1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the  
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain  
3 masseur—get ready for your brain massage.  
4 CDC votes to include COVID shots in the panel of vaccines  
5 recommended for children entering public schools.<sup>1</sup>  
6 Florida State University procures 51 defibrillators, I understand,  
7 one for each dorm.<sup>2</sup> Why does a college need defibrillators in each  
8 dorm? And why is the college recommending regular heart checks  
9 for their students?  
10 Therapists warn that forcing kids to identify their pronouns and  
11 use pronouns for others inconsistent with perceived gender is  
12 psychologically damaging.<sup>3</sup>  
13 Heritage Foundation released a report analyzing US military  
14 strength and preparedness. Russia has 12,000 missiles, CCP has  
15 14,000, US has — you won't believe it!<sup>4</sup>  
16 Joaquin Guzman, known as the drug cartel "lord" El Chapo —  
17 arrested a while back starts to canary in his cage. Tells reporters US  
18 will never stop drug cartels until they stop the US and Mexican  
19 politicians and police who are the real power in the Drug Trade.<sup>5</sup>  
20 What's really going down on our borders?

25 [TRUTH]

26 CDC votes to include COVID shots in the panel of vaccines  
27 recommended for children entering public schools.<sup>7</sup>

28 First, CDC cannot require schools to mandate vaccines for  
29 students in order to attend school. It's a recommendation. CDC  
30 has no legal power. However, we know how this works. Govt.  
31 entities like the CDC provide cover for the politicians to govern  
32 contrary to the will of the people.

33 It's ILLEGAL for States to do this with a vaccine that has not been  
34 FULLY APPROVED by the FDA. So, the first question is, has the  
35 emergency authorization been lifted and if so, can we begin the  
36 class action lawsuit against Pfizer, Moderna, J&J and AstraZeneca  
37 right now to compensate the multiple thousands of those who have  
38 suffered miserably from this human trial experiment?

39 Claims that the FDA gave "full approval" to the Pfizer shot about a  
40 year ago proved to be a LIE — I have the documents, I've looked at  
41 them with my own brown eyes — they approved Comirnaty, which  
42 was not yet being manufactured and that approval was conditioned  
43 upon several tests and so forth — and yet those documents were  
44 used by the Marxist Socialist Media to spread the misinformation,  
45 the propaganda, that Pfizer had "full FDA approval."

46 I've got copies of these documents in my archives.

<sup>7</sup> IBID: <https://www.humanevents.com/2022/10/20/cdc-to-add-covid-19-vaccines-to-child-immunization-schedule>

47 So now they are telling us Pfizer's vaccine is now being released as  
48 Comirnaty — and I'm trying to figure out why I should believe a  
49 single thing these lying jackals say?

50 For example, here is an article dated December 2021, "Looks like  
51 US worked with CCP Military on Gain of Function & Knew of the  
52 COV leak."<sup>8</sup> Judicial Watch obtained 221 pages of NIH records  
53 including GRANTS that funneled MONEY to the WUHAN LAB.

54 Do you believe them when they say they did not know WUHAN  
55 was engaged in gain of function research? Only if you have drunk  
56 deeply into the Kool-Aide and have overdosed on blue pill opiates  
57 — only if you are among those suffering from delirium,  
58 psychological disassociation — and you can no longer differentiate  
59 fantasy from reality, but you are like the nuts that go around  
60 claiming to be Nero, or Napoleon, only with you it's claiming a  
61 man can get pregnant! Otherwise, you are able to see what's right  
62 in front of you—CDC, FDA, NIAID, NIH — they are all a pack of  
63 liars — and let me tell you something — ALL LIARS WILL HAVE  
64 THEIR PART IN THE LAKE OF FIRE THAT BURNS WITH  
65 FIRE AND BRIMSTONE — Revelation 21:8. And in that fire, no  
66 amount of mind bending denial of reality is going to relieve your  
67 wicked lying soul.

68 Judicial Watch documents the fact that US NIH/NIAID knowingly  
69 worked with the Chinese military. So Fauci was lying when he said  
70 he trusted the Wuhan scientists because they were not CCP  
71 military. But he knew for a fact that the lab was under direct  
72 control of the CCP military. Do you believe Fauci? Right, only if  
73 you're suffering from a blue pill overdose.

