected at six

250 weeks—no matter what that jewel of Georgia Stacey Abrams says—  
251 and it's true that in most cases a woman does not even realize she is  
252 pregnant until it would be too late to kill their baby.<sup>29</sup> Nevertheless,  
253 this is only because technology has developed to the point we can  
254 see the baby in the womb and register it's heart beat — according  
255 to the science, a babies heart begins contracting rhythmically at  
256 three weeks. As technology advances, I think evidence will establish  
257 the baby is a LIVING human being at CONCEPTION, which, by  
258 the way, is the ONLY REASONABLE and SCIENTIFICALLY  
259 supportable position.

260 But, the truth is, none of this matters to the radical pro-abortion  
261 crowd. They have acknowledged the FETUS (means *little child*—  
262 thank you Michael) is a baby for a very long time! The radical  
263 abortion crowd has openly admitted they are advocating for the  
264 murder of a human baby, and have suggested this right to "abort"  
265 should extend beyond the womb for up to five years, some wince at  
266 that and offer, how about three; others suggest 1 years old would be  
267 sufficient time for the mother to figure out whether or not she  
268 wants to be one, or wants to add another one.<sup>30</sup>

269 The Pro-life pregnancy center, CompassCare, in Buffalo, NY, led  
270 by Pastor Jim Harden, CEO, was firebombed by radical pro-abortion  
271 terrorists.<sup>31</sup> A group, calling themselves Jane's Revenge takes credit  
272 for "the bombings" without specifying which of, are you ready for  
273 this, of the 47 pregnancy centers that have been attacked by pro-  
274 abortion extremists.<sup>32</sup> Did you hear anything about that?

275 How often do you suppose you would have heard about "far right  
276 extremists" attacking a Planned Parenthood abortuary? Right!

<sup>32</sup> IBID.

277 So, when the police came to investigate this bombing, they took the  
278 video evidence provided by the pastor. No arrests have been made.  
279 In fact, no arrests have been made by the FBI, also looking into this  
280 case. In fact, no arrests have been made in relation to any of the 47  
281 brutal attacks that have taken place against these people who want  
282 to provide services to help mothers keep their babies. 47 cases, 0  
283 arrests. Meanwhile, the FBI are busy creating cases of DVE —  
284 domestic violence extremists — but IGNORE these radical  
285 terrorists attacking peaceful pro-life service organizations.

286 Pastor Harden wanted the police to return his video but their  
287 lawyer explained they would not because the video might, are you  
288 ready for this, the video might incite RIGHT WING  
289 EXTREMISTS.<sup>33</sup>

290 The video is the property of the CompassCare pregnancy center.  
291 But, as we have seen, when it comes to the rights of Christians,  
292 well, let's just say it out loud — according to the BIDEN regime  
293 they don't have any rights. But, we do, actually!

294 That's the shedding of innocent blood, let's look at the cultural  
295 embrace of unnatural sexual expression followed by political  
296 endorsement, and legal enforcement.

297 Let's see—well, this is interesting. The first openly trans Army  
298 officer is charged in a plot to give US military medical information  
299 to Russia to assist in their war against Ukraine.<sup>34</sup>

300 Representative Pocan introduces legislation to create the first  
301 National LGBTQ history museum — my wife suggested the first  
302 exhibit should be Sodom and Gomorrah.<sup>35</sup>

303 I mentioned AOC complaining that we conservatives don't believe  
304 Trans people are real — uh, I wish it were that simple! But we are  
305 not the one's denying reality here!

306 And I mentioned Newsomes gruesome support for providing a  
307 sanctuary not only for abortion, but also for confused kids who  
308 might come from sane states that do not support or condone sex  
309 change operations being performed on minors. Vote for Brian  
310 Dahle for CA Gov, and deliver us from this wicked and perverse  
311 man. I don't think that fascist has given up his "emergency powers"  
312 yet.<sup>36</sup> What's that about? He will brook no limiting, or constraints  
313 against his dictatorial powers.<sup>37</sup> I wonder if these Blue state devils  
314 are bagging this "emergency power" gig for the day Biden  
315 announces the FINAL SOLUTION. The left is getting backed into  
316 a corner, they are losing public sympathy big time, and their own  
317 party is deteriorating from under their feet, like sand pulled from  
318 under their feet while standing on the beach — and, like their  
319 model, Hitler, who marked a group with his yellow arm bands,  
320 hurled on them slander and lies turning public sympathy against  
321 them, and finally announced the FINAL SOLUTION — watch out!  
322 We have seen how these types operate in the past. Anyway!

