

Brain Massage®: Show No. 902 The POWERS — and THE POWER! Who Actually Has the RIGHT of RULE in America?

Jerry Scheidbach

Original Air Date: 10.08.22

1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain
3 masseur—get ready for your brain massage.

4 Tyler Wrynn, public school teacher in Texas who wants
5 Christianity removed from progressive thought, because religion is
6 inherently hierarchical.¹ He is public about his views and subtly
7 pushes anarchist ideology in his classroom.

8 Nobody messes with Joe! Nobody! He is a tough guy. He is a liar, a
9 thief, a murderer and a destroyer: the dilemma of Biden—wait for
10 it!

11 And talking about the tough guy, Joe's DOJ has been asked to
12 engage in *persecutorial* prosecution against anyone daring to call
13 out the medical establishment for their so-called "gender affirming"
14 mutilation operations.²

15 The government-getting-into-your-business thing is worldwide—
16 in the Netherlands farmers are in a fight for their very survival.
17 Government is demanding that 500-600 farmers sell their land to
18 the government and it appears they have a deadline—within the
19 next year.³

20 DEVOLUTION: it's all going back to the people. It's a "too your
21 tents" moment for America.

22 And then, on the ELECTION front: Michigan based Konnech is in
23 trouble for storing sensitive election worker data on CCP
24 controlled servers.

25 Well, well, well: let's take a look at this, shall we?

26 Okay, my beloved friends — it's time for your Brain Massage®.

27 [TRUTH]

28 Tyler Wrynn, public school teacher in Texas says he and his fellow
29 progressives want Christianity removed from progressive thought,
30 because religion is inherently hierarchical.⁴

31 This goes to the general ignorance of the American people about
32 Christianity. It also speaks to the cleverness of devils to confuse
33 people about simple truths. Friend, Christianity is anti-hierarchal.

34 The word *hierarchy* refers to controlling a group by a ranking
35 system, or organizations that are controlled in this way. According
36 to the newer dictionaries, it's "a system or organization in which
37 people or groups are ranked one above the other according to
38 status or authority." This is what we have in American politics
39 today; but it is not what the Framers had in view.

40 The Framers had a more Christian organization in view. Let me
41 explain!

42 Not everything called *Christian* is! Shakespeare is famous for
43 saying "a rose by any other name would smell as sweet." We all
44 immediately get his point, and it's a good one. On the other hand,
45 many attempt to attach the association we have made with, say, the
46 fragrance of the rose, to other things not at all so sweet. The left
47 does this all the time — they take words with meanings pleasant
48 and use them to identify things wicked and evil — they call slavery
49 by names like *liberalism*, until that word takes on the odor of what
50 they have given this name and then they switch to another word to
51 ruin—like *progressivism*. My point is, many have taken the name
52 *Christian* and attached it to a great many things that are not. You
53 can call a pig a rose, but that will not change the stink of a pig.

54 Paul said that anyone who names the name of Christ must
55 DEPART FROM INIQUITY (II Timothy 2:19). In case you are
56 among the many who will in the day of judgment cry "Lord, Lord,
57 have not we ... in thy name done many wonderful works" only to
58 hear Him reply — "I never knew you: depart from me ye that work
59 iniquity" (Matthew 7:22-23) — let me command you forthwith, let
60 me deliver Paul's cease and desist order — unless you will depart
61 from iniquity, YOU HAVE NO RIGHT TO USE HIS NAME.

62 The hierarchal systems in religion have no place in
63 CHRISTIANITY. His undershepherds are commanded not to
64 serve as "LORDs over GOD's HERITAGE" (I Peter 5:3); a good
65 shepherd provides an example to follow, not as a lord that
66 demands, but by a life that commands the heart. Christ teaches
67 servant leadership, and He modeled it! Every knee bows to
68 CHRIST, and every tongue confesses HE IS LORD—Paul
69 commended the believers in Berea because they tested his teaching
70 by the authority of the Scriptures, and said, speaking of himself and
71 his fellow apostles, confessed they had no dominion over our
72 faith—the word translated *dominion* is translated also LORDS.

