

Brain Massage: Show No. 920 How "They" Attempt to Trick Us Into Refusing the Truth When It's Put Before Us / What To Do When That Happens!

Dr. Jerry Scheidbach

Original Air Date: 02.11.23

1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain
3 masseur—get ready for your brain massage.

4 Wow! I think I should name this episode, WOW! It's mind
5 blowing—look, they — and my audience knows who "they" are —
6 they are good at one thing — lying! And one effective way to do
7 this is to tell so many lies so that when the truth does come out, we
8 won't believe it! We simply come to a place where you don't know
9 what to believe. What to do when that happens!

10 This is going to be a bomb throwing show — bursts of insights that
11 will lighten the sky of your life like an atomic bomb blast! But,
12 without the radiation! It's time for your Brain Massage.

13 [TRUTH]

14 Toresays raises alarm with N. Dakota officials regarding the
15 purchase by CCP of farmland in N. Dakota. Concerned about
16 reports of a CCP military training base operating ten miles across
17 the border into Canada. She does a drive by to put her eyes on the
18 CCP military training camp — puts her eyes on it — confirming
19 what we have known for some time — Trudeau is in bed with Xi,
20 and allowing CCP to position soldiers literally on our border with
21 Canada.

22 So this takes us to the balloon thing and it gets so weird, it's literally
23 a challenge to follow it all.

24 First, as we all know, for the CCP to fly a surveillance balloon
25 literally over a cross section of the US is extraordinary. It was
26 allegedly launched from the Arctic, driven across the Aleutian

27 Islands, off the coast of Alaska, so it was in US air space right then
28 — but we are told it was spotted first by some sky watching US
29 citizen in Montana — so, I suppose it crossed over Canada, or parts
30 of it, and re-entered our airspace along our border with Canada?
31 Then, you've seen the maps showing its path, running southeast
32 across the Continental US and moving off into the Atlantic at S.
33 Carolina where it was shot down by one of our jets. Right?

34 So many questions are raised by this; it is literally hard to know
35 where to begin — but let's start here, where Toresays started in an
36 interview with Joe Oltmann and Appollo on Conservative Daily.
37 Go here to view the interview.¹

38 For sake of full disclosure, Miss or Mrs. Maras (I could not make
39 out the pronunciation of her first name on the audio when she
40 stated it to a N. Dakota hearing during Citizens comments, so, all I
41 have is her last name, Maras, and the fact that Joe refers to her as
42 Tore, so, Tore Maras of @toresays is a former CIA agent — whose
43 credits include direct participation in the color revolution that
44 went down in Ukraine. She worked in that field for, I think she
45 said, above 40 years—so she turned WHISTLEBLOWER and
46 deployed her skills toward exposing what is going on with our FBI,
47 DOJ, CIA, NSA and DIA — and the treasonous relationship of the
48 US Deep State with the CCP.

49 Tore is keen on how the CIA uses misdirection and
50 misinformation and disinformation to manipulate Americans and
51 political policy in the US — she was on the inside and participated
52 in that activity. She looks at the origin of the Balloon story and
53 smells a CIA op. She asked, who is this person, a totally unknown
54 individual, who happened to look up into the sky and notice a
55 white ball floating along, took a picture with, I think it was a
56 female, so her pronoun would be her (hehe), iPhone, or whatever

¹ Oltmann, Joe and Appollo, *Live with ToreSays: Twitter Hearings, Turkey, and Traitors*, Conservative Daily, February 9, 2023

57 phone and posted it to her totally unknown and unremarkable
58 facebook page and it exploded into a viral thing within minutes.

59 She wonders how did it go viral so quickly? And at what point does
60 it come out that it's a CCP surveillance balloon? So, first off, Tore
61 thinks it's a CIA operation — and is suspicious. She looks into it,
62 and starts questioning the whole narrative and lo and behold it
63 comes out in the news lately that there were a lot of western parts
64 on this thing, that were stamped made in the US — so, what's that
65 about? Tore asked, why are they pushing the *made in China* angle?

