Dr. Jerry Scheidbach

Original Air Date: 11.19.22

1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the  
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain  
3 masseur—get ready for your brain massage.  
4 The theme that seemed to develop during preparation for today's  
5 brain massage: What we are witnessing is a lesson on why elections  
6 matter and how our enemy neutralizes the election results when  
7 they don't go their way! If they can't win the election, they steal it,  
8 and if they can't steal it, they maneuver to NEUTRALIZE the  
9 election results — either way, the DEMONCRATS rule against the  
10 will of the PEOPLE. They have destroyed their beloved *democracy*.  
11 Probably not surprising to many—Trump's announcement is  
12 stirring the swamp and it's creatures are becoming agitated.  
13 Let me explain why a Christian can and must support Trump!  
14 The "dump Trump" movement is noisily trying to steal Trump's  
15 thunder, while at the same time, the Ditch Mitch movement is  
16 likely to further divide the Republican Party — how does that  
17 undercover CCP operative McConnell keep power? Hmmm!  
18 Kari Lake versus the Maricopa county election officials<sup>1</sup>—here is a  
19 lesson on why HONEST and TRANSPARENT ELECTIONS  
20 matter: She is still in the fight!<sup>2</sup> You heard about the tabulators  
21 failing? Well, just wait till you hear "the rest of the story."  
22 And what about these cowardly Judges who refuse to stand up to  
23 ELECTION FRAUD and rule according to LAW. Most of them are

24 bought and paid for by CCP, equivalent to the DNC today, and the  
25 CCP arm of the GOP.

26 You heard about 22 year old Nicholas Gutierrez who drove his  
27 vehicle the wrong way on a street used by police recruits jogging  
28 with their drill instructors, turned his car into the joggers and  
29 mowed down something like 25 of these young men—maiming  
30 several for life—before he hit a pole that stopped his car. No skid  
31 marks indicate there was no effort to brake, he was cleared for any  
32 alcohol issues, but I hear they found some marijuana in the car. He  
33 was released because CA requires charges to be presented within 48  
34 hours of arrest and police want more time to prepare their case.<sup>3</sup>

35 And you heard about the multibillion-dollar Artemis rocket  
36 streaming to the moon? And you heard the rumor that multi-  
37 billionaire Gates is at the G20 summit calling for Death Panels.<sup>4</sup>  
38 But that he was not at the G20 meeting, but that he has gone on  
39 record openly in support of death panels to save teacher's jobs —  
40 yeah, take a look at this.<sup>5</sup> So, he was not at the G20 summit but HE  
41 DOES SUPPORT DEATH PANELS —. So! Once again — "fact"  
42 checkers run out to "discredit" someone who assumed Gates would  
43 be at the G20, as usual, and that he would raise some of his favorite  
44 issues, like DEATH PANELS — and discover a story that says  
45 Gates was not actually at the summit this year — and so focus on  
46 that important technicality — which is good, by the way — and yet  
47 FAIL TO MENTION THAT, AS A MATTER OF FACT, GATES  
48 IS IN FAVOR OF DEATH PANELS.

49 Well, let's see. Yeah, I definitely want to speak to the TRUMP  
50 dilemma — add further insight into why I don't think DeSantis  
51 would be the right VP — I remember when Reagan chose Bush I, I  
52 was sitting with my friend listening to the announcement and I

53 looked at him and said, THAT'LL THE END OF THE REAGAN  
54 REVOLUTION. You see, if the Demoncrats know they cannot beat  
55 conservative, God and Country Patriots in an election, they opt for  
56 the next best thing — neutralize their opponents victory. These  
57 people — they are like dealing with cockroaches — now, I'm not  
58 calling them cockroaches — I'm just saying, they are as difficult to  
59 get rid of as cockroaches in an LA apartment complex. Unless you  
60 tent the entire complex, those bugs just find a place to hide until  
61 the poisonous fumes are absorbed into the atmosphere and diluted.

62 Okay, I think I have an idea of where we are going today — so,  
63 relax — your brain massage will be vigorous today — get ready —  
64 it's time for your BRAIN MASSAGE.®

65 [TRUTH]

66 Probably not surprising to many—Trump's announcement is  
67 provoking the swamp creatures. Remember last week, the two hills  
68 the Deep State Establishment politicians will DIE ON—ONE:  
69 PROTECT the 2020 steal, especially protect the Dominion stealing  
70 machines, and TWO: anyone, and I mean ANY ONE but Trump.  
71 Trump is the only political force that can bring down the pillars  
72 supporting the ESTABLISHMENT's ability to continue RULING  
73 AMERICANS AGAINST THEIR WILL.