73 The Christian principles of individual liberty requiring individual
74 responsibility, and government answerable to the PEOPLE,
75 deriving their just power from the consent of the PEOPLE, the
76 separation of powers which serve to restrain the government from
77 becoming a tyrannical system of systematic oppression of the
78 people—the Bill of RIGHTS which has served as the BANDS and
79 CORDS of CHRIST upon what our founders referred to as that
80 BEAST called government — they are dismantling the bands and
81 cords and turning this nation into a TYRANNICAL STATE
82 complete with a hierarchal system the sets one group as privileged
83 in power over another group, as separated into a class that RULES
84 over the UNDERCLASS — that is NOT CHRISTIANITY, Mr.
85 Anarchist teacher Wrynn—that's your PARTY!

86 A hierarchy presumes to separate one man or group from the rest
87 and appoint to them an arbitrary right of government, and power
88 over the other — it's satanic! It reeks of hell's sulfur! It's a despotic
89 spirit—the spirit that today prevails among Demoncrats — no
90 wonder, since they voted GOD from their party some years back.

91 Did you notice the collapse of that party into an anti-Constitution
92 movement following that fateful assembly when the Democratic
93 leadership attempted to recognize GOD in their Party Platform,
94 and probably better than, but at the very least half of the Party
95 booed and voted it down? The leadership tried three times to get
96 the 2/3 vote required, and gave up, and they tried to cover it up,
97 but it was obvious to any viewing that convention — it was 2012.⁵
98 (Here is a link to the YouTube video of that floor vote.) This was
99 coming in to Obama's second term and it must have warmed the
100 cockles of his America-as-founded hating heart to hear what
101 progress he had made toward realizing his vision of AMERICA AS
102 NO LONGER A CHRISTIAN NATION ... ⁶ Remember that? That
103 was during his campaign for his first term about 5 years earlier.
104 Then, not long after he was elected, 2009, he said we "do not
105 consider ourselves a Christian nation." [IBID]

106 And so it should not surprise us that our government, in the hands
107 of this godless party, is bent on destroying our Christian
108 framework of government represented in our founding
109 documents, the Declaration that asserted the great truth that all
110 men are created equal, and endowed by their creator with certain
111 inalienable rights, and the Constitution that incorporated a
112 recognition of that great truth in the BILL OF RIGHTS, the first
113 ten amendments, that I have shown, every single one of them, to be
114 rooted in CHRISTIAN precepts and principles. And our LAWS
115 which were shaped within the context of a Christian ethos, a

⁵ <https://www.youtube.com/watch?v=N9ha9o24Pfw>

⁶ <https://thenewamerican.com/obama-america-not-a-christian-nation/>

116 culture whose values were literally defined by biblical precepts and
117 principles—see *The Christian Life and Character of the Civil*
118 *Institutions of the United States* by Benjamin Morris for a catalog of
119 thousands of documents illustrating the Christian character of this
120 NATION UNDER GOD!

121 The biblical principle of government includes a responsibility to
122 submit to the king as supreme, and magistrates, and all officers
123 commissioned to execute the "punishment of evildoers, and for the
124 praise to them that do well" (I Peter 2:13-15). And Paul who told us
125 to subject ourselves to the "higher powers," for, he said, "there is no
126 power but of God: the powers that be are ordained of GOD" — he
127 said to resist such power is to resist "the ordinance of GOD," and
128 the consequence for such resistance will be "damnation." He said
129 "rulers are not a terror to good works, but to the evil." And he
130 warned us, "Wilt thou then not be afraid of the power?" He
131 exhorted us to "do that which is good," expecting "praise from the
132 same," because, Paul said, these are God's ministers, sent to us for
133 good. And he warned, if we fail to do what is good, but instead do
134 what is evil, we should be afraid because "he beareth not the sword
135 in vain." Indeed, Paul, by the SPIRIT, said, "he is a minister of
136 GOD, a revenger to execute wrath upon him that doeth evil"
137 (Romans 13:1-4).

138 Those who say Paul wrote this in view of the Roman government
139 are absolutely correct. And this declaration of DIVINE
140 ORDINATION OVER CIVIL GOVERNMENTS is huge — it's
141 possible to argue it is the premise of our DECLARATION and
142 carries even greater weight as the DIVINE wrecking BALL that
143 brought down the tyrannical governments of this world.

144 For this declaration said to Nero, and to all prior to him and all
145 following, like GOD through DANIEL to Nebuchadnezzar — hey,
146 all of you, your AUTHORITY is DERIVED not from you, but from
147 ME. I set you up and I can, and will, take you down.

