

Brain Massage®: Show No. 912 Shining Our LIGHT into the Darkness / The Corruption of Conservatism / The Secret War!

Dr. Jerry Scheidbach

Original Air Date: 12.17.22

1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain
3 masseur—get ready for your brain massage.

4 Let's turn on the lights and take a look into the "chambers of their
5 imagery"; exposing the emerging degeneracy that has been growing
6 like mold in the darkness, hidden behind a veneer of political
7 correctness posing as "civilization," and the corresponding
8 corruption of conservatism, and how these things play into the
9 ongoing secret war with the powers working through China,
10 Russia, and Iran — with their operatives planted in our
11 government.

12 It's going to be an invigorating brain massage, so, get ready — it's
13 time for your Brain Massage®.

14 [TRUTH]

15 I've been saying for a long while that we are in a time of reproving
16 — exposure — GOD exposing the evil that thrives behind the mask
17 of American culture.

18 During a time of Judah's degeneracy, the prophets lamented, but
19 God showed Ezekiel that they did not see the half of it.

20 God took Ezekiel on a guided tour showing him the appalling
21 things done in secret by the leadership of Judah in the "chambers of
22 their imagery."¹ The level of degeneration that had developed was
23 way past anything Ezekiel could have imagined—I preached from
24 this passage and warned God would be taking America on a guided

¹ Ezekiel 8:12 "Then said he unto me, Son of man, hast thou seen what the ancients of the house of Israel do in the dark, every man in the **chambers** of his **imagery**? for they say, The LORD seeth us not; the LORD hath forsaken the earth."

25 inspection of what's been going on in the secret chambers of the
26 wicked who have taken our nation from us by force.

27 As you hear these revelations, remember that what is emerging to
28 the surface in our culture has been part of the dark culture of the
29 so-called "ruling elite" in America, and around the world, for many
30 decades. In other words, what I'm going to show you that are
31 bubbling up out of the swamp—what we are seeing being exposed
32 — are things routinely practiced among the filthy wicked in their
33 secret chambers, out of public view. Also, please understand, the
34 level of debauchery and degradation is far worse among the bottom
35 feeders of the swamp than what we are seeing boiling up to the
36 surface; and finally, please remember the reason these people hide
37 their behavior is that if it's brought to light, they lose their
38 influence and so lose their power and bring judgment upon their
39 own heads.

40 I knew it was bad; but like Ezekiel, I did not know how corrupt our
41 godless culture had sunk into darkness. And for me this all began
42 after Lighthouse spent 40 days of prayer and fasting, launched
43 spiritual assault teams, and began praying fervently for God to
44 expose the truth to the American people — specifically, the bloody
45 dark business of abortion — and not long after we began this in
46 earnest, Veritas began its work of EXPOSING — or reproofing the
47 unfruitful works of darkness in that vile industry — what can be
48 worse than an organization promoting abortions in order to
49 harvest baby body parts for "market"? But it's even worse than I
50 suspected.

51 I struggle between the maxim that we are to "have no fellowship
52 with the unfruitful works of darkness, but rather reprove them,"²
53 which requires us to expose them to the LIGHT, over against the

² Ephesians 5:11 "And have no fellowship with the **unfruitful** works of darkness, but rather **reprove** them." In the Old Testament, to *reproof* is to chide, or rebuke; to chastise and to refute—which is to prove wrong, convict. This is carried forward into the New Testament meaning of the word translated *reproof* in I Timothy 3:16. It involves presented evidence that leads to a conviction, with the hope it will evoke conviction in hearer and a response of repentance.

54 warning that it's "a shame even to speak of those things which are
55 done of them in secret."³ It's impossible to not speak of their
56 shameful behavior and bring evidence to convict without
57 identifying the behavior we are reproofing. The qualifier here is that
58 in reproof we expose to the light what they do in secret within a
59 context of rebuke, or correction. Nevertheless, I think the Spirit
60 does encourage us to exercise discretion when addressing the
61 abominable practices of the wicked.

62 Where to draw the line between reproofing — exposing wicked
63 behavior for rebuke, censure, shame, and correction — and
64 shamefully "speaking" of the things they do in private is rather like
65 another biblical conundrum: "answer not a fool according to his
66 folly, lest thou also be like unto him," and then, in the very next
67 verse: "Answer a fool according to his folly, lest he be wise in his
68 conceits."⁴ So, sometimes you do, and sometimes you don't!

