

Brain Massage®: Show No. 910 What Ever Happened to Konnech? / What Can Be Done To Stop the Rising of the Red Dragon In America?

Dr. Jerry Scheidbach

Original Air Date: 12.3.22

1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain
3 masseur—get ready for your brain massage.
4 What happens when fools are given power over the wise? "The
5 Fool hath said in his heart, There is no God. They are corrupt, they
6 have done abominable works, there is none that doeth good."
7 Psalm 14:1
8 Whatever happened to the Konnech case? Remember, the guy who
9 stored our critical election data on CCP servers in China? Exactly
10 what I said would happen: all charges dropped! The DAY after the
11 election—all charges dropped!
12 While this certainly please Communist dictator Xi, he is
13 experiencing severe headache! Funny how American Maoists can't
14 see past the blemishes of moral failure that freckle the face of
15 America and appreciate the ideals of our Framers still flickering in
16 her bewildered eyes — but they can look past the murderous
17 policies of Maoist Communists and exult in the *ideals* of Marx.
18 Newsome's reparations committee wants to pass out checks to
19 descendants of slaves in CA — \$223,200 per person for "housing
20 discrimination"¹ — while Biden wants to rip off the American
21 Indians, AGAIN! This time pretending to "save them from climate
22 change" supposedly causing sea levels to rise in Alaska—only, in
23 fact, they are DECREASING.
24 Planned Parenthood director for sex education Bill Traverner
25 wants sex education to begin in Kindergarten, and wants to

26 provide porn literacy to "older age groups" — yeah, beginning in
27 junior high, so far, and adults education too.

28 Meanwhile, CA Governor Gavin Newsome released thousands of
29 sex offenders after only 1 year in prison.

30 What can we do about the rising power of the CCP in the world —
31 the rise of Red Dragon in America?

32 First, what we are doing is NOT WORKING.

33 Second, what would work is not working! Why?

34 I've examined the chessboard and I have seen the WIN!

35 It's time for your Brain Massage®.

36 [TRUTH]

37 What happens when fools are given power over the wise? Who are
38 the *fools*? Thus saith the LORD — the fool has said in his heart,
39 there is no GOD. Such people are declared by GOD to be "no
40 good." They are "corrupt," they do "abominable works," and none
41 of them do good! Every policy coming from the CCP controlled
42 political operatives today advances the Dragon's agenda to *steal,*
43 *kill, and destroy.* And the agenda of the Dragon is advanced by
44 LIES, and the LYING LIARS that tell them. At no point in our
45 history have we had the opportunity we have today to see the
46 TRUTH of this on full display!

47 Whatever happened to the Konnech case? True the Vote
48 organization exposed the election software company, Konnech, for
49 being tied to the CCP in China, and storing election data on CCP
50 servers in China. Whoah! Big news, right. Well NYT prepared a
51 story exonerating Eugene and Konnech, claiming it was all
52 disinformation, and dropped into the public on the day before
53 Eugene Yu, CEO of Konnech, was arrested on charges he did
54 exactly what True the Vote accused! The DA ordering the arrest
55 was none other than LA's Cascon the corrupt.

56 Virtually all establishment government media ignored the story,
 57 and conservative media went viral with it — focusing on the major
 58 embarrassing fail of the establishment media and vindication of
 59 our concerns about election integrity.

60 I was very suspicious, however, that Soros' puppet Cascon-the-
 61 corrupt would order this arrest, and I speculated that charges
 62 would be dropped. I thought perhaps the evidence was too pressing
 63 and he could not afford to do nothing in face of the upcoming
 64 election and his had was forced but that he would throw some red
 65 meat to the conservatives, let them enjoy laughing at NYT and feel
 66 vindicated about their election integrity concerns — let it cool off
 67 till after the election then drop the charges. I thought, however,
 68 that they would wait at least until a few days after the election, I did
 69 not expect it the DAY AFTER THE ELECTION — that's a little
 70 more *in your face* than I expected even from Soros' puppet Cascon-
 71 the-corrupt.

72 But, you see, this is the way Communism works in America—it's
 73 going to be a while before America's Maoists can deliver the full
 74 Marxist experience. But for previews of what the American Maoist
 75 have in store for us — watch China.

90 Like Dictator Xi's stooges welding COVID patients into their
91 apartments leaving them to die,³ or send some white clad Xi thugs
92 into your home to forcibly drag you from your couch to cart you
93 off to a "quarantine camp"⁴ (Give them HCQ or Ivermectin for this

99 is no God. They are corrupt, they have done abominable works,
100 there is none that doeth good." But I have a good idea — let's put
101 Maoists in positions of power in America — what a good idea!