148 Your authority is as stewards under MY APPOINTMENT — God
149 is the ordaining authority over you Nero — I wonder how Nero
150 took that? Do you suppose Nero was like Obama and said, ROME
151 IS NOT UNDER GOD — or I have not regard for man or GOD,
152 like the unjust judge — of course he did. In other words, Nero and
153 Obama totally repudiated this statement. They did not see their
154 authority as coming from GOD, they rejected that as a premise and
155 so DEFIED THE MOST HOLY GOD, they defy His authority
156 today — they make a MOCKERY of this declaration of DIVINE
157 APPOINTMENT of AUTHORITY, they do NOT FULFILL IT.

158 These rulers are not under GOD — they are like the unjust judge
159 who said, I regard not man or God. It's always like that, you know.
160 When a ruler denies GOD as his authority, he also denies man as
161 his authority, and becomes a tyrant.

162 Listen, if there is NO POWER BUT OF GOD, and if, as it clearly
163 says here, THIS POWER, the power that is OF GOD, let me tell
164 you what it DOES — this power is NEVER A TERROR TO GOOD
165 WORKS, but ONLY to the EVIL. Stop! Think.

166 It does not say this power that comes from GOD can do as it
167 pleases, it can do whatever it wants because whatever it does comes
168 from GOD. That is a satanic lie! That is exactly the sort of POWER
169 Satan ordains, but it is NOT THE POWER THAT GOD
170 ORDAINS.

171 If the Bible says, THERE IS NO POWER BUT THAT POWER
172 ORDAINED BY HIM THAT IS NOT A TERROR TO GOOD
173 WORKS BUT TO THE EVIL — then any "power" that is a terror to
174 good works, and is not a terror to the EVIL, IS NOT A POWER. It
175 is not recognized within the meaning of the word *power* in this
176 passage. It is NOT A POWER — and it has NO DIVINE
177 AUTHORITY. Okay, I need to break here so hold on, this is
178 important so I'm going to pick it up on the other side.

179 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor
180 at the Lighthouse, your brain masseur, and Paul Revere's lantern
181 lighter, lighting the lamps in the church belfry arch, signaling the
182 enemy is on the march, an enemy that would steal from us our
183 liberty.

184 Many use Romans 13 to say anyone who has power is ordained by
185 GOD to have it. That's not true. The PEOPLE can put people into
186 power that GOD would not have put in place if the people had
187 chosen according to His will — Hosea 8:4 — He complained
188 against Israel because they "set up kings, but not by Me," and
189 "made princes, and I knew it not." If that offends your theology
190 then you have the divine right of kings lie whispered into your ears
191 by some seducing spirits teaching doctrines of devils — PERIOD!

192 Even a person who says they don't believe in Christ would do well
193 to make certain those he puts in power over him does believe and
194 submits to the LORDSHIP of JESUS CHRIST. Only such will have
195 any understanding of servant leadership, and ruling in the FEAR
196 OF GOD understanding he will be held to account by DIVINE
197 JUDGMENT. The Bible says the unchristian man or woman can be
198 taken into the power of Satan at his will (Read II Timothy 2:26).

199 Do you want to know how we have ended up in this situation we
200 are in today? We put men and women into power who are taken
201 captive by Satan at his will and used to direct this country into a
202 confrontation with the ORDAINING AUTHORITY over all
203 power. That brings us back to Romans 13. You need the preface for
204 this discussion provided in the first segment, so if you are just now
205 tuning in, get that on the replay.

206 GOD Said "ALL POWER IS ORDAINED OF GOD," and He made
207 it clear that the power that is ordained of GOD does certain things
208 and DOES NOT DO other things. Any so-called *power* that does
209 not do the things betrays itself as a usurper power that is NOT
210 ORDAINED OF GOD.

211 For we are not told the power that is ordained of GOD *should* do
212 this, or that, we are told that is what it DOES. This passage allows
213 us to identify what power is, and what power is NOT ordained of
214 GOD.

215 Any "power" that acts in DEFIANCE of the ORDAINING
216 AUTHORITY that is declared to be over ALL POWER falls into
217 the category of those "powers" we are called upon to WRESTLE
218 AGAINST, to STAND AGAINST—Ephesians 6:12-21. These are
219 the powers we are aligned AGAINST — and we are called to
220 RESIST, and not ASSIST.

221 If the BIBLE says the ONLY POWER HE RECOGNIZES as a
222 POWER is that which executes wrath against EVIL DOERS — then
223 it is obvious the word *evildoer* is to be defined by the ORDAINING
224 AUTHORITY — God is the ORDAINING AUTHORITY and HE
225 defines what is evil — and the authority HE ORDAINED is
226 commissioned with authority from HIM to execute wrath against
227 such as do evil.