69 The problem with exposing the "unfruitful works of darkness" with
70 sufficient clarity to expose the conscience to Holy Ghost reproof
71 upon this world for sin, righteousness, and judgment, is that some
72 of delicate sensitivities recoil at the horror, say, of abortion, and
73 don't want their tender souls to be troubled by images of what
74 abortion actually looks like, or vivid descriptions of what abortion
75 actually does to a child in the womb.

76 In deference to the delicacies of some, we have allowed the heinous
77 crime of baby slaughter to go on hidden from public view for fifty
78 years. But we know that when Americans know the truth about this
79 bloody business, they object to it! However, I fear we have served
80 the interests of the delicate to the destruction of the vile, and the
81 corruption of the conscience of our youth. The conscience of many
82 among our young people is seared, and the images that horrified
83 the delicate among us, and barred us from public disclosure of

³ Ephesians 5:12 "For it is a **shame** even **to speak** of those things which are done of them in secret."

⁴ Proverbs 26:4-5

84 these truthful but horrible images now don't disturb the conscience
85 of our young people, like it would have done had we risen up in the
86 outrage due the wicked practice.

87 When did so many of our young people lose their conscience?
88 While believers were sleeping! Safe within the hedge that kept that
89 devil out of our own lives, we left those outside the hedge to be
90 devoured by the lion that prowls about there.

91 I think most would agree this could not have happened if it were
92 not for the lies that were told, the darkening of minds by deceit,
93 that would have been exposed if we had been more willing to
94 expose what abortion really is—if we had shown the American
95 people the truth about that horror.

96 I asked in a recent show, do you know that happens to a fetus
97 during an abortion? It's scalded—burned—alive in saline solution
98 until dead, or hacked into pieces by a scalpel, or suctioned out in
99 pieces torn apart within the womb — but that's no big deal, right, I
100 mean, it's no different that dissolving a tumor or cutting out
101 someone's appendix—except that the word *Fetus* means *little child*.

102 You know, like the little child in Elizabeth's womb—whom
103 Zacharias was instructed to name John, and whom the Spirit later
104 called *the Baptist*! At about 6 months, or 24-25 weeks, that baby
105 recognized the *little child* in Mary's womb that had been only
106 recently conceived—whom she was instructed to name JESUS,
107 because He would save His people from their sins. When John the
108 Baptist in Elizabeth's womb came into proximity with Jesus, the
109 son of David, in Mary's womb, the baby Baptist leaped for joy.

110 Yeah, I'd say abortion is very different from cutting out a tumor or
111 removing an appendix.

112 But remember your Montesquieu — "It is not the young people
113 that degenerate; they are not spoiled till those of mature age are
114 already sunk into corruption." Friend, the five year olds are not

115 flocking to Drag Queens to shove green backs in their underwear
116 — their PARENTS ARE TAKING THEM TO THESE EVENTS,
117 PROVIDING THE GREENBACKS AND CHEERING THEM ON
118 as they participate in this lewd behavior — feeding their children to
119 the appetites of these perverse people.

120 So, shall we follow Ezekiel to the walls that have hidden from
121 public view the depths of darkness into which our culture has
122 sunk?

123 Talking about abortion, here is a new low. There is a new trend
124 developing among some younger couples — the plan to make a
125 baby, because the woman enjoys being pregnant, you know the
126 euphoric hormone rush most experience, the guy enjoys his gal
127 being pregnant, so the pregnancy thing, for the first 20-24 weeks, is
128 all good, but then it's time to abort the baby — so they go to their
129 local planned parenthood and destroy the baby. Then they do it
130 again, and again — it's an abortion fetish — one couple boasted
131 they had done this seven times already, and are comfortable talking
132 about this publicly.

133 So some one hearing about this wrote: "It is good (and rare) to hear
134 of a couple (both man and woman) where both members are into
135 abortion and pregnancy. This is a wonderful and potent example of
136 personal power, where sex meets violence and creation combines
137 with destruction. Thank you for sharing your exciting romance ...
138 I can imagine that it is a very bonding experience between you and
139 your partner."⁵

140 I remember when abortion was "rare" too! How long will it take for
141 this to catch on?

142 Here is a tweet complaining about the new abortion law in Iceland
143 allowing baby murder up to 22 weeks and removing any
144 requirements for parental consent for minors. One responded with

⁵ <https://summit.news/2019/09/15/ohio-college-normalizes-pedophilia-as-a-sexual-orientation/>

