

Brain Massage®: Show No. 909 Why They Will NEVER Crush the Spirit of Liberty / #AZREVOTE — Will the US SPRING or SPUTTER?

Dr. Jerry Scheidbach

Original Air Date: 11.25.22

1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain
3 masseur—get ready for your brain massage.

4 Happy Thanksgiving! I feel like Jude when he said he wanted to
5 speak of the common salvation but was compelled instead to deal
6 with a pack of wolves that had crept in to devour Christ's sheep —
7 get my message last Sunday am and pm for two very helpful and
8 enlightening Thanksgiving messages—I intended to lay out a
9 Thanksgiving special today — but I think we've got a Delaware to
10 cross and an enemy to face. (Remember, Washington was busy
11 Christmas day preparing and then at nightfall executing the
12 famous crossing of the Delaware—when at war! Such as it is, my
13 friends, this will be my THANKSGIVING SPECIAL!

14 So, let me begin by expressing my heartfelt thanks to all who
15 support the Brain Massage show; who stand for FREEDOM, and
16 who uphold me in your prayers and financial gifts. With you, and
17 unlike so many of our young folks today, we at least have a
18 memory of freedom, of patriotic affection for our country and
19 respect for our ideals of LIBERTY AND JUSTICE FOR ALL.
20 Notice how those who scorn this ideal and mock our pursuit of it
21 are today the very ones advocating for suppression of free speech,
22 approving a two tiered justice system, and shoving in-your-face
23 theft of the people's right of consent?

24 The Battle for Arizona is very possibly a pivotal moment in our
25 struggle against our own "king George." I write and produce the
26 show on Friday — and this is a developing story, so I'll give you as
27 much as I can, but a lot will have developed by the time you get
28 your *brain massage*!

29 The #AZREVOTE is happening — please participate if you can by
30 attending if at all possible — they plan to continue their sit-in at
31 the Capitol in Phoenix for several days — Joe Oltmann said they
32 intend to sit-in until AZ announces a REVOTE. I went online — to
33 Arizona Citizens are Awake #AZREVOTE,¹ see link here, in my
34 show notes, which, as you know, or should know by now, are
35 available at brainmassage.net, in this case look for Show No. 909.
36 In case you don't have access to the site, if you want to help the
37 AZREVOTE cause, go to [app.advocacyforaction.com/campaign?id](http://app.advocacyforaction.com/campaign?id=4151)
38 [=4151](http://app.advocacyforaction.com/campaign?id=4151).

39 I did it, gave what for me was a sacrificial gift to help—wrote a note
40 to encourage Apollo at apollo@conserative-daily.com, and I'd be
41 there but for a preaching trip that will take me from town in the
42 opposite direction of AZ.

43 Will AZ revolt begin our own Arab Spring? (And what is that,
44 exactly?) The *Brazillian Spring* — as it is being called — is gaining
45 worldwide attention — as millions, literally, millions of Brazillians
46 mass in the streets denouncing the STOLEN ELECTION by the
47 criminal (literally, convicted criminal) communist Lula with the
48 help of Biden's CIA and the Dominion stealing machines — !
49 Hmmm.

50 What I learned from talking to more than a thousand people who
51 lived through Communism under the Soviet Empire — ten trips
52 into communist countries! You need to hear this!

53 And, speaking of Russia, wow! Get a load of this!² A volunteer
54 describes what he saw in an alleged Ukrainian satanic child
55 sacrifice slaughterhouse.

56 Okay, my friends — it's time for your Brain Massage!

58 Let me run through top of mind news briefly:

59 I guess we should begin with the Thanksgiving bashing: ingrate Joy
60 Reid blasts what she calls the "myth of Thanksgiving." Says our
61 nation's birth was violent. She is a hapless hack for the America
62 hating, God denying, antichrist spirit suck-ups trying to destroy
63 this country. Like many, she confuses James Town with Plymouth
64 Rock. A great book you should read written by a colleague —
65 William Brady, is called "What God Hath Wrought!" Funny how
66 these people like Reid can look right past the atrocities of Mao Tse-
67 Tung to praise the wonderful aspirations of "Marxism" — but can't
68 see past a single blemish in American history to see the big picture
69 of American Exceptionalism.