228 The only *power* that defies the ORDAINED POWER OF GOD and
229 takes the sword commissioned for the execution of wrath against
230 evildoers and turns that sword against patriots peacefully
231 protesting a stolen election, and turns that sword against
232 Christians protesting against the murder of innocent babies, while
233 at the same time, arrogantly, purposely, outrageously ignores those
234 violent criminals who firebomb pregnancy care centers providing
235 life sustaining counsel and provision for mothers in what is called a
236 crisis pregnancy—

237 If the "powers" in place use the SWORD in this evil manner —
238 THEY HAVE NO AUTHORITY FROM GOD — and in our case,
239 not only do they have NO AUTHORITY FROM GOD, but they
240 have NO AUTHORITY from our Constitution, and no authority
241 from our DECLARATION, and because they have contrived to
242 dilute the voice of the PEOPLE of this country by use of these

243 corrupt voting machines, and these policies that facilitate election
244 fraud, universal mail-in ballots, refusing the require voter ID, and
245 so refuse to give the PEOPLE an HONEST ELECTION — they
246 have NO AUTHORITY FROM THE PEOPLE.

247 We don't know what America would choose if they actually had
248 the choice — but the wicked usurper power, they know. They
249 know they would cast out on their ears if the PEOPLE actually had
250 their RIGHT TO CHOOSE restored — and that's why they resist
251 every reasonable, common sense, measure to secure our elections.

252 These people are the usurpers, the anti-government lawbreakers,
253 the people groaning under this oppressive regime are not the ones
254 described by Peter, who walk after the flesh, in the lust of their
255 uncleanness, and who DESPISE GOVERNMENT.

256 It is Biden, Pelosi, Schumer, Nadler, Schiff, et al., what are
257 presumptuous to claim divine authority supports their usurpation
258 — they are selfwilled, and not afraid to speak evil of dignities —
259 docha — glorious ones —

260 Now, I don't know about you but I would certainly think JESUS
261 CHRIST is DOXA! GLORIOUS! Glorified and seated upon the
262 right hand of the MAJESTY on HIGH, and those HE ELEVATES,
263 those who are RAISED UP BY HIM to rule, who will rule in the
264 FEAR OF GOD and be JUST — and the angels, which are greater
265 than these people that blaspheme Christ, the angels which are
266 greater than Schumer who dismisses Christianity and prayer as
267 meaningless, and blasphemes Christ and says, your prayers are not
268 going to save you, and faith is not going to help you in this
269 pandemic — and other such blasphemy from their lips — these are
270 natural brute beasts — so, who is Peter describing here in 2Peter 2?

271 He is describing these wicked usurping rulers who take the
272 POWER GOD ORDAINED for execution of wrath upon evil
273 doers, and turn it to the uses of SATAN HIMSELF, brute beasts,

274 "made to be taken and destroyed," who speak evil of what they do
275 not understand — but we have understanding from Scripture to
276 know, like Elijah new, that AHAB was a WICKED KING and his
277 blasphemy and wickedness would find him and bring him to
278 destruction — like Herod, whom John the Baptist rebuked and
279 declared his sin openly and accused him for taking his brother's
280 wife — like Paul who rebuked the centurion, an officer in the
281 Roman army, and challenged him by ROMAN LAW and did not
282 say, oh, mighty centurion, you are an officer of the GOD
283 ORDAINED ROMAN GOVERNMENT and so whatever it pleases
284 you to do, you may do — but instead, Paul rebuked the unlawful
285 act of that centurion.

286 These are the unlawful, lawbreakers, despisers of them that are
287 good, and lovers of wicked and evil men and women. They are
288 driven by lust, and adultery, and every manner of filthiness of this
289 flesh, they are the *perverters* of righteousness — AND THEY ARE
290 IN DAILY DEFIANCE OF THE ORDAINING AUTHORITY —
291 they are not the ordained power, they are agents of the dark powers
292 of hell arrayed against the CHRIST of GOD.

293 And it is not a surprise that the spirit of anarchy finds its home in
294 the DEMONCRAT PARTY — haters of the DIVINE POWER and
295 lovers of DARKNESS.