74 Judicial Watch discovered documents from NIH and NIAID that  
75 show two weeks before we were told about the dangerous  
76 coronavirus, Moderna mRNA technology was transferred in a

77 secret deal to Dr. Baric, Fauci's associate, and the infamous Wuhan  
78 bat lady's partner. Remember, the Baric people are the ones who  
79 demonized anyone that dared say the virus might have resulted  
80 from a lab leak.

81 But when talking to libs about this, it's just like the Russian  
82 Dossier—Russian collusion is all they could talk about until finally  
83 the TRUTH came out that proves it was all a LIE—they had  
84 dragged us through four years of nonstop LYING about this—then  
85 it's proved to be what Trump said it was all along, FAKE — and the  
86 libs simply switch conversation to another topic.

87 Same thing here! They hammered on us, 24/7 about the Wuhan lab  
88 leak being a conspiracy theory, they ruined careers, destroyed lives  
89 over allegations of "misinformation" — when all along, they were  
90 the ones perpetrating misinformation, really, FRAUD upon the  
91 American people.

92 So now we know the truth, and they just switch topics, shuffle  
93 about a bit, and start a whole new propaganda assault on the  
94 American people. These liars and cheats and fakes would not even  
95 admit there was a problem with CCP allowing their citizens to  
96 travel the world at the time after this leak occurred while not  
97 allowing them to travel within CHINA.

98 Now they are telling us this vaccine is "safe" and "secure" to be used  
99 on children, even infants—and you believe them? Their own  
100 records tell us children are not vulnerable to the COVID disease,  
101 but they want to vaccinate them anyway? Infertility is a major  
102 concern with these vaccines, myocarditis has been documented to  
103 be associated with these shots.

104 So they change the name, to Comirnaty, and yet also claim  
105 Comirnaty is the "same thing," as the Pfizer BioNTech shots — so,  
106 what is it? You are dealing with liars guilty of the blood of all who  
107 have died from this exercise in "legalized mass murder."

108 Remember, first, when questions about calling this gene therapy,  
109 we found out they changed the definition of *vaccine* in order to  
110 include the mRNA gene therapy shot. Fauci and the govt. medical  
111 establishment has been caught in the lie claiming the mRNA shot  
112 does not manipulate the genome when it has been proved that it  
113 does insert into the cell and cause replication of spike proteins —  
114 this is not your Salks polio vaccine, or even anything remotely like  
115 former flu vaccines — it's all been a lie. This whole thing must be  
116 challenged legally and no parent should be forced to expose their  
117 child to this mess.

118 In this country, people have the protection of the Constitution for  
119 their inalienable rights. It's illegal for STATES to force vaccinate  
120 students with a vaccine anyway—they have gotten away with this  
121 coercion and compulsion because we let them get away with it, but  
122 they have crossed a line now. They have broken trust! We cannot  
123 believe these people anymore.

124 What they are trying to do is get the States to provide extended  
125 LEGAL cover from the wave of lawsuits that is building right now  
126 — don't let them get away with this.

127 A CLASS ACTION lawsuit must be initiated against the  
128 PHARMAs for their irresponsible and dangerous conduct, and  
129 malfeasance charges must be brought against EVERY  
130 POLITICIAN or govt. connected medical establishment doctor, or  
131 medical professional that advocated for FORCING PEOPLE TO  
132 GET A SHOT WITHOUT THEIR FULL AND INFORMED  
133 CONSENT. They would not even willingly give up information  
134 about these shots — you've been lied to and bullied, and bribed  
135 into participating in a population wide medical experiment, or  
136 something WORSE!

137 EMPTY THE SCHOOLS — deliver the children from these wicked  
138 and unreasonable people and don't let them hide from their  
139 responsibility.

140 Hold on through the break, my friends — I'll be right back! I'm not  
141 kidding — write to your State representatives, call them, rise up O  
142 People of GOD and speak out against this. They cannot be allowed  
143 to herd your children into their cattle chutes. Protect your children  
144 from these Frankensteins—drag them into court and press these  
145 Pharmaceutical companies for disclosure and make them tell the  
146 TRUTH about this because they have been lying to you! We have  
147 caught them in enough lies already to justify standing up and  
148 saying NO! I DON'T BELIEVE YOU ANYMORE!

149 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor  
150 at the Lighthouse, your brain masseur, and Paul Revere's lantern  
151 lighter, lighting the lamps in the church belfry arch, signaling the  
152 enemy is on the march, an enemy that would steal from us our  
153 liberty.

154 Here is something to think about while the CA school system is  
155 about to add the COVID shot to required vaccines for your  
156 children to attend school.

