1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the  
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain  
3 masseur—get ready for your brain massage.  
4 What I've learned from COVID!  
5 Biden's Armageddon! WWII,  
6 China's CCP are placing police stations within our country  
7 operating under China's laws on our soil? Really?  
8 FDA, Fauci, et al. accused of mass murder in a Washington Times  
9 Op Ed. by Peter Navarro — and he brings the receipts! Biden  
10 extends the COVID-19 health emergency powers?<sup>1</sup>  
11 J6 — I was wrong! I thought that charade had played out and

16 to jail — great! It'll make me happy too. Let's make everybody  
17 happy and put Nancy in the orange jumpsuit and stick her behind  
18 bars. Hey, Nancy, really! Did you, or did you not, say you wanted  
19 Trump to come to the Capitol on J6 so you could "punch him out,"  
20 and said you would go to jail, and you would be happy to go to jail?  
21 Now, before you answer that, let me show you a video created by  
22 your daughter of you in the Capitol saying this right out loud in

27 was another of those many conspiracy theories that turned out to

33 [TRUTH]

34 What I've learned from COVID!

35 I've learned that the govt. controlled medical establishment is fully  
36 politicized — and serves the political objectives of tyrants. The  
37 government has used the health industry to exert a dictatorial  
38 control over the people, to steal our right of consent, not only by  
39 forcing us to submit to experimental medical treatment without  
40 fully informed consent, but also it was used to deny to us our right  
41 of the consent of the governed. Furthermore, COVID taught me  
42 who the Pharmaceutical companies are, what liars they are, their  
43 fiendish plot to force the world's population into participation with  
44 their massive experiment using us as their lab rats.

45 I learned that the medical establishment medical personnel are  
46 dedicated first and foremost to their wallets and their careers —  
47 not to their patients! Their hippocratic oath is hypocritical.

48 I learned that hospitals are willing to kill patients for money.

49 I learned that science means nothing to the medical establishment  
50 — that in service to the god of mammon, and to avoid disruption  
51 to their career path, they will pervert science and defile it—sell out!

52 I saw that especially with the mask debate and the vaccine scam.

53 We know Fauci's corrupt sycophants participated in gain of  
54 function research, Baric of the University of North Carolina, and  
55 Dzak of Eco Health Alliance, Collins, that's Fauci's boss, all of them  
56 — that when their gain of function research on coronavirus was

57 discovered, it was shut down by a Republican congress, but Barack  
58 facilitated a work around to get the work continued in Wuhan.  
59 COVID taught me this, that Fauci, Collins, Dsак, Baric, and the  
60 FDA are all corrupt—its a network of LIARS — serpents slithering  
61 about — if the entire medical establishment had a head, it would be  
62 a Medusa head of writhing snakes—how fitting the reports that  
63 the virus causing COVID includes cobra dna sequences. Really?  
64 Well, NYP reports studies showing "Getting very ill with COVID-  
65 19 is like rattlesnake bite" ... according to a new medical study."<sup>2</sup>  
66 Published in the Journal of Clinical Investigation. So ...

67 We know that Dzsак et al. initiated the preparation of that phony  
68 Lancet study claiming HCQ was dangerous, and that this study was  
69 used by the wicked murdering medical establishment to  
70 manipulate government to use its coercive powers to forbid  
71 prescription of HCQ for early treatment — and that when this was  
72 discovered to be a faked study, it was withdrawn by Lancet in  
73 shame, and yet the vile devil infested Faucian gang refused to  
74 acknowledge this and continued using that study to justify  
75 prohibiting use of HCQ, refused to acknowledge the people's "right  
76 to try," punished doctors who put their patients first, and used  
77 their power to cower the weak into compliance and now we  
78 KNOW this ruse cost the lives of over half a million Americans.