296 Well, as it does sometimes happen, the prophets boil boils over —
297 so, we'll get to the rest of this tonight during our livestream:

307 LIVESTREAM:

308 Anarchy taught in our classrooms? Project Veritas exposes Texas
309 Will Rogers Middle School teacher Tyler Wrynn in an undercover
310 interview declaring progressives want Christianity out of their
311 politics and thinking—admitting he is an anarchist, this goes
312 together, antichrist and anarchist.

313 Tyler wants to burn down "the entire system," and uses clever
314 means to teach his ideology to his students in the classroom.⁷
315 Angrily Wrynn drives a wedge between his young TikTok
316 followers and their parents and declares that, "I'm the parent now."
317 Really? Okay you anarchist antichrist blowhard — you feed them,
318 you clothe them, you pay for their education.

319 I must report that Wrynn apologized for that, he explained he
320 should not have used the "F" word in his statement.

321 Nobody messes with Joe! Nobody! He is a tough guy. He is a liar, a
322 thief, a murderer and a destroyer: the dilemma of Biden—wait for
323 it!

324 [He will call you out man; he will, like, "come on, man," and "Hey,
325 you wanna meet outside." You don't mess with a *Biden*, one kid
326 tried and Joe called him out, called him a "lying dog-faced pony
327 soldier."⁸ The weakest, and most pathetic little man to ever traipse
328 the halls of Congress and now the White House, a man dedicated
329 to nothing greater than himself, his motto is there is nothing you
330 can have that can't be his, if he wants it—a guy with the plagiarism
331 gene in his DNA — he can't even tell a story about, well, anything,

332 without stealing someone else's experience and making it his own
333 — he is a liar, a thief, a murderer and a destroyer: the dilemma of
334 Biden is the uncanny cleverness of the devil. If there is a need for
335 deviousness, truly, Biden is your man!]

336 And talking about the tough guy, Joe's DOJ has been asked to
337 engage in persecutorial prosecution against anyone daring to call
338 out the medical establishment for their so-called "gender affirming"
339 mutilation operations.⁹

340 [It's a whole new world of moneymaking opportunities at the
341 expense of their patients. In 2021, Reuters reported a sudden,
342 dramatic increase in diagnosis for gender dysphoria: shot up 70%
343 from 2020?¹⁰ Over 120,000 children ages 6-17 were diagnosed with
344 *gender dysphoria* and 17,683 were started on puberty blocking
345 drugs, and cross sex hormones, and surgeries.¹¹ In 2021, Reuters
346 reported that 42,000 children and teens in the US were diagnosed
347 with gender dysphoria—a number that is almost three times what
348 it was in 2017, and includes a 70% spike from 2020 to 2021. These
349 reports only cover children and teens that were diagnosed with
350 gender dysphoria, and only those that had insurance to cover their
351 treatment. 56 of these kids, 13-17, had genital surgeries. Many of
352 these kids will become infertile and will be unable to experience
353 orgasm. They are stealing the very life of these children — it's like
354 I've said regarding homosexuality — promoting that lifestyle is the
355 worst thing you can do for those in bondage to it, and for those
356 who don't know the misery of that life. In terms of diseases alone,
357 the list is so long, and the diseases associated with the behaviors of
358 that lifestyle are such you would need a barf bag handy if I read
359 through them right now. It's horrible! And every single person

⁹ <https://www.breitbart.com/politics/2022/10/03/medical-associations-ask-bidens-doj-investigate-individuals-against-transgender-surgeries-children/>

360 advocating for this lifestyle is guilty for all the tragedy it brings into
361 the lives of these kids that get sucked into this.

362 Any doctor that would participate in the murder of babies in the
363 wombs of their mothers is far worse than a quack, he, or she, is a
364 disgrace to their profession—with the blood of the innocent on
365 their hands. But, like Pilate, be sure of this, you cannot wash it off
366 — you'll have to make your appeal to God's mercy and be washed
367 in the innocent blood of His SON. Or else, be sure your sins will
368 find you out.

369 The same is true for any so-called surgeon who would mutilate the
370 bodies of these children—I pray their conscience will torment
371 them in their sleeping and waking dreams—I pray GOD will
372 remove what has numbed their natural feelings so they can feel
373 deeply the pain they are inflicting upon these precious young
374 people created in the image and likeness of the ALMIGHTY, Who
375 personally engaged with their origin, Psalm 139, assigned their
376 gender, as well as their eye coloring, and so on, that each may say,
377 "I am fearfully and wonderfully made."

