

Brain Massage®: Show No. 914 Killing Conscience / Preparing To Deny  
Every Effort To Make Me Confess 2+2=5

Dr. Jerry Scheidbach

Original Air Date: 12.31.22

1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the  
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain  
3 masseur—get ready for your brain massage.

4 Evangelist Dave McCracken will be speaking from the Lighthouse  
5 Baptist Church pulpit from Jan. 8-11. You are invited! Sunday  
6 schedule is unchanged — 9:30 for Bible study, 10:45 for morning  
7 service and 5 pm for evening service. Then Monday through  
8 Wednesday we will assemble at 7 pm.

9 We turn our attention to the ongoing holocaust of the unborn in  
10 January—So let's get updated on what is happening on that front in  
11 our culture war. Many will think it is odd that the Catholic diocese  
12 in eastern France would punish a priest who reminded his  
13 "parishoners" that Abortion has taken more human life than died  
14 in WWI, with current estimates at 42 million babies murdered  
15 across the world every year.<sup>1</sup> *The consequences of killing the*

17 Should we expect a COVID-23, or 24? Gates thinks so. In fact, he is

20 "society ending."<sup>3</sup> Will "they" bring back lockdowns, masks, and

24 If I have time, I want to provide an update on the war to preserve  
25 the PEOPLE'S RIGHT OF CONSENT—the effort to restore  
26 election integrity in America.

27 Okay, my friends, it's time for your brain massage:

28 [TRUTH]

29 The consequences of killing the conscience: GOD warns about this  
30 condition. We ask, how can these children of disobedience lie  
31 without conscience—how can they so arrogantly dismiss hard  
32 facts, that are staring them in the face and utter lies so blatantly one  
33 feels the force of evil itself expressed through them? I mean, they  
34 without so much as a blush of conscience, much less the galling  
35 pricks of natural conscience that would make it difficult for most of  
36 us to live so comfortably with lies.

37 God warned about this—he warned of those who would speak "lies  
38 in hypocrisy; having their conscience seared with a hot iron..." (I  
39 Timothy 4:1). God graciously provided two warning signs that we  
40 are dealing with such people—it's when they attempt to destroy  
41 marriage, and tell us we cannot eat meat. This offers some insight  
42 into how it is children of disobedience so easily accept the lies of  
43 gender confusion, and same sex marriage, destroying the  
44 foundation of social order provided by marriage, and those ready  
45 to eat Bill's bugs, or his lab created meat, it's what the SPIRIT said  
46 expressly—people will depart from the FAITH (as a noun, this  
47 refers to God's Word), which Jesus said IS TRUTH — men are  
48 turning their backs on truth today, and embracing the most  
49 nonsensical rubbish imaginable—they are speaking lies in  
50 hypocrisy—and they can do this with no compunctions because  
51 their conscience is seared with a hot iron.

52 The word translated *seared with a hot iron* is a Greek word that  
53 means to cauterize, or BRAND. Our farmers know about *branding*.  
54 Putting a mark of ownership on the hide of cattle with a *branding*  
55 *iron*. Those whose conscience has been *branded* with Satan's  
56 *branding iron*, and cauterized, have killed their natural sensitivity  
57 to right and wrong imprinted on them at conception—when God  
58 gave that "measure of faith," spoken of in Romans 12:3.

59 Natural man has a conscience, an innate knowledge that it's wrong  
60 to lie, to murder, to cheat, to steal and destroy. Even a natural man  
61 like Saul found it hard to kick against the pricks of his conscience.  
62 And Cornelius, though natural, was moved by conscience to do  
63 many good things for his neighbors and family—natural man has a  
64 conscience that condemns him when he offends, and approves him  
65 when he does right: Romans 2 speaks to this thoroughly.

66 And so we find that people struggle with guilt, shame, and even  
67 remorse when their conscience condemns them, and often this can  
68 be appealed to bringing the offender to confession and  
69 repentance—but what happens when that natural facility of human  
70 nature is destroyed; what happens when our conscience no longer  
71 sounds the alarm of warning for our soul? When Satan puts his  
72 brand on your conscience, and sears it—that makes these children  
73 of disobedience much more useful because then their own  
74 sensitivities will not interfere or resist when he wants to use them  
75 in this world to open the doors to much EVIL.