70 Instead of remarking on the legacy of horrible human-rights abuse
71 upon the precious Chinese people every anniversary of Mao Tse-
72 Tung, they praise the great "intentions" of the Marxist whose
73 policies murdered millions.³ But in America, we are made to
74 endure the spectacle of morons like Reid picking at our history and
75 turning Thanksgiving Day into "Indigenous Day of Mourning."
76 Hmmm. What makes them the saddest — our Constitution, the
77 Declaration of Independence, the raising up on this land the
78 greatest nation in the history of the world? Or maybe it's the end of
79 the tribal feuds and warring factions wiping out one another over
80 hunting grounds and sometimes just plain jealousy. Or perhaps it
81 was the human sacrifice systems practiced among some of those
82 indigenous tribes that they miss the most. In other words, just like
83 the history of the Indigenous peoples was not all peace-pipes, and
84 idyllic Spring scenes in a movie—not all American history is
85 reflective of James Town — that which we celebrate is
86 PLYMOUTH ROCK where the pilgrims thanked GOD for giving
87 them a place in the new world — a place recognized by the Indian's
88 welcome. Plymouth is our model! Not James Town.

89 Keven McCarthy "demands Mayorkas resign or face impeachment
90 hearings..."⁴ You've got to be kidding me! Typical GOP failure to
91 lead, to actually DO anything about anything! Why are you giving
92 this guy an out? We need those hearings to present all the facts
93 before the American people, with this joker under oath so he can
94 be exposed as a traitor and so we can dig into any fingers or hands
95 Biden and company might have in this. PATHETIC! We are being
96 told McCarthy is doing this to throw red meat to the "right" in view
97 of the upcoming Speaker vote.

98 Biden wants a vote on more second amendment infringement
99 legislation that he can sign while the House still has the majority —
100 will the RINOs help the DEMS take a stick to our Constitutional
101 RIGHT to KEEP and BEAR arms? He calls for "assault weapons
102 ban" before new congressional session. While in Nantucket for
103 Thanksgiving, Biden told reporters he would try to "get rid of
104 assault weapons" before the Republican majority takes control of
105 the House. Then he told reporters he needed to get home to open
106 presents. Oh, no, excuse me, that was during his call-in during the
107 Macy's Day Parade. Or, when was latest cognitive fail? — totally
108 scrubbed from the Internet.

109 If you ever wondered whether there is any conspiracy collusion
110 between all "main stream media" — take a look/listen at this!⁵
111 Every single one — included the FOX conservatives let into their
112 own hen house some time back — obviously collude together to
113 CONTROL what you hear, and so shape what you think! They are
114 so threatened by independent news sources and in a panic — this
115 video concludes by showing each and every one of government
116 propaganda media repeating that the people being able to think
117 and speak FREELY is "Extremely dangerous to our Democracy."

⁴ <https://www.washingtontimes.com/news/2022/nov/22/kevin-mccarthy-demands-alejandro-mayorkas-resign-h/>

⁵ <https://twitter.com/catturd2/status/1596166834998636545?s=12>

118 And you know what — that's exactly right! Free speech is
119 DANGEROUS TO "THEIR" DEMOCRACY. You see, THEIR
120 DEMOCRACY literally means DEMOCRATIC RULE — not rule
121 of, by, and for the PEOPLE — but rule of, by and for the
122 Democrats and their controlled opposition in the Republican
123 Party.

124 This country is NOT A DEMOCRACY — our founders hated that
125 form of government because it is NOT premised upon RULE OF
126 LAW but upon MOB RULE — and mob rule ALWAYS devolves
127 into the TYRANNY MOB-BOSS RULE—or MOBSTER RULE.
128 Here is a little secret that will help you understand what the
129 enemies of our Republic hate so much about Republicanism and
130 why they advocate for Democracy. A Republic is grounded upon
131 the principle that LAW rules — and the law of our land
132 RESTRAIN GOVERNMENT and protect the LIBERTIES OF THE
133 PEOPLE. In DEMOCRACY Law is NOT SUPREME, instead, the
134 voice of the MOB is — and that is determined by whatever the
135 MOB BOSSES say it is — Democracy always becomes mob rule,
136 and mob rule always becomes MOBSTER RULE and the Mob-
137 BOSSES always ends up clinching their fists around the neck of the
138 people and choking out the spirit of liberty!

