

Brain Massage®: Show No. 919 Popping China's Balloon — "Beijing Biden" is Betraying America!

Dr. Jerry Scheidbach

Original Air Date: 02.04.23

1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain
3 masseur—get ready for your brain massage.

4 Home from the 2nd Annual North West Intercessor Prayer
5 Conference in Bend, Oregon, with Dr. Benny Beckum, hosted by a
6 dear friend, Pastor Peil and Victory Baptist Church in Bend.

7 This was one of the most GOD organized meetings I've had the
8 privilege to participate in — something is stirring folks, and it's
9 coming out of churches that take PRAYER and FASTING
10 seriously. This church prayed and fasted 30 days coming into this
11 conference dedicating each of four weeks to one of the four things
12 the Spirit instructed us to do to move GOD to HEAL OUR LAND:
13 Humble ourselves, Pray, Seek His Face, and TURN FROM OUR
14 WICKED WAYS (II Chronicles 7:14). I'll give a more complete
15 report on this wonderful meeting during my COMFORT AND
16 COUNSEL visit tomorrow night (that's Saturday, 2/4/23).

17 I'm preparing the show in route home from Oregon, and that's
18 always a challenge. Let's see what we have on the menu today.

19 I want to focus on the CCP increasing their aggression against the
20 U.S.: Flying a Chinese surveillance balloon over our Northern
21 States.

22 This would be a good time to review what we already know about
23 CCP designs on America!

24 What else — here, let me do a touch and go on some of these other
25 items:

26 A major donor to the Democratic Party who raised campaign
27 bucks for "Big-Guy"-tough-Joe Biden was indicted on multiple

28 federal charges. Among the charges: embezzlement. That's a kind
29 of plagiarism, isn't it? Plagiarism is something you'll always find
30 around "Big-Guy"-tough-Joe!

31 I wonder what this guy did that ticked off the Deep State? He's 83,
32 so maybe they figure he had outlived his usefulness. How old is
33 Biden? Hmm. Maybe "Big-Guy"-tough-Joe should be getting
34 nervous?

35 A while back I preached a message from Ezekiel 8:12—God took
36 His prophet on a tour of the hidden chambers of Judah's leaders
37 and showed him what these wicked people were doing in secret. I
38 think that is what God is doing in America right now — He is
39 showing us what has been going on in secret! He said, Hey, Ezekiel,
40 dig right here, so Ezekiel dug in the wall and found a secret door.
41 Open the door and look inside. And when Ezekiel opened the door
42 and looked inside what he saw was appalling! The stuff that is
43 being exposed is appalling, abominable, and we have not seen the
44 half of it yet. But here is some much needed exposure:

45 The House Republicans put forth a vote to condemn the ‘horrors
46 of socialism’ and the vote was 100% for it from Republicans, but it
47 split the Dems: 109 vote for the resolution and 86 votes against.

48 Amazing— the same Demoncrats that voted against a declaration
49 re the evils of Socialism are the ones harping on every blemish they
50 see on America, even blemishes that are put their by their own
51 hand—and they can never see past that to the ideals for which
52 America stands. But they can look right past the gaping gouges in
53 the face of socialism, look right past the multiple millions
54 murdered at the hands of Stalin, and Mao, and gaze adoringly at
55 what they consider the ideal of FORCED EQUALITY! — Everyone
56 is equally poor! A system created by a bitter, God hating man angry
57 that anyone else might have something he did not! Indeed, who
58 can stand before ENVY!

59 Pro-life students were rudely told to leave the Smithsonian
60 National Air and Space Museum. This is blatant discrimination.

61 Going after the J-6 fakirs with Pelosi in the crosshairs. House
62 Republicans issued a scathing report exposing House Speaker
63 Nancy Pelosi for her role in security and intelligence failures at the
64 U.S. Capitol on January 6, 2021. Emails and text messages from
65 Pelosi's office show us her staff held regular meetings discussing
66 security detail and turned down several requests from federal law
67 enforcement for needed reinforcements to protect the Capitol on
68 that day.