76 The conscience is seared when we act boldly in direct contradiction  
77 to our conscience—sometimes one horrible deed will deaden the  
78 conscience, but usually it requires a repetition of a variety of sinful  
79 acts to finally SEAR YOUR CONSCIENCE WITH THE DEVIL'S  
80 BRAND!

81 There has been a searing of the conscience of almost every  
82 American to one or another degree.

83 Let's consider the ongoing holocaust of the unborn. God speaks of  
84 those mothers whose conscience can become so dull they can  
85 forget, abandon, and even feed on their sucking child (Isaiah  
86 49:15). Growing up, I saw many pregnant mothers, delighting in  
87 the movement of the babe in her womb, glowing in the expectation  
88 of the coming birth of their baby — I was the first of five, but once,  
89 and, thankfully, only once, I saw another "mother" with child beat  
90 on her belly in an attempt to kill the fruit of her womb. Abortion  
91 was not legal then, but she succeeded at murdering her baby. That  
92 woman had unnatural affections—her conscience was seared. It  
93 was an appalling thing to see! Hiring someone else to butcher the  
94 baby is not more civilized!

95 There are serious *consequences of killing the conscience*. It sets one  
96 free from the natural restraints that would restrain us from  
97 opening the door of hell to evil. It never is satisfied to stop at some  
98 level of tolerance, evil will challenge you to take another step in the  
99 direction of the BRANDING booth, another act contrary to your  
100 conscience, and another, until you no longer feel the pricks of  
101 conscience and can do yet more heinous, filthy, horrid acts that  
102 destroy your own and the souls of those you influence.

103 Any soul that can accept the idea that murdering babies in the  
104 wombs of their mothers has deadened their conscience—and it will  
105 numb them till they are able to accept other offenses to the natural  
106 sensitivities of our conscience, and finally, the conscience is  
107 branded by Satan with his MARK of ownership and can use you to  
108 do all sorts of wicked things with abandon.

109 It's something Himmler and Hitler understood. They needed a  
110 special enforcement agency that was answerable exclusively to  
111 them, and that would be willing to do things that are, well,  
112 unconscionable! Torture, brutal rape of a wife before her husband  
113 and children — yeah! This is the sort of thing Himmler and Hitler  
114 needed in order to strike fear to the soul of any who saw the black

115 uniformed SS come to their door. They pondered how to create  
116 such an army of soldiers without conscience and understood they  
117 needed to get these young German men to act contrary to their  
118 conscience — they required these young recruits — it's similar to a  
119 gang initiation that requires a new member to murder a child — or  
120 rip up some woman — something really bad in order that the gang  
121 might then "own" them and control them. They would take  
122 homosexuals to concentration camps, while actually encouraging  
123 sodomy among these recruits. Why? It would break down their  
124 natural resistance to evil, distort their values, and brands their  
125 conscience with the Devil's hot iron.

126 They specifically worked to separate them from their Christian  
127 roots, alienate them from their family, and friends, isolate them  
128 spiritually, emotionally, intellectually, and then physically from any  
129 support outside the SS fraternity.<sup>4</sup> Reports have revealed bizarre  
130 occult rituals, intended to break down resistance to doing  
131 unimaginable evils that might come from natural conscience, or  
132 from their early childhood training in Christian values and morals.

133 You see, Hitler and Himmler needed a soldier that would do  
134 absolutely anything, no matter how vile, no matter how evil—like  
135 rounding up Jews, herding them onto cattle cars, transporting  
136 them to the "camps" — gathering them into showers, turning on  
137 the acid showers that killed them in mass, carry the bodies to the  
138 furnace and cast them into the burning flame. You need a special  
139 sort of "soldier" willing to carry out such orders, and they knew  
140 how to create such monsters.

141 Manipulate them, command them, tempt them, whatever it takes,  
142 get them to violate their conscience, to do what is reprehensible to  
143 them, to kill the conscience. This preparation began in their  
144 schooling, where Christianity was mocked, and dismissed, and

145 occult symbolism — one wrote about this under the title *Hitler's*  
146 *Cross*<sup>5</sup> — the Swastika, or the Iron Cross — supplanted the  
147 traditional meaning of the Cross; Hitler and his Jesuit-like priest,  
148 Himmler, virtually replaced Christ's Cross with Hitler's and  
149 compelled Churches all over Germany to virtually kneel to Hitler's  
150 Cross, and repudiate Christ by Heil Hitler, meaning *hail Hitler*  
151 with a twist, included in the nuanced meaning of the expression is  
152 the idea of SALVATION THROUGH HITLER. And referring to  
153 him as der Fuhrer praised him as "the father."