102 Funny how American Maoists like Van Jones and his buddy
103 Booker⁵ can't see past the blemishes on the face of America to
104 appreciate the heart beat for FREEDOM, JUSTICE and LIBERTY
105 for all — but somehow they can look right past the 60 million
106 people Stalin murdered by his policies and brutal regime⁶ — 2
107 million for each year of his reign of terror, 40,000 each week — and
108 warm to the *idealistic* promise of EQUALITY. And Mao was a

109 mere piker by comparison, he only murdered 40 million — but
110 that's what his friends say, Washington Post, or ABC,⁷ you know —
111 but his detractors like the Heritage Foundation came up with 65
112 million died under Mao.⁸

113 Right now in the good ole U.S. of A. — we have 30 Communist
114 Senators.

115 Explains a lot!

116 Newsome's reparations committee wants to pass out checks to
117 descendants of slaves in CA — \$223,200 per person for "housing
118 discrimination"⁹ —.

119 I've addressed the immorality of reparations paid to descendants of
120 slave owners laid upon descendants of the Americans that fought
121 against slavery from day one. First, the injustice of it would be
122 obvious to anyone who actually *felt* the payment of it—because it's
123 this thing called "the government" paying it, who cares, let them
124 print all them money they can and throw it all around—but you
125 ARE PAYING FOR THIS in inflation, and a thousand other ways.
126 Nevertheless, it is immoral to lay upon the children the burden of
127 the crimes of their fathers — Ezekiel 18; it's a great read.

128 But even if you want to shake your fist at God's Law, and cast off
129 the cords and bands of Christ's RIGHTEOUSNESS — because you
130 are a CHRIST has come in the FLESH denying rebel against the
131 KING — then please explain how it would be appropriate to lay a
132 fine, a burden of reparation upon anyone who never participated
133 in slavery or had any ancestor who did?

134 Anyway, now Biden wants to rip off the American Indians,
135 AGAIN! This time pretending to "save them from climate change"

136 causing sea levels to rise—only, in fact, they are DECREASING.
 137 Yep! Down 32 inches since 1950 levels.¹⁰ Like "they" say, Alaska
 138 coastland sea level predictions are challenging—mostly because the
 139 neat little drawings they make showing levels rising dramatically
 140 don't match up with the actual data!

141 So you see, putting fools into power over us is producing all sorts
 142 of weirdness—like boys are girls and girls are boys, a boy who says
 143 he is a girl participates in female sports and wipes out the
 144 competition, a boy, an ugly one at that, pretending to be a girl
 145 competes in a beauty contest and wipes out the competition,
 146 LGBTQ drags children in front of lewd and vulgar sexualized drag
 147 shows and its supported by perverted parents and applauded by
 148 wicked adults—and all of it serves the agenda of Satan who comes
 149 to steal, kill, and destroy.

150 "They" — the "fools that say in their heart there is no GOD" — buy
 151 the way, they might say what the will with their mouth, but they
 152 are liars because in their heart they deny CHRIST'S LORDSHIP
 153 and revolt against HIS RULE in the EARTH.

154 And it's this crowd that wants to exploit our children sexually —
 155 Planned Parenthood director for sex education Bill Traverter has
 156 declared "we are all sexual beings from birth to death" not meaning
 157 they are "male or female" at birth to death, but that "babies, elders,
 158 and everyone in between can experience sexuality,"¹¹ — what does
 159 that mean, "experience sexuality"?

160 In the world view of this CHRIST HATING crowd, sex is not about
 161 "male and female" (remember when you saw a question Sex, and
 162 you answered Male or Female? Well, just so you know, that's not
 163 what Planned Parenthood Trevour means by "experiencing sex")
 164 but for this crowd that REFUSES TO BOW TO CHRIST AND

165 CALL HIM LORD, sex is not about two becoming one in the act of
166 procreation — it's about the "experience" of the activity completely
167 removed from any humanizing context. Casting away the cords
168 and bands of Christ that give sex a context defining gender, and
169 creating FAMILY, and making TWO BECOME ONE — it's about
170 the urges involved in the act, something we call sexual drive.

171 The sexual drive does not normally awake in young people until
172 around puberty — but this freak wants to wake it up earlier, in
173 Kindergarten. What sort of man wants children to be thinking
174 about "experiencing sexuality" in Kindergarten? Not likely the sort
175 you would be comfortable leaving your children with, or letting
176 him play with your kids on a playground!

177 Those who despise the LORDSHIP of KING JESUS and despise
178 His "cords and bands" creating guard rails that provide context for,
179 in this case, sexuality, and sexual expression, keeping it within the
180 bonds of HOLY MATRIMONY, remember that old yarn? Keeping
181 it tethered to the ultimate human relationship that forms the
182 foundation for FAMILY, creating a strong society — cast that off
183 and you dehumanize sex, and these children of disobedience
184 exploit it to dehumanize humans into amoral "sexual" beings.