145 one word: DISGUSTING. An older guy! He looks like a Muslim
 146 Sheik or something—not sure. Response to him from a young
 147 female, and by young, I mean early thirties: "Nah, delicious! Seven
 148 billion is too many—we should scoop the little [Expletive I wont
 149 repeat, used euphemistically for the BABY—so, scoop the remains
 150 of the little babies] innards out and mail them to your kind."⁶

151 How low can you go? Here is a picture of an abortion activist
 152 carrying a sign that reads FESUS=TASTEY TREAT!

153 But other stuff is bubbling up too! California congresswoman Katie
 154 Porter (DEM) says, "The groomer narrative is an age-old lie to
 155 position LGBTQ+ people as a threat to kids."⁷ The FACT
 156 CHECKERS on the LEFT corrected the headline and said Porter
 157 was not saying pedophilia is not a crime, she was saying using
 158 terms like *pedophile* and *groomer* in connection with persons who
 159 are LGBTQ makes these people out to be criminals.

160 Well, here is what she said: "This allegation of 'groomer' and
 161 'pedophile,' it is alleging that a person is criminal somehow, and
 162 engaged in criminal acts merely because of their identity." So, it is a
 163 bit vague. Let's give it to the fact checkers, and ask them to be
 164 equally fastidious when interpreting Trump's Truths, or Tweets.

165 But here is what is NOT VAGUE. Pedophilia has been tracking
 166 right along with homosexuality. At first, the language used to
 167 discuss those who engage in this perverse behavior, either
 168 physically, or mentally, becomes accepting, understanding, and
 169 sympathetic.

170 In Psychology Today, the language is supportive, explaining they
 171 can't help it, and shows an openness to any "science" that shows it
 172 is a condition that the perp cannot control, a sort of born that way

⁶ IBID.

173 situation.⁸ Which leaves it wide upon for "criminal psychologists"
174 to make statements like, "Paedophilia [UK spelling] is a 'sexual
175 orientation' like being straight or gay."⁹

176 And here is an article titled *San Diego State University Normalizes*
177 *Pedophilia as a "Sexual Orientation."*¹⁰ So, excuse me if we assume
178 Katie Porter is in agreement with the "establishment medical
179 community" on this as on all other things.

180 You will be glad I've run out of time for this segment — no time to
181 explain "toilet slaves," "fisting," or the "furry fetish" perversity that
182 are beginning to crawl up out of the swamp — or "adrenochrome,"
183 and how it is obtained by torturing children, or the fact that our
184 own government, along with others, especially in Ukraine, are co-
185 opted in support of sex trafficking that goes so far beyond forced
186 prostitution, and into enslavement to some of the most horrible
187 abuses by adult men with children—WHY DO THEY PREY
188 UPON THE CHILDREN! It's perverse — and these goings on have
189 been going on for decades in the secret chambers of their imagery
190 — their idols — what they worship: the gender blended goat man
191 with cherub wings holding a little boy and a little girl in its arms —
192 this is their god, and this is their worship! And it's getting exposed.
193 I can hear an atheist cawing, "Wow, running out of excuses for
194 God!" Really? I say we are running out of excuses for humanity,
195 and out of excuses for mercy! Okay, hold on through the break; I'll
196 be right back!

200 enemy is on the march, an enemy that would steal from us our
201 liberty.

202 Okay, last segment was pretty rough! But like I've told my son since
203 he was about five years old, we can move forward to a solution for
204 anything if we begin with the TRUTH, but without the TRUTH we
205 can't get anywhere.

206 Yeah, I warned you it would be a deep massage! Now, let's take a
207 look at what's happening to conservatism —.

208 Conservatism has been about conserving our American traditional
209 values and beliefs — until lately. Now, conservatism seems to be
210 about winning elections for Republicans.

211 Joe Watson runs a site called Summit News.¹¹ I only have one video
212 to evaluate him, but he seems like a very sharp young man and
213 worthy of a listen. He also models what he complains against, but
214 does not realize it. In truth, it depends on where you enter in to the
215 debate about what defines conservatism, or, what does
216 conservatism seek to conserve? He comes in a bit later than me, so
217 he has a different starting place for assessing what conservatism
218 seeks to conserve. Get it? Got it? Good!

219 He sounded an alarm on the corruption of conservatism. He asked
220 the conservatives today to reflect on what exactly it is that they are
221 "conserving."

222 I've spoken to this often over the years — if conservatism begins
223 embracing social progressive ideals and values, if they capitulate to
224 social progressivism they will simply become an engine driving our
225 culture to the same HELL! God will drop conservatives into hell
226 just as fast as he will drop progressives — and like Newton helped
227 us see, a 100 lbs of feather-progressives will hit hell with the same
228 velocity as a 100 lbs of rock headed conservatives.