66 Once again, coming from someone who has some personal
67 experience in espionage, and inside the spook world knowledge of
68 CCP capabilities—she explains it makes no sense at all for CCP to
69 send something across the US so obvious, as she put it, so
70 pedestrian—lacking inspiration, dull — without the usual oriental
71 subtlety — and, besides, she tells us she knows CCP capability, and
72 they would never have deployed something like this balloon turned
73 out to be because they have technology, and she described it, that
74 would make the balloon invisible to the naked eye. If it was
75 preparation for an attack, they would have given up the element of
76 surprise, and the CCP are too clever — so if China sent it, they
77 intended it would be discovered. And for Biden and the Pentagon
78 to allow it passage across our states, and we now know they did
79 know about the balloon before it entered US airspace, to allow it to
80 traverse the states is unconscionable — by the way, the argument
81 they were concerned shooting it down over Montana would
82 possibly put Montanan's at risk is bogus — and only people who
83 live in densely populated cites and suburbs would ever buy it —
84 but that's most Americans, so that's how they get by with this, for
85 Montana is mostly open ranges and for many, many miles that
86 balloon traveled unchecked over empty land — this thing would
87 have dropped directly to the ground and the military would be able

88 to know almost exactly where it would make contact with terra-
89 firma — so that's another thing!

90 For what reason would the US allow this to happen, why would
91 China send a US made balloon, if it was an act of war, why not use
92 the technology China has and send one of their stealth balloons,
93 how did this totally unknown Montana sky watcher have her video
94 go viral in a world where the US government literally contracts
95 with social media giants, virtually owns them — you have heard,
96 I'm sure that Twitter, for example, was created as a DARPA project
97 — I brought out some years ago the intel exposing Facebook, as a
98 CIA funded operation buying into Zuckerberg's college networking
99 app — or something like that — so, how does someone that is a
100 total unknown have a balloon video that goes viral in a matter of
101 minutes, unless the CIA and DOJ wanted it to go viral — Tore says
102 this happens only when the CIA enhances the stories they want to
103 push.

104 We remember, Tore is coming from an inside look at this stuff,
105 and she tells us when she looked at the photographs, she
106 immediately recognized it as a Google Balloon.² She points out that
107 this "spy balloon" story is conveniently *floated* at the same time
108 propaganda is being pushed that Putin "will nuke the Atlantic to
109 submerge the UK and NYC." [IBID] And on the heels of this
110 startling and disturbing news, the story breaks in the MSM that in
111 fact Biden's administration DID blow up the Nord Stream
112 pipeline—here you go, from the TownHall Tipsheet: *Bombshell*
113 *Report Alleges US Behind Sabotage of Nord Stream Pipeline.*³

114 So, we have what appears to be an invasion into US airspace by
115 China, rumors that Russia is threatening to nuke the Atlantic to
116 take out the UK and New York City, the admission in the MSM

³ Barkoukis, Leah, *Bombshell Report Alleges US Behind Sabotage of Nord Stream Pipeline*, Townhall, Tipsheet, February 9, 2023 [ONLINE: <https://townhall.com/tipsheet/leahbarkoukis/2023/02/09/nord-stream-report-n2619370> — 2/10/23]

117 that Biden ordered the Nord Stream Pipeline carrying Russian oil
118 to Germany, and from there to Western Europe to be sabotaged,
119 and that in order to get around the law that requires him to advise
120 Congress of such an operation before implementation, he uses a
121 specialized Navy diving team that are not designated for special
122 secret ops —

123 Anyway, you can see what a rabbit hole this stuff can become very
124 quickly.

125 The point is, I think Tore offers some very interesting observations
126 — and they tend to power the add up of the facts toward a different
127 conclusion than what we have been, it appears, led to believe.

128 Adding to this questions I've raised about the Russia invasion of
129 Ukraine — for the record, at first, it seemed to be to be big mean
130 Russia attacking little Ukraine, taking advantage of a weak US
131 president and an opportunity to reunite Ukraine to Russia. But as
132 more and more information comes out about all this it's looking
133 increasingly like Zelensky is a grifter, taking America, and rest of
134 the west, for all he can get—that Biden's interest in Ukraine is
135 about a major cover up of his own grift operations, and wow —
136 this thing is beginning to look like a major operation to draw the
137 world into another world war — something we already know the
138 GLOBALISTS use to further their agenda toward completing
139 NIMROD's tower and bringing forward the man of sin — the
140 ANTICHRIST, the 666 dude — whose agenda is
141 DEPOPULATION of the planet, and subjugation of mankind to
142 total tyranny.

143 You know I've always been suspicious about the Left posturing as
144 anti-Russia, the idea that Biden and Putin are enemies never felt
145 right to me. Sometimes I thought it was because I grew up during
146 the cold war, and through the Marxist infiltration of our
147 government coming out of the Viet Nam era, but every time I look
148 closely at this, it just does not add up!