69 VACCINE UPDATE: Pilots begin to speak out! Last year, Pilot
70 Bob Snow had a heart attack only minutes after landing a plane at
71 the Dallas-Fort Worth airport that was brought on by the forced
72 vaccine. He lashed out Tuesday at Federal Aviation Administration
73 officials for imposing the vaccine mandate. The FAA is ignoring
74 him.

75 Peter A. McCullough tells us about a technique that will reveal
76 spike protein in heart tissue for the diagnosis of C19 vaccine
77 induced myocarditis. Enlargement and increase in heart weight are
78 common indicators of the condition, but now they have a way to
79 diagnose VACCINE INDUCED Myocarditis.

80 And this, from Pfizer: Pfizer admits there is concern about
81 Women's Reproductive Health After COVID-19 Vax causing
82 irregular menstration — something the vaccine should not be
83 doing.

84 And, finally, they are coming after CHRISTIAN PRIVILEGE now!
85 You've heard of WHITE PRIVILEGE? Well, here you go. Now they
86 are coming after CHRISTIAN PRIVILEGE. Florida State
87 University has adopted a program that castigates Christians for
88 their "Christian privilege," and offers racially segregated
89 scholarships that deliberately bar white students from applying.

90 DC Comics reveals new trans non-binary superhero named
91 'Circuit Breaker.' In a January Twitter post, Alan Kaplan, "a
92 cartoonist who digs gay psychedelia, horror, and superheroes,"
93 revealed the new DC character and identified the superhero's
94 pronouns as "he/they."

95 Monique Parsons and Jennifer Venth accused Riverhead Central
96 School District of causing "emotional distress" due to requiring
97 their children to wear face coverings at Pulaski Street School and
98 Riverhead Middle School. My book, *Let My People Breathe* will be
99 submitted to publisher this week!

100 Maine Republican lawmakers propose bill that would allow
101 certified teachers to be armed

102 And on Wednesday, last week, Rep. Matt Gaetz (R-FL) implored
103 his colleagues to support a bill that would abolish the Bureau of
104 Alcohol, Tobacco, Firearms and Explosives (ATF) intending to
105 deliver a major blow to the Washington bureaucracy and protect
106 citizens' second amendment rights.

107 Okay — It's time for your Brain Massage®

108 [TRUTH]

109 CCP surveillance balloon spotted over Northern US. — Billings,
110 Montana, to be precise—where China has been buying up
111 American Farmland. Conducting tactical surveillance of one of our
112 major nuclear arsenals.¹

113 And, incidentally, I'm sure, they flew their balloon in over the
114 Alaskan Aleutian Islands (US AIR SPACE) — and this is near the
115 area the CCP and Russia have lately attempted to claim rights.

116 You might remember a while back I brought to your attention the
117 interest China and Russia has lately shown in the Antarctic —

118 borders Alaska, just north east of the Aleutian Islands: THEY'VE
119 BEGUN ESTABLISHING MILITARY BASES THERE.

120 So, we see that the battle for the Antarctica has a clear MILITARY
121 PURPOSE — CCP and Russia are both contesting for control of
122 the Antarctica.²

123 So what's going down with CCP?

124 USAF FOUR STAR General Mike Minihan sent a memo only a
125 short time back to his command advising preparations be made for
126 anticipated war with China in 2025, which he believe could use
127 2024 elections in both Taiwan and US as a distraction to make a
128 move on Taiwan.³

129 We expect satellite surveillance — that's more or less strategic and
130 is arguably something supporting a national security interest. But
131 floating a surveillance balloon in our airspace is a tactical intrusion.
132 A tactical operation is tantamount to an attack! In this case, it
133 would not rise to the level of, say, deploying tactical nukes; but it's
134 definitely the sort of thing done to gain a specific military
135 advantage, serving as a preparatory action for weapons or
136 personnel deployment. It's very concerning!