185 That's all our children are to these people. Anyway, Trevor,
186 Planned Parenthood's Sex Education director, has called for
187 comprehensive sex education beginning in kindergarten and "porn
188 literacy for older age groups."¹² Meanwhile, CA Governor Gavin
189 Newsome released thousands of sex offenders after only 1 year in
190 prison.

191 I need to break. I'll be right back to discuss what can we do about
192 the rising Red Dragon in America?

194 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor
195 at the Lighthouse, your brain masseur, and Paul Revere's lantern
196 lighter, lighting the lamps in the church belfry arch, signaling the
197 enemy is on the march, an enemy that would steal from us our
198 liberty.

199 What can we do about the rising Red Dragon in America?

200 First, what we are doing is NOT WORKING. You've heard me say
201 the essential stronghold of the enemy in America, the lynchpin
202 holding their network of evil together is the rigged election system
203 in the U.S. Remember, this is the hill "they" will die on, because it is
204 critical to their ability to continue GOVERNING against the
205 CONSENT of the GOVERNED.

206 Politically speaking, there is ABSOLUTELY NO MOVING
207 FORWARD WITHOUT ADDRESSING THE 2020 STEAL — not
208 because that's where it began — but because that's where the
209 enemy overreached and exposed their hand.

210 But we keep looking to the "system" to function correctly and
211 address this. The system is broken. Let's look at one example.

212 Katie Hobbs, as Secretary of State in AZ, emailed Mohave County
213 supervisors threatening they would be arrested and charged with a
214 felony that could give them 2 years in prison if they failed to certify
215 AZ election results.¹³ The AZ election was a clown show, beginning
216 with the fact that 32% of the machines failed to operate correctly—
217 and that's just the tip of it — this election fraud thing goes way
218 deep and way high. Biden was apprised of the "plan" so he
219 cautioned his team it would take a while to carry out the steal. You
220 know, they had to find out what the vote was on election day to
221 know how many fake votes they had to manufacture.

¹³ Katie Hobbs' Office Threatened County Board USSA News _ <https://ussanews.com/2022/12/01/confirmed-katie-hobbs-office-threatened-county-board-with-arrest-felony-indictment-if-they-didnt-certify-results/>

222 The statute Hobb's cited states it is a Class 6 felony if election
223 officials "fail to perform their duties." I think election officials are
224 sworn to uphold the Constitution—but even so, it is the natural
225 DUTY of every American to uphold the LAW OF THE LAND. So,
226 what is their duty? They are presented with election results and are
227 charged with the responsibility to "certify" — to do this they vote
228 and they have a YES or NO vote, not only a YES vote.

229 The whole point of certification is to officially recognize the vote
230 met the requisite qualifications and met the necessary standards to
231 receive CERTIFICATION. If the election is questionable, if there
232 are clear indications of foul play or simply events that compromise
233 the integrity of the election, THEIR duty is to refuse certification.
234 But in the world of libs, the "law" is theirs to use to beat people into
235 submission to their will.

236 Kari Lake won that election—it was stolen from her, just like 2020
237 was stolen from Trump—well, actually from the VOTERS.

238 But Kari failed to support the protest effort following Thanksgiving
239 because she trusted AZ courts to rule according to law. Like
240 everyone else that has tried to redress their grievance against stolen
241 elections through the court system — Katie's case was thrown out
242 for lack of "standing." The Obama appointed judge did not even
243 look at the evidence. Kari Tweeted "In June, I sued over the use of
244 tabulators in my election. I alleged their machines were prone to
245 failure. This suit was dismissed for standing. On Election Day 32%
246 of the machines failed statewide. Yesterday (12/1/22), an Obama-
247 judge sanctioned my lawyers for bringing the suit at all."¹⁴ It's
248 LAWFARE — actually, it's TOTAL WAR!

249 So the first thing we are going to have to understand is that while
250 there are elements of the "system" still functioning, the children of
251 disobedience, the lawless devotees to the mystery of iniquity has

¹⁴ Kari Lake, Twitter: @KariLake 10:45 AM Dec. 2, 2022 <https://twitter.com/KariLake/status/1598739898282147841>

252 established themselves strategically within the system to block us
253 and delay justice until they can complete their take over of the
254 United States and bring it under a CCP globalist dictatorship.

255 Second, what will work is not working! Why? [We are the
256 INTERVENTION — and that is why Satan works 24/7 to distract,
257 discourage, and disorient us.