157 Florida State University has procured 51 defibrillators; I  
158 understand they intend to place one in each dorm.<sup>9</sup> Why does a  
159 college need defibrillators in each dorm? And why is the college  
160 recommending regular heart checks for their students?

161 Let's ask Dr. James Olsen, medical doctor. He has been hopping  
162 mad about the young people that are dropping dead since the  
163 COVID jab has been rolled out.

164 In less than two weeks time, a 22-year-old college soccer  
165 player was found SUDDENLY DEAD in his dorm room.

166 A 17-year-old High School kid SUDDENLY DEAD during  
167 Choir Practice!

168 Then an 18-year-old College football player SUDDENLY  
169 DEAD.

170 A Princeton University student FOUND SUDDENLY DEAD  
171 That's four students found SUDDENLY DEAD in the last two  
172 weeks. 17, 18, 20 and 22. Maybe that's why Florida State University  
173 is alarmed, and wants defibrillators in each dorm, and pushing  
174 students to get regular heart check ups.

175 A Lead Video Engineer Brian Muster, found SUDDENLY  
176 DEAD;

177 Tristen Nash, son of World Wrestling Entertainment Hall of  
178 famer, Kevin Nash, found SUDDENLY DEAD at 26.

179 If you are paying attention, and not sitting hypnotized by the  
180 crazed Trump hating delusional idio-tronic humanoid robots  
181 pumping you full of govt. propaganda, you've seen the videos of  
182 people dropping dead, suddenly DEAD, hundreds of these are out  
183 there — all over the world this is going on! WE MUST DEMAND  
184 ANSWERS.

185 LISTEN, parents — if your child has been a victim of this —  
186 DEMAND AN AUTOPSY — GET A SECOND OPINION ON  
187 THE AUTOPSY, PRESS — GET IN THE FACES OF THESE  
188 LAZY POLITICAL PEOPLE HIRED TO PROTECT US, TO  
189 REPRESENT US, NOT BIG PHARMA, NOT SOROS, we are the  
190 one's paying their salaries! PRESS THE POLICE, THE SHERIFF,  
191 THE CORONER — demand an autopsy — if you DEMAND IT,  
192 they HAVE TO HONOR YOU — press, shout, scream if you have  
193 to. Someone affected by this, STAND UP, SPEAK UP!  
194 DEMAND AN AUTOPSY.

195 Heritage Foundation released a report analyzing US military  
196 strength and preparedness. Russia has 12,000 missiles, CCP has  
197 14,000, US has 300.<sup>10</sup> This cannot be excused by ignorance — this

<sup>10</sup> IBID: <https://www.brighteon.com/940ebc60-793e-4571-8ffa-97ca8da67063>

198 is malfeasance on a level that can be called nothing short of  
199 TREASON.

200 Newstarget reports that "US military running out of key munitions  
201 including anti-tank Javelins by gifting them to Ukraine as  
202 production capacity falls."<sup>11</sup> Here is an article warning that recent  
203 movements in China suggest shifting to a war footing against US.<sup>12</sup>  
204 At the same time, some are speculating the China, at least the CCP  
205 in China, is tottering on the brink of collapse.<sup>13</sup> Which is a  
206 dangerous combination: CCP interests here in the US are feeling  
207 the shift in public sentiment away from China and away from their  
208 puppet president pretender Joe "Benedict" Biden. They know if  
209 they fail to steal the 2022, it's over! CCP in China are becoming  
210 desperate, they also are reading the writing on the wall, written by  
211 the HAND of GOD in the blood spilled at Tiananmen — be sure  
212 your sins will find you out! I have called upon the LORD to break  
213 the CCP off the backs of the precious Chinese people. O Lord,  
214 HOW LONG WILL YOU LOOK ON? But these forces are  
215 desperate and will do insane things—why do they want an insane  
216 man with his finger near the "button"? I hope the rumors are true  
217 that the "football" is secretly secured from Biden's reach.

218 Our recruiting numbers are dangerously low, and you don't see  
219 any concern about this beyond window dressing—these lying  
220 traitors know that red-blooded-American patriots, the type that  
221 willingly lay down their lives for their countries, HAVE NO WILL  
222 TO FIGHT IN A QUEER army where it's forced on them, pushed  
223 into their faces constantly, where they are told to deny reality and  
224 play along with this charade — they know exactly who they are  
225 repelling from the military and it's exactly the people they don't

<sup>11</sup> 904.4.1-Americas military being gutted in preparation for Chinese military invasion (Email from Brighteon: 10/20/22 America's military being gutted in preparation for Chinese military invasion.)