79 COVID taught me not to trust Pharma, the Hospitals, government  
80 health agencies, any government connected doctors or health care  
81 workers — or even medical science. Quacks and charlatans, liars  
82 whose agenda is not the health of the American people, have  
83 infiltrated the medical establishment at the highest levels, where  
84 they use their positions of power to cower the weak and pathetic  
85 under them to do their bidding resulting in the mass murder of  
86 hundreds of thousands of Americans. The few brave health care

87 workers who stood up to this continue, even today, to fight for  
88 their survival.

89 COVID taught me that little dictators like Newsome and Biden will  
90 use any pretext to take away our liberties and enslave the people,  
91 and once they get that power, they will not let it go. Newsome has  
92 yet to release his emergency powers of tyranny over CA, and Biden  
93 just extended his "emergency" powers over the US under the guise  
94 of a pandemic he earlier declared was over.<sup>3</sup>

95 COVID showed me what putting power in the hands of wicked  
96 and unreasonable men and women looks like, feels like.

97 On the positive side: COVID taught me what has been going on in  
98 our public schools, the importance that children see the faces of  
99 their friends and fellow students and their teachers.

100 COVID put on display how many Americans have been  
101 conditioned to slavery — willing to let government dictate they  
102 wear a useless face diaper and let some ignorant or worse  
103 malignant HCW stick a needle into your arm and pump junk into  
104 your body without fully apprising you of the potential dangers —  
105 FDA wont allow the advertising of antidepressants without adding  
106 a full disclosure list of all the ways the drug might kill you, but  
107 when it comes to the experimental mRNA gene manipulating so  
108 called vaccine, and it all line up everyone, take your shot, it's all  
109 good — refusing to tell you the truth about SADS — sudden adult  
110 death syndrome — the neurological attacks making people  
111 suddenly spin around like they are seeing devils swarming them —  
112 and drop over dead — how many athletes are going to drop dead  
113 on the playing field before we finally wake up and notice  
114 something is way off here.

115 So, that's a partial list of what COVID has taught me so far. What  
116 has it taught you? What's that, I can't make out ... take off the

117 mask so I can hear what you are saying. It's okay — you saw the  
118 video of Pelosi ranting about punching out Trump back on J6  
119 2021, she was not wearing a mask—well, I mean, it was pulled  
120 down under her chin. And remember in her hair salon traipsing  
121 about without a mask during the height of mask mandates on  
122 everyone else—so, it's safe. Pull down your mask and tell me what  
123 COVID taught you?<sup>4</sup>

124 What's that...oh, Family matters more than we realized. If you  
125 needed lockdowns to teach you your family matters, you are one  
126 sick and twisted dude. Get in church! Obviously, your values are  
127 distorted! Okay, go ahead, pull your mask down so I can make out  
128 what you are saying: "We have unleashed a revolution in  
129 medicine." Excuse me? We have unleashed medical monsters to  
130 experiment on the population at will now, to make the entire  
131 population a slave to the pharmaceutical companies — here, take  
132 your shot and we'll let you go out to play! Well, not quite. The  
133 vaccine will protect you and others — well, not quite. Take the  
134 vaccine, take off the mask, well, no, not actually that. Take the shot  
135 and protect others from getting sick with COVID — well, no —  
136 you have unleashed a medical monster with an insatiable appetite  
137 for control. The jury is still out on what this so-called virus is, and  
138 what these vaccines are, and the question looming heavy over the  
139 entire debate is exactly why should I trust what any of these yahoos  
140 are saying since virtually everything they have said so far has  
141 proven to be a LIE?