258 The CHURCH is present in the world today as the BODY OF
259 CHRIST—the HOUSE OF GOD, the PILLAR AND GROUND OF
260 THE TRUTH. The key is revival of the LORD's CHURCHES. It
261 was revival of the LORD's churches leading up to the war for
262 Independence that prepared this country for this great experiment
263 in self-government under GOD; it is the corruption of the churches
264 that has allowed this to happen—one simple supporting fact is all I
265 have time for right now — but think about it — Christians bought
266 the lie that the world belongs to Satan, that Christian involvement
267 in politics is sinful, that separation of church and state means
268 removing Christian influence from the state, it was Christians who
269 bought into the lie that GOD's WORD has no place in politics, or
270 in debate over social mores and on and on it goes. Christians were
271 convinced it was okay to let wicked, unbelieving, Christ rejecting
272 children of disobedience to rule this nation—John Jay, our first
273 Supreme Court Chief Justice warned about this, so did John
274 Adams, Alexander Hamilton, and Patrick Henry, and George
275 Washington — and many others — expressly warned that if you
276 separate Christian morality from politics we would lose our
277 liberties. And that is exactly what is happening.

278 Now, some practical things you can do is to get your CHURCH
279 INVOLVED — and I mean the Bible believing churches.

280 These churches are the BODY of CHRIST in the earth — the
281 HOUSE OF GOD — in the OLD TESTAMENT HOUSE of GOD
282 there was the TEMPLE OF GOD — where the SPIRIT DWELLS in
283 the HOLY OF HOLIES between the cherubim on the mercy seat.

284 In the New Testament HOUSE OF GOD the believer's body is the
285 TEMPLE, and the heart is the HOLY OF HOLIES where the
286 SPIRIT OF CHRIST dwells. The Spirit of CHRIST is the presence
287 of CHRIST the KING operating in the world today.

288 Jesus said He would give HIS SPIRIT and He did. He said His
289 Spirit was sent to dwell in US and to MOVE THROUGH US into
290 the WORLD — reproofing it of sin, righteousness, and judgment.
291 He does this by FLOWING FROM OUR BELLY INTO THE
292 WORLD AS RIVERS OF LIVING WATER. And He delivers His
293 reproof upon the conscience of the world through HIS WORD —
294 the Scriptures.

295 Christ's true CHURCHES have the keys of the kingdom, that's
296 actual authority to act judicially on behalf of HIS KINGDOM and
297 we are ambassadors FOR CHRIST representing the KINGDOM of
298 the LORD JESUS to the kingdoms of this world — which, by the
299 way, are ALL UNDER GOD. When Jesus died upon the cross He
300 broke the power of Satan over the world, and cast him out, he was
301 demoted to prince of the power of the air — and he is the spirit
302 that works in the children of disobedience right now — but we are
303 the children of obedience, and the SPIRIT OF CHRIST IS IN US
304 and He is greater than the spirit that is in them.

305 It's only necessary for the true believers in the true churches to
306 exercise their authority—like the prophets of old — write THUS
307 SAITH THE LORD to these wicked rulers and put them on notice
308 that CHRIST IS KING and they are commanded to rule justly in
309 the fear of GOD or face the judgment of the Almighty!

310 We exercise our authority by corporately fasting and praying and
311 corporately officially declaring GOD's TRUTH to these wicked
312 rulers, teaching the TERMS of SURRENDER TO CHRIST to our
313 communities by preaching the GOSPEL OF THE KINGDOM, and
314 holding our local, state, and federal employees of the PEOPLE
315 accountable to CHRIST THE KING. We must SPEAK THE

316 WORD OF TRUTH to rulers in this world, and MUST NEVER
317 APPOINT ANOTHER CHILD OF DISOBEDIENCE TO ANY
318 POSITION OF POWER EVER AGAIN.

319 We lately met at the Lighthouse, and with a quorum present, voted
320 to send a letter of reproof to Newsom, Pelosi, Padilla and Carbajal.
321 The grievance addressed to them was regarding the break down of
322 our elections, and the theft of the people's right of consent. That's
323 only one of many things we are doing but I'm out of time and I'll
324 have to take this up in my pulpit this Sunday, and perhaps in my
325 live-stream on Saturday evening.

326 Have you ever looked at a chessboard and realized the game is over
327 before the checkmate is called? That's what the left has done! They
328 hope we don't see it, and they will gobble up pawns and strike at
329 every piece they can, hoping to intimidate and bully us into
330 conceding, trying to provoke us to make a mistake, to miss a move.
331 Listen, friend, I've examined this board, and if we stay in the game,
332 and play wisely, we will win! This is not to say we will win without
333 cost. Pieces will be lost—and so we must shift the analogy to the
334 battlefield and understand that some will get hurt. This will not be
335 painless. But I promise you this, the cost of victory, though dear,
336 will not be nearly so devastating as the cost of defeat.

337 I have lit the lamps in the Church belfry arch and now you let me