<sup>13</sup> <https://americanconservativemovement.com/2021/09/21/the-ccps-arms-race-with-the-us-will-lead-to-its-collapse-analysis/>

226 want in their military — straight, Christian, conservatives. They  
227 cannot depend on that sort of soldier to turn their guns against  
228 their own, or to lay down their weapons at the feet of our nation's  
229 enemies — they need people who hate America and hate  
230 Christianity, and hate the Constitution — they need OATH  
231 BREAKERS not oath keepers, they need GOD HATING,  
232 AMERICA DESPISING, warped and demented crazy people  
233 because corrupt people are easier to manipulate and you can get  
234 them to commit TREASON because they have NO LOYALTY.

235 This administration and those following him and supporting him  
236 know exactly what they are doing. They are weakening America in  
237 preparation for the CCP to attack.

238 Well, when the enemy comes in like a flood, GOD raises a standard  
239 against that enemy. I've been talking about the GREAT DIVINE  
240 INTERVENTION and trying to help Christians understand it —  
241 how we are the INTERVENTION and we will need to band  
242 together and rise up against this enemy.

243 Every time I go over Romans 13, and show what is obvious in that  
244 passage it's Christians who stiffen their necks against the truth of  
245 that passage. GOD ordains all power and the only powers that are  
246 are those ordained by GOD — well, have you noticed that Paul, in  
247 Ephesians tells us to WRESTLE AGAINST POWERS — clearly, we  
248 are not called upon to wrestle against the ORDAINED POWERS.  
249 These powers are not included in the powers ordained by GOD for  
250 the specific purpose of executing wrath against evildoers. Any  
251 power that does not execute wrath against evildoers is NOT  
252 ORDAINED OF GOD.

253 Not every political ruler, like Newsome, for example, is  
254 ORDAINED OF GOD to hold the power he usurps daily. Hosea  
255 complained against Israel because they "set up kings," but, as God  
256 said through the prophet, "not by me." The kings Israel put in place  
257 were NOT ORDAINED OF GOD to serve as ruler over the people.

258 The criteria is plain—God's standard bearing king, David, through  
259 him, God said, "He that ruleth over men must be just, ruling in the  
260 FEAR OF GOD" (II Samuel 23:3). No leader in this country, or in  
261 this world, that is unjust, and who does not rule in the FEAR OF  
262 GOD, is a usurper, and if you are paying attention, every single one  
263 of these sorts becomes a TYRANT and an enemy of the natural and  
264 inalienable rights of the PEOPLE.

265 We look to the SAVIOUR to raise up saviours, champions, who  
266 will rally God's soldiers to defend our liberties.

267 The Founders spoke as one man on this question—this country  
268 was founded on the principle that all men are created EQUAL and  
269 endowed by their CREATOR with certain inalienable rights—that  
270 when governments become the enemy of these rights, the PEOPLE  
271 are duty bound to resist.

272 This brings up the whole point of the second amendment—and  
273 sadly, I don't have time to go into it. But understand that the  
274 second amendment is not about the right to shoot a deer for food;  
275 it's about the right to defend your liberties against tyrants. Tyranny  
276 cannot long thrive where the people have the right to defend their  
277 liberties.

278 SCOTUS' recent ruling in New York versus Bruen strikes down  
279 virtually all 2nd amendment infringement laws.<sup>14</sup> Clarence Thomas  
280 wrote the decision and in a vote 6-3, it was ruled that from now on,  
281 second amendment challenges will be examined on the basis of the  
282 simple reading of the text of the Constitution understood within  
283 the historical context in which that language was written—and the  
284 second amendment was written in the context of a people  
285 defending themselves against TYRANTS that rose up within their  
286 own country at that time. Here is the full text of the ruling.<sup>15</sup>

287 In the day the 2nd Amendment was written, the PEOPLE were  
288 guaranteed to the right to be armed equivalent to their army.

289 Anyway, it's time to close. Thank God the SCOTUS ruled to set the  
290 standard for challenges to our Constitutionally protected right of  
291 self defense will be the plain language of the text understood within  
292 its historical setting. If America wants to change the Constitution,  
293 there is a provision within the LAW for how that is to be done. The  
294 SCOTUS was right on in their decision.