137 Add this to the USAF General's I mentioned who sent a memo
138 alerting his command of his concern that CCP will use the 2024
139 elections in Taiwan and the US as cover for a move on Taiwan. The
140 elections are certain to be raucous, harsh, noisy — and likely the
141 more so since CCP's US plants will make sure it is. The FOUR
142 STAR General believes this will instigate war with CHINA, and the

143 way it's shaping up, it looks like CCP, RUSSIA, and IRAN will
144 combine forces against the West. The rising of Daniel's bear???

145 Xi and Putin are getting snuggly — CCP and RUSSIA have
146 conducted joint naval operations in the Bering Sea, near Kiska
147 Island, only 80 miles off the Alaskan coast.

148 A C-130 Hercules chopper provided air support for a National
149 Guard patrol ship, a cutter called Kimball, that spotted the four
150 ship convoy in formation chugging along the Bering strait —

151 When the CCP and Russia joint naval op was discovered, they
152 broke formation. One of the ships was identified as a GUIDED
153 MISSILE CRUISER, and a DESTROYER, the other two were not
154 identified.

155 This comes on the heels of a warning of CCP interest in the Arctic,
156 and Russia's military build up there. This came from NATO
157 Security General, Jens Stoltenberg.

158 Think about all this in light of what we learned earlier about the
159 CCP declaring itself to be a "near arctic state." This is a ruse to give
160 CCP's intrusion into Arctic affairs a quasi-legal status. CCP has
161 declared it has a legal and legitimate interest in the region and
162 wants to establish an Arctic Silk Road—and dictate the use of this
163 resource. Now they are launching surveillance balloons into US Air
164 Space over the Aleutian Islands and into air space over one of our
165 nuclear bases in Montana.

166 Meanwhile, Russia is building new and reopening old Soviet era
167 deep water ports and military bases in the Arctic, including
168 airfields.

169 When I brought this to your attention a few months ago, I said
170 then and say again—these are preparations for war, folks! There is
171 no other reasonable way to view this.

172 And this underscores our concerns about CCP infiltration into our
173 government—deep into our DOJ, FBI, CIA, the Congress, the
174 Senate, and even the White House.

175 And in our medical establishment too. For example, here is an
176 article dated December 2021, "Looks like US worked with CCP
177 Military on Gain of Function & Knew of the COV leak." Judicial
178 Watch obtained 221 pages of NIH records including GRANTS that
179 funneled MONEY to the WUHAN LAB.

180 Judicial Watch documents the fact that US NIH/NIAID **knowingly**
181 worked with the Chinese military. Fauci was lying when he said he
182 trusted the Wuhan scientists *because they were not CCP military*.
183 He trusts them because they are! He knew that Wuhan lab was
184 under direct control of the CCP military. The only people that
185 believe Fauci now are suffering from a blue pill overdose.

186 Judicial Watch discovered documents from NIH and NIAID that
187 show two weeks before we were told about the dangerous
188 coronavirus, Moderna mRNA technology was transferred in a
189 secret deal to Dr. Baric, Fauci's associate, and the infamous Wuhan
190 bat lady's partner. Remember, the Baric people are the ones who
191 demonized anyone that dared say the virus might have resulted
192 from a lab leak. Well, America, what do you say now?

193 Heritage Foundation released a report analyzing US military
194 strength and preparedness. Russia has 12,000 missiles, CCP has
195 14,000, **US has 300**. This cannot be excused by ignorance — this is
196 malfeasance on a level that can be called nothing short of
197 TREASON.

198 Newtarget reports: "US military running out of key munitions
199 including anti-tank Javelins by gifting them to Ukraine as
200 production capacity falls." Here is an article warning that recent
201 movements in China suggest shifting to a war footing against US.
202 At the same time, some are speculating that China is tottering on

203 the brink of collapse. Which is a dangerous combination: CCP
204 interests here in the US are feeling the shift in public sentiment
205 away from China and away from their puppet president pretender
206 Joe "Benedict" Biden.

207 The CCP in China are becoming desperate, and they can read the
208 handwriting on the wall, written by the HAND of GOD in the
209 blood spilled at Tiananmen — be sure your sins will find you out!