74 Trump is the undisputed captain of the MAGA, America First  
75 movement. He started this movement, and, as far as political  
76 leadership is concerned, let me tell you that NO ONE WHO  
77 ATTEMPTS TO CO-OP HIS PLACE IN THE MAGA AMERICA  
78 FIRST CAUSE actually supports our movement.

79 There is no alternative to Trump that does not ultimately result in  
80 PROTECTING the ESTABLISHMENT — they might go so far as  
81 to skim the scum off the surface of the swamp but the darker  
82 secrets shared by the bottom feeders will be left alone.

83 Now, don't get me wrong! There are some very fine patriots who  
84 support the MAGA movement fully and faithfully — but THEY  
85 WILL SUPPORT TRUMP! Any Republican that attempts to  
86 STEAL THE MAGA MOVEMENT FROM TRUMP is a traitor to  
87 us all — DO NOT BELIEVE THEM. I don't care if it's DeSantis,  
88 Pompeo, Flynn — NONE OF THEM!

89 I'm responding to Pompeo's appeals for money this way —  
90 DECLARE FOR TRUMP OR GET OUT OF MY FACE.

91 I'm writing to DeSantis — encouraging him to declare where he is  
92 on the 2020 election, the cursed Dominion machines, and to  
93 announce for TRUMP NOW! Or be exposed as traitorous  
94 Absalom — saying and doing everything he knows will steal the  
95 hearts of those inspired by Trump to join his MAGA movement—  
96 to stand with him, not willing to let him stand alone against the  
97 slings and arrows, the spittle, the physical attacks, drawn by simply  
98 wearing a red hat that says MAGA —

99 I don't trust any of these ambitious self-serving quintessential,  
100 archetypal, stereotypical, COMMON GLORY HOUNDS trying to  
101 horn in on the incredible sacrifice and work Trump put up to  
102 begin this movement — attempt to steal away Trump's support.  
103 You know Absalom's game, right?

104 He went among David's supporters with his message that David  
105 was passé, it's time to move on, Oh, if only I were king, then  
106 everything would be wonderful — Pompeo, DeSantis, Flynn (yeah,  
107 I've heard the rumblings from Pat Byrne about dumping Trump  
108 and going with Flynn), Nikki, all of you! May God tangle your  
109 rebellious long hair in the DEMONCRAT branches and expose  
110 you. Okay, well, I'm a bit passionate — so the metaphors are  
111 admittedly a bit clumsy — but I think you get the point!

112 The multibillionaire that declared he is ready to "move on" — he  
113 should join up with Michael Moore's [moveon.org](http://moveon.org), might as well!

114 So Ken Griffin, "a billionaire hedge fund CEO," has declared he will  
115 not back Trump — he wants DeSantis—his message is, it's time to  
116 MOVE ON. Yeah, let's move on from the COVID covered effort to  
117 steal our elections and destroy our economy—give them amnesty,  
118 let's just "move on." Let's move on from the massive evidence that  
119 CCP interfered in our 2020 and 2022 elections—let's just "move  
120 on."<sup>6</sup> A guy like DeSantis is what we need — someone who will  
121 promise not to touch the Dominion stealing machines, he will  
122 promise not to expose the CCP interference in our elections, who  
123 will promise not to push for accountability on Fauci and the Big  
124 Pharma — someone "connected" to the "inside" — a GOPer, that  
125 feeds himself off the grass roots movement of the MAGA  
126 conservatives, and uses the support he gains to be recruited by the  
127 Deep State —

128 Other big money donors have also run out to say, not so elegantly,  
129 they will not give one (expletive) nickel for Trump.<sup>7</sup>

130 These would return us to the control of the "Uniparty" system —  
131 where both parties share a single objective—global dominion, the  
132 finishing of Nimrod's tower—who only compete for which party  
133 gets to play God. In other words, the ESTABLISHMENT wants a  
134 return to business as usual and they are willing to let the  
135 Republicans have a go at it so long as they don't DRAIN THE  
136 SWAMP. Has DeSantis ever said he wants to DRAIN THE  
137 SWAMP? Has he ever demonstrated any real understanding of our  
138 national political situation? If he is a dedicated MAGA Republican,  
139 let him SAY SO! He never has — he has not had to. Well, they are  
140 talking about passing the "crown" to him, so you'd better start  
141 asking these questions.

142 Let me explain why a Christian must support Trump!

---

<sup>6</sup> <https://americanmilitarynews.com/2022/11/gop-billionaire-backing-desantis-for-2024-time-to-move-on-from-trump/>

<sup>7</sup> <https://www.news.com.au/world/north-america/us-politics/wouldnt-give-him-a-nickel-donald-trump-abandoned-by-mega-donors/news-story/57930989f0a1a93e3a126e31c59889d9>

143 First, tell me, Christian, what is it about Trump you think makes it  
144 impossible for you to support him?

145 Well, for one thing, he has never visited the Bohemian Grove here  
146 in CA. So, you know, that is a major POSITIVE.