142 I see another hand, yes maam, (muffled, mumble, mumble) —  
143 please remove the mask. Fauci does not wear them when talking on  
144 TV, Pelosi, as I mentioned, drops it under her chin when talking to  
145 others in a room—and, look, I know for a fact that airborne  
146 droplets fill a room within 15 minutes of tidal breathing and  
147 normal talking—so, you know — and look, I know for a fact that

---

<sup>4</sup> <https://www.aarp.org/health/conditions-treatments/info-2021/lessons-from-covid.html>

148 the mask you are wearing, it's a joke anyway, plumes of droplet  
149 clouds, invisible to the naked eye, are jetting out of the openings  
150 into atmosphere, drying within milliseconds releasing virions —  
151 infectious particles — into aerosol — and those droplets captured  
152 inside your mask, if you are wearing one of those made with  
153 hydrophobic materials, bead up, and through the process of  
154 respiration desiccate, that means the moisture, virtually all of it,  
155 evaporates leaving droplet-nuclei that are then sucked down deep  
156 into your lower respiratory system looking for an opportunity to  
157 get into your blood stream through the aveoli — or the 40-200  
158 nanometer particles are launched into the atmosphere through the  
159 300-7000 nm openings in your mask where they float about until  
160 air currents swirl them around in a vortex around a neighbor's  
161 mask and get caught in the draft of inhalation and sucked right  
162 through the mask and into the lower respiratory tract and, well you  
163 get the idea — so, please, get rid of the stupid mask, because if it's  
164 made of hydrophilic material, the moisture will break down upon  
165 contact, spread out, facilitating evaporation anyway and the whole  
166 thing starts again — and besides all that, the exhalation process has  
167 as its purpose to eject junk in your body that it does not want, and  
168 into the atmosphere where sunlight destroys most of it almost  
169 immediately — and where the larger droplets,  $>5\mu\text{m}$ , are captured  
170 in your nasal passages and naturally filtrate — look, you are  
171 capturing all sorts of junk your body is trying to get rid of and  
172 holding it next to your mouth, causing rashes, and infections, and  
173 it's a filthy dirty thing — these masks are not intended to be worn  
174 all day, day after day, — just take it off and TRUST GOD's natural  
175 filtration system — he has never lied to you — these yahoos, like  
176 FAUCI — in 2020 he told an enquirer the typical surgical mask will  
177 not protect you from a virus, then within a month, he changes his  
178 tune and tells everyone to wear a mask — the man is a liar! Trust  
179 GOD, no Fauci!

180 The only "science" that Fauci represents is that kind the Bible  
181 describes as science *falsely so-called*. The fact that the Bible refers to  
182 a science *falsely so called* affirms the Bible endorses true science. So,  
183 what's your lesson from COVID you want to share with the Brain  
184 Massage family? Okay, "Loneliness hurts health more than we  
185 thought." Did you get that from the AARP article LESSONS FROM  
186 COVID?<sup>5</sup> I thought so! Did you notice that immediately after the  
187 acknowledgment that loneliness is deadly, it says, "isolation may be  
188 the new normal." So, I guess you are saying you learned that  
189 loneliness is deadly and you might as well resign your self to living  
190 a more or less isolated life — that is, until it kills you. Anyway, I'll  
191 have to go to break. Hold on! I'll be right back!

192 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor  
193 at the Lighthouse, your brain masseur, and Paul Revere's lantern  
194 lighter, lighting the lamps in the church belfry arch, signaling the  
195 enemy is on the march, an enemy that would steal from us our  
196 liberty.

197 Biden's Armageddon!

198 You probably heard Biden's warning that Putin is pushing us  
199 toward Armageddon.<sup>6</sup> Biden said the country under his leadership  
200 is as close to 'Armageddon' as it has been since the Cuban Missile  
201 Crisis in the 1960s. [IBID] You must pay attention to these things  
202 Biden says — remember, right after he spoke a target on the backs  
203 of all Trump supporting Americans, the FBI went to work carrying  
204 out attacks on Trump supporters — so, these crazy statements  
205 Biden makes appear to be triggers to launch another phase in what  
206 appears to be his Party's plan for controlling the dominion in  
207 perpetuity.

<sup>6</sup> <https://www.foxnews.com/politics/biden-invokes-possibility-armageddon-democratic-fundraiser-speech>

208 Interesting, Biden is stockpiling 300 (one report said 290m<sup>7</sup>)  
209 million dollars worth of an AMGEN's radiation sickness drugs—  
210 this is for the seriously sick and I heard it has only an 18-month  
211 shelf life. That's weird! Why now? Why make a purchase of  
212 something with such a limited shelf life unless you think it's going  
213 to be needed within that span?