139 And, here you go, in August vaccinated COVID deaths exceeded
140 unvaccinated COVID deaths: "Vaccinated people are not a
141 majority of COVID-19 deaths, analysis shows."⁶

142 Okay — looks like I pretty much used up my first segment with
143 review of the news — yeah! Let's go to break a bit early, and I'll dig
144 in to the major issues on the other side.

145 I'll be right back!

146 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor
147 at the Lighthouse, your brain masseur, and Paul Revere's lantern

⁶ <https://www.christianpost.com/us/vaccinated-people-are-now-a-majority-of-covid-deaths-analysis.html>

148 lighter, lighting the lamps in the church belfry arch, signaling the
149 enemy is on the march, an enemy that would steal from us our
150 liberty.

151 Without any question, the most important issue facing our nation
152 right now is election integrity — I should say, the woeful lack
153 thereof.

154 The elections in Arizona have been front and center in our fight to
155 defend the people's right of the consent — right now, I understand,
156 as of noon on Friday, more than 8 thousand gathered outside the
157 elections office, waving their flags and protesting the steal.⁷

158 The legacy media, you know, the CBS types, continue their
159 unfounded denial of election theft — we are under an oppressive
160 regime that controls virtually every mechanism of public life: the
161 executive and so law enforcement is corrupted, at least at the
162 Federal level, and in every Blue state, the state level too, with the
163 power to control our economy through executive policies that
164 target industry, they pretty much control the courts, or enough of
165 them to make it nearly impossible to get justice in law, they control
166 the media, of course, and most of the Legislatures — the Federal
167 and all Blue States. The UNIPARTY, you know, the Democrats and
168 their RINO counterparts in the GOP, dominate our legislatures.

169 They built this hegemony of oppression within our system by
170 cheating and stealing from the PEOPLE. As I said earlier, in the
171 Democrat's worldview *Democracy is rule by Democrats*. They
172 justify doing anything to maintain *Democratic* rule — meaning

⁷ <https://news.yahoo.com/protest-arizona-elections-office-democrat-074115115.html> (this is really strange. The summary (pictured here, see <https://duckduckgo.com/?q=how+many+gathered+in+Arizona+to+protest+election&t=brave&ia=web> and pdf image in 909.27.7a) shows 8.4k but the article linked here says only "about 100." Often, these summaries are updates, but it's odd to me no update notice was attached to the article. Furthermore, if you look at jpg image 909.27.7, the image is distorted and completely unreadable, which is the reason I went back and created the 909.27.7a image. If you click on the distorted image, it opens to the image I saved. Because I did save this image in an unusual way—included all of the window, window headers, the search address, and the image, etc., I did an experiment. I followed the same steps to make a similar pic: searched "churches in Santa Maria, CA" and captured the image in the same way used to capture the pic of the Arizona election search used by which I obtained the image jpg at 909.27.7. The 909.27.0a jpg image opens without any distortion. Just sayin'.

173 Democrats rule. The only way we will ever get our country back is
174 if we get the ballot box freed from these thieves.

175 The current battle for Arizona is another battle in the ongoing war
176 in our struggle against our own "king George." I write and produce
177 the show on Friday — and this is a developing story, so I'll give you
178 as much as I can, but a lot will have developed by the time you get
179 your *brain massage*!

180 The #AZREVOTE is happening — please participate if you can by
181 attending if at all possible — they plan to continue their sit-in at
182 the Capitol in Phoenix for several days — Joe Oltmann said they
183 intend to sit-in until AZ announces a REVOTE. I went online — to
184 Arizona Citizens are Awake #AZREVOTE,⁸ see link here, in my
185 show notes, which, as you know, or should know by now, are
186 available at brainmassage.net, in this case look for Show No. 909.
187 In case you don't have access to the site, if you want to help the
188 AZREVOTE cause, go to [app.advocacyforaction.com/campaign?id](http://app.advocacyforaction.com/campaign?id=4151)
189 [=4151](http://app.advocacyforaction.com/campaign?id=4151). But, at about 3 pm, I checked in with Conservative-Daily
190 and sadly, Arizonans did not mass at the Capitol as hoped.