149 Anyway, frankly, trying to keep up with the rise and fall of these
150 stories as they build their narrative, is rather like standing on a boat
151 in wavy water — it's enough to make one sea-sick watching the
152 constantly changing sea-scape!

153 So, let's wrap this first segment.

154 It is beginning to appear that this whole thing is a set up intended
155 by NIMROD's TOWER BUILDERS to draw us into a major world
156 war between the West and the combined powers of China, Russia,
157 and Iran. If you add the whole depopulation agenda that we know
158 is driven by the climate change scam, the PLAN-Demic vectorizing
159 with the ridiculously obvious big-pharma vax pushers, the whole
160 transhumanism thing, where all of this is looking more and more
161 an interrelated, interconnected, intertwined, intrigue OF THE
162 HEATHEN WHO HATE GOD AND AMERICA, WHO ARE
163 BANDED TOGETHER TO THROW OFF THE BANDS AND
164 CORDS OF CHRIST THE KING — to create the New World
165 Order, setting the capstone in place as an homage to Nimrod's
166 tower — and now, to add insult to all of this, we learn that
167 Konnech, remember that company? That's the one involved in
168 compromising our elections — proved, by the way — the CEO
169 was sending Election personnel data to China — and exactly as I
170 predicted, the LA district atty dropped all charges against Mr. Yu,
171 the CEO of Konnech⁴ — well, what a surprise — now we learn
172 that the Chinese company, Konnech, is FUNDED BY THE DOD
173 — that's the Department of Defense. What business does the US
174 DOD have funding any Chinese company, especially one that is
175 complicit in stealing our elections?

176 Okay, hold on through the break; I'll be right back.

177 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor
178 at the Lighthouse, your brain masseur, and Paul Revere's lantern

⁴ Rondeau, Sharon, *Reports: Charges Dropped against Konnech CEO Eugene Wu*, NPR: Reports, November 11, 2022 [ONLINE: <https://www.thepostemail.com/2022/11/11/reports-charges-dropped-against-konnech-ceo-eugene-wu/> — 2/10/23]

179 lighter, lighting the lamps in the church belfry arch, signaling the
180 enemy is on the march, an enemy that would steal from us our
181 liberty.

182 What to do when you've been lied to so many times, with so many
183 different stories and spins — you no longer believe anything — not
184 even the truth? The first thing you do is to recognize that's the
185 plan!

186 They *spin* the stories one way, then another, so that you are
187 constantly kept off balance — it's literally dizzying — so that when
188 the TRUTH does present itself, you can't focus on it or even see it.
189 This is by design! It's sort of like flak — that scattering of decoys
190 from an aircraft to confuse any missile tracking the plane.

191 When the missile of TRUTH locks on a targeted lie, the wicked
192 attempt to so totally confuse the public by putting forward so many
193 *spins* on the story, create so many versions, all more or less
194 plausible, so the general public can't discern the truth when it's put
195 directly in front of them.

196 Here are some rules I follow! Rule no. 1. I don't commit myself to
197 any man, because I know what's in him. I picked that one up from
198 Jesus' example: "But Jesus did not commit himself unto them,
199 because he knew all men, and needed not that any should testify of
200 man: for he knew what was in man" (John 2:24-25).

201 Rule no. 2. Always weigh everything you hear against what you
202 know for sure. And Rule 2a, regularly re-verify what you "know for
203 sure." Every time something comes up that seems to run contrary
204 to something I considered a settled issue, I take the time to
205 reexamine my position.

206 Rule no. 3. Examine the fruit of the source. Interestingly, the Bible
207 represents men as trees (Psalm 1; Romans 10-11, and so on), and
208 every tree is known by its fruit. This is another biblical principle:
209 "ye shall know them by their fruits" (Matthew 7:16). Jesus said,

210 "every good tree bringeth forth good fruit; but a corrupt tree
211 bringeth forth evil fruit." Someone who consistently espouses
212 policies that bring evil into the world is proof that tree is bad—you
213 should never base any conclusion about what's going on the basis
214 of corrupt people. This does not mean corrupt people never say
215 truthful things, it does mean you should never have confidence in
216 any conclusion if the sole source is a corrupt man or woman. And
217 if in the wake of their lives there is a consistent manifestation of
218 evil—you will be wise to ignore their recommendations to your
219 opinions.