147 Not one President, including Reagan, who did visit the Grove, by  
148 the way, no President since the last FOUNDER ever made an  
149 Easter or Christmas declaration that so clearly articulated the  
150 Christian FAITH! Trump's first Easter message could be presented  
151 in any conservative Evangelical Church — all it lacked was an  
152 invitation.

153 So, you don't like his manners—which are sometimes uncomely.  
154 His Tweets annoy you, and his inclination to make fun of his  
155 opponents offends you. Perhaps some of the stories we've all heard  
156 from his past—the sorts of things that were supposed to make the  
157 lying Russian pee-pee tapes believable—.

158 You must admit, the only thing you hear about Biden is that he  
159 showered with his daughter, and sniffs little girl's hair, and touches  
160 them, and women other than his wife inappropriately—but other  
161 wise, like Shapiro said, he appears to be a really good father.

162 But, you know, there are not "Hunter laptops" in the Trump family  
163 — and you say, well, we are not comparing him with Biden.

164 Okay, I'm just making the point that sorts of things that have been  
165 raised by conservative Christians that oppose Trump are either  
166 things that Trump has obviously corrected, regarding some  
167 unsavory comments and playboy antics — or other things, that, by  
168 the way, if you are paying attention, have been set aside —

169 But none of the things coming from Trump are about issues like  
170 failing to keep his promises, or being dishonest or disingenuous, or  
171 BETRAYING his country, or the PEOPLE, or making shady deals  
172 with communist dictators.

173 Remember that when GOD our SAVIOUR hears His people cry  
174 under the oppression of the unreasonable and wicked, He raises up  
175 saviours to deliver them — these saviours are not always savory.  
176 The critical concerns are whether they identify as champions FOR  
177 THE CAUSE OF CHRIST — acknowledge GOD, and recognize  
178 themselves to be UNDER GOD, not over Him. They have a clear  
179 vision: identifying the enemy correctly, and championing a worthy  
180 CAUSE, often at great expense to themselves. No president has  
181 been willing to sacrifice more, or has accomplished MORE for the  
182 America we love, and the American people, than Donald J. Trump.  
183 And that against odds never faced by ANY POLITICIAN in our  
184 HISTORY. And his second term was STOLEN FROM HIM — and  
185 now, these scoundrels are trying to steal his movement from him.  
186 Don't let them do it! He has sacrificed hugely for us — it's our turn  
187 to GIVE BACK!

188 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor  
189 at the Lighthouse, your brain masseur, and Paul Revere's lantern  
190 lighter, lighting the lamps in the church belfry arch, signaling the  
191 enemy is on the march, an enemy that would steal from us our  
192 liberty.

193 Can't wait to watch Nancy turn over the gavel—so the only  
194 hammers in the Pelosi household will be visitors who attack Paul in  
195 their underwear, like DePage!<sup>8</sup> (You do know that the police body  
196 camera shows it was PAUL PELOSI who answered the door, went  
197 back to his friendly assailant, and proceeded to fight over a  
198 hammer!<sup>9</sup> So why did the police responding to that call hide this  
199 fact? Why did the DOJ claim otherwise? What are they hiding? But  
200 I digress!

201 What does getting Congress into the hands of the GOP mean going  
 202 forward? LET THE INVESTIGATIONS BEGIN?<sup>10 11 12</sup> Will  
 203 McCarthy be an obstacle or an ally? He is the nominee, but will he  
 204 take the gavel? Trump backs McCarthy!<sup>13</sup> The CNN crowd are  
 205 "concerned." Let's see!

206 It's all a lesson in why elections matter and how to neutralize them  
 207 when they don't go your way! Steal the election, and if that does  
 208 not work, NEUTRALIZE the election results — either way, the  
 209 DEMONCRATS rule against the will of the PEOPLE.

210 While the swamp are making dump-Trump noises, Ditch Mitch is  
 211 growing among conservative Republicans weary of Mitch's Paul  
 212 Ryan style betrayals. How does that undercover CCP operative  
 213 keep power? Well, the same way Mao-shirt wearing Biden becomes  
 214 president.<sup>14</sup> Yeah, I know that the shirt Biden wore at his meeting  
 215 with Xi Jinping in China is traditional Chinese dress — so don't  
 216 give me a lecture on a technicality that, actually Biden was not  
 217 wearing a shirt someone dug out of one of Mao's bureau — ha! —  
 218 "Fact" checkers only show concern about such fine parsing of  
 219 "facts" when the "facts" actually betray the TRUTH about their  
 220 beloved communist dictators and their puppets. Anyway!