154 We see the same sort of indoctrination occurring in America  
155 today—our children's conscience is defiled almost daily, their sense  
156 of right and wrong distorted unnaturally by the imposition of the  
157 LGBTQ agenda, demanding they surrender their personal  
158 autonomy to the collective, the "State," abandoning their  
159 conscience for the "mandates" of the State, alienating them from  
160 their parents, and any influence from their Christian influenced  
161 past, destroying all traditions connecting them to their Christian  
162 heritage and practically forcing them to identify with new  
163 traditions that are associated with paganism, or the occult.

164 If you ever wondered how did the Germans allow this to happen.  
165 Many of you should go take a long look at the mirror—and ask  
166 what have you done to contribute to the decay of Christian  
167 morality in this country?

168 Hold on through the break! I'll be right back!

169 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor  
170 at the Lighthouse, your brain masseur, and Paul Revere's lantern  
171 lighter, lighting the lamps in the church belfry arch, signaling the  
172 enemy is on the march, an enemy that would steal from us our  
173 liberty.

174 Someone, I think her name is Peggy Hall, she runs a blog/video  
175 operation keeping people up to speed on what's going down—she  
176 asked where are the modern day Nazis going to get the people that  
177 will round up their fellow Americans by force, tearing them away  
178 from their families and homes, and haul them off to some  
179 concentration camp where they will be "reeducated" and, that  
180 failing, used for experimentation for the good of the collective?  
181 Where will you find people so calloused, so void of any even  
182 natural conscience, to be willing to openly VIOLATE the  
183 Constitution and the inalienable rights of Americans and contrary  
184 to the law of our land, raid the private residence of an American  
185 under color of law—where are you going to find some Capitol  
186 police officer who will, upon the illegal and immoral orders of  
187 superiors, open fire on an unarmed young lady and shoot her dead  
188 in the Capitol, where do you find people like this?

189 Of course, I elaborated on the question, but you get the idea.  
190 Where will the Deep State find the sort of people that will buy the  
191 lie that patriots who love God and country, you know, those  
192 Obama vilified as GOD and GUN CLINGERS, those who refuse to  
193 accept the mind control game they are playing, can you believe it,  
194 trying to get us to accept the idea that a man can get pregnant, or  
195 have a menstrual cycle, or call himself a woman, enter female  
196 competition and everyone stands around applauding this—as  
197 though it's sane — and they are preparing to call us insane, and  
198 unfit for society—and after they have fitted their version of the  
199 yellow band on all our arms, send out their "armies" to arrest and  
200 haul to prison people whose only crime is refusing deny reality,  
201 refusing to let go of their grip on sanity.

202 Like Orwell's *Ministry of Love*, where those refusing to accept the  
203 PARTY LINE are sent to have the last vestiges of rational thought  
204 destroyed: where O'Brien finally beat Winston down to say  $2+2=5$ ,  
205 and not just say it, but to actually embrace it as truth.

206 Where will the Deep State find people willing to hall innocent  
207 citizens into prison because they refuse to say  $2+2=5$ .<sup>6</sup>

208 CA is gearing up for all out war on pro-life advocates — most of  
209 whom are the reality based people in our society who refuse to  
210 allow "them" to convince us contrary to science to believe the baby  
211 in the womb one hour from birth is in any way less human than  
212 the baby at birth. Who tell us  $2+2=5$ , and a human at conception is  
213 not human but an eaglet in the egg is an eagle. That a boy can be a  
214 girl, or a girl can be a boy—merely by making these words have  
215 zero meaning with any reference to reality! We say — NO!  $2+2$   
216 does NOT EQUAL 5. We will not let go of our sanity to join you in  
217 your imbecility. You are crazy, and/or PURE EVIL — and we are  
218 not joining in your defiance of CHRIST as LORD, we will not rail  
219 against His bands and cords, and we will stay here upon this ROCK  
220 of TRUTH while you busy yourself making castles of sand.