210 I have called upon the LORD to break the CCP off the backs of the
211 precious Chinese people. O Lord, HOW LONG WILL YOU LOOK
212 ON? Will you send us under that oppressor's ROD?

213 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor
214 at the Lighthouse, your brain masseur, and Paul Revere's lantern
215 lighter, lighting the lamps in the church belfry arch, signaling the
216 enemy is on the march, an enemy that would steal from us our
217 liberty.

218 CCP surveillance balloon was spotted over Billings, Montana,
219 where the US bases well over 100 nukes — and where, incidentally,
220 China has been buying up American Farmland. Conducting
221 tactical surveillance of one of our major nuclear arsenals.⁴

222 This is an egregious violation of our air space and a clear and
223 present provocation — and Biden DOES NOTHING! Trump
224 truthed: SHOOT IT DOWN! Biden squirmed, and simpered, and
225 like the sycophant he is, demured — he is a traitor. He is dangerous
226 for America, and KOMIELA would be no better, in fact, probably
227 worse. We must correct 2020! It must be done NOW!

228 The CCP in China are becoming desperate, and they can read the
229 handwriting on the wall, written by the HAND of GOD in the
230 blood spilled at Tiananmen — be sure your sins will find you out!

231 When dictators are desperate they will do insane things? I hope the
232 rumors are true that the "football" is secretly secured from Biden's
233 reach.

234 Our recruiting numbers are dangerously low, and you don't see
235 any concern about this beyond window dressing—these lying
236 traitors know that red-blooded-American patriots, the type that
237 willingly lay down their lives for their countries, HAVE NO WILL
238 TO FIGHT IN A QUEER army where it's forced on them, pushed
239 into their faces constantly, where they are told to deny reality and
240 play along with this charade — they are using these ridiculous
241 policies about not saying "sir" and "Mame" and forcing everyone to
242 identify their "preferred pronoun" to drive Christians out of the
243 military—because they cannot trust CHRISTIANS to go along with
244 their plan to overthrow the Constitution and start doing Auschwitz
245 with Christians.

246 They know exactly who they are repelling from the military and it's
247 exactly the people they don't want in their military — straight,
248 Christian, conservatives. They cannot depend on that sort of
249 soldier to turn their guns against Americans, or to lay down their
250 weapons at the feet of our nation's enemies — they need people
251 who hate America and hate Christianity, and hate the Constitution
252 — they need OATH BREAKERS not oath keepers, they need GOD
253 HATING, AMERICA DESPISING, warped and demented crazy
254 people because corrupt people are easier to manipulate and you
255 can get them to commit TREASON because they have NO
256 LOYALTY.

257 This administration and those following him and supporting him
258 know exactly what they are doing. They are weakening America in
259 preparation for the CCP to attack.

260 Remember this report, I found on Brighteon — "Academic
261 researcher and author JR Nyquist has conducted a bombshell
262 interview with "Mr. Wang" from LUDE Media -- the same group

263 that acquired a secret audio recording from high-level CCP / PLA
264 military leaders in Southern China, revealing China and Russia are
265 teaming up to eliminate the United States and occupy North
266 America."

267 Mr. Wang, is Wang DingGang Lude, he founded a Chinese media
268 group called Lude Media — with the pervasive presence of CCP
269 everywhere protecting CCP from exposure to the general public
270 through media, it is surprising Mr. Lude, or as he is called here,
271 Mr. Wang, is able to function. I understand, from here,⁷ that Mr.
272 Lude is noted to be a whistleblower, and desires to get the truth
273 about CCP actions to the world.

274 Here is the mission statement of LUDE Media: "These channels
275 aim to create an independent news platform that can disseminate
276 the truth about the CCP. In addition, Lude's channels fully
277 implemented the concept of truthfulness in media, which has made
278 more people believe and participate in the Whistleblower's
279 movement to comprehensive the aim of making China be a
280 freedom, liberty and rule-of-law country."

281 LUDE got a copy of a conversation between CCP military leaders
282 discussing plans to coordinate with Russia an attack America.
283 "From the summary of that interview: 'China and Russia will
284 launch a full-scale war against the United States.