378 So now, unfortunately, we have another reason to find a doctor
379 that understands natural healing, who is a minimalist when it
380 comes to pharmaceutical interventions! Stay away from big
381 Pharma and government establishment medicine zealots — your
382 health is not their first priority—they serve another master!

383 So Biden will sick his dogs on any that protest this butchering of
384 our children? Well, you know, no body messes with the Bidens.
385 Right?]

386 And talking about "the big guy," you know, Hunter calls him "the
387 big guy," but I think we should call him "the tough guy," tough-
388 guy-Joe, or, better, since, you know, he likes to come across as
389 folksy with the *little people*, like the little people of Puerto Rico, and
390 he likes to coopt the stories of others into his own to make him

391 look, well, like somebody — and there is a famous JOJO in Puerto
392 Rico, so how about Jo-Jo Joey the *lying dog-faced pony soldier*.
393 Haha. You know, he is rather dog faced, don't you think.

394 Anyway, fascists like the American Medical Association, American
395 Academy of Pediatrics, and Children's Hospital Association have
396 signed a letter to US Attorney General Merrick Garland urging the
397 administration to "investigate the organizations, individuals, and
398 entities," they accused of saying bad things about their "gender
399 affirming health care," and these things make staff sad, causes them
400 to have stress and stuff, cause when mutilating little boys and girls
401 to make the boys into girls and the girls into boys, I mean, like, if
402 that's not already really stressful. Even spending all the money
403 made from these human mutilations is not any fun when people
404 talk bad about them. The letter explains that the hospital staff and
405 the doctors are shaking over this!¹² So they want the DOJ to
406 investigate and prosecute these people who have opinions contrary
407 to the fascist state narrative. See, fascism — it's great. Cause you
408 can use the coercive power of government to advance your
409 ideological agenda so long as you call it "evidence based," and
410 "gender affirming." [IBID]

411 The government getting into your business thing is world wide—in
412 the Netherlands, the farmers are in a fight for their very survival.
413 Government is demanding that 500-600 farmers sell their land to
414 the government and it appears they have a deadline—within the
415 next year. Or else what? I suppose the government in the
416 Netherlands will just come and take it; you know, like Jezebel used
417 the government to take Nadab's farm land because he refused to
418 sell it to that wicked Ahab. Hey, Netherlands—remember, this did
419 not end well for Jezebel! I see the dogs licking their — do dogs have

420 lips? The dogs are licking their chops, perhaps sharpening their
421 teeth.¹³

422 DEVOLUTION: it's all going back to the people. It's a "too your
423 tents" moment for America. Quick example to get us started — we
424 don't wait for the police to come rescue us from looters and home
425 invaders. Florida's Polk County Sheriff Grady said, "People have a
426 right to be safe in their homes ... I highly suggest that if a looter
427 breaks into your home ... that you take your gun and you shoot
428 him. You shoot him so he looks like grated cheese."¹⁴

429 On the ELECTION front: Michigan based Konnech is a software
430 company that creates election software used on election computers.
431 They serve the US and many other countries. True the vote has
432 been dogging the company with reports of compromised elections
433 arising from the known vulnerabilities of their software and
434 Konnech was really mad, so they sued True the Vote for hacking
435 into their data, and targeting the "small" election vendor, Konnech,
436 with a "racist, defamatory campaign." The "target" of True the Vote
437 was Konnech's software for managing poll workers and data on the
438 election officials using their software—it includes personal
439 information of the poll workers, contact information, passwords
440 for accessing the system software, and even their schedule,
441 indicating when and where these workers will be accessing the
442 machines using this software. Kind of important stuff if you
443 wanted to "reach out" with a friendly bribe, or a not-so friendly
444 threat, veiled or unveiled, or if you needed the passwords to access
445 the machine data and knowledge about when the user would be
446 away from the machine—you know! Well, Konnech was very mad
447 about this and sued True the Vote.¹⁵ Oh, and all that stuff from
448 True the Vote about Konnech keeping data "outside of the US," in

449 CHINA, and that bit about Konnech's involvement in the 2020
450 election steal?¹⁶ Let's just say those who pointed out it seems
451 Konnech doth protest too much were on point!

452 Konnech CEO, Eugene Yu, was lately arrested for allegedly
453 keeping, or storing data on servers in — you guessed it, CHINA.
454 LA District Atty. George Cascon initiated this arrest. What? Yeah,
455 turns out LA County election worker data was discovered on CCP
456 servers. Well, well, well: let's take a look at this, shall we?