¹¹ Watson, Joseph, *Summit News* [ONLINE: <https://summit.news/2019/09/15/ohio-college-normalizes-pedophilia-as-a-sexual-orientation/> — 12/15/22]

229 We are seeing a trend that I anticipated some years ago toward a
230 distinction between "conservatives" and Christian conservatives. I
231 have often complained about the CON-servatives — those who call
232 themselves conservative but are actually running a CON job on
233 grass roots God and Country — or God and Gun clinging
234 *Despicables*.

235 Here is where we're headed, we'll start light.

236 Here is a tweet from a conservative: "You don't have to be a
237 Christian to be conservative." Okay! Well, this nation was founded
238 on Christian ideals and perspectives, and our Founders repeatedly
239 warned against allowing people to rule this nation who were not
240 godly Christians, with Alexander Hamilton, and John Jay warning
241 about the dangers of putting our GOD endowed liberties into the
242 hands of GOD DENIERS — but, okay, you begin to see what I
243 mean about answering the question what do conservatives seek to
244 conserve!

245 This tweet goes on: "You don't have to be pro-life to be
246 conservative." Really? The Republican platform has consistently
247 included a pro-life plank — so, I guess if the Republicans can
248 ignore their own platform, you are right! But you see, again, it
249 depends on when you stepped into this battle between conservative
250 and what was called liberal, but now progressive, because back in
251 the day, we universally accepted the notion that ALL MEN ARE
252 CREATE EQUAL AND ENDOWED BY THEIR CREATOR
253 WITH CERTAIN INALIENABLE RIGHTS. THAT AMONG
254 THESE ARE LIFE, LIBERTY, ... Now, what was that? LIFE — a
255 fundamental right of all CREATED BY GOD? We have always
256 referred to a pregnant woman as WITH CHILD. But you are right;
257 today, what passes for "conservative" includes people who are okay
258 with murdering a baby in the womb, but not all the way to term,
259 because somehow in the gestation the BABY takes on a RIGHT TO

260 LIFE — but no CON-man-servative knows exactly when, so, let's
261 pick a time —

262 The tweet goes on, and for sake of time, I'll have to skip forward a
263 bit: "You don't have to be straight to be conservative." Well, several
264 so-called conservatives recently voted to repeal DOMA and put in
265 it's place a bill that destroys the meaning of marriage — and is
266 actually contrary to the Laws of our land which leaves marriage
267 issues to the STATES — so the Bill is Unconstitutional, but that's
268 another thing the so-called CON-SERVATIVES have decided not
269 to CONSERVE. So you can be a conservative but not conserve
270 marriage in its traditional meaning — by traditional, I mean
271 MELLINIA — thousands of years of meaning dismissed by so
272 called conservatives — so, really, what are you conserving?

273 Not traditional values — that's for sure. This fellow finishes by
274 saying "You don't have to be traditional to be conservative." Really!
275 Well, he finished it off right there by essentially saying
276 CONSERVATISM MEANS NOTHING. What are you conserving?

277 If "conservatism" has become nothing more to you than about
278 conserving your political power by promising a better economy
279 than the other guy — maybe it's time you got a different name.
280 Because it has "traditionally" meant you are holding to our
281 traditional American values and mores. At least that's what it used
282 to mean.

283 Now we are treated with a young person who tweets: "Hello, my
284 fellow conservative people! Now, let me explain, [sic-no comma
285 needed] how being a liberal makes you conservative!"

286 Or, how about this meme posted by another youngun — and
287 again, I'm not talking about children, I'm talking about young
288 people in their 20-30s — the meme features a chic in a rainbow
289 top, with "Why yes, I'm pro choice" with a large red X next to a
290 babies face — ? hmmm; then "Why yes, i support LGBT. Why yes,

291 i do smoke WEED. Why yes, i am an ATHEIST.” AND concludes
292 with “That’s right, i am a CONSERVATIVE.”

293 Conservatism without a moral foundation set upon the ROCK
294 which is CHRIST is KING will like castles made of sand be
295 destroyed at the BLAST of His judgment—perhaps America needs
296 Jonah's message — yet forty days, and America will be destroyed?

297 I've come to the end of my time and did not get to discuss the
298 Secret War — so I'll address that, Lord willing, during our Saturday
299 evening visit.