285 The Russian and Chinese fleets will be united – not in the same
286 ocean – but by attacking the same continent, North America.

287 The Russians will attack through the Arctic, the Chinese through
288 the Pacific." Okay, well, it looks like CCP and Russia are
289 coordinating their attack from the NORTH — remember my
290 message back in 1999-2000?

291 Here is a 56-minute recording of CCP military discussing plans to
292 attack the US.⁸ Here is what was reported from the interview that

293 took place between Nyquist and Wang: The take aways from this
294 interview: Wang reveals:

295 1. The CCP is financing Russia's war with Ukraine. We know that
296 India is buying heavily into Russian oil, rebranding it, and selling it
297 to European countries who are pretending to boycott Russia re
298 Ukraine.

299 2. Russia's "best forces" are not being used in Ukraine. Their BEST
300 forces are deployed in the "far east" being prepared for action
301 against the US. This invasion is coming in from THE NORTH —
302 Alaska and Canada!

303 3. Ukraine is losing to Russia??? [I've told you that BIDEN is NOT
304 SERIOUS about helping Ukraine.]

305 4. CCP used the lockdowns to "mask" deployment of mobile
306 ICBMs and other weapons. The clearing of streets has been
307 covered by efforts to control the spread of the virus, and equipment
308 has been hidden by cameo, they disguised them as COVID
309 convoys.

310 5. LUDE media reports that CCP will attempt to use nuclear
311 blackmail and threats of unrestricted warfare (chemical warfare) to
312 collapse the US, and have America dropped into their power by
313 our weak and feckless political elites; while simultaneously forcing
314 Taiwan, Japan and S. Korea into their power.

315 6. If that does not work, if the US resists, and if the US interferes
316 with their moves on Taiwan, etc., CCP and RAF will combine
317 forces and attack the US.

318 7. From the recording of this discussion, the plan appears to be the
319 Russians will attack from the NORTH, through the Arctic, and the
320 CCP will attack from the Pacific.

321 However, there are some confounders that we need to be aware of.
322 The "freedom" movement in China is strong, and gaining strength
323 among the people.

324 LUDE media has many contacts with these people operating under
325 the radar to bring down the Communist Party in China, or the
326 CCP. The CCP has declared war against the West, the
327 anticommunists in China have declared a People's war against the
328 CCP. The leaders of this resistance want our leaders here, the ones
329 they can trust, they want us to know that we MUST WARN
330 AMERICANS ABOUT THE CHINA-RUSSIA ALLIANCE, THAT
331 THERE CAN BE NO NEGOTIATING WITH MOSCOW
332 AND/OR BEIJING, THAT WE MUST NOT ABANDON OUR
333 ALLIES IN ASIA— Taiwan, Japan, S. Korea.

334 Back before 9/11, I saw this coming through Scripture and
335 common sense discernment. The prediction was not presented as
336 some sort of prophecy—but I preached a set of messages out of
337 Jeremiah calling on American Christians to wake up, because if we
338 continued down the path we were on, it would lead to DIVINE
339 JUDGMENT expressed upon this country from the NORTH, that
340 it would come down on us by the hand of China and Russia — that
341 they would collude together with Iran—that these three ribs in the
342 mouth of the bear would rise up to raven the earth—and that the
343 only power present to stop them was a HOLY CHURCH—and not
344 that profane blasphemous Roman Catholic institution astride the
345 scarlet beast of Revelation 17 and called the whore of Babylon in
346 13, nor the many deluded by that system, who are called by the
347 SPIRIT COME OUT OF HER MY PEOPLE, but the paganized
348 quasi-Christian-system itself, under the DAGON worshipping
349 COBRA staged Pope, with that chalice filled with the blood of
350 martyrs, and lips red with the blood of infants, and a heart stained
351 with a corrupt lust of the pedophile and fornication; NO!

352 What we need is revival — and I think I saw the breaking forth of it
353 in Bend Oregon last week!

354 I have lit the lamps in the Church belfry arch and now you let me