223 the fight!<sup>16</sup> You heard about the tabulators failing? Did you know  
 224 that all was working just fine until after a county technician arrived  
 225 to "check our equipment"? Soon thereafter problems began—at  
 226 11:30 the tabulators began to fail. Thousands of voters were made  
 227 to stand in line for hours, and this provided cover for whatever  
 228 other shenanigans that went on after the "technician" came to  
 229 "check [the] equipment."

230 Kari is going to stand up to these thieving thugs — we can wonder  
 231 how LONG GOD will LOOK ON to this—and I've spoken to that  
 232 in my pulpit — I'll be preaching this Sunday, by the way! Come on  
 233 out to the LIGHTHOUSE!

234 I need to skip over some things here—I was going to outline the  
 235 case for fraud in the AZ election, and point to the evidence of fraud  
 236 taking place in Georgia, and elsewhere — but I'm coming up on my  
 237 time and there is something I believe you really need to think  
 238 about, and pray about.

239 Much of our hopes to get our elections straightened out have been  
 240 dashed in courts unwilling to actually look at the evidence and rule  
 241 according to the LAW. I realize that in Brazil, right now, millions  
 242 of brave Brazilians are in the streets demanding something be done  
 243 about the stolen election there, that put a rank, and foul  
 244 communist over them.

245 I'm hoping it does not come to that here — but that we can process  
 246 this grievance through legal channels — but if the COURTS fail to  
 247 umpire these elections, if they refuse to RULE on criminal fraud —  
 248 there will be no remaining recourse for the redress of our  
 249 grievances — what are we going to have to do? Join a secessionist  
 250 movement — split the country into a CONSTITUTIONAL  
 251 REPRESENTATIVE REPUBLIC and a DEMOCRATIC-  
 252 SOCIALIST dictatorship?

<sup>16</sup> <https://twitter.com/AZGOP/status/1593350580960784384> — Name is Stuart Skirty [?] testifies that the tabulator failures began after a helpful "technician" appeared to make adjustments on the machines.

253 What about these cowardly Judges who refuse to stand up to  
 254 ELECTION FRAUD and rule according to LAW. Most of them are  
 255 bought and paid for by CCP, equivalent to the DNC today,  
 256 together with the CCP arm of the GOP. I don't doubt some of these  
 257 judges are so small minded they actually believe the satanic lie spat  
 258 into their brains by the forked tongue of that Serpent—that the  
 259 courts cannot interfere with POLITICS—but most use it as a  
 260 convenient shield—saying, well, we don't want to interfere in  
 261 POLITICS.

262 NO BODY IS ASKING ANY JUDGE TO DECIDE A RACE — WE  
 263 ARE ASKING YOU TO UMPIRE THE GAME these wicked  
 264 thieves are CHEATING. STOP the CHEATING — rule on LAW,  
 265 uphold the LAW — for judges to fail to RULE ON LAW in an  
 266 election is tantamount to THROWING THE ENTIRE COUNTRY  
 267 INTO THE POWER OF THE LAWLESS —

268 It's exactly the same game these lousy, good for nothing but  
 269 making sure they protect their own retirement preachers who  
 270 pretend to be so far above POLITICS they won't PREACH TO  
 271 THE KING—THEY WON'T DECLARE RIGHTEOUSNESS AND  
 272 SPEAK TRUTH TO THE LIES — Like John the BAPTIST (not the  
 273 baptizer, by the way) pointed directly at that "fox" Herod and  
 274 accused him of VIOLATING GOD'S LAW BY TAKING HIS  
 275 BROTHER'S WIFE.

276 Listen, when preachers refuse to speak TRUTH to the LIES only  
 277 because the WICKED have succeeded to make the vile, life  
 278 threatening behaviors of the sodomites a "political issue," and make  
 279 the MURDERING OF INNOCENT BABIES IN THE WOMBS OF  
 280 THEIR MOTHERS "political" — these cowards want to preserve  
 281 their own "head," even if it means BETRAYING THE HEAD of the  
 282 CHURCH — and they deceive themselves, thinking they can  
 283 excuse sheathing the SWORD OF THE SPIRIT from those so-  
 284 called "political" issues because they are above "politics" —

285 Well, you are a lousy, no account coward that is under the CURSE  
286 — CURSED BE HE THAT DOETH THE WORK OF THE LORD  
287 DECEITFULLY, AND CURSED BE HE THAT KEEPETH BACK  
288 HIS SWORD FROM BLOOD" — Jeremiah 48:10.

289 I'm just saying! It's the truth! No more cutsie, no more dancing  
290 around the truth!