191 Anyway, did it, gave what for me was a sacrificial gift to help—
192 wrote a note to encourage Apollo at apollo@conserative-daily.com,
193 and I'd be there but for a preaching trip that will take me from
194 town in the opposite direction of AZ.

195 Will AZ revolt be our own Arizona Spring or will it be the Arizona
196 Sputter? (You remember the Arab Spring? The people massed in
197 several Muslim countries to demand reforms recognizing human
198 rights and freedoms. It did help in a few of the countries—
199 Tanzania, and, I can't remember now, but in Egypt and Syria it's
200 arguable it made things worse for the people. Anyway, obviously,
201 the point is the PEOPLE SPRINING UP IN REVOLT AGAINST
202 TYRANNY.

⁸ <https://app.advocacytoaction.com/campaign?id=4151>

203 The *Brazillian Spring* — as it is being called — is gaining
204 worldwide attention — as millions, literally, millions of Brazilians
205 mass in the streets denouncing the STOLEN ELECTION by a
206 convicted criminal (literally, Lula is a convicted criminal) and a
207 Communist Lula with the help of Biden's CIA and the Dominion
208 stealing machines — ! Hmmm — Deposing Bolsanaro — a beloved
209 leader of the Brazilian people.

210 Anyway, it appears the patriots who gathered in Arizona are not
211 going to give up — they are hanging on optimistic "that Calvary is
212 coming." They are hoping their sacrifice and determination will
213 inspire other Arizonians to join them—meanwhile, the
214 government-controlled propaganda arm of the Occupying Forces
215 here in America are giving the event a virtual black out — no one is
216 looking at it because they know if Arizonians generally become
217 aware of what's going on ARIZONA will SPRING! Listen,
218 friends—it's important to remember what we are up against.

219 I preached a message Wednesday night you should check out — it's
220 taken from the book of Job.

221 The message is very clarifying about our situation! Probably
222 everyone listening to me, at least most, is praying about all this,
223 and many of that most, I'm sure, are doing what they can. I'm sure
224 by now we understand we need a DIVINE INTERVENTION —
225 Like Job, who was up against a foe he could not overcome and
226 required the DIVINE INTERVENTION of GOD ALMIGHTY to
227 be delivered. I know, and I've explained, that the CHURCH is that
228 INTERVENTION. But the CHURCH IS STILL SLEEPING. Or so
229 corrupted like the prophets of Baal in Jezebel's day, they have
230 joined oppressors because they eat at the WHORE's TABLE.

231 Like Job, we need GOD to break through and SHOW HIMSELF to
232 US first. We need to reflect on Who we are praying to, and also get
233 a glimpse of what we are up against.

234 I've always wondered at how many believers take Ephesians 6:12 —
235 we wrestle not against flesh and blood, but against principalities,
236 against powers, and so on because it seemed to me that the place
237 where we engage these principalities and powers is in the persons
238 of those who are under the influence of the spiritual power that
239 attacked Job. It has become clear to me the point of Paul in
240 Ephesians 6:12 is not that the children of disobedience under the
241 influence of the spirit of the prince of the power of the air —
242 Ephesians 2, Satan, are not our opponents, but that what we need
243 to understand is the POWER STANDING BACK OF THEM IS
244 SATAN HIMSELF. And, as God revealed to Job, we can't handle
245 Behemoth of the land and Leviathan of the sea. No time here, but if
246 you study that carefully, I think you'll begin to see that Leviathan of
247 the sea is the spiritual force behind the instrument of his influence
248 on the land through Behemoth — a plural word used in a singular
249 form — indicating the combined forces of earthly beasts, a sort of
250 collective, that tramples down everything in its path, I think,
251 executing the plan of the chaos god — Leviathan — to destroy
252 mankind.