323 Meanwhile, Netflix rolls out their new series, telling the story of  
324 Jeffery Dahmer. Remember him? He is the homosexual man who  
325 seduced homosexual men to his home where he murder them, cut  
326 them into pieces and stored their remains in his refrigerator, and  
327 ate them. Right! It's a true story, read about it here.<sup>38</sup> So, Netflix  
328 tags the series with LGBTQIA+ — this lets viewers know  
329 something about the content of the film. The spokespersons for  
330 organizations committed to advancing and protecting the interests  
331 of that community protested—pressured Netflix to remove the tag.  
332 They acquiesced to their request.

333 So, now the homosexual community instructs the conscience of  
334 our culture — if you want to know what cultural sensitivity  
335 standards you should respect in the US today, don't ask a  
336 Christian, ask the LGBTQIA+ crowd, or the BLM crowd, or the  
337 ANTIFA crowd — they have been given the moral high ground in  
338 our society and their values are being referenced as the standards  
339 that guide us in moral decisions. Remember when they screamed  
340 in our faces — get your morality out of my, what, pants, or  
341 bedroom, or life, or whatever? Well, whose morality is being  
342 FORCED on us now?

343 All of this is leading to something! God will wait for a nation to use  
344 the sword of judgment that He gave to government to execute  
345 wrath upon evildoers [Romans 13], but He will stand by and wait  
346 only so long before He steps in and TAKES IT INTO HIS OWN  
347 HANDS — expect a major intervention, and expect it SOON! But  
348 like I've said many times, you will not like it! I promise you! Unless  
349 the remnant repents, and we return the sword to the hands of the  
350 righteous, and these don't hold back the sword, but faithfully  
351 employ it in the work of executing JUDGMENT to restore  
352 JUSTICE, we will face God's wrath; and if GOD has to step in, it's  
353 going to be a great mess.

354 Consider this biblical story as an example. Judges 18-21. No time to  
355 develop this but listen — A tribe in Israel, Benjamin, embraced  
356 unnatural sexual deviancy — made these people a protected class  
357 and covered for their heinous crimes and diseases. They killed a  
358 priests concubine through cruel sexual abuse, and when this came  
359 to the attention of the leaders of Israel, and after attempts to get  
360 Benjamin to execute judgment upon the "sons of Belial" in their  
361 tribe, a civil war broke out. Judah led the tribes who gathered to  
362 compel Benjamin to respect decency and law. God told Judah to go  
363 up against Benjamin, but guess what? Benjamin won, and I think it  
364 was 22k that fell at the hands of Benjamin's forces on that first day.

365 Israel recouped, cried out to GOD begged for direction asked if  
366 they should go up again. God said, GO UP, they did, and Benjamin  
367 won AGAIN, this time killing 18k in Israel. Judah and the tribes  
368 following gathered to the HOUSE of GOD and cried out—  
369 confused. But they asked, shall we go up? God said, GO UP and I  
370 will deliver them into your hands tomorrow. Israel wiped out  
371 Benjamin on that day—and had it not been for mercy shown to  
372 that tribe, it would have become extinct. What's the lesson here? If  
373 a nation tolerates this unnatural evil, it will become deeply  
374 entrenched and compromise the entire nation — and when  
375 judgment is executed, it's going to COST the entire nation and it's  
376 going to COST big time.

377 We need to stand, as did MOSES, with our HANDS UP in prayer  
378 interceding for our nation—our Aaron and Hurs must support  
379 these men of GOD praying for this nation—the battle will turn on  
380 the PRAYERS of God's remnant!