214 Maybe more weird is Delaware's announcement that the state will  
215 begin distributing Potassium Iodide tablets to residence living  
216 within ten miles of the Salem/Hope Creek Nuclear Generating  
217 Stations.<sup>8</sup> This started yesterday, Oct. 13.

218 Coincidence? Maybe! But the nuclear generating station in  
219 Salem/Hope has been operating for a long time — what is the  
220 concern here?

221 Biden tells Zelensky that joining NATO is in his own hands.<sup>9</sup> That  
222 was December last year. In September, this year, Zelenski promises  
223 Russia he won't join NATO if that brings peace.<sup>10</sup> That was Sept. 2.  
224 By September 30, Zelenski, that's Vladimyer of the Ukraine, by the  
225 way, finally announced in September his intention to move  
226 Ukraine to join NATO—video of him and his team holding up a  
227 signed application for membership<sup>11</sup> — and called on NATO to get  
228 on the stick and get it done.<sup>12</sup> He then called on the US and the  
229 Western powers to initiate a preemptive strike on Russia to  
230 forestall a nuclear attack from the rising BEAR.<sup>13</sup> That was October  
231 7, 2022.

232 Biden is releasing as much as 180 million barrels of oil from our  
 233 strategic reserve<sup>14</sup> including his late release of another 10 million  
 234 barrels of oil from our strategic reserves.<sup>15</sup> But what's this? Biden  
 235 "sells oil to China from the US Strategic Petroleum Reserve?"<sup>16</sup>  
 236 Defcon News reports Biden has "nearly depleted" our reserves.<sup>17</sup>

237 Our military fell short or recruiting goals by 25% — who wants to  
 238 join a *woke* Army? The Army being feminized, or, what do you call  
 239 this? Who wants to join the pervert-brigade. I'm sorry, Milley is no  
 240 GI JOE — GI SHANE? You've got to be kidding me. One Trans  
 241 Army Major was indicted for a plot to give sensitive info to  
 242 Russia.<sup>18</sup> When you consider the percentage of Trans to  
 243 NORMALs this is rather stunning!

244 And, now this! China's CCP are placing police stations within our  
 245 country operating under China's laws on our soil? Really?<sup>19</sup> And  
 246 now CCP is openly threatening one of our citizens, Elon Musk —  
 247 he will be taught a lesson? Really?

248 If we can overrun the election cheat planned for Nov. we can turn  
 249 all of this around very quickly. Rise up America. And if they steal  
 250 our election again — it's "TO YOUR TENTS, O ISRAEL."

251 Remember when Jeroboam returned from Egypt at the news that  
 252 Solomon had died and the ten tribes gathered to him, fulfilling the  
 253 prophecy. He approached Rheoboam and petitioned him on behalf  
 254 of the ten tribes grieved and burdened by government oppression  
 255 to back off. Rheoboam refused and Jeroboam cried — "What

257 of Jesse: TO YOUR TENTS, O ISRAEL." It requires some  
258 explanation and clarification but the idea is this — when the  
259 government violated the oath of DAVID to rule justly in the fear of  
260 GOD, to recognize the rights of the people, and equal protection  
261 under the LAW — finally, ten tribes had a enough and separated  
262 from the throne of David — we are approaching a TO YOUR  
263 TENTS moment in this country.

264 Well, I need to move toward conclusion.

265 J6 — I was wrong! I thought that charade had played out and

279 nanotech bots with organic material give new meaning to Pfizer's  
280 BIONTECH vaccines. Does the jab induce genetic modification?  
281 Technically, it does — it works into our DNA and initiates massiv  
282 production of the spike protein. It was another of those many  
283 conspiracy theories that turned out to be conspiracy fact — but  
284 does it mean a genetically altered human being becomes the

292 Remember, my study in Revelation continues 9:30, my message on