221 As you know, CA passed Prop. 1. We have two problems with our  
222 election system. One is that it's rigged against the people of this  
223 state. The other one is that the free flow of information is  
224 controlled by our own "Goebbels" ministry of PRAVDA — so the  
225 electorate does not have the privilege of full and INFORMED  
226 consent to these bills. The truth is obfuscated by deceitful language  
227 and out right lies—

228 For example, CA, did you know you voted to CHANGE THE  
229 CONSTITUTION of this State? Let's start there. Most of you  
230 probably were not aware of that. Did you know Prop. 1 has  
231 language that allows, for example, a 12 year old to have  
232 "reproductive relations" with her friends dad, exercising her rights  
233 under Prop 1 allowing any person to freely exercise their  
234 reproductive rights, so this 12 year old gets pregnant, yes, girls as

<sup>6</sup> ECOFAN74 (no name given), How does O'Brien's interrogation of Winston in the Ministry of Love relate to the destruction of rational thought as a prominent idea of the novel? 235 young as 10 years old have gotten pregnant.<sup>7</sup> So this 12 year old  
236 gets pregnant while exercising her "reproductive rights" and then  
237 upon discovery of this, goes to the school nurse to confirm, and  
238 arranges for an abortion—AND ALL OF THIS WITHOUT  
239 PARENTAL KNOWLEDGE OR CONSENT — and also, because  
240 of Prop 1 provisions against questioning the death of a baby  
241 perinatal — after birth — if that baby survives a botched abortion,  
242 the doctor can smother it, or let it die, or, actually, as bizarre as it  
243 sounds, a monster Klopfer — the so called doctor who collected  
244 more than 2400 murdered babies in his garage, and some in his  
245 car,<sup>8</sup> so one of these 2+2=5 types delivers the baby alive, decides to  
246 murder the child in cold blood to add to his collection, and  
247 NOBODY KNOWS ANY DIFFERENT — he just "reports" the  
248 baby died of complications in utero, and NO ONE IS ALLOWED  
249 TO QUESTION HIM or INVESTIGATE and if you dare even  
250 suggest it, you'll become the target of investigation, and  
251 incarceration and/or a fine of, what is it, 2500, or was it 25000?

252 This wicked law opens the door to pedophilia, incest, all sorts of  
253 crazy things, and when those who crafted and supported the law  
254 are challenged, their voice is squelched, they are ridiculed — but  
255 otherwise, they do not answer the questions.

256 So, who among my fellow Californians voted for this thing?

257 Frankly, I cannot find a single one who will say they knowingly  
258 gave their consent to this evil bill — not one! Maybe that chic I saw  
259 holding a sign that said FETUS=TASTY TREAT — you know,  
260 2+2=5.

261 Let me ask you my fellow Californians — is that what you voted for  
262 when you approved Prop. 1? Yeah, that's what I thought; you did

274 So, one more news flash for my California patriots. And we are  
275 here, and we are getting louder every day.

276 Nicole Pierson is an attorney who represents the patriot cause. I  
277 checked this out, and she is right on. She raised alarms about a 78  
278 million dollar PUBLIC HEALTH Facility being built in Irvine, CA  
279 on ten acres of property once occupied by our Marines—the El  
280 Toro Base.<sup>11</sup> She has been fighting the clot shot, yep, Pfizer has  
281 admitted the shot has been known to cause clots—the Suddenly  
282 Dead syndrome is clearly related to the roll out of the vaccines—at  
283 least someone should stop this and look at it—some guy comes  
284 along and tries to tell us artificial sweeteners is responsible for all  
285 the suddenly dead stories — but, anyway — Here is a story out of  
286 Orange County talking about the new sprawling health facility to  
287 be built at a cost of 78 million tax dollars, are you ready for this,  
288 along a rail way, only a 20 minute walk from the train station, or a  
289 10-15 minute "forced march." Such preparations are going on  
290 around the nation.

291 It's about COVID, about preparations for the next pandemic, the  
292 one Gates said could end SOCIETY — the one he is planning for  
293 right now, with his CATASTROPHIC CONTAGION simulations.  
294 Remember Event 201? That was dress rehearsal! Here comes the

296 The language is vague as to its purpose—when asked for clarity,

299 The entire complex is to be FENCED in with SECURITY  
300 FENCING — what???

301 The WEF is talking about providing a place for those requiring  
302 mental health — they are laying the foundation to declare God  
303 fearing patriots as mentally ill — these developments are very  
304 concerning, and you need to be at the LIGHTHOUSE this