253 The *Behemoth* of the god of Mammon has been loosed against us
254 and we cannot, in our own strength, stand up to this attack! We
255 must, as Washington, APPEAL TO HEAVEN — you will not beat
256 them in a straight up flesh against flesh contest. They will out
257 maneuver you every time. They will out power you, and out smart
258 you. YOU WILL LOSE — until you understand, YOU MUST
259 SUBMIT YOURSELF UNTO GOD before you can RESIST THE
260 DEVIL and make him flee.

261 What I learned from talking to more than a thousand people who
262 lived through Communism under the Soviet Empire provides a
263 somber warning to believers in America right now. We can only
264 get started on this, but listen up.

265 Beginning about one year after the Iron curtain fell, I began
266 traveling into former communist countries! I took ten trips and
267 talked to literally thousands but personally, one on one to many
268 hundreds and got a pretty clear idea of their perspective.

269 Most of the believers and pastors I talked to grieved that America
270 never came to their rescue. But many understood that was not the
271 problem — they said the problem was the apathy of the Russian
272 Christian people. Afraid of reprisals, public scorning in their
273 media, loss of jobs, social dissing and so on — they decided to go
274 underground, to hide their light and withdraw their salt — they hid.
275 They were lied to so much by their government, they joked about
276 one of the most pervasive news sources, called Pravda — it means
277 "truth." This was a joke to them. Their government lied them to so
278 often they simply came to expect it; nothing said was believed. The
279 people tuned them out and created a subculture of pretending to go
280 along with it all on the surface but contriving ways to secretly get
281 along in their world circumventing the obstacles put in their way
282 by their government, and avoid triggering any problems — careful
283 about who they talked to and what they said — I'm telling you they
284 learned to live in a constant state of fear, and anger — but they got
285 used to it. They became acclimated to the environment of
286 oppression — grumbled about it constantly, but never DID
287 ANYTHING ABOUT IT — because they felt helpless!

288 Many pastors and Christian men and women that I talked to were
289 ashamed that they did not resist the oppressors, but actually, by
290 their silence, strengthened them, until they became so strong they
291 knew nothing short of open armed conflict would deliver them.

292 So they dreamed that one-day the American soldier would come to
293 rescue them from their oppressors.

294 Every effort of brave pastors, many who spent significant time in
295 prison for their faith, to encourage the people to take a STAND
296 was beat back by FEAR and a general sense of cynical resignation
297 to their oppressors.

298 I need to close. Listen, you must RESIST the DEVIL, not assist
299 him.

300 You've got to take your STAND NOW — and it must begin by
301 SUBMITTING YOURSELF TO GOD. Flesh and blood wisdom
302 and maneuvering will not avail! You must take heart, though, you
303 must be Apocaloptimistic. Some of you look at all this and believe
304 it's all going down the toilet — freedom, liberty, hope! The last to
305 go is hope. That's what the Russians lost — you must not lose
306 hope.

307 Listen, the Bible makes it very clear that when Antichrist rises,
308 even he will not be able to wipe out humanity from the planet —
309 he only get 1/4. Well, I don't mean to minimize it — but I'm just
310 saying, if the whole world moves into atomic war — according to
311 the BIBLE — they will not destroy the entire planet or wipe out
312 the human race. When Jesus returns, there will be multiple
313 millions, probably billions massed against Him in Armageddon,
314 and that's after the hundreds of millions of believers are removed
315 to be with HIM who will return WITH HIM to Armageddon for
316 the Apocalypse—the real one!

317 Even after GOD HIMSELF drops His full WRATH UPON THE
318 CHILDREN OF DISOBEDIENCE — Revelation 15-16, there will
319 be a large population of the human race remaining to field their last
320 stand against GOD's CHRIST and His great Army of saints.

321 Also, Satan can't move forward with his Nimrod one world plan
322 until after that which is present to RESIST him is removed, and
323 Jesus said the END WOULD NOT COME until the Gospel is
324 preached in every nation — Matthew 24:14, and the context of that
325 is connected directly to the events that follow the rapture of His
326 church and bring this world-system to it's conclusion.

327 So, quit fretting and start advancing as SOLDIERS not
328 SALESMEN of the GOSPEL of Christ. Okay, I need to sign off.

329 See you in church!

330 And, speaking of Russia, wow! Get a load of this!⁹ A volunteer