220 Rule no. 4. Test everything you hear — another biblical principle
221 — "Beloved, believe not every spirit, but TRY THE SPIRITS
222 whether they are of God: because many false prophets [LIARS] are
223 gone out into the world" (I John 4:1). This one includes a sort of
224 clearing test — "Hereby know ye the Spirit of GOD: Every spirit
225 that confesseth that Jesus Christ is come in the flesh is of God: and
226 every spirit that confesseth not that Jesus Christ is come in the flesh
227 is NOT OF GOD: and this is that spirit of antichrist, whereof have
228 heard that is should come; and even now already is it in the world"
229 (I John 4:2-3). Allow me to elaborate on this one.

230 The primary take away here is to test everything you hear. And the
231 first *test* should always be this: test everything you hear against the
232 TRUTH that you know!

233 To expand on this, JESUS declared He is the "way, the truth, and
234 the life" (John 14:6). And He prayed, "Sanctify them through thy
235 truth, THY WORD IS TRUTH" (John 17:17). Obviously, if
236 something you hear or read clearly contradicts something you hear
237 or read in the BIBLE, you can dismiss it as a lie.

238 For example, when you hear someone tell you a man can be a girl,
239 and a man can get pregnant — well, first, don't give up what you
240 know to be true, but if they do succeed to confuse you, know that
241 you can count on GOD BEING TRUE, so apply the rule, "LET

242 GOD BE TRUE, but every man a liar" (Romans 3:4) — so you can
243 know with certainty this gender confusion nonsense is a LIE
244 because GOD told you He created man MALE AND FEMALE —
245 two genders, and two genders ONLY. That illustrates how this
246 works.

247 So, when you examine someone like Ukraine's Zelensky, and you
248 see him wearing woman's attire, and dressed in high-heels, and
249 playing the piano with — well, you know what he did — and you
250 see this is something of a pattern with this guy — you know
251 something about him. You know he is a pervert, and a deceiver.
252 The fruit of this man must be expected to be evil — if there is a
253 conversion story somewhere, that should be taken into
254 consideration, otherwise — see what I mean?

255 Further, on rule no. 4, if the source of the story is a person who
256 denies that JESUS CHRIST IS COME IN THE FLESH — you can't
257 trust him, or her; such a person is *antichrist* — you can expect
258 them to be committed to the agenda of the *antichrist*, which is to
259 pull together the one world government ruled by TYRANNY!

260 To deny Jesus Christ has come in the flesh is to deny that JESUS is
261 the promised RULER of Heaven and Earth and that He reigns
262 NOW — Jesus Christ is KING, and all mankind are His subjects.

263 Rule no. 5. Sharpen your senses, your ability to discern between
264 good and evil, by much use of God's words, and the only way to
265 sharpen your spiritual discernment is by much use of the
266 Scriptures — Hebrews 5:14 — you study to show yourself approved
267 (II Timothy 2:15). The greater your knowledge of the Scripture the
268 more sharpened will be your senses to discern both good and evil.

269 Rule no. 6. This is the faith principle — you must BELIEVE that
270 GOD will guide you to all truth by HIS SPIRIT (John 16:13). If you
271 are a genuine lover of truth, Jesus made it clear, you will come to
272 the LIGHT. If you are a lover of darkness, you will hate the light

273 and avoid it. People who sincerely love LIGHT are drawn to it.
274 Those who love darkness withdraw from it. This is because their
275 deeds are evil, and they don't like what the light exposes about
276 themselves, so they avoid it.

277 So to have the HOLY SPIRIT come into you with the promise to
278 guide you to truth, you need to repent of your sins and believe on
279 the LORD Jesus Christ to be saved.

280 You can trust GOD to guide you to the truth — so, be patient, wait,
281 watch, pay attention, follow the rules I outlined here, and you will
282 come to the TRUTH, the TRUTH will be revealed to you!

283 Rule no. 7. ASK, SEEK and KNOCK. Another biblical principle:
284 "Ask and it shall be given you; seek, and ye shall find; knock, and it
285 shall be opened unto you" (Matthew 7:7). Ask for the truth.
286 Dedicate yourself to a sincere effort to find it — seek for the truth.
287 Knock on every door you can get to — do the work of research,
288 and prayerful study — God will reward a sincere seeker!

289 I know these rules have helped me and continue to help me day by
290 day as I seek the TRUTH! Any believer diligently following these
291 rules will come to the TRUTH. It can get confusing, the devil is a
292 clever liar — and sometimes he appears as an angel of light — but
293 if you follow the rules I outlined for you here, you will see through
294 it, and you will come to the truth.
